

Chapter 5091

Moreover, if the nine copper coins that he saw were indeed hexagrams,

Then the girl's accomplishments in the I Ching gossip would have even beat Lai Qinghua by a large margin.

Lai Qinghua is at the top of the top in I Ching gossip and Feng Shui secrets.

It is no exaggeration to say that he is an Einstein in the field of divination and Feng Shui.

If such a great figure at the top level is really left behind by a little girl like Maria,

Then Maria will be so strong that she is simply not a human being.

It seemed that she could only solve this series of riddles herself.

After the great consumption of spiritual energy and the constant thinking in his mind,

Charlie felt that his body was getting more and more tired,

Just like an ordinary person who had stayed up for three days and three nights,

And the whole person was already at the critical point of falling asleep.

So, he slowly closed his eyes unknowingly and fell asleep completely.

...

About half an hour later.

When he was fast asleep, Helena, who had been fidgeting in the living room,

Suddenly stood up from the sofa after a long and fierce psychological struggle.

She took out her mobile phone in a panic,

Found the date record of her last period, and then searched the Internet for an ovulation calculator.

When she entered the start and end times of her last period,

As well as her average time between periods, the small software popped up a pink love sign for her with a line of words on it:

"Congratulations on your current period."

"During the ovulation period, this is the best time to start giving birth to a new life!"

Seeing this line of words, Helena's expression first became a little surprised,"

"And then she became extremely determined as if she had made a major decision.

Afterward, she took a deep breath, and with an uneasy heart,

She walked to the bedroom door and gently pushed it open the door.

At this time, Charlie was lying on the bed, sleeping like a baby.

Helena looked at him who was sleeping and after a moment of silence,

She simply turned her heart away, slowly stretched out her snow-white hands,

Wrapped them behind her, and opened the long zipper on the back of her dress.

As the zipper opened, her stunning back was almost completely exposed to the air.

Then, the whole long skirt slid down from her tender shoulders,

And instantly fell on her slender and sexy ankles...

Charlie, who has not experienced such a deep sleep as today.

He was completely unaware of Helena's arrival and her series of actions.

At this time, Helena was extremely nervous, and even the rhythm of her breathing was completely chaotic.

The courage of the backbone just now has been exhausted when taking this step until now.

At the moment when the long dress fell on her feet,

Helena seemed to have been immobilized, and stood motionless and looked at Charlie for five minutes.

She needs to keep encouraging herself so that she can take a brave step forward.

The weather in Bergen is cloudy and rainy,

And even the midday temperature in midsummer will not make people feel hot,

Not to mention that it is only early summer, and the temperature in the early morning is even a little cool.

She stood on the spot and soon felt that her body was a little stiff from the cold.

She felt that her skin exposed to the air had dense goosebumps, and her body shivered uncontrollably.

At this moment, she gritted her teeth, put her hands behind her again,

And untied the hooks behind her upper body underwear.

Immediately afterward, the last strand of soft cloth was also removed from her body.

At this time, her body only felt even more chilled, so she no longer hesitated,

And shiveringly lifted the quilt on the other side of Charlie's body and crawled in decisively.

At this time, Charlie's body was scorching hot in the bed.

That body full of masculinity is emitting a steady stream of heat.

After Helena got into the quilt, she felt a warm feeling,

And the coldness of her body was instantly relieved a lot.

At this time, she could no longer be shy, and her first thought was to hug Charlie tightly,

And try to make the body and skin of the two people have more and closer contact,

So as to quickly warm her own body and skin. Already a little cold body.

At this time, Charlie still showed no sign of waking up.

The moment Helena hugged him, she was ready for him to wake up suddenly.

After all, his strength is unbelievable, and it is impossible for him not to notice her bold behavior.

Chapter 5092

Moreover, Helena was even ready to confess to him the moment he woke up.

But what she didn't expect was that Charlie next to her didn't move.

She hugged him subconsciously, but he still didn't respond.

She was a little stunned for a while.

She didn't know whether Charlie really hadn't woken up,

Or whether he had woken up but was still pretending to be asleep on purpose.

She carefully looked at his profile, looked at his eyelashes that trembled with his breathing,

And listening to his breathing and heartbeat, she realized that he was really sleeping!

For a moment, Helena couldn't help but burst into laughter.

She really did not expect that, a man who was almost indistinguishable from a god in her own eyes,

Actually had a side like a baby, sleeping so sweetly, and being so well-behaved.

At this moment, for the first time, she also found some kind of intimacy with him.

So, she still hugged him tightly, stared at his profile at the same time,

And said softly, "Charlie... Do you know how much I love you in my heart?"

"If I have that I am lucky to be with you, let alone giving up the title of queen,"

"Even if I die immediately, I don't think I will have any hesitation..."

Speaking of this, she suddenly smiled at herself: "If you hear these words,"

"You will definitely think that this woman must be lying?"

"After all, in the eyes of others, I am obviously addicted to power,"

"The biggest dream is to one day be able to wait for the Queen's throne and let the world look up..."

Helena said, her eyes suddenly became red, and sighed: "You know, in fact,"

"I never thought that I would do it in my life. What is the queen, the reason why I crossed the ocean,"

"To marry the Wade family is not because I am greedy for glory and wealth,"

"I just wanted to sell my happiness in exchange for my mother's safety."

"If I refuse to marry Morgan, my mother would definitely have evaporated."

"At that time, I could only save her life by obeying the arrangement of the family..."

"However, in the eyes of many people, including your cousin Morgan,"

"I was just a person for the sake of prosperity and wealth."

"Crossing the ocean and trying to cling to his poor royal family,"

"I believe you must have thought so when we met for the first time, right?"

Speaking of which, her voice had become a little choked:

"As for ascending the throne and becoming a new Queen, this is not what I thought..."

"You helped me to stand out and solve Olivia's threat. My biggest dream at the time was to be able to rescue my mother,"

"And then I wanted to go to China to settle together, even if you don't have me in your heart,"

"I'd like to live around you, but I didn't expect that you would let grandma give me the throne..."

With a sigh, she looked at him With a bitter expression and said,

"Do you know that I may be forced by you to be the most famous single woman in the world?"

"If I don't have the chance to be with you in my life, I'm destined to be alone forever."

"If I'm just an ordinary woman living in a corner of the world,"

"It doesn't matter if I die alone, but you pushed me to the highly anticipated position of the Queen..."

"Do you want me to end up being a single old woman who lives alone in the limelight?"

"The whole world will laugh at me, and these unscrupulous media will definitely create a lot of fake news about me;"

"They will say that I am indifferent, they will say that I am gay,"

"And they will even frame me as having an affair with others."

"At that time, all kinds of negative fake news will fly all over the sky,"

"And as the Queen, in order not to fall into a more and more dark situation,"

"I can only choose to be silent, it's so long for a lifetime, you say, how do you compensate me?"

Speaking of this, she suddenly stood up and lay beside him,

Her clear eyes staring at Charlie all the time. , with a serious expression,

And even whispered with a bit of pleading: “Charlie, I don’t expect anything to be possible with you in this life,”

“I just want you to give me a child, a child that belongs to both of us,”

“My family, who has no successor, will need someone who has the same blood to inherit the lineage in the future,”

“And my life is too long, I also want to have someone to accompany...”

At this time, Charlie was still in a deep sleep,

He didn’t realize Helena’s arrival at all, let alone what she said in his ear.

At the same time, Helena was already deeply in love.

She took the initiative to lean towards Charlie, and her lips gently kissed him.

She was instantly immersed in this kiss, unable to extricate herself,

And the impulse was like an invisible big hand, desperately pushing her to continue to step forward.

But at this moment, she looked at Charlie’s handsome and decent face,

But was always sleeping, and suddenly felt a little depressed.

She looked at him and asked him softly,

“If you wake up now and see me like this, you will be very disappointed...”

Chapter 5093

Helena’s voice was soft and sad.

However, Charlie, who was sleeping soundly in front of her, still didn’t respond.

At this time, he was almost completely cut off from the outside world.

Seeing that he didn’t respond in the slightest,

Helena’s sadness in her heart was suddenly magnified rapidly.

The tears she shed when she looked at Charlie were already on the line.

She stroked his face lightly, choking with sobs in a low voice:

“I can see that from the first day I met you, you have been keeping a distance from me.”

“In your heart, I must be a very realistic, very profit-seeking,”

“Even for a woman who will do anything for her superior...”

“If I just have sex with you without you knowing anything,”

“And at the same time I am lucky enough to conceive your child, must you look down on me even more?”

“Even, you may be full of discrimination and prejudice against our child because you look down on me...”

“If I fail to conceive your child, then you may look down on me.”

“You will stay away from me in this life, and I will never see you again, right?”

Having said that, she wiped away her tears and said firmly:

“No...I will not deepen this feeling for you again. An opportunity for a wrong perception...”

“Absolutely not! Life is still early, I will definitely use an aboveboard method to let you change your wrong perception of me,”

“And let you know that, except for my mother, The only thing I really care about in this world is you!”

After that, she bent down again, kissed his lips lightly, and curled up in his arms like a kitten.

Hiding in Charlie’s arms, she couldn’t help laughing out loud, and said,

“I want to hold you and sleep for an hour. Promise me,”

“Don’t wake up for this hour, so that I can wake up decently and go out of here.”

After finishing speaking, she put her face on Charlie’s heart, and slowly closed her eyes.

At this moment, she felt that she was the happiest woman in the world.

However, the only regret is that because she was afraid that he would wake up earlier than herself,

Helena didn’t dare to let herself fall asleep completely.

Although she was full of happiness, she was somewhat cautious and apprehensive.

In Charlie’s arms, she fell asleep for nearly an hour, half dreaming and half awake.

This hour is the most satisfying hour since she was an adult.

Seeing that the wall clock on the wall had already pointed to the position of nine o’clock,

She got off the bed softly, put on her clothes gently,

And then tidied up the half of the bed she had slept on, and cautiously pinched away the hair that fell on Charlie’s arms.

After doing all this, she stared at him, kissed him again uncontrollably,

Then reluctantly walked out of the room, and closed the door carefully behind.

...

It was almost noon when Charlie slowly opened his eyes.

He felt that he had experienced the longest but most peaceful sleep since he had memory.

Although this sleep did not significantly replenish his aura, it did greatly improve his spirit.

He slowly got up from the bed, stretched his arms wantonly, and stretched his body,

And suddenly felt that there was a very familiar fragrance on his body.

This smell is the same as the fragrance on Helena's body.

Although he had smelled this fragrance when he first entered this room and even when he was lying on the bed,

He clearly felt that the fragrance on his body now was even stronger than when he was lying on this bed.

He also knew very well in his heart that things like fragrance are constantly being worn out,

And now the smell is stronger than before,

Which only means that this smell has been replenished in the middle of his sleep.

Thinking of this, Charlie subconsciously stretched his hand into the quilt on the other side of the bed,

And could clearly feel that there was still a slight residual warmth,

In the quilt on the other side where no one was sleeping.

At this moment, he suddenly realized something.

Chapter 5094

Charlie lifted the quilt subconsciously, looked down at his underwear,

And was slightly relieved when he found that it was still in good condition.

At this time, he had already realized that Helena must have come when he was asleep and slept next to me.

The scent on his body, as well as the residual temperature in the bed on the other side, pointed the evidence to her.

Charlie didn't understand why she sneaked into his bed when he was asleep,

But after some consideration, he decided to pretend he didn't know anything about it.

In his view, doing this is the best solution. On the one hand,

It can alleviate the embarrassment between the two and on the other hand,

It can prevent this matter from continuing to have any further consequences.

After making up his mind, he got up from the bed.

At this time, there is still very little spiritual energy left in the body.

Since the aura that can be absorbed by nature is extremely scarce,
If you want to supplement it by absorbing aura from nature,
It may be difficult to return to the previous state in a year or so,
So he took out another Cultivation Pill to be on the safe side to quickly replenish the consumed aura first.

So, he sat cross-legged on the carpet, took out a Pill from his pocket,
And put it in his mouth with great distress.

In an instant, the elixir turned into a rich aura, which continuously gathered in the body.

However, what surprised him was that the aura in his body could be fully replenished with a single Cultivation Pill.

However, after yesterday's frequent and rapid consumption and replenishment of spiritual energy,
The Cultivation Pill that he just took had only replenished 80% of his spiritual energy.

Charlie thought to himself: "It seems that frequent extreme states are not a bad thing,"

"Just like athletes can gradually surpass themselves in high-intensity training,"

"I can also pass through this high-intensity state To increase the upper limit,"

"If the upper limit of aura in the body can be doubled, the overall strength will also be greatly increased!"

Thinking of this, he couldn't help but feel melancholic.

After all, the Cultivation Pill was too precious, once it was exhausted and no new pills could be replenished,

It would be very difficult for him to replenish his aura.

This is also doomed that he cannot frequently use this extreme state to continuously increase his upper limit.

Afterward, he stood up, walked into the bathroom in the bedroom, and took a shower.

When he came out of the bedroom with wet hair, Helena was taking a nap on the sofa in the living room.

Hearing Charlie's movement, she quickly opened her eyes, and seeing Charlie had come out, she felt nervous for a while.

In order not to be seen by him, she hurriedly asked Charlie respectfully:

"Mr. Wade, did you sleep well?"

Charlie saw that Helena's cheeks were already flushed just as she spoke,

And her heart became more firm in her speculation.

However, he still decided to pretend to be stupid to make this matter turn over smoothly,

So he said casually: "I slept very well, I haven't slept so well for a long time."

Helena was indeed relieved when she heard Charlie's words.

She hurriedly said: "It's already noon now, you must be hungry,"

"Do you want to go to the dining room to have something?"

"Okay." Charlie nodded and said: "If you have no other arrangements,"

"It's time for me to go back to the United States."

Helena suddenly said with some reluctance:

"Mr. Wade, are you in such a hurry to go back?"

"You arrived in the early morning, and you haven't stayed for ten hours."

Charlie smiled slightly, and said casually:

"My wife is alone in the United States, and I want to go back to accompany her as soon as possible,"

"Not to mention that everything here has been settled,"

"And I have to withdraw as soon as possible to avoid long nights and dreams."

Chapter 5095

Helena heard Charlie mentioning that he wanted to go back to accompany his wife,

And a bit of envy and loneliness appeared unconsciously in her expression.

Recalling what she did just now, she couldn't help feeling a little ashamed.

However, she was also thankful in her heart that she hadn't done anything too outrageous,

Otherwise, she might be self-defeating and completely ruin all possibilities with him.

Thinking of this, although she was reluctant to let him leave so soon,

She still nodded very simply and said: "Mr. Wade,"

"Let's go downstairs for dinner first, I will arrange the helicopter to get ready,"

"And we will return to Oslo after dinner."

"Okay." Charlie nodded slightly and walked out of the room with her.

When he was beside her, Charlie smelled the special fragrance from her body again,

Which was the same as when he woke up.

However, he still decided to pretend to be stupid to the end,

And let this matter remain in the hearts of the two of them.

Later, he and Helena came to the dining together, remembering the failure of this palace, he said:

“By the way, Helena, let the Wade family’s team responsible for the global Shangri-La hotel project, Come to help to repair this palace. All the expenses will be borne by the Wade family.”

Helena shook her head quickly when she heard this, and said,

“Mr. Wade, how can this work...It is the family’s own palace,”

“No matter what, you can’t afford to repair it. Expenses and the royal family is not really penniless.”

“The main reason is that there are many places where money is needed recently.”

“I want to prioritize. In the early stage, the money will be used to improve the reputation,”

“And the influence of the royal family. The palace is not very useful. There is no need to repair it immediately.”

Charlie waved his hand and said: “After all, you and the Wade family had a relationship,”

“And it is reasonable for the Wade family to help you,”

“And the Shangri-La Hotel of the Wade family has not yet opened in Norway.”

“This opportunity allows the Wade family to enter the Nordic market,”

“Invest in hotels in several important cities in Norway,”

“And help the royal family repair their palaces.”

Helena said at a loss: “But...but...”

Charlie said calmly: “There is no need to say anything but,”

“I will ask someone to discuss specific matters with you later.”

Helena Seeing Charlie’s insistence, she had no choice but to nod slightly,

Gratefully: “Thank you, Mr. Wade...”

Charlie smiled slightly, and said again: “By the way, there may be some dangerous factors during this period,”

“Although there is a high probability that it will not have anything to do with you,”

“But just to be on the safe side, I will ask Joseph to leave a few soldiers,”

“With European faces to serve as your bodyguards.”

“Be prepared, and you should try not to be outside of Oslo recently.”

“Make public appearances, especially in a short period of time, and don’t come to Bergen again.”

Helena nodded lightly, and said, "I'll always follow Mr. Wade's orders."

...

At the same time, a Boeing 777 landed at Sweden's Gothenburg International Airport.

The plane took off from Nigeria and arrived in Gothenburg after more than seven hours of flying.

According to the application received by the civil aviation department,

The plane belonging to Singapore Yuantai International Express took off from Nigeria empty,

And came to Gothenburg to volunteer to help charities in Nigeria.

In the hands of humanitarian organizations, they received a batch of charitable supplies.

Chapter 5096

This batch of charitable materials includes food, medicine, clothing,

And some water purification devices, all of which are very scarce items.

At this moment, this batch of goods is still waiting in line to pass through the airport security check,

And the person responsible for sending this batch of goods through the security check is a member of this humanitarian organization.

And this humanitarian organization is well-known in Sweden and even the world.

On the surface, they are a non-profit humanitarian and charitable organization, but in fact,

Its real background is that the mysterious organization that Charlie is investigating is planted in Sweden,

And even in the whole of Europe.

Usually, this humanitarian organization actively organizes charitable activities,

Calling on people to pay attention to the third world, environmental protection, and global warming,

But once the organization needs it, this organization can immediately respond quickly in central Norway,

Covering the four northern countries of Europe, Estonia, Latvia, and Lithuania are across the sea from Sweden.

Unlike other espionage and non-governmental organizations, which are extremely low-key,

This humanitarian organization usually has a high-profile style of work.

Not only does it often use the media to hype itself,

It even launched a god-making movement in the field of environmental protection.

And the reason why this organization acts so high-profile, even extremely aggressive,

It is to be able to achieve sufficient deterrence in the area covered by their mission.

This kind of deterrence will not only make the big companies of these countries shy away from them,
But even the governments and functional departments of these countries are quite afraid of them.

This is the benefit of standing on the moral high ground.

With this moral aura, they can use morality as a weapon to attack anyone they want to attack.

If they want a certain company to shut down,

They will organize a large number of people to rush to the door of the company to protest.

If they want the government to pass or reject a certain bill,

They will organize a group of people to march on the street.

In short, as long as the three words "Guardian of Morality" are written on the forehead,

Basically, everything will be beneficial.

It is precisely because of this special aura that they have extraordinary convenience in Europe.

According to the usual tactics of this organization, if certain prohibited items need to be transported by air,

This organization is used under the guise of charitable goods,

And then especially Choose a more urgent time window to request the airport and customs to release it quickly.

With this method, there are almost no problems.

Therefore, according to their plan, after the Cavalry guards successfully captured Maria,

They would hand over her and her personal servants to the linker of this humanitarian organization,

And the linker would hide them in charity supplies and quickly pass through customs, and ship them to the plane.

After the plane landed, the captain immediately reported to his superior through a special channel:

"The postman has arrived in Gothenburg, when will the goods arrive?"

In the special encrypted communication channel, a man's serious voice came:

"Something went wrong, they were supposed to change vehicles at the border between Norway and Sweden four hours ago,"

"And continue to meet you in Gothenburg, but they haven't shown up yet."

The captain exclaimed and blurted out: "The group is missing?!"

The other party said: "It seems so." The captain subconsciously asked:

"This...is this the same as the black swan incident in New York?!"

The dead man in New York the entire army was wiped out and they evaporated,”

“Which was defined by the organization as a rare black swan event.”

“Almost all members knew about the defeat, and the Lord had internally asked everyone to learn from this black swan event lesson.

Hearing this, the person on the other end of the phone said coldly:

“It’s not sure yet, but I want to remind you not to speculate.”

Chapter 5097

The captain was stunned, and quickly ended the topic, saying solemnly:

“Then if they didn’t show up at the border, so what should I do here?”

“Should I continue to wait, or request to return immediately?”

“The loading time given to me by the airport is only three hours.”

“If I can’t take off after three hours, I’m afraid the original deployment will be disrupted.”

“Wait.” The other party said firmly:

“The Lord has an order. You wait for the Cavalry guards in Gothenburg for three hours.”

“If you don’t see anyone for three hours, start plan B.”

The captain said without thinking: “Wait for three hours, follow orders!”

At this moment.

In the car park outside the cargo area of Gothenburg Airport.

The head of a humanitarian organization is sitting in the co-pilot of a truck waiting anxiously.

This time, a total of three truckloads of supplies were destined for Nigeria.

According to the original schedule, they should have driven the person to the airport in a special transport vehicle at this time,

And then they had to take them into the airport together,

And then urged the customs to quickly release the target person to the plane.

In order to ensure that the person can be successfully sent through customs this time,

The person in charge of the humanitarian organization specially called their trump card,

A renowned star, and prepared to take her with him to ensure that this mission can go smoothly.

However, until now, they have not received any information.

After waiting for another half an hour, there was still no news, and the above only asked them to continue waiting.

The person in charge had no choice but to sit on the truck and watch the time go by little.

At this time, the driver of the truck behind jumped out of the car, knocked on the door of the co-pilot, and asked respectfully: "Master, can I come up and talk?" on the bed.

The driver below hurriedly climbed into the co-pilot seat,

And respectfully said to the person in charge:

"Master, Lolita said that she doesn't want to wait any longer..."

"What do you mean?" The person in charge frowned and asked: "What do you mean she doesn't want to wait any longer?!"

The driver said helplessly, "She asked me to tell you that she made an appointment with her friends this afternoon to go to the hair and spa."

"Dmn it!" The person in charge was furious and cursed:

"How dare she talk to me like that?!"

"Did she become a star and not know her name?!"

The driver said awkwardly: "Master, you know her behavior style, she is typical of what she thinks of,"

"And she doesn't know the actual situation of our humanitarian organization,"

"And she thinks she is the spiritual leader of this organization..."

The person in charge gritted his teeth: "Go and tell her that you have to wait here for three hours no matter what,"

"And tell her that I donated materials to Nigeria this time."

"I invited a lot of media to give her a detailed report."

The driver said dumbfounded: "Master, I have already told her about this, but she didn't pay attention to it at all."

"She said that the only European media she liked before was the BBC, but since Brexit,"

"There is no one in the whole of Europe she can look up to."

"If CNN and BBC come to interview, she can barely give some face, and she won't talk about anything else..."

"Who the h3ll does she think she is? If we hadn't paid for her, packaged her,"

"And operated her behind her back, she would just be cutting classes every day,"

"Didn't understand sh!t, and couldn't even pass a fcuking casting of a street drama!"

“Now that she is a bit famous, she even played big games with me,”

“Don’t you really know how much she weighs?!”

The driver said helplessly: “Master, the most urgent thing now is to let her stay,”

“Otherwise if she really walks away We have nothing to do...”

The person in charge pondered angrily for a long time, and then said in a cold voice:

“Tell her, as long as she cooperates well today, I will give her a Hermes Himalaya afterward.”

Okay!” The driver nodded, turned around and got out of the car, and returned to his car.

Chapter 5098

On the co-pilot, a girl with a somewhat ferocious expression was holding her mobile phone and playing a game in battle royale mode.

At this time, she was actively killing in the game.

Seeing the driver coming up, she raised her eyelids,

Stared at the phone again, and smelled: “Is it settled? I’m leaving in fifteen minutes.”

The driver hurriedly said: “The president said that today’s event is very important and meaningful...”

The girl interrupted him directly, and said coldly:

“I am passionate about environmental protection, not charity.”

“This kind of activity itself is not the type I like,”

“If you ask me to protest against Asians using chopsticks, Europeans flying on planes,”

“And Americans driving cars, I can be more patient.”

Speaking of this, she looked arrogant and said:

“What’s more, besides Nigerians, who else will pay attention to helping them?”

“With this time, I might as well go to the United Nations Climate Change Conference to organize protests.”

“My father said that the media all over the world will pay attention to the news of the United Nations and developed countries,”

“And the news of third world countries like Nigeria will never make the headlines of the Western world.”

The driver was dumbfounded, and at the same time, he was extremely angry.

However, the matter is so important that he can only patiently say:

“The president said, as long as you cooperate well, he will give you a Hermes Himalayan.”

She immediately moved her eyes away from the phone screen and stared at the driver.

Surprised and asked: "Really?! Hermes Himalayan crocodile skin? You are not lying to me, are you?"

The driver assured: "Of course, I am not lying to you! The president always keeps his word."

The girl immediately changed. With a bad attitude, she said with a smile:

"Then you tell him, as long as he does what he says, I am willing to wait until night!"

Just as everyone was anxiously waiting for the cavalry guard to land,

A plane flew from the Nordic capital. Took off from the airport and go to Syria.

Joseph has already brought his own men and the seven Cavalry guards who took refuge in him and returned to the base in Syria.

Soon, another half an hour passed, and there was still no news from the guards.

Seeing that the scheduled time had been exceeded,

The person in charge picked up the satellite phone and called his upline.

And his upline, and the pilot's upline, are the same person.

The person answered the phone and asked in a cold tone: "What's the matter?"

The person in charge hurriedly said: "Master Viscount, I'm running out of time here,"

"I'm afraid I can't wait too long, the pilot has a three-hour time window,"

"But my time window is only one and a half hours, and according to the fastest speed of the airport process,"

"I have to leave at least one and a half hours to go through the security check and loading process,"

"Otherwise it will affect the departure time of the plane!

"The man who was the viscount was also very anxious, and blurted out:

"Five hours ago, when the cavalry guards didn't show up at the docking point,"

"The higher-ups had already sent a connector to Bergen to investigate."

"There should be news soon. If there is no. Everyone stay put until the latest order is issued!"

...

Meanwhile. An old Volvo off-road vehicle drove from Sweden, after several hours of trekking,

It stopped in front of the country house where Maria lived before.

The window of the driver's cab was put down, and a man sat in the driver's cab, carefully observing the villa.

Although it is already afternoon, there is no movement in this villa,

And there is no sign of anyone working on the surrounding farms.

He took out the satellite phone and said to the phone:

“Master Viscount, I don’t see anyone here, there are still a few cars parked outside the door,”

“It seems that there are traces of hastily cleaned, do you need me to go in and have a look?”

The viscount’s voice came from the other end of the phone:

“Put on the camera, and the Lord can see the real-time video!”

“Okay!” The man immediately took out a portable camera from the armrest box and pinned the camera to his shirt On the outside of the left pocket,

After turning on the phone, he asked respectfully:

“Master Viscount, can you see the real-time video over there?”

The other party said coldly: “Yes, you can go in and have a look right now!”

Chapter 5099

The man in the Volvo driver’s seat, after wearing the real-time transmission camera,

Pushed the door and got out of the car.

After confirming that there were no people or vehicles passing by,

He used the lock-picking tool to skillfully pry open the door.

In fact, the house Maria lives in has, in addition to the ordinary door lock,

A hidden deadbolt was hidden on the top and bottom of the door frame,

And a whole set of Internet of Things control systems has been upgraded for the door lock.

Under normal circumstances, whether she was sleeping or going out,

She would use her mobile phone to lock the hidden deadbolt.

This kind of door lock can only be unlocked through the Internet,

Even the best locksmith can’t break it.

However, when she and her personal servants evacuated this time,

They intentionally did not open the hidden bolt,

Which made it easy for this person to slip into the room.

At the same time, in many corners of the world,

The lord of the mysterious organization, and the four earls who are second only to the hero in power,

All are watching the real-time transmission in front of the screen.

When the man entered the room, the corpses of Maria’s bodyguards suddenly appeared on the ground.

The man didn't seem surprised to see so many corpses.

Instead, he approached and reported: "It seems that there was a gun battle here.

But these corpses are not Cavalry guards, they should be the other party's bodyguards."

As he spoke, he followed the traces all the way to the study,

And found another corpse on the floor of the study.

He immediately stepped forward, and when he saw the face of the corpse,

He was startled for a moment, and blurted out: "It's the commander of the Cavalry guards!"

The voice of the viscount immediately came from the earphone:

"Check whether he is dead or not!" How did he die!"

The man immediately bent down, checked the commander's eyelids

And the corpse spots on his neck and hands, and said, "He should have died of poisoning..."

As he spoke, he opened the commander's teeth and found the crushed fangs in his mouth,

And immediately added: "It seems that the commander committed suicide by crushing his fangs."

The viscount immediately Asked: "Where are the other Cavalry guards?!"

Eight Cavalry guards were dispatched this time. Why did he die alone?! Where are the others?"

The man at the scene looked around, then went out and searched the entire villa,

But unfortunately, no clues of Cavalry guards members were found at the scene.

So, the man asked, "Master Viscount, is there anything else you need me to do?"

Before the Viscount could speak, a voice that had been processed by a voice changer,

And had a horribly low voice coming from the earphone:

"Return to Study room! Take a look on the desk!"

The man was startled by the voice.

It was the first time he heard such a cold voice, which made people feel a little creepy.

However, the next moment he realized that this voice was probably the mysterious lord!

He suddenly became tense, and stammered, "Okay... okay... I... I'll go right away..."

After finishing speaking, he hurriedly stumbled back to the study.

When he came to the quaint desk, he suddenly found that there was a pair of calligraphy written with a brush on the desk.

He looked down and found that there were only eight characters in this calligraphy work:

“The ring has been abandoned, and it is useless to chase after it.”

Chapter 5100

He didn't know what kind of message these eight characters conveyed,

Nor did he know what the ring mentioned in it was. What does it mean,

But he also happens to be a calligraphy lover, so he can see that the brush calligraphy is imitating the cursive script of calligrapher Wang Xizhi,

And the writing is round and beautiful, and at the same time vigorous and powerful,

Where every stroke Can be called impeccable.

If such eight characters are used in today's calligraphy world,

They will definitely “be the top-notch”!

The only thing that doesn't match the painting style is that at the end of the eight characters,

There is actually a smiling face drawn with a brush.

Although the lines of this smiling face are simple, they are very vivid,

And it is even obvious that there is a bit of contempt in that smile.

Just when he was immersed in the impeccability of these eight characters,

The low voice that had been changed suddenly came from the earphones,

And he seemed to growl very angrily: “What a h3ll! Dmn it! Dmn it!”

After finishing, He roared furiously: “Blow it up for me!”

The man was a little surprised, and subconsciously asked: “Blow it up? Blow up what?”

Just after he finished speaking, the portable camera hanging on his left chest suddenly exploded. There was a violent explosion!

With a bang, the impact of the high explosives shattered the entire desk into pieces,

And the calligraphy written on the rice paper was instantly burned to ashes by the high temperature generated by the explosion.

And the man who came to investigate, before he could figure out what was going on,

He felt a sudden sharp pain in his heart, and he flew upside down and died directly!

His death was horrific, the explosives blew a big hole in his heart,

And his face also maintained an expression of extreme fear.

He did not know until he died that he would die in the hands of the portable video camera he wears with him.

The structure of this portable camera is very ingenious.
At least half of the internal volume is used to fill high explosives,
And a miniature detonator is installed in the explosives.
The remote control only needs to use the original communication network,
And the camera's built-in Lithium battery just can control the detonator to detonate at any time.
The reason why this kind of equipment was developed and assigned,
To members of the organization is to kill people and destroy corpses when necessary.
At this time, the camera after the explosion caused flames in many places in the room.
The entire interior of the camera is made of flammable materials.
After the special plastic shell is burned at high temperature,
It will form a viscous object with high viscosity like asphalt,
And its flame can last for a long time.
At this time, the damaged desks, wooden floors, and curtains made of chemical fibers,
All were stained by the sticky matter produced during the explosion,
And the sticky matter carried flames, so the fire quickly intensified.
A few minutes later, a raging fire was already ignited in the study,
And the flames gushed out from the study, and then completely ignited the entire villa.
When the neighbors saw that the house was on fire, the fire was completely out of control.
Someone called the fire alarm, but this place was relatively remote,
And it took the fire engine nearly half an hour to arrive.
When the fire engine arrived at the scene, the scene was Almost burned to ashes.
And because the main frame of the house here is a wooden structure,
When the fire burned to the later stage, the whole villa collapsed instantly and became a ruin.
The firefighters at the scene began to inspect the scene after the open fire was extinguished,
But they did not expect to find many charred bodies among the ruins.
