

Chapter 521: Waiting Once in a Thousand Years

Xu Qingzhi leaned lazily on the chair with her hands on the armrest. Her face was pale.

Hearing Shen Fanxing's question, she smiled and shook her head. "I'm fine."

Seeing that she didn't look too good, Shen Fanxing looked at the dishes and urged,

"Are you hungry? Hurry up and eat something!"

Xu Qingzhi nodded and straightened her body. She sighed lightly and pretended to be relaxed. She looked at Bo Jinchuan and joked,

"In order to reach a long-term cooperation with CEO Bo, I've been exhausted recently. Are you paying the bill tonight? If so, I have to eat more to make up for the stamina and nutrition that I've been squeezed dry for the past few days!"

Bo Jinchuan glanced at her and asked, "You're the one who suffered the most?"

Xu Qingzhi raised an eyebrow and smiled. She picked up her chopsticks and placed a piece of meat on Shen Fanxing's plate.

"Yes, yes, yes, it's our chief perfumer. Your most adorable Fanxing has worked the hardest. Fanxing, eat more!"

Shen Fanxing shook her head helplessly and said, "Stop fooling around and eat. We have a lot to do tomorrow!"

Bo Jinchuan frowned at her and asked, "Busy again? What are you busy with?"

Yin Ruijue snatched a piece of fish from Ji Yi's plate with his chopsticks and stuffed it into his mouth. Ignoring Ji Yi's anger, he said to Shen Fanxing,

"Sister-in-law, a woman should act like a woman. Why do I feel that you're busier than Brother Bo? You have to balance work and rest. When you're busy, Brother Bo has to hold it in. Let me tell you, if a man's desires aren't satisfied, it's comparable to menopause... Ahhh, wait for a thousand years..."

Seeing Bo Jinchuan's cold gaze, Yin Ruijue hurriedly changed the topic. In the end, he started singing a classic song.

"Pu... Puhaha..."

Hearing the clumsy singing, Ji Yi couldn't help but laugh. She tried to control herself, but she couldn't.

She turned to look at Yin Ruijue, whose face was flushed red. She held her stomach and leaned against the table as she laughed until tears streamed down her face.

"So... so unpleasant..."

Yin Ruijue gritted his teeth and stared at the shy woman. "What are you laughing at? You're not allowed to laugh! If you continue laughing, I'll punish you!"

“Hahaha, but I’m really stupid... Haha...”

The more Ji Yi looked at Yin Ruijue’s handsome face, the more she couldn’t control herself. Her voice was completely different from his face.

Looking at this woman who was getting more and more impudent, Yin Ruijue wanted to gag her immediately. He lowered his head and took a bite of the food before stuffing it into Ji Yi’s mouth.

“Til make you laugh!”

Qina and Xu Qingzhi also chuckled. Yin Ruijue’s face darkened as he watched Ji Yi swallow the food in her mouth. Seeing that she was about to laugh again, he fed her again.

Shen Fanxing looked at the two of them and shook her head helplessly. Suddenly, she thought of something and asked,

“Didn’t you say that Li Tingshen would be here? Where is he?”

“He said that he couldn’t leave the company and couldn’t come.”

“Really?” replied Shen Fanxing thoughtfully as doubt flashed across her eyes.

The wheel on the dining table was spinning and the plate in front of Shen Fanxing was a mussel. She picked up a piece and placed it on Bo Jinchuan’s plate.

Bo Jinchuan raised an eyebrow and his face softened slightly.

Apart from Yin Ruijue and Ji Yi bickering occasionally, dinner went smoothly!

Halfway through the meal, Xu Qingzhi, who had been sitting quietly at the side, finally couldn’t take it anymore.. She covered her mouth and retched

Chapter 522: You Think You Can Hide It From Me?

Halfway through the meal, Xu Qingzhi, who had been sitting quietly at the side, finally couldn’t take it anymore. She covered her mouth and retched.

She hurriedly put down her chopsticks and stood up abruptly.

Shen Fanxing reacted quickly and stood up. “Qingzhi! What’s wrong?”

Xu Qingzhi waved at her and felt a wave of nausea. She closed her eyes and retched before turning around to run out of the room.

Shen Fanxing hurried after him.

There were only four people left in the room. Other than Bo Jinchuan, who sat there calmly, the three of them looked at each other in shock.

‘What was the reason for Xu Qingzhi’s sudden reaction? In their hearts, the first thought that came to their minds was something ambiguous.

No one was an ignorant young man or woman. To say that someone had a stomachache was absolutely idiotic.

Even if there was food poisoning, there had to be a development period. It wasn't like she had eaten poison that could penetrate her stomach. How could she react so quickly?

Unless there was a dormant period.

In the bathroom, Xu Qingzhi was lying on the sink, clutching her chest and retching. She had not eaten much just now, so she had already vomited.

Shen Fanxing stroked her back, her face turning cold.

'When Xu Qingzhi was almost done vomiting, her entire body seemed to have exhausted all her energy. She reached out with a trembling hand to wash her mouth before leaning against the sink and panting.

Looking at her trembling body and pale face, Shen Fanxing's face darkened.

She didn't say anything and waited quietly for Xu Qingzhi to recover and calm down.

A few minutes later, Xu Qingzhi heaved a sigh of relief.

"Feeling better?"

Shen Fanxing looked at Xu Qingzhi's pale and haggard face in the mirror and said coldly, her expression unreadable.

Xu Qingzhi nodded. "Much better."

Shen Fanxing frowned and held Xu Qingzhi's hand before walking out of the washroom.

"Fanxing? What are you doing?"

"To the hospital!"

Feeling nervous, Xu Qingzhi stood rooted to the ground and stopped walking with Shen Fanxing.

"I just have an upset stomach. I'm not going to the hospital!"

Shen Fanxing turned to look at her with piercing eyes.

"Your stomach isn't feeling well? So you took medicine?"

Xu Qingzhi's eyes flashed and she turned her head away without saying anything.

"I remember that the third of this month is your period. Is it here?"

"_"Xu Qingzhi clenched her fists slightly but remained silent.

Seeing her reaction, Shen Fanxing took a deep breath.

"You said that you're sick, but you didn't take your medicine. Qingzhi, what are you thinking? Do you think you can hide it from me?"

Xu Qingzhi bit her lips and tured her head. A hint of fragility finally appeared on her stubborn face.

“Fanxing...”

Xu Qingzhi, who had always been strong, looked so vulnerable and helpless that Shen Fanxing’s heart ached.

When she encountered such a situation, she actually endured it alone. She had no way out and no path ahead. How could she withstand it?

After being strong and independent for a long time, some things that were difficult for ordinary people might not be much to them. What could crush them was something more difficult than difficulties.

It was the same for relationships. Or rather, a person’s strength on the surface was not proportional to their inner heart.

Even a little emotional hurt was the most fatal blow to them.

Shen Fanxing pulled Xu Qingzhi back and suppressed her heartache... “Come to the hospital with me!”

Chapter 523: Decision

Shen Fanxing pulled Xu Qingzhi back and suppressed her heartache. “Come to the hospital with me!”

Xu Qingzhi refused to leave, her eyes pleading.

Shen Fanxing looked at her and said,

“I didn’t say that you can’t keep him! This is your first time, and I know nothing about him. You can’t eat or rest well in your current situation. It’s not good for the child. Since you can’t bear to part with him, treat him well!”

Xu Qingzhi’s eyes flickered before she allowed Shen Fanxing to pull her away.

After dinner, Shen Fanxing brought Xu Qingzhi to the hospital.

She did a full gynecological examination and confirmed that she was pregnant. Her blood sugar was a little low, so she planned a nutritious meal for pregnant women and folic acid.

After taking the items, Shen Fanxing didn’t relax.

“What should we do next? What should we do?”

Xu Qingzhi shook her head.

Shen Fanxing was silent for a while before she looked up and asked sternly,

“Aren’t you going to tell Limo?”

Xu Qingzhi smiled bitterly and asked, “What do you think his first reaction should be?”

Shen Fanxing frowned.

Xu Qingzhi added, “I’m not telling him. When my stomach is revealed, I’ll go overseas and give birth to the child.”

“But Qingzhi, do you know what you’ll have to face in the future?”

Xu Qingzhi placed her hand on her stomach and her eyes reddened. She shook her head, her eyes filled with confusion.

“I don’t know... Fanxing, I was really frightened back then, but I felt conflicted and secretly happy. I once thought of not wanting him, but as soon as that thought came out, I couldn’t breathe... I couldn’t bear to... I couldn’t bear to... I can raise him well...”

Xu Qingzhi’s words were incoherent, but Shen Fanxing understood everything!

She stared at Xu Qingzhi for a few seconds before taking a deep breath.

“alright, how can I let you raise the child alone? As your godmother, I naturally have a responsibility!”

Xu Qingzhi paused and relief flashed across her face. She reached out to hold Shen Fanxing’s hand and shook it gently.

“Thank you, my dear.”

“alright, let’s go! If there’s nothing important in the company these few days, you can rest at home.”

“Yeah.”

With Shen Fanxing around, Xu Qingzhi felt much better.

However, this feeling didn’t last long. Just as the two of them reached the hospital lobby, someone suddenly rushed up.

Shen Fanxing instinctively shielded Xu Qingzhi behind her.

‘When she composed herself, she was surrounded by reporters.

“Miss Xu Qingzhi, are you pregnant?”

“As everyone knows, you don’t have a boyfriend at the moment. May I ask whose child this is?”

“Miss Xu Qingzhi, can you answer our question? Or do you not know who the father is?”

Xu Qingzhi’s expression changed.

Shen Fanxing’s sharp gaze landed on the reporter and her voice was as cold as ice.

“You better be careful with your words. Otherwise, you won’t even know how you died!”

‘The reporter was shocked by Shen Fanxing’s tone and gaze.

‘The other reporters refused to give up. “Miss Xu Qingzhi, can you please grow up and answer our questions?”

“Miss Xu Qingzhi...”

Shen Fanxing’s face darkened as she looked at the confident reporter. She knew that something had gone wrong.

“Where did you get the news?”

“At Green Jade Entertainment Club, someone saw Miss Xu Qingzhi running to the washroom...”

Shen Fanxing closed her eyes, her head aching.

In the end, Shen Fanxing brought Xu Qingzhi back to the VIP lounge in the hospital. She called the bodyguards and waited until midnight before sending Xu Qingzhi back.

After informing Bo Jinchuan, she stayed with Xu Qingzhi at night.

Xu Qingzhi’s face paled as Shen Fanxing poured her a cup of hot water.

She took a sip and looked at Shen Fanxing nervously, but her tone was firm.

“Fanxing, I want to go to Country M!”

Chapter 524: Where Are You Going?

“Fanxing, I want to go to Country M!”

Shen Fanxing frowned and looked up at her.

“When was that?”

“Hurry up! Limo will definitely find me. Fanxing, he won’t agree to me keeping this child. I have to leave before he finds me!”

Shen Fanxing took out her phone and opened the app to book a flight.

“There are no more tickets for tomorrow morning. The earliest will be tomorrow afternoon.”

Xu Qingzhi nodded and said, “I’ll go pack my clothes.”

“You’re leaving just like that? The company doesn’t care?”

“I’ll leave it to you first! I’ll contact you when I’m back online!”

The next morning, Shen Fanxing brought Xu Qingzhi to the airport.

When they passed the security check at the airport, Shen Fanxing kept reminding Xu Qingzhi to go to the hospital for regular check-ups after settling down. She had to remember to eat folic acid, three meals a day, and find a safe and reliable nanny.

Xu Qingzhi memorized everything and refused to let go of Shen Fanxing’s hand.

“The company must have been affected recently. Fanxing, sorry to trouble you! I know you’ve been busy recently, really busy... I... I’m sorry...”

Shen Fanxing shook her head and said, “I can help to keep an eye on the company, but what about Limo? If you really anger him, what will he do? You will have to face him one day!”

Xu Qingzhi closed her eyes and shook her head helplessly.

"I don't know, Fanxing. I just want to save the child as soon as possible! When I settle down there, I'll think about the future..."

Seeing how flustered Xu Qingzhi was, Shen Fanxing didn't say anything else and comforted her.

'When it was finally her turn, Xu Qingzhi's face relaxed.

There were too many things for her to think about!

How was she going to cut ties with Limo in the future? Her future and her child's future needed to be rearranged.

'As long as she left this place first, she would have enough time to calm down!

At this moment, a luxury car suddenly stopped at the entrance of the airport. A tall man bent down and got out of the car!

It was a young and cold face. His eyes were as dark as ink, and his long eyebrows were cold and indifferent.

A fitting black suit wrapped around his body perfectly. Even though he was exhausted from the journey, he didn't look disheveled at all!

His entire body exuded a dense and sharp aura. His cold eyes were fixed on the entrance of the airport. His long eyes narrowed slightly as he strode forward. His handsome face was gloomy and his feet seemed to be stepping on the light of Satan as he gradually approached the airport lobby!

"Call me as soon as you get off the plane. Don't be anxious. You have to be careful when you walk..."

Seeing that they were about to reach Xu Qingzhi's security check, Shen Fanxing reminded her worriedly.

After all, this was Xu Qingzhi's first pregnancy and she had no experience at all. She only knew that the baby in her stomach must be the most precious and beautiful existence in the world!

'The customers had passed the security check and Xu Qingzhi waved at Shen Fanxing.

"Lknow, I'll be careful! Fanxing, thank you. You have to take care of yourself too. I'll get going..."

Just as she lowered her hand, someone grabbed it tightly!

Then, a voice that seemed to come from hell sounded in front of her.

"Leave? Xu Qingzhi, where are you going?"

Chapter 525: Let Me Go

"Leave? Xu Qingzhi, where are you going?"

Xu Qingzhi's heart skipped a beat and she looked up abruptly. The familiar face that she had not seen for a long time made her eyes tremble.

"You..."

Xu Qingzhi was shocked speechless and took two steps back.

Her face turned pale instantly.

“Sigh, you still can’t pass the security check. But can you make way first?”

“Hurry up, we’re in a hurry!”

Xu Qingzhi snapped out of her trance and twisted her wrist, trying to break free from Li Mo’s grip.

“Let go... let go of me!”

Li Mo frowned slightly, and the coldness in his eyes made people retreat.

The more Xu Qingzhi struggled, the tighter Li Mo’s grip became. In the end, he lost his patience and pulled Xu Qingzhi out forcefully.

“Ah—”

Xu Qingzhi staggered and almost fell to the ground.

Her eyes widened in horror and her other hand subconsciously clutched her stomach.

Li Mo’s dark orbs trembled violently. Without thinking, he reached out and pulled Xu Qingzhi into his embrace.

After finding support, Xu Qingzhi grabbed the collar of Li Mo’s suit tightly as though she was holding onto a life-saving straw. Her face was pale.

At that moment, Shen Fanxing had already rushed to the two of them. Her hand that wanted to catch Xu Qingzhi was still in mid-air. When she saw Li Mo catching Xu Qingzhi halfway, her eyes narrowed slightly before she put down her hand. Her gaze lingered on Li Mo’s face for a few seconds before she retracted her gaze.

The accident didn’t happen. When everything returned to normal, there was a hint of chaos in Li Mo’s deep and cold eyes.

Looking down at the trembling body in his arms, he frowned.

Xu Qingzhi reacted and hurriedly propped up Li Mo’s chest to put some distance between them.

However, Li Mo did not let go of her arm. Before she could escape again, he raised her wrist and said coldly,

“Let’s talk!”

Xu Qingzhi’s face paled and she shook her head coldly.

“[have nothing to say to you!”

Li Mo narrowed his eyes, his gaze sharp and heavy.

“How about we talk about the child in your stomach?”

Li Mo went straight to the point.

Xu Qingzhi wasn't prepared at all.

"Xu Qingzhi, you..."

Li Mo had just opened his mouth when he felt a sharp pain on his back.

His eyebrows twitched. The few of them turned their heads and saw a white-haired woman raising the walking stick in her hand. The second strike landed on Li Mo.

"I knew it, I knew you were hiding something from us! If you dare to touch my great-grandson, I... I'll fight you to the death!"

Xu Qingzhi and Shen Fanxing were both stunned. Li Mo closed his eyes slowly and a look of helplessness appeared on his handsome face. A ball of coldness floated between his brows.

"Mom, Mom! Aiyo, stop hitting me!"

An elegant lady rushed over and held the old lady's hand. Her face was filled with anxiety and heartache.

"Limo doesn't even feel pain, how can you do that?"

As a mother, how could Qiao Zhilan see her son being beaten up? She pulled the old lady to the side and pushed Limo..

Chapter 527: An Accident

The reporters' lips twitched!

Young people nowadays were shy?

Haha.

"alright, alright. You know what you need to know. We're going to discuss the marriage next. I won't tell you the details. You can leave now."

The few of them had just reached Xu Qingzhi's apartment. Limo grabbed Xu Qingzhi's hand and brought her into the room. Ignoring Old Lady Li's shouts, he slammed the door shut.

"This brat..."

"Alright, Mom, this is Limo's own matter. Let him settle it himself!" Qiao Zhilan frowned and pulled the old lady to sit on the sofa.

Old Lady Li sat on the sofa and snorted coldly. Her eyes darkened. The cute old lady who was smiling just now had become more dignified.

"He'll settle it himself? If he does, my great-grandson will die in his hands! Otherwise, why would he rush over?!"

Qiao Zhilan's expression was solemn.

In the room.

Xu Qingzhi sat by the bed and looked at the slender figure standing by the window with her back facing her. Her hands were clasped tightly together.

“What do you want to talk to me about?”

Li Mo didn't move. He remained silent for a long time before he slowly turned around. His dark eyes were dark as he stared straight into her eyes.

“Child, you want to stay?”

His cold voice seemed to be laced with frost, causing Xu Qingzhi's body to turn cold instantly.

“The child is mine. Whether I keep her or not is my own decision. It has nothing to do with you!”

As Xu Qingzhi spoke, she moved towards the center of the room.

Li Mo narrowed his eyes and slowly approached her. His cold voice was as harsh and ear-piercing as a ghost.

“So you want to marry me?”

Marry him?

Xu Qingzhi's heart skipped a beat and she lowered her head. Her long eyelashes trembled and her heart fluttered.

She raised her head slowly and looked at Li Mo.

The sneer on his handsome face and the coldness and disgust in his eyes were like a sharp knife that pierced a hole in her heart.

“No need. If...”

At this point, Xu Qingzhi paused and her knuckles turned white.

She bit the inside of her mouth and was silent for a long time before saying slowly,

“If you don't want this child, I... will consider not wanting him...”

Upon hearing this, Li Mo's narrowed eyes narrowed imperceptibly and the faint smile on his lips tightened unconsciously.

There was an indescribable anger rising in his chest. After a long while, the smile on his lips widened. He seemed to be smiling, but his body was filled with coldness.

He gradually straightened his body and his cold voice sounded in the cold air.

“That would be best.”

These simple words made Xu Qingzhi lose all her determination.

After a long while, her lips curled into a bitter smile. Then, she nodded and replied softly, “Yes.”

One syllable caused a ball of anger to rise in Li Mo's chest. His gaze lingered on her flat stomach for a moment before he walked towards the door.

"Since you've decided not to stay, let's get rid of him as soon as possible! Xu Qingzhi, you and I shouldn't have anything to do with each other! It was just an accident!"

Xu Qingzhi realized that Li Mo was indeed the person who could hurt her the most in this world!

Chapter 528: My biological grandson wants to harm your biological grandson!

Li Mo opened the door and walked out. Old Lady Li hurried over and glared at him angrily.

"What did you say to Zhizhi?"

Li Mo's face darkened and he didn't say anything. He turned around and saw Xu Qingzhi walking out with a pale face.

Seeing this, Shen Fanxing hurried to her side and grabbed her hand. However, she realized that her palm was cold.

Looking at Xu Qingzhi's expression, Shen Fanxing knew what to do.

She turned to look at him coldly. "Limo, do you really not want this child?"

Li Mo's face darkened and he turned to glare at Shen Fanxing!

This damned woman!

Indeed, in the next second, the old lady's walking stick landed again!

"What?! You rascal, rascal! You actually want to harm my great-grandson! I'll beat you to death!"

Li Mo gritted his teeth and endured it. Qiao Zhilan, who was at the side, went up to stop him as usual!

"Mom, Mom! Stop hitting me, stop hitting me... Limo is your biological grandson!"

"So what if he's my biological grandson? Your biological grandson is about to die because of my biological grandson, and you're still not letting me beat him up? Is there a grandmother like you?!"

Qiao Zhilan was stunned by Old Lady Li's words and didn't react for a long time.

She subconsciously looked at her "grandson"—

Xu Qingzhi looked over.

Actually, it wasn't just Qiao Zhilan. Even the others in the room were stunned by this sentence!

In the end, Shen Fanxing couldn't help but smile as she followed the old lady's train of thought.

Old Lady Li was really amazing!

In short, everything was contradictory!

Not only did he draw hatred to himself, but he also pushed himself into the pit.

Yet, she said it so confidently!

Li Mo's head was spinning because of Old Lady Li!

She couldn't help but pinch her eyebrows.

After a long while, he said in a cold and heartless voice,

"It's impossible to have a child, let alone get married! There's no room for negotiation!"

"You"

Seeing Li Mo's attitude, Old Lady Li knew that there was no way to salvage the situation. Her expression turned cold.

"Then who do you want to marry?! Let me tell you, if you want that woman surnamed Mo to enter the Li family, you have to let her step over my corpse!"

Li Mo frowned deeply!

'The expression on her face was as though a storm was brewing.

'Xu Qingzhi clenched her fists and her eyes flickered before she turned her face away.

Seeing that the atmosphere was about to reach a freezing point, Qiao Zhilan hurriedly tried to ease it!

At that moment, the doorbell rang.

Xu Qingzhi went to open the door.

Upon seeing the person, Xu Qingzhi's face darkened!

"Why are you here?"

"You still have the cheek to ask after causing such a huge commotion?!"

A dignified male voice suddenly sounded.

Shen Fanxing looked over and her face darkened.

It was Xu Shaosheng, Qingzhi's father.

She stared at Xu Shaosheng for a while, deep in thought. In the end, she raised her eyebrows and walked to Xu Qingzhi, pulling her aside.

Xu Qingzhi looked at her in confusion. Shen Fanxing held her tightly and stood silently.

'When Xu Shaosheng saw the room full of people, especially Limo and Old Lady Li, his face darkened.

It was already afternoon when Shen Fanxing returned.

After washing up, she lay on the bed and scrolled through her phone for a while to check on Ji Yi and the other artistes.

Then, she opened the calendar and flipped through it. She clicked on the date that had been specially marked.

Shen Fanxing bit her lips lightly as her eyes sparkled

Chapter 529: Correct?

When Bo Jinchuan returned, Shen Fanxing had fallen asleep.

In her sleep, Shen Fanxing was also thinking about what had happened before she fell asleep.

It was a huge red ocean. It was so red that it looked like a raging fire. It was so red that one could not see the end of it.

In her daze, she heard the sound of the door opening. Then, there was a rustling sound beside her. The soft mattress beside her sank and someone lifted the blanket to enter.

Shen Fanxing's eyelids trembled and she opened the door to take a look. However, the familiar cold scent made her give up struggling. Her body instinctively moved and Bo Jinchuan turned his head to look at her.

Instinctively, he spread his arms on the pillow and watched as Shen Fanxing burrowed into his embrace instinctively.

She rubbed her furry head against his chest and sighed softly. She placed her arm on his waist and mumbled in a daze, "You're back."

"Yeah."

Bo Jinchuan smiled and planted a kiss on her forehead before pulling her into his embrace.

There was a long silence in the bedroom before Shen Fanxing's hoarse and lazy voice sounded again.

"Have you not had dinner?"

"I'm not hungry."

Bo Jinchuan hugged Shen Fanxing and the two of them moved deeper into the blanket.

The two of them hugged each other tightly in the small space under the blanket. Bo Jinchuan's warm lips pressed against Shen Fanxing's hair and he kissed her passionately.

His strong scent filled the blanket. Shen Fanxing's eyelashes fluttered as she opened her eyes slowly. Her eyes were teary and her eyes were red.

"Can I cook some noodles for you?"

"I'm not hungry."

Bo Jinchuan pressed his forehead against hers and stared into her hazy eyes.

"How's your friend?"

Shen Fanxing paused for half a second before she lifted her head and pressed her nose against his.

“Yes?”

Bo Jinchuan’s deep voice sounded, as though he was asking her.

Shen Fanxing’s delicate brows twitched and her lips parted as she exhaled.

“It’s rare for you to be so concerned about Qingzhi.”

Bo Jinchuan’s lips tightened.

... Your friend is too worrisome. I just can’t stand her torturing you.”

Shen Fanxing stared at him for a long time before saying, “Bo Jinchuan, isn’t it too coincidental that Limo came so quickly today?”

Bo Jinchuan’s expression froze again. “Really?”

Shen Fanxing narrowed her eyes and said,

“Old Lady Li followed Limo all the way from Jin City to Qingzhi’s child. Isn’t that too much of a coincidence?”

Bo Jinchuan frowned and replied calmly, “Yes.”

“Qingzhi’s father suddenly appeared at Qingzhi’s house at that time and threw a tantrum with the Li family. Isn’t it a coincidence?”

Bo Jinchuan remained silent for a second before biting Shen Fanxing’s nose.

“It hurts...”

“If you know pain, you won’t be so smart!”

Shen Fanxing rubbed her nose and frowned at him.

“It’s really you?”

“Why? Didn’t Xu Qingzhi want to keep the child?”

‘Where else did she think she could hide?’

It’s only a matter of time before Limo finds her. He’ll have to face this problem sooner or later. With the Li family’s family background, it’s impossible for them to leave their heir outside!”

“Since Xu Qingzhi wants to keep the child, she can only marry Limo openly. The child will also have a father!”

Shen Fanxing pursed her lips and sighed, her brows furrowed with worry.

“That sounds great, but is marrying Qingzhi really the best choice?”

Chapter 530: A Small Matter

“That sounds great, but is marrying Qingzhi really the best choice?”

Bo Jinchuan frowned and said, “I can’t care too much about this. The rest is their own business. Can you care about it for the rest of your life?”

Shen Fanxing was silent for a while before sighing softly. “You’re right.”

No matter how close the two of them were, they couldn’t interfere too much.

In this world, there was no such thing as empathy.

Seeing that Shen Fanxing was still upset, Bo Jinchuan caressed her cheek.

“Alright, don’t worry too much! There’s a charity banquet in a few days. I’ll bring you there to relax.”

Shen Fanxing looked up at him and asked, “In a few days? When will you be naked?”

“June 13th.”

Bo Jinchuan’s tone was calm and Shen Fanxing paused for a moment before exhaling softly.

“What’s wrong?” asked Bo Jinchuan.

Shen Fanxing looked at him and shook her head slightly.

“I’m fine...”

In the next few days, Shen Fanxing started to get busy again.

She was so busy that no one could be seen.

Because the engagement was on the 20th of May, Su Heng had been busy with the engagement ceremony.

However, just as everything was ready, a small accident happened.

The assistant was standing in Su Heng’s office with a troubled expression.

“If not, I’ll go to a few more places to take a look. Ping Cheng is such a big city. Have all the flower shops gone bankrupt?”

The assistant looked troubled. “CEO Su, I’ve really visited all the flower shops in Ping Cheng City. There are really no roses... Almost the entire city knows about this. There’s also news online that the roses in Ping Cheng City have been ordered by someone else.”

Su Heng glared at his assistant and turned to face the computer. He searched manually and indeed, he saw that there was a shortage of roses in Ping Cheng City. There were even reporters who went to every florist to interview them. They wanted to find out who the owner of the roses was, but everyone kept their mouths shut.

Hence, everyone who was paying attention to this matter was looking forward to an extraordinary proposal or a romantic wedding in Ping Cheng City.

After browsing through the comments online, Su Heng frowned and closed the webpage.

The assistant stood aside and said tentatively,

“CEO Su, I heard that the meaning of lily is quite good. Do you want to choose lily?”

Su Heng was silent for a while before compromising.

“Let’s go with Lily.”

“Okay, I’ll do it now!”

After the assistant left, Su Heng pursed his lips and sighed heavily.

In her daze, a familiar face suddenly appeared in her mind. Although it was still cold and indifferent, the expression in her eyes was helpless, sorrowful, reluctant, sad, and gentle

There seemed to be too many things that Shen Fanxing wanted to express to him.

Since that day, it had been flashing across his mind.

The more she wanted to forget, the clearer it became and the more her heart wavered.

That was why Fanxing,

Did she still have feelings for him?

June 13th. Celebrity Red Carpet Charity Banquet.

Just from the name of the event, one could tell that the attendees of this charity event had always been celebrities and influential superstars..

Chapter 531: Villain

One of the highlights of the charity banquet was that each guest would provide their own belongings or jewelry for the auction. The price would naturally be handed over to the charity organization.

This was a charity banquet that could not be underestimated. However, for the sake of their reputation, dignity, and superiority, they would not allow today’s charity fund to end with a mere few million yuan.

Another highlight of the charity banquet was the organizers. Every year, the organizers would think of ways to obtain something that would attract everyone’s interest.

Most of them belonged to a certain world champion or something else.

For example, there was the Night-Luminescent Pearl, the famous clothes of the world’s top fashion designers, the paintings of famous modern painters, and the most eye-catching works of jewelry designers!

That night, the famous Red Carpenter had already released the news. With just six words, he had completely piqued the interest of too many people.

Celebrities gathered at the Red-Carpet Charity Banquet.

Due to the mysterious publicity strategy, many foreign socialites, gentlemen, and wealthy families had come.

Su Heng brought Shen Qianrou to the charity banquet.

‘That was the first time Shen Qianrou had appeared on such a large scale after the plagiarism scandal.

Naturally, many people forgave her for not giving up on charity after the incident.

In the end, Lin Shijia admitted to everything and did not implicate Shen Qianrou. He even placed Shen Qianrou in an unknown position. In the end, Shen Qianrou was deceived by him and became the victim.

Although she couldn’t forgive Ji Yi for stealing her original song, it seemed like it had nothing to do with Shen Qianrou. The storm had passed.

Shen Qianrou was still dressed in a white dress. She had light makeup on and looked unique.

‘There were still many people surrounding her. There was an alluring and well-dressed woman who held Shen Qianrou’s arm intimately.

The few women beside her smiled and chatted.

Their gorgeous smiles attracted the attention of many men.

“Qianrou, you’re so good. You look so beautiful in such a simple and elegant dress!”

“Yes, if it were me, I definitely wouldn’t be able to wear such a quiet and elegant outfit!”

“She has a good figure and a beautiful face. Naturally, she looks good in anything!”

Such words were common!

But a woman’s words were not enough.

Shen Qianrou gave a faint smile, her face pale due to her makeup.

Although she didn’t say anything, it was obvious that she was exhausted and innocent.

Seeing her like this, the few of them sighed. They knew that Shen Qianrou had indeed suffered a lot recently.

“Qianrou, it’s been hard on you!”

“She’s clearly a victim, but she was scolded so badly by those people and lost so many scripts and endorsements. This society is really unfair!”

“But it doesn’t matter. The limelight has finally passed. Moreover, our Qianrou is so capable. There will definitely be more opportunities. Sister Ruyun, don’t you think so?”

‘The few of them tried their best to flatter her. In the end, they even complimented the woman who had been hugging Shen Qianrou.

Other than Shen Qianrou, Fan Ruyun was the best artiste in Lan Yun Entertainment.

It was because Fan Ruyun's sister was a rich lady. In recent years, she had participated in several famous television dramas and movies. Basically, she had brought funds into the production team. It was inevitable that her development would be good.

Now, during Lan Yun Entertainment's crisis, she had given them timely help and convinced her brother-in-law to invest a sum of money to support Lan Yun Entertainment.

She was the artiste with the best development in Lan Yun Entertainment. Now that she had become Lan Yun Entertainment's "savior", Fan Ruyun's treatment in Lan Yun Entertainment was naturally the second Shen Qianrou.

She couldn't neglect him.

"Of course. Qianrou is multi-talented. It's just that she's been unlucky recently and made a mistake..."

Hearing Fan Ruyun's words, the rest agreed.

"Hey, I'm here.. Look, isn't that Shen Fanxing and Ji Yi?"

Chapter 532: Mysterious Auction Item

"Hey, I'm here. Look, isn't that Shen Fanxing and Ji Yi?"

While they were talking, there was a commotion at the door. They looked up and saw Shen Fanxing walking in with Ji Yi.

The moment the two of them entered, many people surrounded them. Most of them had already negotiated with Stars International or wanted to build a relationship with them.

She could vaguely hear those people praising Shen Fanxing and Ji Yi.

Shen Qianrou's face gradually turned cold as she gritted her teeth. She stared at Shen Fanxing with hatred in her eyes.

But she hid it well.

She had suffered too much. She couldn't be rash and act rashly. She had to endure it.

All she needed to do now was to endure!

Looking at Shen Fanxing's calm and smug smile, she hated her to the core.

He wanted to chop her into mincemeat!

Fan Ruyun snorted coldly and said, "This is only the beginning. The higher you stand, the more likely you'll fall to your death!"

The moment he said that, someone chimed in.

“That’s right, Qianrou. Aren’t you all participating in the International Fragrance Competition? When the time comes, you must beat her up!”

“Yes, I know. It’s best if she makes a fool of herself and embarrasses the world. Let’s see how long she can laugh like this!”

“She’s really overestimating herself. She knows that Qianrou is Rosanna, yet she still dares to PK with you. Ahhh, I really want to see her embarrass herself! As long as she falls, let’s see how far Ji Yi can go!”

Hearing this, Shen Qianrou’s dark expression softened.

That’s right!

Standing high, the chances of falling to death were the highest.

In the end, it was all because of Shen Fanxing.

If she could step on her in the past, she would definitely be able to do so in the future!

After greeting those people, Shen Fanxing and Ji Yi walked towards the center of the venue.

Unsurprisingly, Shen Qianrou and the rest looked at them with unfriendly expressions.

Shen Fanxing took a deep breath helplessly.

This circle was really small.

“How long can they be smug for? Hmph!”

One of the women spat and took a step forward, blocking Shen Fanxing and Ji Yi’s path.

Seeing this, Fan Ruyun curled her lips and clicked her tongue.

“Our Qianrou is doing well now. Although her career isn’t going well, her relationship is enviable! Tomorrow is tomorrow. Do you know what day it is?”

“know, I know! Everyone in Ping Cheng City knows that tomorrow is the engagement ceremony of President Su and Qianrou! Congratulations, Qianrou!”

Shen Qianrou glanced at Shen Fanxing and saw her looking at her calmly. She smiled and gave Shen Fanxing a look that only she could understand.

Her face was gentle and shy, but her eyes were filled with smugness and provocation.

Shen Fanxing looked at her expressionlessly. There was no trace of emotion, let alone disappointment and sadness.

What was provocation?

Provocation required bargaining chips!

‘What was the bargaining chip?

Su Heng’s love?

Ha, she had long been fed to the dogs!

Shen Fanxing couldn't help but smile.

What should she do to pass it on to Shen Qianrou? Su Heng was worthless to her.

Although it didn't affect her much, she felt awkward seeing her acting smart time and time again!

Seeing the smile on Shen Fanxing's face, Fan Ruyun felt that she was forcing a smile. Hence, she spoke mysteriously.

"By the way, do you know what that mysterious auction item at Red-Carpet tonight is?"

Chapter 533: The Only One

"By the way, do you know what that mysterious auction item at Red-Carpet tonight is?"

Seeing Fan Ruyun's expression, everyone looked excited and quickly asked,

"I don't know. Sister Ruyun, do you know?"

"Hurry up and tell me, Sister Ruyun. I think she knows!"

"What is it? Many people are here for this today!"

Seeing how eager they were, Fan Ruyun said smugly,

"It's already very clear what 'one, mysterious and fragrant' is. What's 'fragrance? That's perfume! 'One, mysterious' is even simpler. Tell me, what's the most mysterious to you in the perfume world?"

"It's Star! International perfumer No. 1-Star!"

One of the celebrities shouted with admiration, instantly attracting the attention of too many people.

Search, excitement, anticipation.

In the circle of celebrities nowadays, what they pursued was nothing more than materialistic enjoyment.

Fashion had become an essential part of their lives.

Perfume played an important role in the fashion industry.

Perfume had a long history. It had flourished since ancient Egypt and had lasted for a long time. In between, it had experienced the rise of the feminist movement. Perfume had an irreplaceable position!

In today's society, everyone was pursuing fashion. Perfume was even more popular!

It was an essential element in the fashion industry.

In recent years, the most irresistible person was Star, the mysterious perfumer.

'The perfume that had won two consecutive championships had yet to appear.

Someone had cheated countless people in the name of Star and TA!

If Red-Carpet wasn't powerful enough, it wouldn't have attracted so many people tonight!

Actually, some people had already guessed that it was the most mysterious auction item tonight, so they came here to try their luck.

Now that someone had mentioned this, many people naturally paid attention to it.

"Star has won the first place in the International Fragrance Competition twice in a row, but she has never gone on stage to receive an award! I don't know if she's a man or a woman, whether she's fat or thin, tall or short, or where she's from! She has always maintained the most mysterious color. Her style is simply too high! Yun, is today's mystery item really Star's perfume?"

Fan Ruyun raised her chin and said, "The mysterious perfumer Star has never appeared in the world! So, is she worthy of the word 'only' tonight?"

Everyone nodded thoughtfully before their expressions turned excited.

Everyone knew that this was the first time Star had won the championship in an international scent-making competition. The theme name was "Unique".

If that was the case, that would be great!

Hopefully, nothing unexpected would happen!

"Gosh, is that true? Yun, is this news true?"

"Yes, if that's true, tonight will be an eye-opener!"

"The work of the world's top perfumer. Oh my god, I'm so excited just thinking about it! What kind of person can obtain such a unique item?!"

Fan Ruyun smiled and glanced at Shen Fanxing from the corner of her eye.

"That's right! Qianrou admires the mysterious Star very much! I even heard that Young Master Su is determined to get the 'Only One' tonight.. Tomorrow is Qianrou and Young Master Su's engagement ceremony! Young Master Su is preparing to give Qianrou the most romantic surprise!"

Chapter 534: I'm Face Blind

"Huh?! I can't take it anymore! I'm about to be tortured to death! Not only is he tall, rich, and handsome, but he's also so romantic! He's not giving me a way out!"

"Qianrou, congratulations. The engagement ceremony is tomorrow!"

Fan Ruyun patted Shen Qianrou's hand and said,

"Qianrou, you should be happy to have such a good man like Young Master Su by your side! Some people are disappointed in relationships, so you can only find other places to be happy! However, the most important thing for a woman is to have a good man by her side! Especially someone like Young

Master Su, who is rich and handsome. If you marry him, you won't have to worry about food and clothing. As the Young Madam of the Su Corporation, you're much more famous than some celebrities, right?"

"That's right, that's right. If I had a boyfriend like Young Master Su, I wouldn't be a celebrity! The thought of being a rich young lady makes me feel good."

"Sigh, not everyone can be the young mistress of a wealthy family! Only our Qianrou can be so lucky!"

Shen Qianrou glanced at Shen Fanxing, who was blocked at the side, and said shyly,

"Stop talking, it's really..."

Fan Ruyun smiled and said, "Alright, alright, let's stop talking! Stop talking. Look at how shy Qianrou is..."

Fan Ruyun's teasing made the few people present laugh softly. Her delicate and pretty appearance was indeed eye-catching.

The few of them smiled and glanced at Shen Fanxing from time to time. They wanted to see Shen Fanxing suffer a huge blow.

Shen Fanxing stood there casually, her gaze fixed ahead. As though she had found someone, her lips curled and she waved her hand.

The smiles on their faces faded a little. When they turned their heads to look, they saw that there was almost a crowd in front of them. She had already retracted her hand, but the smile on her face did not diminish.

However, many people understood that they had said so much just now to stop Shen Fanxing and provoke her!

But she didn't take it to heart at all!

Fan Ruyun felt like she had punched cotton.

Her breath was stuck in her chest. It was suffocating!

On the other hand, Ji Yi couldn't hide the sarcasm and awkwardness on her face after hearing their "performance".

"Oh! Isn't this Ji Yi? No wonder she looks so familiar! She has really changed a lot!"

Before she could vent her anger, Fan Ruyun turned her attention to Ji Yi.

The others were mostly envious and jealous of Ji Yi. As colleagues, many people were jealous of her overnight!

Hence, everyone agreed.

"Isn't that so? No matter what, we're from the same company. We can still greet each other when we meet. Now that she's popular, she doesn't even bother to greet us?"

"She has only been a celebrity for a few days, but she's already putting on air:

“She’s the most popular celebrity now. It’s only right for her to put on airs!”

Being a diva was something that fans couldn’t tolerate, and it was naturally a taboo for celebrities.

These three words seemed to be neither heavy nor light, but it was enough to ruin a celebrity’s future.

Ji Yi was straightforward. She looked at the few of them with a neither servile nor overbearing expression.

“Are we colleagues? Sorry, I’m really not sure. I’m face-blind. Forgive me!”

“You...”

The moment Ji Yi finished speaking, their expressions changed!

Chapter 535: He Keeps a Low Profile

The moment Ji Yi finished speaking, their expressions changed!

She couldn’t even remember if they were celebrities from the company. Her words were completely mocking them for not being famous in the industry!

Shen Fanxing’s lips curled into an imperceptible smile. She found Ji Yi’s words increasingly pleasing to the ears.

“I’m an artiste who was expelled by Lan Yun Entertainment and threatened to be banned. I don’t want to have anything to do with Lan Yun Entertainment at the moment. However, I heard what you said just now! I think you’re right! The most important thing for a woman is to have an outstanding man who understands her!

Especially a rich, good-looking, and powerful man! It’s indeed good to live a comfortable life as the young mistress of a wealthy family! Senior Shen Qianrou, Young Master Su’s family background is indeed good. Congratulations on becoming the young mistress of a wealthy family!”

The few of them didn’t expect Ji Yi to be so sensible. Confused, they looked at Shen Fanxing.

Her expression remained unchanged.

How dare Ji Yi betray her teammate in front of her boss?

“Young Master Su is indeed not bad, but there are many men who can surpass him! Although they are all the daughters of wealthy families, in terms of style, our President Shen...”

“jivil”

Sensing that Ji Yi couldn’t keep her mouth shut, Shen Fanxing called out to her softly.

Although the others were puzzled, almost at the same time, exclamations sounded from the crowd.

“That... That’s...”

“It’s the head of the Bo Consortium!”

Bo Jinchuan was dressed in an expensive black suit that was perfectly ironed. His well-ironed pants wrapped around his slender legs, making him look tall and strong.

His facial features were extraordinarily handsome, and his dark eyes stared ahead indifferently. His eyes were indifferent, and his expression was indifferent. Every line was exquisite, as if it was the work of a top-notch craftsman. It was seamless and perfect, creating an extraordinary miracle.

A few people of similar status walked in cautiously. Their footsteps were calm and steady. Their thin lips were pursed slightly, and they exuded a cold and noble aura.

His expression was calm, but there was a sense of righteousness.

It was an innate nobility and boldness that no one could compare to.

“Oh my god...”

“This is the first time I’ve seen the CEO of the Bo Consortium up close!”

“Yes, he has always kept a low profile! In all my years in Ye City, this is the first time I’ve seen him attend such a public event!”

“Tsk, it’s because your level is low! Ask Qianrou, how many times has she seen CEO Bo?”

Fan Ruyun snorted with disdain.

Shen Qianrou’s gaze landed on Bo Jinchuan and realization dawned on her.

“Actually, he doesn’t attend many banquets. I’ve seen her a few times, but it’s only at his inauguration ceremony, the school’s anniversary celebration, and Old Master Pei’s birthday banquet in the capital. It’s a surprise to see him at such an event!”

“No wonder... Although there were reports of him when he took office, the news about him disappeared not long after! If I didn’t see him with my own eyes, I wouldn’t have known that he was the CEO of the Bo Consortium!”

“Me too! People like him live in legends. Although everyone has heard of him, not many have actually seen him.

Chapter 536: Another Love Rival

“Me too! People like him live in legends. Although everyone has heard of him, not many have actually seen him.”

“I didn’t come for nothing today. To be able to meet CEO Bo, I feel that the Tiffany & Co I donated is not worth mentioning.”

“Oh my god, I... I’m too embarrassed to use the word ‘handsome’ to describe the CEO. It feels too low!”

“What should I do? What should I do? I really want to marry him!”

Not only the women beside Shen Qianrou, but even the women at the banquet couldn't help but yearn for this noble man!

Just as the women were about to faint, Ji Yi held Shen Fanxing's arm excitedly.

"CEO Shen, look, Mr. Bo is here!"

Shen Fanxing glanced at Ji Yi before holding her hand and walking to the front row.

"CEO Shen?"

Ji Yi was puzzled by Shen Fanxing's actions. Shen Qianrou and the rest had used the CEO of the Su Corporation to provoke her. This was a good opportunity to slap her in the face. Why was CEO Shen acting like he didn't know Mr. Bo?

"He doesn't have time to care about us now. Behave yourself and don't distract him."

Ji Yi didn't understand. When she turned around, she saw that he had already been surrounded by a group of people and invited elsewhere.

Such a person was destined to be praised the moment he appeared.

Sighing in disappointment, she looked at Shen Fanxing, not knowing if she should be happy or sad.

If Mr. Bo was still like this in the future, wouldn't CEO Shen be very pitiful?

Women were the easiest to ignore when a man had a successful career.

If she was ignored like this, she would be devastated.

But CEO Shen was still thinking for him.

Not long after Bo Jinchuan left, there was a commotion at the door.

"Oh my god, is it really good to do this today? The young masters are coming one after another!"

Shen Fanxing sat in her seat and looked at the list of items to be auctioned tonight. She didn't notice the commotion behind her.

Not long after, someone sat beside her.

The commotion wasn't small and Shen Fanxing sensed it. Out of courtesy, she tilted her head and nodded at him. In her daze, her gaze landed on the man's face.

"You..."

Shen Fanxing's eyes flickered as she looked awkwardly at Pei Yunze, who was sitting leisurely beside her. He was dressed in a suit and his face was handsome.

"Long time no see."

Pei Yunze greeted her calmly. Shen Fanxing nodded awkwardly and said, "Long time no see."

After glancing around, Pei Yunze leaned back in his seat and crossed his legs elegantly. His eyes paused on a certain spot before he retracted his gaze casually. There was a steadiness about him that did not match his age.

“I wanted to buy a bouquet of roses to visit you, but there are so many new things happening in Ping Cheng. I’ve visited a few flower shops, but they all lack roses. I’m thinking of opening a rose manor in Ping Cheng.”

Shen Fanxing’s lips twitched. She was glad that he didn’t manage to buy the roses.

The thought of the roses Pei Yunze had given her had left a lingering fear in her heart.

If Pei Yunze gave her roses on such an occasion, would Bo Jinchuan fly into a rage?

“Young Master Pei is indeed a businessman. You can see the business opportunities at a glance!”

Chapter 537: Asking for a spare tire

“Young Master Pei is indeed a businessman. You can see the business opportunities at a glance!”

Pei Yunze glanced at her calmly.

“What do you like? I’ll send it to you later.”

Shen Fanxing pursed her lips and closed her eyes helplessly.

“No need, Young Master Pei. I have money.”

“Consider it as compensation for not giving you roses.”

“There’s really no need.”

Shen Fanxing was speechless. She stared at Pei Yunze’s handsome face for a while before asking in confusion,

“Young Master Pei, what do you want?”

Pei Yunze curled his lips and said calmly without looking up,

“Isn’t it obvious? I’m pursuing you.”

Shen Fanxing pursed her lips and said, “Young Master Pei, don’t joke around. I’ve already told you clearly. Moreover, I can’t sense what you like about me. If it’s just to spite Bo Jinchuan...”

Before Shen Fanxing could finish speaking, Pei Yunze suddenly looked up at her with his dark eyes.

“You seem to think too highly of me.”

“Then what are you thinking?”

If she wasn’t certain that Pei Yunze didn’t like her, she wouldn’t have asked.

Pei Yunze looked up at her and his handsome face inched closer to hers. His voice was low and seductive.

“Why are you in such a hurry to cut ties with me? Can’t you be like other women and not agree or reject me? This way, you can have a spare tire anytime and anywhere. If you encounter any difficulties one day, you can also turn around and ask me for help! This way, you have a way out, right?”

Shen Fanxing stared at Pei Yunze in disbelief!

She never expected a man to take the initiative to talk about being a spare tire!

Even ordinary men couldn’t accept it, let alone him, the heir of the Pei Corporation!

If he was like the second male lead in dramas and novels who loved the female protagonist to the core, loved her so much that he could do anything for her, loved her so much that he could protect her silently!

However, Pei Yunze didn’t seem to have anything to do with being affectionate or humble!

He loved her so much that he was willing to be a spare tire?

It was even more ridiculous!

“I’m sorry, Young Master Pei. I can’t maintain an ambiguous relationship with another man while having a lover.”

Pei Yunze’s lips twitched lightly. “It’s alright, reject me as much as you want. I get braver the more I suffer.”

“You...”

Shen Fanxing frowned. Other than Bo Jinchuan, Pei Yunze was another man whom she couldn’t handle.

The auction was about to begin. When Bo Jinchuan was escorted out, he saw Shen Fanxing and Pei Yunze sitting opposite each other.

His brows twitched slightly, causing the few people beside him to bend further in fear.

He walked towards Shen Fanxing.

“Sigh, CEO Bo, we specially reserved a special seat for you...”

The organizer of Red Carpet saw Bo Jinchuan striding towards the first row and hurried to inform him. However, Bo Jinchuan remained unmoved.

At this moment, there was only one empty seat in the first row, and it was at the rightmost edge.

Shen Fanxing’s seat was low-key, but it was slightly to the left. She counted the sixth seat on the left.

The auction venue was huge. There were twenty chairs in a row.

Chapter 538: Sending Her to Her Death

The auction venue was huge. There were twenty chairs in a row.

Bo Jinchuan exuded a dignified aura and his eyes darkened. A cold aura emanated from him.

Everyone retreated and looked at this distinguished man from afar.

Sensing Bo Jinchuan's arrival, Shen Qianrou reacted quickly and greeted the person beside her. She deliberately made space between her and Su Heng.

Now that there was only one seat left, Bo Jinchuan had no choice.

This way, she could get close to Bo Jinchuan and avoid arousing suspicion. She could also take the opportunity to get closer to Su Heng and Bo Jinchuan!

Her actions were too deliberate. Su Heng was her public fiancée, so it was natural for them to be a couple.

How could there be another person between two people?

Anyone could tell that Shen Qianrou was up to no good. But in this day and age, who wouldn't be?

Seeing that only that seat could be taken, the few of them became envious.

"CEO Bo, here..."

Seeing Bo Jinchuan walking over, Shen Qianrou greeted him gently, wanting him to sit down. However, Bo Jinchuan didn't even look at her as he walked towards Shen Fanxing.

He looked down at her coldly.

Sensing Bo Jinchuan's arrival, Shen Fanxing looked up and bumped into his handsome face. A chill went from her spine to the top of her head.

Her lips twitched into an unnatural smile.

Bo Jinchuan stared at her for a while before shifting his gaze to Ji Yi, who was sitting beside Shen Fanxing.

Being stared at, Ji Yi instantly became nervous.

Just as she was hesitating if she should stand up and give up her seat, Bo Jinchuan's gaze landed on the empty seat between Shen Qianrou and Su Heng.

With a glance, he gave an order, "Make way for me."

The person sitting on Su Heng's right immediately whispered to him, "Please move over. Thank you."

Su Heng frowned, but he couldn't embarrass her. He moved to the empty seat.

Hence, the 14 people in the front row moved to the right.

It had to be known that most of the people sitting in the front row had the best family backgrounds tonight. Now that they were all seated without any complaints, the scene was almost spectacular.

In the end, Yin Ruijue pulled Ji Yi to the right and successfully vacated the seat beside Shen Fanxing.

Everyone in the venue was dumbfounded by this scene.

As expected of the head of the Bo Consortium. His aura was unparalleled.

However, he had made such a big fuss just to

Such an inappropriate position?

Puzzled, everyone followed Bo Jinchuan's gaze and stared at Shen Fanxing.

Shen Fanxing felt uncomfortable being stared at. In the end, she tried to move to the empty seat on the right.

Bo Jinchuan's face brightened and he bent to sit in the same seat as Shen Fanxing.

She successfully separated Shen Fanxing and Pei Yunze.

Pei Yunze looked up and gave him a meaningful smile.

"You came at the wrong time."

Bo Jinchuan glanced at him and asked, "Did you come all the way here to be beaten up?"

Chapter 542: Not Worth Mentioning

Shen Qianrou bit her lips and glanced at Su Heng regretfully.

Now that the Su Corporation and the Bo Corporation still had an unfinished contract, although fair competition was common at the auction, they naturally couldn't reject Young Master Bo's first bid.

Hence, she could only feel regretful.

No one dared to offend the head of the Bo Consortium.

Shen Qianrou sighed, her pale face full of disappointment.

Fan Ruyun patted her shoulder gently and comforted her softly.

"Don't be disappointed. We'll film the rest later. Don't worry, tonight will be your night."

Shen Qianrou shook her head and said, "No matter how good the other items are, I've missed this opportunity. I just feel sorry for Grandpa Su."

Su Heng squeezed her hand and said gently,

"It's okay. Grandpa will be happy to know that you have such intentions."

Shen Qianrou smiled gently and nodded.

Seeing that she was in a better mood, Fan Ruyun pointed at the auction list and said, "Look at Qianrou. This pair of jade bracelets is also very beautiful, right? These are from Mingyu Pavilion. They were made by the former jade carving master, Yao Peiyu. It's said that jade is very nourishing! And that

longevity lock. You and Young Master Su's Baby will definitely be able to use it, right?"

The more Fan Ruyun spoke, the more ambiguous her tone became. Shen Qianrou's face turned red.

"Yunyun, that's enough..."

Fan Ruyun smiled and said, "That's not enough. This is nothing. Young Master Su's surprise is the most important... Ah, I let it slip..."

She smiled apologetically at Su Heng. Fortunately, the host announced the next item.

Shen Fanxing had no intention of bidding for the costume of a famous celebrity.

Shen Qianrou despised such things.

Not long after, it was the jade bracelet. The starting price was 200,000 yuan.

"Two hundred and thirty thousand."

Su Heng was the first to raise his bid. Shen Qianrou smiled sweetly.

Her gaze swept across Shen Fanxing, who was sitting leisurely on the back of the chair with her arms on the armrest. She was looking at the list of items, as if she was looking for something worth auctioning.

She was so focused that she didn't notice what was happening.

She frowned as Su Heng raised his sign again. "280,000 yuan."

"Three hundred thousand."

"310,000."

The bidding continued. In the end, the price reached 600,000 yuan. In the middle, someone seemed to like this pair of jade bracelets. The competition was intense and the gap between the two became wider and wider.

"Seven hundred thousand."

"One million!"

Su Heng's final bid of 300,000 yuan created a small climax in the auction.

Shen Fanxing's attention was attracted and she looked in Su Heng's direction.

Noticing Shen Fanxing's gaze, Shen Qianrou held Su Heng's arm happily.

"Brother Heng, thank you!"

Su Heng smiled gently at her and patted her hand gently.

"I'm glad you like it"

"Oh my god, we're being abused again!"

“Ever since the two of them got together, they’ve been showing off their affection all the time. I’m so envious!”

“Young Master Su is really generous to win a beauty’s smile! Qianrou, you’re really lucky.”

Fan Ruyun said, “Don’t embarrass yourselves... This is nothing to Young Master Su!”

Chapter 543: Fingers Interlocked

“Don’t embarrass yourselves. This is nothing to Young Master Su!”

“Yes, yes, yes. Young Master Su has a huge business. This bit of money is nothing.”

Shen Qianrou said, “Every penny is hard to come by. Brother Heng, there’s no need for you to do this for me. It’s better to spend the money on something useful.”

Hearing Shen Qianrou’s kind and sensible words, Su Heng’s heart softened.

“To me, every penny spent on you is worth it.”

“Tsk tsk tsk, let me drink a glass of water. I’m about to choke to death from the PDA!”

The few of them covered their mouths and chuckled. Fan Ruyun and Shen Qianrou looked in Shen Fanxing’s direction again.

There was endless provocation, smugness, and flaunting.

Shen Fanxing sneered coldly, feeling helpless and sarcastic.

However, after the auctioneer’s third question, Bo Jinchuan, who had been indifferent, slowly raised his sign.

“Two million.”

Shen Qianrou and Su Heng’s expressions changed as they looked at Bo Jinchuan.

However, Bo Jinchuan didn’t even look at them. He sat there calmly. His aura was noble, his posture refined, and he was a gentleman.

Shen Fanxing turned to look at Bo Jinchuan in surprise.

Ji Yi excitedly changed her seat. She was enjoying the PDA.

Shen Fanxing stared at Bo Jinchuan’s profile and her lips curled into a smile. She raised her card slowly.

Everyone looked at Shen Fanxing in surprise. Did she have a death wish? How dare she snatch something from the head of the Bo Consortium?

Even Bo Jinchuan turned to look at Shen Fanxing.

Shen Fanxing raised the sign and smiled at the auctioneer.

“Two million and one yuan!”

'The moment Shen Fanxing finished speaking, everyone's lips twitched!

'What the hell?!

Two million and one yuan?!

Who would bid like that?!

Even the auctioneer was stunned for a long time. He had never seen such a bidding method in his career.

Shen Fanxing turned to look at Bo Jinchuan, her eyes sparkling with a rare slyness.

A dark glint flashed across Bo Jinchuan's eyes as he stared at her. His lips curled into a faint smile.

Lowering her gaze, her gaze landed on the armrest below the chair. She raised an eyebrow and wrapped Shen Fanxing's hand in his.

Shen Fanxing was shocked again. She wanted to dodge instinctively, but after struggling for a while, Bo Jinchuan's fingers dug into the gaps between hers. Their fingers intertwined and Shen Fanxing couldn't move anymore.

Looking around and realizing that no one had noticed, she stopped struggling and obediently held his palm.

Although the people behind couldn't see their actions, the auctioneer in front was so shocked that he couldn't react for a long time.

Her eyes lingered on their interlocked fingers for a long time before she scanned Shen Fanxing and Bo Jinchuan's faces in shock.

In the end, he met Bo Jinchuan's indifferent yet warning gaze. He swallowed hard and forced himself to return to work.

Chapter 544: You Can Do That?

"Two million and one yuan for the first time.

"Two million and one yuan going twice

"Two million and one yuan for the third time..."

'Thud! With the sound of the hammer, everyone snapped back to reality!

"F*ck! That works?!"

'The auctioneer wiped the sweat off his face. Meeting Mr. Bo's eyes just now was more tiring than standing on stage for eight hours straight!

Fine!

Why not?!

It belonged to her to begin with, and she even added an extra yuan for charity!

Why couldn't he?!

Everyone was confused and their gazes drifted to the back of Bo Jinchuan and Shen Fanxing's heads.

'Was Mr. Bo really not angry at being robbed?

She was only one yuan higher than him. What was the meaning of this?

Or was it just a small accident?

Someone scratched his head. Whose accident could be so strange?

Shen Qianrou gritted her teeth in anger.

No matter what, this was what she wanted from the start. Yet, it ended up in Shen Fanxing's hands.

He actually used such a disgusting method!

"How shameless. She's using such a method to get involved with CEO Bo."

"That's right. It's too obvious. She looks so serious, but I didn't expect her to seduce others!"

"Hmph, what kind of person is Mr Bo? This time, he's magnanimous and refined. He won't stoop to the level of a b*tch! If she wants to push her luck later, she'll embarrass herself."

Even so, only Su Heng glanced at Shen Fanxing worriedly.

Next was the longevity lock. As it involved her future baby, Shen Qianrou looked forward to getting it. Her grip on Su Heng's arm tightened.

Sensing her shyness and anticipation, Su Heng looked at the shelf on the stage. The details of the longevity lock were displayed on the screen. He squeezed Shen Qianrou's soft hand lightly.

On the screen, there was an introduction of the origins of the longevity lock. It was made by a craftsman who had inherited the skills of a famous silversmith family for hundreds of years. Every finished product was lifelike and every line drawn on it had an extraordinary auspicious meaning.

It was in the shape of a classic longevity lock. The five silver bells were cute and exquisite. One could imagine how it would look on a delicate doll. With Little Baby's unconscious movements, it would make a pleasant sound.

Looking at the longevity lock, Shen Fanxing's heart softened.

She was looking forward to it

Bo Jinchuan tightened his grip unconsciously.

Sensing her abnormality, Bo Jinchuan turned his head slightly to look at her, only to see that she was still staring ahead. Her eyes were fixed on the longevity lock on the stage, and she couldn't hide the desire and desire in her eyes.

He turned his head calmly and looked at the longevity lock again. Suddenly, his heart softened.

After introducing the origins of the longevity lock and briefly describing its significance, the auction began.

The starting price was 66,000 yuan.

Among the rich and famous, they cared the most about their children.

Some people were tempted by the host's words and started bidding.

Not long after, the price rose to 600,000 yuan and fewer people bid!

This was already an unbelievable price for an ordinary silver product.

However, someone had given it great meaning.

Chapter 545: These Two Have Private Friends

"660,000!" Su Heng raised his card to bid under Shen Qianrou's nervous and expectant gaze.

So far, the price had increased by ten times!

At this moment, the density of the bidding was not as high as before, and there was a long gap in between.

Shen Qianrou prayed nervously that no one would continue bidding, but things didn't go according to her wishes.

There were still people bidding!

The price had been raised to 1.6 million!

Seeing that the 1.6 million yuan was about to fall, Su Heng pondered and raised the sign again.

"18 million."

Shen Qianrou heaved a sigh of relief.

For something that was worth 1.6 million yuan, 1.8 million yuan should be enough.

"Thank you, Brother Heng..."

Before Su Heng could respond, an indifferent voice that could shock everyone sounded.

"Ten million."

The smile on Shen Qianrou's face froze and her grip on Su Heng's hand tightened. She looked over with a dark expression. It was Bo Jinchuan again.

Her eyes flickered and before she could think further, she saw the obvious smile on Shen Fanxing's face.

The auctioneer paused and his gaze landed on Shen Fanxing's face.

Indeed, not long after, he saw Shen Fanxing moving.

She raised the sign slowly with her left hand and smiled at the auctioneer.

“Ten million... one yuan.”

The auctioneer quickly shifted his gaze to Bo Jinchuan’s face, only to see that the smile on his cold and handsome face had become more obvious. The faint glow in his dark eyes was obvious.

He gulped again and looked at Shen Fanxing. He sighed inwardly.

This woman had saved the solar system in her previous life, right?

She had even taken down the legendary head of the Bo Consortium who didn’t get close to women?

“10 million yuan once.

“10 million and one yuan twice...”

“Ten million and one yuan three times... Deal!”

The decision was made!

During this period, the auctioneer spoke extremely quickly. He didn’t give anyone time to react before he slammed the hammer down!

Shen Fanxing turned to smile happily at Bo Jinchuan.

She shook Bo Jinchuan’s hand happily.

Bo Jinchuan turned to look at her, his eyes full of affection.

“F*ck! This wave of dog food is so exciting!”

At the side, Yin Ruijue couldn’t help but complain. It was fine if people didn’t know, but those who knew were tortured to death and forced to watch their PDA.

Ji Yi was happy to see this. She turned to look at Yin Ruijue happily.

“What’s wrong with that? It’s better than eating someone else’s dog food!”

“Tsk, how unchivalrous!” Yin Ruijue snorted coldly. Then, he suddenly leaned closer to Ji Yi, his handsome face full of evilness. “What’s so good about eating someone else’s dog food? Showing off dog food is what you’re good at! How about it? Do you want to cooperate to show off dog food?”

Ji Yi frowned and distanced herself from him. “Who wants to show off their affection with you?”

“Hey, I’m handsome and charming. How dare you despise me...”

“Forget it. I think you’re someone’s lover and your feelings are overflowing!”

Yin Ruijue gritted his teeth. “You’re really asking for a beating!”

Ji Yi glanced at him in disdain before turning her head to ignore him.

Once again, she intercepted Bo Jinchuan’s item, but he didn’t get angry. Instead, he seemed to be indulging her. This shocked everyone.

Finally, they came to a manimous conclusion—

Bo Jinchuan and Shen Fanxing definitely had a personal relationship!

Chapter 542: Not Worth Mentioning

Shen Qianrou bit her lips and glanced at Su Heng regretfully.

Now that the Su Corporation and the Bo Corporation still had an unfinished contract, although fair competition was common at the auction, they naturally couldn't reject Young Master Bo's first bid.

Hence, she could only feel regretful.

No one dared to offend the head of the Bo Consortium.

Shen Qianrou sighed, her pale face full of disappointment.

Fan Ruyun patted her shoulder gently and comforted her softly.

"Don't be disappointed. We'll film the rest later. Don't worry, tonight will be your night."

Shen Qianrou shook her head and said, "No matter how good the other items are, I've missed this opportunity. I just feel sorry for Grandpa Su."

Su Heng squeezed her hand and said gently,

"I's okay. Grandpa will be happy to know that you have such intentions."

Shen Qianrou smiled gently and nodded.

Seeing that she was in a better mood, Fan Ruyun pointed at the auction list and said, "Look at Qianrou. This pair of jade bracelets is also very beautiful, right? These are from Mingyu Pavilion. They were made by the former jade carving master, Yao Peiyu. It's said that jade is very nourishing! And that

longevity lock. You and Young Master Su's Baby will definitely be able to use it, right?"

The more Fan Ruyun spoke, the more ambiguous her tone became. Shen Qianrou's face turned red.

"Yunyun, that's enough..."

Fan Ruyun smiled and said, "That's not enough. This is nothing. Young Master Su's surprise is the most important... Ah, I let it slip..."

She smiled apologetically at Su Heng. Fortunately, the host announced the next item.

Shen Fanxing had no intention of bidding for the costume of a famous celebrity.

Shen Qianrou despised such things.

Not long after, it was the jade bracelet. The starting price was 200,000 yuan.

"Two hundred and thirty thousand."

Su Heng was the first to raise his bid. Shen Qianrou smiled sweetly.

Her gaze swept across Shen Fanxing, who was sitting leisurely on the back of the chair with her arms on the armrest. She was looking at the list of items, as if she was looking for something worth auctioning.

She was so focused that she didn't notice what was happening.

She frowned as Su Heng raised his sign again. "280,000 yuan."

"Three hundred thousand."

"310,000."

The bidding continued. In the end, the price reached 600,000 yuan. In the middle, someone seemed to like this pair of jade bracelets. The competition was intense and the gap between the two became wider and wider.

"Seven hundred thousand."

"One million!"

Su Heng's final bid of 300,000 yuan created a small climax in the auction.

Shen Fanxing's attention was attracted and she looked in Su Heng's direction.

Noticing Shen Fanxing's gaze, Shen Qianrou held Su Heng's arm happily.

"Brother Heng, thank you!"

Su Heng smiled gently at her and patted her hand gently.

"I'm glad you like it"

"Oh my god, we're being abused again!"

"Ever since the two of them got together, they've been showing off their affection all the time. I'm so envious!"

"Young Master Su is really generous to win a beauty's smile! Qianrou, you're really lucky."

Fan Ruyun said, "Don't embarrass yourselves... This is nothing to Young Master Su!"

Chapter 543: Fingers Interlocked

"Don't embarrass yourselves. This is nothing to Young Master Su!"

"Yes, yes, yes. Young Master Su has a huge business. This bit of money is nothing."

Shen Qianrou said, "Every penny is hard to come by. Brother Heng, there's no need for you to do this for me. It's better to spend the money on something useful."

Hearing Shen Qianrou's kind and sensible words, Su Heng's heart softened.

“To me, every penny spent on you is worth it.”

“Tsk tsk tsk, let me drink a glass of water. I’m about to choke to death from the PDA!”

The few of them covered their mouths and chuckled. Fan Ruyun and Shen Qianrou looked in Shen Fanxing’s direction again.

There was endless provocation, smugness, and flaunting.

Shen Fanxing sneered coldly, feeling helpless and sarcastic.

However, after the auctioneer’s third question, Bo Jinchuan, who had been indifferent, slowly raised his sign.

“Two million.”

Shen Qianrou and Su Heng’s expressions changed as they looked at Bo Jinchuan.

However, Bo Jinchuan didn’t even look at them. He sat there calmly. His aura was noble, his posture refined, and he was a gentleman.

Shen Fanxing turned to look at Bo Jinchuan in surprise.

Ji Yi excitedly changed her seat. She was enjoying the PDA.

Shen Fanxing stared at Bo Jinchuan’s profile and her lips curled into a smile. She raised her card slowly.

Everyone looked at Shen Fanxing in surprise. Did she have a death wish? How dare she snatch something from the head of the Bo Consortium?

Even Bo Jinchuan turned to look at Shen Fanxing.

Shen Fanxing raised the sign and smiled at the auctioneer.

“Two million and one yuan!”

The moment Shen Fanxing finished speaking, everyone’s lips twitched!

‘What the hell?!

Two million and one yuan?!

Who would bid like that?!

Even the auctioneer was stunned for a long time. He had never seen such a bidding method in his career.

Shen Fanxing turned to look at Bo Jinchuan, her eyes sparkling with a rare slyness.

A dark glint flashed across Bo Jinchuan’s eyes as he stared at her. His lips curled into a faint smile.

Lowering her gaze, her gaze landed on the armrest below the chair. She raised an eyebrow and wrapped Shen Fanxing’s hand in his.

Shen Fanxing was shocked again. She wanted to dodge instinctively, but after struggling for a while, Bo Jinchuan's fingers dug into the gaps between hers. Their fingers intertwined and Shen Fanxing couldn't move anymore.

Looking around and realizing that no one had noticed, she stopped struggling and obediently held his palm.

Although the people behind couldn't see their actions, the auctioneer in front was so shocked that he couldn't react for a long time.

Her eyes lingered on their interlocked fingers for a long time before she scanned Shen Fanxing and Bo Jinchuan's faces in shock.

In the end, he met Bo Jinchuan's indifferent yet warning gaze. He swallowed hard and forced himself to return to work.

Chapter 544: You Can Do That?

"Two million and one yuan for the first time.

"Two million and one yuan going twice

"Two million and one yuan for the third time..."

'Thud! With the sound of the hammer, everyone snapped back to reality!

Finally, they came to a manimous conclusion—

Bo Jinchuan and Shen Fanxing definitely had a personal relationship!

Chapter 546: Does She Care?

“How infuriating! Shen Fanxing seduced Mr. Bo so blatantly. Doesn't he feel anything?”

“Mr Bo is really patient and good-tempered.”

“Can't you treat a b*tch with a better temper?!”

Some people couldn't bear to see others doing well. Actually, they weren't too hostile to Shen Fanxing in the beginning. They just wanted to make Shen Qianrou happy.

Now, her eyes were really red.

After Bo Jinchuan indulged Shen Fanxing.

Shen Qianrou gave Shen Fanxing a resentful look, her eyes glistening with venom.

“Alright, alright! Don’t be jealous. Look at Mr Bo’s status. It’s not your turn, so it’s naturally none of Shen Fanxing’s business! Let her be smug first. No matter how much she wants to make her presence known, tonight isn’t her home ground. What’s next is the highlight of tonight!”

‘The auction was already halfway through, so the atmosphere was definitely lively.

Dance, songs, and celebrity talk shows were very diverse.

After a few songs, Fan Ruyun was invited on stage as a guest.

Fan Ruyun was wearing a silver-white dress with a fishtail. Under the bright lights, her figure was curvaceous and graceful. She held a violin in her hand and stood at the edge of the stage.

Shen Fanxing’s expression changed slightly.

This segment was obviously a special one.

On the big screen, the following items were displayed.

“This is an Empress Myqueen ring provided by an international jewelry company! It’s a fusion of the blue flame ring and the queen’s heart-shaped design. The main diamond weighs five carats. The design was inspired by the king of Country B during the coronation ceremony. When he kissed the queen affectionately, the queen’s arm naturally bent into a heart shape. The most romantic and noble combination of the heart-shaped alloy and the diamond symbolizes love and affection. You’re the only queen in my heart!”

After the host finished speaking, she left with a perfect smile. Then, Fan Ruyun’s melodious and romantic violin sounded.

Fan Ruyun’s violin was elegant and elegant. As her waist swayed, she looked in Shen Qianrou’s direction with a meaningful smile.

“One million!”

“Two million!”

“Three million!”

‘Women loved jewelry and men loved women.

Once this thing came out, it gave a romantic meaning and the price soared.

“Six million!” Su Heng raised his bid.

Fan Ruyun’s violin turned suddenly and became cheerful.

Shen Fanxing narrowed her eyes in deep thought. She had roughly guessed Su Heng’s plan tonight.

Now that he had raised the price to 6 million yuan without batting an eyelid, it seemed like Su Heng was not only determined to get the 'one and only' tonight.

Ha.

At this moment, no one was bidding for the six million yuan. Shen Fanxing sneered in her heart and suddenly raised her sign.

"10 million!"

'As soon as she finished speaking, Fan Ruyun frowned. The music changed again, and it sounded like the music of a witch in a fairy tale.

Shen Qianrou frowned slightly, feeling both angry and delighted.

She was angry that Shen Fanxing was trying to trip her up. She was happy that Shen Fanxing still cared about Su Heng. Now, she couldn't take it anymore.

Of course, she hoped that Shen Fanxing would care more about Su Heng. Only then would she feel superior!

That was why she felt like she had lost to her!

Shen Fanxing's action successfully reminded everyone of her relationship with Su Heng

Su Heng's heart skipped a beat.

Did she care?

Chapter 547: Bidding

"Brother Heng..."

Seeing Su Heng's hesitation, Shen Qianrou called out in confusion.

Su Heng snapped back to reality and gritted his teeth at the uneasiness and humility in Shen Qianrou's eyes.

In the end, her expression became determined again and she raised her card to bid again.

"123 million!"

Shen Fanxing sneered and raised her card. "30 million!"

The moment the voice sounded, there was a low commotion.

This leap once again broke tonight's record.

At the same time, some people recalled the relationship between Shen Fanxing and Su Heng.

So Shen Fanxing did this because she couldn't bear to see Su Heng successfully clinching the bid for "My Queen" for her sister?

‘Two sisters fighting over a man at the same time. What a scene tonight.

Even though the price was getting higher and higher, it was the first time Shen Qianrou felt good seeing Shen Fanxing lose control.

Su Heng’s face darkened and he was in a dilemma.

Shen Qianrou held his hand and said softly,

“Brother Heng, don’t continue. I don’t want this.”

Su Heng shook his head helplessly.

He turned to look at Shen Fanxing and saw her sitting there with a cold expression. He had no idea what she was thinking.

She raised her card again. “40 million!”

The atmosphere in the venue reached its climax as everyone watched the confrontation between the ex-fiancee excitedly.

Indeed, not long after Su Heng’s bid, Shen Fanxing raised her sign again.

“60 million!”

‘There was an uproar.

This price made Ji Yi break out in cold sweat.

She grabbed Shen Fanxing’s arm nervously and whispered carefully,

“CEO Shen, that’s too much. How many rings can 60 million yuan buy? Why do you have to buy this

Based on her understanding of Shen Fanxing over the past few days, she didn’t believe that CEO Shen would be obsessed with that scumbag Su Heng!

Moreover, she had a boyfriend who was many times better than Su Heng!

“Why? Because Su Heng wanted to give this to Shen Qianrou.”

Shen Fanxing’s voice was cold and her expression was unusually cold.

Her answer was well-known, but.

Ji Yi looked up at Bo Jinchuan, afraid that she would see his dark face.

‘The outcome was completely unexpected.

Not only was Boss Bo not unhappy, but there was also a faint smile on his lips. It was full of indulgence and indulgence.

Ji Yi was completely confused!

She felt that what he said was right!

This uncertainty was really hard to fathom.

Now, almost everyone thought that CEO Shen and Shen Qianrou were fighting over a man. This real boyfriend was finally being magnanimous.

Shen Fanxing's bid shocked everyone once again.

"What? Young Master Su has already cut ties with her, yet she's still pestering him! How shameless!"

"She's so narrow-minded. She can't bear to see others doing well! She doesn't even know how to hide it! Is she afraid that others won't know that she's Young Master Su's ex-girlfriend?"

"You're showing off your ex-girlfriend? Are you crazy?"

"In short, she's too much. She's obviously targeting Qianrou! We're sisters after all. Can't she tolerate her sister?"

"That's right! Young Master Su, continue bidding. You can't let her succeed.. You're the only one who can protect Qianrou now! Let some people give up on that pestering heart!"

Chapter 548: Eliminating an Enemy in Two Words

Su Heng's face darkened, but he had no choice but to continue bidding.

"70 million!"

Shen Fanxing continued, "80 million!"

This time, one of Shen Qianrou's best friends couldn't take it anymore.

"Hey, Shen Fanxing, aren't you going overboard! You're obviously targeting Qianrou and bidding maliciously, right?"

"That's right! Why is this person... so shameless?"

Shen Fanxing didn't even blink as she sat calmly on the chair.

"This is a charity auction. I'm willing to donate more money to charity. How is that a malicious bid? Shen Qianrou is the supreme goddess in your eyes. Everything she does is right and everything others do is wrong... Even if she's doing charity to stop your goddess from showing off her love, is she also a heinous villain?"

"You... Damn it!"

Shen Fanxing sneered and nodded. "Despicable? It seems like charity isn't as important as your goddess's public display of affection. I've learned something today."

The female celebrity blushed and looked around. There were already many reporters taking photos of her. She panicked and quickly sat down.

What she didn't know was that because of Shen Fanxing's casual remark, she was destined to lose her footing in the entertainment industry.

Charity was a sensitive topic and not many people were willing to do it!

Even so, she still had to put on an act!

It was even more impossible to put everything above charity. This was a topic that could easily be criticized.

However, if charity wasn't as important as Shen Qianrou's love, it could only be said that she was brainless and tired of living!

"90 million!"

Just as the atmosphere fell into a stalemate, Su Heng's voice sounded again.

"Brother Heng!"

Not to mention the others, even Shen Qianrou looked at him in surprise and joy!

Su Heng put down the sign and turned to look at Shen Fanxing.

However, Shen Fanxing didn't do anything.

She raised an eyebrow and a faint smile appeared on her lips.

"Since Young Master Su likes this ring so much, I can only bear with the pain and give it up! Although I want to do charity, I still have to do my best. 90 million yuan, heh, I admit defeat. I think we should all applaud Young Master Su for his generosity and express our gratitude and admiration!"

'As Shen Fanxing spoke, she led the applause. The applause echoed in the hall, followed by Ji Yi and Yin Ruijue. Gradually, the entire hall was filled with enthusiastic applause.

Before Shen Qianrou could recover from the joy of victory, she felt that something was amiss.

In the end, the joy on her face gradually faded.

She looked up at Su Heng. Indeed, his handsome face was dark.

If Shen Fanxing hadn't participated in the bidding, Su Heng would have won the ring with six million yuan.

Ninety million for a ring!

Because of Shen Fanxing, she had lost more than 80 million yuan!

Although she had obtained the ring in the end, this outcome made her grit her teeth in hatred.

The applause echoing throughout the venue was like a slap to her face.

She had been tricked by Shen Fanxing again.

She looked up at Shen Fanxing and saw the smile on her face... She really wanted to tear her apart!

Chapter 549: Surprise

She looked up at Shen Fanxing and saw the smile on her face. She really wanted to tear her apart!

“Qianrou, you’re so lucky! Look at Young Master Su, he even PKed with your sister for you!”

“go million yuan. Just one ring, I’m so envious!”

“It’s obvious how much Young Master Su loves Qianrou!”

Shen Qianrou’s expression improved slightly at the compliments.

She grabbed Su Heng’s hand gently and said softly, “Thank you, Brother Heng. I will never forget what happened tonight.”

Shen Qianrou’s touching words made Su Heng feel relieved.

“I’m glad you like it.”

Shen Qianrou nodded and said, “I really like

At this moment, the host went on stage and said with a smile,

“Congratulations to Young Master Su for finally winning the bid for My Queen. I wonder why Young Master Su spent so much money to obtain this ring tonight?”

The host paused mysteriously and scanned the audience before saying,

“Why don’t we invite him on stage to share it with everyone?”

The host was the first to applaud and everyone naturally did not reject her.

“Wah wah wah—”

“Qianrou, the surprise tonight is here!”

“Oh, oh, oh—”

Now that the ring had been taken, there would naturally be a suitable female lead.

It was undoubtedly Shen Qianrou.

Realizing what was going to happen next, the surrounding people cheered and took out their phones to record the romantic moment.

The reporters were ready to attack. They held their cameras and followed Su Heng’s tall figure.

Shen Qianrou was surrounded by a group of people. She looked shy and excited as her gaze followed Su Heng.

Su Heng was wearing a navy blue suit today. He came from a wealthy family and his natural aura was outstanding. His tall figure and handsome features were enough to attract women.

Most of the women present were infatuated and envious of Shen Qianrou when they saw such an outstanding and handsome man.

Receiving the envious gazes of most people, Shen Qianrou felt even more excited.

Su Heng took the microphone from the host and stood on stage. Under the bright lights, he looked even more handsome and dazzling.

Shen Fanxing looked at the center of the stage calmly.

“It’s our duty to do charity. We’re very grateful for Red-carpet’s annual promotion. We’ve gathered more people to participate in charity and help the patients, children, refugees, and our compatriots who are living in poverty.”

“Because I’ve been busy with work recently, I’ve been neglecting my personal love life. Therefore, I want to use tonight’s charity banquet to complete a private matter. I hope everyone can be my witness...”

“Oh”

Everyone cheered meaningfully.

“Propose! Propose! Propose!”

A gentle smile appeared on Su Heng’s face as his affectionate eyes landed on Shen Qianrou.

Seeing Su Heng looking over, the surrounding women nudged Shen Qianrou suggestively. Shen Qianrou lowered her head shyly and secretly looked in Shen Fanxing’s direction, revealing a victorious smile.

“Qianrou, I’m sorry. I’ve been neglecting you recently. Even though our engagement ceremony is tomorrow, I didn’t even give you a proper proposal.. So today is my last chance

Chapter 550: Their Love

“Qianrou, I’m sorry. I’ve been neglecting you recently. Even though our engagement ceremony is tomorrow, I didn’t even give you a proper proposal. So today is my last chance...”

He paused and took a deep breath before saying slowly,

“Qianrou, thank you for not giving up on loving me because of the secular world. Missing and hugging is always a matter of time. Thank you for giving me the chance to hug you in the end.”

Thank you for being by my side from the beginning to the end. You have comforted and encouraged me when I was depressed and disappointed again and again. You have accompanied me through difficulties again and again.

Thank you for everything you’ve done for me.

Your gentleness, kindness, generosity, and intelligence deeply attracted me. Being able to spend my life with you is the most wonderful thing in my life...”

The more Su Heng spoke, the gentler his expression became. Most of what he said was about him and Shen Qianrou meeting, getting to know each other, and loving each other. The beautiful memories of the past could easily make people immerse themselves in them again.

It was as if the love between them was the purest and most beautiful love in the world.

Everyone couldn't help but quieten down after hearing his words. They immersed themselves in the love between the two of them.

On the other hand, the smile on Shen Fanxing's face turned colder.

She didn't give up loving him because of the secular world?

Since when did a mistress who coveted another man have such a dignified reason?

When did the person who had accompanied him through times of sadness become Shen Qianrou?

Since when did Shen Qianrou become the one who had to endure and sacrifice?

'What was she enduring?

'Was it because of Shen Fanxing's relentlessness? Or revenge?

Gentle?

Kind?

Generous?

Intelligent?

Ha.

Haha.

Shen Fanxing brushed her hair and rested her hand on her forehead. She lowered her head and smiled sarcastically.

Was this a reminder of how stupid she had been in the past?

Every word Su Heng said was filled with deep affection.

Especially all the women present, who had always been born for love. Now, they were moved to tears.

Only Shen Fanxing was filled with sarcasm and anger!

In the end, she looked up and her cold gaze was fixed on Su Heng, who was speaking affectionately.

At that moment, the host walked to Su Heng with a smile and handed him the My-Queen ring!

Su Heng smiled and took the ring solemnly before looking at Shen Qianrou again.

Shen Qianrou bit her lips, her fair and delicate face filled with tears of happiness.

Her tear-stained face was sad and beautiful.

Seeing this, the women surrounding Shen Qianrou pushed her onto the stage and pushed her towards Su Heng.

Su Heng looked at her gently and bent down slowly. He knelt on one knee and raised the ring to her.

Surprise flashed across Shen Qianrou's tear-stained face. She held her skirt nervously with one hand and covered her mouth with the other. She looked down at Su Heng excitedly and emotionally.

"Please allow me to take care of every day of your life and let my existence bring you happiness. Qianrou, marry me, okay?"

It was a done deal, but Su Heng still spoke cautiously..
