

Chapter 5081

“Ah...I...”

Suddenly being questioned by Charlie, the old man seemed very nervous for a while.

He hesitated, not knowing what to do or what to say,

So he could only subconsciously look up at the beautiful girl beside him.

Seeing this, the girl hurriedly said, “Grandpa...”

“It’s all over now, you should tell the truth to this gentleman!”

“I...” The old man didn’t expect the girl to be saying that, he doesn’t know what to do for a while.

After all, he was just a servant beside the young lady,

And the young lady called him a grandfather in public,

But he could understand that, he could hear the meaning of the young lady’s words,

That he wanted to pretend to be a grandfather and granddaughter.

However, the young lady suddenly wants to tell him the truth, which makes him confused.

Because I don’t know how to tell the truth.

Before the old man showed his timidity, the girl hurriedly took the lead and said to Charlie,

“Gentleman, my grandfather is still a little undecided, so let me explain it to you.”

Charlie did not see that the girl and the strangeness between the old men,

Seeing that the girl was willing to tell the reason,

He nodded and said: “Little girl, please tell me.”

The girl couldn’t help but pursed her lips and smiled, and then said:

“Actually, the reason why these people want to arrest My grandfather and me,”

“Is because the person behind them wants a treasure left by my father.”

“Treasure?” Charlie couldn’t help frowning when he heard this, and asked in surprise,

“What treasure is worth that much that it arouses the interest of this so-called lord?”

Although Charlie didn’t know who the Lord was, or how strong the Lord was,

He could still get a glimpse of him with his little understanding of the organization.

In his opinion, the comprehensive strength of this mysterious organization must be higher than himself,

And even the An family will be played by them.

Therefore, Charlie speculated that the strength of this mysterious organization would not be,

Inferior to that of the Routhschild family, which currently ranks first in the world.

It is even possible, much stronger than the Routhschilds.

It was because he knew that the other party was very powerful,

So he couldn't understand how such a high-ranking person would grab something from these two.

Seeing that Charlie had some doubts,

The girl took out a sachet the size of a palm from her close-fitting clothes for a moment.

Then, with her slender, white, and tender hands,

She took out an inconspicuous bronze ring from the sachet.

And the moment the ring was taken out of the sachet, Charlie felt a very rare, yet very familiar feeling.

This made him immediately realize that this little ring was actually a magic weapon,

Just like his own Thunderbolt Order and Soul Piercing Blade!

This is also the first time that he has seen a real magic weapon in the hands of others!

He thought that this girl also had the same spiritual energy as himself,

So he subconsciously divided some spiritual energy and quietly checked the girl.

However, after some investigation, he did not find any trace of spiritual energy from this girl.

That is to say, this girl has absolutely no spiritual energy,

And it is impossible for him to be the same person as her in terms of energy.

So, he couldn't help but ask her: "Little girl, what is the origin of this ring?"

The girl said faintly, "My father left this ring to me."

Charlie asked again, "Then did your father tell you what's so special about this ring?"

"No." The girl said seriously, "My father just said that this ring is extraordinary,"

"So I must take good care of it and not let it fall into the hands of rogues people."

Chapter 5082

After that, the girl lowered her head and pondered for a moment,

Then suddenly raised her head to look at Charlie, and said in a firm tone,

"Sir, if you can let my grandpa and me live today, I would like to give you this ring,"

"Anyway, with this thing in my hands I can't do anything, and it always brings disaster."

"After giving it to you, my grandfather and I will find a safe place to live in seclusion,"

"And we won't have to be bothered by this kind of harassment again."

Then, the old man, he stared at the girl with wide eyes and told her not to be so impulsive with his eyes.

But the girl gave a wry smile and said to him: "Grandpa, this thing,"

"We can't protect it, not only will we not be able to protect it,"

"But it will likely be taken away by the bad guys."

After speaking, she said firmly: "It's not in this way,"

"It's better to give it to this gentleman! I think this gentleman has a good face,"

"And he will not let it go astray, and this gentleman is very powerful,"

"And he will definitely be able to protect this ring well! "

Charlie asked her curiously:

"Little girl, since your father told you that you must not let it fall into the hands of wicked people,"

"Aren't you afraid that I am a wicked person?"

"Not afraid." The girl shook her head and said seriously,

"I believe you are definitely not here for this."

"The ring came, and you appeared at the juncture, although I dare not say that you are all for saving me and grandpa,"

"But I believe that at least part of the reason,"

"So I can be sure that you are definitely not a bad person."

Charlie smiled noncommittally, and then looked at the ring in her hand.

To tell the truth, he really had some yearning for this ring.

After all, this was the first time he had seen a magic weapon in the hands of others,

So he wanted to know what special effects this magic weapon had.

So, he said to the girl: "Okay! I promise you!"

After that, he changed his words and said,

"But before I promise you, I have one more thing to explain to you."

The girl hurriedly said: "Sir, please speak!"

Charlie said lightly: "That is after tonight, you may forget what happened just now,"

"If you find out that the ring your father left you and let you keep it properly is lost,"

"Maybe you will live amidst the guilt and self-blame, do you think you're okay with this?"

The girl was startled slightly, then nodded and said,

"I'm fine! If this ring is still on me,"

"Then my grandpa and I may not be like this next time. Having bad luck."

"Okay." Seeing that she agreed, Charlie said very cheerfully, "Then we have a deal."

The girl nodded, and immediately tossed her jade hand,

And the ring swirled in a circle from the air.

It crossed a graceful curve and landed in front of Charlie.

Charlie reached out and grabbed the ring in the palm of his hand,

And then a little bit of spiritual energy entered, wanting to see what the mystery of the ring was.

However, after the spiritual energy entered the body of the ring,

It was like a stone sinking into the sea, and it all disappeared in an instant.

Charlie's brows couldn't help frowning, and he thought to himself:

"What kind of formation is there? Why does the aura enter, but the ring doesn't respond?"

Thinking of this, he didn't show any sound,

And allowed a bit more spiritual energy to enter into it.

And this time, the small ring suddenly made a humming sound that was as crisp and sweet as the sound of a sword.

Aside from this buzzing reputation, though, the ring itself hasn't changed.

Chapter 5083

Charlie frowned, feeling that there must be some mystery hidden in this thing,

But he might not have time to study it now, so he put the ring in his pocket.

And that girl, at the moment when she heard the buzzing sound,

Those eyes that were still a little distressed were instantly replaced,

By a kind of excitement that was difficult to suppress...

Charlie didn't notice the change in the girl's eyes.

After he took the ring, he looked at the seven cavalry guards again and asked,

"Does your lord just want you to snatch this ring?"

The man who kept answering Charlie's questions said respectfully:

"To tell you the truth, we don't know this either."

"The order we received was to take them both to Sweden,"

“And we didn’t reveal any details of the rest to us. .”

Charlie nodded, looked at the girl again, and when his eyes met,

He put a trace of spiritual energy into her mind, gave her a psychological suggestion to answer his question truthfully,

And then asked her: “Little girl, how much do you know about their organization?”

Charlie didn’t fully believe in this girl,

So in order to make sure he didn’t miss any clues,

He planned to use psychological hints to cover everything the girl knew to come out.

Although it’s a little immoral to use psychological hints directly,

But the stakes are very important, and Charlie can’t care so much at this time.

Moreover, Charlie had given the girl a vaccination just now,

And planned to erase the memory of tonight from the girl’s mind after all this was over.

Therefore, she will definitely not remember what happened by his own psychological suggestion.

After the girl was psychologically hinted by him,

She shook her head slightly, and said seriously:

“I don’t know much about this organization, these are the disasters my father caused at the beginning,”

“Neither my grandfather nor I are very clear,”

“I only know that they have been trying to find out where my grandfather and I are, and grab this ring from our hands...”

Charlie couldn’t help but feel disappointed when he heard this.

These cavalry guards didn’t know any valuable deep clues, and this girl didn’t know either.

It seems that if he wants to get more clues about this organization,

He will have to slowly peel off the cocoon in the future.

Thinking of this, he looked at the girl and asked, “What does your father do?”

The girl replied, “My father used to be a martial artist,”

“But he got this ring from nowhere, so he started to be hunted down by that organization,”

“And in the end, he was not spared and died under the hands of that organization.”

Charlie pointed and nodded, then looked at the seven cavalry guards, and said,

“If I can give you a chance to survive,”

“And at the same time give you a chance to take revenge, would you all be loyal to me?!”

The leader of the seven men from the sect said with a wry smile:

“Sir...you are a person with great supernatural powers.”

“If we can really survive, we are naturally willing to be loyal to you,”

“And we are willing to shed blood for you.”

“However, all seven of us have bodies that are highly poisonous.”

“If we don’t go back to take the antidote,”

“We will all die from the poison within a week.”

“Even if we want to be loyal to you, there is no chance at all...”

Charlie said lightly: “As long as you are willing to be loyal to me,”

“I will naturally have a way to solve the poison in your body,”

“So that you will no longer be threatened and troubled by toxins from now on.”

The leading man said without hesitation:

“Sir! If you can really solve the poison in our body,”

“We are willing to be loyal to you for the rest of our lives,”

“If there is any disobedience, we will surely die without a place to be buried!”

The other six also expressed their opinions with great excitement at this time.

Chapter 5084

Charlie can feel the excitement and sincerity of these people.

It seems that although they have gotten rid of their identities as dead men,

Their hatred for the organization is no less than that of the dead men who are still struggling at the bottom.

So, he said lightly: “In the next few hours,”

“Your organization will probably not send people to Norway.”

“You can use this time to go to Oslo City, the capital of Norway, as soon as possible,”

“And arrive at the highest peak in Oslo.”

“At the top of the mountain, I will let someone pick you up there.”

Charlie was not familiar with Oslo, and he didn’t want these people to gather in the city,”

So he came up with the idea of the highest peak there,

Regardless of whether these seven men of the Cavalry Guard go.

For Joseph, it should not be difficult to find the highest peak in Oslo.

At that time, he can directly ask Joseph to go to the highest peak in Oslo,

To pick up these seven people and bring them directly back to Syria.

When the seven people heard this, there was almost no hesitation.

The person in the lead said, "Sir, when do you want us to leave?"

Charlie said lightly, "Let's start now, and remember to deal with all the clues on the way."

The man in the lead said excitedly:

"Don't worry, sir, we will definitely not leave any traces!"

"Yes." Charlie nodded, and instructed: "In that case, hurry up and set off."

"Okay!" The man accompanied by other six stood up,

And after the seven bowed deeply to Charlie, he said,

"Sir, then we will set off first and go to the highest peak in Oslo to wait for your next instructions!"

Soon, The seven people who were pardoned by Charlie quickly left the country house and drove the truck they arrived in Oslo.

Charlie looked at the old man and the girl in front of him, and said lightly:

"You two, I want to make some adjustments to your memory,"

"You will wake up in ten minutes, and then you will forget everything that happened tonight,"

"I hope you don't think much about it so much,"

"Hurry up and leave Norway and find the safest place to stay."

The girl and the old agreed without hesitation,

The girl looked at Charlie with a different look in her eyes and said,

"My name is Maria Lin, what is your name?"

Charlie said casually: "Little girl,"

"What is my name, you don't need to ask, after all, you won't remember me soon."

She looked at Charlie and said firmly and seriously

"I don't remember, I don't remember, but at least I can remember it for a certain period of time."

After speaking, she looked at Charlie and asked,

"Since I will forget it soon, what worries do you have, sir?"

Charlie hesitated for a moment, then didn't think much, and said frankly: "My name is Charlie Wade."

"Charlie Wade..." The girl repeated, nodded lightly, and asked curiously:

The girl smiled slightly and said to Charlie,

"Mr. Wade, I will try my best to remember your kindness."

"If there is a chance in the future, I will definitely repay it."

Charlie waved his hand gently and said indifferently:

"No need, I saved you and your grandfather, you gave me a ring,"

"And we have settled between us. I hope you two will be safe in the future."

After that, he waved his hand, a little spiritual energy entered into the body of the two.

The old man lost consciousness almost instantly, and Maria closed her eyes immediately.

Seeing that the two had lost consciousness, Charlie wiped their memories with aura,

Then walked out of the country house alone, left the place quickly, and returned to Helena's palace in Bergen.

Ten minutes after he left, the old man woke up first.

Seeing the mess in front of him and an unfamiliar corpse, he turned pale in shock.

When he saw the young lady lying unconscious on the desk,

He rushed forward and shouted nervously, "Miss!"

Maria suddenly opened her eyes. Opening her eyes, she looked at the old man,

Smiled slightly, and said, "You are awake."

The old man said in a panic, "Miss, I... I seem to have a problem with my mind,"

"I remember that you asked me to arrange someone. Pack up and leave Norway quickly,"

"But I don't know why I fell into a coma, and... and I feel like I'm missing a part of my memory..."

Maria nodded and said lightly, "I feel that the memory is missing."

"It's missing because someone erased your memory."

The old man was dumbfounded and blurted out, "Can someone really erase someone else's memory?"

Maria sighed and sighed, "Yeah, he also wanted to take mine too."

Speaking of this, she suddenly smiled and said, "Tsk ts...but it's a pity, he failed!"

Chapter 5085

the old man heard Maria's words and quickly asked:

“Miss, does that person know that he failed?”

Maria shook her head: “Of course, he doesn’t know, otherwise, How could he let us go so easily?”

The old man heard this and couldn’t help but sigh:

“It seems that no matter how superb the methods are, they are of no use to you, miss.”

Maria sighed in a lonely sigh, and said sadly,

“Father left it to me. I don’t have many skills, but this is one of them.”

After that, she said to the old man, “Go and pack your things.”

“Except for the necessary things, you don’t need anything else.”

The old man nodded respectfully, turned, and left the study.

After the old man left, Maria took out a small wooden spiritual tablet from the drawer of the desk,

With eight characters written on it: the spiritual seat of my late father, Warren.

Maria scrutinized this spiritual seat carefully and whispered:

“Father, your daughter is unfilial, the ring you gave me with your desperate efforts is given to someone else by your daughter,”

“It’s not because your daughter doesn’t want to protect it, it’s really limited,”

“If it weren’t for today. That Charlie suddenly appeared, and your daughter was afraid that it had already fallen into the hands of the thief.”

“I don’t think that Charlie looks like a bad person, and he has great supernatural powers.”

“The ring in his hand should be able to play a real effect.”

Saying that, Maria said again: “By the way, father, Charlie and we have the same enemy,”

“And it seems that he is still in the dark. Maybe in the future,”

“He will be able to kill our common enemy and fulfill your last wish for you!”

Immediately, Maria fell into silence.

She couldn’t help recalling that the ring once made a sword cry in Charlie’s hand,

And the sword cry was clear and melodious, which was fascinating.

After thinking about this, she secretly made a decision,

And then put the spiritual position and the nine copper coins on the table into her backpack, and walked out of the study.

Outside the villa, the old man was packing his things.

He dragged some unnecessary things out of one of the cars, and finally sorted out two large boxes.

After Maria came out, the old man hurriedly stepped forward and asked,

“Miss, do you still have your blue and white porcelain?”

Maria hesitated for a moment, then sighed softly,

“Let’s take it, after all, if it stays here, maybe It will be ruined by people who don’t understand.”

After speaking, she added: “Take all the blue and white porcelain that has been packaged,”

“And donate to the museum after returning to China.”

The old man asked in surprise: “Miss, Aren’t you going to the Russian Far East?”

“We have a stable and safe industry there, and going there, it’s easier to find than going back to China.”

Maria shook her head and said lightly, “I won’t go to Russia,”

“I’ll go to China to find this Charlie Wade, he must be very interesting.”

The old man couldn’t help but said: “Miss, huge China has a population of 1.4 billion,”

“Where are we going to find Mr. Wade you mentioned?!”

Maria said: “Mr. Wade’s Mandarin is very good, his words are round, and his pronunciation is accurate.”

“There is almost no trace of an accent. So I guess that he is most likely from the north,”

“And most likely he is from Eastcliff or several provinces and cities around Eastcliff.”

“Then let’s fly to Eastcliff first, and look for clues there.”

“Okay!” The old man nodded: “Then going to Eastcliff!”

...

Charlie returned to Bergen Airport and retrieved the car and returned to Helena’s palace according to the original road.

All the way, his mind has been on that strange ring.

Therefore, he held the steering wheel in his left hand,

And held the ring in his right hand, constantly rubbing it in his hand,

And constantly releasing a little spiritual energy into it,

Trying to figure out the real purpose of this thing.

Chapter 5086

There is a strong mutual attraction between this ring and spiritual energy,

But the strange thing is that the spiritual energy did not get any actual transformation after entering it,

Which made Charlie very surprised.

According to the law of conservation of energy,

Energy is a kind of existence that can neither appear out of thin air nor disappear out of thin air.

It is like putting a pot of hot water outdoors, even if it finally cools down,

The heat does not disappear out of thin air but is released into nature through the air and other objects.

It's just that the heat of a basin of water is a little insignificant to the whole of nature.

But no matter how small it is, it is real.

However, the spiritual energy that Charlie entered into the ring one after another disappeared,

Like a stone sinking into the sea, he received no response.

He finds it more and more strange. In his opinion, the principle of a magic weapon is equivalent to an electrical appliance,

Except that the magic weapon needs to be driven by aura,

And the electrical appliance needs to be driven by electricity.

When electricity is delivered to a water heater, it will be converted into heat energy;

When electricity is delivered to a motor, it will be converted into kinetic energy;

When electricity is delivered to a light bulb, it will be converted into light energy;

When electricity is delivered to an electrolysis device, it will be converted into chemical energy.

It's like sending an aura to the Thunder Command, which can be transformed into thunder and lightning that falls from the sky,

And transporting the aura to the soul-piercing blade, which can be transformed into an indestructible blade,

But this ring swallowed so much of its own aura, but only transformed a humming.

A ring, making a sound similar to the sound of swords, is also very strange in itself.

This kind of phenomenon is strange as if the electric fan is powered on,

The blades of the electric fan do not rotate, and no wind is generated,

But it makes a blowing sound out of thin air, which cannot be explained.

While Charlie wondered, like a red-eyed gambler who kept throwing chips at the gaming table,

He kept sending spiritual energy into the ring.

Until half of the spiritual energy in the body was drained,

He still couldn't get any feedback other than Om's reputation.

He was a little annoyed.

Before reaching the destination, he simply took out a Cultivation Pill,
Pinched it together with the ring on his fingertips, and then gritted his teeth,
Forcibly transporting almost 90% of the spiritual energy in his body into the ring.
He felt that he had input most of the spiritual energy into it,
And this ghost had to give him a little bit of different feedback.
But what he didn't expect was that the ring was still like a black hole of spiritual energy.
After swallowing so much of his spiritual energy, there was still no change.
Charlie was helpless. In order to make up for the lack of spiritual energy in his body,
He could only throw a Cultivation Pill into his mouth.
When the surging spiritual energy spread rapidly, he crossed the half-spiritual energy into the ring again,
But the result was still extremely disappointing to him.
At a certain moment, he couldn't wait to quickly take out another Cultivation Pill and fight to the end
with this pit ring.
But reason finally triumphed over his impulses.
Cultivation Pill is very precious, and there is no need to put them one after another for such a pitiful
ring.
In this situation, it is the most sensible choice to stop loss in time.
So, he could only put the ring back in his pocket angrily.
Although he couldn't figure out the magic of this ring,
It subconsciously told him that it was definitely not simple.
You know, this is something that even the mysterious lord can't wait to get,
And even that kinds of high-level people are thinking about getting this thing,
This proves that this thing must have some kind of value that he doesn't know yet!

Chapter 5087

Therefore, this ring must be kept well, and it may be of great use in the future.
What's more, this thing has swallowed more than one Cultivation Pill's spiritual energy.
With such a large investment, he must find an opportunity to let it spit out even the profit!
Putting away the ring, Charlie continued to drive.
And he also silently reviewed what happened today in his heart.

There was nothing special about the eight cavalry guards,
But the girl named Maria Lin always gave him a vague sense of mystery.
Although he used psychological hints about her,
And there were no loopholes in what she said, Charlie still felt that something was not right.
However, after thinking about it, he couldn't figure out what was wrong.
At this time, a picture suddenly flashed in his mind.
That was the desk in front of Maria at that time.
On the desk, there were nine copper coins.
And the nine copper coins seemed to be a complicated divination image.
Thinking of this, Charlie suddenly thought of the contents of the Book of Changes, gossip and divination in the
"Nine Profound Heavenly Scriptures".
Among them, in the Six Yao Bagua, there is a method of using three copper coins for divination.
Therefore, Charlie could understand three copper coins, but he couldn't figure out nine coins.
After all, this was not even recorded in the Nine Profound Heaven Scriptures.
Thinking of this, he couldn't help but took out his mobile phone and called Lai Qinghua,
A geomantic physicist far away in the United States.
Lai Qinghua is the one the strongest in the Book of Changes among Charlie's acquaintances,
So Charlie intends to ask him about the number of ways to understand nine copper coins.
Soon, the phone was connected.
Due to the jet lag, Lai Qinghua, who was in Los Angeles, had just finished dinner.
After receiving Charlie's call, he said very excitedly and respectfully, "Master Wade!"
Charlie said politely: "Mr. Lai, I take the liberty to interrupt, there is something I want to ask you."
Lai Qinghua hurriedly said: "Young Master Wade, it is absolutely not inappropriate to ask for advice."
"If you have any questions, you can ask at any time!"
Charlie was no longer polite, and went straight to the topic:
"Mr. Lai, you have been divination and fortune-telling for many years,"
"Have you ever seen someone use nine copper coins for fortune telling?"
"Nine copper coins?" Lai Qinghua exclaimed: "If it is six lines of gossip Even if it is three copper coins,"

"It contains a lot of information. If you want to see the hexagrams quickly and accurately,"

"You need a strong memory and mental arithmetic talent. If you use nine copper coins,"

"Then every three copper coins are one. Groups, these are three groups of hexagrams,"

"And each of the three groups of hexagrams is a whole, and can form a deeper and more detailed hexagram..."

"So, if you use nine copper coins, it will be divided into four Combining hexagrams to calculate hexagrams,"

"This amount of computation is equivalent to raising the difficulty of guessing a 2-digit password to 12 digits."

"This technique is at the top of the I Ching gossip, and it has a nickname called "Jianshen Gua"."

"That is to say, those who can calculate this kind of hexagram have an excellent understanding of the I Ching gossip."

Speaking of which, Lai Qinghua sighed again: "However, the Jinshen hexagram has been lost,"

"And I heard about it from my grandfather when I was young, but I have never seen anyone who can really do it."

Charlie wondered, "But I have seen people make a hexagram with nine copper coins,"

"And the hexagram looks different. It's not like throwing it away at will, does that person really have such ability?"

"This..." Lai Qinghua said, "I haven't seen the hexagram you mentioned,"

"So I can't confirm whether that person really has the ability,"

"But Judging from the experience below, it is indeed unlikely, and the probability of coincidence is higher."

Charlie felt even more strange when he heard this.

That Maria, the ring that she gave, and the hexagram that she posed all seemed a little out of place.

But if according to Lai Qinghua's words, as a girl,

It should be impossible for her to grasp the content of the "Nine Profound Heavenly Scriptures",

Which is not even recorded in the "Nine Profound Heavenly Scriptures".

Thinking of this, he couldn't help thinking to himself:

"I don't know where Maria and her parents and grandfather came from?"

"If there is a chance to see her again in the future, I must find a way to find out!"

He said to Lai Qinghua, "Thank you, Mr. Lai, I 'll think about it myself."

Chapter 5088

When Charlie arrived at the palace, the sky was getting brighter.

Bergen Airport also started its own busy day.

Whether it is passenger or cargo, all work is going on in an orderly manner,”

“And no one realizes that eight of their colleagues died here at this airport.

The eight stevedores were originally on night shifts, and they worked one day off and one day of work.

They worked from yesterday until the early hours of this morning,

And they would rest until tomorrow afternoon to come back to work,

So they won't see these eight people here, and no one will show suspicion.

As for the family members of these eight people,

These eight people had already greeted them when they were alive,

Claiming that they had some goods to pick up and would go home later, so the family members did not notice any abnormality.

At this moment, on a farm on the southern outskirts of Bergen, many corpses lay in the house and have long since died.

A sign was hung outside the farm gate with a line of words written in English on it: This is a real estate transaction.

There will not be many people passing by this kind of place.

Once someone passes by and sees this sign, they will no longer have any interest in this farm.

If the mysterious organization no longer sends people to find out,

Then it will be possible to wait for exposure here,

At least until the corpses are severely decomposed and the smell extends for hundreds of meters.

But this will take at least five to seven days.

So, this will buy Maria enough time to escape from northern Europe.

The seven cavalry guards, after the starry night, also rushed to the highest mountain in Oslo after sunrise.

The highest peak in Oslo is not even 500 meters above sea level.

Joseph successfully collected these people and temporarily hid them in Oslo, waiting for Charlie's next instructions.

As for Charlie.

After returning to the palace, he was extremely depressed.

After all, he put in a Cultivation Pill for that ring,

And he couldn't say that he didn't even hear a single sound, he could only say that he really only heard a few sounds.

Although he is not a stingy person, but Cultivation Pill is really precious,

So it is so wasted, the more he thinks about it, the more it hurts.

In order to wait for Charlie to come back, Helena stayed up all night.

She couldn't help thinking of the conversation with her grandma in her mind, and her mind was very confused.

She knew that in her current situation, the best outcome was to get pregnant with Charlie's child as soon as possible.

However, she also knew that Charlie was not only married,

But also had countless suitors around him, so he had no feelings for her at all.

Under such circumstances, how can he be willing to do something with her?

Therefore, every time she thinks of this, Helena wants to give up this unrealistic idea several times.

However, when she thought about the current situation of herself and the entire royal family,

She really couldn't think of a better solution.

Moreover, Helena knew very well that her grandmother had not been open and honest with her before.

Grandma kept saying that if she had no children, she might go to another European royal family to borrow a king or queen in the future.

But Helena knew in her heart that once she really had no children,

After she died, the Nordic government and the Nordic people would definitely invite her cousin Olivia back to inherit the lineage.

If Olivia has children, her children will most likely become Nordic kings or queens in the future.

That way, the throne is back in the hands of Olivia and her descendants.

This is definitely something Helena would rather die than see.

With the help of Charlie, she finally got the queen's seat from Olivia.

If the throne is to be taken back by Olivia's descendants after her death,

She would rather let the entire Nordic royal family completely withdraw from the history stage.

The chaotic thoughts and the tangled reality made Helena exhausted physically and mentally.

She even had some regrets, regretted coming back from China, and regretted taking the throne of the queen.

If he had chosen to stay in China, she might have been closer to Charlie,

And she would not have to worry about the royal family.

When she is not the queen, she actually has an inextricable relationship with Charlie.

She has long realized that it is not the queen's seat that she is attached to.

What she is really attached to is Charlie standing in front of her. That feeling of the sword making way for itself.

Just then, she heard the sound of an engine from far.

She quickly got up and went to the window, and when she saw the car driven by Charlie is back to the palace,

She rushed out the door and walked downstairs quickly.

When she arrived downstairs, Charlie just stopped the car.

Seeing Charlie getting out of the car, Helena hurriedly stepped forward and said respectfully,

"Mr. Wade, why have you been out for so long... I've been very worried..."

Charlie said with a slight smile: "It's a little more complicated than I thought, but fortunately it was resolved smoothly."

Helena breathed a sigh of relief and quickly asked,

"Mr. Wade, you haven't eaten for so long, must you be hungry? I'll let the chef prepare breakfast for you!"

Charlie shook his head tiredly, and said casually,

"I don't have the appetite to eat, so please arrange a room for me and let me sleep first!"

Chapter 5089

In fact, for Charlie, sleep has long been optional.

Even if he doesn't sleep all the time, his body doesn't feel tired.

However, just now he poured a lot of spiritual energy into the ring,

And even if he ate a Cultivation Pill, he could not fully replenish it.

Such a rapid consumption of spiritual energy really made his body feel a little tired.

Seeing Charlie's tired face, Helena quickly said, "Mr. Wade, please come with me."

Because the palace was in disrepair, there were only a few rooms available for occupancy at any time.

She took him to her bedroom in this palace.

When Charlie first arrived here, he didn't know the internal structure and distribution of this palace,

And because of his rare physical fatigue, he followed Helena to the bedroom.

This is the largest bedroom in the palace. More precisely, it should be a large suite.

Pushing the door in, it is a meeting room with a Nordic style and antique flavor.

Every piece of furniture, ornament, even floors, and chandeliers here has a history of at least more than a hundred years.

Although the classical beauty of northern Europe is very artistic,

But after all, it is old and poorly maintained, and the room has a musty smell that is difficult to remove.

Helena stayed in this suite for half a night, and was used to the smell,

But after going out and coming back, the smell became very obvious again.

She couldn't help frowning slightly, and said apologetically,

"Sorry, Mr. Wade, there is a musty smell in the room."

"Besides the age, it may also be related to the rainy weather here in Bergen."

Charlie smiled casually: "It's okay, it's already good."

Helena bowed slightly, pointed to the bedroom inside, and said to him,

"Mr. Wade, the bedroom is inside, you can rest for a while!"

"Okay." Charlie nodded and said, "You don't have to worry about me."

"I'll take a moment and think about something. If I don't get up before noon, please ask someone to wake me up."

"Okay!" Helena nodded respectfully and agreed, then pursed her lips slightly,

And said to him, "Mr. Wade, I will help you tidy up the bed."

"The bed in this bedroom has not been tidied up, and it is a little messy."

Charlie was a little surprised, and he didn't have time.

Asked, Helena hurriedly stepped into the bedroom first.

Charlie followed her to the bedroom, only to find that on the large bed,

The quilt had been lifted halfway, and the mattress was slightly wrinkled,

Clearly showing that someone had slept in it.

Moreover, there is a faint fragrance in this room, exactly the same as the perfume on Helena.

This made him unable to ask her, "Is this your bedroom?"

Helena blushed with shame, and said hesitantly,

"I'm sorry, Mr. Wade, most of the rooms here have been dusty for too long.

It's not suitable for entertaining guests, only this room is reasonable,"

"So you have to rest here. Please don't mind..."

Charlie shook his head and said, "I don't mind, it's just that I sleep here."

"Doesn't it mean that the dove occupies the magpie's nest, and it will also affect your rest."

"No, no." Helena waved her hand without hesitation and said,

"I've woken up, you can rest, I'll sit on the sofa outside for a while."

When Charlie heard that, he didn't insist anymore.

No one could have imagined that someone like Helena,

Who attracted the attention of the whole world and was sought after by all the nobles,

Was like a personal maid, willing to clean up her bed for Charlie.

She never thought about what to do or not to do as a queen.

She only knew that in the face of Charlie,

She could put down all the pride and restraint of an empress and be willing to do anything for him.

Chapter 5090

Moreover, at this moment, when Helena thought that Charlie was about to sleep in the bed she had just slept in,

Her restless heart was both happy and ashamed.

After Helena helped Charlie clean up the bed, she said respectfully,

"Mr. Wade, please rest first. If you have any needs, please let me know at any time."

"Okay, thank you." Charlie smiled After nodding and thanking her, he watched her exit the room.

Afterward, he took a shower in the bathroom in the room,

Took off his clothes tiredly, and placed them neatly on the bench at the end of the bed.

Except for his underwear, he only held the ring in the palm of his hand.

Immediately afterward, he lay on the bed that was still warm and smelled of fragrance.

Thinking that this body temperature and fragrance all came from the graceful and moving Helena,

Charlie couldn't help but feel weird at a certain moment.

However, when he thought of the pitiful ring in his hand again,

He couldn't help but feel a little pain in his heart.

He put the ring on his fingertips and kept turning it around,

Hesitating again and again, but still couldn't help pouring a bit of spiritual energy into it.

As a result, it was still the same as usual, except that the ring made a buzzing sound,

As if to tell him that his heart had been received, and there was no other indication.

Charlie was a little annoyed again.

Did you deceive yourself with a ring?

How can this ghastly thing be as shameless as those deceptive slaughtering plates on the Internet,

And deceptive online gambling? How can there be such a person who keeps asking,

But is so stingy that it doesn't give anything in return?

Even those slaughtering pigs who lie next to an electric baton in northern Myanmar while trembling and pretending to be a beauty,

Or a rich second-generation deceiver on the Internet with their fingers,

At least when they cheat for money, they will be extremely concerned about their targets and ask for help.

In contrast, the professional ethics of this ring is not as good as that of fraudsters.

However, Charlie couldn't help but feel a little overwhelmed.

He thought to himself, "Could it be the wrong way for me to open the ring?"

Thinking of this, he immediately put the ring on his left middle finger,

And then poured a little spiritual energy into it,

Wanting to see if this thing had to be worn on the finger to trigger it.

However, even though he had put the ring on his finger, the ring was still as shameless as ever.

Seeing that a lot of spiritual energy was taken away again, Charlie was really annoyed.

But when he thought that he has put so much spiritual energy into it, it is really a shame to just give up.

After all, what he is facing is a ring, not the kind of insatiable online scammer.

Thinking of this, he gritted his teeth and continued to comfort himself:

"Maybe it's the wrong finger I am wearing? Let's try again with another finger!"

Since the ring couldn't fit into his thumb, Charlie put it on the other eight fingers.

Tried it all over again.

After the test, the whole person's mentality of anger completely collapsed.

This ghost is really just like those pig-killers, eating without spitting bones.

The purpose of the pig killer is to drain every penny of the victim's money,

And the purpose of this ring may be to drain every penny of his spiritual energy...

At this point, Charlie's heart was stunned.

At this time, the spiritual energy in his body has been consumed by more than 90% again,

The whole person is very tired, and his heart is especially decadent.

He is like a gambler who has come to his senses.

After waking up, he realizes that he has lost too much in this scam.

At this moment, Charlie wanted to take another Cultivation Pill,

But then he thought about it if he took another Cultivation Pill,

How would it be different from those victims who fell into the scam?

What you need to do now is to stop your losses in time, and don't have any illusions about this ring!

Thinking of this, the exhausted Charlie took off the ring, held it in his hand,

And no longer poured any spiritual energy into it.

At the same time, he couldn't help thinking of that Maria Lin.

He felt that this girl seemed extremely difficult.

Not to mention whether there are any unknown secrets in this ring,

Just the fact that she can decide to give this ring to him in an instant.

That is enough to see that her courage in doing things is very ordinary.
