

Chapter 5161

From the time he could remember, his father made him understand through practical action,
That the fate of the dead men was so difficult, but each generation was still living strong and
reproducing offspring,
With the sole purpose of hoping that his own bloodline would finally be able to break,
The shackles of the Warriors Den one day in the future and truly win freedom.
And there are several mountains in front of this goal,
And the first mountain that needs to be crossed is the poison that comes on regularly in the body.
For this kind of poison, there is really no reason to speak.
No matter how hard so many dead soldiers and so many generations have tried,
They have no way to dissolve this bizarre poison.
Although Thirty-Nine Zero had never forgotten his father's sage advice,
He knew very well in his heart that this was simply beyond his ability to accomplish.
He had even placed his hopes, on his own son, or even his future son's son.
Just like the psychology of generations of dead soldiers:
Although he could not break the shackles, but his son,
His future son must have a chance, as long as they can achieve this wish in the future,
Then he will be able to smile at the nine springs.
He never thought that when he swallowed the antidote given by Charlie,
He could feel a special power spreading rapidly toward his body,
And then it fused with the poison in his body.
Immediately after, the antidote and the poison seemed to have some kind of chemical reaction,
And both disappeared without a trace.
If the poison was originally a flesh and blood body can not resist the iron rope,
Then the antidote, like a strong acid that specializes in dissolving the iron rope,
But has no effect on the flesh and blood body, directly melting the lock to nothing!
At this time, all the dead soldiers and their relatives, eyes are staring at thirty-nine zero.
The large scene was almost silent, everyone was holding their breath,
Anxiously waiting for the feedback from thirty-nine zero.

After ten seconds, thirty-nine zero, who had been like casting a fixation,
Suddenly had two lines of hot tears gushing from the corners of his closed eyes.
In this wide and long hall, you can even hear the sound of his tears dropping to the ground one by one.

Chapter 5162

At this time, Thirty-Nine Zero suddenly opened his eyes,
Looked at Charlie with tears in his eyes, and did not say a word,
But respectfully bowed deeply to him, and he bowed long.
In this instant, all the dead soldiers and their relatives understood.
Charlie's antidote must have solved the poison in his body,
Otherwise, he would never have suddenly given such a big salute of worship.
And at this time, thirty-nine zero worship on the ground,
The body has been unable to control the violent trembling.
Charlie looked at him and asked aloud, "Thirty-nine zero, how do you feel?"
Thirty-nine zero slowly raised his head, fully excited but more grateful.
At this time he respectfully said: "Back to the sir under"
"Under the skin of this body..... there is no trace of the poison"
Once these words came out, thousands of people around fell in shock,
The color of excitement on everyone's face is already overflowing.
Thirty-nine-zero looked back at the dead soldiers,
And families on both sides and the people behind them,
Turned back to Charlie, hands clasped fists raised above his head, shouted:
"Sir! You are the one who has the great power!"
"We dead soldiers have been enslaved by the Warriors Den for hundreds of years,"
"For hundreds of years without seeing the light of day,"
"Our life is worse than death, please help us out of the sea of suffering,"
"We are willing to follow you for the rest of our lives!"
After saying this, he bowed down again!
The crowd immediately followed suit, shouting:
"We will serve you for the rest of our lives and follow your lead!"

The chanting of thousands of people made the whole underground facility feel a little trembling.

Charlie could hear that their voices were filled with extreme urgency and desire.

Getting rid of the shackles of the Warriors Den was, for each of them,

The greatest wish of their lives,

As well as the generations of ancestors over the centuries.

Now, this wish of more than a dozen generations finally had the chance to come true.

Charlie looked at the crowd's determined and exuberant appearance,

He couldn't help but splash a pot of cold water and said,

"If you serve me, you will necessarily have to be enemies with the Warriors Den,"

"Although you are now controlled by the Warriors Den,"

"At least you can still survive here if you are enemies with the Warriors Den,"

"Maybe you will all face danger to your lives, so have you thought it over?"

Chapter 5163

All in unison replied: "We are ready!"

After all, the dead soldiers were successfully detoxified and gradually calmed down,

Charlie walked down the stone steps and came to the square.

Thousands of people looked at him, thankful and formerly kowtowed on their knees.

The leader, Thirty-nine, choked up and said, "On behalf of all the dead soldiers and their relatives,"

"I thank you Master for your great kindness!"

Others also like him, kneeling on the ground, respectfully shouted,

"Thankful for the great benevolence of you sir!"

Charlie looked at the thousands of people kneeling on the ground and said indifferently,

"Get up, from now on, you are no longer slaves, there is no need to perform kneeling."

After saying that, without waiting for the others to respond,

He said to thirty-nine zero who was kneeling respectfully at the front,

"Show me the place where you live."

Thirty-nine zero said respectfully, "This subordinate obeys!"

After saying that, he stood up and pointed to the back of the square and said,

"Sir, the area where the dead soldiers live is at the back of the square, please follow me!"

Charlie nodded and followed him, crossing the large square.

As he walked, Thirty Nine Zero introduced to him that the square was basically where,

The dead soldiers trained except for when the antidote was given out,

Whether it was close combat or a firearms shooting, it was all done in this square.

After crossing the square, there is a corridor nearly five meters wide and thirty meters long,

Through the corridor, it is the living area of the dead soldiers.

The living area is more like an underground town,

Where the streets are planned horizontally and vertically,

Like cutting tofu, and are precisely divided into several square areas.

In each square area, there are eight rooms of more than ten square meters,

As well as a common kitchen, and common bathroom.

The domestic water for the entire living area is taken from the groundwater in the copper mine,

Which is then filtered and purified by the purification equipment and transported here.

The domestic wastewater is directly treated together with the production sewage of the copper mine,

And is often secretly discharged to the sea at night,

So it has not been detected by the outside world as any abnormality.

The air in the entire underground space relies on the air exchange equipment in the copper mine,

This ensures that the air indicators are still up to standard in this several hundred meters deep underground.

Here, there is one and only one energy source, that is, electricity,

Including the daily life of the dead soldiers using electricity.

The ceilings of the public areas are all covered with full-spectrum lights,

Illuminating all the public areas as bright as daylight.

Thirty-nine zero introduced to Charlie: "Here we can not see the sun, moon, and stars,"

"We all rely on lights to simulate, as long as the wake-up bell rings,"

"All lights will also be lit at the same time, for us, this starts the daytime,"

"The night curfew time lights out bell rings, all the lights outside are turned off, for us, it enters the night time. "

Saying that he sighed and added: "Like me, who went out on a mission,"

“At least know what the sun, moon, and stars are like,”

“But my wife, as well as other women, and those children who did not have the opportunity to go out on a mission,”

“So far have not even really seen the sun and moon.”

Hearing this, Charlie also could not help but feel sympathy and regret the fate of these dead soldiers.

A person, from birth to death, could possibly have never seen the sun,

If this was said out loud, I’m afraid no one would believe it.

Thinking of this, Charlie couldn’t help but say to Thirty-Nine Zero,

“My plan is to take down the dead soldiers’ quarters quietly,”

“And let everyone change their banners quietly so that the Warriors Den won’t notice anything unusual in a short time,”

“But this also means that the entire quarters will remain largely unchanged.”

Thirty-nine zero heard the meaning of Charlie’s words and quickly said,

“Sir, don’t worry, we have persevered through so many generations, we can naturally continue to persevere now!”

Charlie nodded and said seriously, “After all, this is the scale of several thousand people,”

“On the ground, there are only a few hundred people,”

“It is unlikely to transfer everyone to live on the ground,”

“And if the number of people surges too much at once,”

“It will also trigger suspicion and speculation from the outside world.”

Chapter 5164

Speaking of this, Charlie turned his words and continued,

“However, from today, the channel between the dead and the ground will remain unobstructed,”

“You do a good job of internal coordination, every day in multiple periods,”

“You can let some people go to the ground, to feel the real day and night, to feel the real sun, moon, and stars.”

Hearing this, Thirty-Nine Zero was thrilled beyond words and said gratefully,

“Thank you, sir! Thank you, sir!”

“I’m satisfied to let the children go out to see the real world and breathe fresh air!”

Charlie laughed: “All of you can go out, just for the time being,”

"You still have to lie down, so the overall people still have to continue to endure and aggravate for a period of time,"

"But don't worry, in terms of daily food, clothing, housing, and transportation,"

"I will have people upgrade the treatment of the dead men as much as possible,"

"The children if they need to receive a normal education,"

"I can also have people to coordinate for you to fit the education of children of all ages."

"If you have any needs, you can also mention them to me, and I will try to solve them if I can."

"The children's education is basically limited to literacy and the sporadic basic knowledge we have,"

"But we, even if we have the opportunity to go out, we all go on missions,"

"And time is short, and someone is always secretly watching,"

"So we don't have the opportunity to contact with any systematic knowledge,"

"Even want to get a map of the world to show the children we are not able to achieve"

Charlie nodded and said with understanding, "These problems,"

"I will have people solve all of them in the shortest possible time."

After saying that, Charlie asked thirty-nine zero:

"By the way, how do you usually solve medical problems?"

Thirty-nine zero explained: "We have a medical team of ten people,"

"The members of this medical team, are selected from the young girls to be trained by the Warriors Den,"

"But they mainly learn about maternity, to ensure that the entire resident pregnant women's birth and infant care."

Charlie couldn't help but ask: "If someone has a major illness, how will it generally be handled?"

Thirty-nine Zero thought about it and spoke, "We don't seem to have encountered any major illnesses,"

"Because our bodies will always be in a relatively healthy state because of the antidote we take every week,"

"And this antidote will improve our physical quality, allowing us to grow stronger."

So it suddenly dawned on Charlie.

In the beginning, those dead soldiers of May Four Seven, although they were not real martial artists,

But their physical quality was no less than martial artists,

Coupled with modern weapons, and well-thought-out tactics,

Making their real level of actual combat very high,

Even eight-star martial artists were not their opponents.

It is thought that the reason for their strong physical quality is because of the regular use of this antidote.

Thirty-nine zero then said: "Although the antidote can make our physical quality greatly improved,"

"But it seems to have a very significant impact on our per capita life expectancy,"

"Long-term use of the antidote, resulting in our average life expectancy, will not exceed sixty years,"

"There are records, the oldest one dead soldiers, lived to fifty-eight years old,"

"Most in the upper and lower fifties basically died without illness."

Charlie nodded: "That kind of medicine is not relying on the power of the medicine to improve your physical quality,"

"It only accelerates the burning of your own vital energy, so that you can explode greater potential,"

"From a sense of a short time, the strength is indeed a great improvement,"

"But in reality, it is overdrawn subsequent life."

Saying that, Charlie asked him, "How old are you this year?"

Thirty-nine zero respectfully said,

"I am forty-five years old."

Saying that he couldn't help but let out a light sigh and said self-deprecatingly,

"I guess I only have ten years to live,"

"I hope that within these ten years, I can follow you to eradicate the Warriors Den!"

Charlie looked at him and said seriously, "Don't worry, it won't take that long to eradicate the Warriors Den,"

"And you won't live to be only 50 or 60 years old,"

"Now that the poison in your body has been solved,"

"I will make your per capita life expectancy on par with normal people."

Knowing that Charlie was by no means a liar,

Thirty-Nine Zero said with immense gratitude, "Thank you, sir, for your rejuvenating grace!"

After saying that, he knelt down on one knee to show his devotion.

Charlie saw him kneel on one knee and laughed helplessly.

He had just said that he was not allowed to kneel down and salute,

So he changed from kneeling on both knees to kneeling on one knee.

Charlie shook his head, one hand to help him up, looked at the time, and said:

"I think it's almost dawn, you go and let all the underage children get ready, they can witness the first sunrise in their lives!

Chapter 5165

"Enjoying the sunrise?!"

Thirty-nine zero stunned, and at the same time full of excitement asked:

"Sir is this really happening?!"

Charlie nodded: "I just said, in the future, I will make sure that the dead soldiers,"

"Can take turns to go to the ground at any time of the day,"

"Right now this first time, prioritize those children who have never seen the sun, moon, and stars."

Thirty-nine zero was excited, but suddenly remembered something and asked Charlie:

"Sir, at this time it is still dark outside?"

"Yes." Charlie said, "In another half hour, it will be light."

Thirty-nine Zero looked at the dense lights on the ceiling and sighed,

"It seems that our day and night inside are diametrically opposed to the outside."

Charlie smiled faintly: "They don't want you to calculate the dates in real life,"

"So naturally they will invert and distort the time in here with reality."

After saying that, Charlie added: "But you don't have to worry,"

"From today onwards, the day and night here will be the same as outside,"

"I will have someone prepare clocks for you,"

"And from now on your dates and times will be completely synchronized with real life."

Thirty-nine zero gratefully and respectfully said, "Thank you, sir!"

Charlie said, "By the way, there is another task for you."

Thirty-nine Zero said, "Sir, please give the orders!"

Charlie seriously said, "Starting tomorrow, you have to divide your people, into three groups,"

"The number of people in each group will be about a thousand,"

"And then from each group, select one hundred and thirty laborers to continue,"

"To participate in the daily production mining of copper mines."

Saying that Charlie turned around and said to Leroy,
The Cavalry guard who was following behind him,
“For the sake of fairness, for the Cavalry guard, it is also the same,”
“Let the three banners within the left center and right select about twenty laborers each,”
“And participate in the work together with the laborers selected by the dead soldiers.”
Leroy said without thinking, “Sir, don’t worry, I will do it later!”
Charlie instructed again, “The work adopts an eight-hour time period,”
“Three-shift work system with one-off, so this requires that when the internal people are selected,”
“At least one more shift has to be selected so that the shifts within each group are rotated,”
“To ensure that everyone gets a good rest.”
“No problem!” Leroy said, “The production scale of this copper mine is not that big,”
“There are only a hundred people who started working at the same time,”
“The dead soldiers and Cavalry guards combined are almost four thousand people,”
“It’s still easy to deal with this amount of work.”

Chapter 5166

Charlie nodded and said, “We let them participate in the work, not to exploit their labor,”
“But to maintain the normal operation of this copper mine,”
“Not to let the Warriors Den notice any abnormalities,”
“So you two tell all the laborers involved in the work,”
“As long as they participate in the labor, I will settle their salaries,”
“According to double the normal treatment of mine workers in Cyprus,”
“When the time comes to use the dollar settlement.”
Leroy and Thirty-Nine Zero looked at each other, and Leroy said,
“Sir, money is not necessary you have helped us so much,”
“You are our great benefactor, how can we take your money again,”
“And the ore produced by this copper mine is given to the Warriors Den,”
“The settlement money also can not enter your pocket,”
“It is not the same as you purely throw money?”
“Yes” thirty-nine zero also hurriedly echoed:

“Sir, we can not let you throw money, secondly,”

“The money for us is of no use at all,”

“If you give us that money it is like a pile of waste paper,”

“It is better for you to keep this money,”

“And also for the future eradication of the Warriors Den.....”

Charlie waved his hand and said very firmly:

“Labor must be paid, this is the development of mankind to date,”

“One of the several unchanging truths, this money you can save,”

“Can also use it to buy some of your favorite things,”

“But as thirty-nine zero just said, for security reasons,”

“Certainly not let everyone take the money to go out and spend freely,”

“But I will let people give a list of commonly used goods,”

“Then send the list to everyone, if you need,”

“Let the Cataclysmic Front be responsible for purchasing,”

“And then use hidden means to transport it here, and hand it to everyone,”

“What I can promise is that the Cataclysmic Front will never earn any difference in price.”

Leroy and Thirty-Nine Zero were both a bit stunned.

They didn’t expect that Charlie would intend to use the Cataclysmic Front,”

“To help them with their simple shopping problems, which obviously sounded a bit too much.”

However, when they thought that they would really be able to purchase various things,”

“From the outside world for themselves and their families with the money,”

“By earning from the daily work, they could not help but look forward to it.

Especially thirty-nine zero, he does not have as much freedom as Leroy,”

“After all, Leroy was already the flag commander of the Cavalry Guards,”

“Although the flag commander is also not paid,”

“But at least they live above ground, the knowledge of the world is much better.

Thirty-nine zero had to let his son understand that the earth is a sphere,

And continued to explain to him for several years of time.

However, his son had not yet gone out on a mission,

And had never seen the outside world, and Thirty-Nine Zero himself could not even get a globe,
So there were no reasonable ways to make his son understand this simplest of truths.
Once the kind of model Charlie said was implemented,
He earned money, even only a few dollars,
He can buy a globe to explain to his son what the world really looks like.

Chapter 5167

All the children's eyes, at this time, were attracted by that soaring golden thing!
As the arc of the rising sun became larger and larger,
Ten thousand feet of golden light dyed the entire sky, along with the entire sea, getting golden.
The sky is full of haze, and the sea is sparkling!
With this rising sun, the skyline light is slightly distorted,
It looks, like more than a few dreamy feelings.
Children, as well as those parents who take care of young children, are looking frozen.
Even if the light has become more and more blinding,
But no one wants to blink their eyelids.
Those mothers of young children, and those who are still in adolescence,
Subconsciously with their best buddies held tightly together,
They alone or in groups of three or five have been unable to control the tears.
Now the scene in front of them is the first time they have been living underground,
And they are racking their brains to think about the past years,
But also simply can not think of a reason to explain this feeling.
Soon, the round golden sun has completely broken out of the sea level,
Looking at the world, bathed in the first sunlight.
For the hundreds of millions of ordinary people living in this time zone,
This is just a normal and ordinary day.
But for these seven hundred children, this moment is the brand new beginning of their lives!
Charlie looked at the hundreds of young faces illuminated by the sunlight in front of him,
And said to Leroy, Thirty Nine Zero, and Joseph beside him,
"Before today, their lives were a long eternal night;"

“After today, they have a real light!”

After saying that, he suddenly made a decision and said in a stern voice,

“From today on, don’t let these children practice martial arts anymore!”

“If anyone really wants to learn,”

“It’s not too late to learn after they reach the age of eighteen!”

Thirty-nine zero subconsciously said, “Sir,”

“If they wait until they are eighteen before they start learning martial arts,”

“I think it will be too late

“Late?” Charlie coldly snorted: “If you really want to learn, any day is not late!”

“If you do not let them practice martial arts it is to make their childhood what it really should be like,”

“This was something designed for them by Warriors Den based on their own interests.”

“Besides, if our generation can eradicate the Warriors Den,”

“What need is there for these children to learn martial arts?”

“Instead of practicing martial arts, they should get out of here,”

“Settle down with their parents in a peaceful and stable country,”

“Study hard, get into a good university, study a profession they are interested in,”

“And then find a job that will allow them to start a family and create their own value in society!”

“This, for them, is the best choice!”

Chapter 5168

Thirty-nine Zero then realized that his thinking was still stuck in the previous mode.

Before Charlie appeared, the only thing the dead soldiers could do,

Was to improve their abilities as much as possible,

To become Cavalry guards as much as possible,

And after becoming Cavalry guards, to have more children to ensure that their offspring had a “scholar”,

So as to get away from the life of fighting and killing.

However, the situation has changed.

These children, do not need to work hard to become a “scholar”.

As long as they can go with Charlie, will completely eradicate the Warriors Den,

Their children, all can become real scholar!

Thinking of this, thirty-nine said with more than tears,

“Thank you, sir, for your great kindness, your generosity is immense,”

“The dead soldiers will never forget it!”

Charlie patted his shoulder, turned to Joseph, and said,

“Joseph, from the Cataclysmic Front, find a few female warriors with higher education,”

“Let them come here regularly to teach the children,”

“They will use regular teaching materials, in addition to preparing a set of projection equipment down there,”

“Every day to show the children some films that can let them quickly understand the world, understand the history and the present.”

Saying that he continued: “Right, there is the Internet, move a network cable in,”

“Prepare some computers, so that the children know what is the Internet,”

“But the Internet for the time being can not let the children themselves on the hands,”

“After all, we must be careful not to accidentally leak information, or else the Warriors Den will find.”

Joseph said without thinking,

“Mr. Wade don’t worry, I will arrange all of them properly!”

Charlie nodded gently and said to Thirty-Nine Zero,

“In another twenty minutes, take the children down first,”

“Then come to the meeting room, we will have a meeting together.”

Thirty-nine Zero immediately said respectfully, “Yes sir!”

Charlie didn’t talk anymore, but took Joseph and the others and came to the conference room first.

Right now, the sky is already blue, and the supplies that the ship had delivered to the copper mine last night had been quietly transported long before dawn,

And now the loading of copper ore was being carried out at the pier,

And once the loading was finished,

It was time for Reverend, as the special envoy, to return to the ship.

Charlie needs to smooth out all the links and solve all the hidden problems before this,

Only in this way can he ensure that after Reverend leaves, he will not reveal anything in Turkey.

As for how to make Reverend not reveal the clues, Charlie also has a new idea of his own.

In the past, the reason he did not use psychological suggestions too often,

This is because it has a very serious drawback, once the target person is in a controlled state,
His behavior, and reaction will seem a little slow,
And a discerning eye can see at a glance that something is wrong.

Chapter 5169

Reverend's situation was the same.

Even more tricky.

The main reason is that these middle and high-level members in the Warriors Den are not weak.

The masters of the dark realm already see all directions and listen to all directions.

If Reverend shows too many abnormalities, once he arrives in Turkey,

When he meets his superiors, he will definitely be seen.

Therefore, Charlie planned to play tricks.

So, he called Reverend and asked, "Reverend,"

"Let me ask you, besides you and your assistant, are there any other people from Turkey who came here?"

"No." Reverend Shaking his head said respectfully:

"I am a permanent special envoy, mainly responsible for the transport of materials between the two points."

Charlie asked again: "There will be no one with a higher rank than you coming here to check the situation?"

Reverend shook his head and said: "In order to avoid exposing the senior management,"

"The organization's consistent attitude is to contact with one person and one line,"

"And no other executives will be sent to participate in this process."

"That's good." Charlie was more at ease in his heart, and asked him:

"As long as you tell your superiors that everything is normal here,"

"They will also accept it. They won't be too suspicious, right?"

Reverend nodded and said, "Normally, that's the case,"

"But I still need to combine some of the surveillance videos here."

"Before I leave, I will take the surveillance hard drive back to them,"

"And let them Copy the video from the hard disk and analyze it."

Charlie asked him: "Who will analyze it?"

Reverend said: "There should be a dedicated security team in charge for this purpose."

Charlie turned to Joseph: "Joseph, can the surveillance video be tampered with?"

Joseph nodded and said: "It's too simple, my team can modify the surveillance video frame by frame,"

"And make sure that the other party does not see any clues."

"Okay." Charlie nodded slightly, then turned to Leroy and said,

"Copy out the monitoring before this morning and let him take it away,"

"And after Joseph's team deals with it later, Reverend will take it away."

Leroy hurriedly said: "Okay sir!"

Charlie asked Reverend again: "If you tell your superior that everything is normal here,"

"And the surveillance video shows nothing abnormal,"

"Will your superior still ask you for more information? Details?"

"No." Reverend shook his head and said, "He also has very little communication with me,"

"And we rarely see each other."

"If I say that everything is normal, he will report that to the superior."

With that said, Reverend further explained: "Inside the organization,"

"Due to the high toxicity in the body and the fact that everyone needs an antidote,"

"The organization has never had any deviation in its control over us,"

"So the organization has always focused on preventing The outside world from spying on the secrets of the Warriors Den,"

"But they are not too worried that there will be traitors inside the Warriors Den."

"After all, everyone's life is in the hands of the Warriors Den,"

"And no one will go against it, even if it is to go out to execute a mission no one will dare to escape,"

"After all, not only their own lives are in the hands of the organization,"

"But also the lives of their family members."

Charlie nodded, it seems that Warriors Den is very confident with their antidote,"

"And they don't think there is any anyone who can crack the antidote."

Thinking of this, there was only one last thing left for him to do,

Which was to give Reverend a new "psychological suggestion".

This new "psychological suggestion" is more complex, powerful, and skillful.

This will be his trump card to solve the last problem.

Thinking of this, he called Reverend to the office,

And when there were only two people in the office, he sent more aura into his body.

Afterward, Charlie stared at Reverend, and said in a cold voice:

“Reverend, remember! From now on, as long as you get off the boat and enter the premises of this copper mine,”

“You will remember me and meet me.”

“Remember that I am your only master, and then you stay here honestly,”

“And after my people make all the preparations,”

“You will return to the freighter as if nothing happened, do you understand?”

Reverend nodded without hesitation and said: “Subordinate understand!”

Chapter 5170

Charlie changed the subject, and said again: “However, once you get on the boat,”

“You will temporarily forget me as a person, and that I am your only master,”

“And forget that I just gave you a psychological suggestion,”

“And in your subconscious mind, you only need to firmly believe in one thing, that is:”

“You have completed all the work in the copper mine,”

“And firmly believe that everything inside the copper mine is going well without any abnormalities!”

“Except for this point Other than that, you follow your true nature in everything,”

“Be the special envoy when you should be the special envoy,”

“Practice your martial arts when you should practice your martial arts,”

“Play with your male favorite when you should play, you act as the original, and it is what it is! Can you understand me?”

Charlie’s words made Reverend feel a little short-circuited.

However, after a few seconds, he figured out the content of Charlie’s hint.

In fact, Charlie just wanted to give him a hint, a trigger condition.

When Reverend was not here, Charlie didn’t need him to be used by him,

Nor did he need him to keep thinking that he was his master.

What Charlie needs is that when Reverend is not here, he is still himself.

He doesn't remember that he has any master, nor does he remember that he was given psychological hints,

So as to ensure that he has no influence in front of other people.

And once he got off the boat and in the copper mines, the real strong cues kicked in.

In this way, it can be ensured that Reverend will become a tool man as soon as he arrives here,

And when he leaves this place, he can return to normal and be himself.

The only difference is that in the deepest part of his subconscious,

Charlie gave him a hidden hint, firmly believing that there is nothing abnormal here.

This order is extremely simple, and it doesn't require Reverend to think about it,

Nor does he need to deal with any other variables for it.

Therefore, the impact of this deep psychological suggestion on Reverend will also be reduced to a limit.

What's more, Charlie also specifically hinted that he should follow his true colors,

So that it would be more difficult for others to see the clues.

However, apart from Reverend, Charlie also controlled his favorite on the boat last night.

Right now, the same psychological hint needs to be given to that man as well.

So, he said to Reverend, "Go to the boat and bring your male pet over. I have something to tell him."

"Okay." Reverend nodded without thinking, and then immediately opened the door and went out.

Just after Reverend left, Charlie called Joseph, Leroy, 390, 547, and Joseph's master Jackson to the office.

After everyone came in, Charlie said: "Everyone, I have already solved Reverend's problem."

"In the future, as long as he is still a special envoy, he can temporarily avoid the monitoring of the Warriors Den."

"However, once this matter changes, I am afraid that this base will be in danger,"

"And everyone will have to evacuate from Cyprus immediately before the Warriors Den has mobilized enough troops to attack."

Leroy asked respectfully: "Sir, all of us add up to more than four thousand,"

"If we really need to evacuate, where can we evacuate to?"

Charlie smiled slightly and said with relief: "Don't worry about this,"

"The Cataclysmic Front is on the other side of this coast in Syria and is building a base that can accommodate 100,000 people."

"If necessary, I will ask him to transfer everyone to Syria."

Joseph said at this time: "Don't worry, everyone, Cataclysmic Front maneuvers from Syria,"

"And the response speed is much faster than Warriors Den maneuvers from other places."

"Moreover, judging from the current global mobility of the Warriors Den,"

"The number of dead soldiers they can mobilize around the world in a single day cannot exceed 2,000."

Joseph said this with confidence.

The strength of the Warriors Den is indeed very strong, and its influence spreads all over the world.

However, if they really want to concentrate their efforts on doing big things,

They are definitely not as good as Cataclysmic Front in this regard.

Even if it is a country whose military strength ranks above the middle in the world,

It is impossible to deploy tens of thousands of people around the world in a short period of time,

And there are tens of thousands of soldiers under the command of Cataclysmic Front,

And most of them are concentrated around Syria.

Therefore, in the Middle East, the Cataclysmic Front really doesn't have to be afraid of breaking the Warriors Den.

Joseph's words made Leroy, 390 and others breathe a sigh of relief.

After all, they all have families and have just seen the dawn of changing their destiny.

Under such circumstances, they naturally want to see More hope, see a greater success rate.

If there is Cataclysmic Front behind it as support, then everyone can completely rest assured and stick to it here.

Charlie said at this time: "Everyone must be clear about one thing."

"No matter how well we can hide it now, this base will be exposed sooner or later,"

"But the exposure is not terrible. As long as we are fully prepared,"

"We can definitely avoid unnecessary casualties."

Then, Charlie said again: "Listen well, once something happens to Reverend,"

"We will immediately evacuate everyone, but before evacuating,"

"You must completely destroy this base for me. I want Warriors Den to watch their hard work go to waste!"

The value of this copper mine is not high, but the value of the underground project under the copper mine,

Which is specially designed for dead soldiers, is immeasurable.

The construction cost of the entire underground project alone is estimated to start at one billion US dollars,

And when various hardware equipment is included, the cost is even more astronomical.

The most important thing is that it takes a lot of time to quietly build such an underground project,

And it may not be completed in eight or ten years.

This is the most distressing thing for the Warriors Den.

Leroy said: "Sir, with your permission, we can lay a blasting point underground in advance."

"Once needed, we only need to fill the blasting point with high explosives to blow up the entire underground fortification."

"Once the underground is destroyed, there will be a huge subsidence area on the ground, and the entire copper mine will have almost no rescue value."
