

Chapter 5101

For a while, the Bergen police were shocked and immediately sealed off the scene, ready to investigate.

However, although this case has just happened,

It is already destined to be a no-nonsense case,

Because of the registered identities of the people who died here and those who used to live with false identities!

At the same time, on a heavy-duty container ship that has already left Norway and headed for Vladivostok, Russia,

Maria is in a cabin that has been carefully remodeled like a hotel suite,

And her servant is standing respectfully beside her.

In front of her, there was a huge monitor,

And the frozen picture on the monitor was the appearance of her study being ignited by a raging fire.

This picture was captured and transmitted through the pinhole camera hidden in the wall directly in front of her desk.

She manipulated the progress bar with a smile on her face,

And went back to a few minutes ago in the video.

When she saw the camera on the man's chest suddenly exploded,

She couldn't help but chuckled and said, "It's boring, I'm getting angry from embarrassment."

The servant on the side Couldn't help but ask:

"Miss, do you think they will believe it?"

Maria smiled narrowly, and said casually:

"Anyway, what I'm telling is the truth, they will, believe it or not, I don't care."

Seeing Maria so calm, the servant couldn't help but feel a little more admiration in his heart.

She asked him this time: "By the way, how long will it take to get to Vladivostok?"

The servant replied: "Miss, we will take the Arctic sea route."

"At the speed of this ship, it will take about 25 days."

"Too slow. "Maria said lightly: "I'm going to disembark at Murmansk and take a plane to Eastcliff."

After that, she asked the servant: "Can I reach Murmansk in four days?"

The servant hurriedly said: "It should be possible."

"Yes, but Miss, are you going to China in such a hurry?"

“Yes!” Maria nodded firmly, and said seriously:

“I can’t wait to find that Charlie Wade as soon as possible,”

“There must be a lot of secrets and interesting things about this person.”

As she spoke, she pulled the progress bar and went back to the moment when Charlie appeared in her study,

Looked at him in the picture, and muttered curiously:

“Tell me, why did he appear in my office in such a timely manner?”

Charlie appeared to leave the video, but Maria had actually watched it many times on the way.

She didn’t shy away from her most trusted servant,

So although the servant’s memory was erased by Charlie,

Through the playback of the surveillance video, he still figured out the whole story.

The servant thought for a while and said, “Miss, I can’t remember the situation at that time,”

“But I guess from the video recording, I don’t think he knew anything about your situation, miss.”

“He should be chasing after them when he appeared in Bergen.”

“Those Cavalry guards passed by, and he wanted to fix them,”

“I guess he should have a blood feud with that organization.”

Maria nodded and said with emotion: “This should be the most likely one. It’s kind of a guess.”

The servant couldn’t help asking her: “Miss, where do you think he will send these Cavalry guards?”

Maria was stunned for a moment, then smiled slightly:

“I was also thinking about this question, he said at the time,”

“Let these Cavalry guards go to Austria Meeting his people on the highest mountain in Sucheng,”

“If it wasn’t an emergency and there was no one available at the time,”

“I really wanted to go and have a look.”

The servant couldn’t help muttering: “I just don’t know,”

“His strength is not as good as compared with that organization.”

Chapter 5102

Maria didn’t speak but picked up the commander of Cavalry guards guard’s assault rifle.

That was cut in half by Charlie’s soul-piercing blade from her hand.

Her fingers stroked the section cut that was so neat that there was almost no burr, and she murmured:

"I don't know his overall strength, but his personal strength is really strong."

"Maybe cutting a gun like this, I think his aura has already achieved a little bit,"

"If he can go further in the future, the future must be limitless."

The servant asked her: "Miss when it comes to this gun, you have put so much value."

"The antique calligraphy and paintings were not brought out, so why did you bring out this gun?"

Maria said calmly: "You have also seen what happened just now,"

"Their people disappeared while chasing me, then they will definitely send someone over to check;"

"Before they saw this gun, they wouldn't have thought about how the Cavalry guards missed it."

"They might think that the Cavalry guards were just not prepared enough and were dealt with by the people around me;"

"However, if they see this gun... then the situation will be different!"

"In this world, there are only a handful of people who can do this,"

"As long as they see this gun, they will realize that they have a strong enemy, and this strong enemy has an aura."

"There are very few people with aura. In that case,"

"Once this Charlie Wade reveals his strength, the opponent will immediately target him,"

"Which will bring him a lot of trouble."

The servant couldn't help but sigh: "He's so powerful, why didn't he expect this..."

Maria smiled and said: "Strength is strength, but the real combat experience should not be rich enough,"

"Otherwise, I won't let me get away under his nose."

...

At the same time.

Gothenburg, Sweden.

Since they had already obtained the video data of the Bergen scene,

And saw the eight characters written by Maria herself,

The mysterious organization behind it immediately realized that this mission had completely failed,

And Maria must have escaped long ago.

Although the Lord was furious, he could only order an early end to this mission that had completely failed.

So, the head of the team who was waiting for Cavalry guards outside the gate of Gothenburg Airport received a call from the Viscount.

On the phone, the other party said in a dejected tone:

“Don’t wait any longer, let’s start delivering the goods to the customs now, and let it take off normally.”

The person in charge exclaimed: “Master Viscount, what happened to the Cavalry guards?”

The viscount said in a cold tone: “The eight Cavalry guards have been wiped out,”

“And the target has already escaped. The Lord has terminated the plan.”

It really didn’t occur to him to be defeated in this small place in Norway.

However, he knows the rules of the organization,

There are multiple sets of preparatory plans for everything,

Success has a successful follow-up plan, and failure has a failed follow-up plan.

According to the current situation, although Cavalry guards encountered problems and failed to reach Gothenburg,

But in order not to reveal his identity and the pilot,

The air transportation task that should be completed still needs to be completed.

A plane that has been waiting for a long time, carrying these materials back to Nigeria,

In order to prevent someone from finding out the problem through the abnormal empty load of the plane after checking this line.

However, now that the mission of Cavalry guards has failed,

The target person he was originally responsible for transshipment naturally no longer exists,

So there is no need for the celebrity Lolita.

So, he immediately sent a message to his subordinates, the content was only three words: Let Lolita go!

The driver who said all the good things to Lolita at the last second,

After receiving this message, immediately said to her with a dark face:

“Okay, didn’t you make an appointment with your friends? You can go back now.”

“What?” The girl suddenly asked angrily, “Why do you want me to go back now?”

“Didn’t you agree to give me a Hermes Himalayan after I finish today’s task?”

The driver said coldly: “What you said just now is correct.”

“Media reporters are not interested in matters related to Nigeria,”

“So they didn’t come here. The original interview was canceled, and you are no longer needed here.”

The girl said angrily: "Whether you need it or not is your problem."

"I don't care if you need it or not. Since you promised me,"

"You must fulfill it! If I can't get my Hermes Himalayas,"

"Then I will wait here. Until I see my Himalaya!"

Chapter 5103

"Do you still want a Himalayas?"

The driver snorted coldly and said contemptuously:

"If you want to daydream, get out of the car and go home to do it."

Lolita said angrily: "Obviously you promised me, so why go back on your word?"

The driver said angrily: "We have conditions after you have completed the work,"

"And now the matter has turned yellow, I don't need you to do it, understand?"

Lolita curled her lips and said coldly: "Then I don't care, anyway,"

"If you promise me, you must honor it, otherwise I will never end this matter with you!"

The driver was about to speak, at this time,"

"The car in front had already started its engine, and slowly pulled out of the parking lot,"

"Preparing to enter the cargo area of the airport.

The driver knew in his heart that this was to quickly send the materials transported by these three trucks to the Boeing 777,

As it could be transported back to Nigeria on time,

So that no clues would be left on this line.

So, he also started the car, and then said to Lolita: "Get out of the car, don't delay my business."

"I won't get off!" Lolita said with a grim expression:

"Let me get out of the car, how dare you! Do you not know what my identity is?!"

"If you want me to get out of the car, you can tell me when to give me my Himalaya!"

The driver jumped out of the truck in a rage, walked around to the passenger door,

And opened the door directly, and then lifted her out of the car like a chicken,

Then threw her on the ground roughly, and said coldly:

"If you want the Himalayas, go back to your dad!"

"Say one more word of nonsense, be careful that I will abolish your father first tonight!"

After that, he ignored her, turned around, and got in the truck,
Started the vehicle and left the parking lot.

Lolita didn't expect that the other party would become so vicious all of a sudden,
And she lost her previous aura in an instant,
And she was so scared that she didn't dare to say a word.

She is still young, and although she has been pushed to the fore by this humanitarian organization for a few years,

She just speaks and acts according to the requirements of the book,
Without knowing the underlying reasons and stakes.

She only knows that as long as she does what they ask,
She and her family can get a good material foundation,
And even be able to use this to enter the upper class.

But she didn't know the real origin of this humanitarian organization.

Some time ago, when her global reputation was pushed to the peak,
She also had the idea of leaving this humanitarian organization and starting her own business.

After all, in her opinion, she is now a well-known figure in the world,
Has countless fans, and has even been received by many heads of state and praised by them for her work.

There is absolutely no need for a higher-level organization to control her.

However, when she mentioned this idea to her father,
She was severely reprimanded by him.

Although Lolita was dissatisfied, she did not dare to confront him directly.

However, now that she has encountered such rough treatment,
In her opinion, it is a good opportunity to break up with the other party!

So, she immediately took out her mobile phone and called her father.

As soon as the phone was connected, she cried and said,

"Dad! I want to break with them! Never have anything to do with them again!"

Her father asked in surprise, "Who are you talking about? What happened?"

Lolita said angrily, "It's not the human rights organization you contacted!"

“They don’t respect me at all, they asked me to come over to stand for them today,”

“And promised to give me a Himalayan handbag from Hermes.”

“Suddenly broke the contract and kicked me out of the car!”

As she said that, she continued aggrieved: “Dad! From today on, I must draw a clear line with these people.”

“From now on, I will be on my own. I want to Nothing to do with them anymore!”

Lolita thought that what she said would make her father feel sorry for her,

And he will support the decision she just made,

But she never dreamed that her father on the other end of the phone suddenly would become furious!

He yelled through the phone: “Lolita, are you crazy?”

“Do you know how you and our family got here today?”

Lolita blurted out subconsciously: “Of course, I worked hard to get it!”

“I put aside school classes every day, and worked on projects.”

“If it weren’t for my hard work, how could our family be where it is today?”

When Lolita’s father heard this, he immediately scolded: “Shut up!

If they weren’t working behind the scenes, even if you dropped out of school at a young age,”

“And went to work for brands like that no one would have let you in their doors!”

“You have to remember! You can have what you are today, all because of them tailoring various marketing scripts for you in the back,”

“And the media that report on you are also secretly spending money to operate,”

“Moreover, they worked in-depth with the media from various countries,”

“To formulate a series of directions for you!”

“Don’t forget, do you think you can become famous all over the world that easily?!”

Chapter 5104

Lolita was a little speechless by her father, and she came back to her senses after a while.

She said dissatisfiedly: “Even if they support me, so what?”

“I am now a world-renowned star. My influence lies here.”

“I can create a lot of value without any help from them!”

Lolita’s father scolded angrily: “Is there something wrong with your brain?”

“Have you ever thought that when you were picked up by them,”

“You were just a child early ten years old. Completely follow their instructions like a marionette.”

“They must have a lot of relevant evidence in their hands.”

“Once you fall out with them, they will immediately reveal all your actual situation.”

“By then, you will be ruined! I and Your mother’s dream of being in the upper class will also be shattered!”

“Our whole family will be beaten back to the original shape, and even fall to the bottom!”

In fact, Lolita’s father did not say a word.

Although he didn’t know the specific background of this humanitarian organization,

He knew that the methods of this organization were very vicious.

If he really went against them, he might be killed one day.

Lolita was also taken aback by her father’s words at this time.

She was simple-minded, but she didn’t expect that she had already held countless handles in the other party’s hands.

If the other party really exposes these details, then she will definitely lose her reputation and never recover.

The extremely dejected Lolita finally got up silently from the ground,

Patted the dust off her body, took out a mask from her pocket,

Put it on, walked to the side of the road, and stopped a taxi.

The reason why she wears a mask is that she has been calling for environmental protection,”

“And even called on people all over the world not to drive cars.”

“According to her point of view, driving is a crime, not to mention taking a taxi.”

“If she is caught taking a taxi, it will break her reputation.

When Lolita left the airport depressed, the shipment was passing through customs.

Since there is nothing abnormal about these goods, and they are all charitable goods,

The clearance speed of the customs is also very fast.

So, the Boeing 777 finally returned to Nigeria at the scheduled time, loaded with a plane full of cargo.

...

At the same time, on a certain island in this world,

A cathedral-like stone building stands majestically on the rock of the island.

What the outside world doesn't know is that this magnificent castle is actually just the tip of the iceberg.

Under the castle, the entire island has been completely hollowed out,

And the scale of the internal buildings is more than a hundred times larger than the ground.

At this time, in the central hall of the castle, a luxuriously dressed man in his forties knelt on one knee,

Looked at the empty throne in front of him, and said respectfully:

"My lord! The plane has been withdrawn to Nigeria."

"The other seven famous cavalry guards, there is no clue yet about them."

In the huge lobby, the cold and deep voice like a machine immediately came:

"Keep looking! Even if you dig three feet into the ground, you must find them!"

The man raised his fists with his hands above his head, and said respectfully:

"Your subordinates obey!"

The Lord's voice came again: "Maria must have left Norway, and you immediately send people to infiltrate Mongolia,"

"The Russian Far East, Alaska, Canada's Yukon, and Nunavut."

"She was almost caught this time, and there is a high probability that she will flee to these sparsely populated countries and regions, and maybe she will come and wait for a rabbit!"

The man was slightly startled, and said nervously:

"My lord! I have a question, Dare to ask for your answer!"

The Lord said lightly: "Speak!"

The man hurriedly said: "My Lord, in a short period of time, we have suffered successive failures."

"The assassination of An's family in New York was so carefully planned,"

"And in the end, none of the so many dead soldiers came back, not even a single body was found."

"It was the same when we went to Norway this time."

"The eight knight guards were all top masters. Except for the command and envoy who died of taking poison,"

"The whereabouts of all others are unknown. Do you think there is any connection behind these two incidents?"

"Connection?" The Lord asked coldly, "Do you think someone is secretly killing us?"

The man said, "I just think these two things are too strange."

"We have definite information on these two things. Whether it is An family or Maria,"

“Neither of them has the strength to resist us,”

“But the result of the matter is that this loss is unbelievable.”

The Lord said lightly: “The An family is a top family in the open world,”

“And they can be regarded as public figures to a certain extent,”

“But Maria is a little fox hiding everywhere. She might have no chance to have any contact with the outside world on weekdays.”

“This time I was able to find her news because she just couldn’t hold back.”

“She bought a piece of blue and white porcelain in an antique shop in Norway and revealed her identity.”

“So I think there shouldn’t be any direct connection between them.”

The man nodded and praised: “My lord, you are the best way,”

“Just use some blue and white porcelain to catch Maria out!”

He quickly asked again: “Shall we buy another batch of top-notch blue and white porcelain,”

“And put them in antique shops all over the world, waiting for Maria to take the bait?”

“No need.” The Lord said coldly: “Maria is the most cunning fox she can never fall into the same trap twice,”

“No matter how good the blue and white porcelain is, it is impossible to lure her out now!”

Chapter 5105

At this time, the man asked respectfully:

“My lord, how credible do you think the words left by Maria are?”

The Lord was silent for a moment, He said coldly:

“Her personality is similar to her father’s. Although she is resourceful and even very wise,”

“She seldom engages in any conspiracy, so I believe what she wrote.”

“And Maria must be very clear in her heart that lying at this time is meaningless,”

“Even if I see these words, even if I believe that she is not lying,”

“But until I find the ring, I can’t give up hunting her down.”

After all, even if the ring is not on her body, she must know the whereabouts of it,”

“So she wrote these words, not to confuse me, but to irritate me!”

The man couldn’t help but said: “My lord! If Maria didn’t lie,”

“Does that mean that she has abandoned the ring somewhere in Norway?”

The Lord said: "Although the ring is of no use to her,"

"It has far-reaching significance, and she will never throw it away just to save her life."

Then the man said again: "Could it be stored in a bank safe?"

"A ring, if it is stored in a bank safe with other things, generally does not attract much attention."

"The confidentiality of a bank safe is extremely high,"

"And identity verification is done using fingerprints, irises, and other biological proofs,"

"So she can store the ring with a false identity and then take it out whenever she needs it."

"It's impossible." The Lord said flatly: "Maria is far more cunning and calculating than you can imagine."

"She has already thought of everything you can think of."

"The bank safe seems to be hidden and inconspicuous, but in fact, it is not safe at all."

"If I think, My force can open all the bank safes in Norway overnight,"

"To see what happened, how could she take such a risk."

The man said with some doubt: "My lord, according to what you said,"

"The ring is indeed not in her hands, but she didn't throw it away at will,"

"So there must be a very proper way of keeping it."

"Then, where do you think this ring went? Or in other words,"

"What kind of method is she using to keep it remotely?"

The Lord was silent for a few seconds, and said calmly:

"I don't know what you are talking about. The only thing I can be sure of at present is that,"

"Although the ring is not in Maria's possession, she is our only clue so far,"

"So you must do your best to go ahead and find her for me!"

After that, he paused slightly, and continued:

"This time, let Victor come out of the mountain in person, and you send him to come to see me immediately!"

Victor Chang is the head of the four earls.

The titles of each of these four earls were bestowed by the Lord.

The four of them have followed the Lord for many years,

And have made great contributions to the development of the forces under his command.

Victor, in addition to ranking first among the four earls,

Is also the most powerful existence among the four,
And he is the veritable number-two figure in the entire organization.
And this man himself is the loyal and brave man who ranks last among the four earls.
Within this organization, his contribution is not as good as that of the top three earls,
But because of his absolute loyalty to the lord,
He was awarded the title of Loyal and Brave, and he is often sent by the lord for missions
In Loyal's view, ordering Victor to track down Maria really felt like killing a chicken with a butcher's knife.
However, he dared not have any doubts about the decision of the lord,
So he said without thinking: "My lord, this subordinate will pass on the orders to Victor."
A few minutes later.
A middle-aged man in a Taoist robe and a fairy-like character strode into the main hall with elegant steps.
As soon as he entered, he knelt on the ground on one knee,
Saluted the empty throne, and then said respectfully:
"My lord, Loyal said, you have something to summon your subordinates, what orders do you have?"
The deep voice of the Lord came: "Victor, I will give you five years to find Maria's whereabouts."
"During these five years, I don't care where you go or what method you use."
"I will give you whatever you want."
"You don't need my consent to make any decisions,"
"I just want you to bring her alive to see me within five years, can you do it?!"
Victor was slightly startled, and immediately clasped his hands together and loudly said:
"Since the Lord is willing to entrust this task to his subordinates,"
"Then the subordinates must go all out to bring Maria back as soon as possible!"
"Five hundred million U.S. dollars will be used as a fund, and after the matter is completed,"
"I will give you five Youth Pills as a reward!"
Victor was very pleasantly surprised when he heard the words Youth Pill:
"Subordinate, thank you! Lord!"
After saying that, he immediately bent down and thanked him heavily.
Afterward, he raised his head and asked respectfully:

“My lord, you know Maria best, so, regarding her whereabouts,”

“Do you have any clues or suggestions that you can give to your subordinates?”

The Lord said flatly, “I know her well.”

“I also know her father, but they all did things that I didn’t expect.”

“Maybe my understanding of them is too solid so that I fell into a vicious circle of making mistakes again and again,”

“So Victor still doesn’t want to Ask me for advice,”

“Do it all according to your own intuition, maybe it will be miraculous.”

“Okay, Lord!” Victor nodded heavily.

Chapter 5106

The lord asked curiously: “I don’t know. Does Victor have any plans?”

“Victor cupped his hands and said

, “Go back to the Lord, I plan to visit China!”

The Lord asked in surprise, “Do you think Maria will return to China?”

Victor laughed, smiled, and said, “I don’t think so,”

“I just subconsciously think that it is more likely.

“Now! Don’t delay for a moment!”

Victor said without hesitation: “This subordinate obeys orders!”

...

At the same time.

Charlie, Orvel, and Issac took Helena’s royal helicopter and arrived directly at Oslo Airport.

Because they are distinguished guests of the royal family,

Charlie and the others don’t even need to go to the customs in person,

As long as they hand over their passports to the royal family’s butler, they can complete the customs clearance.

The helicopter landed directly in front of the hangar of Charlie’s Concorde,

And he was the first to jump off the helicopter.

Afterward, he said to Helena: “Helena, you don’t need to get down,”

“Just let the pilot take off and go back.”

Helena shook her head with reluctance and said,

“Mr. Wade, I’d better take you to the plane, anyway,”

“The VIP movement is already here in advance, and no one else will see me.”

Charlie saw her insistence, so he had to extend a hand to her, and helped her off the helicopter.

In the hangar at this time, the Concorde has been prepared.

The captain and other crew members are waiting below the plane.

Helena accompanied Charlie into the hangar, and he told her:

“You must pay attention to safety during the recent period.”

“If you find anything unusual, please notify me as soon as possible.”

Helena nodded lightly, her eyes blushing and teary at the same time.

She knew that she says goodbye to him today, and she doesn’t know when she would see him again in the future.

Moreover, she also knew that among so many women who loved Charlie deeply, she was the most special one.

Everyone else has a free body and doesn’t need to be outside the world’s opinions and evaluations,

But she is the only one who still bears the halo of a royal family.

It’s not so much a halo as a shackle.

Because of this shackle, leaving Norway and going to any place in the world,

She has to rise to the level of diplomacy and politics.

If she wants to leave Norway to meet Charlie, it is simply a dream, and there is no chance at all.

So if she really wants to build a relationship with Charlie,

And want to communicate and get along with him normally,

The only chance is for Charlie to come to Norway to find her.

However, with her and even Charlie’s behavior style,

He would definitely not come to Norway to meet her unless it was necessary.

Thinking of this, Helena felt sad and reluctant, so she looked at Charlie, choked up softly, and said:

“Mr. Wade, if you have time, you must come to Norway again. If you can’t come, don’t forget me...”

Seeing that her tears were streaming out uncontrollably,

Charlie couldn’t help feeling a little distressed when he recalled what he noticed in her boudoir this morning.

However, although there were outsiders here, there were many people after all.

Not only Orvel and Issac were there, but also the crew and the royal guards.

Therefore, Charlie could only comfort and say:

“Helena, if there is a chance, I will definitely come again. So you must take care of yourself.”

Hearing Charlie’s words, Helena’s heart suddenly warmed, showing a rare joy, and nodded again and again:

“Mr. Wade, as long as you tell me that you are coming to Norway at any time, I will definitely wait for you!”

Charlie nodded slightly, and said: “Okay, we’re boarding the plane.”

Helena nodded with tears in her eyes, at this moment,

She really wanted to hug Charlie gently, and then gently press her face against his chest for three to five seconds.

However, she also knew that under such circumstances, she simply couldn’t do such behavior.

So, she could only keep a distance of half a meter from him and said:

“Mr. Wade, then I wish you a safe journey!”

“Okay.” Charlie nodded, and said again: “Take care, goodbye.”

“Goodbye...”

Charlie boarded the Concorde under the watchful eye of Helena.

The captain and crew were also quickly in place and ready for takeoff.

At this time, Helena and her party hadn’t left yet,

They just retreated to a safe distance, as if they planned to watch Charlie’s plane leave first.

At this time, the captain came to Charlie and said:

“Master, we will take off in ten minutes and we are expected to arrive in Providence within three hours.”

Then he said: “It is now 3 pm Nordic time It’s nine o’clock in the morning in New York time,”

“And it should be no problem to land before twelve noon in New York time.”

Charlie waved his hand and asked with a smile,

“It shouldn’t take long to fly to Syria from here, right?”

The captain thought for a while, and said: “The route distance should be more than 3,000 kilometers to less than 4,000 kilometers.”

“At our flying speed, it will only take two hours including take-off and landing.”

“Okay.” Charlie nodded, and waved his hand, Smiling:

“Then let’s fly directly to Damascus.”

The captain was stunned, and subconsciously asked: “Fly to Syria?”

Charlie nodded and said: “Yes, fly to Syria.”

The soldiers of the Front returned to Syria ahead of schedule.

Charlie hadn’t relieved the poison in the bodies of these seven people yet.

Besides, he also wanted to meet Duncan, Abren, and others too.

Chapter 5107

Two hours after going to the Middle East,

Charlie’s Concorde landed in Damascus, the capital of Syria.

Joseph and several core members of Cataclysmic Front were already waiting at the airport.

When Charlie got off the plane, Joseph hurriedly stepped forward and said respectfully:

“Mr. Wade, my subordinates thought you would go directly to the United States from Norway,”

“I didn’t expect you to make a special detour to come to Syria so far,”

“And the preparations were a bit hasty. If I had known that you were coming,”

“Your subordinates would have made arrangements as soon as possible.”

Charlie said with a smile:

“The seven people you brought back still have enough deadly poison in their bodies.”

“If they are not relieved, these seven people will die within a few days.”

After finishing speaking, Charlie asked him, “Have those seven people settled down?”

“They’re settled.” Joseph said: “In order to avoid any accidents,”

“I left Walter behind and asked him to take a few five-star generals to guard those people.”

“Okay.” Charlie nodded and said, “The situation of these people is different from that of May 47.”

“When they were in Bergen, they already confessed to me something related to that mysterious organization.”

“Later, you call Inspector Li and May 47 together,”

“And then dig deeper into the clues to see if there is any New discovery.”

Joseph immediately said respectfully: “Okay, Mr. Wade,”

“When we arrive at the base, the subordinate will arrange it immediately.”

Afterward, Joseph asked again: “By the way, Mr. Wade, how long do you plan to stay in Syria this time?”

“Would you like your subordinates to arrange accommodation for you in advance?”

“No.” Charlie said with a smile, “I’m here to deal with business,”

“And I’ll go back to the United States after a casual visit,”

“And I just took this opportunity to meet the old acquaintances.”

Joseph said: “Mr. Wade, there are quite a few of your old acquaintances here.”

“Commander Hamid happens to be at the base.”

“He has been talking about you, but I haven’t told him that you are coming.”

Charlie asked curiously: “Why has he come to the base of Cataclysmic Front?”

Joseph explained: “He has been here more frequently recently.”

“In addition to cooperation and exchanges, he mainly wants to learn some experience from Cataclysmic Front.”

“Although we started the overall construction of infrastructure relatively late,”

“Our infrastructure scale and propulsion efficiency are much higher than his.”

Then, Joseph said again: “Mr. Wade, let’s set off now, this time you have to work hard to land in Damascus,”

“If you come back in two months, we will put into use our own runway,”

“And there is no need to transit in Damascus, just land directly on the runway of the base.”

Charlie nodded, and asked him curiously:

“The plane bypasses the customs and lands directly at the base,”

“What is the attitude of the authorities?”

Joseph explained: “The subordinate has already said hello.”

“If it’s just people entering and leaving the country,”

“Damascus basically turns a blind eye and closes one eye.”

“There is no need to go through customs.”

Speaking of this, Joseph added: “Actually, the current situation here is still very complicated.”

“Damascus can’t manage all borders at all. In the past,”

“The entry and exit of opposition personnel and materials was like a game,”

“So now Damascus basically doesn’t care. Besides, Damascus, the whole side here is very friendly to us.”

“After all, we are here to mediate the struggle between the two forces in the country.”

“It is rare for everyone to cease-fire now.”

“Everyone wants to not attack each other. Many things are just a formality; “

“In addition, there is a more important point.”

“Damascus is very clear that we only want to find a place to live in Syria,”

“And we don’t want to seek any benefits from Syria.”

“Unlike other countries, they only see the oil resources here.”

“So they are more willing to maintain this kind of cooperative relationship with us.”

“That’s good.” Charlie was relieved when he heard this.

Once an organization like Cataclysmic Front wants to become bigger and stronger,

It will not be welcomed no matter which country it is in.

Now that it can take root in Syria,

It can be regarded as a solution to the urgent need for development and growth.

It is precisely because of the complicated internal situation here that,

It gave Cataclysmic Front a chance to develop with peace of mind.

However, Charlie was also very clear in his heart.

It is not a long-term solution to live under the fence.

In the future, we must find a way to actually buy a piece of land so that,

Cataclysmic Front can build a permanent base without any worries.

Afterward, Charlie, Joseph, and others boarded the helicopter of the Cataclysmic Fronta together.

The five helicopters took off almost at the same time and flew towards the Cataclysmic Front base.

After an hour’s flight, the helicopters arrived over the base.

It can be seen from the air that the base of Cataclysmic Front is currently a huge construction site,

Full of buildings under construction and dusty transport vehicles.

On the east side of the base, there is an airstrip that has already taken shape.

Seeing the construction of the entire base in full swing, Charlie couldn’t help feeling relieved.

The Cataclysmic Fronta is currently his most powerful strike force besides himself,

And it will have a very important effect on every step he takes in the future,

Especially in the contest with that mysterious organization, which has far-reaching significance.

Therefore, he hopes that the strength of Cataclysmic Front will continue to grow and improve,

And his goal for the first stage of the development of Cataclysmic Front's overall strength,

Is to be able to compete with all the dead soldiers of that mysterious organization.

As for the mysterious lord, Charlie planned to keep it to himself.

The helicopter landed slowly in the core area in the center of the base.

On the south side of the core area, there is a cubic building.

This building is about 20 meters high. At the bottom is a huge hollow that is transparent from north to south,

And a track that is much narrower than normal train tracks passes through it.

It can be seen from the opening that inside the building is a huge lifting device made of steel frames,

With a steel cable as thick as a baby's arm hanging in the middle.

Chapter 5108

Joseph introduced to Charlie: "Mr. Wade, this is the main shaft of the underground fortification.

Its current vertical depth is about 120 meters. The first phase of the underground fortification is currently excavating horizontally at this depth.

The set of lifting devices is the cage, and equipment, personnel, and excavated rocks basically come in and out from here."

As he said that, he pointed to another similar cubic building in the distance, and introduced:

"That one is the auxiliary well of the underground fortification,"

"The depth is the same as the main well,"

"And it is mainly responsible for ventilation and drainage of all underground working surfaces."

Charlie nodded, and said: "The current spy satellites and drones are too advanced,"

"And the ground facilities can't even escape Google's satellites,"

"So the underground fortifications will be the most important thing in the future."

Joseph immediately said: "Mr. Wade can rest assured that more than 65% of the current infrastructure budget is allocated to underground fortifications."

"The future underground fortifications will not only meet the needs of all personnel's life and material storage,"

"But also shoulder most of the daily training needs."

“At the same time, we will build a safe energy storage and backup energy system underground,”
“Which is enough to deal with most emergencies.”

While speaking, the lifting device under the cubic building lifted a huge square steel cage up.

Interestingly, this steel cage has two layers,

The upper layer is for people, and the lower layer is for a rail mine car.

After the steel cage came to a complete stop, more than a dozen men wearing helmets,

Standing on the upper floor came out of it and walked from the second floor to the first floor.

The workers waiting on the first floor walked directly into the steel cage on the bottom floor,

Fixed the traction rope on the mine car filled with gravel,

And then pulled the mine car along the track to the loading and unloading yard hundreds of meters away.

At the other end, workers pushed an empty mine car into the steel cage.

Subsequently, the entire steel cage was lowered into the ground again.

After watching the whole process, Charlie couldn't help frowning and said,

“Joseph, relying on this kind of cage to transport people and materials straight up and down,”

“Isn't the turnover efficiency too low? This time, at most dozens of people, can go up and down,”

“Or a few tons of goods.” Even if it takes a few minutes,”

“The efficiency is still a drop in the bucket in an emergency.”

Joseph hurriedly said: “Mr. Wade, you are right. The current two shafts are actually configurations,”

“During the construction stage. It's only in the initial stage,”

“So we use these two shafts for underground construction;”

“However, in the next step, we will build a hub building covering an area of more than 100,000 square meters on the west side of the airport runway,”

“And then directly excavate a double lane for vehicles to enter and exit from the first floor of the hub building Inclined shaft;”

“The inclined shaft will lead directly from the ground of the building to the underground fortifications,”

“Just like a tunnel with a relatively steep slope.”

“Once completed, all personnel, vehicles, and equipment will drive up and down from here,”

“And the overall turnover speed will increase geometrically. There is no difference from the ground.”

Charlie nodded: “How many workers are working in the mine at the same time?”

Joseph said: "We are now speeding up the progress regardless of cost,"

"So all types of work in the mine are counted,"

"And there are those who work at the same time are five or six hundred people."

Charlie asked again: "By the way,"

"Where are those Sicilian mafia that were brought back from Canada before?"

Joseph smiled and said: "The gang of the Sicilian mafia is currently incorporated into the excavation team and specially built underground fortifications."

"Our normal construction team works in three shifts a day with an eight-hour work system,"

"But these mafia teams work in two shifts a day with a 12-hour work system."

"Gang of bastards who are full of criminals,"

"So we don't pay much attention to labor laws for them, as long as we don't tire them to death."

Charlie couldn't help laughing and said: "After all,"

"There are more than 800 or so, who murder, set fire, bully and dominate the market."

"They don't feel tired after working for 24 hours,"

"And working underground for twelve hours is definitely not a problem for them."

After finishing speaking, Charlie asked again:

"By the way, what about those Four Dragons disciples?"

Joseph laughed: "Mr. Wade, the boat that the disciples of the Four Dragons are on hasn't arrived yet."

Charlie laughed dumbfounded.

It is indeed a long way from Hong Kong. If it takes more than 20 days, it will definitely not be possible.

At this moment, the double-layered cage was lifted up again,

And as soon as the iron fence on the upper floor was opened,

Hamid, who was wearing a red helmet, walked out from inside accompanied by several soldiers from the Cataclysmic Front.

Charlie recognized him at a glance, and shouted from afar: "Commander Hamid!"

Hamid shyly looked at Charlie following the sound of his increasingly bloated belly.

Seeing that it was Charlie who was greeting him, he was overjoyed and shouted:

"Oh, Mr. Wade, Brother Wade!" After finishing speaking, he took a few quick steps and ran towards Charlie.

Quickly running in front of Charlie, Hamid held Charlie's hand happily while panting heavily, and asked excitedly,

"Brother Wade, when did you come?"

"Just arrived." Charlie smiled slightly, looked at his swollen belly, and teased:

"Brother, you have gained a lot of weight recently, and it seems that your life is quite comfortable."

Hamid smiled, cupped his hands, and said, "Thank you, brother."

"Ah! Now that there is no war, besides sleeping, we eat every day, not to mention eating well,"

"And sleeping soundly, so the weight will naturally come up."

After speaking, he turned and pointed to the main well behind him, and said with envy:

"Brother, your underground fortifications are so awesome!"

"The alleys are three to four meters high."

"Compared with yours, my underground fortifications are just rat holes!"

Charlie laughed and said to him: "Don't worry, brother,"

"When the construction here is almost done, I will let Joseph arrange and upgrade it for you."

When Hamid heard this, his excited hands shook, and he asked excitedly: "Brother, are you serious?"

Charlie nodded and smiled: "Of course, when did I tell a lie?"

Then, he said again: "You just saw those hard-working Sicilian elites down there didn't you?"

"Sicilian elites?" Hamid asked curiously: "You mean the Canadian mafia working below?"

"Yes." Charlie nodded and said with a smile:

"These people will also join you for help at that time!"

Chapter 5109

Hamid's gratitude to Charlie has long been like a torrential river,

And it is like the Yellow River flooding out of control.

If it weren't for Charlie, he would have been taken away by the Cataclysmic Front and the government army.

Not to mention that Charlie also cured his leg which had been lame for decades,

And gave him a lot of funds to strengthen his defense.

Now, with the Cataclysmic Front mediating in the middle,

It gave him a good opportunity for peaceful development.

But what he didn't expect was that even so,
Charlie still treated him without asking for anything and was still very generous.
With the current specifications of Cataclysmic Front's underground fortifications,
Even if it is displayed on a small scale in its own base,
It is difficult to implement without a cost of hundreds of millions of dollars.
For Hamid, this is something that he can't even think about.
And Charlie agreed to help him build it for free without even thinking about it.
This generosity moved Hamid even more. So, he held Charlie's hand and said firmly:
"Brother Wade, Allah above is my witness, in the Middle East in the future,"
"If you need me to do anything, just say a word, and I will risk my life. And I must go all out!"
Charlie nodded and smiled, and said, "With your words, my brother, our efforts are worth it."
For Charlie, Hamid is a friend, but also a comrade-in-arms.
As long as Hamid can firmly stand friendly with himself,
He can continue to maintain the tripartite balance in Syria,
Which will be of great benefit to the stable development of the Cataclysmic Front.
Therefore, in order to prevent Hamid from stretching his hips too much in this three-party balanced situation,
He needs to be given the assistance he needs,
And the assistance he does not even dare to think about must be given.
Therefore, he said to Joseph: "Joseph, after the first phase of our project is completed,"
"We will first design an upgrade plan for Commander Hamid's base,"
"And then start the first phase of the project at his base."
"All the costs will be borne by Cataclysmic Front."
Joseph said without hesitation: "Okay, Mr. Wade, I understand."
Charlie nodded slightly, and said to Hamid: "Brother, this time I can't stay here for too long,"
"I'm going back in a few hours, there are still a lot of things to deal with here,"
"So I won't talk to you about the past,"
"When I come next time, let's find time to get together again."
Hamid was a little bit reluctant he said: "Brother Wade, you came all the way,"

“And you only stay for a few hours? At least give me one day to come to your brother’s place,”

“To take a look and inspect the inspection work. There are great changes in our place now. Thanks to you!”

Charlie said with a smile: “I will definitely visit next time, this time I really can’t spare extra time.”

Seeing this, Hamid nodded and said: “Okay, since you are in a hurry,”

“Then your brother won’t waste your time, you get busy first, let’s get together next time.”

Then, he pointed to his overalls and said,

“I’m going to change my clothes, and I’ll go back first after changing.”

“Okay ” Charlie nodded, shook hands with him again, and said, “Then see you!”

Hamid said very simply: “Okay, bro, go get busy, don’t worry about me Alright.”

The two waved goodbye, and Charlie and Joseph walked into the main building in the core area of the base.

Walking into the building, Charlie said to Joseph:

“Joseph, arrange a conference room with the highest level of confidentiality,”

“Call Inspector Li, May 47, and the seven cavalry guards you brought back, Also bring them here.”

“Okay, Mr. Wade!” Joseph immediately took Charlie to a windowless meeting room,”

“And then asked Duncan and May 47 to come over first.

Duncan didn’t expect Charlie to come to Syria, and asked in surprise,

“Master Wade, why did you come here in person?”

Charlie smiled slightly and said, “Inspector Li, I just came over from Norway,”

“And I brought some members of the mysterious organization over.”

“This time there are more people, and they are not dead, they are one level higher than dead men.”

“It’s not dead men,” Duncan asked in surprise:

“What level is that? What is the responsibility in the organization?”

Charlie explained: “They are called Xiaoqiwei internally,”

“And they are responsible for guarding the dead.” May 47, who was

sitting in a wheelchair, After listening, he was surprised and said:

“Cavalry Guards? Is it the Cavalry Guards who are in charge of guarding us?”

Charlie shook his head and said, “According to Inspector Li’s analysis,”

“Your station should be near Sri Lanka, but these Cavalry Guards’ station is in Cyprus,”

“Thousands of kilometers away, and the Persian Gulf and the entire Middle East are separated in the middle.”

“Cyprus?!” Duncan exclaimed after hearing this:

“Master Wade, Cyprus is to the west of Syria, the closest to Syria.”

“The coastline is less than 200 kilometers.”

“Yes.” Charlie nodded and said, “Their base is a copper mine in the coastal area of Cyprus,”

“And it is said that there is also a copper smelter in Turkey.”

“The ores produced by the copper mine are basically exported to copper smelters in Turkey,”

“And a closed loop is formed inside, making it even more difficult for the outside world to pry into the secrets.”

Chapter 5110

Joseph said a little excitedly: “Mr. Wade since we are so close,”

“Why don’t you make a good plan, and all the members of the Front will be dispatched to wipe out their residence!”

Ever since Charlie extrajudicially spared his life,

He was able to preserve even his parents’ bones.

After his cultivation was blessed by misfortune and stepped into the darkness,

Joseph couldn’t wait to make contributions to Charlie.

As a person, he didn’t have too many twists and turns in his stomach.

If you owe someone, you will think about giving it back.

If you owe someone a favor, you will also think about repaying it.

Originally, he thought that Charlie would be lenient to him and incorporated the entire Cataclysmic Front,

So he would squeeze the value of the Front as much as possible,

And even make the entire Front have to work for it.

However, he never dreamed that after Charlie incorporated Cataclysmic Front,

Not only did the members of Cataclysmic Front seldom take risks for him,

But he even continued to send various resources and help to the organization.

Moreover, its handwriting is only big, completely beyond Joseph’s imagination.

Among other things, the base in front of him is Joseph's biggest dream for many years.

However, although he has been in a war-torn country for many years,

He has never found a chance to get the local officials to allow Cataclysmic Front to the station in its territory.

But Charlie did it easily.

In addition, he also helped Cataclysmic Front to open up armed escort and armed security,

Two clean businesses with high returns, low risks, and completely legal.

Not only that, but he also continues to provide financial support.

With the current scale alone, in the next ten or twenty years,

Cataclysmic Front will not be able to spend all the flowers lying around.

Therefore, during this period of time, Joseph's desire to contribute to Charlie has become even more urgent.

He originally thought that the kindness he and Cataclysmic Front owed Charlie was immeasurable,

But who would have thought that Charlie in Mexico poured everyone a cup of celebration wine,

Which actually improved everyone's cultivation base!

Ever since he came back from Mexico, Joseph really dreamed of charging into the battle for Charlie and killing the enemy before the battle.

So, after hearing from him that he had mastered the exact address of a mysterious organization's residence,

He couldn't wait to unplug this residence for Charlie!

But Charlie waved his hand at this time, and said seriously:

"A copper mine guarded by hundreds of cavalry guards may have a very strong defense force,"

"Not to mention the intricate underground fortifications. If you go in rashly, you will definitely be caught by the other party."

"In this case, it is almost impossible for us to wipe out the opponent without revealing any clues,"

"And there are thousands of dead men and relatives of thousands of dead men inside."

"Next, it is also a big hidden danger."

May 47 on the side also nodded and said: "Mr. Wade is right, the dead man and their family members have to take the antidote of the organization regularly,"

"So even if they hate the organization for generations,"

"Once the organization encounters trouble, they will still subconsciously go up and do their best;"

As he said, he said again: "For the dead, the organization will give us the antidote only if we work hard for the organization,"

"Otherwise once the organization finds out that we are not loyal enough, we will be punished."

"They will kill our relatives first, and let us see them killed with our own eyes,"

"And then publicly execute us as a punishment;"

"Only if you try your best, you will have a chance to survive, even if you die, your family will be treated kindly."

"So, if Master Wan intends to attack this garrison, these dead men will resist desperately at the first moment."

Hearing this, Joseph realized how impulsive he was just now.

Embarrassed, he said to Charlie very apologetically: "I'm sorry, Mr. Wade,"

"It's your subordinates who didn't think carefully, please forgive me!"

"You were not there at the time, so it is understandable that you do not know the actual situation of these dead men."

He said, "Bring those seven guards here and let them introduce themselves to us.

Check out the situation at the station."

"Your orders!"

Soon, seven Cavalry Guards were brought in.

These seven people have been very anxious since the journey because they knew very well that the poison in their bodies would explode in six days,

And if they didn't get the antidote within six days, all of them would die.

However, Charlie promised to detoxify their bodies at the beginning,

But before they saw Charlie again, Joseph took them to Syria, so they felt even more uneasy.

The moment they walked into this conference room and saw Charlie, the seven talents finally seemed to see a savior.

So, after seeing Charlie, the leader immediately said excitedly: "Sir... you are also here!"

Charlie nodded slightly, pointed to a row of empty seats in front of him,

And smiled as he said: "Sit down first, there are some situations that I need to understand with you in depth."

"No problem!" The man quickly agreed, but his expression was still a little uneasy.

He was afraid that Charlie didn't intend to detoxify them at all,

But first squeezed out all the information they knew in the past few days,
And then left them to fend for themselves.

Charlie could also see the worry and apprehension in their expressions,
So he smiled slightly, went up and patted their shoulders one by one, and then said,
“Are you worried that I won’t detoxify you as I promised?”

Seven People looked at each other in blank dismay, but no one dared to answer.

The leader mustered up his courage and nodded,
And only then did the others dare to nod lightly along with him.

Charlie smiled playfully, and said,
“It’s normal to be worried, but don’t worry now, the poison in your body has been cured!”
