

# Chapter 5163

All in unison replied: “We are ready!”

After all, the dead soldiers were successfully detoxified and gradually calmed down,

Charlie walked down the stone steps and came to the square.

Thousands of people looked at him, thankful and formerly kowtowed on their knees.

The leader, Thirty-nine, choked up and said, “On behalf of all the dead soldiers and their relatives,”

“I thank you Master for your great kindness!”

Others also like him, kneeling on the ground, respectfully shouted,

“Thankful for the great benevolence of you sir!”

Charlie looked at the thousands of people kneeling on the ground and said indifferently,

“Get up, from now on, you are no longer slaves, there is no need to perform kneeling.”

After saying that, without waiting for the others to respond,

He said to thirty-nine zero who was kneeling respectfully at the front,

“Show me the place where you live.”

Thirty-nine zero said respectfully, “This subordinate obeys!”

After saying that, he stood up and pointed to the back of the square and said,

“Sir, the area where the dead soldiers live is at the back of the square, please follow me!”

Charlie nodded and followed him, crossing the large square.

As he walked, Thirty Nine Zero introduced to him that the square was basically where,

The dead soldiers trained except for when the antidote was given out,

Whether it was close combat or a firearms shooting, it was all done in this square.

After crossing the square, there is a corridor nearly five meters wide and thirty meters long,

Through the corridor, it is the living area of the dead soldiers.

The living area is more like an underground town,

Where the streets are planned horizontally and vertically,

Like cutting tofu, and are precisely divided into several square areas.

In each square area, there are eight rooms of more than ten square meters,

As well as a common kitchen, and common bathroom.

The domestic water for the entire living area is taken from the groundwater in the copper mine,

Which is then filtered and purified by the purification equipment and transported here.

The domestic wastewater is directly treated together with the production sewage of the copper mine,

And is often secretly discharged to the sea at night,

So it has not been detected by the outside world as any abnormality.

The air in the entire underground space relies on the air exchange equipment in the copper mine,

This ensures that the air indicators are still up to standard in this several hundred meters deep underground.

Here, there is one and only one energy source, that is, electricity,

Including the daily life of the dead soldiers using electricity.

The ceilings of the public areas are all covered with full-spectrum lights,

Illuminating all the public areas as bright as daylight.

Thirty-nine zero introduced to Charlie: "Here we can not see the sun, moon, and stars,"

"We all rely on lights to simulate, as long as the wake-up bell rings,"

"All lights will also be lit at the same time, for us, this starts the daytime,"

"The night curfew time lights out bell rings, all the lights outside are turned off, for us, it enters the night time. "

Saying that he sighed and added: "Like me, who went out on a mission,"

"At least know what the sun, moon, and stars are like,"

"But my wife, as well as other women, and those children who did not have the opportunity to go out on a mission,"

"So far have not even really seen the sun and moon."

Hearing this, Charlie also could not help but feel sympathy and regret the fate of these dead soldiers.

A person, from birth to death, could possibly have never seen the sun,

If this was said out loud, I'm afraid no one would believe it.

Thinking of this, Charlie couldn't help but say to Thirty-Nine Zero,

"My plan is to take down the dead soldiers' quarters quietly,"

"And let everyone change their banners quietly so that the Warriors Den won't notice anything unusual in a short time,"

"But this also means that the entire quarters will remain largely unchanged."

Thirty-nine zero heard the meaning of Charlie's words and quickly said,

"Sir, don't worry, we have persevered through so many generations, we can naturally continue to persevere now!"

Charlie nodded and said seriously, "After all, this is the scale of several thousand people,"

"On the ground, there are only a few hundred people,"

"It is unlikely to transfer everyone to live on the ground,"

"And if the number of people surges too much at once,"

"It will also trigger suspicion and speculation from the outside world."
