

Chapter 5101

For a while, the Bergen police were shocked and immediately sealed off the scene, ready to investigate.

However, although this case has just happened,

It is already destined to be a no-nonsense case,

Because of the registered identities of the people who died here and those who used to live with false identities!

At the same time, on a heavy-duty container ship that has already left Norway and headed for Vladivostok, Russia,

Maria is in a cabin that has been carefully remodeled like a hotel suite,

And her servant is standing respectfully beside her.

In front of her, there was a huge monitor,

And the frozen picture on the monitor was the appearance of her study being ignited by a raging fire.

This picture was captured and transmitted through the pinhole camera hidden in the wall directly in front of her desk.

She manipulated the progress bar with a smile on her face,

And went back to a few minutes ago in the video.

When she saw the camera on the man's chest suddenly exploded,

She couldn't help but chuckled and said, "It's boring, I'm getting angry from embarrassment."

The servant on the side Couldn't help but ask:

"Miss, do you think they will believe it?"

Maria smiled narrowly, and said casually:

"Anyway, what I'm telling is the truth, they will, believe it or not, I don't care."

Seeing Maria so calm, the servant couldn't help but feel a little more admiration in his heart.

She asked him this time: "By the way, how long will it take to get to Vladivostok?"

The servant replied: "Miss, we will take the Arctic sea route."

"At the speed of this ship, it will take about 25 days."

"Too slow. "Maria said lightly: "I'm going to disembark at Murmansk and take a plane to Eastcliff."

After that, she asked the servant: "Can I reach Murmansk in four days?"

The servant hurriedly said: "It should be possible."

"Yes, but Miss, are you going to China in such a hurry?"

"Yes!" Maria nodded firmly, and said seriously:

"I can't wait to find that Charlie Wade as soon as possible,"

"There must be a lot of secrets and interesting things about this person."

As she spoke, she pulled the progress bar and went back to the moment when Charlie appeared in her study,

Looked at him in the picture, and muttered curiously:

"Tell me, why did he appear in my office in such a timely manner?"

Charlie appeared to leave the video, but Maria had actually watched it many times on the way.

She didn't shy away from her most trusted servant,

So although the servant's memory was erased by Charlie,

Through the playback of the surveillance video, he still figured out the whole story.

The servant thought for a while and said, "Miss, I can't remember the situation at that time,"

"But I guess from the video recording, I don't think he knew anything about your situation, miss."

"He should be chasing after them when he appeared in Bergen."

"Those Cavalry guards passed by, and he wanted to fix them,"

"I guess he should have a blood feud with that organization."

Maria nodded and said with emotion: "This should be the most likely one. It's kind of a guess."

The servant couldn't help asking her: "Miss, where do you think he will send these Cavalry guards?"

Maria was stunned for a moment, then smiled slightly:

"I was also thinking about this question, he said at the time,"

"Let these Cavalry guards go to Austria Meeting his people on the highest mountain in Sucheng,"

"If it wasn't an emergency and there was no one available at the time,"

"I really wanted to go and have a look."

The servant couldn't help muttering: "I just don't know,"

"His strength is not as good as compared with that organization."
