

Chapter 5191

"Miss Fei?!" Matthew exclaimed, "How did Miss Fei get here?"

After saying that, he hurriedly turned his head to look at the entrance.

It didn't matter what he saw, he saw the beautiful young Stella,

Accompanied by Karl, walking in!

In an instant, Matthew's body trembled with excitement.

When the others saw Stella, they were all speechless with shock,

And deep inside they were equally surprised and happy.

No one expected that the famous Stella Fei would appear here.

Although this is the temple of top designers,

But the profession of designer, itself is equal to the service of rich people's technician.

Compared to a heavyweight big shot like Stella, they are more like a group of Michelin restaurant chefs,

Each of them looking forward to a chance to personally cook a good meal for a top client like Stella on a regular basis.

However, with their rank, they were not qualified to serve her personally.

But who would have thought that today, such a group of chefs gathered,

And Stella, a top tycoon, would also come to support.

This really makes them feel flattered!

And Charlie also did not expect Stella, who was already the head of the Fei family,

Would come to Providence personally without a greeting.

But in Charlie's mind, Stella came here especially, should be to support his wife.

The moment Claire saw Stella enter, she said to Matthew and Emily with a bit of gambling and impulsiveness,

"Don't you guys believe that my husband has shown feng shui to many people of high status?"

"To tell you the truth, this Miss Fei is one of my husband's clients, if you don't believe me, you can ask her!"

On normal days, Claire rarely cared about other people's comments.

But today, these two kept mocking Charlie, which indeed made her very dissatisfied in her heart.

She used to doubt that her husband would be cheating when he read feng shui for others.

However, as Charlie's clients became more and more numerous,

And their social status became higher, she found that not only did Charlie not lie,

But he had accumulated a very good reputation in addition to money.

This made her heart, gradually accept the setting that Charlie is very good at reading feng shui.

So at a time like this, she naturally couldn't stand the two people who kept blabbing about her husband.

It just so happened that Stella came, so she instinctively thought that Stella could completely give her husband proof,

So that these two people would know that her husband was not some shoddy liar, but a person with real talent.

When Emily heard Claire's words, she immediately held her arms and laughed in shame:

"Claire, do you know who Miss Fei is? The helm-holder of the trillion-dollar Fei family!"

"A trillion dollars! As long as she says a word,"

"Feng shui masters all over the world will flock to the door of her manor and fight for a chance to see her,"

"Here you say she asked your husband to look at feng shui, you are bragging too much, right?"

"If your husband can read feng shui for Miss Fei, then I can even design the manor for Miss Fei!"

Claire said with an expression of anger, "If you don't believe me, you can ask Miss Fei."

Emily's face suddenly became very ugly, staring at Claire, gritting her teeth, and saying,

"Claire, Claire, I thought you were a simple person by nature,"

"But I never thought your heart would be so malicious!"

"It is not too much to say that you are a snake with a scorpion's heart!"

Claire frowned and asked, "Emily, what do you mean by that?"

Emily coldly snorted: "Hey, don't you just want to trap me?"

"Do you think I'm stupid? I really want to risk going to Miss Fei to ask the truth,"

"Miss Fei will certainly think that I am particularly abrupt, and even discontent with me,"

"Then you deny saying that just now, then even if I jump into a river to prove my innocence in front of Miss Fei,"

"I can not be washed? I could get a bad impression in front of her, my career will be finished!"

"You still say you are not trying to harm me?"

Chapter 5192

Claire was so angry with her that her eyes were flushed red,

She held back her anger and aggression and said word for word,

“Emily, you are nasty-minded to think that others want to harm you,”

“I although am not much capable, but never did anything against my conscience, and never say anything against my conscience!”

“Cut it.....” Emily disdainfully brushed her mouth:

“Claire, I out of kindness wanted to lift you up, by joining us,”

“But I did not expect you to be this kind of inconsistent, two-faced woman, really too disappointing!”

After saying that, she looked at Matthew and said delicately,

“Chairman, it’s all my fault for not being able to judge people,”

“I originally wanted to recommend Claire to you, but I didn’t expect her to be this kind of person

Matthew at this time is more or less riding a tiger.

Emily originally is his adopted lover in the company,

Because she is obedient and understanding and will serve him well.

The most important thing is that she can clearly position herself, knows that she is just a plaything of Matthew,

So she never clings to him, even though Matthew is ambiguous with other women, she is never jealous.

Later, Emily found that Matthew was a little tired of her,

And he seems to have a fondness for Oriental women,

So she took the initiative to turn into a pimp,

Not less to help him in matchmaking, so that he can meet and catch more women.

After all, as long as he keeps Emily’s found lover, it is the same as planting a seed,

This seed can be a constant source of more resources for her.

And the woman Emily plans to match up with Matthew this time is her classmate in the master class, Claire Willson.

Regardless of appearance, figure and temperament,

Claire is one in a million. Emily felt ashamed when she saw her for the first time.

She took advantage of the opportunity of her daily class to secretly take a lot of photos of Claire,

And then sent these photos to Matthew. Matthew was shocked when he saw the photos,

Therefore, he planned to take advantage of this graduation ceremony to come over and get to know Claire in person,

And then use his status in the design field to get Claire into his pocket step by step.

Although he knew that Claire was married, he didn't care about it.

His wishful thinking was to keep her in his company under the conditions of a partner.

As long as this goal is achieved, he has plenty of opportunities to attack slowly.

Due to AECOM's dominance in the industry, the identity of a partner is extremely valuable in the entire design circle.

Young female designers dream of getting such an opportunity, so he firmly believes that Claire will be moved.

However, he never expected that she was not at all interested in the conditions he gave.

Moreover, Claire was not only not interested,

But even approved of her husband who practiced Feng Shui, which made Matthew a little depressed.

He felt that if he wanted to lure Claire into his company,

The first thing he had to do was to make her realize that her husband was an out-and-out liar.

So, he glanced at Emily, who was stirring up the flames, and said with a smile:

"Emily, don't say that, I think Ms. Willson is sincere, and she will definitely not deceive you on purpose."

Charlie changed the subject and said with a smile:

"Maybe Ms. Willson is also a victim, and she didn't know she was cheated."

Emily heard that the boss didn't want to give up on Claire, so she hurriedly smiled and said:

"Chairman, you are right! I also think that Claire must have been deceived!"

Matthew looked at Claire and said with a gentlemanly smile:

"Ms. Willson, the largest shareholder of our company is Chimelong Capital of Wall Street,"

"And Chimelong Capital is a specialized investment entity under the Fei Family,"

"In other words, the Fei family is actually the largest shareholder of our group."

"Although Ms. Fei doesn't know me, I believe that if I declare my family name,"

"I should be able to become friends with her. You just said that Miss Fei is your husband's client,"

"Although I don't intend to question it, but to make sure that you are not cheated,"

"Ms. Willson, I can help you to verify it with Miss Fei."

Chapter 5193

Hearing this, Charlie snorted, waved his hand, and said,

“Forget it Forget it, Miss Fei is so busy, so don’t bother her with such a trivial matter.”

Charlie deliberately refused, in fact, deliberately showing weakness to Matthew,

He knew this kind of person very well, as long as he felt that he won decidedly,

He dares to bet any chips, this move is called luring the enemy deep.

As predicted.

As soon as Matthew heard Charlie say forget it, he immediately got excited and said solemnly:

“Sir, Miss Fei is here now. If Miss Fei is really your client, you have to go and talk to her.”

“She said hello, right? And Miss Fei is one of my bosses,”

“It’s only natural for me to say hello to her,”

“So it’s not an interruption, so why don’t we go there together.”

Charlie waved his hand: “Forget it. If you want to say hello, you can go yourself, I won’t go.”

Charlie’s performance made Matthew even more convinced that Charlie was bluffing,

So he snorted and said: “If that’s the case, then I’ll go over and say hello to Miss Fei.”

After finishing speaking, he looked at Emily who was at the side, and said,

“Emily, you stay here with Ms. Willson and her husband.”

Emily immediately understood that the boss was telling her to keep an eye on Charlie and not let him run away,

So she smiled and said, “Don’t worry, Chairman, I will definitely accompany them both.”

“Okay.” Matthew smiled proudly, then turned around and walked towards Stella.

He walked quickly to Stella, stretched out his hands from a long distance,

Made a gesture of wanting to shake hands, and said respectfully:

“Miss Fei! I didn’t expect you to come here! It’s really a surprise!”

Stella originally wanted to see where Charlie and Claire were,

But unexpectedly a stranger rushed out, so she asked in surprise:

“Excuse me, who are you? Do we know each other?”

Matthew said hastily: “Miss Fei, I am Matthew Peterson, the chairman of AECOM.”

“Your Chimelong Capital is the largest shareholder of our company,”

“But you haven’t come to our company yet for inspection.”

Stella frowned slightly at first, then remembered something, and said,

"I saw your company's name in Chimelong Capital's financial report,"

"It seems that your recent stock price trend is not bad?"

"I remember Chimelong Capital invested in yours, and there is still a floating profit."

"Yes, yes!" Matthew nodded quickly and courteously:

"Your investment director has a very good vision. They were the lowest in our stock price in September last year."

"You came in and now the stock price has risen by nearly 30%!"

Stella nodded slightly, and said politely: "The stock price has risen well,"

"And there is a high probability that your business is doing well, and I hope you continue to work hard in the future."

"That's sure! We will announce a series of good news soon, and the stock price will definitely rise again!"

Matthew said flatteringly, then glanced at Charlie's back not far away,

And immediately deliberately smiled and said, "Oh, by the way, Miss Fei,"

"Just now a friend just mentioned that you are his client. Would you like to come over and have a chat?"

"He said I was his client?"

Stella asked curiously: "Who is it?"

Matthew immediately pointed to Charlie who was not far away, and said with a smile:

"That's the gentleman, he said He is a Feng Shui master,"

"And he also said that you are one of his clients, Miss Fei, do you know him?"

Stella saw Charlie's back and immediately recognized him.

She was overjoyed at first, but then she couldn't help but frowned and thought to herself:

"This Matthew's tone of voice doesn't seem quite right, what he said earlier is quite normal,"

"But why did he bother to ask in the end? He doesn't know Mr. Wade?"

"Could it be that he suspects that Mr. Wade is lying?"

Chapter 5194

Thinking of this, Stella immediately guessed the matter, thinking:

"It seems that this guy probably doesn't believe what Mr. Wade said,"

"So he borrowed chance and came to say hello to me,"

"And deliberately mentioned Mr. Wade, by the way, wanting me to expose him personally?"

At this point, Stella couldn't help but said to Matthew in surprise:

"I do have a cooperating Feng Shui master, but he went to another place some time ago,"

"So he probably wouldn't appear here, and the back of that person doesn't seem to be him."

Matthew was pleasantly surprised when he heard this:

"Oh! That person is probably an imposter! Miss Fei, you don't know,"

"He's been bluffing under your name all the time. When I heard that even you were his client,"

"I almost signed a contract with him for a few million dollars a year."

"It's a great fortune to meet you here, otherwise I'm afraid I would have been deceived!"

Seeing Matthew's upper body, Stella snorted and said casually:

"The one who cooperated with me That feng shui master has a very high appearance fee,"

"If someone is not familiar with him, let alone a few million dollars a year,"

"Even if it is tens of millions of dollars a year, he will not take a second look."

Matthew said with a smile: "It seems that the Feng Shui master you cooperated with is the real master."

The one here must be a counterfeit. Please Stella go over and identify Charlie. But he could not say it out loud.

The reason why he hesitated was that although he really wanted to do this in his heart,

He was afraid that Stella would reject him if he said it out, making Stella feel that he was too small.

After all, Stella is the head of the Fei family, and such a high-ranking person probably wouldn't care,

About an ordinary person bluffing and deceiving using her name.

Just like the technology industry, there are countless people bluffing and swindling under the names of Bill Gates and Elon Musk.

The true and false depends on the people you meet.

They will not come out to clarify one by one or investigate one by one.

However, for Matthew, if he didn't invite Stella to come and identify him,

He couldn't slap Charlie in the face in front of Claire.

You know this is a good opportunity. Once Claire sees through her husband's hypocrisy, it is easy to invite her to join her company.

Stella, who was extremely intelligent, could tell at a glance what Matthew was struggling with,

So she said with a smile: "Mr. Peterson, there are many liars and I don't care about such things,"

“If someone is trying to trick you in my presence and I do not come to clarify it here, it’s really unreasonable.”

Matthew’s mouth almost grinned to the back of his ears in excitement.

Excited in his heart, he thought to himself: “Hey, what else do I want!”

Thinking of this, he respectfully said to Stella: “Miss Fei, you really have a sense of responsibility!”

After that, he hurriedly made a gesture of invitation, and said, “Miss Fei, this way please!”

Stella smiled without saying a word, nodded slightly, and followed him toward Charlie and Claire.

The two walked in the direction of Claire.

Seeing Stella coming over, Emily didn’t know where to put her excited hands.

Before meeting Stella, the most valuable person she had ever met in her life was probably the chairman.

He owns 10% of the company’s shares and is worth more than one billion US dollars.

But what is Stella’s identity? The financial empire under her command has assets exceeding one trillion yuan.

In front of her, Matthew is simply a poor household that cannot afford enough food and clothing.

The gap between them is worlds apart.

Seeing such a high-ranking and powerful person, Emily’s snobbish eyes naturally felt 10,000 excitements in her heart,

And she also thought of 10,000 possibilities in her heart to make friends with Stella and then reach the pinnacle of life.

At this time, Claire also saw Stella walking over quickly.

Thinking of Stella’s real identity and the past when she used Zhan Fei’er’s identity to be friends with him,

Claire felt somewhat embarrassed, not knowing how to face Stella now.

On the other hand, Charlie remained calm all the time and didn’t even turn his head to take a look.

Chapter 5195

Charlie had heard clearly the conversation between Stella and Matthew just now,

And he just couldn’t help sighing in his heart at this moment, Stella, a girl, is indeed very smart and close to a monster,

But she just passed through the horse. Peterson, with a little bit of ulterior thought,

Was able to replay the whole thing in his mind and figure it out. This kind of analytical ability is really amazing.

What makes Charlie even more interesting is that Stella’s channel is surprisingly consistent with his own.

The reason why he lured the enemy deep was to push Matthew into a desperate situation,
But Stella had accurately detected his intention and made absolute cooperation.

This tacit understanding really made Charlie sigh.

However, Charlie's performance of not looking back, in Emily's view,

Is absolute evidence of guilt, and she also believes more and more firmly that Charlie definitely doesn't know Stella.

As a result, the smile on her face grew stronger, just waiting to see the jokes between Charlie and Claire.

At this time, Matthew had already graciously led Stella all the way to the front of the three of them.

Before Matthew could speak, Emily stretched out her hands to Stella nervously and excitedly,

And said in a trembling voice, "Fei... Miss Fei... I... I'm... I'm sorry I'm a little nervous... .."

Matthew saw that Emily couldn't speak well when she was nervous, so he quickly introduced:

"Miss Fei, this lady is Emily Wang, a very outstanding young talent of our company,"

"A student of this master class, and was just promoted to our senior partner..."

Stella nodded and shook Emily's hand politely.

At this time, Matthew looked at Charlie with a face full of complacency, and said with a smile:

"Sir, I have invited Miss Fei here! Miss Fei, this gentleman said that you are his client, I don't know if you know him?"

After that, he looked at Charlie with a smile, as if he was waiting for Charlie's lies to be exposed.

Stella looked at Charlie, her eyes widened pretending to be surprised,

Then she bowed slightly, and said with surprise and respect, "Master Wade! Why are you here!"

As soon as Stella said this, Matthew and that Emily stood there stunned as if struck by lightning.

The two were still waiting to see Charlie being exposed by Stella, but unexpectedly,

Stella bowed to him respectfully and called him Master Wade!

Matthew broke out in cold sweat almost instantly and drenched his entire back in an instant.

He couldn't help looking at Emily blankly. Apart from shock, there was also questioning in his eyes.

Because he really couldn't figure out what was going on.

Could it be that Claire's husband is really a Feng Shui master?!

Emily was also trembling with fright!

In her eyes, Stella was as unattainable as a god, but who would have thought that Claire's husband could make Stella get respectful to him?

This... Isn't this stabbing the trouble into the sky?!

Just when the two of them were terrified and didn't know what to do,

Charlie looked at Stella and said with a smile: "I will definitely come to support my wife's graduation ceremony."

"Why is Miss Fei coming here, I am surprised?"

Stella hurriedly said: "Master Wade, I also heard about Claire's graduation ceremony today, so I wanted to come over to congratulate her."

"?! " Both Matthew and Emily turned pale with fright!

Matthew even though tremblingly in his heart: "This...is this fcking nonsense?!"

"The famous Stella Fei claimed to be inferior in front of a Feng Shui master?!"

And Emily was thinking in her heart: "My God... Stella came to Rhode Island School of Design on a special trip to attend Claire's graduation ceremony..."

"What is the origin of Claire's husband..."

Peterson asked Stella subconsciously: "Miss Fei, you...do you know him?"

Stella nodded, and said calmly: "This is Master Wade,"

"I could become the head of the Fei family, thanks to Master Wade's help."

"This..." Matthew was even more terrified. He quickly wiped the cold sweat off his forehead, looked at Charlie,

And said with an apologetic smile, "So it's Master Wade! It's a great honor to know you!"

Charlie made an eyebrow: "Just now you said I was a liar,"

"Now lucky to be a three-year-old. Mr. Peterson seems to be a little fickle."

Matthew's scalp was numb from fright, and he waved his hands quickly:

"No, no, I treated you well, I don't have any doubts!"

After that, he quickly pointed to Emily who was in a panic, and blurted out:

"It's Emily who has blind eyes and has been questioning your identity. I was also led astray by her ..."

Chapter 5196

Emily was so frightened that her heart rate rose rapidly.

She didn't expect that the boss would throw the blame on her at this time.

Just as she was about to explain, she suddenly saw Matthew winking wildly at her,

So she could only say in panic, "I'm sorry, Mr. Wade,"

"It's all my fault. It's my blindness. Please forgive me..."

Seeing that Matthew asked Emily to come out to top the bag,

Charlie was not surprised at all, so he said,

"I usually don't like to haggle over every detail with others."

Matthew and Emily heard this, they thought he will not pursue this and their expression instantly relaxed a lot.

However, Charlie changed the subject and said coldly: "But today is an exception!"

The two of them trembled in fright when they heard this.

Charlie looked at Matthew, and said calmly: "Mr. Peterson, I'll talk to you about the two of us later."

After speaking, he looked at Emily again, and said with a slight smile,

"Miss Wang, it's fine if you question me, and even get sarcastic to my wife,"

"Even saying that she has a vicious mind and a vicious heart,"

"No matter how good-tempered I am, I can't bear you humiliating my wife."

Emily's face was pale, and she hurriedly explained:

"Mr. Wade... I... I just said something wrong on impulse..."

"You... I didn't mean it..."

After finishing speaking, she hurriedly looked at Claire and begged:

"Claire, please forgive me this time for the sake of my innocence..."

Before Claire could speak, Stella who was beside him took the lead and said,

"Ms. Wang, she is my good friend, and Mr. Wade is kinder to me,"

"How dare you speak rudely to them!"

"Even if Mr. Wade and Claire forgive you today, I will not forgive you."

After finishing, Claire looking at Emily, she said coldly:

"In my opinion, people like you should not stay in the design industry!"

"I will make a suggestion to the International Federation of Designers to completely ban you from the industry!"

Emily almost fainted when she heard this.

She was just promoted to the senior partner of the company today,

And her future was bright. If Stella really wanted to kill her career,

It would be impossible for any well-known design company in the world to hire her again,
And they would not be able to hire her again.

It was impossible to cooperate with Emily at the risk of offending Stella.

The design industry itself is a service industry. If you want to achieve a certain height in the design field,
You must serve high-end customers. Once you lose high-end customers,
You will immediately become the bottom of the design industry.

To be honest, if there are high-end clients, then any luxury house design is a big project worth millions,
Or even tens of millions of dollars.

I am afraid it is difficult to accept the design of an ordinary residence of 200 square meters;
for the public, if there is a high-end Party, the design projects undertaken are often large shopping
malls,

Landmark buildings, or even stadium management for major events,

But once lost Without the high-end Party, even if you want to take over the design of an ordinary
residential area,

It will be as difficult as climbing the sky.

What's more, Emily knows her own situation very well.

She doesn't have any outstanding design talent at all.

She could climb to today's heights only by selling her b0dy.

If she is really banned by high-end customers,

If she even goes to a small design company or set up her own studio, it will be difficult to make any
money.

Originally, Emily could get an annual salary of several million dollars a year,

But once she was really blocked and couldn't get along in the design industry,

It was impossible for her to have a place in other high-end industries.

It is difficult for her even to earn tens of thousands of dollars a year!

The huge gap made her extremely regretful, so she knelt down in front of Charlie and Stella without
thinking,

Choked up and said: "Mr. Wade, Miss Fei, please forgive me for the sake of my lack of knowledge."

"This time... I finally made it this far step by step, if you block me, I will have nothing..."

Stella glanced at her, then turned to look at Matthew at the side,

Asked him with great interest: "Mr. Peterson, you, the chairman,"
"Should be responsible for letting such an employee become a senior partner of your company?"
Afraid he will be implicated too, he quickly expressed his attitude and said:
"Miss Fei, the old saying goes you know people, you know their faces,"
"But you don't know their heart. As a director, there is a unshirkable responsibility..."
"Don't worry, I will immediately call the company's human resources director,"
"And go through the resignation procedures for Emily, and I will never hire her in the future!"
Who would have expected Emily to count on Matthew? And she gave him a hand,"
"But she didn't expect this guy to sell her at a critical moment!
So, she immediately became furious and cursed hysterically:
"Peterson! You ba5tard! I did all this for you,"
"And you dare to make trouble at this time, are you still a fcuking human?!"

Chapter 5197

Matthew just for self-preservation subconsciously dumped the pot on Emily,
But he did not expect, in a moment Emily will be completely angered.
He always thought that she obeyed him because he was a handsome,
And a successful forty-year-old man with extraordinary charm for women,
So that Emily was completely subservient to him,
And at the critical moment to take her out to cover his future,
She certainly will not have any dissatisfaction.
However, he completely overestimated his so-called charm.
For Emily, money is the real source of charm.
As long as there is enough money, even if she is allowed to face a ninety-year-old man,
She will also behave addicted to him, unable to extricate herself.
However, if there is no money, even if the other party is handsome as Tom Cruise, she will still not look at him.
Just now Stella said she will block her in the design industry,
This will already cut off her financial road,
Did not expect Matthew also fell into the well, and this instant let her anger.

Matthew also saw that Emily seemed to have lost her mind,
And hurriedly winked at Emily: "Emily, in front of Miss Fei, you'd better not talk nonsense!"
"I advise you to leave here now and go to the company tomorrow to see the human resources director,"
"Who will give you a certain amount of compensation for your dismissal according to the process."
Matthew did not dare to say the words too frankly,
The reason why he winked at Emily,
And at the same time said that the company will follow the process to give dismissal compensation,
In fact, is to tell her and let her now honestly put the pot on the back, tomorrow he will not treat her badly.
However, Emily is full of anger at this time by Matthew,
Listening to Matthew talk about termination compensation,
She is even angrier, because according to the company's rules,
She is only three or four years into the staff,
The most compensation for leaving the job is half a year's salary.
Moreover, although Matthew had confirmed that she would be promoted to senior partner,
According to the company's regulations,
There was still a three-month inspection period for senior partners,
And only after the inspection period is over she can successfully pass the debriefing,
She could officially get all the benefits of a senior partner.
This means that if she is fired now, the company only needs to pay her half-year salary,
All according to her previous salary standard, which is only \$200,000 to \$300,000!
When she thought that Matthew was going to use \$200,000 to \$300,000 to send her off,
Emily was even more furious and trembling, she looked at Stella and said out of the blue:
"Miss Fei, the reason why all this happened today is that this son of a b!tch had his eyes on Claire!"
"He asked me to find a way to introduce Claire to him,"
"And to find an opportunity to attract Claire to join the company,"
"So that he could get hit on her!"
Emily's words immediately made Matthew scared out of his mind,
And he couldn't help but immediately raise his hand and slap her, cursing:

"Emily, what is your intention in slandering me here?"

"I met Ms. Willson for the first time today,"

"So how could I possibly have ill intentions towards her like you said?"

"You are clearly slandering!"

Emily covered her face and cursed angrily, holding back the pain:

"I'm slandering? You think I don't have proof?"

Saying that she immediately took out her cell phone,

Fished out her chat records with Matthew, found many photos of Claire,

And said to Charlie and Stella: "Mr. Wade, Miss Fei, look at the time these photos were sent,"

"The earliest one is almost a month ago, at that time I just met Claire in the master class,"

"And Matthew also made a move on Claire at that time."

"At that time, he had his heart set on Claire!"

Matthew said nervously, "You sent me all these photos,"

"How can you say that I had my heart set on Ms. Willson!"

Emily said coldly, "Don't admit it, right? Here are the chat records,"

"So you can show Mr. Wade and Ms. Fei how you replied to me!"

After that, she looked at Stella and angrily blurted out,

"Miss Fei, you must not let this beast go,"

"He just had an inappropriate sexual relationship with at least seven female employees,"

"Including me within the company, and that's not the most terrible thing!"

"What's scary is that this son of a b!tch also preyed on his 13-year-old adopted daughter!"

"And he also took a lot of indecent videos on his phone!"

Matthew heard this, the whole person got terrified to the extreme,

He subconsciously questioned: "You how do you know?!"

Emily sneered: "Your phone password I had quietly noted down long ago,"

"Every time you stayed overnight in my apartment,"

"I would add some sleeping pills to your red wine,"

"And then while you were asleep, secretly looked up at the various contents of your phone,"

"Including your chat records with others, email correspondence,"

"As well as your photos and videos are hidden in the phone!"

Chapter 5198

Matthew furiously cursed: "You you are really despicable and shameless!"

Emily's mouth wiped over a smile, sneering:

"What? You think I was played by you for these years,"

"Will I not leave some backhand for yourself?"

"Let me tell you, I not only have those nasty videos of you,"

"But also evidence of your collusion with others and embezzlement of corporate assets!"

"You took the lead in acquiring an ai mapping company in the first half of the year,"

"Costing the company half a billion dollars, but that company is simply an empty shell,"

"And this ai mapping technology is also a completely immature product that is not commercially available at all,"

"And at least half of the half a billion dollars you spent on acquiring it went into your pocket through various means!"

"Don't worry, I'll take this evidence out today!"

"You'll be stuck in jail for the rest of your life!"

When Matthew heard this, he shook like chaff and said,

"Emily, I can give you as much money as you want, but if you destroy me, you won't get anything!"

Emily sneered, "Fine, give me \$100 million, as long as the money arrives,"

"From now on you go your way, we will never cross a bridge,"

"The big deal is that I will retire early, no longer staying in the design circle in this life!"

Matthew agreed almost without thinking and said,

"No problem! Just \$100 million!"

At the side, Stella smiled with a subtle expression at this time and spoke,

"Mr. Peterson, this hundred million dollars, I advise you not to give it out, there is no point."

When Emily heard this, she blurted out,

"He has to give me this money no matter what he says!"

"If he doesn't give it, then I'll hand over all the evidence to the police!"

Stella looked at Emily and laughed lightly,

“Don’t daydream here, not to mention 100 million dollars, even if it’s one dollar, he can’t give it to you.”

Emily subconsciously questioned, “On what grounds?”

“If he doesn’t give it to me, I’ll put him in jail!”

Matthew looked at Stella in panic and explained palely,

“Don’t misunderstand, Miss Fei, I didn’t do any of the things Emily said,”

“I promised to give her the money, as I just don’t want her to ruin my reputation outside

Stella laughed at his pale defense and said lightly,

“Mr. Peterson you should not forget that the Fei family is the largest shareholder in your company,”

“You use the position of chairman to enrich yourself, this is embezzlement,”

“And also suspected of money laundering, the violation, is the interests of all shareholders of your company,”

“Including the Fei family! And I, as the head of the Fei family, have the right to ask the FBI,”

“To step in and conduct a thorough investigation into that takeover,”

“So whether Emily has evidence or not, it’s meaningless to you because,”

“The FBI will definitely find the person in charge of the acquired company as well and find out what’s going on!”

“In addition, there is the behavior of you and minors, whether Emily has no evidence,”

“I have the obligation to report to the FBI so that the investigation can clear it,”

“Even if the two of you now try to delete the information in the phone,”

“They also have a way to restore, once it is proven that the matter is true,”

“Then the rest of your life may really have to be in prison!”

Matthew heard these words, his eyes were black, and almost fainted,

Then he knelt down in front of Stella without thinking, choked, and said:

“Miss Fei, I am the chairman of the company, if I am arrested by the FBI,”

“The company’s stock price will definitely plummet, then the Fei family’s investment will also be damaged,”

“Please, for this sake, please give me a chance,”

“You do not want to see the two or three billion dollars invested by the Fei family going in damages

Stella said coldly: “The chairman of the Board of Directors broke the scandal,”

“A short period of time will indeed affect the share price, but your company’s business roots,”

“Not in you alone, so as long as the impact of the scandal gradually disappear,”

“The company’s share price will certainly rise back.”

After a pause, Stella continued, “And the Fei family has plenty of money,”

“Also has plenty of time and patience, when the time comes,”

“It can completely take advantage of the plunge in share prices during this period,”

“So those shareholders who do not have so much time and patience,”

“We can try to acquire more shares, and when the Fei family gets the majority of the board of directors voting rights,”

“They can appoint a new chairman to take over your company, in that case,”

“When the share price rises back, the Fei family will not only achieve control of your company,”

“But also take the opportunity to make a big profit.”

“So, if you are arrested by the FBI, for the Fei family,”

“Not only is it not a loss, but it is a good opportunity to take a bottom!”

Speaking of which, Stella remembered something and continued, “Oh yes, although you have 10% of the company’s shares,”

“But due to your encroachment on the company’s assets, resulting in a direct loss of \$500 million,”

“Indirect losses may hit a billion dollars or more,”

“In this matter, the company will certainly sue for compensation;”

“And the court will definitely seize your illegal income of 200-300 million,”

“Providing all the compensation to the company, but even so, you will still owe the company a hole of several hundred million dollars,”

“This hole, the court will definitely require you to use your personal assets to make up for it,”

“So that you have to take out the illegal income, but also to pay at least several hundred million dollars in additional losses,”

“You have to believe the Fei family’s legal team, they will definitely do their best to get this amount to the maximum.”

Matthew already felt that the sky was spinning, never thought that Stella would want to kill him like that.

Without giving him a respite she continued: “The court will force you to sell your shares to pay for the damages and penalties,”

“If you don’t have enough cash to pay for them, and I don’t think it will take longer to get to this point.”

“In this way, the 10% of your shares will be auctioned off by the Fei family at the lowest price,”

“And the funds from the share auction, after paying the compensation and fines, I’m afraid not much will be left.”

Saying that Stella added: “Oh yes, there is also the matter of you and minors,”

“Once this matter is confirmed, whether the other party is voluntary or not, you are legally responsible,”

“If the other party’s lawyers seize this opportunity to knock you hard,”

“You have to come up with at least another tens of millions of dollars in compensation,”

“In this way, you may really have nothing left!”

Chapter 5199

Matthew did not expect that the young, smiling nightmare Stella would want to totally exterminate him!

However, in the next second, he figured out the reason for it.

The misappropriation of office funds has always been the most disgusting thing for the shareholders of large corporate groups.

Even if the shareholders hold a lot of shares,

But generally do not directly intervene in the operation of the enterprise,

The operation of the enterprise is generally also handed over to the founder of the shares who have a small percentage to bear.

In this world, many well-known large enterprises are basically the same.

Originally, if the company has a net profit of \$500 million,

Then after setting aside next year’s budget, the rest of the money if they want to take out,

Is given to all shareholders in the form of a dividend, according to the proportional share of the holder.

But Matthew, as the founder of the company, said it was in a developing phase.

So without dividing any dividend, he continued to finance it from the profits.

In this way, he was able to take the company to a market value of ten billion dollars.

However, Matthew himself is only left with 10% of the shares,

If the 500 million dollars are used for dividends,

He can only get 50 million of them, and out of these 50 million, he will have to give them out to the IRS, nearly half of it.

It is precisely because of this, he has done the rat race,

Five hundred million dollars is not divided, directly to engage in investment,

In this said investment, in fact, is money laundering,
Five hundred million dollars thrown out, at least three hundred million dollars back into his own pocket,
Compared to honestly giving all shareholders dividends, this way to get more money and faster.
For a generally large listed group, every year there are a large number of acquisitions,
Mergers and acquisitions cases, and who can guarantee that every acquisition can make money?
Some projects are also likely to hit the water.
Matthew, based on this point, only single-handedly planned the acquisitions.
But he never expected that Emily, who usually obeys his words and even has some taste of slavery,
Had so much evidence of him and uttered that in front of Stella without any break.
In this way, if you take away the 500 million dollars,
You are directly taking away the money that should have been distributed to the Fei family,
How can Stella, who has reached the position of the Fei family head, spare him?
And, what's worse, Emily also exposed the nasty things between himself and his adopted daughter,
Once this matter is reported to the FBI, he will certainly have to sit through the bottom of the jail!
A thought to this, Matthew almost immediately made up his mind,
No matter what he has to reconcile with Stella.
So he looked at her and begged: "Miss Fei, as long as you are willing to let me go,"
"I am willing to transfer all my shares to the Fei family at a 50% discount on the market price,"
"Which will not only allow the Fei family to profit hundreds of millions of dollars,"
"But also help the Fei family to strengthen their control over the entire company,"
"Which is already far beyond the damage I have done to the Fei family earnings,"
"This is an absolutely very sincere effort from my side....."
Stella smiled faintly: "Do you think your hundreds of millions of dollars have any value in my eyes?"
"To the Fei family, money is far less important than reputation,"
"If the Fei family harbors a beast of clothing like you for a few hundred million dollars,"
"Then would Randal Fei have died in vain?"

Chapter 5200

Matthew's heart instantly thumped.

Only then did he remember Randal's incident which had been making a lot of noise before.

In order to compensate the families of the victims injured by Randal,]

The Fei family took out more than one billion dollars before and after.

Stella had only managed to save the day and help the Fei family regain its reputation,

So how could she let herself go for the sake of his shares?

Thinking about this, he already recognized the situation in his mind and thought:

“I have to run away, the sooner the better! The better to leave the United States tonight!”

After making up his mind, he slowly stood up, he said with a contrite face:

“Please don’t worry, Miss Fei, I will go to the police tonight to turn myself in,”

“I should bear the responsibility, I will never escape!”

After saying that, he turned around and ran outside while Stella was not paying attention.

His driver was outside, his private plane was at the airport,

As long as he could get out of this auditorium door, he would be able to get to the airport in half an hour.

As long as he could get on the plane, he would definitely be able to leave the U.S. tonight,

And as long as he could leave the U.S., he would be able to keep most of his assets while preserving his personal freedom.

If can’t get on the plane, then his assets and freedom, both will be gone!

Matthew suddenly feet to escape, Stella also did not react for a while,

Just when Matthew thought he would be able to escape, he suddenly felt his body instantly get stagnant,

The whole person was instantly strangled neck, can not move.

He subconsciously looked back and found that it was Charlie who reached out and grabbed his collar.

Charlie said with a smile on his face: “Mr. Peterson, where are you going in such a hurry?”

Matthew hastily put on a strong calm and said,

“Mr. Wade, I just said, to go to the police to surrender”

Charlie nodded and said with a smile, “It’s good that you are willing to turn yourself in,”

“But there is no need to go there in person, and this kind of crime by the elite class of society,”

“It’s usually not the turn of the police to deal with it, it’s the FBI itself,”

“So why not just let Miss Fei contact the FBI and let them come here to pick you up.”

Once Matthew heard this, the whole person was suddenly paralyzed with fear,

He struggled to break free from Charlie's hand, but naive Charlie's hand remained motionless.

Stella called Karl over at this time and instructed,

"Master Yuan, notify the head of the FBI and have them send the closest agent over."

"Okay, Miss." Karl immediately nodded, took out his cell phone, and made a call.

Matthew's body has been unable to support,

The whole person like mud spread on the ground, eyes full of desperation pleaded:

"Miss Fei, please let me live, do not drive to kill"

"I have worked so hard for so many years to get to today, you can not destroy me like that!"

Stella said in an icy tone: "Not I want to destroy you, it is you who destroyed yourself."

Matthew said, "Miss Fei if I can't, I will transfer all my shares to the Fei family unconditionally!"

Stella smiled blandly and said, "Did you forget what I said?"

"Your shares will have to wait for a low-price auction and be used to compensate for the company's losses."

"As for whether there will eventually be any surplus and how much will be left,"

"You will need to wait slowly in prison."

As he spoke, Karl had already walked back from outside.

He came in front of Stella and said respectfully,

"Miss, the head of the FBI has been called, they take it very seriously,"

"And have dispatched several senior agents from the FBI base in Providence,"

"They are in a helicopter and will be here in ten minutes."
