

Chapter 5201

In the United States, the influence of the Fei family, although not talking about the highest,
But is definitely one of the most influential few families, to such a family,
The head of the FBI always has to ensure a 7×24 response, any situation will be fully resolved.
So, Karl made a phone call and the other party immediately responded.
Matthew heard this, the whole person has completely collapsed,
Sitting on the ground bawling, a time triggered a lot of people's curiosity and concern.
At this time, Matthew, inwardly felt like the end of the world,
Thinking back to ten minutes ago their own vigorous look,
But now immediately to be nothing or even go to jail, Matthew would like to die here.
Emily also sat down in despair to cover her face and cried,
She knew that Stella let the FBI intervene in this matter, Matthew in their hands,
They lost the value of cash, and they not only have to lose their jobs,
But also lost the last trump card to get rich, and they will become completely useless.
Stella did not want to entangle with these two at this time, so he said to Charlie:
"Master Wade, leave this to Master Yuan, let's go inside and find a quiet place to sit for a while what do you think?"
Charlie nodded slightly since Stella had already notified the FBI,
With the FBI's ability, plus Stella's influence, Matthew would not be able to escape the law,
So he did not bother to look at these two people,
So he looked at Karl and said politely, "Then it will be hard for Master Yuan."
Karl bowed respectfully and said, "You're welcome, Master Wade, this is all my duty."
Stella explained to Karl: "Master Yuan, keep an eye on this Matthew and make sure to hand him over to the FBI yourself."
Claire at this time looked at that Emily, wanted to say something,
But hesitated for a while, and finally did not speak.
Charlie took Claire's performance in his eyes and knew that she seemed to have compassion for Emily.
However, he saw that Claire finally did not say anything, so he also pretended that he did not see it.
The three arrived at the banquet hall, Stella instantly attracted the attention of countless people,

So the three simply found a corner where no one was temporarily seated.

After sitting down beside Charlie and Claire, Stella can not help but feels somewhat ashamed to say:

“Claire congratulations on the successful completion.....”

“For the previous matter I am really sorry, I really had a lot of inconveniences to say I hope you can understand”

Claire’s heart, although there are some bumps on the matter of Stella using a false identity to befriend her,

But she is actually able to understand her.

Although she did not know what Stella had actually gone through,

She knew that this kind of luxurious noble family must also have many hardships that could not be told to outsiders.

She felt that although Stella used a false name at that time,

She had not done anything to hurt her, on the contrary,

She gave her orders for decoration and even helped her to get a place in the master class,

In the end, she owed her a lot of favors.

Therefore, Claire also said very politely at this time:

“Miss Fei, we are friends, you say so is too foreign,”

“Many things I am not clear about the reasons, but I understand.”

Hearing Claire say so, Stella’s expression instantly relaxed, and said,

“You are right, Claire! If you have time someday,”

“I will definitely have a good chat with you and tell you how it really happened in the first place”

Claire said with a smile, “I have time, a little while after the closing ceremony,”

“We two go to the hotel bar for a chat, let Charlie go back to the room.”

Stella nodded without thinking and smiled, “Okay! Then it’s a deal!”

Charlie saw that the two seemed to have cleared up their previous misunderstanding,

And he couldn’t help but feel a little relieved in his heart.

Chapter 5202

Claire is not good at socializing much, has not had many sincere friends,

And Stella went to China with an alias and Claire sincerely treated her as a good friend.

But then her best friend suddenly left without saying goodbye and evaporated,

She has been apprehensive about it, fearing that Stella had some kind of accident.

It was only later that Stella suddenly appeared on the world's media as the head of the Fei family,

Then Claire realized that the person she thought was her best friend hadn't even told herself her true identity.

Since that day, Charlie could tell that Claire was a bit lost.

However, right now, the two of them are considered to have signs of reconciliation,

If giving them both a little time and let Stella tell Claire about her crisis situation at that time,

Then Claire will be able to completely eliminate all her negative emotions.

Moreover, Charlie was not worried that Stella would say the wrong thing or slip her mouth,

And subsequently, give away key information about him.

After all, he had hardly ever seen a smarter girl than Stella,

She must be able to explain this matter to Claire very truthfully,

And perfectly while limiting her role to the feng shui master to a dead end.

Now for Charlie, as long as in front of his wife, can still limit herself to the feng shui master,

Then he is not afraid of anything.

Even if the patriarch of a top family like Stella is respectful of him, he can explain it.

After all, when Stella was nearly chased by her uncle,

It was he who helped her adjust her feng shui and read her fortune to ask for directions,

Which helped her fight back and take back the Fei family's family headship.

With this premise, even if Stella is respectful to him, everything can have a reasonable explanation.

A few minutes later. The FBI helicopter landed in the square outside the auditorium,

And several FBI agents, wearing sunglasses, hurriedly ran into the scene and brought out Matthew, who was under Karl's guard.

Matthew had completely given up resistance and was paralyzed as he was put in the helicopter by two agents.

Countless people were shocked to see him taken away by the FBI and at the same time,

They couldn't help but whisper, trying to figure out why this bigwig of the design world was suddenly taken away by the FBI.

Karl watched the helicopter take off before returning to the venue to give his report to Stella.

Stella smiled faintly after hearing this and said to Claire,

“Claire, when I hold the holding of AECOM, if you are interested, I will ask you to be the president of AECOM.”

Claire waved her hand in frightened practice,

“I don’t have this level, I’d better run my small company back home properly

Stella seriously said, “There is no hurry,”

“I will keep this position for you when the time comes, you can come over anytime if you are interested.”

.....

Meanwhile.

On the other side of the earth, in Eastcliff.

A girl of seventeen or eighteen years old, slim and tall,

With a face as pure as water, was walking fast in a traditional Eastcliff alley.

At this moment, Eastcliff is in the early morning, and according to reason, should be the most lively, the most smoky time in the alley.

But this deep alley seems unusually cold, with no stores and vendors selling breakfast, not even a pedestrian.

The girl walked toward the deepest part of the alley,

And at the end of the alley was a very grand five-roomed, three-bay door

The so-called five rooms and three doors are the specifications of the Prince’s residence in feudal society.

The innermost mansion was the residence of a prince in the Qing Dynasty.

These doors are about three or four meters high, the door is full of brass door nails, imposing and extraordinary.

And the door on both sides of the huge stone lion is also carved with awe-inspiring prominence.

When the girl walked to two-thirds, suddenly from nowhere, two middle-aged men in civilian clothes emerged.

These two middle-aged men are sturdy and resolute in expression,

And at a glance, they know that they are not ordinary people.

They stopped the girl, and one of them said, “Little girl, this is a private residence, don’t go any further.”

The girl was stopped by two strong men, but she was not afraid at all, she said lightly:

“Please tell Mr. Jia, just say that Maria Lin is here and needs to see him.”

Chapter 5203

Hearing Maria say she wanted to see the old man,

The burly man who spoke, his brow instantly furrowed, and asked in a cold voice:

“Who exactly are you?!”

Maria said indifferently, “I said, I am Maria Lin, you don’t need to ask me so much here,”

“I know that you are heavily guarded, and there are an unknown number of guns aiming at me everywhere,”

“I am here today to pay a visit, you only need to send word,”

“Your family’s old gentleman will naturally come out to greet me personally.”

The strong man said angrily, “What a crazy thing for a little girl to say!”

“Do you know what kind of people live in here?!”

Maria couldn’t help but raise her eyebrows, but her tone was still as calm as water,

“You don’t need to bother talking in front of me,”

“You just need to give him a message on my behalf, the word Maria is not poison or a bomb,”

“It won’t have any effect on your duty to protect him,”

“But if Ethan Sun blames you for delaying the business because you refuse to deliver the message,”

“You are just a bodyguard, can you afford it? Can you?”

The strong man did not expect that, this little girl,

Would have such an unsubtle and unyielding spirit in front of him,

And even the confidence that everything was under control made him feel a little anxious.

Moreover, she even called the old man by his name,

Which made him even more frightened and afraid,

And could not help but speculate on the real origin of this girl.

He exchanged a glance with his colleague, who nodded at him with an extremely subtle margin,

And he immediately understood, turning around and walking a few meters backward.

Before saying into the microphone inside his collar,

“Please inform the master that there is a young girl named Maria Lin,

Who wants to see Master, please decide.”

A voice came from the headset, “Are you crazy?”

"A little girl wants to see Master, how dare you ask me to deliver a message like this?"

The strong man urged: "Do not fuss,"

"This little girl seems to be not simple, you quickly go to inform the Master!"

Once the other party heard this, he did not delay any longer,

But only explained: "If the Master blames down,"

"You do not expect me to take the blame for you."

A few minutes later.

The middle door of the five rooms was pushed open from the inside.

Immediately afterward, an elderly man, with the support of two people, came out.

Chapter 5204

The two strong men outside the door were stunned to see their old Master come out in person.

After all, they had never seen a guest worthy of being greeted by the old man himself.

The moment he saw Maria, he was trembling with excitement.

He did his best to walk faster, so much so that the two people around him were a bit frazzled.

Maria just stood there, looking at him with a smile on her face,

Until the old man came in front of her.

The old man stood in front of her, a little panting and a little excited,

And said, "Miss, it's really you! How did you come here?"

Maria smiled faintly, "Came to temporarily join you for a while, is it convenient?"

"Convenient, totally convenient!" The old man hurriedly nodded uncontrollably,

And then asked, "Miss, are you by yourself? Old Zhang didn't follow?"

"No." Maria faintly shook her head and said,

"He will arrive in China in a few days."

Saying that she looked around and spoke,

"It's better to go in and talk, there are some things that I want to ask you for help with."

The old man hurriedly made an invitation gesture and respectfully said, "Please, Miss!"

Maria nodded and stepped towards the imposing gate.

Only after entering the gate could she see that this courtyard was incredibly large.

The courtyard, which was neatly paved with green stones, was at least a few thousand square feet.

The old man took Maria all the way to his study,

And then ordered everyone to leave the study for 50 meters,

So all the family members and servants withdrew to the backyard.

In the study, the old man respectfully invited Maria to sit down on the seat before he opened his mouth and asked,

“Miss, where are you coming from?”

“Why didn’t you notify me in advance so I could arrange for someone to pick you up!”

Maria said lightly: “I’ve had quite a tumultuous journey,”

“Starting from Northern Europe, then first taking a boat to Murmansk in Russia,”

“Then turning overland from Murmansk, taking cars and trains, tossing and turning to Moscow,”

“Then taking a plane from Moscow to Vietnam,”

“And finally taking a land route from Vietnam into China,”

“And taking a plane from the southwest to you.”

“Such a lot of trouble?” The old man was surprised and asked,

“Miss, you suddenly used such a tortuous route to come to China, did you encounter any trouble?”

“Yes.” Maria didn’t hide it and said frankly,

“Something went terribly wrong in Northern Europe and I almost lost my life.”

“Ah?!” The old man asked in shock, “Why would that happen?!”

Maria laughed bitterly, “One of Zhang’s men somehow got in touch with the Warriors Den and exposed my whereabouts.”

“The Warriors Den sent people to Northern Europe overnight to hunt us down and killed everyone except me and Zhang.

The old man said with a face full of horror:

“The Warriors Den actually found you”

“Yes.” Maria sighed and said, “I’ve been very low profile,”

“But I didn’t expect that something would go wrong internally,”

“Old Zhang’s men originally didn’t know my identity,”

“But the Warriors Den had been using special channels to hunt me down,”

“And in order to find me, they also gave a huge reward,”

"I guess it was Old Zhang's men, because of some coincidence, who happened to get this information and then sold me out."

Saying that Maria shrugged again and said,

"But this is all my speculation, after all, those men of old Zhang are dead,"

"And I don't know exactly which one of them betrayed me."

Chapter 5205

Hearing this, the old man hurriedly said, "Miss, then you should take shelter with me during this period of time,"

"It is much safer than outside, besides, although I am now retired behind the scenes,"

"But the resources and contacts are still there, and will be able to protect you."

Maria smiled faintly and said, "I actually don't want to come to you to stay,"

"I just want you to help me investigate someone."

"Check someone out?" The old man hurriedly asked, "Miss,"

"I don't know what you want to check, what kind of person is it? What information do you have?"

Maria said, "I only know that his name is Charlie Wade, male, and he should be under thirty years old."

"You help me to transfer the population data, and the photos exported, I can compare myself."

Saying that, she asked again, "Transferring the population data, you should have no problem, right?"

The old man smiled, "No problem, any data can be transferred."

"That's good." Maria let out a slight sigh of relief and nodded,

"Then it will be hard for you to arrange someone to help me sort it out."

The old man was busy saying, "You're welcome,"

"Miss, it's an honor for our Sun family to work for you."

After saying that, he said respectfully, "Miss, wait a moment, I'll go and arrange it!"

Ten minutes later.

The old man knocked on the door, and only after receiving Maria's permission,

He pushed the door open and walked in somewhat sluggishly.

In his hand, he was holding a laptop.

He placed it in front of Maria and said, "Miss, the information you asked me to check has all been found out,"

"All the information of these Charlie Wade's are here, please look through them."

“Good.” Maria nodded, her fingers on the arrow keys, quickly browsing up the information related to each.

In the past few days, she had long remembered Charlie’s appearance clearly by repeatedly watching the surveillance video,

So the main way of comparison right now was to check whether the information she saw,

And the Charlie she saw, was the same person through the ID photo.

But the strange thing is, everyone’s information all browse through,

But surprisingly did not find the one who saved her that night.

Maria frowned and couldn’t help but ask the old man, “Is this all the information out there?”

“Yes.” The old man nodded, “All that can be found are here.”

Maria couldn’t help but think in her heart, “Could it be that he lied to me at that time?”

Thinking of this, she couldn’t help but shake her head again:

“It shouldn’t be he must have had full assurance that he could erase my memory at that time,”

“In this case, there was absolutely no need for him to lie, right?”

“Moreover, since he even dared to strike at the Warriors Den,”

“There is no way he would not dare to reveal his true name to me in that situation

When the old man saw Maria frowning, he couldn’t help but ask:

“Miss, what’s the problem? If you have any other clues,”

“You can also tell me, one more clue, one more point of certainty.”

Maria shook her head somewhat dejectedly and muttered,

“There are no other clues, I only know that his name is Charlie Wade.”

The old man smacked his lips: “All those named Charlie Wade, the information is here,”

“If he is not lying, then he could be an overseas Chinese?”

“Probably having nationality in other countries?”

Maria spoke: “He said he was Chinese, but it does not exclude the situation you said,”

“After all, many Chinese nationals living outside will also say they are Chinese,”

“But if that is the case, more than two hundred countries around the world,”

“I will have to find a needle in a haystack

Chapter 5206

Speaking of which, Maria suddenly raised her head somewhat reluctantly and asked the old man,

"Is there a possibility that his identity has been encrypted within the system?"

"Encrypted?" The old man frowned and thought, and spoke,

"There are indeed cases of encryption, people with special identities,"

"The relevant information is encrypted, but in order to ensure that this encrypted information is not detected,"

"The system itself is unable to directly access the encrypted content."

Maria asked him, "What is the general encryption logic?"

The old man said, "As far as I know, there are two kinds of encryption logic,"

"One is that his identity information is completely erased from the system,"

"Storing the information in another mutually isolated system,"

"The latter will not have any connection with the network,"

"That is, his real information only exists in that latter system, no one in the outside world can find out any clues;"

Saying that, the old man added: "The other kind is more complicated,"

"It is that this person himself has a set of real identity information,"

"But this set of information is encrypted within the system, somehow becomes a one-way identity."

Maria asked, "What does one-way mean?"

The old man explained: "One-way means that his ID card, his passport, and driver's license,"

"And even the family register, marriage certificate, and other identity documents are real,"

"The ID number is also real, but anyone in the system if you want to fuzzy query his information,"

"Can not be found, for example, I want to check who is called Charlie nationwide,"

"That the system returns the results, will not appear His information,"

"I want to check the information of all the people named Wade in the country,"

"The result will not have him, even if we pull out the information of hundreds of millions of men in the country, there will not be him in this;"

"If you want to query his information, there are two conditions,"

"First of all, you must know his name, as well as his accurate ID number,"

"Both of which are completely correct when it comes to finding out his information;"

"In this way, it basically put an end to other people's wide search, because in this case,"

"You really need to use this system to find someone in a sea of people,"

"If you know his ID card number, it is the same as you have mastered his real information,"

"So you do not need to use this system to cast a wide net."

Maria sighed: "In that case, this encryption method is still very clever,"

"People who don't know him too well can't find him in the system,"

"And those who know him are unlikely to come back to the system to check his information,"

"And even if those who know him come to check, inputting their names and ID numbers,"

"The results that come out will be true, and they won't be able to find out anything."

"Right." The old man nodded and said, "Some people with very, very special identities will use such a method to hide,"

"So that people with ulterior motives for him have no way to check."

Saying that, the old man added: "Such a person, using his own identity,"

"Not only does not have to worry about being found out by others but also his life will not be affected in any way."

"Because in addition to what I just said, you must rely on the name plus ID number to find out his information,"

"All his documents, in fact, are one-way inquiry channels;"

"For example, if a police officer on the road inquires about his ID card,"

"As long as the police officer uses the device to read his ID card,"

"He will be able to check all his information within the system, in this way, the police will not find any abnormalities;"

"If he wants to fly, as long as he uses the correct name and ID card when he buys a ticket,"

"He will be able to board the plane smoothly with his ID card;"

"If he wants to go abroad, then he will book a ticket with his name and passport number,"

"And then he will be able to leave the country smoothly with his passport;"

"However, if anyone wants to check him through the information of the plane registration in turn,"

"It is not possible to find out at all if you want to search if there is anyone named Charlie Wade who has flown in the country,"

"But if you only know his name, then his information will not show up either."

Maria's two willow-leaf-like eyebrows were slightly clustered toward the middle, her expression was grave and fretful.

After a moment of hesitation, she asked the old man, “Whether the person I’m looking for is the first or the second,”

“With your status and connections, can you find out this hidden information?”

Chapter 5207

Hearing Maria’s question, the old man pursed his lips and sighed:

“Miss, in fact, there is a very troublesome underlying logic behind this matter.”

Maria said, “You say it.”

The old man said, “Whether the first or the second, the number of people who are hidden is actually not small,”

“Some special talents, military experts, intelligence personnel, special agents, their identity is encrypted,”

“This adds up to several tens of thousands of people.”

Speaking of this, the old man turned his words and added:

“But the trouble is that for these two kinds of hidden people,”

“Although there is a database, but the vast majority of people who have access to this database,”

“Do not have the highest authority of accessing this database.”

“That is to say if I used these two methods to hide the information of two people back then,”

“Then even if I have the authority of this database,”

“I can only access the information of these two people of mine,”

“The information of others, I have no right to access,”

“Not only no right to access, but I also don’t even know how many people are in this;”

“On the other hand, even if you also have the relevant authority of this database,”

“You can’t possibly find out who I have hidden in this database, we are both insulated from each other;”

“Moreover, there are multiple branches in here, each with different levels and permissions,”

“For example, the intelligence department, its highest person in charge,”

“Has the right to access all the information hidden in the intelligence department,”

“But has no right to access the other departments.”

Maria thought about it and asked, “Someone must have access to the entire database, right?”

The old man smiled awkwardly, “Miss, there are very, very few people with access,”

“I can count them on one hand, and for these people, it is absolutely impossible to leak information,”

"To anyone who doesn't have access, so this path is currently out of my reach."

"I understand." Maria nodded her head, knowing that starting with the database access permission was already an impossible task.

So, after pondering for a long time, she suddenly remembered something and opened her mouth to ask:

"By the way, if a person's identity information was not hidden from birth,"

"Can we still find out the information before he was hidden?"

The old man replied, "If it is the first kind of all information is hidden,"

"So that the person seems to have never appeared in this world,"

"Then all the information of his birth will also be erased;"

"If it is the second kind, it depends on how the person who hides his information operates,"

"Some people may also erase all because of certain purposes;"

"But some people, if they want to create the illusion that the person's whereabouts are unknown,"

"Then they will not erase the previous information,"

"Because this information still has to be made public and respond to the inquiries of people who are interested."

"For example, when a person graduates from college at the age of 22,"

"For some reason, he needs to evaporate, then his file information before the age of 22 will not be erased,"

"Only a missing person, or has died label will be added to his file,"

"And this information will not be encrypted, even just an ordinary police officer with the lowest authority,"

"Connected to the population system, can easily find out information on his file before he disappeared."

Maria's eyes lit up and she asked, "Does the information you just gave me include the missing and dead Charlie Wades?"

The old man replied, "It contains the missing ones, but not the ones that have been confirmed dead."

It suddenly occurred to Maria that she had indeed seen quite a lot of information about small children just now.

Only, when she saw the pictures of small children, she skipped right over them,

Not looking carefully at the specific information of these small children.

However, this would overlook a situation, that is:

If the photo of this small child is not the actual state of the child now,

But this small child disappeared when he was too young,
And his profile information is still stuck in his small time,
Not updated again, in this situation, she would just overlook it.
So she hurriedly said to the old man, "I'll go over the missing person's information first,"
"And if I still can't find it, you can help me retrieve the information about the people who have died."
The old man nodded: "No problem!"
With another look at the computer, the list returned to the first person,
And then began to sift through them one by one.
Soon, a black-and-white photo appeared in front of her eyes, causing her pupils to snap.
The boy in this black-and-white photo looked just six or seven years old.
Looked handsome, and his features and charm made Maria feel slightly familiar.
Then, she looked at the boy's information and muttered, "Charlie Wade,"
"A native of Eastcliff, the son of Changyang Wade and Margaret An....."
"This Charlie Wade, who attended Eastcliff Second Experimental Primary School twenty-one years ago,"
"Transferred to Aurous Hill First Primary School twenty years ago,
"And then disappeared, and his file information was never updated again"

Chapter 5208

The old man heard her muttering, and could not help but say,
"Changyang, Margaret? This couple, more than twenty years ago, in Eastcliff can be said to reign supreme ah!"
Maria asked him, "You've heard of them?"
"More than that." The old man said seriously:
"I have some friends with the Wade family, the Wade family's old mansion, is not far from me,"
"A half-hour walk, the Wade family is in the top three families in China,"
"Changyang was the most outstanding descendant of the Wade family back then,"
"His wife Margaret was a major Silicon Valley investor, by the way,"
"The An family behind Margaret ranked second in the United States."
"So that's how it is!" Maria nodded and sighed, "No wonder the name Margaret An is so familiar,"
"I seem to have read a biography about her."

Saying that Maria looked at Charlie's black and white crown-free photo taken before he entered the first grade of elementary school and said seriously,

"I see that this little kid has some resemblance to the Charlie I'm looking for,"

"Combined with the name also name, I guess the odds are that it's him."

"Unlikely, right?" The old man subconsciously said: "Twenty years ago,"

"Changying and Margaret in Aurous Hill met with an accident,"

"The couple both perished, the eight-year-old Charlie disappeared,"

"Since then the whereabouts are unknown, both the Wade family and the An family,"

"For so many years are looking for the whereabouts of this child,"

"But there has been no news, these two families are very strong,"

"Especially the An family, rich, they have not found the child yet and that means he is unlikely to be still alive."

Maria said seriously: "If according to what you just said,"

"The identity of this Charlie is hidden in a second way,"

"Then will not no one be able to find out? Even if the wealth can be invincible, so what?"

"It is simply impossible to get information from that very, very small number of people."

After listening to Maria's analysis, the old man couldn't help but nod and say,

"You are right, Miss, there is indeed such a possibility!"

Maria suddenly thought of something and pointed to the eight-year-old Charlie's string of local Eastcliff ID numbers and spoke,

"Right, didn't you say that if it's the second encryption method,"

"You can find out the encrypted information if you have a name plus ID number at the same time?"

"Then you help me look up Charlie's name, plus this ID number, and see if we can find out any results."

"Yes!" The old man was also a bit excited and immediately opened a background on his laptop,

And entered Charlie's name as well as his original ID number in it.

Subsequently, the two checked the results with great anticipation,

Only to find that the information given out within the system was still,

The same file of Charlie that had disappeared at the age of eight.

Maria frowned: "Why can't we find out? Did someone give him a new identity?"

After saying that, she couldn't help but ask herself, "The odds are that should be the case!"

Maria guessed correctly, after Leon had placed Charlie into the orphanage,
He made a new identity for himself, and although the new identity was still called Charlie Wade,
It was no longer the Charlie Wade of the Wade family in Eastcliff,
But the fatherless and motherless Charlie was adopted by the Aurous Hill orphanage.
His account was landed on the collective account of the Aurous Hill orphanage,
Which is the case for all children adopted by the orphanage.
So, naturally, he also had a new ID number, one that belonged in Aurous Hill.
In this way, neither the Wade family nor the An family,
No one could find him anymore, and the only one who could find him was Leon.
This matter, the old man spoke: "If someone has given him a new identity,"
"Then this previous set of information will certainly not be able to find out,"
"You must know the name and ID number of his new identity, in order to find out."
Maria frowned and said, "If someone helped him settle in a foreign country,"
"Get a foreign account and foreign identity information,"
"Then he has actually an encrypted identity, it is not the identity before the disappearance,"
"But the new identity after the disappearance."
Speaking of this, Maria added: "I understand twenty years ago,"
"After Charlie disappeared, someone hid his whereabouts, got him a new identity,"
"And hid the file information of his new identity, so the previous Charlie disappeared at the age of eight,"
"A new 'Charlie', or a 'Charlie Wade' with a different name, appeared in a new place,"
"So that no one else could find him except the one who encrypted his information in the first place."
The old man hesitated for a moment, but still spoke:
"Miss, it is not 100% certain that the Charlie Wade you are looking for, is this Charlie!"
"In case this missing Charlie, and the one you are looking for just have a resemblance,"
"Then would not be this speculation misleading? After all, a child's features have not yet grown,"
"And it is normal to have a few resemblances to someone,"
"But it is likely that after adolescence, it will develop in a very different direction."

Maria nodded and said seriously, "You have a point, although my intuition tells me that,"

"The Charlie Wade I'm looking for should be this Charlie who disappeared twenty years ago!"

"But this kind of thing, you can't trust your intuition too much,"

"Just relying on childhood photos with a few resemblances alone to confirm, is really a bit hasty."

Thinking of this, she blinked her eyes, remembered something, and said with a smile,

"By the way, can you help me pull out the file information of Changyang Ye and Margaret An?"

The old man said, "Changyang's can be, but not of Margaret,"

"Because Margaret is an American citizen,"

"So we can only find out some official files of her and Changyang after they got married and stayed in China."

"It's okay." Maria said, "I just need the photos of the two of them."

"That's no problem." The old man hurriedly retrieved Changying and Margaret's information from the system.

When Maria saw the handsome black and white ID photo of Changyang in his file,

Her tightly knitted brows instantly relaxed!

She couldn't help but clap her hands in excitement and laugh:

"Haha, my intuition was right! Sure enough, it's him!"

"The Charlie Wade I'm looking for looks almost exactly the same as this man!"

.....

"Miss, that Charlie you saw, looks exactly like Changying?!"

The old man, at this point, had an incredulous look on his face.

Maria nodded slightly and said indifferently,

"I can't say it's 100% similar, but it's at least 90%."

"Ninety percent" the old man said in horror: "If that's the case,"

"Then there should be no deviation, the two adult looks are so similar,"

"Combined with that person's name is also named Charlie Wade, there will certainly not be any problems"

Speaking of which, he couldn't help but murmur, "Then this"

"Then this also means that the son of Changying and Margaret is still alive?!"

Maria swept away the previous gloom and said with a smile,

“He’s alive! His strength is very strong,”

“The cavalry guards of the Warriors Den were like a carrot piled on an anvil in front of him,”

“Without any ability to resist, it was really impressive.”

“Really?!” The old man was even more jaw-dropping pose, and said with an excited face,

“Great! How wonderful! The excellence of Changying and Margaret is really unlike anything I’ve ever seen before in that age group!”

“When they died young, I often felt sorry for them, but I never thought that their sons would be alive and so good.”

“The son of a dragon and a phoenix is really no ordinary thing!”

Speaking of this, the old man could not help but sigh:

“This this is really incredible two people have searched for so many years have not found the child,”

“Away from the foundation of these two people, can still have such strength,”

“It really makes people think but not understand”

Maria laughed: “He must have his encounter, and it should be a very wonderful encounter.”

The old man laughed gratefully, “I am really curious, how exactly did he do that.”

Maria nodded and said frankly: “I am also curious and even a little gossipy”

Saying that, she couldn’t help but mutter, “By the way,”

“The fact that he was able to chase the Warriors Den all the way to Northern Europe to kill them,”

“Not only shows that he has mastered certain clues about the Warriors Den,”

“But also has a deep hatred for the Warriors Den!”

As soon as the words fell, Maria suddenly stood up, clenched her fists, and said with excitement to the point of dancing,

“I know! The death of his parents is most likely related to the Warriors Den!”

“He wants to seek revenge on the organization for killing his father and mother!”

“Just like me, I want to seek revenge on them for killing my father!”

The old man subconsciously said, “Changying and Margaret died at the hands of the Warriors Den back then?”

“If Charlie wanted to be an enemy of the Warriors Den, why didn’t he identify with his grandfathers?”

“Both of these two families have extraordinary strength, surely they can help him a lot”

Maria shook her head and said seriously, "To deal with the Warriors Den, if it's just about having money,"

"It's pointless to have more money! Even the Routhschild family, in front of the Routhschild Association is not enough,"

"The Routhschild Association has always been the most afraid of exposing themselves,"

"So they have been acting very low-key, otherwise, they can make the Routhschild family all evaporate overnight,"

"Even if they have tens of trillions of dollars of assets,"

"So what can they do? If you have money, you have to have a life to spend it!"

The old man's expression was austere as he nodded:

"You are right money is not the first thing, strength is."

Maria smiled faintly and looked at the old man and instructed,

"By the way, this matter, you absolutely must not tell anyone, especially the Wade family's people!"

The old man couldn't help but say, "Miss, can you let me reveal something to Zhongquan Wade of the Wade family?"

"I have a good friendship with him, and he has been looking for this child for twenty years"

Maria shook her head: "For the time being, it's better not to, Charlie's situation is special,"

"And now he is in conflict with the Warriors Den, if the people of the Wade family know and go looking for him with great fanfare,"

"They might get into trouble, and you don't want to see the Wade family being targeted by the Warriors Den, right?"

"This is" the old man sighed lightly with some despondency and spoke,

"Miss, don't worry, I will keep my mouth shut!"

Chapter 5210

Maria nodded slightly and added: "Charlie disappeared in Aurous Hill, in that case,"

"There are two possibilities: one, after he disappeared, he was given a new identity,"

"And was made to hide his identity in the second way you just mentioned,"

"The other, he was taken overseas directly after he disappeared, and has been living overseas in anonymity."

The old man said, "If it is the first possibility, then you may still be able to find him in the country,"

"If it is the second, I am afraid it will be difficult to find him in the country."

"It's not in the way." Maria said with a smile, "Knowing his true identity, I'm already halfway there!"

After saying that, she added, "I'm going to look for him at home first,"

"And if I really can't find him, then I'll go overseas."

The old man asked, "Miss, where are you going to look for him?"

Maria smiled, "Naturally, I'm going to Aurous Hill, that's where he disappeared twenty years ago,"

"All the clues must start from there!"

The old man subconsciously said, "Miss, the Wade family, and the An family also started their search from Aurous Hill back then,"

"After turning Aurous Hill upside down, they searched for many years all over the world, but never found him.

Maria said seriously, "Since the Wade family and the An family have searched all over the world from Aurous Hill,"

"And have not found him, then, in my opinion, it is precisely Aurous Hill that has the greatest possibility."

The old man asked her, "Miss, do you want to set a trigram to see if you can figure out his trail?"

"I can't." Maria shook her head and said, "I have tried, the trigrams show that it is difficult to identify the traces,"

"But there is a hint of a dragon entering the sea in the trigrams,"

"I think it is because Charlie has experienced some special encounter,"

"Which has directly elevated his fate to the true meaning of the dragon frame. In any case, I can not calculate."

The old man asked curiously, "There are things you can not calculate?"

"Now that we have his childhood identity information,"

"Do you want to use his birth date and eight characters to calculate again?"

Maria shook her head: "I can't even calculate his clues with my near-god trigrams, the birthdate is even less likely."

The old man sighed: "Then, as you said, go to Aurous Hill and try!"

After saying that, the old man asked her again, "Miss, why don't I accompany you to Aurous Hill?"

Maria did not say no, but only looked at him and spoke,

"I see that your qi and blood are weak, your health does not seem to be good?"

"Yes." The old man let out a bitter smile and said, "I'm already eighty-eight this year,"

"I have diabetes, high blood pressure, coronary heart disease,"

"I've had heart attacks, stents, and bypasses, I had lung cancer a few years ago,"

"I had my left lung cut out, I also had chemotherapy, my body is obviously not doing well anymore,"

"The doctor said the other day that I've symptoms of kidney failure,"

"I should start doing blood dialysis after a while, but in this condition,"

"I shouldn't and can't afford any more torment, I'll be satisfied if I can live another two years."

Maria frowned and asked him, "Can't you do a kidney transplant?"

The old man laughed and said, "Look at my body, can I still afford such a big operation?"

"I guess when I get on the operating table, the new lung will not work before it is put in."

"That's true." Maria nodded and said indifferently, "Let me take your pulse."

The old man was shocked by the words and asked in a flattered manner,

"Miss, I'm afraid this is not allowed how dare I ask you to take my pulse "

Maria waved her hand: "There is nothing that can't be done."

With that, she pointed to the armrest of the chair and said, "Put your hand here."

"Thank you, Miss!" The old man hurriedly put his left hand on the armrest of the chair,

Maria's fingers gently moved on his pulse, closed her eyes, and felt for a moment,

Then withdrew her hand, sighed, and said very directly:

"Sorry, although I know some medicine, but may not be profound enough,"

"In your case, I am powerless to make any changes."

When the old man heard this, he was stunned for a moment, then he laughed,

"Miss, there's no need to blame yourself, I'm already satisfied that I've lived this long."

Maria was silent for a moment and said, "Let me tell your fortune,"

"My level of fortune-telling is still much better than the level of medicine."

After saying that, and without waiting for the old man's response, she took out nine copper coins from her pocket.

Then, she placed the coins on the coffee table in front of her and,

As before, divided them into three equal rows in a diagonal fashion, grabbed three first, and threw them on the table.

Immediately, she looked at the trigram of the copper coins and frowned,

"The trigram shows that your life is coming to an end, at most, in half a year."

"Half a year?" The old man's expression was astonished,

And he froze on the spot as if he had been casted with a fixation spell.

However, he quickly came back to his senses and let out a miserable smile:

"Although it is shorter than I expected, but it does not matter,"

"Half a year is enough time for me to explain the arrangements after"

Maria did not speak, continued to pick up the bottom left three copper coins,

Once again threw them to the top of the coffee table.

This time, her eyebrows were gently raised and she spoke,

"However, the current trigram has a silver lining,"

"If you can seize this chance of life, you can live a hundred years."

"A hundred years of long life?!" The old man suddenly widened his eyes and blurted out,

"This is this possible? To live to be a hundred years old, there are at least twelve years left"

Maria said seriously: "The trigrams do not lie, your life,"

"There are only two possibilities, either, within six months; or, after a hundred years."

The old man said with some surprise, "Miss then then how do I grab this ray of life?"

Maria once again grabbed the last three copper coins and threw them on the coffee table,

Then looked at the nine coins on the desktop and frowned.

The old man saw that she looked grave, and did not dare to ask questions, but could only wait anxiously.

A few moments later, Maria puzzled said: "Strange, this trigram says that your life is surprisingly related to me,"

"But I really have no way to renew your life If my father was still alive,"

"He certainly had a way, but unfortunately, he had not taught me that kind of skill until he left"

"It..... may also be because I am not that piece of material"

The old man did not know what to be happy about at this time, after all,

Even Maria could not understand the reason, he had no way to understand it.

At this time, Maria grabbed the southernmost coin, pinched it and held it up in front of the old man, and said seriously,

"This Yongle Tongbao back three coins, in my trigram represents the birth gate,"

“It is at the southernmost end of the nine coins, which means your birth gate is south of Eastcliff.”

“South of Eastcliff” the old man muttered, confused.

Maria’s eyes suddenly lit up and she smiled,

“Although I don’t have my father’s skills, I know one person who certainly does!”

After saying that, she looked at the old man and said seriously,

“This south of Eastcliff must be Aurous Hill!”
