

Chapter 5109

Hamid's gratitude to Charlie has long been like a torrential river,

And it is like the Yellow River flooding out of control.

If it weren't for Charlie, he would have been taken away by the Cataclysmic Front and the government army.

Not to mention that Charlie also cured his leg which had been lame for decades,

And gave him a lot of funds to strengthen his defense.

Now, with the Cataclysmic Front mediating in the middle,

It gave him a good opportunity for peaceful development.

But what he didn't expect was that even so,

Charlie still treated him without asking for anything and was still very generous.

With the current specifications of Cataclysmic Front's underground fortifications,

Even if it is displayed on a small scale in its own base,

It is difficult to implement without a cost of hundreds of millions of dollars.

For Hamid, this is something that he can't even think about.

And Charlie agreed to help him build it for free without even thinking about it.

This generosity moved Hamid even more. So, he held Charlie's hand and said firmly:

"Brother Wade, Allah above is my witness, in the Middle East in the future,"

"If you need me to do anything, just say a word, and I will risk my life. And I must go all out!"

Charlie nodded and smiled, and said, "With your words, my brother, our efforts are worth it."

For Charlie, Hamid is a friend, but also a comrade-in-arms.

As long as Hamid can firmly stand friendly with himself,

He can continue to maintain the tripartite balance in Syria,

Which will be of great benefit to the stable development of the Cataclysmic Front.

Therefore, in order to prevent Hamid from stretching his hips too much in this three-party balanced situation,

He needs to be given the assistance he needs,

And the assistance he does not even dare to think about must be given.

Therefore, he said to Joseph: “Joseph, after the first phase of our project is completed,”

“We will first design an upgrade plan for Commander Hamid’s base,”

“And then start the first phase of the project at his base.”

“All the costs will be borne by Cataclysmic Front.”

Joseph said without hesitation: “Okay, Mr. Wade, I understand.”

Charlie nodded slightly, and said to Hamid: “Brother, this time I can’t stay here for too long,”

“I’m going back in a few hours, there are still a lot of things to deal with here,”

“So I won’t talk to you about the past,”

“When I come next time, let’s find time to get together again.”

Hamid was a little bit reluctant he said: “Brother Wade, you came all the way,”

“And you only stay for a few hours? At least give me one day to come to your brother’s place,”

“To take a look and inspect the inspection work. There are great changes in our place now. Thanks to you!”

Charlie said with a smile: “I will definitely visit next time, this time I really can’t spare extra time.”

Seeing this, Hamid nodded and said: “Okay, since you are in a hurry,”

“Then your brother won’t waste your time, you get busy first, let’s get together next time.”

Then, he pointed to his overalls and said,

“I’m going to change my clothes, and I’ll go back first after changing.”

“Okay ” Charlie nodded, shook hands with him again, and said, “Then see you!”

Hamid said very simply: “Okay, bro, go get busy, don’t worry about me Alright.”

The two waved goodbye, and Charlie and Joseph walked into the main building in the core area of the base.

Walking into the building, Charlie said to Joseph:

“Joseph, arrange a conference room with the highest level of confidentiality,”

“Call Inspector Li, May 47, and the seven cavalry guards you brought back, Also bring them here.”

“Okay, Mr. Wade!” Joseph immediately took Charlie to a windowless meeting room,”

“And then asked Duncan and May 47 to come over first.

Duncan didn’t expect Charlie to come to Syria, and asked in surprise,

“Master Wade, why did you come here in person?”

Charlie smiled slightly and said, “Inspector Li, I just came over from Norway,”

“And I brought some members of the mysterious organization over.”

“This time there are more people, and they are not dead, they are one level higher than dead men.”

“It’s not dead men,” Duncan asked in surprise:

“What level is that? What is the responsibility in the organization?”

Charlie explained: “They are called Xiaoqiwei internally,”

“And they are responsible for guarding the dead.” May 47, who was

sitting in a wheelchair, After listening, he was surprised and said:

“Cavalry Guards? Is it the Cavalry Guards who are in charge of guarding us?”

Charlie shook his head and said, “According to Inspector Li’s analysis,”

“Your station should be near Sri Lanka, but these Cavalry Guards’ station is in Cyprus,”

“Thousands of kilometers away, and the Persian Gulf and the entire Middle East are separated in the middle.”

“Cyprus?!” Duncan exclaimed after hearing this:

“Master Wade, Cyprus is to the west of Syria, the closest to Syria.”

“The coastline is less than 200 kilometers.”

“Yes.” Charlie nodded and said, “Their base is a copper mine in the coastal area of Cyprus,”

“And it is said that there is also a copper smelter in Turkey.”

“The ores produced by the copper mine are basically exported to copper smelters in Turkey,”

“And a closed loop is formed inside, making it even more difficult for the outside world to pry into the secrets.”
