**Translator:** Atlas Studios**Editor:** Atlas Studios

After a while, his deep gaze shifted away from Jiang Rongrong's hypocritical face. Then, he lowered his gaze and finally landed on his hands. He stared at them silently for a long time.

After a long while, Bo Jinchuan didn't extend his hand. The smile on Jiang Rongrong's face froze and she felt awkward.

Just as her hand was tired and numb and she couldn't take it anymore, Bo Jinchuan reached out slowly.

However, she held out her left hand.

Jiang Rongrong didn't think too much and quickly switched to her left hand.

The two of them shook hands casually.

However, the smile on Jiang Rongrong's face froze!

Then, she looked up at Bo Jinchuan. Seeing his calm expression, doubt flashed across Jiang Rongrong's eyes. Then, she forced a smile and pulled Shen Qianrou to the front.

"CEO Bo, this is my granddaughter, Qianrou. She's the flower of Lan Yun Entertainment..."

"I know."

Bo Jinchuan's indifferent voice sounded, surprising Jiang Rongrong and Shen Qianrou.

Shen Fanxing raised her head slowly as well.

Before they could rejoice, Bo Jinchuan said,

"Lan Yun Entertainment's flower vase and the chief perfumer of the Su Corporation. I've heard a lot about you."

The expressions on Jiang Rongrong and Shen Qianrou's faces froze and they could no longer maintain their smiles. The atmosphere was awkward.

Even Cai Jingyi couldn't help but blink her eyes and turn her head to the side. She couldn't bear to look at this awkward scene.

The corners of Shen Fanxing's lips twitched as she pulled Xu Qingzhi, who was laughing happily, forward.

Bo Jinchuan glanced at them but didn't move. Instead, he turned to look at Su Heng.

Su Heng frowned imperceptibly. As a man, he was born with the stubbornness to not admit defeat in front of his "love rival".

His gaze subconsciously shifted to Shen Fanxing's departing figure.

That was where Bo Jinchuan had appeared

A dangerous glint flashed across Bo Jinchuan's eyes as he turned slightly to block Su Heng's view.

Su Heng had no choice but to retract his gaze and look at Bo Jinchuan. Although he felt the need to cling to him,

“Hello, CEO Bo, I’m Su Heng.”

Su Heng extended his hand to Bo Jinchuan, but Bo Jinchuan didn’t move. Instead, he said,

“[heard that you and this... are getting married?”

Bo Jinchuan didn’t say the word ‘beauty’, but Shen Qianrou’s face turned even paler!

Embarrassed, Su Heng retracted his hand and nodded.

“Yes...”

Bo Jinchuan smiled and nodded. “Congratulations.”

She didn’t expect Bo Jinchuan to say such nice words.

Before they could recover from their shock, Bo Jinchuan had already left.

His tall figure, expensive clothes, and noble aura, as well as his indescribable aura, made one’s heart flutter.

Watching his figure disappear, Shen Qianrou felt increasingly upset.

‘The thought of how this man had once spent 100 million yuan to save Shen Fanxing made her furious!

What right did that b\*tch have?

Just as they were thinking this, there was a commotion at the door.. They looked up and saw Qina walking in with someone!

## **Chapter 512: President Shen’s Direct Disciple**

They looked up and saw Qina walking in with someone.

The woman wore a chiffon shirt and a sea-blue striped dress. Her right leg had a V-shaped slit. When she walked, her fair and slender legs could be seen. She was very beautiful.

Her small face was covered by a mask that covered her mouth and nose. She wanted to keep a low profile, but her eye-catching red lotus hair had become her personal trademark. It was discovered by passers-by immediately, causing a commotion.

They all asked for autographs and photos.

Ji Yi had subconsciously prepared to sign the contract and take a photo with him, but Qina still led her in quickly.

“Sister Qi, isn’t this bad?”

Qina looked ahead and protected Ji Yi as she walked forward quickly.

“Today is not a public gathering to begin with. You haven’t completely stabilized your social circle yet. You need to plan properly. You can’t expose too much without any preparations. Moreover, there are CEO Shen’s friends at tonight’s gathering. Their privacy needs to be protected. If too many people are attracted, there will be trouble. Just in case, you should reject them when you should in the future. There are so many fans. You can’t possibly have scruples about everyone. Do you understand?”

Ji Yi nodded solemnly and continued to follow Qi Na.

“Ji Yi... It’s really her...”

“She’s so beautiful. I love her long hair...”

“I think she wants an autograph and a photo.”

Not long after, a group of people gathered at the entrance of the entertainment club.

Shen Qianrou looked at Ji Yi with a dark expression and clenched her fists.

Jiang Rongrong’s face darkened!

Qi Na glanced at the few people blocking the corridor in front of her and retracted her gaze. She treated them as strangers.

‘When Ji Yi noticed Jiang Rongrong and Shen Qianrou, her expression changed and her footsteps stopped.

Qina wrapped her arm around her waist and pushed her forward.

‘Walking up to them, Qina said stiffly,

“Sorry, let me through!”

Upon hearing this, Cai Jingyi subconsciously moved aside. Jiang Rongrong and Shen Qianrou stood rooted to the ground.

Qina took two steps forward with Ji Yi and urged again, “Sorry, let me through.”

Jiang Rongrong stood rooted to the ground.

“What? You don’t recognize me after becoming famous? Ji Yi?”

Hearing this, Qina’s expression relaxed. She stood up and looked at Jiang Rongrong indifferently.

Before she could speak, Ji Yi spoke first.

“Sorry, I didn’t realize that the person blocking the corridor was our noble and excellent Director Jiang. How could I not recognize her? Thank you for your care. If not for you, I, Ji Yi, wouldn’t be where I am today. I should thank you properly!”

Qina laughed sarcastically. She had really inherited CEO Shen’s sharp tongue.

Noble?

Excellent qualities?

So they were stuck in the public corridor?

And the last thank you. How infuriating!

This Ji Yi's learning ability was top-notch.

President Shen's direct disciple.

Jiang Rongrong was rendered speechless. She was so angry that she closed her eyes and clutched her chest. She was speechless.

### **Chapter 513: Poor?**

Jiang Rongrong was rendered speechless. She was so angry that she closed her eyes and clutched her chest. She was speechless.

Seeing this, Shen Qianrou hurried forward to support Jiang Rongrong. She frowned at Ji Yi, unable to hide the reprimand in her gentle voice.

"Ji Yi, you've been in the company for a few years and Grandma hasn't treated you badly. Isn't it too much for you to anger her like this?"

Her voice sounded delicate, but her volume was really loud.

The voices of the fans, who had been blocked by the bodyguards, gradually became softer as they whispered and looked over.

She snorted coldly and shook her head.

Ji Yi could naturally tell that she was doing this on purpose. The more she saw Shen Qianrou's character, the more she hated her!

Apart from music, she had always been adaptable and had never studied human character.

She felt that a person couldn't be that bad. Even if she did something bad, there must be a reason.

She had never participated in private discussions between celebrities!

However, she didn't expect the world to be so beautiful.

In this world, there were too many bad people who had no reason.

Because their thoughts were fundamentally bad.

"I don't think there's anything wrong with what I said. If you're angry, why don't you think about why you're angry?"

Did they not have any sense of self-reflection? No matter what happened, once they were unhappy, it would be someone else's fault?

In addition, Miss Shen, what kind of definition is the word 'treat'?

You're used to having a smooth journey. If you don't understand anything, don't say such things.

Director Jiang is your grandmother, not mine. I naturally have a scale in my heart!

It had to be said that the Shen family felt too good about themselves! Perhaps they felt that they had become saviors after giving away a dollar to a beggar!

“So, all the artistes in your company feel that it’s your credit that they didn’t starve to death?”

After saying too much, Ji Yi paused and said,

“Previously, I didn’t like CEO Shen’s attitude towards all of you. But recently, I’ve realized that there’s a reason for her to do this! It’s just that our paths are different.”

“You... How dare you? You ungrateful thing, you...”

Jiang Rongrong’s face was filled with anger. She really wanted to tear these people’s mouths apart. What kind of people were they?!

However, Ji Yi raised her chin, her expression filled with arrogance and disdain.

“If I remember correctly, I’ve already thanked all of you just now. If Director Jiang doesn’t think it’s enough... you can eat whatever you want tonight and put it on my tab! Consider it a thank-you gift for not letting me starve to death all these years!”

Jiang Rongrong and Shen Qianrou’s faces turned pale.

Shen Qianrou put on a kind and gentle expression and said,

“Aren’t you going overboard? I’m just reminding you out of kindness. No matter what, you’re a popular public figure now. Don’t put it too harshly. Remember to leave yourself a way out...”

“That depends on who you’re talking to. Miss Shen, I’ll return the same words to you. After all, you’ve always been a public figure and you’ve recently become famous and popular!”

“That depends on who you’re talking to. Miss Shen, I’ll return the same words to you. After all, you’ve always been a public figure and you’ve recently become famous and popular!”

After Ji Yi finished speaking, the fans who had been blocked by the bodyguards started whispering.

“Isn’t that Shen Qianrou? And that old witch Lan Yun Entertainment!”

“are they bullying Ji Yi again?”

“I think so too. Isn’t that blocking the corridor?”

“Hey, Mr. Bodyguard, we’re Ji Yi’s true fans. We naturally won’t hurt her. Someone is bullying Ji Yi. Hurry up and protect her!”

The two bodyguards looked behind them and had been listening to the discussion of the fans. When they saw the scene behind them, they paused and turned to look at the fans. The fans took a few steps back and urged them to protect Ji Yi.

'The two bodyguards looked at each other before turning around and walking in Ji Yi's direction!

'The bodyguards stepped forward and pushed Jiang Rongrong and Shen Qianrou aside.

Then, he used their tall and strong bodies to shield Jiang Rongrong and Shen Qianrou.

Ji Yi curled her lips and ignored Shen Qianrou's trembling body and Jiang Rongrong's ugly expression. She turned to Qina and said,

"Sister Qi, let's go!"

Qina raised an eyebrow in surprise. This aura was not bad.

However, wasn't Ji Yi... paying too much attention to and admiring CEO Shen? Her tone and demeanor were almost identical.

"Okay."

Without hesitation, Qina led Ji Yi around Jiang Rongrong under the escort of her bodyguards.

'The group walked in majestically and was pushed by both parties. Jiang Rongrong and Shen Qianrou didn't say a word.

The fans looked at Jiang Rongrong and Shen Qianrou and snorted disdainfully.

"Look, he's a typical bully."

"She plagiarized someone else's work and is still so arrogant. How can there be such a shameless person in this world?"

"Let's go, I don't want to see them!"

After Ji Yi left, the group of fans also left.

Shen Qianrou bit her lips tightly. The matter had come to an end. She looked up at Su Heng and saw that he was in a daze. His mind was elsewhere and no one knew what he was thinking.

"Brother Heng..."

Su Heng came back to his senses and lowered his gaze to look at her. His expression was indifferent.

At this moment, Cai Jingyi, who didn't look too good, spoke first, "Alright, stop blocking the way. Let's go to the private room first."

Hence, the group entered the private room and the waiter served them tea.

Because of today's situation, Cai Jingyi and Su Bingyou didn't look too good, so they went straight to the point.

Shen Qianrou and Su Heng's engagement ceremony was set to be on the 14th of June, which was the 20th of May.

It took some time, but this was Jiang Rongrong's request.

That was the only good day recently. After discussion, the marriage certificate would be held on the 21st of May, which was the most fashionable day for young people. It would be a memorable day in the future.

Shen Qianrou was shy and her face was flushed. On the other hand, Su Heng had been distracted since the beginning.

Shen Qianrou's expression changed and her eyes were filled with grievance. She tried to hide her expression, but Cai Jingyi saw it..

## **Chapter 515: Where's She?**

**Translator:** Atlas Studios**Editor:** Atlas Studios

She tried to hide her expression, but Cai Jingyi saw it.

She turned to look at Su Heng and indeed saw his expression. She frowned and asked in a low voice,

“Su Heng, do you have any objections to this arrangement?”

Su Heng looked up and met Cai Jingyi's gaze. Under Cai Jingyi's gaze, he looked at Shen Qianrou, who was biting her lips aggrievedly. He pursed his lips and said after a long while,

Lo

Someone suddenly stepped on his foot under the table. Su Heng glanced at the warning-filled Cai Jingyi and paused before nodding lightly.

“Lhave no objections.”

Shen Qianrou's tense expression finally relaxed and a satisfied smile appeared on Jiang Rongrong's face.

Seeing that Cai Jingyi and Su Bingyou didn't look too good, Yang Liwei started chatting with them to divert their attention.

“What's wrong with this waiter? Why isn't the food served yet?”

Yang Liwei complained and Cai Jingyi frowned. “That's right. You're so proactive!”

“Su Heng, go and ask him what happened.”

Unexpectedly, just as Cai Jingyi finished speaking, she heard the sound of a glass falling on the wooden table. Then, there was a series of exclamations. Jiang Rongrong instantly stood up and patted the water stains in front of her.

Jiang Rongrong's hand paused. Her face, which had turned red after confirming Shen Qianrou's marriage, turned even paler!

The burning sensation of the tea splashing on her body gradually dissipated. At this moment, Jiang Rongrong's right hand was holding her left wrist tightly, and her pale face was covered in sweat.

Shen Qianrou exclaimed, “Grandma, are you alright?!”

How could he be fine like this?!

Su Bingyou hurriedly stood up and looked at Su Heng.

“Su Heng, hurry up and drive Director Jiang to the hospital.”

The group left the room and arrived at the hospital. Jiang Rongrong’s left hand was fractured and dislocated.

‘As she watched the doctor treat Jiang Rongrong’s injuries, she asked in confusion,

“Why did your left hand suddenly fracture?”

Jiang Rongrong pursed her lips and fell silent.

‘What could she say?

It was said that her handshake with the young master of the Bo Corporation had been broken by someone else?

Moreover, the handshake was very short. Who would have thought that such a thing would happen in such a short time?

After pondering for a long time, she still didn’t know what was going on.

‘Was the young master of the Bo family born with strange strength, or had she provoked him at some point? Or had her hand been injured previously, which was why she felt the strain and pain when she shook his hand?

There were too many possibilities, but she felt that she couldn’t have offended Bo Jinchuan.

He was puzzled.

She shook her head and said, “I might have accidentally touched something. I’m getting on in years, so the bumps and bruises will be more serious than young people.”

Cai Jingyi nodded thoughtfully and said, “That’s true. So you should pay more attention in the future. I think your injury will take at least a year to heal.”

Jiang Rongrong sighed helplessly. What kind of disaster was this?

Everything had been going wrong recently. It seemed like she had to find time to go to the temple to offer incense and pay her respects!

At Green Jade Entertainment Club, after Bo Jinchuan entered, he realized that there were only Yin Ruijue and Ji Yi in the room. Shen Fanxing was nowhere to be seen.

“What about her?”

His handsome face was expressionless, but his deep and cold voice made the few of them shiver..

His handsome face was expressionless, but his deep and cold voice made the few of them shiver.

Xu Qingzhi reacted first. She sat lazily on the chair and raised her chin.

“Urine escape.”

Bo Jinchuan glanced at her before turning around and walking out of the room.

Ji Yi and Qina sat where they were. Their expressions had changed countless times since Bo Jinchuan entered.

From confusion to confusion, to shock, and finally to shock.

“That person just now... Is he... the new CEO of the Bo Consortium?”

Ji Yi swallowed hard, her gaze still fixed on the door in disbelief.

That was because she had seen him from afar at the school celebration. His noble aura and face left a deep impression on her.

Yin Ruijue snorted. “Of course. Can there be another person like Brother Bo in this world?”

Ji Yi shook her head and muttered,

“... But why is he here?”

Yin Ruijue smiled mysteriously and went up to Ji Yi. “Why? It seems like you still don’t know.”

Ji Yi hurriedly nodded and turned to look at Yin Ruijue. She leaned closer to him and asked in a low voice,

“I don’t know. Why?”

Yin Ruijue chuckled and said, “I’ll tell you if you agree to sing with me?”

In the washroom, Shen Fanxing had successfully escaped. In less than two minutes, she stood in front of the sink, feeling conflicted.

It felt good to pee, but she still had to face the crematorium.

‘What should she do if she went out later

However, before she could even get out, she felt a powerful cold air approaching.

Finally.

She turned her head stiffly to look at the door. The familiar figure was standing there.

Shen Fanxing paused, feeling dazed.

She was really finished if she barged into the washroom!

Through the gap at the door, she saw a yellow card. Pursing her lips, she pretended not to know and smiled at Bo Jinchuan calmly.

“What a coincidence, you’re here too...”

Before Shen Fanxing could finish, Bo Jinchuan walked towards her again.

Shen Fanxing's eyes flickered and she strode towards the washroom.

With her geographical advantage, she quickly entered the female washroom. However, before she could catch her breath, there was a loud bang. Then, there was a click as the door was closed and locked successfully.

Shen Fanxing took a deep breath and looked at Bo Jinchuan. Her lips twitched awkwardly.

"Bo Jinchuan... this is the ladies' room..."

Bo Jinchuan walked towards Shen Fanxing with a dark expression.

Shen Fanxing's heart skipped a beat. Just as Bo Jinchuan was about to reach her, she rushed forward and placed her hand on his shoulder. She pushed him against the door.

Amidst the man's confusion and displeasure, Shen Fanxing's slender and soft body pressed tightly against his chest. She wrapped her arms around his neck and tiptoed to kiss Bo Jinchuan's pursed lips.

Bo Jinchuan narrowed his eyes and wrapped his arm around her waist to protect her.

Shen Fanxing's lips kept brushing against his thin and cold lips. Finally, she stuck her tongue out and pried open his lips. Without any surprise, she barged in.

Shen Fanxing's lips kept brushing against his thin and cold lips. Finally, she stuck her tongue out and pried open his lips. Without any surprise, she barged in.

After sweeping past his teeth and tongue, Shen Fanxing retreated while panting.

'The two of them were nose to nose as Shen Fanxing gazed at him. Her breath was warm, sweet and messy. Her breath intertwined with Bo Jinchuan's and his long eyelashes fluttered.

Half of Bo Jinchuan's handsome face was illuminated by the light, while the other half was dim. His dark eyes were fixated on her face.

His perfect and well-defined features made him look beautiful. However, his fair and clean face was blushing shyly.

With just a touch, her coquettishness was revealed.

Bo Jinchuan tightened his grip on her waist and lowered his gaze to look into her eyes. His voice was low and husky.

"Are you trying to please me?"

Shen Fanxing nodded and said, "To calm you down."

Bo Jinchuan remained silent.

In the silence, Shen Fanxing couldn't get a response. She raised her red lips and kissed him gently. Then, she looked at him and asked softly,

"Have you calmed down?"

"You're quite opportunistic."

Shen Fanxing smiled and moved away from Bo Jinchuan. "So you're not angry anymore?"

Bo Jinchuan's eyes darkened and the anger in his eyes didn't diminish.

Shen Fanxing pressed her lips and looked at him hesitantly.

"Actually, I did it on purpose..."

Bo Jinchuan's eyes darkened. "You seduced him on purpose?"

Shen Fanxing coughed lightly, looking uncomfortable. Her eyes darted around as she said,

"I'll give it a try..."

Bo Jinchuan tightened his grip on Shen Fanxing and said, "Try? What if you succeed? What do you want to do?"

"Of course not. I just wanted to annoy Shen Qianrou. I didn't think too much. This is the only time in my life and you saw it..."

"Just once?" asked Bo Jinchuan coldly.

Shen Fanxing frowned and said, "Of course. Who do you think I am? You're thinking of seducing me every day?"

"Demon," said Bo Jinchuan calmly.

Shen Fanxing blinked and looked at the man. "What?"

"You seduce me every day. If you're not a demoness, what are you?"

Shen Fanxing blushed and retorted, "Who seduced you every day? I didn't!"

Spare her!

Wasn't he angry?

'Why did he suddenly mention this?

Seeing her fair face turning red, Bo Jinchuan narrowed his eyes and flipped her over, pressing her against the door.

"You're still stubborn. You've seduced her again!"

Shen Fanxing's eyes widened and before she could react, Bo Jinchuan's tall and straight body bent slightly. His handsome face enlarged in front of her and her lips were captured by his.

Shen Fanxing raised her head to receive the kiss that was unique to Bo Jinchuan. She allowed him to ravage her mouth.

After a round of intimacy, the bathroom, which was already filled with air cleaner, almost became the smell of the two of them.

Confused and confused.

“What’s going on? Why did they stop using it now? This is the VIP area!”

“shh, what do you know? It’s precisely because this is the VIP area that those rich young masters might want to find some other excitement. Listen

C.1

### **Chapter 518: Did You Hear That?**

**Translator:** Atlas Studios**Editor:** Atlas Studios

Through the door, Shen Fanxing could hear the voices of the two women clearly.

She could even imagine the two of them bending down to listen carefully.

However, Shen Fanxing wasn’t overthinking. The two women were really leaning against the door to listen.

Feeling nervous, Shen Fanxing pushed Bo Jinchuan’s shoulders forcefully.

However, Bo Jinchuan pressed her tightly and kissed her even harder.

“Don’t... don’t... um...”

She didn’t even have the chance to speak before she was swallowed by Bo Jinchuan.

“There’s... someone outside...”

Bo Jinchuan didn’t listen to her at all. His hand slipped under her shirt.

Shen Fanxing couldn’t help but gasp softly. Her breath was hot and heavy.

“Ah”

Shen Fanxing exclaimed softly as her body slid down the door. Her arms instinctively wrapped around Bo Jinchuan’s neck.

She was practically hanging onto him.

Bo Jinchuan lifted her with his long arms and planted a warm kiss on her neck.

The large hand on her chest also circled around her armpit and followed her smooth skin to her back. It slid along her beautiful spine and spread to the back of her collar. He held the back of her neck and forced her to look up again so that he could kiss her again.

“Did you hear that? It’s getting heated inside!”

“I think... I think so... I think I heard kissing and panting... Oh my god...”

The blush on Shen Fanxing’s face intensified.

However, there was still a strong presence on Bo Jinchuan’s chest.

At the thought of Bo Jinchuan’s actions, Shen Fanxing didn’t feel any rejection. Instead, she felt a sense of anticipation.

If he continued to be more brazen, she probably wouldn’t reject him.

Fortunately, Bo Jinchuan let go of her.

She actually felt a sense of relief.

This was a toilet after all!

If something more reckless were to happen here, what if she thought of this in the future?

Her first time with Bo Jinchuan was in a high-end toilet in a high-end service area.

Shen Fanxing was speechless.

“Let’s go, let’s go. What’s the point of listening to them? Let’s go back to our own homes and find our own men! There’s nothing that can’t be resolved with sex!”

“Aiya, you’re really... What are you talking about?”

“You’re still shy...”

The voices of the two people outside faded away and Shen Fanxing heaved a sigh of relief.

Bo Jinchuan’s hand slid out from the back of his neck and it landed on Shen Fanxing’s waist.

He looked at her calmly with his dark eyes and said in a hoarse voice,

“Did you hear that?”

## **Chapter 519: God Is Fair**

**Translator:** Atlas Studios**Editor:** Atlas Studios

“Did you hear that?”

Shen Fanxing pressed her lips and her face turned even redder.

“I didn’t hear... Aiya... It tickles!”

Shen Fanxing pretended not to know. Naturally, she would be punished for lying.

Before she could finish her sentence, Bo Jinchuan tightened his grip on her waist and hooked his fingers around her waist.

Shen Fanxing reacted immediately.

She couldn’t help but exclaim.

Seeing that she couldn't take it anymore, Bo Jinchuan couldn't help but smile.

"You're so sensitive, huh?"

That voice was as mellow as red wine. It was too intoxicating and brought about a strong romantic atmosphere.

Shen Fanxing pursed her lips and her gaze landed on his thin lips.

Her exquisite collarbone moved slightly before she took a deep breath and pushed Bo Jinchuan away gently.

"We've been away for too long. Let's go back quickly. Don't let them wait too long."

Bo Jinchuan scanned the bathroom and frowned in disdain.

Shen Fanxing opened the bathroom door and looked around like a spy. After confirming that there was no one outside, she turned to wave at Bo Jinchuan before walking out quickly.

Bo Jinchuan's face darkened!

'Were they having an affair?

'When she returned to the room, everyone looked up at her. Even though Shen Fanxing tried her best to remain calm, she still felt uncomfortable under their gazes.

"Sister-in-law, you've been in the washroom for a long time!"

Yin Ruijue looked at Shen Fanxing with a smirk. His tone was roguish and he looked like he deserved a beating.

Shen Fanxing gave him a cold stare.

"Why isn't the food served yet?"

She said calmly as she bent down to sit beside Ji Yi.

Ji Yi straightened her back and turned to smile at Shen Fanxing.

Shen Fanxing didn't notice her as she flipped through the documents casually.

Ji Yi poured a glass of water for Shen Fanxing obediently and pushed it in front of her.

Shen Fanxing sensed it and turned to smile at her.

At that moment, the door opened again and Bo Jinchuan's tall figure appeared.

As she shifted her gaze, she happened to see Shen Fanxing smiling at Ji Yi.

Laughing wasn't a problem.

The problem was that Ji Yi's shy and timid expression made people care!

Bo Jinchuan's face darkened slightly. To others, it was akin to snow and frost.

Having been in the entertainment industry for so many years, Qina was naturally the most tactful. Her body tensed up immediately.

She raised her hand to grab Ji Yi, only to realize that Ji Yi's attention was on her boss!

She blinked and looked at Boss Bo's calm gaze on the two of them. Her heart sank!

These days, especially in the entertainment industry, she knew many unspoken rules.

She naturally knew a little about the relationship between men!

Not to mention men and women!

But this woman and woman.

There was a possibility!

For example, Ji Yi looked more dangerous to her now!

Although she didn't think in that direction at first, Boss Bo's expression today made her think in that direction!

More importantly, their CEO Shen was indeed.

It was quite attractive!

Qina glanced at Bo Jinchuan sympathetically.

Other people's boyfriend's love rival was only a man. President Shen's boyfriend's love rival was not only a man, but also a woman!

Indeed, God was fair!

## **Chapter 520: Destined to Have Countless Love Rival**

**Translator:** Atlas Studios**Editor:** Atlas Studios

Indeed, God was fair!

He had given a person glory and status, but he had to get it back from another place!

For example, Boss Bo was destined to have countless love rivals in this life!

She was afraid that she would have to pinch the rotten peach beside CEO Shen as she walked!

Pinch?

A rotten peach?

Qina originally felt helpless and ridiculous, but when she thought of Ji Yi, she couldn't laugh anymore!

Just as she was about to remind Ji Yi, Bo Jinchuan had already sat down beside Shen Fanxing!

Shen Fanxing's exquisite brows twitched slightly. At this moment, the waiter knocked on the door and entered to ask if the dishes were ready. Yin Ruijue said, "Hurry up." The dishes were served one after another and soon, the table was full.

Ji Yi was shouted at by Yin Ruijue and turned around. It was unknown what Yin Ruijue said to her, but Ji Yi's face turned red from the teasing and she kept rolling her eyes at him.

Qina heaved a sigh of relief and greeted Bo Jinchuan first.

Bo Jinchuan glanced at her calmly. After a long while, he nodded imperceptibly.

After giving Ji Yi a look, Ji Yi glared at Yin Ruijue before turning to greet Bo Jinchuan!

Separated by Shen Fanxing, this was the first time Ji Yi had seen Bo Jinchuan up close.

The moment she entered, she glanced at him in a daze. She felt that he was not someone she could cling to. After a quick glance, she quickly retracted her gaze.

In the end, when she saw his handsome face up close, as well as his strong presence that couldn't be ignored, she felt a strong sense of oppression.

Ji Yi gulped and looked at Bo Jinchuan nervously.

"Hello, Mr Bo! I'm Ji Yi, I'm..."

"Tsk, ts, ts. Look at her courage. Brother Bo won't eat you..."

Qina pursed her lips and thought, Mr. Bo might eat people!

Yin Ruijue's teasing words made Ji Yi choke. She turned around and glared at Yin Ruijue angrily.

"Ha."

Yin Ruijue looked at Ji Yi's wrinkled face and couldn't help but chuckle softly. He couldn't hide the interest in his eyes.

Bo Jinchuan narrowed his eyes and his gaze lingered on Yin Ruijue for a while before he glanced at Ji Yi.

Cen Bo's lips curled into a faint smile.

Sensing Ji Yi's shyness, Shen Fanxing turned to her and said softly,

"Don't be nervous and relax. Besides, today is your... Forget it, just treat it as a normal gathering!"

Seeing Ji Yi's fearful expression, Shen Fanxing swallowed her words. She was afraid that she would be even more nervous.

Shen Fanxing spoke softly, especially to Ji Yi, as though she was protecting her.

This made her look gentle.

Bo Jinchuan frowned and took a sip of his tea before looking at Shen Fanxing and Xu Qingzhi.

Worry gradually crept onto her beautiful and calm face.

Bo Jinchuan's eyes darkened slightly. This woman was so seductive even when her expression changed.

"Qingzhi, are you alright?"

Xu Qingzhi leaned lazily on the chair with her hands on the armrest. Her face was pale..
