

## Chapter 5171

390 immediately agreed and said: "Yes, sir, the daily mining of copper mines is to use blasting and excavation."

"There are a lot of emulsion explosives in charge there,"

"As long as enough explosives are pre-buried on the key support positions,"

"The entire underground can be blown up!"

Charlie nodded slightly and said: "In that case, let's do it in advance. Get it ready."

After that, he turned to look at Joseph and his master Jackson Qiu, and ordered:

"Joseph, your master will be the commissioner here from now on,"

"Responsible for coordinating the operation of the entire copper mine,"

"For the control of explosives and the response to crisis situations,"

"You organize a team from the Front and set up a special force team."

"The special force team will be managed by your master,"

"And it will be fully responsible for the daily security of the entire copper mine."

"Once you find out the day the special envoy who came here is no longer Reverend,"

"You immediately implement the evacuation plan."

Joseph and Jackson said in unison: "Your subordinates obey!"

Jackson asked: "Mr. Wade, as you said, once the special envoy is no longer Reverend,"

"Are we going to kill the new special envoy?"

"Yes!" Charlie said firmly: "Once we find out that the special envoy has changed,"

"Put him in the copper mine. Once he enters the copper mine,"

"The special forces will attack him immediately,"

"And he and his followers must be killed in the shortest possible time!"

As he said, Charlie explained again: "Everyone, listen to my next order!"

The crowd immediately got attentive and waited for Charlie's next words.

Charlie looked at Jackson, and asked loudly with a resolute expression:

"Once the killing is successful,"

"Jackson must immediately convey the message to Joseph within 30 seconds without any delay. Can you do it?"

Jackson clasped his fists in both hands, bowed, and said,

“Mr. Wade, don’t worry, if I delay for a second, please come and see me!”

Charlie nodded and continued: “After receiving the news, you must send a ship to Cyprus within half an hour.”

“The ship must be large enough to take everyone back to Syria,”

“And there must be enough concealment means to prevent any clues from being traced by the other party.”

“Can you do it?”

Joseph immediately said loudly: “Don’t worry, master,”

“This subordinate will definitely complete all the arrangements!”

“Okay!” Charlie looked at Jackson again, and ordered:

“Once you kill him successfully, pass the information to Joseph,”

“We must immediately synchronize the information to the Cavalry guards and dead soldiers in the shortest possible time,”

“And at the same time dispatch special forces to start planting explosives,”

“At the blasting points that have been laid in advance, and prepare for the blasting, can you do it?”

Jackson bowed again and said, “Return to Mr. Wade, this subordinate can do it!”

“Okay!” Charlie looked at Cavalry Guard Leroy, and ordered:

“Leroy, once you receive the news, immediately notify all Cavalry Guard’s family members,”

“Prepare to evacuate, and at the same time you personally lead,”

“The elite soldiers of the Cavalry Guards to dispatch quietly,”

“To control all the people on the freighter in the shortest possible time,”

“And ensure that they cannot transmit any information to the outside world,”

“In a short period of time, can you do it?”

Leroy without hesitation resolutely replied:

“Don’t worry, sir, this subordinate will not disgrace the mission!”

## **Chapter 5172**

Charlie nodded, looked at the dead man Thirty-nine-zero again, and ordered:

“Thirty-nine, once you receive the news,”

“Immediately organize all the dead men and their families to prepare for evacuation.”

"You live deep underground, and you must be careful when evacuating."

"In the case of ensuring speed and efficiency,"

"Make sure an orderly manner and never panic!"

"And you must ensure that the elderly, children, and women evacuate first."

"If others dare to preempt, they will be killed. Can you do it?"

Thirty-nine zero said respectfully: "Don't worry, sir,"

"390 will guarantee with my head, and will never disclose anything!"

Charlie nodded slightly in satisfaction and said:

"At that time, as long as you can kill the new special envoy and control the people on the freighter in the shortest time,"

"In theory At least half a day can be bought for the evacuation,"

"Which is twelve hours, which is also the time required for the freighter to unload and reload;"

"As long as we seize the opportunity, we will be able to withdraw without a trace;"

"After everyone has withdrawn, the special forces left behind,"

"Will be responsible for blowing up the entire copper mine!"

"At that time, The huge explosion will definitely attract the attention of the local people first,"

"Once they intervene, it will be very difficult for the Warriors Den to follow up and investigate."

"Moreover, this kind of explosion will completely destroy the entire underground,"

"And at the same time form hundreds of meters deep barrier,"

"Making it impossible for them to investigate in depth hundreds of meters underground;

"So as long as we don't leave any clues when we withdraw,"

"These thousands of people will seem to have evaporated in the eyes of the Warriors Den."

"They can rack their brains and couldn't figure out how these people did it,"

"Let alone how these people broke through the shackles of the antidote."

"By that time, I'm afraid that the Warriors Den will be the first,"

"To be frightened to the point of sh!t. It must be a huge blow!"

Speaking of this, Charlie paused slightly, and said with a smile:

"The above is our plan to overthrow the nest!"

Charlie's plan to overthrow the nest is complete and meticulous,"

“And the execution rate is high enough, and he has given everyone a very clear division of labor.”

“As long as these people can follow his orders at critical moments,”

“Every Individual performs their tasks in an orderly manner,”

“So they must be able to make a perfect response in the shortest possible time.”

Moreover, Charlie believes that once the day comes for the implementation of the plan to overthrow the nest,

It will definitely be a huge blow to the Warriors Den.

At that moment, the Warriors Den will realize that the poison they use to control,

All members have been cracked, and its interior will first fall into chaos,

And people’s hearts will definitely change.

To the Warriors Den, it would be like a person who had been invulnerable to a knife and a gun,

Suddenly had an arm broken by a sudden bullet.

Everyone was very excited at this time because they knew that Charlie’s plan,

To overthrow the nest would be put into action sooner or later, it was just a matter of time.

Once this plan is really launched, it will be their first step in revenge against the organization!

At this time, Charlie said to May 47 who came from Syria with Joseph:

“547, from now on, you stay here, you are the same as 390, you are a dead soldier,

Living with them must be more comfortable for you.”

May 47 said respectfully: “Thank you, Mr. Wade!”

### **Chapter 5173**

Seeing May 47’s hesitant appearance, Charlie said:

“Don’t worry, maybe the next slain garrison that we take over will be the one where your wife, children, and family members are,”

“But you have to understand that there is no rush for this matter,”

“And the flaws will be exposed again when it is cleared up.”

May 47 said with a smile With tears in his eyes,

“Thank you, Mr. Wade, for caring about this subordinate’s wife and children.”

“Judging from your words, it’s worth the death of this subordinates!”

Charlie smiled slightly, and said: “Live well, and live to see your wife and children.”

May 47 nodded heavily with tears in his eyes.

Charlie immediately said to Thirty-Nine Zero:

“May 47 is a hard-working person just like you, and I will leave him in your care from now on.”

Thirty-Nine Zero said without hesitation:

“Don’t worry, sir, the subordinates will definitely take care of him.”

“Okay.” Charlie nodded, waved his hands, and said,

“Okay, you guys go out first, Joseph and Jackson stay back.”

The others got up one after another, respectfully leaving.

In the office, only Joseph and his master Jackson were left.

Charlie looked at Jackson, and said calmly:

“Mr. Qiu, I have one very important matter that I want to leave to you.”

Jackson quickly stood up, bowed, and said, “Mr. Wade Go all out!”

Charlie nodded, and said: “All the dead soldiers, as well as the Cavalry guards,”

“After the poison in their bodies is removed, their actual combat capabilities have dropped a lot.”

“It is also a kind of continuously accumulating energy,”

“Which can enhance their strength to a certain extent,”

“So I hope you can take out the energy with which you taught Joseph,”

“And treat these dead soldiers and Cavalry guards as your own apprentices,”

“Teach them the real martial arts.”

Jackson immediately blurted out: “Okay Mr. Wade,”

“This subordinate will definitely teach them with all I have learned, and will never hide anything!”

Charlie was very satisfied with his attitude,

Most of them People in martial arts cherish the arts they practice very much,

And they are unwilling to pass them on to strangers under any circumstances.

Moreover, martial arts skills are not only the undisclosed secret of a fighter,

But also a detailed summary of all his martial arts characteristics.

If one’s martial arts skills are mastered by the enemy,

The chances of the enemy defeating him will be greatly increased.

Therefore, in the field of martial arts, most of the martial arts methods are not passed on to the outside world,

But are only passed on to one's own descendants and clan members.

And for some martial arts sects, they will also divide martial arts skills into several parts.

The outer disciples can only learn a small piece of fur,

While the inner disciples can learn some essence,

But if really want to learn the sect.

All mental methods in the sect must be exposed to the most trustworthy closed disciples to be possible.

Charlie asked Jackson to teach these dead men and Cavalry guards.

Even if a normal person would agree, he would definitely hesitate and even struggle.

However, Jackson didn't hesitate at all, and he didn't intend to hide his secrets.

Just from this point, it can be seen that this person is sincerely obedient and full of sincerity.

So, Charlie nodded, looked at him, and asked with a smile:

"I've been trapped in the Ming Realm for so many years, shouldn't you be very anxious?"

"Yes..." Jackson nodded sincerely and said:

"I've been trapped for decades, and it's really worrying."

## **Chapter 5174**

Jackson at this point continued with utter disappointment: "If it weren't for my eagerness to break through,"

"I'm afraid I wouldn't be in a hurry."

"I know that drinking poison (zhèn) to quench my thirst,"

"But I still decide to join the Warriors Den..."

Charlie nodded slightly, and said indifferently:

"Breakthrough is about talent, but more about chance."

"If you don't have enough talent, no matter how hard you try,"

"You may not be able to become a master of the dark realm."

"If you don't have the opportunity, even if you hang around outside the door for decades,"

"You will still be able to become a master of the dark world."

"You may not be able to find the way to get started."

Jackson said with shame: "What Mr. Wade said is true."

"This subordinate is not talented enough,"

"And the opportunity has not yet arrived."

"Unlike Joseph, who can get the greatness bestowed by Mr. Wade at a young age..."

Joseph looked at the humble and ashamed expression of his master, feeling distressed and grateful at the same time.

His heart ached because he saw his master wasting away for so many years but failed to fulfill my wish;

Grateful as he was fortunate because he had taken at least 30 years fewer detours than him.

Life is only more than a hundred years,

And the detours of 30 to 50 years have been avoided.

The significance of this is so great that it can no longer be described in words.

Charlie chuckled at this time and said:

"The special envoy of the Warriors Den is a master of the dark realm,"

"And the Jiedu envoy before you is also a master of the dark realm."

"After Joseph and I leave, you are the master of the dark realm,"

"Theoretically the highest commander, if you can't reach the dark realm,"

"Doesn't it seem that we are worse than Warriors Den..."

Jackson said with an even more ashamed expression when he heard this:

"Mr. Wade, the subordinate is not strong enough, and they are holding me back!"

Joseph on the side heard Charlie's implication,"

"And seeing that his master was still confused, he urged a little impatiently:

"Master, thank Mr. Wade for your promotion!!"

"Ah?" Jackson was taken aback,

Obviously, he still didn't understand what Joseph meant.

Joseph was already a little anxious, and hurriedly said:

"Master, you don't know Mr. Wade, he can say that,"

"This is to wish you a helping hand and help you break through!"

After finishing speaking, he immediately knelt in front of Charlie, and said in fear:

"Mr. Wade, I think I'm not smart, so I don't know if I may have misunderstood what you mean."

"If I really misunderstand, I hope you can forgive me!"

Charlie nodded and smiled: "You are right, That's exactly what I mean."

No matter how dull Jackson was, he had already understood by this time.

Hearing that Charlie had affirmed Joseph's guess,

He quickly knelt on the ground, choked with gratitude, and said,

"Subordinate... Thank you Mr. Wade for your generosity!"

Charlie nodded, he took out two blood-scattering and heart-saving pills from his pocket,

Handed them directly in front of Jackson, and said with a smile:

"Take the medicine immediately,"

"Close your eyes and let the power of the medicine spread to all meridians,"

"And when you open your eyes again,"

"You will be a master of the dark realm!"

## **Chapter 5175**

For those who sincerely follow him, Charlie is never stingy.

The first time Joseph led all the generals of the Cataclysmic Front to Waderest Mountain,

Despite such deep hatred, Charlie repaired his meridians after he broke him,

And even helped him step into the Ming realm full circle,

And then even help him directly into the Dark realm.

Now, Jackson is sincere and unreserved, so naturally, he should also help him.

What's more, Jackson had been trapped in the Ming realm for thirty years,

So if he could help him achieve a breakthrough at this time,

It would definitely be the greatest favor of his life to him.

Therefore, Charlie planned to take advantage of this opportunity to do him a favor.

At this moment, Jackson was still grateful deep inside,

And when he heard Charlie say that he would be able to break through,

To the Dark Realm by taking the medicine, his entire body trembled uncontrollably.

With trembling hands, he shivered and took the pill Charlie bestowed,

Then his whole body fell to the ground and bowed,

"Mr. Wade's this great benevolence, this subordinate will never forget it!"

Charlie blandly said, "Quickly take the medicine,"

"The Cataclysmic Front also really needs more Dark Realm experts!"

Jackson heavily nodded his head, then glanced at the two pills in his hand,

And put them into his mouth without a second thought.

Immediately afterward, he experienced the most miraculous moment in his life.

The two actual pills suddenly turned into pure energy at the moment of entrance to his mouth,

And suddenly gushed into his dantian.

And at this time, Jackson in his dantian could not expect that there would be such a powerful surge of energy.

This feeling, as if the upstream suddenly broke the dam,

And a huge amount of flood water rushed into a small reservoir downstream,

Such powerful energy, which can be carried by a small reservoir.

So, after the energy quickly filled up his dantian,

It started to rush from the dantian to his eight channels.

The eight meridians were already open, but the degree of openness varied,

And the best-conditioned meridian was only 70% open.

But this force is surging and overwhelming, directly impacting his meridians more unimpeded!

Jackson's heart was shocked and overjoyed!

He finally understood why Joseph was able to make breakthroughs,

One after another in such a short period of time.

With this divine medicine, breaking through to the Dark Realm was as easy as a snap!

At this moment, Charlie's voice rang in Jackson's ears,

"Hurry up and guide and absorb this medicinal power, don't waste it!"

As soon as Jackson heard this, he immediately put in twelve percent of his energy,

Fully guiding the surging medicinal power, which was constantly working in his meridians.

Ten minutes later, he finally absorbed the surging power gradually,

And at this time, he finally discovered that his Dantian,

As well as the eight meridians, and even the muscles and bones of his whole body,

All had undergone earth-shaking changes!

## Chapter 5176

Jackson could clearly feel that his strength had taken a big step forward,  
And even his control of his own internal dantian and meridians had greatly improved.  
Previously, he was like a handicapped person with poor eyesight,  
Who could only see the state of his body in a haze, but now,  
He felt like he had a new pair of healthy eyes, and could see the situation inside his body at a glance.  
This all-around improvement made him marvel, but also excited to the point of tears.  
He couldn't help but think in his heart,  
"So this is what the Dark Realm feels like ....."

"Everything has become stronger and clearer, compared to before, it's simply a qualitative improvement!"

"If I didn't enter the door of the Dark Realm,"

"You will never be able to experience such a wonderful feeling in a lifetime!"

"I've waited for thirty years, and now it's all worth it!"

Thinking of this, Jackson opened his eyes,  
In the haze of tears, he saw Charlie's face,  
So he once again bent down and bowed, choking with excitement,  
"Mr. Wade ..... thank you for the opportunity you have bestowed on this subordinate!"

"This subordinate ..... has finally broken through to the dark realm!"

Charlie smiled faintly and said seriously:

"The Dark Realm is just a new beginning,"

"The road ahead is even more difficult and farther than the decades you've walked before."

"Another thirty to fifty years would be required."

Speaking here, Charlie suddenly turned, and said seriously:

"However, the longer you live, the more effort you need to put in,"

"Ordinary people retire at the age of sixty to take care of themselves,"

"But martial artists, having the pursuit of cultivation,"

"I'm afraid that at the age of 160 still have to work hard to cultivate,"

"Life can not be easy, after this long road,"

"You and Joseph should be prepared for adequate psychological heap."

"This is definitely a pain that is difficult for ordinary people to experience."

Jackson said respectfully, "Mr. Wade don't worry,"

"Since the day I stepped into the door of martial arts,"

"I have already had a firm belief, the path of martial arts,"

"The road is long and far, I will go up and down and seek!"

Charlie nodded gently and said indifferently,

"From today onwards, teach these dead soldiers and Cavalry Guards well,"

"There will be a battle with the Warriors Den in the future,"

"How much chance you have of surviving depends in large part on how better you can teach them."

Jackson said respectfully, "I understand!"

"Please rest assured, Mr. Wade, from today onwards,"

"I will teach them wholeheartedly without any reservations!"

Charlie faintly breathed a sigh of relief and spoke,

"Alright, go and bring in the original commissioner,"

"At least he is a Dark Realm expert, he cannot be wasted."

"This subordinate obeys!"

Jackson quickly brought in the commissioner, who had been completely controlled by Charlie, from outside.

## **Chapter 5177**

This person's cultivation level, although he was already in the Dark Realm Two Heavens,

Still, he became a puppet of Charlie at this time.

After that person came in, he stood in front of Charlie respectfully,

As if he was a robot waiting for orders.

Charlie looked at him and asked with interest, "What's your name?"

The man immediately said respectfully, "Back to sir, my name is Zyron Ni."

Charlie asked again, "How did you become this commissioner thing?"

Zyron replied, "I am from the Warrior camp,"

"And after I came out of the Warrior camp,"

"I first traveled in various continents before I was assigned here as a commissioner."

Charlie asked him curiously,

"The Warriors Den is so strict in management, how come they let you travel around?"

Zyron said, "Sir, traveling is a necessary process for everyone who comes out of the Warrior Camp."

"The organization lets us travel around so that we can look for people,"

"Who are talented in martial arts and convince them to join the Warriors Den."

Charlie sneered: "So it is to pull heads everywhere,"

"It seems that the Warriors Den is very short of people."

"Yes." Zyron nodded and said, "In these few years,"

"There are fewer and fewer members of the Warrior camp,"

"And there are fewer and fewer martial geniuses with the potential to step into the Dark Realm,"

"So that's why the organization has us traveling around to find suitable talents."

Charlie nodded, pointed at Jackson, and ordered,

"Zyron, from today on, I want you to never leave this copper mine,"

"Always follow his instructions, do whatever he tells you to do,"

"If someone wants to oppose him, you must be the first to defend him with your life,"

"Even if you die, you have to be fearless, understand?"

Zyron nodded his head without hesitation and said, "I understand!"

Charlie nodded slightly and said to Jackson,

"This person's strength has reached the Dark Realm Two Heavens,"

"He will stay by your side to be your helper."

Jackson said, "Mr. Wade, Joseph is in more need of people,"

"This person's cultivation level is even above my master and disciple,"

"Why don't you let him stay by Joseph's side and work for the Cataclysmic Front!"

Charlie waved his hand and said indifferently:

"Cataclysmic Front and your situation is different,"

"The Cataclysmic Front in the Middle East has become the ground snake,"

"Even the Warriors Den must weigh, but your place is different,"

"Killing opportunities, in case the Warriors Den replaced a special envoy stronger than Reverend,"

“With you two dark realm experts here,”

“The chances of winning are also greater, it is better to keep him in your place.”

Jackson heard this argument, also no longer insisted,

Arching his hand and said, “This subordinate obeys the arrangements of the master!”

## **Chapter 5178**

Ten o’clock in the morning.

Reverend, who was the special envoy, was sent to the pier by the caravan together with his male pets.

Since the members inside the copper mine still needed to conceal their identities,

In the normal send-off session, the commissioner and others would not get off.

Therefore, Jackson did not get off from the car at this time either.

He watched as Reverend and his male friend got off the car,

And watched as the two of them stepped onto the freighter.

The guards on the freighter and the crew, when they saw Reverend,

Bowed to him with great respect,

And shouted good morning to the special envoy with a respectful face.

But Reverend seldom responded, at most, just a hint,

And then headed towards his office without looking back.

After entering the room with his male pet,

The captain came to the door, knocked, and said respectfully,

“Lord Envoy, our cargo has been loaded, do you think we should leave the port?”

At this moment, Reverend had triggered the strong hint that Charlie had left deep inside him,

He only knew that everything was as usual in the copper mine,

There was nothing abnormal, and he himself had successfully completed this delivery of medicine,

As well as the on-site review and this routine mission had been successfully concluded.

So he said indifferently, “Since the goods are all loaded, let’s just set off.”

“Okay, lord!” The captain responded and hurriedly said,

“Then this subordinate will arrange to set sail!”

The cargo ship, which had been moored in the harbor all night, finally began to set sail and leave.

Reverend, as well as his male pets,

Both had completely forgotten about what happened in the copper mine at this time.

It is also Charlie's psychological implication with skillful,

And triggering conditions that maximally ensured that Reverend looks the same as usual at such times.

When the cargo ship disappeared at sea level,

Charlie was also ready to depart back to Lebanon, together with Joseph.

The affairs related to the station had already been arranged,

And in the future, this station would be jointly managed by Jackson,

The master of Joseph, as well as Leroy,

The cavalry guard, and Thirty Nine Zero, the dead soldier leader.

Their common superior, however, was Joseph.

Joseph left them a way to contact each other online,

And asked Jackson to call Leroy and Thirty-Nine-Zero to give a routine report to him together once a day.

Once everything was arranged,

Charlie stepped on the speedboat back to Lebanon together with Joseph.

After sailing, Charlie said to Joseph, "Joseph, when we arrive in Lebanon later,"

"I will fly back to the United States directly, so you should pay more attention to things here."

Joseph said without thinking, "Mr. Wade, don't worry, this subordinate will not let anything go wrong here."

"Good." Charlie nodded with satisfaction and said,

"After you go back, let the brothers of Cataclysmic Front above the six-star,"

"Go all out for closed-door cultivation,"

"Make sure to build their respective foundations firmly!"

Saying that, Charlie said: "Within this year, the dark realm experts of the Cataclysmic Front,"

"Must be more than five! Right now,"

"Apart from you and your master, there are still three people missing!"

"You tell them to fill the space for these three, I will select the three with the best qualifications,"

"The most stable foundation, and the most diligent cultivation from among them,"

"And help them break through to the Dark Realm!"

“Whoever works the hardest will have the possibility to become one of these three!”

## **Chapter 5179**

“Adding three more Dark Realm experts?!”

Joseph was a bit stunned by Charlie’s words, and his jaw dropped.

Although he was already a Dark Realm expert now,

He knew very well in his heart just how rare a Dark Realm expert was.

It was not an exaggeration to say that Joseph had not seen a single one,

Who could break through the Dark Realm by his own cultivation.

The first is himself, he could break through the dark realm, all thanks to Charlie.

The second is his master, thirty years of work failed to break through,

Who relied on Charlie to give them the opportunity to finally be able to wish.

As for Reverend, the special envoy of the Warriors Den, and Zyron,

The commissioner, they were also trained by the Warrior Camp of the Warriors Den.

Therefore, so far, Joseph has not heard of any Dark Realm expert who broke through by themselves.

Because of this, when he heard that Charlie was going to add three more Dark Realm experts to Front,

His whole body was shocked and happy, and he couldn’t even believe his ears.

In Joseph’s opinion, if the organization could have five Dark Realm experts,

The overall strength would definitely cross a brand new level again,

Which is definitely a great good thing.

Thus, he gratefully and excitedly said to Charlie,

“Mr. Wade, if your subordinate tells this good news to the brothers,”

“Who are six-star war generals or above, they will definitely be very excited!”

Charlie nodded slightly and said indifferently,

“The establishment of the Warrior Camp by the Warriors Den is indeed a wonderful move!”

“Unlike the dead soldiers, those who are able to join the Warrior Camp,”

“Are almost all Ming Realm Great Perfection level experts,”

“And what is even more valuable is that the Warriors Den does not need to imprison or enslave them at all,”

“They only need to tell them that the Warrior Camp can make them Dark Realm experts,”

“And they themselves will rush to join the Warriors Den,”

“And they can also make them take the poison voluntarily.”

Saying that Charlie said with a serious expression:

“The biggest advantage of the Warrior camp,”

“Is that he simply does not need to train from within their own little to select,”

“But can be selected from among the world’s martial artists,”

“They do not underestimate the merit of this selection,”

“It can directly set the screening threshold to the ceiling, greatly saving energy and time.”

Joseph also could not help but sigh:

“They make every case expert must enter the world to travel and discover talents for the Warrior Camp,”

“This move is also very subtle, these dark realm experts,”

“Can easily see all martial artists of Ming realm great consummation,”

“And below Ming realm great consummation cultivation, in this way,”

“As long as there is a Ming realm great consummation found by them,”

“It is difficult for them to refuse the bait of becoming a dark realm expert.”

Charlie agreed and said, “This is also something worth learning,”

“The Front should also gradually set up an internal institution that specializes in training Dark Realm experts,”

“The first stage can be selected from within, and in the second stage,”

“It can be like the Warrior Camp of the Warriors Den,”

“Looking for suitable targets around the world.”

After saying that, Charlie added: “Regarding this matter,”

“I will go back and think about it, and try to put it on the agenda as soon as possible.”

Joseph respectfully said, “Okay Mr. Wade, this subordinate will wait for your instructions!”

.....

## **Chapter 5180**

At noon, the speedboat Charlie and Joseph were on had arrived in Beirut, the capital of Lebanon.

In order not to delay, Charlie took the Concorde directly from Beirut back to the United States.

And Joseph also returned to the headquarters in Syria after Charlie's plane took off.

The Mighty Warriors Den did not know that they had permanently lost their base in Cyprus.

A few hours later, Charlie returned to Providence, to his wife's side.

Claire only thought that her husband had finished reading feng shui for another client,

But she did not know that he had spent the past few days bouncing around Northern Europe,

Syria, Lebanon, and Cyprus in order to fight the most mysterious and powerful organization in the world.

After returning to Providence, it coincided with the end of Claire's master class at the Rhode Island School of Design.

The Rhode Island School of Design had prepared a special ceremony for the master class,

And Claire had shared it with Charlie two days in advance,

Asking him to accompany her to the ceremony.

Charlie naturally did not refuse, his wife, after all,

Had studied hard in the master class for more than a month and was looking at graduation,

So he must accompany her and attend the closing ceremony together,

Which would also be considered a successful conclusion to this tour in the United States.

The closing ceremony was scheduled for Friday night,

And Claire was already returning to her home,

So she wanted to check out of the room early Saturday morning and embark on the return journey.

He did not hesitate to agree to this,

And had the Wade family's Concorde ready to take off from New York early Saturday morning.

The main reason for taking off from New York is that Charlie still has to go to the hospital of the Fei family,

To pick up his mother-in-law who is recovering in the hospital.

In addition, Auntie Li and Xiaofen, and Claudia had asked him,

That they would return to China together with the couple after Claire's studies were over.

Auntie Li and Xiaofen will help him to the large orphanage he invested in after they go back.

As for Claudia, who already has no relatives,

Charlie also promised her that he would find a way to arrange for her to study at the University,

So that she can put down roots in his city in the future.

There are many direct flights from Vancouver, Canada to New York, USA,

And Charlie intends to return home from New York, so he can meet the three of them in New York first.

The time soon arrived on Friday.
