

Chapter 5168

Thirty-nine Zero then realized that his thinking was still stuck in the previous mode.

Before Charlie appeared, the only thing the dead soldiers could do,

Was to improve their abilities as much as possible,

To become Cavalry guards as much as possible,

And after becoming Cavalry guards, to have more children to ensure that their offspring had a “scholar”,

So as to get away from the life of fighting and killing.

However, the situation has changed.

These children, do not need to work hard to become a “scholar”.

As long as they can go with Charlie, will completely eradicate the Warriors Den,

Their children, all can become real scholar!

Thinking of this, thirty-nine said with more than tears,

“Thank you, sir, for your great kindness, your generosity is immense,”

“The dead soldiers will never forget it!”

Charlie patted his shoulder, turned to Joseph, and said,

“Joseph, from the Cataclysmic Front, find a few female warriors with higher education,”

“Let them come here regularly to teach the children,”

“They will use regular teaching materials, in addition to preparing a set of projection equipment down there,”

“Every day to show the children some films that can let them quickly understand the world, understand the history and the present.”

Saying that he continued: “Right, there is the Internet, move a network cable in,”

“Prepare some computers, so that the children know what is the Internet,”

“But the Internet for the time being can not let the children themselves on the hands,”

“After all, we must be careful not to accidentally leak information, or else the Warriors Den will find.”

Joseph said without thinking,

“Mr. Wade don’t worry, I will arrange all of them properly!”

Charlie nodded gently and said to Thirty-Nine Zero,

“In another twenty minutes, take the children down first,”

“Then come to the meeting room, we will have a meeting together.”

Thirty-nine Zero immediately said respectfully, “Yes sir!”

Charlie didn’t talk anymore, but took Joseph and the others and came to the conference room first.

Right now, the sky is already blue, and the supplies that the ship had delivered to the copper mine last night had been quietly transported long before dawn,

And now the loading of copper ore was being carried out at the pier,

And once the loading was finished,

It was time for Reverend, as the special envoy, to return to the ship.

Charlie needs to smooth out all the links and solve all the hidden problems before this,

Only in this way can he ensure that after Reverend leaves, he will not reveal anything in Turkey.

As for how to make Reverend not reveal the clues, Charlie also has a new idea of his own.

In the past, the reason he did not use psychological suggestions too often,

This is because it has a very serious drawback, once the target person is in a controlled state,

His behavior, and reaction will seem a little slow,

And a discerning eye can see at a glance that something is wrong.

Chapter 5169

Reverend's situation was the same.

Even more tricky.

The main reason is that these middle and high-level members in the Warriors Den are not weak.

The masters of the dark realm already see all directions and listen to all directions.

If Reverend shows too many abnormalities, once he arrives in Turkey,

When he meets his superiors, he will definitely be seen.

Therefore, Charlie planned to play tricks.

So, he called Reverend and asked, "Reverend,"

"Let me ask you, besides you and your assistant, are there any other people from Turkey who came here?"

"No." Reverend Shaking his head said respectfully:

“I am a permanent special envoy, mainly responsible for the transport of materials between the two points.”

Charlie asked again: “There will be no one with a higher rank than you coming here to check the situation?”

Reverend shook his head and said: “In order to avoid exposing the senior management,”

“The organization’s consistent attitude is to contact with one person and one line,”

“And no other executives will be sent to participate in this process.”

“That’s good.” Charlie was more at ease in his heart, and asked him:

“As long as you tell your superiors that everything is normal here,”

“They will also accept it. They won’t be too suspicious, right?”

Reverend nodded and said, “Normally, that’s the case,”

“But I still need to combine some of the surveillance videos here.”

“Before I leave, I will take the surveillance hard drive back to them,”

“And let them Copy the video from the hard disk and analyze it.”

Charlie asked him: “Who will analyze it?”

Reverend said: “There should be a dedicated security team in charge for this purpose.”

Charlie turned to Joseph: “Joseph, can the surveillance video be tampered with?”

Joseph nodded and said: “It’s too simple, my team can modify the surveillance video frame by frame,”

“And make sure that the other party does not see any clues.”

“Okay.” Charlie nodded slightly, then turned to Leroy and said,

“Copy out the monitoring before this morning and let him take it away,”

“And after Joseph’s team deals with it later, Reverend will take it away.”

Leroy hurriedly said: “Okay sir!”

Charlie asked Reverend again: “If you tell your superior that everything is normal here,”

“And the surveillance video shows nothing abnormal,”

“Will your superior still ask you for more information? Details?”

“No.” Reverend shook his head and said, “He also has very little communication with me,”

“And we rarely see each other.”

“If I say that everything is normal, he will report that to the superior.”

With that said, Reverend further explained: “Inside the organization,”

“Due to the high toxicity in the body and the fact that everyone needs an antidote,”

“The organization has never had any deviation in its control over us,”

“So the organization has always focused on preventing The outside world from spying on the secrets of the Warriors Den,”

“But they are not too worried that there will be traitors inside the Warriors Den.”

“After all, everyone’s life is in the hands of the Warriors Den,”

“And no one will go against it, even if it is to go out to execute a mission no one will dare to escape,”

“After all, not only their own lives are in the hands of the organization,”

“But also the lives of their family members.”

Charlie nodded, it seems that Warriors Den is very confident with their antidote,”

“And they don’t think there is any anyone who can crack the antidote.”

Thinking of this, there was only one last thing left for him to do,

Which was to give Reverend a new “psychological suggestion”.

This new “psychological suggestion” is more complex, powerful, and skillful.

This will be his trump card to solve the last problem.

Thinking of this, he called Reverend to the office,

And when there were only two people in the office, he sent more aura into his body.

Afterward, Charlie stared at Reverend, and said in a cold voice:

“Reverend, remember! From now on, as long as you get off the boat and enter the premises of this copper mine,”

“You will remember me and meet me.”

“Remember that I am your only master, and then you stay here honestly,”

“And after my people make all the preparations,”

“You will return to the freighter as if nothing happened, do you understand?”

Reverend nodded without hesitation and said: “Subordinate understand!”

Chapter 5170

Charlie changed the subject, and said again: “However, once you get on the boat,”

“You will temporarily forget me as a person, and that I am your only master,”

“And forget that I just gave you a psychological suggestion,”

“And in your subconscious mind, you only need to firmly believe in one thing, that is:”

“You have completed all the work in the copper mine,”

“And firmly believe that everything inside the copper mine is going well without any abnormalities!”

“Except for this point Other than that, you follow your true nature in everything,”

“Be the special envoy when you should be the special envoy,”

“Practice your martial arts when you should practice your martial arts,”

“Play with your male favorite when you should play, you act as the original, and it is what it is! Can you understand me?”

Charlie's words made Reverend feel a little short-circuited.

However, after a few seconds, he figured out the content of Charlie's hint.

In fact, Charlie just wanted to give him a hint, a trigger condition.

When Reverend was not here, Charlie didn't need him to be used by him,

Nor did he need him to keep thinking that he was his master.

What Charlie needs is that when Reverend is not here, he is still himself.

He doesn't remember that he has any master, nor does he remember that he was given psychological hints,

So as to ensure that he has no influence in front of other people.

And once he got off the boat and in the copper mines, the real strong cues kicked in.

In this way, it can be ensured that Reverend will become a tool man as soon as he arrives here,

And when he leaves this place, he can return to normal and be himself.

The only difference is that in the deepest part of his subconscious,

Charlie gave him a hidden hint, firmly believing that there is nothing abnormal here.

This order is extremely simple, and it doesn't require Reverend to think about it,

Nor does he need to deal with any other variables for it.

Therefore, the impact of this deep psychological suggestion on Reverend will also be reduced to a limit.

What's more, Charlie also specifically hinted that he should follow his true colors,

So that it would be more difficult for others to see the clues.

However, apart from Reverend, Charlie also controlled his favorite on the boat last night.

Right now, the same psychological hint needs to be given to that man as well.

So, he said to Reverend, "Go to the boat and bring your male pet over. I have something to tell him."

“Okay.” Reverend nodded without thinking, and then immediately opened the door and went out.

Just after Reverend left, Charlie called Joseph, Leroy, 390, 547, and Joseph’s master Jackson to the office.

After everyone came in, Charlie said: “Everyone, I have already solved Reverend’s problem.”

“In the future, as long as he is still a special envoy, he can temporarily avoid the monitoring of the Warriors Den.”

“However, once this matter changes, I am afraid that this base will be in danger,”

“And everyone will have to evacuate from Cyprus immediately before the Warriors Den has mobilized enough troops to attack.”

Leroy asked respectfully: “Sir, all of us add up to more than four thousand,”

“If we really need to evacuate, where can we evacuate to?”

Charlie smiled slightly and said with relief: “Don’t worry about this,”

“The Cataclysmic Front is on the other side of this coast in Syria and is building a base that can accommodate 100,000 people.”

“If necessary, I will ask him to transfer everyone to Syria.”

Joseph said at this time: “Don’t worry, everyone, Cataclysmic Front maneuvers from Syria,”

“And the response speed is much faster than Warriors Den maneuvers from other places.”

“Moreover, judging from the current global mobility of the Warriors Den,”

“The number of dead soldiers they can mobilize around the world in a single day cannot exceed 2,000.”

Joseph said this with confidence.

The strength of the Warriors Den is indeed very strong, and its influence spreads all over the world.

However, if they really want to concentrate their efforts on doing big things,

They are definitely not as good as Cataclysmic Front in this regard.

Even if it is a country whose military strength ranks above the middle in the world,

It is impossible to deploy tens of thousands of people around the world in a short period of time,

And there are tens of thousands of soldiers under the command of Cataclysmic Front,

And most of them are concentrated around Syria.

Therefore, in the Middle East, the Cataclysmic Front really doesn't have to be afraid of breaking the Warriors Den.

Joseph's words made Leroy, 390 and others breathe a sigh of relief.

After all, they all have families and have just seen the dawn of changing their destiny.

Under such circumstances, they naturally want to see More hope, see a greater success rate.

If there is Cataclysmic Front behind it as support, then everyone can completely rest assured and stick to it here.

Charlie said at this time: "Everyone must be clear about one thing."

"No matter how well we can hide it now, this base will be exposed sooner or later,"

“But the exposure is not terrible. As long as we are fully prepared,”

“We can definitely avoid unnecessary casualties.”

Then, Charlie said again: “Listen well, once something happens to Reverend,”

“We will immediately evacuate everyone, but before evacuating,”

“You must completely destroy this base for me. I want Warriors Den to watch their hard work go to waste!”

The value of this copper mine is not high, but the value of the underground project under the copper mine,

Which is specially designed for dead soldiers, is immeasurable.

The construction cost of the entire underground project alone is estimated to start at one billion US dollars,

And when various hardware equipment is included, the cost is even more astronomical.

The most important thing is that it takes a lot of time to quietly build such an underground project,

And it may not be completed in eight or ten years.

This is the most distressing thing for the Warriors Den.

Leroy said: "Sir, with your permission, we can lay a blasting point underground in advance."

"Once needed, we only need to fill the blasting point with high explosives to blow up the entire underground fortification."

"Once the underground is destroyed, there will be a huge subsidence area on the ground, and the entire copper mine will have almost no rescue value."

Chapter 5171

390 immediately agreed and said: "Yes, sir, the daily mining of copper mines is to use blasting and excavation."

"There are a lot of emulsion explosives in charge there,"

"As long as enough explosives are pre-buried on the key support positions,"

"The entire underground can be blown up!"

Charlie nodded slightly and said: "In that case, let's do it in advance. Get it ready."

After that, he turned to look at Joseph and his master Jackson Qiu, and ordered:

"Joseph, your master will be the commissioner here from now on,"

"Responsible for coordinating the operation of the entire copper mine,"

"For the control of explosives and the response to crisis situations,"

"You organize a team from the Front and set up a special force team."

"The special force team will be managed by your master,"

"And it will be fully responsible for the daily security of the entire copper mine."

"Once you find out the day the special envoy who came here is no longer Reverend,"

“You immediately implement the evacuation plan.”

Joseph and Jackson said in unison: “Your subordinates obey!”

Jackson asked: “Mr. Wade, as you said, once the special envoy is no longer Reverend,”

“Are we going to kill the new special envoy?”

“Yes!” Charlie said firmly: “Once we find out that the special envoy has changed,”

“Put him in the copper mine. Once he enters the copper mine,”

“The special forces will attack him immediately,”

“And he and his followers must be killed in the shortest possible time!”

As he said, Charlie explained again: “Everyone, listen to my next order!”

The crowd immediately got attentive and waited for Charlie’s next words.

Charlie looked at Jackson, and asked loudly with a resolute expression:

“Once the killing is successful,”

“Jackson must immediately convey the message to Joseph within 30 seconds without any delay. Can you do it?”

Jackson clasped his fists in both hands, bowed, and said,

“Mr. Wade, don’t worry, if I delay for a second, please come and see me!”

Charlie nodded and continued: “After receiving the news, you must send a ship to Cyprus within half an hour.”

“The ship must be large enough to take everyone back to Syria,”

“And there must be enough concealment means to prevent any clues from being traced by the other party.”

“Can you do it?”

Joseph immediately said loudly: “Don’t worry, master,”

“This subordinate will definitely complete all the arrangements!”

“Okay!” Charlie looked at Jackson again, and ordered:

“Once you kill him successfully, pass the information to Joseph,”

“We must immediately synchronize the information to the Cavalry guards and dead soldiers in the shortest possible time,”

“And at the same time dispatch special forces to start planting explosives,”

“At the blasting points that have been laid in advance, and prepare for the blasting, can you do it?”

Jackson bowed again and said, “Return to Mr. Wade, this subordinate can do it!”

“Okay!” Charlie looked at Cavalry Guard Leroy, and ordered:

“Leroy, once you receive the news, immediately notify all Cavalry Guard’s family members,”

“Prepare to evacuate, and at the same time you personally lead,”

“The elite soldiers of the Cavalry Guards to dispatch quietly,”

“To control all the people on the freighter in the shortest possible time,”

“And ensure that they cannot transmit any information to the outside world,”

“In a short period of time, can you do it?”

Leroy without hesitation resolutely replied:

“Don’t worry, sir, this subordinate will not disgrace the mission!”

Chapter 5172

Charlie nodded, looked at the dead man Thirty-nine-zero again, and ordered:

“Thirty-nine, once you receive the news,”

“Immediately organize all the dead men and their families to prepare for evacuation.”

“You live deep underground, and you must be careful when evacuating.”

“In the case of ensuring speed and efficiency,”

“Make sure an orderly manner and never panic!”

“And you must ensure that the elderly, children, and women evacuate first.”

“If others dare to preempt, they will be killed. Can you do it?”

Thirty-nine zero said respectfully: “Don’t worry, sir,”

“390 will guarantee with my head, and will never disclose anything!”

Charlie nodded slightly in satisfaction and said:

“At that time, as long as you can kill the new special envoy and control the people on the freighter in the shortest time,”

“In theory At least half a day can be bought for the evacuation,”

“Which is twelve hours, which is also the time required for the freighter to unload and reload;”

“As long as we seize the opportunity, we will be able to withdraw without a trace;”

“After everyone has withdrawn, the special forces left behind,”

“Will be responsible for blowing up the entire copper mine!”

“At that time, The huge explosion will definitely attract the attention of the local people first,”

“Once they intervene, it will be very difficult for the Warriors Den to follow up and investigate.”

“Moreover, this kind of explosion will completely destroy the entire underground,”

“And at the same time form hundreds of meters deep barrier,”

“Making it impossible for them to investigate in depth hundreds of meters underground;

“So as long as we don’t leave any clues when we withdraw,”

“These thousands of people will seem to have evaporated in the eyes of the Warriors Den.”

“They can rack their brains and couldn’t figure out how these people did it,”

“Let alone how these people broke through the shackles of the antidote.”

“By that time, I’m afraid that the Warriors Den will be the first,”

“To be frightened to the point of sh!t. It must be a huge blow!”

Speaking of this, Charlie paused slightly, and said with a smile:

“The above is our plan to overthrow the nest!”

Charlie’s plan to overthrow the nest is complete and meticulous,”

“And the execution rate is high enough, and he has given everyone a very clear division of labor.”

“As long as these people can follow his orders at critical moments,”

“Every Individual performs their tasks in an orderly manner,”

“So they must be able to make a perfect response in the shortest possible time.”

Moreover, Charlie believes that once the day comes for the implementation of the plan to overthrow the nest,

It will definitely be a huge blow to the Warriors Den.

At that moment, the Warriors Den will realize that the poison they use to control,

All members have been cracked, and its interior will first fall into chaos,

And people’s hearts will definitely change.

To the Warriors Den, it would be like a person who had been invulnerable to a knife and a gun,

Suddenly had an arm broken by a sudden bullet.

Everyone was very excited at this time because they knew that Charlie's plan,

To overthrow the nest would be put into action sooner or later, it was just a matter of time.

Once this plan is really launched, it will be their first step in revenge against the organization!

At this time, Charlie said to May 47 who came from Syria with Joseph:

"547, from now on, you stay here, you are the same as 390, you are a dead soldier,

Living with them must be more comfortable for you."

May 47 said respectfully: "Thank you, Mr. Wade!"

Chapter 5173

Seeing May 47's hesitant appearance, Charlie said:

"Don't worry, maybe the next slain garrison that we take over will be the one where your wife, children, and family members are,"

"But you have to understand that there is no rush for this matter,"

"And the flaws will be exposed again when it is cleared up."

May 47 said with a smile With tears in his eyes,

"Thank you, Mr. Wade, for caring about this subordinate's wife and children."

"Judging from your words, it's worth the death of this subordinates!"

Charlie smiled slightly, and said: "Live well, and live to see your wife and children."

May 47 nodded heavily with tears in his eyes.

Charlie immediately said to Thirty-Nine Zero:

"May 47 is a hard-working person just like you, and I will leave him in your care from now on."

Thirty-Nine Zero said without hesitation:

"Don't worry, sir, the subordinates will definitely take care of him."

“Okay.” Charlie nodded, waved his hands, and said,

“Okay, you guys go out first, Joseph and Jackson stay back.”

The others got up one after another, respectfully leaving.

In the office, only Joseph and his master Jackson were left.

Charlie looked at Jackson, and said calmly:

“Mr. Qiu, I have one very important matter that I want to leave to you.”

Jackson quickly stood up, bowed, and said, “Mr. Wade Go all out!”

Charlie nodded, and said: “All the dead soldiers, as well as the Cavalry guards,”

“After the poison in their bodies is removed, their actual combat capabilities have dropped a lot.”

“It is also a kind of continuously accumulating energy,”

“Which can enhance their strength to a certain extent,”

“So I hope you can take out the energy with which you taught Joseph,”

“And treat these dead soldiers and Cavalry guards as your own apprentices,”

“Teach them the real martial arts.”

Jackson immediately blurted out: “Okay Mr. Wade,”

“This subordinate will definitely teach them with all I have learned, and will never hide anything!”

Charlie was very satisfied with his attitude,

Most of them People in martial arts cherish the arts they practice very much,

And they are unwilling to pass them on to strangers under any circumstances.

Moreover, martial arts skills are not only the undisclosed secret of a fighter,

But also a detailed summary of all his martial arts characteristics.

If one’s martial arts skills are mastered by the enemy,

The chances of the enemy defeating him will be greatly increased.

Therefore, in the field of martial arts, most of the martial arts methods are not passed on to the outside world,

But are only passed on to one’s own descendants and clan members.

And for some martial arts sects, they will also divide martial arts skills into several parts.

The outer disciples can only learn a small piece of fur,

While the inner disciples can learn some essence,

But if really want to learn the sect.

All mental methods in the sect must be exposed to the most trustworthy closed disciples to be possible.

Charlie asked Jackson to teach these dead men and Cavalry guards.

Even if a normal person would agree, he would definitely hesitate and even struggle.

However, Jackson didn't hesitate at all, and he didn't intend to hide his secrets.

Just from this point, it can be seen that this person is sincerely obedient and full of sincerity.

So, Charlie nodded, looked at him, and asked with a smile:

"I've been trapped in the Ming Realm for so many years, shouldn't you be very anxious?"

"Yes..." Jackson nodded sincerely and said:

"I've been trapped for decades, and it's really worrying."

Chapter 5174

Jackson at this point continued with utter disappointment: "If it weren't for my eagerness to break through,"

"I'm afraid I wouldn't be in a hurry."

"I know that drinking poison (zhèn) to quench my thirst,"

"But I still decide to join the Warriors Den..."

Charlie nodded slightly, and said indifferently:

"Breakthrough is about talent, but more about chance."

"If you don't have enough talent, no matter how hard you try,"

"You may not be able to become a master of the dark realm."

"If you don't have the opportunity, even if you hang around outside the door for decades,"

"You will still be able to become a master of the dark world."

"You may not be able to find the way to get started."

Jackson said with shame: "What Mr. Wade said is true."

"This subordinate is not talented enough,"

“And the opportunity has not yet arrived.”

“Unlike Joseph, who can get the greatness bestowed by Mr. Wade at a young age...”

Joseph looked at the humble and ashamed expression of his master, feeling distressed and grateful at the same time.

His heart ached because he saw his master wasting away for so many years but failed to fulfill my wish;

Grateful as he was fortunate because he had taken at least 30 years fewer detours than him.

Life is only more than a hundred years,

And the detours of 30 to 50 years have been avoided.

The significance of this is so great that it can no longer be described in words.

Charlie chuckled at this time and said:

“The special envoy of the Warriors Den is a master of the dark realm,”

“And the Jiedu envoy before you is also a master of the dark realm.”

“After Joseph and I leave, you are the master of the dark realm,”

“Theoretically the highest commander, if you can’t reach the dark realm,”

“Doesn’t it seem that we are worse than Warriors Den...”

Jackson said with an even more ashamed expression when he heard this:

“Mr. Wade, the subordinate is not strong enough, and they are holding me back!”

Joseph on the side heard Charlie’s implication,”

“And seeing that his master was still confused, he urged a little impatiently:

“Master, thank Mr. Wade for your promotion!!”

“Ah?” Jackson was taken aback,

Obviously, he still didn’t understand what Joseph meant.

Joseph was already a little anxious, and hurriedly said:

“Master, you don’t know Mr. Wade, he can say that,”

“This is to wish you a helping hand and help you break through!”

After finishing speaking, he immediately knelt in front of Charlie, and said in fear:

“Mr. Wade, I think I’m not smart, so I don’t know if I may have misunderstood what you mean.”

“If I really misunderstand, I hope you can forgive me!”

Charlie nodded and smiled: “You are right, That’s exactly what I mean.”

No matter how dull Jackson was, he had already understood by this time.

Hearing that Charlie had affirmed Joseph's guess,

He quickly knelt on the ground, choked with gratitude, and said,

"Subordinate... Thank you Mr. Wade for your generosity!"

Charlie nodded, he took out two blood-scattering and heart-saving pills from his pocket,

Handed them directly in front of Jackson, and said with a smile:

"Take the medicine immediately,"

"Close your eyes and let the power of the medicine spread to all meridians,"

"And when you open your eyes again,"

"You will be a master of the dark realm!"

Chapter 5175

For those who sincerely follow him, Charlie is never stingy.

The first time Joseph led all the generals of the Cataclysmic Front to Waderest Mountain,

Despite such deep hatred, Charlie repaired his meridians after he broke him,

And even helped him step into the Ming realm full circle,

And then even help him directly into the Dark realm.

Now, Jackson is sincere and unreserved, so naturally, he should also help him.

What's more, Jackson had been trapped in the Ming realm for thirty years,

So if he could help him achieve a breakthrough at this time,

It would definitely be the greatest favor of his life to him.

Therefore, Charlie planned to take advantage of this opportunity to do him a favor.

At this moment, Jackson was still grateful deep inside,

And when he heard Charlie say that he would be able to break through,

To the Dark Realm by taking the medicine, his entire body trembled uncontrollably.

With trembling hands, he shivered and took the pill Charlie bestowed,

Then his whole body fell to the ground and bowed,

“Mr. Wade’s this great benevolence, this subordinate will never forget it!”

Charlie blandly said, “Quickly take the medicine,”

“The Cataclysmic Front also really needs more Dark Realm experts!”

Jackson heavily nodded his head, then glanced at the two pills in his hand,

And put them into his mouth without a second thought.

Immediately afterward, he experienced the most miraculous moment in his life.

The two actual pills suddenly turned into pure energy at the moment of entrance to his mouth,

And suddenly gushed into his dantian.

And at this time, Jackson in his dantian could not expect that there would be such a powerful surge of energy.

This feeling, as if the upstream suddenly broke the dam,

And a huge amount of flood water rushed into a small reservoir downstream,

Such powerful energy, which can be carried by a small reservoir.

So, after the energy quickly filled up his dantian,

It started to rush from the dantian to his eight channels.

The eight meridians were already open, but the degree of openness varied,

And the best-conditioned meridian was only 70% open.

But this force is surging and overwhelming, directly impacting his meridians more unimpeded!

Jackson's heart was shocked and overjoyed!

He finally understood why Joseph was able to make breakthroughs,

One after another in such a short period of time.

With this divine medicine, breaking through to the Dark Realm was as easy as a snap!

At this moment, Charlie's voice rang in Jackson's ears,

"Hurry up and guide and absorb this medicinal power, don't waste it!"

As soon as Jackson heard this, he immediately put in twelve percent of his energy,

Fully guiding the surging medicinal power, which was constantly working in his meridians.

Ten minutes later, he finally absorbed the surging power gradually,

And at this time, he finally discovered that his Dantian,

As well as the eight meridians, and even the muscles and bones of his whole body,

All had undergone earth-shaking changes!

Chapter 5176

Jackson could clearly feel that his strength had taken a big step forward,

And even his control of his own internal dantian and meridians had greatly improved.

Previously, he was like a handicapped person with poor eyesight,

Who could only see the state of his body in a haze, but now,

He felt like he had a new pair of healthy eyes, and could see the situation inside his body at a glance.

This all-around improvement made him marvel, but also excited to the point of tears.

He couldn't help but think in his heart,

“So this is what the Dark Realm feels like”

“Everything has become stronger and clearer, compared to before, it's simply a qualitative improvement!”

“If I didn't enter the door of the Dark Realm,”

“You will never be able to experience such a wonderful feeling in a lifetime!”

“I've waited for thirty years, and now it's all worth it!”

Thinking of this, Jackson opened his eyes,

In the haze of tears, he saw Charlie's face,

So he once again bent down and bowed, choking with excitement,

"Mr. Wade thank you for the opportunity you have bestowed on this subordinate!"

"This subordinate has finally broken through to the dark realm!"

Charlie smiled faintly and said seriously:

"The Dark Realm is just a new beginning,"

"The road ahead is even more difficult and farther than the decades you've walked before."

"Another thirty to fifty years would be required."

Speaking here, Charlie suddenly turned, and said seriously:

"However, the longer you live, the more effort you need to put in,"

"Ordinary people retire at the age of sixty to take care of themselves,"

"But martial artists, having the pursuit of cultivation,"

"I'm afraid that at the age of 160 still have to work hard to cultivate,"

"Life can not be easy, after this long road,"

"You and Joseph should be prepared for adequate psychological heap."

“This is definitely a pain that is difficult for ordinary people to experience.”

Jackson said respectfully, “Mr. Wade don’t worry,”

“Since the day I stepped into the door of martial arts,”

“I have already had a firm belief, the path of martial arts,”

“The road is long and far, I will go up and down and seek!”

Charlie nodded gently and said indifferently,

“From today onwards, teach these dead soldiers and Cavalry Guards well,”

“There will be a battle with the Warriors Den in the future,”

“How much chance you have of surviving depends in large part on how better you can teach them.”

Jackson said respectfully, “I understand!”

“Please rest assured, Mr. Wade, from today onwards,”

“I will teach them wholeheartedly without any reservations!”

Charlie faintly breathed a sigh of relief and spoke,

“Alright, go and bring in the original commissioner,”

“At least he is a Dark Realm expert, he cannot be wasted.”

“This subordinate obeys!”

Jackson quickly brought in the commissioner, who had been completely controlled by Charlie, from outside.

Chapter 5177

This person's cultivation level, although he was already in the Dark Realm Two Heavens,

Still, he became a puppet of Charlie at this time.

After that person came in, he stood in front of Charlie respectfully,

As if he was a robot waiting for orders.

Charlie looked at him and asked with interest, "What's your name?"

The man immediately said respectfully, "Back to sir, my name is Zyron Ni."

Charlie asked again, "How did you become this commissioner thing?"

Zyron replied, "I am from the Warrior camp,"

"And after I came out of the Warrior camp,"

"I first traveled in various continents before I was assigned here as a commissioner."

Charlie asked him curiously,

"The Warriors Den is so strict in management, how come they let you travel around?"

Zyron said, "Sir, traveling is a necessary process for everyone who comes out of the Warrior Camp."

“The organization lets us travel around so that we can look for people,”

“Who are talented in martial arts and convince them to join the Warriors Den.”

Charlie sneered: “So it is to pull heads everywhere,”

“It seems that the Warriors Den is very short of people.”

“Yes.” Zyron nodded and said, “In these few years,”

“There are fewer and fewer members of the Warrior camp,”

“And there are fewer and fewer martial geniuses with the potential to step into the Dark Realm,”

“So that’s why the organization has us traveling around to find suitable talents.”

Charlie nodded, pointed at Jackson, and ordered,

“Zyron, from today on, I want you to never leave this copper mine,”

“Always follow his instructions, do whatever he tells you to do,”

“If someone wants to oppose him, you must be the first to defend him with your life,”

“Even if you die, you have to be fearless, understand?”

Zyron nodded his head without hesitation and said, “I understand!”

Charlie nodded slightly and said to Jackson,

“This person’s strength has reached the Dark Realm Two Heavens,”

“He will stay by your side to be your helper.”

Jackson said, “Mr. Wade, Joseph is in more need of people,”

“This person’s cultivation level is even above my master and disciple,”

“Why don’t you let him stay by Joseph’s side and work for the Cataclysmic Front!”

Charlie waved his hand and said indifferently:

“Cataclysmic Front and your situation is different,”

“The Cataclysmic Front in the Middle East has become the ground snake,”

“Even the Warriors Den must weigh, but your place is different,”

“Killing opportunities, in case the Warriors Den replaced a special envoy stronger than Reverend,”

“With you two dark realm experts here,”

“The chances of winning are also greater, it is better to keep him in your place.”

Jackson heard this argument, also no longer insisted,

Arching his hand and said, “This subordinate obeys the arrangements of the master!”

Chapter 5178

Ten o'clock in the morning.

Reverend, who was the special envoy, was sent to the pier by the caravan together with his male pets.

Since the members inside the copper mine still needed to conceal their identities,

In the normal send-off session, the commissioner and others would not get off.

Therefore, Jackson did not get off from the car at this time either.

He watched as Reverend and his male friend got off the car,

And watched as the two of them stepped onto the freighter.

The guards on the freighter and the crew, when they saw Reverend,

Bowed to him with great respect,

And shouted good morning to the special envoy with a respectful face.

But Reverend seldom responded, at most, just a hint,

And then headed towards his office without looking back.

After entering the room with his male pet,

The captain came to the door, knocked, and said respectfully,

“Lord Envoy, our cargo has been loaded, do you think we should leave the port?”

At this moment, Reverend had triggered the strong hint that Charlie had left deep inside him,

He only knew that everything was as usual in the copper mine,

There was nothing abnormal, and he himself had successfully completed this delivery of medicine,

As well as the on-site review and this routine mission had been successfully concluded.

So he said indifferently, “Since the goods are all loaded, let’s just set off.”

“Okay, lord!” The captain responded and hurriedly said,

“Then this subordinate will arrange to set sail!”

The cargo ship, which had been moored in the harbor all night, finally began to set sail and leave.

Reverend, as well as his male pets,

Both had completely forgotten about what happened in the copper mine at this time.

It is also Charlie’s psychological implication with skillful,

And triggering conditions that maximally ensured that Reverend looks the same as usual at such times.

When the cargo ship disappeared at sea level,

Charlie was also ready to depart back to Lebanon, together with Joseph.

The affairs related to the station had already been arranged,

And in the future, this station would be jointly managed by Jackson,

The master of Joseph, as well as Leroy,

The cavalry guard, and Thirty Nine Zero, the dead soldier leader.

Their common superior, however, was Joseph.

Joseph left them a way to contact each other online,

And asked Jackson to call Leroy and Thirty-Nine-Zero to give a routine report to him together once a day.

Once everything was arranged,

Charlie stepped on the speedboat back to Lebanon together with Joseph.

After sailing, Charlie said to Joseph, "Joseph, when we arrive in Lebanon later,"

"I will fly back to the United States directly, so you should pay more attention to things here."

Joseph said without thinking, "Mr. Wade, don't worry, this subordinate will not let anything go wrong here."

“Good.” Charlie nodded with satisfaction and said,

“After you go back, let the brothers of Cataclysmic Front above the six-star,”

“Go all out for closed-door cultivation,”

“Make sure to build their respective foundations firmly!”

Saying that, Charlie said: “Within this year, the dark realm experts of the Cataclysmic Front,”

“Must be more than five! Right now,”

“Apart from you and your master, there are still three people missing!”

“You tell them to fill the space for these three, I will select the three with the best qualifications,”

“The most stable foundation, and the most diligent cultivation from among them,”

“And help them breakthrough to the Dark Realm!”

“Whoever works the hardest will have the possibility to become one of these three!”

Chapter 5179

“Adding three more Dark Realm experts?!”

Joseph was a bit stunned by Charlie’s words, and his jaw dropped.

Although he was already a Dark Realm expert now,

He knew very well in his heart just how rare a Dark Realm expert was.

It was not an exaggeration to say that Joseph had not seen a single one,

Who could break through the Dark Realm by his own cultivation.

The first is himself, he could break through the dark realm, all thanks to Charlie.

The second is his master, thirty years of work failed to break through,

Who relied on Charlie to give them the opportunity to finally be able to wish.

As for Reverend, the special envoy of the Warriors Den, and Zyron,

The commissioner, they were also trained by the Warrior Camp of the Warriors Den.

Therefore, so far, Joseph has not heard of any Dark Realm expert who broke through by themselves.

Because of this, when he heard that Charlie was going to add three more Dark Realm experts to Front,

His whole body was shocked and happy, and he couldn't even believe his ears.

In Joseph's opinion, if the organization could have five Dark Realm experts,

The overall strength would definitely cross a brand new level again,

Which is definitely a great good thing.

Thus, he gratefully and excitedly said to Charlie,

"Mr. Wade, if your subordinate tells this good news to the brothers,"

"Who are six-star war generals or above, they will definitely be very excited!"

Charlie nodded slightly and said indifferently,

"The establishment of the Warrior Camp by the Warriors Den is indeed a wonderful move!"

"Unlike the dead soldiers, those who are able to join the Warrior Camp,"

"Are almost all Ming Realm Great Perfection level experts,"

"And what is even more valuable is that the Warriors Den does not need to imprison or enslave them at all,"

"They only need to tell them that the Warrior Camp can make them Dark Realm experts,"

"And they themselves will rush to join the Warriors Den,"

“And they can also make them take the poison voluntarily.”

Saying that Charlie said with a serious expression:

“The biggest advantage of the Warrior camp,”

“Is that he simply does not need to train from within their own little to select,”

“But can be selected from among the world’s martial artists,”

“They do not underestimate the merit of this selection,”

“It can directly set the screening threshold to the ceiling, greatly saving energy and time.”

Joseph also could not help but sigh:

“They make every case expert must enter the world to travel and discover talents for the Warrior Camp,”

“This move is also very subtle, these dark realm experts,”

“Can easily see all martial artists of Ming realm great consummation,”

“And below Ming realm great consummation cultivation, in this way,”

“As long as there is a Ming realm great consummation found by them,”

“It is difficult for them to refuse the bait of becoming a dark realm expert.”

Charlie agreed and said, "This is also something worth learning,"

"The Front should also gradually set up an internal institution that specializes in training Dark Realm experts,"

"The first stage can be selected from within, and in the second stage,"

"It can be like the Warrior Camp of the Warriors Den,"

"Looking for suitable targets around the world."

After saying that, Charlie added: "Regarding this matter,"

"I will go back and think about it, and try to put it on the agenda as soon as possible."

Joseph respectfully said, "Okay Mr. Wade, this subordinate will wait for your instructions!"

.....

Chapter 5180

At noon, the speedboat Charlie and Joseph were on had arrived in Beirut, the capital of Lebanon.

In order not to delay, Charlie took the Concorde directly from Beirut back to the United States.

And Joseph also returned to the headquarters in Syria after Charlie's plane took off.

The Mighty Warriors Den did not know that they had permanently lost their base in Cyprus.

A few hours later, Charlie returned to Providence, to his wife's side.

Claire only thought that her husband had finished reading feng shui for another client,

But she did not know that he had spent the past few days bouncing around Northern Europe,

Syria, Lebanon, and Cyprus in order to fight the most mysterious and powerful organization in the world.

After returning to Providence, it coincided with the end of Claire's master class at the Rhode Island School of Design.

The Rhode Island School of Design had prepared a special ceremony for the master class,

And Claire had shared it with Charlie two days in advance,

Asking him to accompany her to the ceremony.

Charlie naturally did not refuse, his wife, after all,

Had studied hard in the master class for more than a month and was looking at graduation,

So he must accompany her and attend the closing ceremony together,

Which would also be considered a successful conclusion to this tour in the United States.

The closing ceremony was scheduled for Friday night,

And Claire was already returning to her home,

So she wanted to check out of the room early Saturday morning and embark on the return journey.

He did not hesitate to agree to this,

And had the Wade family's Concorde ready to take off from New York early Saturday morning.

The main reason for taking off from New York is that Charlie still has to go to the hospital of the Fei family,

To pick up his mother-in-law who is recovering in the hospital.

In addition, Auntie Li and Xiaofen, and Claudia had asked him,

That they would return to China together with the couple after Claire's studies were over.

Auntie Li and Xiaofen will help him to the large orphanage he invested in after they go back.

As for Claudia, who already has no relatives,

Charlie also promised her that he would find a way to arrange for her to study at the University,

So that she can put down roots in his city in the future.

There are many direct flights from Vancouver, Canada to New York, USA,

And Charlie intends to return home from New York, so he can meet the three of them in New York first.

The time soon arrived on Friday.

Chapter 5181

Claire finished all the classes at noon and returned to the hotel.

Once she entered the room, she couldn't hide her excitement and said to Charlie,

"Honey, our classes are all over!"

Charlie smiled and asked her, "How do you feel after the whole master class?"

"Very good!" Claire could not help but sigh:

"The heritage of the top design schools, as well as the thinking of the top design masters,"

"It is difficult for a small designer like me to learn to understand on their own,"

"It is like those who study classical music, you have to go to the top classical music schools like Curtis,"

"Juilliard, in order to realize how big the gap between self and the world's top."

Saying that she with a self-deprecating smile said seriously:

"In fact, I feel, I am such a small student, suddenly came to this kind of top hall,"

"Not at all like to learn something, but more like a pilgrimage."

Charlie smiled gently and encouraged: "Do not think so,"

“I have always felt that you have the talent to become a world-class designer,”

“You are still young, and have not yet ushered in the thick and thin time,”

“The masters of various industries are generally in the age of 40 or 50 years old before they start to make a fortune,”

“You are still so young, must not look down on yourself,”

“Maybe when you are forty years old,”

“You will be able to become the world’s top female designers,”

“At that time, I will really lie flat at home to eat with the earnings of my wife.”

Claire couldn’t help but laugh out loud and said shyly,

“I’m afraid that before I become a world-class design master,”

“You’ll already be a world-class feng shui master.”

Charlie laughed: “If Bill Gates asks me to read feng shui, then I really have to think about it.”

Claire curiously asked: “Why honey,”

“Bill Gates asks you to read feng shui and you have to consider?”

Charlie laughed: “Who came all the way to the United States to serve him ah,”

“If he buys a villa back in China, maybe I still consider seeing it.”

Claire couldn't help but laugh out loud and said,

“You, you said you were fat and you're really panting!”

After saying that, she remembered her mother, and asked her:

“By the way husband, how is mom doing in New York in the end,”

“These days I make video calls, she always does not answer,”

“Must be converted to voice before willing to talk to me a few words,”

“I always think she is not hiding something from me.”

Charlie thought: “Of course, she has something to hide from you,”

“You certainly can not imagine, she broke her leg again,”

“Right now this Bedford Hills ghost is in the hospital in New York to recuperate,”

“If you video call her, will it not leak the stuffing?”

Chapter 5182

However, Charlie smiled and comforted:

“You, do not think too much, Mom’s style of action you do not know,”

“We are the two ordinary people, simply can not figure her out,”

“Anyway, tomorrow we will return to the country, she certainly will not stay alone in the United States.”

Claire nodded and asked, “By the way, husband, have you fixed the tickets?”

Charlie shook his head and said, “No need to book air tickets,”

“Miss Fei just happens to have a plane to return to China,”

“So she can take us back by the way.”

Claire was surprised and asked, “Miss Fei?”

“Is it the Fei family’s Miss Stella Fei?”

“Right.” Charlie nodded: “Yes, it is her,”

“Some time ago that ba5tard of their family Randal Fei really brought a big trouble for them,”

“I went to help her change the feng shui, so that the Fei family could survive the crisis,”

“Miss Fei has been very grateful,”

“She knows that we will soon return to the country,”

“So she took the initiative to let us take her plane on our way back.”

Because there were more people going back together this time,

So Charlie did not intend to take so many people to take an ordinary civilian airliner.

However, his own Concorde is really eye-catching,

Not only have to explain it to Claire. But the mother-in-law’s love to show off is also a big problem,

Sitting in a Gulfstream she cannot stop posting online statuses.

If they take the Concorde, it is estimated that she will do it for a week.

So think about it, Charlie plans to let Stella randomly arrange a plane,

He is that close to her, about this small matter, he is not embarrassed to ask.

When Claire heard that Charlie was going to take Stella’s plane back,

Her expression was a bit complicated for a while.

When she first met Stella, Stella was still using her other identity named.

It was only when Claire saw Stella on TV that she realized that the person,

She thought her “best friend” hadn’t even told her, her true identity.

However, Claire was not angry, after all, she also knew that Stella’s status was unattainable,

And she, as a small entrepreneur from an ordinary family, was a hundred thousand miles away from her,

So it was rare that she could use another identity to make friends with herself,

Not to mention that she also helped her to get a valuable master class slot.

The only thing that she is not happy about is the fact that Stella has suddenly evaporated,

Without leaving any clues from the friend she had been talking to.

Claire’s friends are not many, and after you make heartfelt friends,

No one expects the other party to evaporate without any clue,

And you later find that even the identity is false, which makes her heart, more or less, have some blow.

Thinking of this, she could not help but ask: “Okay husband, Miss Fei will return to the country with us?”

Charlie shook his head: “She shouldn’t, what’s wrong?”

Claire sighed lightly and sighed:

“It’s okay, friends are friends after all, as long as everything goes well for her, it’s good.”

Chapter 5183

Charlie could see that in Claire's heart, she still treated Stella as a friend.

Only, on the basis of the huge gap between the social status of the two,

So that her own heart is also a little beaten back.

In this regard, Charlie understood very well in his heart.

Moreover, for him, he did not really want his wife to get too close to Stella.

On the one hand, Stella already knows his identity,

If the two of them get too close, it is likely to reveal his identity clues.

On the other hand, Stella is too smart, in contrast, Claire in front of her,

Is like a schoolboy facing a graduate student, one is too smart, one is too naive,

Such two people if they really become friends,

Both sides in order to compromise with each other must be very tired.

So, the two people just keeping the current state, in Charlie's opinion is the best.

So, he digressed and asked Claire,

"Honey, what time is the closing ceremony starting in the evening?"

Claire said, "The ceremony is from 5:00 to 5:30 pm to start signing in,"

"And it officially starts at 6:00 pm."

Charlie nodded and said, "Then let's collect our luggage in the afternoon,"

"And we can drive to New York in the morning."

"Yes!" Claire happily agreed and said with some joy,

"I've been out for so long, I'm really homesick!"

"Dad finished his exchange a few days ago and went back from Korea,"

"So I don't know how he's doing at home alone these days,"

"He can't cook either, so eating alone is a problem."

Charlie laughed: "Eating is a small matter, these days there is cell phone,"

"Where one can not be hungry, and Mom is not at home,"

"Dad you may not know how happy he is living alone,"

"So he may also look forward to us going back later,"

"For middle-aged married men can live alone at home for a few days,"

"It is more comfortable than being the President of the United States for a few days."

Claire could not help but sigh: "You see when we first came to the United States,"

"Dad also went to Korea for exchange, mom was alone at home,"

"According to what you just said, she must have been very comfortable at home alone,"

"But she still missed us, so she came all the way to the United States to see us."

Charlie was a bit dumbfounded and thought to himself,

“She has us in her heart? Good wife, you do not know your own mother well enough,”

“The reason why your mother came to the United States,”

“The reality is, in order to let her come to accompany you, I designed a small scheme,”

“Let her spend all the money, but where she has a hundred thousand or two hundred thousand in her hand,”

“Fix a golden chair to invite her, she would not come to the United States.”

Chapter 5184

However, naturally, Charlie could not tell the truth,

So he said with a smile, "You are right, wife, mom is more sentimental."

Claire laughed and said, "We will leave tomorrow morning,"

"We will be home in ten hours or so,"

"By then Dad's these good days are I am afraid going to come to an end."

While Claire was packing her luggage,

Charlie went to the terrace of the presidential suite and made a phone call to Auntie Li in Canada.

Just after the phone was connected,

Auntie Li called out respectfully on the other end of the line, "Young master!"

Charlie wanted to persuade Auntie Li not to address him like that,

But after thinking about it, he finally gave up the idea.

He knew that even if he asked Auntie Li not to call him Young Master,

It would not change the fact that in Auntie Li's heart,

He was the young master of the Wade family.

Plus, she always felt that it was the Wade family that saved her life and arranged for her to retire in Canada,

And in her mind, she felt that she was a servant of the Wade family.

In front of people who did not know Charlie's identity,

She would call him by his name against her heart,

But when there were no outsiders, she wanted to call him young master from the bottom of her heart.

So, Charlie also stopped pointing out this matter,

But said with a smile, "Auntie Li, Claire's course here has ended today,"

"We plan to return to Aurous Hill tomorrow, you and XiaoFen,"

“Along with Claudia should simply prepare, come to New York tomorrow to meet up with us.”

When Auntie Li heard this, she couldn't help but say happily,

“That's great Young Master, all this time,”

“Fanny has been talking to me about returning to Aurous Hill,”

“And I've been thinking about the large orphanage you mentioned, and I've been longing to return.”

Charlie laughed, “That's great, I was afraid you wouldn't be able to leave the Canadian environment.”

Auntie Li said very seriously: “Young master, to be honest,”

“When people get older, nowhere is as good as home,”

“Not to mention that I can still shine for those children after I go back, so I can't wait.”

“That's good.” Charlie also breathed a sigh of relief and asked,

“By the way Auntie Li, how are Fanny and Claudia doing lately?”

Auntie Li returned: "They both still go to the supermarket every day to work,"

"After the last incident, the two had a better relationship, like sisters."

Charlie asked, "Regarding the matter of going to Aurous Hill,"

"Did Claudia show reluctance or have any worries before?"

Auntie Li thought about it and said, "Since you left,"

"Claudia seems to be more optimistic and cheerful,"

"And she is still looking forward to going to Aurous Hill to start a new life.

Chapter 5185

Saying that Aunt Li added: “However, the only thing she may not be able to rest assured,”

“Is the mausoleum of her parents and brother, Fanny promised her that in the future,”

“Every year during the summer vacation, she will accompany her back to pay respect to her parents,”

“And she has nothing to worry about it anymore.”

“That’s great.” Hearing this, Charlie also slightly put down his heart.

Although he did not have much contact with Claudia,

But this girl’s experience really made him very sympathetic,

Especially the family died at the hands of relatives,

And eighteen-year-old her, but bear the humiliation, a fake scar on the face to show people,

With this mind and patience, the ordinary eighteen-year-old girl could not just cope.

It is a good thing that she helped Claudia to kill her enemy,

Otherwise, it would be difficult for this girl to live a normal life.

If she hadn't discovered that they were plotting against Xiaofen and alerted him,

He wouldn't have been able to save Xiaofen, let alone help her complete her revenge.

While feeling emotional, Charlie smiled and said to Auntie Li:

"Auntie Li, after going back this time, the house and the supermarket face in Canada can also continue to keep,"

"In the future, if you are really tired and want to retire, you can also come back to Canada;"

"In addition, I have arranged for Richard Chen to prepare a decent villa for you, Fanny, and Claudia in Aurous Hill,"

"So you can keep this villa for your retirement in Aurous Hill,"

"And if Fanny and Claudia get married in the future, it will be the maiden home of the two girls."

Auntie Li hurriedly said, “No, young master,”

“You and the Wade family have already given me too many favors,”

“How can I still want your villa, you just need to leave a room for us in the orphanage

Charlie said seriously: “Auntie Li, the time has changed,”

“Today’s Charlie is no longer the same Charlie who works three jobs every day,”

“And earns money for books and milk powder for his siblings in the orphanage.”

“If you discount it, it’s not as good as a box of lunch money when I work part-time, so you don’t have to push it.”

He continued: “You have taken care of me for so many years,”

“You are my benefactor, and now you have to return to work for me in Aurous Hill,”

“If I don’t give you a proper settlement in Aurous Hill, others will also have words for me.”

Auntie Li sighed and said from the bottom of her heart,

“Young master, in fact, for so many years,”

“I just did my own share of work, never dare to take the word benefactor

Charlie firmly said, “Auntie Li, in my heart, you are my benefactor.”

Saying that he does not want to continue to dwell too much on this issue,

So he digressed and said, “Okay Auntie, you let Fanny and Claudia start packing,”

“Whatever you need or want to bring, feel free to bring,”

“I have arranged for Orvel to fly to Vancouver early tomorrow morning,”

“Let him bring someone to pick you up from home.”

Auntie Li said, “Young master, no need to take so much trouble,”

“The three of us can just go to the airport by ourselves.”

Chapter 5186

Charlie insisted: "Auntie, the journey and other things, all matters Orvel will take care of,"

"You do not have to worry about anything, we will meet directly at the airport in New York tomorrow,"

"You and the girls will take the plane and we will return to Aurous Hill together,"

"When the plane lands in New York, we will board the plane to meet you,"

"You do not have to get off the plane to toss the connecting flight."

Hearing Charlie's firm tone, Auntie Li had to agree and respectfully said,

"Then it will be hard for you to arrange it, Young Master."

"It's not hard work." Charlie smiled faintly and spoke,

"Auntie Li, then let's see you tomorrow!"

.....

Five o'clock in the afternoon.

Charlie, who had changed into a suit, and Claire, who was wearing a long white evening dress,

Arrived at the Rhode Island School of Design together.

This is the summer vacation time for American college students,

So on the large campus, can not see young students,

But there are many faculty and staff shuttles,

And there are even many media reporters in the field of design of well-known designers.

The Rhode Island School of Design attaches great importance to the master class every year,

So the school's auditorium was especially used to hold the closing ceremony for the master class.

When Charlie and Claire arrived at the auditorium, the auditorium was already full of people.

Many designers who attended the master class had invited their friends and relatives,

And even their bosses, mentors, and partners in the design field to support the closing ceremony today.

The closing ceremony is actually an opportunity for industry elites,

To show their status and make friends with powerful people in the industry.

In contrast, Claire, who is only accompanied by her husband,

And has little background in the industry, and looks a bit out of place here.

When signing in, Claire found an inconspicuous corner on the large sign-in board and wrote down her name.

Just handed the signing pen to the etiquette lady,

Next to an oriental-faced woman who came in stride,

She wrote a huge string of signatures next to Claire's signature: Emily Wang.

Emily Wang, it seems that it should be Chinese.

The only, that made Charlie a little upset was that she signed her name extra large when she signed,

And that last letter G also threw an exaggerated arc, even drawing a bit on Claire's already signed name.

Claire saw her signature being drawn on by the other party,

Slightly stunned, but did not say anything, while Emily Wang, at this time,

Looked at Claire with a surprised face and said with a smile,

"Hey Claire, I just did not see you, when did you come?"

Claire smiled and said politely, "I just arrived."

Emily nodded and said with a smile,

"I have become a senior partner of AECOM Construction Company,"

"And our boss is also here today, I will introduce you to him later,"

"You can have a good chat with him, maybe you will have a chance to join AECOM too!"

Claire smiled faintly and said, "Thank you, Emily,"

“But I don’t plan to find a job, I’m thinking of returning to China after finishing school.”

Emily said with a serious face: “Going back to continue to run your small decoration company?”

“To be a designer is to join the world’s best design companies,”

“Become a senior partner, and then take the Fortune 500 companies,”

“Even the Olympic Games, and World Cup full project design, this is the meaning of our master class!”

Saying that she saw a few people walking not far away,

And said in a rush of surprise, “My boss is here! Let me introduce you to him!”

Chapter 5187

Claire did not intend to exchange too many pleasantries with Emily,

So she hurriedly said to her,

“Emily, I’m not very good at socializing, so I won’t bother your boss.”

Saying that she then said to Charlie,

“Husband, why don’t we go in first.”

When Emily heard Claire call Charlie her husband,”

“She looked at Charlie with a surprised face and asked,

“You’re Claire’s husband, huh?”

Charlie nodded slightly: “Yes, I am.”

Emily looked Charlie up and down twice and laughed:

“Claire said you specialize in reading feng shui for people,”

“Do people still believe in such deceitful things?”

Charlie frowned slightly and spoke,

“Many things are believed or not believed, just like religious gods,”

“No one has ever seen a God, but it doesn’t stop believers from believing in his existence.”

Emily laughed: “God and feng shui is not the same thing,”

“God is faith, in other words, it is a crystallization of wisdom,”

“As for feng shui, it is just some charlatans to woo the feudal superstition.”

Charlie waved his hand and laughed lightly:

“The real theory of feng shui is from the eight trigrams of the I Ching,”

“And the I Ching was written in the Western Zhou Dynasty, more than three thousand years ago,”

“Its history is longer than the world’s three major religions,”

“So the next time Miss Wang you review a matter,”

“It is best to figure it out before you speak, lest you make a fool of yourself.”

Emily did not expect that Charlie opened a mockery of herself,

Her face was a little embarrassed, but, what Charlie said about the I Ching,

She had only heard of it, but never understood it in depth,

So she did not know how to refute it after being mocked by him like this.

So she simply shrugged her shoulders and coldly hummed, asking him,

“You know so much, why don’t you show me the feng shui here,”

“And also let me personally experience whether the feng shui secret art you say is reliable or not.”

Charlie did not want to pay attention to her,

But after looking her up and down, he could not help but laugh:

“This look does not matter, Miss Wang’s career luck seems to have a big problem.”

“Career luck?” Emily was slightly stunned, and then smiled and said,

“You said my career luck has gone very wrong?”

“Right,” Charlie said with certainty:

“There is indeed a big problem if I’m not wrong,”

“Your career will soon suffer an extinguishing blow,”

“And all the roots you have worked so hard for before, may all go up in smoke.”

Chapter 5188

Emily laughed shamefully: “What are you kidding me,”

“If you say I may have other problems, I might still believe you a thousand percent,”

“But you saying my career to suffer a blow, this is simply a joke!”

Emily said with an arrogant face: “AECOM, AECOM, you may not know much about this company,”

“This is the world’s top design group, among the listed companies, with a market value of more than 10 billion dollars!”

“There are only a few dozen people in the world who can be a senior partner in such a company,”

“And I happen to be one of these few dozen people, and I’m the youngest one among the few dozens!”

“Moreover, to become a senior partner, the annual income before tax is more than five million dollars,”

“And the top partners can even achieve a year of more than a hundred million dollars!”

Speaking of this, she looked at Charlie with a sneer on her face and laughed shamefully,

“I just became a senior partner today, and my future is bright,”

“So who are you to say that my career is going to suffer a crushing blow?”

“Is it just based on my face? What a joke!”

Charlie was disliked by her though he was angry, staying very patient he said:

“You are indeed red today, there is a great joy, but your brow hostility is too heavy,”

“Which proves that you are not good-natured, plus your eyes are large,”

“But slightly prominent, eyes do not hide nature, from this can be seen,”

“You are narrow-minded, have a hidden evil in the heart, and your lips are very thin,”

“You talk sharp-eyed mouth, this is Typical thin lips tip,”

“Proving that you are usually sarcastic, good at causing trouble,”

“Which are easy to get into trouble characteristics.”

Emily sneered, “Yo, you feng shui reader, you start to engage in personal attacks now?”

“What’s wrong with my big eyes and thin lips?”

“This is easy to cause trouble? Then why don’t you say I’m pretty and tall and have a good figure?”

Charlie laughed: “I was just going to say, your eyes up, mouth shape down,”

“Lying silkworms containing mole, this is the standard charming phase,”

“Saying you were born charming bones is not too much,”

“And you have a great joy of the momentum,”

“And your natural charming bones have a necessary connection,”

“To put it bluntly a day, you can have career luck, your looks and body have helped a lot.”

Emily heard this, suddenly became a little less natural, stammered, and said:

“You you do not bullsh!t here I tell you,”

“I can be here today, it is a step-by-step struggle! Never rely on looks and body.”

Charlie bristled: “From the face, every rise in your life, is inseparable from the body,”

“But this kind of thing you listen to, accurate or not, you have a number in your heart on the line.”

Emily immediately angrily sneered: “I say you do not go for a personal attack,”

“Believe it or not I can have a lawyer sue you?”

After saying that, she herself snorted coldly and said with contempt:

“Besides, what’s the use of you talking a bunch of nonsense here?”

“I am lucky today, a step to the sky, where is the extinguishing blow you said?”

Chapter 5189

Charlie was about to speak, a middle-aged male came to the front,

Smiling said to Emily, “Emily, what friend you are chatting with so opportunistically.”

Emily looked at the middle-aged man and said with a smile,

“Chairman, you’ve come over so early!”

The middle-aged man laughed and said,

“I definitely had to come over early to support your closing ceremony.”

Saying that he looked at Claire with interest and asked her,

“Emily, you still haven’t introduced me to this beauty?”

Emily hurriedly said, “Chairman, this is the master class classmate I often told you about, Claire Willson.”

After saying that, she hurriedly said to Claire again,

“Claire, this is our boss, Matthew Peterson.”

Claire just nodded to Matthew and did not say anything.

Matthew, however, seemed to be somewhat amazed by Claire,

And hurriedly took out a business card, handed it to her, and said seriously,

“Ms. Willson, we are actively absorbing some young blood recently,”

“And a young and talented designer like you is the most urgent partner at present.”

“I can give you a partner status with an annual salary starting from at least one million dollars!”

Claire shook her head and said lightly,

“Sorry Mr. Peterson, I have my own company, which is small,”

“But in my opinion, it is much more comfortable than going to work for any company.”

Matthew Peterson’s expression was a little disappointed,

But he quickly adjusted again and said with a smile,

“Never mind, we are also looking for some potential start-up design companies around the world at the same time,”

“If Ms. Willson wants to cooperate with us or take our investment, we can have an in-depth chat.”

Charlie could see that this Matthew Peterson was not harboring good intentions,

So he said lightly, “Sorry, my wife doesn’t need investment from anyone but me.”

Matthew frowned at Charlie and opened his mouth to ask Emily,

“This gentleman is?”

Emily hurriedly smiled and explained,

“Boss, this is Claire’s husband, he is a very powerful feng shui master,”

“He just read my face and said that my business will suffer an extinction blow,”

“It happens that you are my boss, please help me to confirm,”

“Whether my business is going to soar upward or fall downward today.”

Charlie smiled and said seriously, "I just said that you do have great joy today,"

"Although you have a bad face, after all, you were born with charming bones,"

"As long as there is a man with strong enough ability to be attracted to your charming bones,"

"His ability will be able to help you to suppress the defects in your face."

Matthew laughed and spoke, "Of course, it's upward soaring!"

After that, he looked at Charlie and said with a smile,

"Sir, today Emily was promoted to senior partner,"

"Her salary has doubled several times, moreover,"

"I am her boss, when I say let her go up,"

"She will definitely go up, I wonder how you judge that her career will meet its end?"

Chapter 5190

Charlie looked at Matthew and said indifferently,

“You should not think that you can sway her future because you are the boss,”

“Feng shui is here, it is the most impossible to be wrong,”

“Maybe the one who really gives her the doomsday is you.”

“Joke.” Matthew Peterson sneered and said,

“I’ve lived for over forty years, the first time I’ve seen you such an arrogant young man,”

“Do you know how much I value Emily?”

“Even if the sky were to fall, there is no way I would give her any extinction.”

Charlie ignored him, just look at Emily, and said with a smile:

“I just said, you do have good luck today,”

“But your fault is that you should not wear this outfit,”

'This outfit in addition to black is white,"

"Just with your red face to form a strong contrast, which in feng shui, then has formed a brake!"

Charlie paused, and said: "You know when people are happy,"

"The most taboo is to wear like this. Black and white is only worn at the funeral and it will not offend,"

"Any other time will form a feng shui brake, even if the bride gets married,"

"Only dare to wear a pure white wedding dress, who dares to add black elements in a white wedding dress,"

"If done so, the wedding is bound to have a lot of bad luck,"

"And your black and white has obviously overshadowed your full red,"

"So your luck today is bound to be counteracted by this break,"

"And your luck happens to be in the business,"

"Which also means that your career is bound to suffer a disaster of extinction."

Emily listened to Charlie, and the whole person got angry:

“You people are really dirtbags! What black and white with offensive,”

“You know this is Chanel’s high-end custom models!”

“Ordinary people with a lot of money even cannot buy it!”

Charlie laughed: “What high-end custom, I do not know much,”

“But I bet the person who designed this outfit does not know feng shui.”

Matthew also mocked: “Emily this body Chanel high-fashion models, I specifically got after finding Chanel top designers personally,”

“And black and white color scheme is the most classic Chanel color scheme,”

“If you do not know anything, do not laugh here!

Emily sneered, looked at Claire, and sneered, “Claire,”

“You at least came to the Rhode Island School of Design master class,”

“How come you married such a man who is deceitful and full of lies? He is too unworthy of you!”

Claire heard Emily say this about Charlie, her heart was naturally a little angry,

So she did not answer Emily's question, instead, she spoke with a serious face:

"Emily, my husband is very accurate in reading feng shui for others,"

"He has many prominent clients in the United States,"

"He definitely will not believe what he says."

Matthew off to the side said, "Ms. Willson, people with distinguished status have a common characteristic,"

"That is, a high IQ, how could they be deceived by such a clumsy deception of your husband?"

After saying that, he sighed and mocked,

"Rhode Island School of Design is the best design school in the world,"

"The master class here is even the elite of the elite,"

"I really don't know how a charlatan like you, who talks out of his a55,"

“Got mixed up here, in your Chinese saying, that is a rat turd that ruins a pot of soup.”

As she was saying this, Emily suddenly looked toward the entrance,

And exclaimed with a horrified face, “Boss, Miss Fei Fei is here!”

Chapter 5191

“Miss Fei?!” Matthew exclaimed, “How did Miss Fei get here?”

After saying that, he hurriedly turned his head to look at the entrance.

It didn't matter what he saw, he saw the beautiful young Stella,

Accompanied by Karl, walking in!

In an instant, Matthew's body trembled with excitement.

When the others saw Stella, they were all speechless with shock,

And deep inside they were equally surprised and happy.

No one expected that the famous Stella Fei would appear here.

Although this is the temple of top designers,

But the profession of designer, itself is equal to the service of rich people's technician.

Compared to a heavyweight big shot like Stella, they are more like a group of Michelin restaurant chefs,

Each of them looking forward to a chance to personally cook a good meal for a top client like Stella on a regular basis.

However, with their rank, they were not qualified to serve her personally.

But who would have thought that today, such a group of chefs gathered,

And Stella, a top tycoon, would also come to support.

This really makes them feel flattered!

And Charlie also did not expect Stella, who was already the head of the Fei family,

Would come to Providence personally without a greeting.

But in Charlie's mind, Stella came here especially, should be to support his wife.

The moment Claire saw Stella enter, she said to Matthew and Emily with a bit of gambling and impulsiveness,

“Don't you guys believe that my husband has shown feng shui to many people of high status?”

“To tell you the truth, this Miss Fei is one of my husband's clients, if you don't believe me, you can ask her!”

On normal days, Claire rarely cared about other people's comments.

But today, these two kept mocking Charlie, which indeed made her very dissatisfied in her heart.

She used to doubt that her husband would be cheating when he read feng shui for others.

However, as Charlie's clients became more and more numerous,

And their social status became higher, she found that not only did Charlie not lie,

But he had accumulated a very good reputation in addition to money.

This made her heart, gradually accept the setting that Charlie is very good at reading feng shui.

So at a time like this, she naturally couldn't stand the two people who kept blabbing about her husband.

It just so happened that Stella came, so she instinctively thought that Stella could completely give her husband proof,

So that these two people would know that her husband was not some shoddy liar, but a person with real talent.

When Emily heard Claire's words, she immediately held her arms and laughed in shame:

"Claire, do you know who Miss Fei is? The helm-holder of the trillion-dollar Fei family!"

"A trillion dollars! As long as she says a word,"

"Feng shui masters all over the world will flock to the door of her manor and fight for a chance to see her,"

"Here you say she asked your husband to look at feng shui, you are bragging too much, right?"

"If your husband can read feng shui for Miss Fei, then I can even design the manor for Miss Fei!"

Claire said with an expression of anger, "If you don't believe me, you can ask Miss Fei."

Emily's face suddenly became very ugly, staring at Claire, gritting her teeth, and saying,

"Claire, Claire, I thought you were a simple person by nature,"

“But I never thought your heart would be so malicious!”

“It is not too much to say that you are a snake with a scorpion’s heart!”

Claire frowned and asked, “Emily, what do you mean by that?”

Emily coldly snorted: “Hey, don’t you just want to trap me?”

“Do you think I’m stupid? I really want to risk going to Miss Fei to ask the truth,”

“Miss Fei will certainly think that I am particularly abrupt, and even discontent with me,”

“Then you deny saying that just now, then even if I jump into a river to prove my innocence in front of Miss Fei,”

“I can not be washed? I could get a bad impression in front of her, my career will be finished!”

“You still say you are not trying to harm me?”

Chapter 5192

Claire was so angry with her that her eyes were flushed red,

She held back her anger and aggression and said word for word,

“Emily, you are nasty-minded to think that others want to harm you,”

“I although am not much capable, but never did anything against my conscience, and never say anything against my conscience!”

“Cut it.....” Emily disdainfully brushed her mouth:

“Claire, I out of kindness wanted to lift you up, by joining us,”

“But I did not expect you to be this kind of inconsistent, two-faced woman, really too disappointing!”

After saying that, she looked at Matthew and said delicately,

“Chairman, it’s all my fault for not being able to judge people,”

“I originally wanted to recommend Claire to you, but I didn’t expect her to be this kind of person

Matthew at this time is more or less riding a tiger.

Emily originally is his adopted lover in the company,

Because she is obedient and understanding and will serve him well.

The most important thing is that she can clearly position herself, knows that she is just a plaything of Matthew,

So she never clings to him, even though Matthew is ambiguous with other women, she is never jealous.

Later, Emily found that Matthew was a little tired of her,

And he seems to have a fondness for Oriental women,

So she took the initiative to turn into a pimp,

Not less to help him in matchmaking, so that he can meet and catch more women.

After all, as long as he keeps Emily's found lover, it is the same as planting a seed,

This seed can be a constant source of more resources for her.

And the woman Emily plans to match up with Matthew this time is her classmate in the master class, Claire Willson.

Regardless of appearance, figure and temperament,

Claire is one in a million. Emily felt ashamed when she saw her for the first time.

She took advantage of the opportunity of her daily class to secretly take a lot of photos of Claire,

And then sent these photos to Matthew. Matthew was shocked when he saw the photos,

Therefore, he planned to take advantage of this graduation ceremony to come over and get to know Claire in person,

And then use his status in the design field to get Claire into his pocket step by step.

Although he knew that Claire was married, he didn't care about it.

His wishful thinking was to keep her in his company under the conditions of a partner.

As long as this goal is achieved, he has plenty of opportunities to attack slowly.

Due to AECOM's dominance in the industry, the identity of a partner is extremely valuable in the entire design circle.

Young female designers dream of getting such an opportunity, so he firmly believes that Claire will be moved.

However, he never expected that she was not at all interested in the conditions he gave.

Moreover, Claire was not only not interested,

But even approved of her husband who practiced Feng Shui, which made Matthew a little depressed.

He felt that if he wanted to lure Claire into his company,

The first thing he had to do was to make her realize that her husband was an out-and-out liar.

So, he glanced at Emily, who was stirring up the flames, and said with a smile:

"Emily, don't say that, I think Ms. Willson is sincere, and she will definitely not deceive you on purpose."

Charlie changed the subject and said with a smile:

“Maybe Ms. Willson is also a victim, and she didn’t know she was cheated.”

Emily heard that the boss didn’t want to give up on Claire, so she hurriedly smiled and said:

“Chairman, you are right! I also think that Claire must have been deceived!”

Matthew looked at Claire and said with a gentlemanly smile:

“Ms. Willson, the largest shareholder of our company is Chimelong Capital of Wall Street,”

“And Chimelong Capital is a specialized investment entity under the Fei Family,”

“In other words, the Fei family is actually the largest shareholder of our group.”

“Although Ms. Fei doesn’t know me, I believe that if I declare my family name,”

“I should be able to become friends with her. You just said that Miss Fei is your husband’s client,”

“Although I don’t intend to question it, but to make sure that you are not cheated,”

“Ms. Willson, I can help you to verify it with Miss Fei.”

Chapter 5193

Hearing this, Charlie snorted, waved his hand, and said,

“Forget it Forget it, Miss Fei is so busy, so don’t bother her with such a trivial matter.”

Charlie deliberately refused, in fact, deliberately showing weakness to Matthew,

He knew this kind of person very well, as long as he felt that he won decidedly,

He dares to bet any chips, this move is called luring the enemy deep.

As predicted.

As soon as Matthew heard Charlie say forget it, he immediately got excited and said solemnly:

“Sir, Miss Fei is here now. If Miss Fei is really your client, you have to go and talk to her.”

“She said hello, right? And Miss Fei is one of my bosses,”

“It’s only natural for me to say hello to her,”

“So it’s not an interruption, so why don’t we go there together.”

Charlie waved his hand: “Forget it. If you want to say hello, you can go yourself, I won’t go.”

Charlie’s performance made Matthew even more convinced that Charlie was bluffing,

So he snorted and said: “If that’s the case, then I’ll go over and say hello to Miss Fei.”

After finishing speaking, he looked at Emily who was at the side, and said,

“Emily, you stay here with Ms. Willson and her husband.”

Emily immediately understood that the boss was telling her to keep an eye on Charlie and not let him run away,

So she smiled and said, “Don’t worry, Chairman, I will definitely accompany them both.”

“Okay.” Matthew smiled proudly, then turned around and walked towards Stella.

He walked quickly to Stella, stretched out his hands from a long distance,

Made a gesture of wanting to shake hands, and said respectfully:

“Miss Fei! I didn’t expect you to come here! It’s really a surprise!”

Stella originally wanted to see where Charlie and Claire were,

But unexpectedly a stranger rushed out, so she asked in surprise:

“Excuse me, who are you? Do we know each other?”

Matthew said hastily: “Miss Fei, I am Matthew Peterson, the chairman of AECOM.”

“Your Chimelong Capital is the largest shareholder of our company,”

“But you haven’t come to our company yet for inspection.”

Stella frowned slightly at first, then remembered something, and said,

“I saw your company’s name in Chimelong Capital’s financial report,”

“It seems that your recent stock price trend is not bad?”

“I remember Chimelong Capital invested in yours, and there is still a floating profit.”

“Yes, yes!” Matthew nodded quickly and courteously:

“Your investment director has a very good vision. They were the lowest in our stock price in September last year.”

“You came in and now the stock price has risen by nearly 30%!”

Stella nodded slightly, and said politely: “The stock price has risen well,”

“And there is a high probability that your business is doing well, and I hope you continue to work hard in the future.”

“That’s sure! We will announce a series of good news soon, and the stock price will definitely rise again!”

Matthew said flatteringly, then glanced at Charlie’s back not far away,

And immediately deliberately smiled and said, “Oh, by the way, Miss Fei,”

“Just now a friend just mentioned that you are his client. Would you like to come over and have a chat?”

“He said I was his client?”

Stella asked curiously: “Who is it?”

Matthew immediately pointed to Charlie who was not far away, and said with a smile:

“That’s the gentleman, he said He is a Feng Shui master,”

“And he also said that you are one of his clients, Miss Fei, do you know him?”

Stella saw Charlie’s back and immediately recognized him.

She was overjoyed at first, but then she couldn’t help but frowned and thought to herself:

“This Matthew’s tone of voice doesn’t seem quite right, what he said earlier is quite normal,”

“But why did he bother to ask in the end? He doesn’t know Mr. Wade?”

“Could it be that he suspects that Mr. Wade is lying?”

Chapter 5194

Thinking of this, Stella immediately guessed the matter, thinking:

“It seems that this guy probably doesn’t believe what Mr. Wade said,”

“So he borrowed chance and came to say hello to me,”

“And deliberately mentioned Mr. Wade, by the way, wanting me to expose him personally?”

At this point, Stella couldn’t help but said to Matthew in surprise:

“I do have a cooperating Feng Shui master, but he went to another place some time ago,”

“So he probably wouldn’t appear here, and the back of that person doesn’t seem to be him.”

Matthew was pleasantly surprised when he heard this:

“Oh! That person is probably an imposter! Miss Fei, you don’t know,”

“He’s been bluffing under your name all the time. When I heard that even you were his client,”

“I almost signed a contract with him for a few million dollars a year.”

“It’s a great fortune to meet you here, otherwise I’m afraid I would have been deceived!”

Seeing Matthew’s upper body, Stella snorted and said casually:

“The one who cooperated with me That feng shui master has a very high appearance fee,”

“If someone is not familiar with him, let alone a few million dollars a year,”

“Even if it is tens of millions of dollars a year, he will not take a second look.”

Matthew said with a smile: “It seems that the Feng Shui master you cooperated with is the real master.”

The one here must be a counterfeit. Please Stella go over and identify Charlie. But he could not say it out loud.

The reason why he hesitated was that although he really wanted to do this in his heart,

He was afraid that Stella would reject him if he said it out, making Stella feel that he was too small.

After all, Stella is the head of the Fei family, and such a high-ranking person probably wouldn't care,

About an ordinary person bluffing and deceiving using her name.

Just like the technology industry, there are countless people bluffing and swindling under the names of Bill Gates and Elon Musk.

The true and false depends on the people you meet.

They will not come out to clarify one by one or investigate one by one.

However, for Matthew, if he didn't invite Stella to come and identify him,

He couldn't slap Charlie in the face in front of Claire.

You know this is a good opportunity. Once Claire sees through her husband's hypocrisy, it is easy to invite her to join her company.

Stella, who was extremely intelligent, could tell at a glance what Matthew was struggling with,

So she said with a smile: "Mr. Peterson, there are many liars and I don't care about such things,"

“If someone is trying to trick you in my presence and I do not come to clarify it here, it’s really unreasonable.”

Matthew’s mouth almost grinned to the back of his ears in excitement.

Excited in his heart, he thought to himself: “Hey, what else do I want!”

Thinking of this, he respectfully said to Stella: “Miss Fei, you really have a sense of responsibility!”

After that, he hurriedly made a gesture of invitation, and said, “Miss Fei, this way please!”

Stella smiled without saying a word, nodded slightly, and followed him toward Charlie and Claire.

The two walked in the direction of Claire.

Seeing Stella coming over, Emily didn’t know where to put her excited hands.

Before meeting Stella, the most valuable person she had ever met in her life was probably the chairman.

He owns 10% of the company’s shares and is worth more than one billion US dollars.

But what is Stella's identity? The financial empire under her command has assets exceeding one trillion yuan.

In front of her, Matthew is simply a poor household that cannot afford enough food and clothing.

The gap between them is worlds apart.

Seeing such a high-ranking and powerful person, Emily's snobbish eyes naturally felt 10,000 excitements in her heart,

And she also thought of 10,000 possibilities in her heart to make friends with Stella and then reach the pinnacle of life.

At this time, Claire also saw Stella walking over quickly.

Thinking of Stella's real identity and the past when she used Zhan Fei'er's identity to be friends with him,

Claire felt somewhat embarrassed, not knowing how to face Stella now.

On the other hand, Charlie remained calm all the time and didn't even turn his head to take a look.

Chapter 5195

Charlie had heard clearly the conversation between Stella and Matthew just now,

And he just couldn't help sighing in his heart at this moment, Stella, a girl, is indeed very smart and close to a monster,

But she just passed through the horse. Peterson, with a little bit of ulterior thought,

Was able to replay the whole thing in his mind and figure it out. This kind of analytical ability is really amazing.

What makes Charlie even more interesting is that Stella's channel is surprisingly consistent with his own.

The reason why he lured the enemy deep was to push Matthew into a desperate situation,

But Stella had accurately detected his intention and made absolute cooperation.

This tacit understanding really made Charlie sigh.

However, Charlie's performance of not looking back, in Emily's view,

Is absolute evidence of guilt, and she also believes more and more firmly that Charlie definitely doesn't know Stella.

As a result, the smile on her face grew stronger, just waiting to see the jokes between Charlie and Claire.

At this time, Matthew had already graciously led Stella all the way to the front of the three of them.

Before Matthew could speak, Emily stretched out her hands to Stella nervously and excitedly,

And said in a trembling voice, "Fei... Miss Fei... I... I'm... I'm sorry I'm a little nervous... .."

Matthew saw that Emily couldn't speak well when she was nervous, so he quickly introduced:

"Miss Fei, this lady is Emily Wang, a very outstanding young talent of our company,"

"A student of this master class, and was just promoted to our senior partner..."

Stella nodded and shook Emily's hand politely.

At this time, Matthew looked at Charlie with a face full of complacency, and said with a smile:

“Sir, I have invited Miss Fei here! Miss Fei, this gentleman said that you are his client, I don’t know if you know him?”

After that, he looked at Charlie with a smile, as if he was waiting for Charlie’s lies to be exposed.

Stella looked at Charlie, her eyes widened pretending to be surprised,

Then she bowed slightly, and said with surprise and respect, “Master Wade! Why are you here!”

As soon as Stella said this, Matthew and that Emily stood there stunned as if struck by lightning.

The two were still waiting to see Charlie being exposed by Stella, but unexpectedly,

Stella bowed to him respectfully and called him Master Wade!

Matthew broke out in cold sweat almost instantly and drenched his entire back in an instant.

He couldn’t help looking at Emily blankly. Apart from shock, there was also questioning in his eyes.

Because he really couldn't figure out what was going on.

Could it be that Claire's husband is really a Feng Shui master?!

Emily was also trembling with fright!

In her eyes, Stella was as unattainable as a god, but who would have thought that Claire's husband could make Stella get respectful to him?

This... Isn't this stabbing the trouble into the sky?!

Just when the two of them were terrified and didn't know what to do,

Charlie looked at Stella and said with a smile: "I will definitely come to support my wife's graduation ceremony."

"Why is Miss Fei coming here, I am surprised?"

Stella hurriedly said: "Master Wade, I also heard about Claire's graduation ceremony today, so I wanted to come over to congratulate her."

"?!" Both Matthew and Emily turned pale with fright!

Matthew even though tremblingly in his heart: "This...is this fcking nonsense?!"

“The famous Stella Fei claimed to be inferior in front of a Feng Shui master?!”

And Emily was thinking in her heart: “My God... Stella came to Rhode Island School of Design on a special trip to attend Claire’s graduation ceremony...”

“What is the origin of Claire’s husband...”

Peterson asked Stella subconsciously: “Miss Fei, you...do you know him?”

Stella nodded, and said calmly: “This is Master Wade,”

“I could become the head of the Fei family, thanks to Master Wade’s help.”

“This...” Matthew was even more terrified. He quickly wiped the cold sweat off his forehead, looked at Charlie,

And said with an apologetic smile, “So it’s Master Wade! It’s a great honor to know you!”

Charlie made an eyebrow: “Just now you said I was a liar,”

“Now lucky to be a three-year-old. Mr. Peterson seems to be a little fickle.”

Matthew’s scalp was numb from fright, and he waved his hands quickly:

“No, no, I treated you well, I don’t have any doubts!”

After that, he quickly pointed to Emily who was in a panic, and blurted out:

“It’s Emily who has blind eyes and has been questioning your identity. I was also led astray by her ...”

Chapter 5196

Emily was so frightened that her heart rate rose rapidly.

She didn't expect that the boss would throw the blame on her at this time.

Just as she was about to explain, she suddenly saw Matthew winking wildly at her,

So she could only say in panic, "I'm sorry, Mr. Wade,"

"It's all my fault. It's my blindness. Please forgive me..."

Seeing that Matthew asked Emily to come out to top the bag,

Charlie was not surprised at all, so he said,

"I usually don't like to haggle over every detail with others."

Matthew and Emily heard this, they thought he will not pursue this and their expression instantly relaxed a lot.

However, Charlie changed the subject and said coldly: "But today is an exception!"

The two of them trembled in fright when they heard this.

Charlie looked at Matthew, and said calmly: “Mr. Peterson, I’ll talk to you about the two of us later.”

After speaking, he looked at Emily again, and said with a slight smile,

“Miss Wang, it’s fine if you question me, and even get sarcastic to my wife,”

“Even saying that she has a vicious mind and a vicious heart,”

“No matter how good-tempered I am, I can’t bear you humiliating my wife.”

Emily’s face was pale, and she hurriedly explained:

“Mr. Wade... I... I just said something wrong on impulse...”

“You... I didn’t mean it...”

After finishing speaking, she hurriedly looked at Claire and begged:

“Claire, please forgive me this time for the sake of my innocence...”

Before Claire could speak, Stella who was beside him took the lead and said,

“Ms. Wang, she is my good friend, and Mr. Wade is kinder to me,”

“How dare you speak rudely to them!”

“Even if Mr. Wade and Claire forgive you today, I will not forgive you.”

After finishing, Claire looking at Emily, she said coldly:

“In my opinion, people like you should not stay in the design industry!”

“I will make a suggestion to the International Federation of Designers to completely ban you from the industry!”

Emily almost fainted when she heard this.

She was just promoted to the senior partner of the company today,

And her future was bright. If Stella really wanted to kill her career,

It would be impossible for any well-known design company in the world to hire her again,

And they would not be able to hire her again.

It was impossible to cooperate with Emily at the risk of offending Stella.

The design industry itself is a service industry. If you want to achieve a certain height in the design field,

You must serve high-end customers. Once you lose high-end customers,

You will immediately become the bottom of the design industry.

To be honest, if there are high-end clients, then any luxury house design is a big project worth millions,

Or even tens of millions of dollars.

I am afraid it is difficult to accept the design of an ordinary residence of 200 square meters;

for the public, if there is a high-end Party, the design projects undertaken are often large shopping malls,

Landmark buildings, or even stadium management for major events,

But once lost Without the high-end Party, even if you want to take over the design of an ordinary residential area,

It will be as difficult as climbing the sky.

What's more, Emily knows her own situation very well.

She doesn't have any outstanding design talent at all.

She could climb to today's heights only by selling her body.

If she is really banned by high-end customers,

If she even goes to a small design company or set up her own studio, it will be difficult to make any money.

Originally, Emily could get an annual salary of several million dollars a year,

But once she was really blocked and couldn't get along in the design industry,

It was impossible for her to have a place in other high-end industries.

It is difficult for her even to earn tens of thousands of dollars a year!

The huge gap made her extremely regretful, so she knelt down in front of Charlie and Stella without thinking,

Choked up and said: "Mr. Wade, Miss Fei, please forgive me for the sake of my lack of knowledge."

"This time... I finally made it this far step by step, if you block me, I will have nothing..."

Stella glanced at her, then turned to look at Matthew at the side,

Asked him with great interest: “Mr. Peterson, you, the chairman,”

“Should be responsible for letting such an employee become a senior partner of your company?”

Afraid he will be implicated too, he quickly expressed his attitude and said:

“Miss Fei, the old saying goes you know people, you know their faces,”

“But you don’t know their heart. As a director, there is a unshirkable responsibility...”

“Don’t worry, I will immediately call the company’s human resources director,”

“And go through the resignation procedures for Emily, and I will never hire her in the future!”

Who would have expected Emily to count on Matthew? And she gave him a hand,”

“But she didn’t expect this guy to sell her at a critical moment!

So, she immediately became furious and cursed hysterically:

“Peterson! You ba5tard! I did all this for you,”

“And you dare to make trouble at this time, are you still a fcuking human?!”

Chapter 5197

Matthew just for self-preservation subconsciously dumped the pot on Emily,

But he did not expect, in a moment Emily will be completely angered.

He always thought that she obeyed him because he was a handsome,

And a successful forty-year-old man with extraordinary charm for women,

So that Emily was completely subservient to him,

And at the critical moment to take her out to cover his future,

She certainly will not have any dissatisfaction.

However, he completely overestimated his so-called charm.

For Emily, money is the real source of charm.

As long as there is enough money, even if she is allowed to face a ninety-year-old man,

She will also behave addicted to him, unable to extricate herself.

However, if there is no money, even if the other party is handsome as Tom Cruise, she will still not look at him.

Just now Stella said she will block her in the design industry,

This will already cut off her financial road,

Did not expect Matthew also fell into the well, and this instant let her anger.

Matthew also saw that Emily seemed to have lost her mind,

And hurriedly winked at Emily: "Emily, in front of Miss Fei, you'd better not talk nonsense!"

"I advise you to leave here now and go to the company tomorrow to see the human resources director,"

"Who will give you a certain amount of compensation for your dismissal according to the process."

Matthew did not dare to say the words too frankly,

The reason why he winked at Emily,

And at the same time said that the company will follow the process to give dismissal compensation,

In fact, is to tell her and let her now honestly put the pot on the back, tomorrow he will not treat her badly.

However, Emily is full of anger at this time by Matthew,

Listening to Matthew talk about termination compensation,

She is even angrier, because according to the company's rules,

She is only three or four years into the staff,

The most compensation for leaving the job is half a year's salary.

Moreover, although Matthew had confirmed that she would be promoted to senior partner,

According to the company's regulations,

There was still a three-month inspection period for senior partners,

And only after the inspection period is over she can successfully pass the debriefing,

She could officially get all the benefits of a senior partner.

This means that if she is fired now, the company only needs to pay her half-year salary,

All according to her previous salary standard, which is only \$200,000 to \$300,000!

When she thought that Matthew was going to use \$200,000 to \$300,000 to send her off,

Emily was even more furious and trembling, she looked at Stella and said out of the blue:

“Miss Fei, the reason why all this happened today is that this son of a b!tch had his eyes on Claire!”

“He asked me to find a way to introduce Claire to him,”

“And to find an opportunity to attract Claire to join the company,”

“So that he could get hit on her!”

Emily’s words immediately made Matthew scared out of his mind,

And he couldn’t help but immediately raise his hand and slap her, cursing:

“Emily, what is your intention in slandering me here?”

“I met Ms. Willson for the first time today,”

“So how could I possibly have ill intentions towards her like you said?”

“You are clearly slandering!”

Emily covered her face and cursed angrily, holding back the pain:

“I’m slandering? You think I don’t have proof?”

Saying that she immediately took out her cell phone,

Fished out her chat records with Matthew, found many photos of Claire,

And said to Charlie and Stella: “Mr. Wade, Miss Fei, look at the time these photos were sent,”

“The earliest one is almost a month ago, at that time I just met Claire in the master class,”

“And Matthew also made a move on Claire at that time.”

“At that time, he had his heart set on Claire!”

Matthew said nervously, "You sent me all these photos,"

"How can you say that I had my heart set on Ms. Willson!"

Emily said coldly, "Don't admit it, right? Here are the chat records,"

"So you can show Mr. Wade and Ms. Fei how you replied to me!"

After that, she looked at Stella and angrily blurted out,

"Miss Fei, you must not let this beast go,"

"He just had an inappropriate sexual relationship with at least seven female employees,"

"Including me within the company, and that's not the most terrible thing!"

"What's scary is that this son of a bitch also preyed on his 13-year-old adopted daughter!"

"And he also took a lot of indecent videos on his phone!"

Matthew heard this, the whole person got terrified to the extreme,

He subconsciously questioned: "You how do you know?!"

Emily sneered: "Your phone password I had quietly noted down long ago,"

"Every time you stayed overnight in my apartment,"

"I would add some sleeping pills to your red wine,"

"And then while you were asleep, secretly looked up at the various contents of your phone,"

"Including your chat records with others, email correspondence,"

"As well as your photos and videos are hidden in the phone!"

Chapter 5198

Matthew furiously cursed: "You you are really despicable and shameless!"

Emily's mouth wiped over a smile, sneering:

"What? You think I was played by you for these years,"

"Will I not leave some backhand for yourself?"

"Let me tell you, I not only have those nasty videos of you,"

"But also evidence of your collusion with others and embezzlement of corporate assets!"

"You took the lead in acquiring an ai mapping company in the first half of the year,"

"Costing the company half a billion dollars, but that company is simply an empty shell,"

"And this ai mapping technology is also a completely immature product that is not commercially available at all,"

"And at least half of the half a billion dollars you spent on acquiring it went into your pocket through various means!"

“Don’t worry, I’ll take this evidence out today!”

“You’ll be stuck in jail for the rest of your life!”

When Matthew heard this, he shook like chaff and said,

“Emily, I can give you as much money as you want, but if you destroy me, you won’t get anything!”

Emily sneered, “Fine, give me \$100 million, as long as the money arrives,”

“From now on you go your way, we will never cross a bridge,”

“The big deal is that I will retire early, no longer staying in the design circle in this life!”

Matthew agreed almost without thinking and said,

“No problem! Just \$100 million!”

At the side, Stella smiled with a subtle expression at this time and spoke,

“Mr. Peterson, this hundred million dollars, I advise you not to give it out, there is no point.”

When Emily heard this, she blurted out,

“He has to give me this money no matter what he says!”

“If he doesn’t give it, then I’ll hand over all the evidence to the police!”

Stella looked at Emily and laughed lightly,

“Don’t daydream here, not to mention 100 million dollars, even if it’s one dollar, he can’t give it to you.”

Emily subconsciously questioned, “On what grounds?”

“If he doesn’t give it to me, I’ll put him in jail!”

Matthew looked at Stella in panic and explained palely,

“Don’t misunderstand, Miss Fei, I didn’t do any of the things Emily said,”

“I promised to give her the money, as I just don’t want her to ruin my reputation outside

Stella laughed at his pale defense and said lightly,

“Mr. Peterson you should not forget that the Fei family is the largest shareholder in your company,”

“You use the position of chairman to enrich yourself, this is embezzlement,”

“And also suspected of money laundering, the violation, is the interests of all shareholders of your company,”

“Including the Fei family! And I, as the head of the Fei family, have the right to ask the FBI,”

“To step in and conduct a thorough investigation into that takeover,”

“So whether Emily has evidence or not, it’s meaningless to you because,”

“The FBI will definitely find the person in charge of the acquired company as well and find out what’s going on!”

“In addition, there is the behavior of you and minors, whether Emily has no evidence,”

“I have the obligation to report to the FBI so that the investigation can clear it,”

“Even if the two of you now try to delete the information in the phone,”

“They also have a way to restore, once it is proven that the matter is true,”

“Then the rest of your life may really have to be in prison!”

Matthew heard these words, his eyes were black, and almost fainted,

Then he kneeled down in front of Stella without thinking, choked, and said:

“Miss Fei, I am the chairman of the company, if I am arrested by the FBI,”

“The company’s stock price will definitely plummet, then the Fei family’s investment will also be damaged,”

“Please, for this sake, please give me a chance,”

“You do not want to see the two or three billion dollars invested by the Fei family going in damages

Stella said coldly: “The chairman of the Board of Directors broke the scandal,”

“A short period of time will indeed affect the share price, but your company’s business roots,”

“Not in you alone, so as long as the impact of the scandal gradually disappear,”

“The company’s share price will certainly rise back.”

After a pause, Stella continued, “And the Fei family has plenty of money,”

“Also has plenty of time and patience, when the time comes,”

“It can completely take advantage of the plunge in share prices during this period,”

“So those shareholders who do not have so much time and patience,”

“We can try to acquire more shares, and when the Fei family gets the majority of the board of directors voting rights,”

“They can appoint a new chairman to take over your company, in that case,”

“When the share price rises back, the Fei family will not only achieve control of your company,”

“But also take the opportunity to make a big profit.”

“So, if you are arrested by the FBI, for the Fei family,”

“Not only is it not a loss, but it is a good opportunity to take a bottom!”

Speaking of which, Stella remembered something and continued, “Oh yes, although you have 10% of the company’s shares,”

“But due to your encroachment on the company’s assets, resulting in a direct loss of \$500 million,”

“Indirect losses may hit a billion dollars or more,”

“In this matter, the company will certainly sue for compensation;”

“And the court will definitely seize your illegal income of 200-300 million,”

“Providing all the compensation to the company, but even so, you will still owe the company a hole of several hundred million dollars,”

“This hole, the court will definitely require you to use your personal assets to make up for it,”

“So that you have to take out the illegal income, but also to pay at least several hundred million dollars in additional losses,”

“You have to believe the Fei family’s legal team, they will definitely do their best to get this amount to the maximum.”

Matthew already felt that the sky was spinning, never thought that Stella would want to kill him like that.

Without giving him a respite she continued: “The court will force you to sell your shares to pay for the damages and penalties,”

“If you don’t have enough cash to pay for them, and I don’t think it will take longer to get to this point.”

“In this way, the 10% of your shares will be auctioned off by the Fei family at the lowest price,”

“And the funds from the share auction, after paying the compensation and fines, I’m afraid not much will be left.”

Saying that Stella added: “Oh yes, there is also the matter of you and minors,”

“Once this matter is confirmed, whether the other party is voluntary or not, you are legally responsible,”

“If the other party’s lawyers seize this opportunity to knock you hard,”

“You have to come up with at least another tens of millions of dollars in compensation,”

“In this way, you may really have nothing left!”

Chapter 5199

Matthew did not expect that the young, smiling nightmare Stella would want to totally exterminate him!

However, in the next second, he figured out the reason for it.

The misappropriation of office funds has always been the most disgusting thing for the shareholders of large corporate groups.

Even if the shareholders hold a lot of shares,

But generally do not directly intervene in the operation of the enterprise,

The operation of the enterprise is generally also handed over to the founder of the shares who have a small percentage to bear.

In this world, many well-known large enterprises are basically the same.

Originally, if the company has a net profit of \$500 million,

Then after setting aside next year's budget, the rest of the money if they want to take out,

Is given to all shareholders in the form of a dividend, according to the proportional share of the holder.

But Matthew, as the founder of the company, said it was in a developing phase.

So without dividing any dividend, he continued to finance it from the profits.

In this way, he was able to take the company to a market value of ten billion dollars.

However, Matthew himself is only left with 10% of the shares,

If the 500 million dollars are used for dividends,

He can only get 50 million of them, and out of these 50 million, he will have to give them out to the IRS, nearly half of it.

It is precisely because of this, he has done the rat race,

Five hundred million dollars is not divided, directly to engage in investment,

In this said investment, in fact, is money laundering,

Five hundred million dollars thrown out, at least three hundred million dollars back into his own pocket,

Compared to honestly giving all shareholders dividends, this way to get more money and faster.

For a generally large listed group, every year there are a large number of acquisitions,

Mergers and acquisitions cases, and who can guarantee that every acquisition can make money?

Some projects are also likely to hit the water.

Matthew, based on this point, only single-handedly planned the acquisitions.

But he never expected that Emily, who usually obeys his words and even has some taste of slavery,

Had so much evidence of him and uttered that in front of Stella without any break.

In this way, if you take away the 500 million dollars,

You are directly taking away the money that should have been distributed to the Fei family,

How can Stella, who has reached the position of the Fei family head, spare him?

And, what's worse, Emily also exposed the nasty things between himself and his adopted daughter,

Once this matter is reported to the FBI, he will certainly have to sit through the bottom of the jail!

A thought to this, Matthew almost immediately made up his mind,

No matter what he has to reconcile with Stella.

So he looked at her and begged: "Miss Fei, as long as you are willing to let me go,"

"I am willing to transfer all my shares to the Fei family at a 50% discount on the market price,"

"Which will not only allow the Fei family to profit hundreds of millions of dollars,"

"But also help the Fei family to strengthen their control over the entire company,"

"Which is already far beyond the damage I have done to the Fei family earnings,"

"This is an absolutely very sincere effort from my side....."

Stella smiled faintly: "Do you think your hundreds of millions of dollars have any value in my eyes?"

"To the Fei family, money is far less important than reputation,"

“If the Fei family harbors a beast of clothing like you for a few hundred million dollars,”

“Then would Randal Fei have died in vain?”

Chapter 5200

Matthew's heart instantly thumped.

Only then did he remember Randal's incident which had been making a lot of noise before.

In order to compensate the families of the victims injured by Randal,]

The Fei family took out more than one billion dollars before and after.

Stella had only managed to save the day and help the Fei family regain its reputation,

So how could she let herself go for the sake of his shares?

Thinking about this, he already recognized the situation in his mind and thought:

"I have to run away, the sooner the better! The better to leave the United States tonight!"

After making up his mind, he slowly stood up, he said with a contrite face:

"Please don't worry, Miss Fei, I will go to the police tonight to turn myself in,"

“I should bear the responsibility, I will never escape!”

After saying that, he turned around and ran outside while Stella was not paying attention.

His driver was outside, his private plane was at the airport,

As long as he could get out of this auditorium door, he would be able to get to the airport in half an hour.

As long as he could get on the plane, he would definitely be able to leave the U.S. tonight,

And as long as he could leave the U.S., he would be able to keep most of his assets while preserving his personal freedom.

If can't get on the plane, then his assets and freedom, both will be gone!

Matthew suddenly feet to escape, Stella also did not react for a while,

Just when Matthew thought he would be able to escape, he suddenly felt his body instantly get stagnant,

The whole person was instantly strangled neck, can not move.

He subconsciously looked back and found that it was Charlie who reached out and grabbed his collar.

Charlie said with a smile on his face: "Mr. Peterson, where are you going in such a hurry?"

Matthew hastily put on a strong calm and said,

"Mr. Wade, I just said, to go to the police to surrender"

Charlie nodded and said with a smile, "It's good that you are willing to turn yourself in,"

"But there is no need to go there in person, and this kind of crime by the elite class of society,"

"It's usually not the turn of the police to deal with it, it's the FBI itself,"

"So why not just let Miss Fei contact the FBI and let them come here to pick you up."

Once Matthew heard this, the whole person was suddenly paralyzed with fear,

He struggled to break free from Charlie's hand, but naive Charlie's hand remained motionless.

Stella called Karl over at this time and instructed,

“Master Yuan, notify the head of the FBI and have them send the closest agent over.”

“Okay, Miss.” Karl immediately nodded, took out his cell phone, and made a call.

Matthew’s body has been unable to support,

The whole person like mud spread on the ground, eyes full of desperation pleaded:

“Miss Fei, please let me live, do not drive to kill

“I have worked so hard for so many years to get to today, you can not destroy me like that!”

Stella said in an icy tone: “Not I want to destroy you, it is you who destroyed yourself.”

Matthew said, “Miss Fei if I can’t, I will transfer all my shares to the Fei family unconditionally!”

Stella smiled blandly and said, “Did you forget what I said?”

“Your shares will have to wait for a low-price auction and be used to compensate for the company’s losses.”

“As for whether there will eventually be any surplus and how much will be left,”

“You will need to wait slowly in prison.”

As he spoke, Karl had already walked back from outside.

He came in front of Stella and said respectfully,

“Miss, the head of the FBI has been called, they take it very seriously,”

“And have dispatched several senior agents from the FBI base in Providence,”

“They are in a helicopter and will be here in ten minutes.”

Chapter 5201

In the United States, the influence of the Fei family, although not talking about the highest,

But is definitely one of the most influential few families, to such a family,

The head of the FBI always has to ensure a 7×24 response, any situation will be fully resolved.

So, Karl made a phone call and the other party immediately responded.

Matthew heard this, the whole person has completely collapsed,

Sitting on the ground bawling, a time triggered a lot of people's curiosity and concern.

At this time, Matthew, inwardly felt like the end of the world,

Thinking back to ten minutes ago their own vigorous look,

But now immediately to be nothing or even go to jail, Matthew would like to die here.

Emily also sat down in despair to cover her face and cried,

She knew that Stella let the FBI intervene in this matter, Matthew in their hands,

They lost the value of cash, and they not only have to lose their jobs,

But also lost the last trump card to get rich, and they will become completely useless.

Stella did not want to entangle with these two at this time, so he said to Charlie:

“Master Wade, leave this to Master Yuan, let’s go inside and find a quiet place to sit for a while what do you think?”

Charlie nodded slightly since Stella had already notified the FBI,

With the FBI’s ability, plus Stella’s influence, Matthew would not be able to escape the law,

So he did not bother to look at these two people,

So he looked at Karl and said politely, “Then it will be hard for Master Yuan.”

Karl bowed respectfully and said, “You’re welcome, Master Wade, this is all my duty.”

Stella explained to Karl: “Master Yuan, keep an eye on this Matthew and make sure to hand him over to the FBI yourself.”

Claire at this time looked at that Emily, wanted to say something,

But hesitated for a while, and finally did not speak.

Charlie took Claire’s performance in his eyes and knew that she seemed to have compassion for Emily.

However, he saw that Claire finally did not say anything, so he also pretended that he did not see it.

The three arrived at the banquet hall, Stella instantly attracted the attention of countless people,

So the three simply found a corner where no one was temporarily seated.

After sitting down beside Charlie and Claire, Stella can not help but feels somewhat ashamed to say:

“Claire congratulations on the successful completion.....”

“For the previous matter I am really sorry, I really had a lot of inconveniences to say I hope you can understand”

Claire's heart, although there are some bumps on the matter of Stella using a false identity to befriend her,

But she is actually able to understand her.

Although she did not know what Stella had actually gone through,

She knew that this kind of luxurious noble family must also have many hardships that could not be told to outsiders.

She felt that although Stella used a false name at that time,

She had not done anything to hurt her, on the contrary,

She gave her orders for decoration and even helped her to get a place in the master class,

In the end, she owed her a lot of favors.

Therefore, Claire also said very politely at this time:

"Miss Fei, we are friends, you say so is too foreign,"

"Many things I am not clear about the reasons, but I understand."

Hearing Claire say so, Stella's expression instantly relaxed, and said,

"You are right, Claire! If you have time someday,"

"I will definitely have a good chat with you and tell you how it really happened in the first place"

Claire said with a smile, "I have time, a little while after the closing ceremony,"

"We two go to the hotel bar for a chat, let Charlie go back to the room."

Stella nodded without thinking and smiled, "Okay! Then it's a deal!"

Charlie saw that the two seemed to have cleared up their previous misunderstanding,

And he couldn't help but feel a little relieved in his heart.

Chapter 5202

Claire is not good at socializing much, has not had many sincere friends,

And Stella went to China with an alias and Claire sincerely treated her as a good friend.

But then her best friend suddenly left without saying goodbye and evaporated,

She has been apprehensive about it, fearing that Stella had some kind of accident.

It was only later that Stella suddenly appeared on the world's media as the head of the Fei family,

Then Claire realized that the person she thought was her best friend hadn't even told herself her true identity.

Since that day, Charlie could tell that Claire was a bit lost.

However, right now, the two of them are considered to have signs of reconciliation,

If giving them both a little time and let Stella tell Claire about her crisis situation at that time,

Then Claire will be able to completely eliminate all her negative emotions.

Moreover, Charlie was not worried that Stella would say the wrong thing or slip her mouth,

And subsequently, give away key information about him.

After all, he had hardly ever seen a smarter girl than Stella,

She must be able to explain this matter to Claire very truthfully,

And perfectly while limiting her role to the feng shui master to a dead end.

Now for Charlie, as long as in front of his wife, can still limit herself to the feng shui master,

Then he is not afraid of anything.

Even if the patriarch of a top family like Stella is respectful of him, he can explain it.

After all, when Stella was nearly chased by her uncle,

It was he who helped her adjust her feng shui and read her fortune to ask for directions,

Which helped her fight back and take back the Fei family's family headship.

With this premise, even if Stella is respectful to him, everything can have a reasonable explanation.

A few minutes later. The FBI helicopter landed in the square outside the auditorium,

And several FBI agents, wearing sunglasses, hurriedly ran into the scene and brought out Matthew, who was under Karl's guard.

Matthew had completely given up resistance and was paralyzed as he was put in the helicopter by two agents.

Countless people were shocked to see him taken away by the FBI and at the same time,

They couldn't help but whisper, trying to figure out why this bigwig of the design world was suddenly taken away by the FBI.

Karl watched the helicopter take off before returning to the venue to give his report to Stella.

Stella smiled faintly after hearing this and said to Claire,

"Claire, when I hold the holding of AECOM, if you are interested, I will ask you to be the president of AECOM."

Claire waved her hand in frightened practice,

“I don’t have this level, I’d better run my small company back home properly

Stella seriously said, “There is no hurry,”

“I will keep this position for you when the time comes, you can come over anytime if you are interested.”

.....

Meanwhile.

On the other side of the earth, in Eastcliff.

A girl of seventeen or eighteen years old, slim and tall,

With a face as pure as water, was walking fast in a traditional Eastcliff alley.

At this moment, Eastcliff is in the early morning, and according to reason, should be the most lively, the most smoky time in the alley.

But this deep alley seems unusually cold, with no stores and vendors selling breakfast, not even a pedestrian.

The girl walked toward the deepest part of the alley,

And at the end of the alley was a very grand five-roomed, three-bay door

The so-called five rooms and three doors are the specifications of the Prince's residence in feudal society.

The innermost mansion was the residence of a prince in the Qing Dynasty.

These doors are about three or four meters high, the door is full of brass door nails, imposing and extraordinary.

And the door on both sides of the huge stone lion is also carved with awe-inspiring prominence.

When the girl walked to two-thirds, suddenly from nowhere, two middle-aged men in civilian clothes emerged.

These two middle-aged men are sturdy and resolute in expression,

And at a glance, they know that they are not ordinary people.

They stopped the girl, and one of them said, "Little girl, this is a private residence, don't go any further."

The girl was stopped by two strong men, but she was not afraid at all, she said lightly:

“Please tell Mr. Jia, just say that Maria Lin is here and needs to see him.”

Chapter 5203

Hearing Maria say she wanted to see the old man,

The burly man who spoke, his brow instantly furrowed, and asked in a cold voice:

“Who exactly are you?!”

Maria said indifferently, “I said, I am Maria Lin, you don’t need to ask me so much here,”

“I know that you are heavily guarded, and there are an unknown number of guns aiming at me everywhere,”

“I am here today to pay a visit, you only need to send word,”

“Your family’s old gentleman will naturally come out to greet me personally.”

The strong man said angrily, “What a crazy thing for a little girl to say!”

“Do you know what kind of people live in here?!”

Maria couldn’t help but raise her eyebrows, but her tone was still as calm as water,

“You don’t need to bother talking in front of me,”

“You just need to give him a message on my behalf, the word Maria is not poison or a bomb,”

“It won’t have any effect on your duty to protect him,”

“But if Ethan Sun blames you for delaying the business because you refuse to deliver the message,”

“You are just a bodyguard, can you afford it? Can you?”

The strong man did not expect that, this little girl,

Would have such an unsubtle and unyielding spirit in front of him,

And even the confidence that everything was under control made him feel a little anxious.

Moreover, she even called the old man by his name,

Which made him even more frightened and afraid,

And could not help but speculate on the real origin of this girl.

He exchanged a glance with his colleague, who nodded at him with an extremely subtle margin,

And he immediately understood, turning around and walking a few meters backward.

Before saying into the microphone inside his collar,

“Please inform the master that there is a young girl named Maria Lin,

Who wants to see Master, please decide.”

A voice came from the headset, “Are you crazy?”

“A little girl wants to see Master, how dare you ask me to deliver a message like this?”

The strong man urged: “Do not fuss,”

“This little girl seems to be not simple, you quickly go to inform the Master!”

Once the other party heard this, he did not delay any longer,

But only explained: “If the Master blames down,”

“You do not expect me to take the blame for you.”

A few minutes later.

The middle door of the five rooms was pushed open from the inside.

Immediately afterward, an elderly man, with the support of two people, came out.

Chapter 5204

The two strong men outside the door were stunned to see their old Master come out in person.

After all, they had never seen a guest worthy of being greeted by the old man himself.

The moment he saw Maria, he was trembling with excitement.

He did his best to walk faster, so much so that the two people around him were a bit frazzled.

Maria just stood there, looking at him with a smile on her face,

Until the old man came in front of her.

The old man stood in front of her, a little panting and a little excited,

And said, "Miss, it's really you! How did you come here?"

Maria smiled faintly, "Came to temporarily join you for a while, is it convenient?"

"Convenient, totally convenient!" The old man hurriedly nodded uncontrollably,

And then asked, "Miss, are you by yourself? Old Zhang didn't follow?"

"No." Maria faintly shook her head and said,

"He will arrive in China in a few days."

Saying that she looked around and spoke,

"It's better to go in and talk, there are some things that I want to ask you for help with."

The old man hurriedly made an invitation gesture and respectfully said, "Please, Miss!"

Maria nodded and stepped towards the imposing gate.

Only after entering the gate could she see that this courtyard was incredibly large.

The courtyard, which was neatly paved with green stones, was at least a few thousand square feet.

The old man took Maria all the way to his study,

And then ordered everyone to leave the study for 50 meters,

So all the family members and servants withdrew to the backyard.

In the study, the old man respectfully invited Maria to sit down on the seat before he opened his mouth and asked,

“Miss, where are you coming from?”

“Why didn’t you notify me in advance so I could arrange for someone to pick you up!”

Maria said lightly: “I’ve had quite a tumultuous journey,”

“Starting from Northern Europe, then first taking a boat to Murmansk in Russia,”

“Then turning overland from Murmansk, taking cars and trains, tossing and turning to Moscow,”

“Then taking a plane from Moscow to Vietnam,”

“And finally taking a land route from Vietnam into China,”

“And taking a plane from the southwest to you.”

“Such a lot of trouble?” The old man was surprised and asked,

“Miss, you suddenly used such a tortuous route to come to China, did you encounter any trouble?”

“Yes.” Maria didn’t hide it and said frankly,

“Something went terribly wrong in Northern Europe and I almost lost my life.”

“Ah?!” The old man asked in shock, “Why would that happen?!”

Maria laughed bitterly, “One of Zhang’s men somehow got in touch with the Warriors Den and exposed my whereabouts.”

“The Warriors Den sent people to Northern Europe overnight to hunt us down and killed everyone except me and Zhang.

The old man said with a face full of horror:

“The Warriors Den actually found you

“Yes.” Maria sighed and said, “I’ve been very low profile,”

“But I didn’t expect that something would go wrong internally,”

“Old Zhang’s men originally didn’t know my identity,”

“But the Warriors Den had been using special channels to hunt me down,”

“And in order to find me, they also gave a huge reward,”

“I guess it was Old Zhang’s men, because of some coincidence, who happened to get this information and then sold me out.”

Saying that Maria shrugged again and said,

“But this is all my speculation, after all, those men of old Zhang are dead,”

“And I don’t know exactly which one of them betrayed me.”

Chapter 5205

Hearing this, the old man hurriedly said, "Miss, then you should take shelter with me during this period of time,"

"It is much safer than outside, besides, although I am now retired behind the scenes,"

"But the resources and contacts are still there, and will be able to protect you."

Maria smiled faintly and said, "I actually don't want to come to you to stay,"

"I just want you to help me investigate someone."

"Check someone out?" The old man hurriedly asked, "Miss,"

"I don't know what you want to check, what kind of person is it? What information do you have?"

Maria said, "I only know that his name is Charlie Wade, male, and he should be under thirty years old."

"You help me to transfer the population data, and the photos exported, I can compare myself."

Saying that, she asked again, “Transferring the population data, you should have no problem, right?”

The old man smiled, “No problem, any data can be transferred.”

“That’s good.” Maria let out a slight sigh of relief and nodded,

“Then it will be hard for you to arrange someone to help me sort it out.”

The old man was busy saying, “You’re welcome,”

“Miss, it’s an honor for our Sun family to work for you.”

After saying that, he said respectfully, “Miss, wait a moment, I’ll go and arrange it!”

Ten minutes later.

The old man knocked on the door, and only after receiving Maria’s permission,

He pushed the door open and walked in somewhat sluggishly.

In his hand, he was holding a laptop.

He placed it in front of Maria and said, "Miss, the information you asked me to check has all been found out,"

"All the information of these Charlie Wade's are here, please look through them."

"Good." Maria nodded, her fingers on the arrow keys, quickly browsing up the information related to each.

In the past few days, she had long remembered Charlie's appearance clearly by repeatedly watching the surveillance video,

So the main way of comparison right now was to check whether the information she saw,

And the Charlie she saw, was the same person through the ID photo.

But the strange thing is, everyone's information all browse through,

But surprisingly did not find the one who saved her that night.

Maria frowned and couldn't help but ask the old man, "Is this all the information out there?"

"Yes." The old man nodded, "All that can be found are here."

Maria couldn't help but think in her heart, "Could it be that he lied to me at that time?"

Thinking of this, she couldn't help but shake her head again:

"It shouldn't be he must have had full assurance that he could erase my memory at that time,"

"In this case, there was absolutely no need for him to lie, right?"

"Moreover, since he even dared to strike at the Warriors Den,"

"There is no way he would not dare to reveal his true name to me in that situation"

When the old man saw Maria frowning, he couldn't help but ask:

"Miss, what's the problem? If you have any other clues,"

"You can also tell me, one more clue, one more point of certainty."

Maria shook her head somewhat dejectedly and muttered,

"There are no other clues, I only know that his name is Charlie Wade."

The old man smacked his lips: "All those named Charlie Wade, the information is here,"

"If he is not lying, then he could be an overseas Chinese?"

"Probably having nationality in other countries?"

Maria spoke: "He said he was Chinese, but it does not exclude the situation you said,"

"After all, many Chinese nationals living outside will also say they are Chinese,"

"But if that is the case, more than two hundred countries around the world,"

"I will have to find a needle in a haystack

Chapter 5206

Speaking of which, Maria suddenly raised her head somewhat reluctantly and asked the old man,

“Is there a possibility that his identity has been encrypted within the system?”

“Encrypted?” The old man frowned and thought, and spoke,

“There are indeed cases of encryption, people with special identities,”

“The relevant information is encrypted, but in order to ensure that this encrypted information is not detected,”

“The system itself is unable to directly access the encrypted content.”

Maria asked him, “What is the general encryption logic?”

The old man said, “As far as I know, there are two kinds of encryption logic,”

“One is that his identity information is completely erased from the system,”

“Storing the information in another mutually isolated system,”

“The latter will not have any connection with the network,”

“That is, his real information only exists in that latter system, no one in the outside world can find out any clues;”

Saying that, the old man added: “The other kind is more complicated,”

“It is that this person himself has a set of real identity information,”

“But this set of information is encrypted within the system, somehow becomes a one-way identity.”

Maria asked, “What does one-way mean?”

The old man explained: “One-way means that his ID card, his passport, and driver’s license,”

“And even the family register, marriage certificate, and other identity documents are real,”

“The ID number is also real, but anyone in the system if you want to fuzzy query his information,”

“Can not be found, for example, I want to check who is called Charlie nationwide,”

“That the system returns the results, will not appear His information,”

“I want to check the information of all the people named Wade in the country,”

“The result will not have him, even if we pull out the information of hundreds of millions of men in the country, there will not be him in this;”

“If you want to query his information, there are two conditions,”

“First of all, you must know his name, as well as his accurate ID number,”

“Both of which are completely correct when it comes to finding out his information;”

“In this way, it basically put an end to other people’s wide search, because in this case,”

“You really need to use this system to find someone in a sea of people,”

“If you know his ID card number, it is the same as you have mastered his real information,”

“So you do not need to use this system to cast a wide net.”

Maria sighed: “In that case, this encryption method is still very clever,”

“People who don’t know him too well can’t find him in the system,”

“And those who know him are unlikely to come back to the system to check his information,”

“And even if those who know him come to check, inputting their names and ID numbers,”

“The results that come out will be true, and they won’t be able to find out anything.”

“Right.” The old man nodded and said, “Some people with very, very special identities will use such a method to hide,”

“So that people with ulterior motives for him have no way to check.”

Saying that, the old man added: “Such a person, using his own identity,”

“Not only does not have to worry about being found out by others but also his life will not be affected in any way.”

“Because in addition to what I just said, you must rely on the name plus ID number to find out his information,”

“All his documents, in fact, are one-way inquiry channels;”

“For example, if a police officer on the road inquires about his ID card,”

“As long as the police officer uses the device to read his ID card,”

“He will be able to check all his information within the system, in this way, the police will not find any abnormalities;”

“If he wants to fly, as long as he uses the correct name and ID card when he buys a ticket,”

“He will be able to board the plane smoothly with his ID card;”

“If he wants to go abroad, then he will book a ticket with his name and passport number,”

“And then he will be able to leave the country smoothly with his passport;”

“However, if anyone wants to check him through the information of the plane registration in turn,”

“It is not possible to find out at all if you want to search if there is anyone named Charlie Wade who has flown in the country,”

“But if you only know his name, then his information will not show up either.”

Maria’s two willow-leaf-like eyebrows were slightly clustered toward the middle, her expression was grave and fretful.

After a moment of hesitation, she asked the old man, “Whether the person I’m looking for is the first or the second,”

“With your status and connections, can you find out this hidden information?”

Chapter 5207

Hearing Maria's question, the old man pursed his lips and sighed:

"Miss, in fact, there is a very troublesome underlying logic behind this matter."

Maria said, "You say it."

The old man said, "Whether the first or the second, the number of people who are hidden is actually not small,"

"Some special talents, military experts, intelligence personnel, special agents, their identity is encrypted,"

"This adds up to several tens of thousands of people."

Speaking of this, the old man turned his words and added:

"But the trouble is that for these two kinds of hidden people,"

"Although there is a database, but the vast majority of people who have access to this database,"

"Do not have the highest authority of accessing this database."

“That is to say if I used these two methods to hide the information of two people back then,”

“Then even if I have the authority of this database,”

“I can only access the information of these two people of mine,”

“The information of others, I have no right to access,”

“Not only no right to access, but I also don’t even know how many people are in this;”

“On the other hand, even if you also have the relevant authority of this database,”

“You can’t possibly find out who I have hidden in this database, we are both insulated from each other;”

“Moreover, there are multiple branches in here, each with different levels and permissions,”

“For example, the intelligence department, its highest person in charge,”

“Has the right to access all the information hidden in the intelligence department,”

“But has no right to access the other departments.”

Maria thought about it and asked, “Someone must have access to the entire database, right?”

The old man smiled awkwardly, “Miss, there are very, very few people with access,”

“I can count them on one hand, and for these people, it is absolutely impossible to leak information,”

“To anyone who doesn’t have access, so this path is currently out of my reach.”

“I understand.” Maria nodded her head, knowing that starting with the database access permission was already an impossible task.

So, after pondering for a long time, she suddenly remembered something and opened her mouth to ask:

“By the way, if a person’s identity information was not hidden from birth,”

“Can we still find out the information before he was hidden?”

The old man replied, “If it is the first kind of all information is hidden,”

“So that the person seems to have never appeared in this world,”

“Then all the information of his birth will also be erased;”

“If it is the second kind, it depends on how the person who hides his information operates,”

“Some people may also erase all because of certain purposes;”

“But some people, if they want to create the illusion that the person’s whereabouts are unknown,”

“Then they will not erase the previous information,”

“Because this information still has to be made public and respond to the inquiries of people who are interested.”

“For example, when a person graduates from college at the age of 22,”

“For some reason, he needs to evaporate, then his file information before the age of 22 will not be erased,”

“Only a missing person, or has died label will be added to his file,”

“And this information will not be encrypted, even just an ordinary police officer with the lowest authority,”

“Connected to the population system, can easily find out information on his file before he disappeared.”

Maria’s eyes lit up and she asked, “Does the information you just gave me include the missing and dead Charlie Wades?”

The old man replied, “It contains the missing ones, but not the ones that have been confirmed dead.”

It suddenly occurred to Maria that she had indeed seen quite a lot of information about small children just now.

Only, when she saw the pictures of small children, she skipped right over them,

Not looking carefully at the specific information of these small children.

However, this would overlook a situation, that is:

If the photo of this small child is not the actual state of the child now,

But this small child disappeared when he was too young,

And his profile information is still stuck in his small time,

Not updated again, in this situation, she would just overlook it.

So she hurriedly said to the old man, "I'll go over the missing person's information first,"

"And if I still can't find it, you can help me retrieve the information about the people who have died."

The old man nodded: "No problem!"

With another look at the computer, the list returned to the first person,

And then began to sift through them one by one.

Soon, a black-and-white photo appeared in front of her eyes, causing her pupils to snap.

The boy in this black-and-white photo looked just six or seven years old.

Looked handsome, and his features and charm made Maria feel slightly familiar.

Then, she looked at the boy's information and muttered, "Charlie Wade,"

"A native of Eastcliff, the son of Changyang Wade and Margaret An....."

"This Charlie Wade, who attended Eastcliff Second Experimental Primary School twenty-one years ago,"

“Transferred to Aurous Hill First Primary School twenty years ago,

“And then disappeared, and his file information was never updated again

Chapter 5208

The old man heard her muttering, and could not help but say,

“Changyang, Margaret? This couple, more than twenty years ago, in Eastcliff can be said to reign supreme ah!”

Maria asked him, “You’ve heard of them?”

“More than that.” The old man said seriously:

“I have some friends with the Wade family, the Wade family’s old mansion, is not far from me,”

“A half-hour walk, the Wade family is in the top three families in China,”

“Changyang was the most outstanding descendant of the Wade family back then,”

“His wife Margaret was a major Silicon Valley investor, by the way,”

“The An family behind Margaret ranked second in the United States.”

“So that’s how it is!” Maria nodded and sighed, “No wonder the name Margaret An is so familiar,”

“I seem to have read a biography about her.”

Saying that Maria looked at Charlie’s black and white crown-free photo taken before he entered the first grade of elementary school and said seriously,

“I see that this little kid has some resemblance to the Charlie I’m looking for,”

“Combined with the name also name, I guess the odds are that it’s him.”

“Unlikely, right?” The old man subconsciously said: “Twenty years ago,”

“Changying and Margaret in Aurous Hill met with an accident,”

“The couple both perished, the eight-year-old Charlie disappeared,”

“Since then the whereabouts are unknown, both the Wade family and the An family,”

“For so many years are looking for the whereabouts of this child,”

“But there has been no news, these two families are very strong,”

“Especially the An family, rich, they have not found the child yet and that means he is unlikely to be still alive.”

Maria said seriously: "If according to what you just said,"

"The identity of this Charlie is hidden in a second way,"

"Then will not no one be able to find out? Even if the wealth can be invincible, so what?"

"It is simply impossible to get information from that very, very small number of people."

After listening to Maria's analysis, the old man couldn't help but nod and say,

"You are right, Miss, there is indeed such a possibility!"

Maria suddenly thought of something and pointed to the eight-year-old Charlie's string of local Eastcliff ID numbers and spoke,

"Right, didn't you say that if it's the second encryption method,"

"You can find out the encrypted information if you have a name plus ID number at the same time?"

"Then you help me look up Charlie's name, plus this ID number, and see if we can find out any results."

“Yes!” The old man was also a bit excited and immediately opened a background on his laptop,

And entered Charlie’s name as well as his original ID number in it.

Subsequently, the two checked the results with great anticipation,

Only to find that the information given out within the system was still,

The same file of Charlie that had disappeared at the age of eight.

Maria frowned: “Why can’t we find out? Did someone give him a new identity?”

After saying that, she couldn’t help but ask herself, “The odds are that should be the case!”

Maria guessed correctly, after Leon had placed Charlie into the orphanage,

He made a new identity for himself, and although the new identity was still called Charlie Wade,

It was no longer the Charlie Wade of the Wade family in Eastcliff,

But the fatherless and motherless Charlie was adopted by the Aurous Hill orphanage.

His account was landed on the collective account of the Aurous Hill orphanage,

Which is the case for all children adopted by the orphanage.

So, naturally, he also had a new ID number, one that belonged in Aurous Hill.

In this way, neither the Wade family nor the An family,

No one could find him anymore, and the only one who could find him was Leon.

This matter, the old man spoke: "If someone has given him a new identity,"

"Then this previous set of information will certainly not be able to find out,"

"You must know the name and ID number of his new identity, in order to find out."

Maria frowned and said, "If someone helped him settle in a foreign country,"

"Get a foreign account and foreign identity information,"

"Then he has actually an encrypted identity, it is not the identity before the disappearance,"

"But the new identity after the disappearance."

Speaking of this, Maria added: "I understand twenty years ago,"

"After Charlie disappeared, someone hid his whereabouts, got him a new identity,"

"And hid the file information of his new identity, so the previous Charlie disappeared at the age of eight,"

"A new 'Charlie', or a 'Charlie Wade' with a different name, appeared in a new place,"

"So that no one else could find him except the one who encrypted his information in the first place."

The old man hesitated for a moment, but still spoke:

"Miss, it is not 100% certain that the Charlie Wade you are looking for, is this Charlie!"

"In case this missing Charlie, and the one you are looking for just have a resemblance,"

"Then would not be this speculation misleading? After all, a child's features have not yet grown,"

“And it is normal to have a few resemblances to someone,”

“But it is likely that after adolescence, it will develop in a very different direction.”

Chapter 5209

Maria nodded and said seriously, "You have a point, although my intuition tells me that,"

"The Charlie Wade I'm looking for should be this Charlie who disappeared twenty years ago!"

"But this kind of thing, you can't trust your intuition too much,"

"Just relying on childhood photos with a few resemblances alone to confirm, is really a bit hasty."

Thinking of this, she blinked her eyes, remembered something, and said with a smile,

"By the way, can you help me pull out the file information of Changyang Ye and Margaret An?"

The old man said, "Changyang's can be, but not of Margaret,"

"Because Margaret is an American citizen,"

"So we can only find out some official files of her and Changyang after they got married and stayed in China."

“It’s okay.” Maria said, “I just need the photos of the two of them.”

“That’s no problem.” The old man hurriedly retrieved Changying and Margaret’s information from the system.

When Maria saw the handsome black and white ID photo of Changyang in his file,

Her tightly knitted brows instantly relaxed!

She couldn’t help but clap her hands in excitement and laugh:

“Haha, my intuition was right! Sure enough, it’s him!”

“The Charlie Wade I’m looking for looks almost exactly the same as this man!”

.....

“Miss, that Charlie you saw, looks exactly like Changying?!”

The old man, at this point, had an incredulous look on his face.

Maria nodded slightly and said indifferently,

“I can’t say it’s 100% similar, but it’s at least 90%.”

“Ninety percent” the old man said in horror: “If that’s the case,”

“Then there should be no deviation, the two adult looks are so similar,”

“Combined with that person’s name is also named Charlie Wade, there will certainly not be any problems”

Speaking of which, he couldn’t help but murmur, “Then this”

“Then this also means that” the son of Changying and Margaret is still alive?!”

Maria swept away the previous gloom and said with a smile,

“He’s alive! His strength is very strong,”

“The cavalry guards of the Warriors Den were like a carrot piled on an anvil in front of him,”

“Without any ability to resist, it was really impressive.”

“Really?!” The old man was even more jaw-dropping pose, and said with an excited face,

“Great! How wonderful! The excellence of Changying and Margaret is really unlike anything I’ve ever seen before in that age group!”

“When they died young, I often felt sorry for them, but I never thought that their sons would be alive and so good.”

“The son of a dragon and a phoenix is really no ordinary thing!”

Speaking of this, the old man could not help but sigh:

“This this is really incredible two people have searched for so many years have not found the child,”

“Away from the foundation of these two people, can still have such strength,”

“It really makes people think but not understand”

Maria laughed: “He must have his encounter, and it should be a very wonderful encounter.”

The old man laughed gratefully, “I am really curious, how exactly did he do that.”

Maria nodded and said frankly: “I am also curious and even a little gossipy”

Saying that, she couldn't help but mutter, “By the way,”

“The fact that he was able to chase the Warriors Den all the way to Northern Europe to kill them,”

“Not only shows that he has mastered certain clues about the Warriors Den,”

“But also has a deep hatred for the Warriors Den!”

As soon as the words fell, Maria suddenly stood up, clenched her fists, and said with excitement to the point of dancing,

“I know! The death of his parents is most likely related to the Warriors Den!”

“He wants to seek revenge on the organization for killing his father and mother!”

“Just like me, I want to seek revenge on them for killing my father!”

The old man subconsciously said, “Changying and Margaret died at the hands of the Warriors Den back then?”

“If Charlie wanted to be an enemy of the Warriors Den, why didn’t he identify with his grandfathers?”

“Both of these two families have extraordinary strength, surely they can help him a lot

Maria shook her head and said seriously, “To deal with the Warriors Den, if it’s just about having money,”

“It’s pointless to have more money! Even the Routhschild family, in front of the Routhschild Association is not enough,”

“The Routhschild Association has always been the most afraid of exposing themselves,”

“So they have been acting very low-key, otherwise, they can make the Routhschild family all evaporate overnight,”

“Even if they have tens of trillions of dollars of assets,”

“So what can they do? If you have money, you have to have a life to spend it!”

The old man’s expression was austere as he nodded:

“You are right money is not the first thing, strength is.”

Maria smiled faintly and looked at the old man and instructed,

“By the way, this matter, you absolutely must not tell anyone, especially the Wade family’s people!”

The old man couldn’t help but say, “Miss, can you let me reveal something to Zhongquan Wade of the Wade family?”

“I have a good friendship with him, and he has been looking for this child for twenty years

Maria shook her head: “For the time being, it’s better not to, Charlie’s situation is special,”

“And now he is in conflict with the Warriors Den, if the people of the Wade family know and go looking for him with great fanfare,”

“They might get into trouble, and you don’t want to see the Wade family being targeted by the Warriors Den, right?”

“This is

the old man sighed lightly with some despondency and spoke,

“Miss, don’t worry, I will keep my mouth shut!”

Chapter 5210

Maria nodded slightly and added: "Charlie disappeared in Aurous Hill, in that case,"

"There are two possibilities: one, after he disappeared, he was given a new identity,"

"And was made to hide his identity in the second way you just mentioned;"

"The other, he was taken overseas directly after he disappeared, and has been living overseas in anonymity."

The old man said, "If it is the first possibility, then you may still be able to find him in the country,"

"If it is the second, I am afraid it will be difficult to find him in the country."

"It's not in the way." Maria said with a smile, "Knowing his true identity, I'm already halfway there!"

After saying that, she added, "I'm going to look for him at home first,"

"And if I really can't find him, then I'll go overseas."

The old man asked, "Miss, where are you going to look for him?"

Maria smiled, "Naturally, I'm going to Aurous Hill, that's where he disappeared twenty years ago,"

"All the clues must start from there!"

The old man subconsciously said, "Miss, the Wade family, and the An family also started their search from Aurous Hill back then,"

"After turning Aurous Hill upside down, they searched for many years all over the world, but never found him.

Maria said seriously, "Since the Wade family and the An family have searched all over the world from Aurous Hill,"

"And have not found him, then, in my opinion, it is precisely Aurous Hill that has the greatest possibility."

The old man asked her, "Miss, do you want to set a trigram to see if you can figure out his trail?"

"I can't." Maria shook her head and said, "I have tried, the trigrams show that it is difficult to identify the traces,"

"But there is a hint of a dragon entering the sea in the trigrams,"

“I think it is because Charlie has experienced some special encounter,”

“Which has directly elevated his fate to the true meaning of the dragon frame. In any case, I can not calculate.”

The old man asked curiously, “There are things you can not calculate?”

“Now that we have his childhood identity information,”

“Do you want to use his birth date and eight characters to calculate again?”

Maria shook her head: “I can’t even calculate his clues with my near-god trigrams, the birthdate is even less likely.”

The old man sighed: “Then, as you said, go to Aurous Hill and try!”

After saying that, the old man asked her again, “Miss, why don’t I accompany you to Aurous Hill?”

Maria did not say no, but only looked at him and spoke,

“I see that your qi and blood are weak, your health does not seem to be good?”

“Yes.” The old man let out a bitter smile and said, “I’m already eighty-eight this year,”

“I have diabetes, high blood pressure, coronary heart disease,”

“I’ve had heart attacks, stents, and bypasses, I had lung cancer a few years ago,”

“I had my left lung cut out, I also had chemotherapy, my body is obviously not doing well anymore,”

“The doctor said the other day that I’ve symptoms of kidney failure,”

“I should start doing blood dialysis after a while, but in this condition,”

“I shouldn’t and can’t afford any more torment, I’ll be satisfied if I can live another two years.”

Maria frowned and asked him, “Can’t you do a kidney transplant?”

The old man laughed and said, “Look at my body, can I still afford such a big operation?”

“I guess when I get on the operating table, the new lung will not work before it is put in.”

“That’s true.” Maria nodded and said indifferently, “Let me take your pulse.”

The old man was shocked by the words and asked in a flattered manner,

“Miss, I’m afraid this is not allowed how dare I ask you to take my pulse
..... “

Maria waved her hand: “There is nothing that can’t be done.”

With that, she pointed to the armrest of the chair and said, “Put your hand here.”

“Thank you, Miss!” The old man hurriedly put his left hand on the armrest of the chair,

Maria’s fingers gently moved on his pulse, closed her eyes, and felt for a moment,

Then withdrew her hand, sighed, and said very directly:

“Sorry, although I know some medicine, but may not be profound enough,”

“In your case, I am powerless to make any changes.”

When the old man heard this, he was stunned for a moment, then he laughed,

“Miss, there’s no need to blame yourself, I’m already satisfied that I’ve lived this long.”

Maria was silent for a moment and said, “Let me tell your fortune,”

“My level of fortune-telling is still much better than the level of medicine.”

After saying that, and without waiting for the old man’s response, she took out nine copper coins from her pocket.

Then, she placed the coins on the coffee table in front of her and,

As before, divided them into three equal rows in a diagonal fashion, grabbed three first, and threw them on the table.

Immediately, she looked at the trigram of the copper coins and frowned,

“The trigram shows that your life is coming to an end, at most, in half a year.”

“Half a year?” The old man’s expression was astonished,

And he froze on the spot as if he had been casted with a fixation spell.

However, he quickly came back to his senses and let out a miserable smile:

“Although it is shorter than I expected, but it does not matter,”

“Half a year is enough time for me to explain the arrangements after”

Maria did not speak, continued to pick up the bottom left three copper coins,

Once again threw them to the top of the coffee table.

This time, her eyebrows were gently raised and she spoke,

“However, the current trigram has a silver lining,”

“If you can seize this chance of life, you can live a hundred years.”

“A hundred years of long life?!” The old man suddenly widened his eyes and blurted out,

“This is this possible? To live to be a hundred years old, there are at least twelve years left”

Maria said seriously: “The trigrams do not lie, your life,”

“There are only two possibilities, either, within six months; or, after a hundred years.”

The old man said with some surprise, “Miss then then how do I grab this ray of life?”

Maria once again grabbed the last three copper coins and threw them on the coffee table,

Then looked at the nine coins on the desktop and frowned.

The old man saw that she looked grave, and did not dare to ask questions, but could only wait anxiously.

A few moments later, Maria puzzled said: "Strange, this trigram says that your life is surprisingly related to me,"

"But I really have no way to renew your life If my father was still alive,"

"He certainly had a way, but unfortunately, he had not taught me that kind of skill until he left"

"It..... may also be because I am not that piece of material"

The old man did not know what to be happy about at this time, after all,

Even Maria could not understand the reason, he had no way to understand it.

At this time, Maria grabbed the southernmost coin, pinched it and held it up in front of the old man, and said seriously,

"This Yongle Tongbao back three coins, in my trigram represents the birth gate,"

"It is at the southernmost end of the nine coins, which means your birth gate is south of Eastcliff."

“South of Eastcliff

Maria’s eyes suddenly lit up and she smiled,

“Although I don’t have my father’s skills, I know one person who certainly does!”

After saying that, she looked at the old man and said seriously,

“This south of Eastcliff must be Aurous Hill!”
