

Chapter 5114

Charlie asked again: "In your impression, what are the anti-counterfeiting features of the antidote?"

"Every letter of medicine is opened in front of us and handed out to us,"

"But the wax used to seal the wax paper is reheated every time."

"The pattern on it no longer exists, so I don't know what the sealant looks like on the original medicine seal."

Charlie nodded lightly, and said: "In this way, they want to steal the sky and change the day without showing anything."

"And then cheated the Commissioner, it should be impossible."

"If I find a link in the middle to change the medicine, it will inevitably destroy the original anti-counterfeiting mark to a certain extent,"

"And wait for the Commissioner to get the medicine. He will realize something is wrong immediately."

"Yes." The man agreed: "We don't know how many anti-counterfeit marks will be on the medicine seal,"

"It may be more than just wax seals, as long as there is a slight negligence, they will know."

"Hearing this, Duncan couldn't help saying with regret:

"If you can really detoxify the body of these more than a thousand dead soldiers and more than two hundred Cavalry Guards,"

"Even if you don't take them for your own use , once they escape,"

"It will be enough for this organization to drink a pot, thousands of people escaped,"

"And they can't be caught, and they will definitely be in chaos."

Charlie couldn't help laughing: "Actually, it doesn't matter to the organization even if all these thousand people run away."

"After all, this is just one of their many dead soldiers' camps."

"Even if they are all uprooted, it won't hurt. If one or two people ran away,"

"In order to keep the station, they would definitely pursue it desperately,"

"So as not to leak the secret, but once the entire station ran away,"

"The station would be of no value to them. It's fine to just give up the station, for them, it's no trouble."

Charlie said again: "It's like the United States has so many military bases around the world,"

"If any of them are taken over by others, For the United States, apart from making the White House tense,"

"Angry, and painful, it will not bring any real harm to the overall national strength."

Duncan was slightly startled, then nodded and said:

"Master Wade is right, The power of this organization is beyond imagination, and the escape of a mere resident may not be a big deal."

Charlie smiled playfully, and said casually: "Since there is no way to hide it from Commissioner,"

"Then just turn him into one of our own. , In this way, we can truly realize deception!"

The leader Cavalry Guards asked puzzledly: "Mr. Wade, how do you plan to realize this idea?"

"The Commissioner is the chief official of the border organization in the organization."

"Even has the power of life and death, how can such a person become one of your own?"

Charlie smiled and said lightly: "You don't have to worry about this, as long as I see him, I can make him obey me."

Using spiritual energy to brainwash a person is Charlie's tried and tested method.

If he can brainwash the Commissioner of Cyprus, let him become his own puppet,

And then take advantage of the opportunity to detoxify the body of all the dead soldiers and Cavalry Guards,

Then he can let these dead soldiers and Cavalry Guards join his command,

And at the same time Let them continue to stay in Cyprus,

And become a puppet Commissioner, and continue to act as normal for the organization.

In this way, not only can they disintegrate one of their stations,

But they can even place an eye under their noses.

Once the organization has a mission to Cyprus, they can know it immediately.

Thinking of this, Charlie asked them: "If the dead warriors and the Cavalry Guards are really eager to break the shackles as you said,"

"I can give them this chance at that time, but the premise is that they must swear allegiance to me and join us. Cataclysmic Front,"

"If they agree, they will stay in the station after detoxification and prepare for the complete destruction of the organization, do you think they will agree?"

May 47 said without hesitation: "Don't worry, Mr. Wade, I believe that among all the dead No one will refuse!"

The leader of the Cavalry Guards said with some concern: "Mr. Wade, to tell you the truth,"

"In the team of Cavalry Guards, there are already some people who have the idea of continuing to climb up."

"Their hearts, are very close to the organization, and only want to make contributions to the organization so that they can go to a higher level."

"If these people are not eliminated, I am afraid that bad things will happen in the future."

Charlie nodded and said calmly: "These are good Solve it, when the time comes, you only need to do a little trick to get these people to show up."

He then asked, "When will they deliver the medicine next time?"

"Four days later." The leader of the guards said: "Under normal circumstances, we will take the next round of antidote five days later."

"The medicine will usually arrive the night before taking the medicine."

"The next day they just concentrate on taking the medicine."

Charlie asked: "The medicine, like other supplies, is shipped from Turkey, right?"

"That's right." The other party nodded and said:

"Other living supplies will also arrive in Cyprus along with the transport ship. "

"Okay." Charlie smiled slightly: "I will go there alone in four days."

Then, he looked at Joseph again, and said: "Joseph, you should prepare in the next few days."

"Lead people to wait for my news on the high seas, and once I solve the problem, you will lead people to the land and take over the copper mine with me."

Joseph said without hesitation: "Okay, Mr. Wade, your subordinates will definitely do their best. go!"

Charlie nodded and said: "I need a few days to prepare the antidote for thousands of people."

"After four days, I will fly directly to Beirut."

"Joseph will prepare a small boat for me in advance. I will be alone to cross the sea to meet them!"
