

# Chapter 5143

This person's courage and strategy, are clearly superior to several other people,

And more importantly, his hatred for the Warriors Den did not decrease,

Because he became a Cavalry Guards, his bloody nature is still there.

At this time, his heart for the subsequent arrangements after the occupation of this copper mine has been somewhat clear.

Soon, the first Cavalry guard who got the antidote from Charlie's hand stepped to the office door.

He knocked on the door and said respectfully,

"The Right flag chief of the Cavalry Guard requests to see Lord Special Envoy!"

Charlie gave a hmp and said indifferently, "Come in!"

Then, the door of the room was gently pushed open and a middle-aged blond man stepped into the office.

Back when he first saw the twelve people, Charlie had noticed him,

He looked more like a western face, but had a few Asian features, thought he should be a mixed race.

Wrapped in black robes, Charlie was sitting behind a wide solid wood desk,

Looking at the middle-aged man in front of him, and asked, “Did you take the antidote?”

The middle-aged man hurriedly said, “Back to Lord Envoy, it has been eaten.”

Charlie nodded slightly and asked,

“How do you feel? Did you find anything unusual?”

The middle-aged man said without thinking, “I feel fine, I didn’t find any abnormalities,”

“And I can obviously feel that after taking the medicine this time,”

“The suppression of the toxins in my body is a bit stronger,”

“So I think it shouldn’t be a problem to last for fifteen days.”

“Good.” Charlie nodded and smiled playfully, then asked:

“By the way, in the Cavalry guard, what position do you hold?”

The man immediately said, “Back to Lord Envoy,”

“This subordinate is the right flag chief among the three banners of the Cavalry Guard,”

“And oversees the entire right banner.”

“Right flag chief.” Charlie repeated and asked curiously, “What is your lineage?”

The man said: “Back to the envoy, the subordinate’s lineage has been difficult to verify,”

“According to what I know, there are Chinese, Japanese, British, German, Russian, and several South American countries’ lineage,”

“My earliest ancestors are Chinese, but from a hundred years ago,”

“The dead added many other races, so the lineage has become more and more confusing.”

Charlie was secretly surprised in his heart,

It seemed that after so many years of development of the Warriors Den,

The bloodlines of the dead soldiers had diversified long ago.

Then, he waved his hand to that person and said,

“Alright, go down first and let the next person in.”

The man said respectfully, “Your subordinate follows orders!”

Soon, a second person knocked on the door of the room:

“The chief of the Cavalry internazionale seeks to see the envoy!”

Charlie said, “Come in,” and the man hurriedly stepped into the office.

He closed the door, came in front of Charlie, and said respectfully,

“Greetings, Lord Special Envoy!”

After saying that, he looked at the special envoy and others who were standing motionless around him,

And bowed to the commanding officer respectfully, “Greetings, Lord special envoy!”

Charlie opened his mouth and asked him, “Have you taken the antidote?”

The man said, "Back to the envoy, I have taken the antidote!"

After saying that, he hurriedly lowered his voice and said in a flattering manner,

"Lord envoy, I have two important things to report to you!"

Charlie raised his eyebrows and said indifferently, "You can say what matters."

The man hurriedly said, "The first thing is, there is something wrong with this medicine!"

Charlie asked curiously, "What's wrong with the medicine?"

The man explained: "Back to Lord Envoy,"

"After taking this new antidote, all the toxins in my body have disappeared!"
