

# Chapter 5048

Evelin solemnly promised: "Sister Lan, don't worry,"

"As long as we are here for one day, they will not have a good life!"

At this time, The prison guard on the side said to Elaine: "Sister Lan,"

"I think you should go to the infirmary with me first,"

"And let the doctor check whether your injury is serious!"

Elaine felt the pain in her right leg and couldn't bear it.

She choked and said, "Is it serious, my leg seems to be broken again..."

After speaking, Elaine asked her quickly,

"Can you take me to the hospital? Give me my mobile phone by the way,"

"I want to call my son-in-law..."

The prison guard said, "Your son-in-law has already come and is waiting outside to pick you up from prison."

“Really?” Elaine said with great relief:

“Quick, take me out to meet him!”

The prison guard hurriedly found a colleague,

And the two carried Elaine away from the playground together.

What made her extremely gratified was that before she could go far,

She heard the tragic wailing from Monica and the others behind her.

Listening to the screams of those people, her mood was a little relieved.

At this time, Charlie was already waiting in the family meeting area of Bedford Hill Correctional Institution.

Soon, Elaine, with a bruised nose and a swollen face,

Was carried by the prison guard into a wheelchair and pushed out.

The moment she saw Charlie, Elaine burst into tears and said,

“Good son-in-law, your mother’s leg is broken again. , what can I do...”

Charlie shook his head helplessly.

He didn't expect that those women would be so ruthless when they hit Elaine.

However, this is indeed Elaine's own fault.

If she knows how to accept it when she sees it,

And go out happily when she is ready to release her for the first time,

This situation could have been naturally avoided.

So, Charlie could only say: "Mom, then I'll take you to the hospital first!"

"We have to look at your legs as soon as possible, so as not to leave any sequelae."

When Elaine heard this, she nodded quickly and said,

"Yes Right, let's go to the hospital, I have broken my leg too many times,"

"If I don't recover well, I will be in trouble in the future if I become lame..."

Charlie then asked the prison guard to help him and put Elaine in the car,

He drove to the New York City area.

At the same time, he did not forget to take out his mobile phone and send a message to Douglas,

Asking him for the location of Fei's hospital, and planning to send Elaine there for a simple treatment.

At this time, Elaine was sitting in the back seat, crying and saying,

"Good son-in-law, Mom really regrets this! If I knew there would be today,"

"I could just come out of prison in a hurry yesterday."

"My legs won't be able to go down in a month or two... My life is so hard!"

Charlie asked inexplicably, "Mom, is this prison so comfortable? You didn't want to come out."

Elaine said angrily: "Didn't Mom tell you the truth on the phone,"

"The main reason was that I met a few girls who were particularly good at playing,"

"And they covered me, No one dared to provoke me in Bedford Hills,"

“And anyone who saw me would respectfully call me Sister Elaine, it was more enjoyable...”

Charlie sneered and said seriously:

“Mom, do you know what kind of person can make money from the casino?”

Elaine shook her head and asked curiously, “Is it me?”

“No.” Charlie said lightly, “It’s the one who knows how to stop profits in time.”

“Only people can make money from casinos. As long as you are still in casinos,”

“You must understand a truth. Money in casinos is not money, but a pile of worthless plastic chips.”

“Only the plastic chips you win can be exchanged for If you choose to continue to stay in the casino,”

“You may end up losing all the chips in your hand, and even losing all the money you have come in.”
