

Chapter 5141

Hearing Charlie's words, these twelve people then dispelled their doubts, while still having some vague excitement.

Originally, the antidote was to be taken once every seven days,

But now it was about to be extended to fifteen days,

To them, this was definitely a good thing to celebrate.

When Charlie saw that the twelve people had already jumped up and down,

He took out the twelve antidotes and handed them to them one by one, saying indifferently,

"In five minutes, you will meet me in the next office one by one in the order in which the pills are given out."

After saying that, he added: "By the way, Lord attaches great importance to this new antidote,"

"So if you have any different feelings from the previous antidote during the trial,"

"You must give me detailed feedback, and if there are any significant discoveries,"

"I will definitely claim credit for you to Lord!"

All of them nodded respectfully, then looked at each other,

Picked up the antidote together and put it into their mouths.

Charlie did not stay where he was but came out of the meeting room directly while closing the door behind him.

In a few dozen seconds, these Cavalry guards would realize that this antidote,

Would completely eliminate the severe poison in their bodies.

At that time, whether they chose to conceal it or choose to inform on,

It would depend on each of their inner inclination towards the Warriors Den.

Just as Charlie returned to the office next door, the twelve people in the conference room,

Immediately noticed that something was wrong.

One of them was the first to open his eyes and exclaimed in a low voice:

"Gentlemen, why do I feel that the severe poison in my body has disappeared? Could it be my illusion?!"

Another person immediately said, "Mine has also disappeared,"

"..... is indeed gone, it should not be an illusion!"

"Me too!" Another person said excitedly, "Gentlemen, could it be that this new antidote has some kind of bug?"

"It must be!" A man with short hair sitting in the middle said with unconcealed excitement,

"No matter what kind of bug he has, now that this antidote has lifted the severe poison from our bodies,"

"Does this mean that we no longer have to be forced to listen to the organization's control?"

The man sitting next to him hurriedly asked, "You're not thinking of betraying the organization, are you?"

"If the organization catches us, I'm afraid we'll be worse than dead!"

The short-haired man who spoke earlier immediately retorted,

"What are you afraid of? As long as we don't talk nonsense and tell the envoy,"

"That there is nothing unusual about the antidote, he will definitely give the antidote to others as well!"

After a pause, the man added: "Don't forget, we have more than two hundred Cavalry guards,"

"Hundreds more family members in the family area, plus thousands of dead soldiers below the copper mine!"

"If the severe poison in everyone's body can be completely lifted,"

"Neither the commissioner nor the guards around him can be a match for so many of us,"

"And even if we add that special envoy to the mix, it can't be stronger than us!"

"At that time, we can completely control them and then occupy the entire copper mine!"

Immediately, one of them asked, "What is the significance of occupying the entire copper mine for us?"

"Once the organization knows that this place is out of control,"

"They will definitely send people to besiege us!"

"What's the fear of a siege? The short-haired man gazed like a torch and said in a cold voice:

"Don't forget that they used to control us by the antidote and the severe poison in our bodies!"

"Do you guys think I didn't want to resist them for so many years?"

"I am willing to give my life to resist them, only that they simply don't give us the chance to duel head-on,"

"And as soon as they stop the supply of the antidote,"

"In seven days at most, all of us will definitely die!"

Chapter 5142

Speaking of this, he said with a firm expression:

"As soon as the poison in everyone's body is solved,"

“Then we will organize everyone to ask their opinions if they are willing to resist the organization,”

“Then we will use this as a stronghold and fight the organization to the end;”

“If they tend to escape from the organization’s control,”

“Then we will leave Cyprus overnight and flee for a global scattering!”

“There are so many people fleeing at once, even if the organization wants to hunt them down,”

“I’m afraid it’s difficult to chase them over,”

“As long as everyone escapes to be able to remain as anonymous as possible,”

“I believe that there must be some people who can survive and live freely!”

After that, he looked around at the crowd and said impassionedlly,

“Think about it, our ancestors fought their way from the dead to the Cavalry,”

“And have not been able to regain their freedom for hundreds of years,”

“And this bug in the new antidote is our best chance,”

“And it’s a great opportunity that will be fleeting!”

“Once they find out about the bug, then we don’t stand a chance!”

“Do you all really want our children and grandchildren to be forever shackled by this unbreakable poison as well?”

The short-haired man’s words caused the crowd around him to leap forward a bit.

One of them clenched his fist and said with clenched teeth:

“If we don’t seize this opportunity, our future generations will be controlled by this poison for hundreds of years!”

“Since this is a once-in-a-lifetime opportunity, we have to seize it no matter what!”

After saying that, he looked at the short-haired man and said firmly,

“Just say the word on how to do it, my brother, this life, from now on is at your command!”

“Yes, the Right flag chief, we all listen to your command!”

The others have also taken a stand at one time or another.

The short-haired man said with relief, “Good! Since we are all willing to put up a fight,”

“Then we will first set a plan, the top priority right now,”

“Is absolutely not to let that envoy know that there is a problem with this antidote,”

‘So later when he finds us a separate meeting, we must unify the caliber,”

“Say that no problems were found as well as any abnormalities,”

“So that he will definitely let the next batch of people come over to test the medicine,”

“What we have to do is to seize the time before they are brought here,”

“It is to tell them about these situations before, so that they are also the same as us, do not reveal any clues!”

Saying that he gave a slight beating, and continued:

“In addition, I guess that envoy can not always be here,”

“Waiting for all of us Cavalry Guards to test the medicine,”

“And after the Cavalry Guards more than thirty people in charge at all levels to test the medicine,”

“He will definitely distribute the medicine to us,”

“So that we can give our respective men to distribute the medicine,”

“So after we go back, we have to tell the respective men in advance. “

The people immediately nodded and said, “No problem! We all listen to you!”

The short-haired man added: “Later on, while the other two groups are testing the medicine one after another,”

“I have to go down to the mine to meet with a few elders of the dead soldiers and tell them about this,”

“So that they can fight alongside us! We are all from the dead soldiers,”

“They have not even had the chance to see the sunlight so far,”

“I believe that this once-in-a-lifetime opportunity, they will definitely grasp it with all their might!”

According to his plan, everyone would first take care of the other 20-odd Cavalry guards,”

“Then split up to take care of the other Cavalry guards under their respective command,”

“And finally mobilize the dead soldiers, so that it would be effortless to take the entire copper mine.

However, these people did not know that all the contents of their discussion had entered Charlie’s ears word by word.

The corner of his mouth wiped a smile of appreciation,

Chapter 5143

This person’s courage and strategy, are clearly superior to several other people,

And more importantly, his hatred for the Warriors Den did not decrease,

Because he became a Cavalry Guards, his bloody nature is still there.

At this time, his heart for the subsequent arrangements after the occupation of this copper mine has been somewhat clear.

Soon, the first Cavalry guard who got the antidote from Charlie's hand stepped to the office door.

He knocked on the door and said respectfully,

"The Right flag chief of the Cavalry Guard requests to see Lord Special Envoy!"

Charlie gave a hmph and said indifferently, "Come in!"

Then, the door of the room was gently pushed open and a middle-aged blond man stepped into the office.

Back when he first saw the twelve people, Charlie had noticed him,

He looked more like a western face, but had a few Asian features, thought he should be a mixed race.

Wrapped in black robes, Charlie was sitting behind a wide solid wood desk,

Looking at the middle-aged man in front of him, and asked, "Did you take the antidote?"

The middle-aged man hurriedly said, "Back to Lord Envoy, it has been eaten."

Charlie nodded slightly and asked,

"How do you feel? Did you find anything unusual?"

The middle-aged man said without thinking, "I feel fine, I didn't find any abnormalities,"

"And I can obviously feel that after taking the medicine this time,"

"The suppression of the toxins in my body is a bit stronger,"

"So I think it shouldn't be a problem to last for fifteen days."

"Good." Charlie nodded and smiled playfully, then asked:

"By the way, in the Cavalry guard, what position do you hold?"

The man immediately said, "Back to Lord Envoy,"

"This subordinate is the right flag chief among the three banners of the Cavalry Guard,"

"And oversees the entire right banner."

"Right flag chief." Charlie repeated and asked curiously, "What is your lineage?"

The man said: "Back to the envoy, the subordinate's lineage has been difficult to verify,"

"According to what I know, there are Chinese, Japanese, British, German, Russian, and several South American countries' lineage,"

"My earliest ancestors are Chinese, but from a hundred years ago,"

"The dead added many other races, so the lineage has become more and more confusing."

Charlie was secretly surprised in his heart,

It seemed that after so many years of development of the Warriors Den,

The bloodlines of the dead soldiers had diversified long ago.

Then, he waved his hand to that person and said,

“Alright, go down first and let the next person in.”

The man said respectfully, “Your subordinate follows orders!”

Soon, a second person knocked on the door of the room:

“The chief of the Cavalry internazionale seeks to see the envoy!”

Charlie said, “Come in,” and the man hurriedly stepped into the office.

He closed the door, came in front of Charlie, and said respectfully,

“Greetings, Lord Special Envoy!”

After saying that, he looked at the special envoy and others who were standing motionless around him,

And bowed to the commanding officer respectfully, “Greetings, Lord special envoy!”

Charlie opened his mouth and asked him, “Have you taken the antidote?”

The man said, “Back to the envoy, I have taken the antidote!”

After saying that, he hurriedly lowered his voice and said in a flattering manner,

“Lord envoy, I have two important things to report to you!”

Charlie raised his eyebrows and said indifferently, “You can say what matters.”

The man hurriedly said, “The first thing is, there is something wrong with this medicine!”

Charlie asked curiously, “What’s wrong with the medicine?”

The man explained: “Back to Lord Envoy,”

“After taking this new antidote, all the toxins in my body have disappeared!”

Chapter 5144

Charlie pretended to be surprised and chided: “What nonsense,”

“The new antidote is specially prepared by Lord for you personally,”

“In order to be able to extend the interval between each dose,”

“So that you can complete more difficult tasks,”

“Its effect is to make the time of toxin attack in your body from 7 days to 15 days,”

“How can it make all your toxins disappear?”

The man said with an anxious face: "Oh, Lord Envoy, everything I said is the truth,"

"Not only the toxin in my body disappeared, but the other 11 people's toxins also no longer exist!"

This involves the second thing that I want to report to you."

"Just now, the Right flag chief Leroy Li has called on us to seize control of the copper mine,"

"And even wants us to work against the organization."

Charlie slightly paused for a moment, then curiously asked:

"Why are you telling me this?"

"Didn't you ever think about breaking away from the organization's control?"

When that person heard this, he thought that Charlie was deliberately testing his loyalty,

And immediately turned pale with fear, and hurriedly waved his hand to explain:

"Please be clear, Lord Envoy, I am loyal to the organization,"

"I have no desire to betray! In addition, I was able to reach this post step by step to today, to become the chief of the flag here,"

"All the opportunity is given by the organization, I would rather die than betray the organization!"

Charlie smiled and said, "They all say that although the Cavalry Guards and the dead soldiers are obedient to the organization,"

"They are full of hatred towards the organization,"

"And are always thinking of breaking away from the organization's control."

Now it seems that this is not true.

The man immediately took a step forward, bowed ninety degrees,

Put his hands on his head, and respectfully said,

"Lord Envoy, the fact that I am here today is the result of the joint efforts of my ancestors,"

"So how can I fail them for so many generations and so many years."

Charlie laughed: "Haha! You are indeed a moldable talent!"

"This is a new poison specially prepared by Lord to test your loyalty."

"At first glance, this poison seems to have completely lifted the toxin in your body,"

"But in reality, he only let the toxin hide temporarily,"

"So as to test which of you has a mutinous intention towards the organization,"

'And who has a loyalty towards the organization!"

The man's expression was horrified but soon replaced by an uncontrollable excitement and thrill.

He could not hide his joy and said out of the blue,

"I was just wondering, with Lord's holy wisdom, how could he have formulated such a southward antidote,"

"But I never thought that Lord would be so wise!"

Charlie nodded and said indifferently: "I'm not going to hide it from you,"

"Lord has always known that the vast majority of you Cavalry Guards as well as dead soldiers lack loyalty to him,"

"And are even full of hatred, he moved this idea, and not to find out those traitors who intend to mutiny,"

"But through this means, to dig out a moldable talent like you! "

The first time I saw you, I was able to get to the top of the list.

The man was overjoyed and knelt on the ground with a poof and kowtowed,

"Thank you for the promotion, Lord Envoy!"

Charlie stretched out his hand to signal him to get up,

And then continued to set him up again, smiling and asking,

"According to your understanding, how many other people like you,"

"Are truly loyal to the organization in the Cavalry Guard?"

The man thought for a moment and spoke, "There aren't many people I can identify,"

"But at the very least, there are a dozen! They are all loyal to the organization,"

"And they all hope to make themselves, as well as their families,"

"More valued by the organization through their own efforts."

"Good!" Charlie nodded and admonished, "After you go out from here,"

"Don't let the other eleven people see any clues,"

"Then you go to the people you think will definitely not betray the organization,"

"And quietly tell them the truth about the antidote,"

"And ask them to hold the towel in their left hand when they take the medicine later,"

"So that I can recognize it at a glance, and remember not to let any word out."

The man did not think twice and said, "Don't worry lord envoy, I'll go do it!"

Chapter 5146

Charlie nodded and said frankly: "You're right, it's impossible for the Warriors Den,"

"To come up with this kind of real antidote, and even if they could, they would never do it."

Leroy subconsciously asked, "Then why are you"

Charlie looked at him and laughed: "Because I'm not a special envoy at all,"

"And I'm not a member of the Warriors Den, but an enemy of the Warriors Den!"

Leroy was shocked and said offhandedly, "This how is this possible"

After saying that, he couldn't help but look at the envoy standing on both sides as well as the envoy's personal guards,

And couldn't help but ask Charlie: "Could it be that they are all your people as well?!"

Charlie waved his hand: "They are not, I came here by myself tonight,"

"They are just controlled by me with a psychological suggestion."

After saying that, he said to Leroy: "By the way, I came today and brought several thousand antidotes that can completely release the toxins in your bodies,"

"Which can completely free all your Cavalry guards and all your dead soldiers,"

"From the grip of the severe poison in the bodies."

"In addition, I have heard what you just talked to them in the next room,"

"Although courage is commendable, but the strategy is still a little short!"

"If you people choose to stay here and hold on to this copper mine,"

"It's only a matter of time before the Warriors Den will attack and kill all of you;"

"If you people escape, then the Warriors Den will definitely kill you one by one,"

"Without leaving any future problems, it's also just a matter of time!

"Only, the latter lingered a little longer than the former."

Leroy was silent for a moment, looked at Charlie, and opened his mouth to ask:

"Then I dare to ask, you came here today with the antidote, can you give us people a third choice?!"

"Of course!" Charlie looked at him, nodded approvingly, and said aloud,

"I came here today to do three things! One is to control the special envoy,"

"As well as the envoy here without bloodshed, as you can see, which I have already done."

Saying that Charlie gave a slight beating and continued,

"As for the second thing, it is to remove all the toxins from all of you without the Warriors Den noticing,"

“But the premise is that none of you can escape and must stay here to cooperate with me,”

“And follow my orders anytime and anywhere.”

“And the third thing is for you all to stay here and cooperate with me both inside,”

“And outside after the poison is removed, in preparation for the complete annihilation of the Warriors Den!”

Leroy frowned, then said with a serious face: “Since you want to be the enemy of the Warriors Den,”

“You and we have a common enemy, are our comrades, and you are willing to lift the poison in our bodies,”

“Then you are our benefactor, as long as you can no longer control us like the Warriors Den,”

“I, Leroy Li, am willing to follow your lead!”

Charlie blandly said: “Since I brought the antidote that can completely lift the poison in your bodies,”

“I naturally won’t use such underhanded means to control you to work for me as the Warriors Den did.”

“What I need is for you to work together with me as comrades in arms to uproot the Warriors Den,”

“And I promise you that after the Warriors Den is eradicated, all of you will be completely free,”

“At that time, where you want to go and what you want to do is your freedom,”

“And I, Charlie Wade, will never interfere!”

Hearing these words, Leroy’s whole body was already a bit excited!

Charlie’s words unleashed three huge surprises for him.

The first surprise was that they could all be completely relieved of the poison in their bodies,”

“And would no longer be shackled by it for the rest of their lives!

The second surprise was that Charlie shared a common goal with them,

Which was to eradicate the Warriors Den, originally he never thought he was capable of uprooting the Warriors Den,

But Charlie’s profoundness made him subconsciously feel that by following Charlie,

The chances of success would be infinitely greater!

As for the third surprise, it was the promise of freedom that Charlie gave him!

This was the key to changing the miserable fate of these people for hundreds of years!

All of their ancestors, all of them longed for a free body.

But after so many years, countless people gave their lives for the Warriors Den,

And were even killed by the organization itself, but none of them gained freedom in the true sense.

Some of the guards and their “scholar” descendants have indeed gained relative freedom by working for the Warriors Den,

But as long as the poison remains intact, freedom remains firmly in the hands of the Warriors Den.

A bird in a cage has no freedom, and a parrot with a chain around its ankle has no freedom either.

Therefore, the latter kind of conditional freedom has also been Leroy disliked.

If he had the chance, he would be more willing to fight to the death against the Warriors Den,

Even if he died in the end, it would be a good death.

However, although he had such a mind, he was not a reckless man,

And he knew very well that if he just went against the Warriors Den regardless of everything,

It would basically be to send him to his death for nothing.

Until a few minutes ago, Charlie’s antidote, let him ignite the confidence to fight to the death.

And after Charlie said his true purpose, his confidence is a few points more points up!

At this thought, without thinking, he knelt down on one knee,

Clasped his hands together, and said devoutly, “If you can keep your promise,”

“I, Leroy Li, swear by the name of all my ancestors that I will follow you until the Warriors Den completely disappears from this world!”

Then he suddenly changed his mind and said, “No! I will follow you to the end of my life and serve you,”

“As long as you can give my descendants freedom, I will be able to smile and have no regrets in this life!”

Charlie nodded and said indifferently, “I will naturally keep my promise,”

“Not only to you but also to all the dead soldiers and Cavalry Guards who are controlled by the Warriors Den.

Chapter 5147

Charlie’s promise made Leroy’s heart stir and surged.

He knelt on the ground, looking up at Charlie with blood in his eyes,

And asked excitedly, “Sir, what should I do next, please let me know!”

Charlie’s gaze was like a torch, and he said in a loud voice:

“I have already controlled all the fighters and important personnel here,”

“And you, the Cavalry Guards, are the ones who have the highest say here.”

Leroy said with an astonished expression, “Sir, please forgive me,”

“The Cavalry Guards have been suffering from the Warriors Den for a long time,”

“But they have not had the chance to break away from their control,”

“Now that you have given us a once-in-a-lifetime opportunity,”

“I believe that all the Cavalry Guards will definitely follow your footsteps and do the bidding to defeat the Warriors Den! “

Charlie shook his head and said indifferently,

“You have courage, strategy, and backbone,”

“But it seems that you are still lacking a few points of understanding of human nature.”

Saying that, Charlie said with a cold expression, “You don’t know, that flag chief just now,”

“He has told me the real situation of the antidote, as well as your plan word for word,”

“Compared to fighting against the Warriors Den, or dying,”

“He would prefer to stay in the Warriors Den, and work his way up.”

Leroy’s eyes widened and he blurted out, “Sir is this true?!”

“Of course.” Charlie nodded and informed him of the conversation,

That he had with that middle banner chief just now.

After hearing this, Leroy immediately became furious and said through clenched teeth,

“This damned man, how dare he try to betray the entire Cavalry Guard!”

“I must kill him with my own hands!”

Charlie said indifferently, “There must be a few people like him in the Cavalry Guard!”

With a slight beating, Charlie added: “According to him,”

“There are at least a dozen people he can identify, and those who are ambiguous,”

“Or temporarily wavering but will choose to betray the Cavalry Guard,”

“At the critical moment, the add up to not be underestimated!”

“Now I want all of you Guards and all dead soldiers to unite,”

“And pretend that nothing has happened, and become a steel knife inside the Warriors Den!”

“But, to achieve this goal, you must make sure that no traitors exist within you people!”

“Otherwise, once one of you tries to inform the outside world,”

“It may bring you all a death sentence!”

Leroy said without thinking, “Sir, don’t worry,”

“I will immediately bring someone to arrest him and force him to reveal the names of all the others,”

“So that all these people will be eliminated!”

Charlie waved his hand: “So far it is also very inappropriate,”

“Because this matter is likely to have a leak of fish, I have arranged this matter,”

“He does not know my true identity, and he also believed my words,”

“I have asked him to secretly mobilize those who are like-minded with him,”

“I believe that those people will also help him to bring in other wavering people.”

“At that time they will hold the towel in their left hand,”

“All you have to do is explain the situation to the people you absolutely trust,”

“And when I go to issue medicine for all the Cavalry later,”

“You will use my dropping the cup as a signal to arrest,”

“All the people who hold the towel in their left hand!”

Hearing this, Leroy immediately said with a convinced face, “Good idea, sir!”

“With your method, it is surprising that we can catch all of these people, without leaving a single one!”

After saying that, he suddenly remembered something and hurriedly asked Charlie again,

“Right sir, what are you going to do with this gang?”

Charlie asked him, “Do you have any good ideas?”

Chapter 5148

Leroy said with a firm expression, “I think, these people ignore the tragic experience,”

“And bitter hatred of their ancestors, only care about their own interests,”

“And even go so far as to betray their comrades who fought side by side,”

“Their hearts should be put to death!”

“What is the difference between these people and the traitor Wu Sangui,”

“Who let the Warriors Den into the country and even killed the Southern Ming Emperor Yongli with his own hands?”

Charlie did not expect that when Leroy mentioned traitors, he was thinking of Wu Sangui from hundreds of years ago.

However, he quickly understood the reason for it.

The ancestors of these Cavalry Guards, there should be many of them were Southern Ming people,

Southern Ming was the last dynasty of Han people, for the Han people at that time,

Wu Sangui was the most traitorous traitor in this world.

Not only did he put the Warriors Den into the country for his own glory and wealth,
Taking away the rivers and mountains of the Han people,
But he even acted as a pawn for the Warriors Den,
Committing many unforgivable crimes against his own countrymen and clansmen.

What is even more outrageous is that this man, who was originally a minister of the Ming Dynasty,
Personally captured the last emperor of the Southern Ming Dynasty, Emperor Yongli,
And killed him with his own hands after surrendering to the Warriors Den,
An act of regicide that is not uncommon in the 5,000 years of Chinese history.

Therefore, this person can almost be counted among the Han Chinese's biggest traitors.

However, at this time, Charlie waved his hand to Leroy and said,
"Although I agree with your evaluation of these people,"
"I do not agree with your punishment of these people."

Leroy asked, "Sir, what do you think is wrong?"

Charlie said lightly: "It is always easy to kill, but most of the time,"
"Killing is a lack of sufficient justice, you are after all only a group,"
"Not a sound society, you want to kill them, firstly, it is impossible to rely on,"
"Secondly, it may not be able to fully convince the public,"
"In case your behavior gives others a 'those who go against me die! ' feeling,"
"Then for the others, what is the difference with being controlled by the Warriors Den?"

Leroy froze and asked him, "Sir, what do you mean then?"

Charlie said indifferently: "Once today's goal is achieved, you are in a practical sense out of the control of the Warriors Den,"
"And I am not your new master, but only reached a fair agreement with you,"
"The content of this agreement is that I provide you with the antidote,"
"You fight against the Warriors Den with me,"
"Once the Warriors Den is eradicated, this agreement will be naturally terminated,"
"Therefore, while your general direction during the survival phase of this agreement,"
"You will have to follow the agreement with me,"

“But within you, you will need to establish a credible internal order,”

“And any internal matters should be able to convince the public when making decisions.”

Speaking here, Charlie paused and continued, “Once this credible internal order is established,”

“This set of order is equivalent to your internal basic law,”

“The behavior of all people, are subject to this set of basic law,”

“And you have to ensure the fairness of this set of laws,”

“To ensure that it applies to each and every one of you;”

“As for those who intend to betray the Cavalry Guard,”

“They should be punished with this set of basic laws after it is established,”

“That way they can be convinced in the true sense.”

At this point, Charlie looked at Leroy and said in a serious tone,

“If you really want to kill them, it must be everyone’s intention to kill, not just yours.

Leroy remained silent for a long time, with a grateful face said:

“Sir, your meaning, subordinate understands!”

Charlie hmmm, faintly said: “you go down first to prepare, find you completely trustworthy people,”

“Tell them these situations, let them be prepared, for the people behind,”

“I still have to meet one by one, to see if there are still the same people as that flag carrier,”

“If there is, I will also let them hold a towel in the left hand to facilitate the distinction,”

“Then you will lead people to deal with them!”

Chapter 5149

After Leroy left the office, Charlie did not let the next person come in immediately,

But took out his cell phone and sent a message to Joseph,

Asking him to land immediately according to the original plan and wait around at the back side of the copper mine.

At this time, Joseph had already brought the elites of the Cataclysmic Front,

As well as those seven Cavalry guards, five-four-seven and others, to the Cyprus coastline by boat.

According to Charlie’s orders, they moored at a location less than ten kilometers from the coastline and waited.

And in the two hours that followed, Charlie did as he had shared,

And interviewed the remaining Cavalry Guards' heads of various ranks.

This also allowed him to test out four more treacherous people one after another who,

Like Shane Ma, intended to rat on the organization in exchange for its approval.

And Charlie continued to use the same rhetoric he used when he snubbed Shane,

Making them think they had taken great credit and sending them off to develop their own underlings,

Making sure that all of their people, at a later stage of public dosing,

Held a towel in their left hand so that Charlie could identify them.

At this moment, more than two hundred Cavalry guards, have invariably divided into two camps.

Those who were willing to follow Leroy and others to fight against the Warriors Den,

And for freedom were ready to take over the entire copper mine.

However, there were still some Cavalry guards who could not wait to prove their sincerity in this "test".

They were all gathered in Shane's office, and Shane couldn't hide his excitement,

As he told them what had happened before and then said with great enthusiasm:

"Today, thanks to my cleverness, I found something strange in the antidote,"

"And only then did I inadvertently pass Lord's test,"

"In case I had a brain fever and was like Leroy and the others,"

"Who wanted to take advantage of this opportunity to leave the control of the organization."

"I'm afraid we'll all be finished!"

These people who were chosen by Shane were just as eager as he was to climb higher,

And higher in the organization, so after hearing what had happened, they were all both grateful and excited.

In their opinion, to successfully pass the test of the Lord was a huge opportunity in itself,

And by seizing this opportunity, everyone would definitely be able to receive the organization's commendation.

So, a group of people excitedly expressed their loyalty to Shane,

And one of them said excitedly, "Lieutenant Banner Chief, oh no, the future Lord Commander,"

"When you soar to greatness in the future, don't forget us, your loyal men!"

Shane laughed and patted his chest, "Don't worry, brothers, we will seize this opportunity today,"

"And the important positions of the entire Cavalry Guard will definitely be ours."

“Important positions are not assumed, certainly give priority to us loyal subjects who have passed the test,”

“By then, we can all overall go further!”

Once the people heard this, they were even more excited,

And each of them already started to calculate in their hearts,

Calculating what kind of huge rewards they could reap after this test.

At this time, the chairman’s voice came out from the radio:

“Attention all Cavalry guards, gather at the staff auditorium in ten minutes,”

“The special envoy will distribute the latest antidote for everyone!”

When Shane heard the broadcast, he stood up excitedly and said ambitiously,

“Brothers, the time has come to build a career! Everyone, go back and take a towel,”

“And hold it in your left hand, after the Lord Special Envoy sees it,”

“He will know that we are all absolutely loyal to the organization!

Someone asked him, “Brother Ma, is it not a bit strange for us to hold a towel in our hands,”

“In case others ask, how should we answer?”

Shane said casually: “What do they do if someone asks, say the weather is hot,”

“Have a towel to wipe sweat, as for them to believe you do not care, anyway it is just a towel, what can they guess?”

Chapter 5150

After all, even if they take the antidote, the poison in their bodies will not really be lifted,”

“And when the envoy speaks the truth, they will still have to behave?”

“At that time, even if they know that we have already shown our heart to the envoy,”

“So what? In any case, they will either be executed or put under our command, so what are you afraid of?”

The man immediately realized and said, “Brother Ma is wise!”

“It seems that today is really a good opportunity for our brothers to soar to great heights!”

“Everything depends on Brother Ma’s guidance, and we will definitely listen to your orders in the future!”

Shane nodded in satisfaction and said smilingly:

“With these words from my brothers, it is not in vain.”

“Everyone hurry back to prepare towels, we will see you in the staff auditorium!”

.....

Just when all the Cavalry guards started to prepare to go to the staff auditorium, Joseph and his group had successfully landed and quietly went around the back side of the copper mine.

Charlie ordered the special envoy, Reverend, and the two sectional ambassadors, To personally go to meet them and bring the group directly to the office building.

Except for Joseph, the others stayed in the conference room for the time being, While Joseph, accompanied by Reverend, stepped into the office where Charlie was.

After entering the office, Joseph respectfully bowed slightly to Charlie and said, “Mr. Wade, all the subordinates have arrived and are waiting for your further instructions.”

Charlie nodded and said, “I have asked the Cavalry guards to gather in the auditorium,”

“According to the plan, we will first uncover the traitors within the Cavalry guards,”

“And then hold a mobilization meeting for them, at that time,”

“You will take those seven Cavalry guards and listen to my orders in the background.”

Joseph said without thinking, “Okay Mr. Wade, this subordinate understands!”

After saying that, he clasped his fist towards Charlie and subconsciously glanced,

At the few people standing motionless in the room.

This look does not matter, he looked at one of the middle-aged and elderly,

Greatly shocked out of breath: “Master? Why are you here?!”

The one he called Master was one of the guards beside the sectional governor.

Charlie previously did not pay much attention to this person,

After all, this person’s cultivation is only in the Ming realm, so Charlie also did not take it to heart.

However, he did not expect that this person would be the master of Joseph.

He frowned and asked, “Joseph, this person, is he really your master?”

“Yes!” Joseph subconsciously nodded and said, “He is my ideal master Jackson Qiu.....”

After saying that, he looked at the middle-aged old man and said offhandedly,

“Master, don’t you recognize me?! I’m Joseph!”

Charlie said indifferently, “His mind is now under my control.”

Joseph’s entire body was suddenly stunned and asked offhandedly,

“Mr. Wade, my master he he also joined that organization?!”

Charlie nodded and smiled sarcastically,

“Joined, but it seems that his status is somewhat low, and he can’t even speak here.”

After saying that, Charlie looked at Jackson and ordered, “You, come here!”

When Jackson heard Charlie’s order, he hurriedly walked to the front.

Charlie looked at him, waved his hand in front of him,

And then withdrew the aura controlling him.

The moment Jackson regained his senses, he stared at Charlie with a face full of horror and questioned offhandedly,

“What exactly did you do to me?!”

Charlie pointed to Joseph beside him and asked, “Do you still know this person?”

Only then did Jackson look at Joseph, and the whole person was even more stunned!

He looked at Joseph for a long time before he asked in shock:

“You you are Joseph Wan?!”

Joseph knelt down on one knee and said respectfully,

“Master, it is precisely your disciple Joseph!”

Jackson subconsciously asked, “What cultivation level are you now?”

“Why can’t I see your cultivation level? Could it be that”

“Could it be that you have exceeded the Ming Realm Great Perfection?!”

Joseph looked at Charlie and said truthfully, “Back to the master,”

“This disciple is fortunate enough to be brought up by Mr. Wade and has now crossed over to the Dark Realm!”

“What?!” Although Jackson had subconsciously realized that this would be the case,

He was still shocked when he heard Joseph say it himself.

His eyes widened as he subconsciously said, “This is simply impossible!”

“I have been stuck in the Ming realm for nearly thirty years without being able to break through,”

“You and I have only been separated for a year, how can you break through the Ming realm,”

“From an eight-star martial artist all the way to the Ming realm and cross into the Dark realm?

Joseph respectfully said, “Master, I just said that it was all thanks to Mr. Wade who gave me the chance.”

After saying that, he couldn't help but ask,

"Master, weren't you going to travel in the clouds? Why are you here?!"

Jackson had already realized that the mysterious young man in front of him,

Who was called Mr. Wade by Joseph, must be an expert with heavenly strength,

And that he had just been controlled by him in a daze,

Which showed that his tactics were already infinitely higher than his own.

Hearing that he had given his disciple Joseph a heavenly chance,

He couldn't help but ask respectfully, "Mr. Wade, I wonder what your identity is?"

Charlie said indifferently, "You are not qualified to ask about my identity yet."

After saying that, Charlie asked in a cold voice: "You haven't answered the question that Joseph just asked you."

Jackson was shaken and said: "I entered the world to find a chance to break through to the Ming realm,"

"And by chance, I met the sect leader here in North Africa, and when he saw that my cultivation had reached the Ming realm,"

"He persuaded me to join the Warriors Den, and promised that after three years of service in the Warriors Den,"

"He would recommend me to join the Warrior Camp."

"To join the Warriors Den to take a special poison, and need to take the antidote for life to save life"

Joseph was surprised and asked, "Master, what kind of organization is the Warrior camp?"

Jackson explained, "The Warrior Camp is the base for cultivating the Dark Realm experts of the Warriors Den,"

"Every martial artist who has reached the full circle of the Bright Realm can successfully break through,"

"And step into the Dark Realm after joining the Warrior Camp"

Joseph couldn't help but say, "Master, according to what your disciple currently knows about this organization,"

"This organization with a history of several hundred years seems to be very evil,"

"Why would you join such an organization to work for them?"

Jackson sighed with a sigh, "Because I wanted a breakthrough! Once upon a time,"

"I was also the most popular genius martial artist, in my thirties,"

"I made great progress, cultivating to the Ming realm, but who would have thought that I would be stuck in the Ming realm for thirty years....."

“In the past thirty years, I have been thinking about breaking through to the last level,”

“But how easy is it to break through to this big realm, so many years I have not been able to do what I want

Said, Jackson said: “Warriors Den will promise to let me break through to the dark realm,”

“At that moment I did not have any hesitation, immediately agreed to them,”

“For me, my biggest goal in life was to be able to step into the dark realm,”

“This once-in-a-lifetime opportunity, how could I not grasp

Speaking of which, he couldn’t help but ask Joseph: “Joseph, why are you doing here?!”

“Could it be that the Cataclysmic Front has become enemies with the Warriors Den?”

Joseph arched his hands towards Charlie and respectfully said,

“Back to Master, disciple and tens of thousands of troops of the Cataclysmic Front have sworn their loyalty to Mr. Wade,”

“And the reason why disciple is here is that Mr. Wade wants to completely eradicate the Warriors Den that you are talking about!”

Jackson subconsciously looked at Charlie and said frankly:

“Young brother, although I have joined the Warriors Den for only one year,”

“But as a leopard in the tube, a glimpse to know the whole panther,”

“The strength of the Warriors Den is too much stronger than the Cataclysmic Front,”

“The entire Warriors Den alone has nearly a hundred Dark Realm experts,”

“And there are even said to be Masters of the Realm of Transformation,”

“This strength is not the Cataclysmic Front can shake,”

“Let the Cataclysmic Front fight against the Warriors Den, like an ant shaking a tree, it will be unbearable!

Hearing this, Charlie smiled faintly and said indifferently:

“Even if it is a huge tree, so what? I will cut off all its branches and buds one by one,”

“And then uproot it and trample it under my feet!”
