

## Chapter 5311

At this time, the sales director of the sales office and several salespeople were completely dumbfounded.

It's not that they haven't seen gods fighting. When the villa was opened for sale,

There were indeed some customers who started to compete for the houses on the spot.

However, scrambling often develops into frustration and violent fights.

Like Tanaka, they have never encountered such a thing that they have to give the other party 1 million more as soon as they open their mouths.

And at this time, they did not expect Jemima could refuse so simply.

From their point of view, this is 1 million, and there is no cost.

If you earn 1 million in vain, whoever it is, probably has to weigh it.

Going out to look at a house, and then spending 10 minutes, paying the booking money,

And then earn 1 million, this kind of thing, in their opinion, is simply a pie in the sky.

But in Jemima's eyes, let alone 1 million, even if two 0s are added at the end, she is unlikely to be interested.

Naturally, Jemima is not short of money, so it is impossible for her to change her decision just for this million.

As the most trusted servant of the entire Ito family,

Tanaka also has enough authority to offer such a premium for his master.

But seeing that Jemima was unmoved, sales continued without thinking:

"Miss, I didn't intend to show off my wealth to you,"

"I just really want to buy this house, so I will give you another price,"

"If you agree to transfer this house to me, I am willing to give you an additional 5 million yuan!"

As soon as these words came out, the salesperson on the scene was even more shocked.

They have seen those who make money, but they have never seen such money.

They have also seen real estate speculators, but they have never seen such speculators.

People speculate in real estate to make money, no matter what they have to invest in,

Buy the house, and then hold it in their hands for a few months or even a year or two.

However, the suite in front of them now,

As long as it is fried in the pot for 10 minutes, it can earn 5 million, which is like a dream.

Just when they felt that Jemima had no reason to reject this proposal,  
Jemima said with some displeasure: "Sir, you don't need to waste any more words,"  
"Instead of doing this, you might as well hurry up and look at other apartments."  
After that, she said to the sales executive: "Please show us the apartments."  
Tanaka blurted out: "Ten million! Miss, I am willing to pay ten million transfer money!"  
The salesperson almost fainted.

Sure enough, when gods fight, ordinary people fight with punches and kicks,  
And gods fight with million, five million, and ten million tricks.  
At this time, Jemima was still unmoved, she turned to look at Tanaka, and said seriously:  
"Sir, the reason why I didn't get angry with you is that I think you are sincere and a gentleman,"  
"But if you continue pestering me like this, I may not be able to communicate with you in this friendly manner."  
At this moment, Tanaka understood.

The young woman in front of him must be a lady who is not short of money at all and doesn't care about money at all.  
It is estimated that her net worth and assets are not even much worse than his own young lady.  
Facing such a woman, what's the point of offering a premium of 10 million,  
Besides being able to have a good time? Even if it is 30 million or 50 million,  
It is impossible for people to take it seriously, and in the end, it looks like a clown, holding onto it.  
In desperation, he could only sigh, and said apologetically,  
"I'm sorry, miss, I was reckless, please don't take it to heart."

## **Chapter 5312**

Jemima didn't speak, just nodded slightly,  
And then reminded the supervisor: "Can we go to see the apartments?"  
The supervisor quickly said: "Yes, yes, please come here."  
Jemima left, and Tanaka stood there helplessly.  
He didn't know himself for a while.  
Should he stay in this real estate and then look at other types of units,  
Or simply leave and change to another real estate for research.

At this moment, the saleswoman receiving him suddenly remembered something,

And hurriedly said: "Sir, doesn't your lady like to be quiet?"

"Although we don't have the top floor to choose from,"

"You can choose the one just one floor downstairs!"

As she spoke, she couldn't wait to explain:

"Look, that lady is so young and rich, and she brought the housekeeper to buy it,"

"And she didn't have a wedding ring in her hand."

"There is a very high probability that she is not married at all!"

"An unmarried rich second-generation woman comes out to buy a house by herself,"

"And there is a high probability that she will live in it by herself!"

"Think about it, the use of a house with an area of 60 square meters,"

"Only she lives alone, and your eldest lady lives downstairs,"

"So there is a high probability that she will not be disturbed!"

"Even if the lady just skipped rope in the room,"

"As long as your eldest lady doesn't happen to be right Downstairs in her rope-skipping room,"

"Basically there will be no interference!"

"I have been selling houses in this real estate for so long,"

"And everyone who buys our ordinary apartment is basically a big family,"

"Even young people come here When buying a house,"

"They have at least a family of three, and some have a family of four."

"I have never met an owner who only lives as a couple."

"And if you think about it, a family with children, no matter how careful they are,"

"It is impossible not to make no noise at all,"

"So I can assure you that none of the remaining apartments in the whole community can be quieter than the one downstairs."

"You have no hesitation. If you are not sure now, someone will come soon."

"A customer like you, then you can't even buy this house!"

Tanaka thought: "This woman is right! The lady just now, at first glance,"

"She looks like a lady from a very wealthy family."

“She probably bought this house because she lives alone.”

“In that case, it is really unlikely to disturb downstairs,”

“It’s hard to meet someone who buys such a big house to live alone.”

“I’m afraid there is no more suitable apartment than her downstairs...”

“And... it’s already four or five o’clock in the afternoon.”

“If I don’t make a quick decision, I’m afraid,”

“I won’t have time to go to the next real estate to have a look again!”

Thinking of this, Tanaka made up his mind, gritted his teeth, and said,

“Okay! Then I want this! Same as that lady, I will pay 1 million intention money,”

“And then you take me to see the house, I will take some videos and photos to show our lady,”

“As long as she does not object, I will pay the money immediately when I come back.”

The sales did not expect her words really moved the other party,

And she was very excited. Such a set of more than 30 million flats,

Because it is not easy to sell, the sales commission is two percentage points.

If the transaction is completed, the sales can get a commission reward above 700,000!

Thinking of this, she hurriedly said excitedly: “Okay sir,”

“Then please come over with me and pay the intent money first,”

“And then I will take you to see the flat right away!”

### **Chapter 5313**

After Tanaka paid a one million intention fee, he followed the saleswoman and drove to Building No. 1.

And Jemima was already one step ahead of him at this time,

And came to the flat on the top floor with Sister Xian.

Sister Xian followed, still feeling ashamed of her overconfidence just now,

She couldn’t help but said: “Miss Liu, thanks to your foresight,”

“You didn’t listen to my suggestion just now, and paid the booking in advance.”

“Otherwise, this house might have been bought by that person just now...”

Jemima smiled slightly and said, “Sister Xian, don’t say that,”

“I don’t have any foresight, I’m just relatively cautious,”

“Most of the time it is often useless, but in my opinion,”

“Even if it is really useful once, it is worth it.”

Sister Xian nodded slightly, her expression seemed calm,

But she was extremely amazed in her heart.

Having been a housekeeper for a long time,

She is generally a cautious person, but she is not as cautious as Jemima.

She feels that a prudent style should be cultivated slowly.

Jemima is so young and has such a superior family background.

Such a top-rich second generation does not have the soil to cultivate a prudent style.

There is no pressure from people and things in their lives,

And can just do whatever they want.

This is also the reason why many rich second generations are very impulsive,

And they don't care about the consequences when they speak and do things,

And they don't even care about their brains.

Moreover, many rich second generations have the common problem of blind self-confidence and arrogance.

This is because they always live in an environment surrounded by stars and moons.

In the hallucination that is very strong and powerful in everything.

Some of them even think that they only need to build an Internet profile casually,

And they can have tens of millions or hundreds of millions of followers,

And they can incubate leading companies with a market value of tens of billions,

Easily surpassing the lifetime efforts of their parents.

However, Jemima never felt so confident about Sister Xian.

Even if she just came to interview for a lecturer's post,

She was still not sure that she would be able to get the offer letter on the way here.

As for the matter of buying a house,

It can be seen that Jemima's cautious attitude is beyond ordinary people,

And within the scope of her ability, she cannot tolerate the slightest risk in her life,

So she is very puzzled, and the kind of environment the Liu family gave Jemima,

It let her develop a cautious style of acting,

But she doesn't know that the reason why Jemima's acting style is so cautious is entirely because of her mother.

At that time, her mother and father were fascinated,

And she was always in a bad mood, and because she was pregnant with her younger sister,

She neglected to pay attention to her body,

And finally, let cancer develop to the point where no amount of money could not make it right.

They obviously had ten thousand family fortunes,

And had mastered the top resources in the world, but her mother still failed to survive.

This matter is a hurdle that Jemima will never get over.

It was also from then on that she developed a character of being as cautious as possible in everything.

At this moment, Jemima, looking at the rolling river not far away,

Thought of her own mother as well.

She remembered that when her mother was young,

She loved to overlook Hong Kong at night from the top of the hill,

And overlook the Victoria Harbour, which is shimmering and full of cruise ships.

This made her a little impatient, and she couldn't wait to see the Yangtze River at night here.

#### **Chapter 5314**

Sister Xian saw that she didn't look at the flat when she came in,

But just stood in front of the huge French window to look at the river view,

So she couldn't help reminding: "Miss Liu, do you want to take a look at the layout of the flat,"

"If you are not satisfied, Or if you want to adjust anything, I can help you with it."

"Oh, okay..." Jemima came back to her senses,

And together with Sister Xian, they took a look at the whole house.

This flat is not too big, more than 200 square meters, with four bedrooms,

One of which has been renovated into a study room.

In addition, there is also a flower hall on the side of the Yangtze River.

The developer has added sports equipment, that can be regarded as a relatively petty fitness area,

And from the living room, one can see the river view from the sofa because of the floor-to-ceiling windows on the front wall.

For Jemima, a rich second generation who is used to luxury houses,

This house is nothing compared to the real top luxury flat.

The flat floor of the Liu family in the central area of Hong Kong has an actual usable area of more than 1,000 square meters,

And it is located on the top floor of the Liu family skyscraper.

It seems to be a commercial real estate where every inch of land is expensive,

But the Liu family uses the best floor for private use.

In that kind of location where a single workstation costs tens of thousands of Hong Kong dollars a month,

A single living room is even beyond the imagination of ordinary people.

The really rich, don't even bother to buy residential real estate developed by real estate developers like Tomson.

They prefer to play freely on their own properties without any restrictions.

Therefore, Jemima can't say whether she likes or dislikes this house,

But the location, transportation, apartment type, and floor are more in line with her current needs.

After roughly reading it, Jemima said to Sister Xian:

"Sister Xian, the decoration and space arrangement of this house are quite reasonable."

"There is already a study room and a fitness area. I live alone."

"It seems that there is nothing that needs to be changed."

Sister Xian nodded, and asked her again:

"What about the furniture? Are you satisfied?"

"It is very good." Jemima smiled slightly and said, "Basically, I can move in with my bags."

Then, Jemima said to her again: "Sister Xian, thank you for your hard work,"

"You will take me shopping later to buy some household items,"

"And a change of clothes, I want to live here tonight."

Sister Xian asked tentatively: "Miss Liu,"

"Do you like to stay here tonight? Let's go to Zijin Villa, there are plenty of rooms..."

Jemima shook her head slightly and said,

"Grandpa Qiu and Grandma Qiu are getting old, so I'd better not bother them."

"I'll stay here for one night today,"

“And I’ll go back to Hong Kong after signing the contract tomorrow.”

Sister Xian said, “Actually, they like you very much,”

“And they must be very happy if you can go and accompany them.”

Jemima pondered for a moment, then said: “How about this,”

“First pay the final payment, get the keys, and then buy some household items and bring them here.”

“Go eat with Grandparents, and chat with them after dinner, and I’ll come back after they rest.”

Then, Jemima turned to look at the river outside the window, and said,

“I haven’t lived by the river for a long time.”

“I really want to see the night view here.”

“Okay.” Sister Xian nodded understandingly, and said,

“Then I will accompany you to buy some things first, and we will go back after we have finished shopping.”

“Thank you, Sister Xian ...”

At the same time, Tanaka took a mobile phone downstairs and took a video of the whole house, and sent it to Nanako Ito,

Who was packing her luggage in Kyoto, and then sent another voice message, saying with some shame:

“I’m sorry miss, these few days I really haven’t been able to find a villa that suits you.”

“Are you satisfied with this flat?”

Ito Nanako looked around and said with a smile: “It looks good, just this one is fine. It seems like you have worked really hard these days.”

## **Chapter 5315**

At night.

After Jemima settled the newly bought daily necessities, she and Sister Xian returned to Zijin Villa.

Knowing that Jemima had been hired, both Larry and his wife were also very happy and asked the servant to arrange an elegant celebration banquet at home to celebrate.

To Larry’s surprise, Maria, who never liked the excitement, was very happy to join in.

At the dinner table, Larry said to Jemima: “Jemima, if you come to Aurous Hill to work in the future, if you have nothing to do, you can simply live in Zijin Villa!”

Jemima said quickly: “Grandpa, Sister Xian accompanied me to buy a house this afternoon, and the school will provide me with a one-person apartment in the future as well.”

Larry said in surprise: "Have you already bought a house? Buying a house outside is safer than living here? And people available to take care of you, it's more convenient for you to live here."

The old lady Qiu also agreed: "Yes, Jemima, living here can save you a lot of trouble, you should be fine here."

Jemima explained: "The security in the community I bought is quite good, and the law and order is much better. No one knows my identity, so I shouldn't be in any danger."

Larry knew that she had made up her mind, so he nodded and said, "From now on, you will live in Aurous Hill permanently, if you need any help, don't be polite to us. If we're not here, you can do the same with Sister Xian."

He said, "I'll transfer some people in the next few days, so I can respond quickly if something happens."

Maria has no manpower at the moment, In the exposure in Northern Europe, there was only one loyal old servant left among her people, who hadn't arrived in China at this time, and the rest were existence like Ethan and Larry.

In order to ensure Maria's safety, Larry and Ethan have reached a consensus to secretly dispatch troops to Aurous Hill to ensure her safety.

For Larry, since Jemima is his granddaughter, he must take care of her in the future.

Although Jemima felt that she would not be in any danger, she still said to him very gratefully: "Thank you, Grandpa!"

At this time, Maria who was at the side asked curiously: "Sister Jemima, where did you buy your house?"

Jemima said: "I bought in Tomson's in Aurous Hill. It's not too far from the school, and it's only ten minutes drive away." With another identity, Maria already knew Charlie's address.

She didn't expect Jemima also bought it in the same community. But she wasn't surprised when she thought about it, after all, Jemima came here for Charlie, and it was normal to buy in the neighborhood where he lived.

Jemima thought that Maria was curious about the newly bought house, so she said with a smile:

"If you are interested, I can show you around. Although it is flat so not very big, the advantage is that the river view is not bad."

Maria smiled and said: "Sister Jemima, I'll go with you after school starts. I'm lazy and homey lately, and I don't want to go anywhere."

Maria didn't dare to go to Tomson. After all, it was too close to Charlie. Although she came to Aurous Hill just because of him, before school started, Charlie was the one she was most afraid of seeing. Seeing that Maria declined, Jemima didn't think much of it, she just smiled and said,

"After school starts, if you don't want to come back here occasionally, I can reserve a room for you."

“Okay.” Maria said with a smile: “That’s it. It’s a deal .” After dinner, Jemima bid farewell to Larry, his wife, and Maria, and Sister Xian dropped her at Tomson. When she came to the first house she bought in Aurous Hill, Jemima suddenly felt settled down.

She opened the window of the viewing balcony, lying on the edge of the bed, watching the night view along the Yangtze River and the slowly moving ships on the river, blowing the evening wind refreshed her mind.”

The top floor has an excellent view, and this flat is a side household on the top floor, so it is basically not disturbed by the noise of neighbors, which makes Jemima feel that it is more than worth the money.

She even had the urge to stay in Aurous Hill for a few more days because of this.

However, after thinking about it, she felt that it would be better for her to leave Aurous Hill as soon as possible after signing a contract with the University. She also thought about telling Charlie that she had been hired by Aurous Hill University after she officially went to work.

...

At the same time.

In the villa area of Tomson Yipin, Elaine finally survived the 72-hour ban on the platform.

When she put on heavy makeup and picked up her mobile phone to start the live broadcast again, she encountered the same problem as three days ago in the broadcast room, and no one watched it.

This time, although there were some netizens who strayed into the live broadcast room and expressed some sarcasm, Elaine had the experience of being banned last time, and this time she dared not chase after them.

But being unable to fight back means that there is always a breath in her heart that she can’t get out of.

Elaine broadcasted live for half an hour, but she didn’t gain a single fan. Instead, she was p!ssed off by these rude netizens.

Elaine, who was extremely depressed, temporarily closed her live broadcast room, and then began to watch other people’s live broadcasts, wanting to learn from others how to broadcast live and what content to broadcast in order to gain enough fans.

After looking around, she found that in the popular non-delivery live broadcast rooms, the live broadcast content was varied, but each live broadcast room had its own characteristics, such as live broadcasts of playing games, live broadcasts of outdoor activities, and live broadcasts of certain talents. There are even live lectures.

After looking at it, she felt that she was basically unable to do these things.

This is mainly because she has no extraordinary talent at all. She only knows how to sing and dance in piano, chess, calligraphy and painting, and her singing is not very good, far from being able to make people stop and listen.

After pondering over and over again, Elaine still couldn't find any breakthrough point, which made her retreat a little bit.

After swiping around the live broadcast room on her mobile phone, she couldn't help sighing: "It seems that these old bones are really not suitable for this..."

In addition to being depressed, she couldn't help but secretly sighed: "It doesn't matter if I can't eat this bowl of rice. The key is not to let her Horiyah eat so happily! Seeing her like that, my heart feels worse than losing a million dollars!"

She was depressed, and she slid her finger, slid into another live broadcast room.

There are more than 30,000 viewers in this live broadcast room. The anchor is an ordinary-looking middle-aged man, and this man is saying impassioned at this time: "My family, I have been using my life to crack down on fakes. The family members in the live broadcast room should all know that the person I want to crack down on this time is the online celebrity beauty doctor."

"After my secret investigation, she is actually not a beauty student at all. The name she uses now It's not her real name either, and her real education is actually a technical secondary school in a small city in the south, and she was fired for fighting before she graduated! Now if the live broadcast has 50,000 viewers and 3 million likes, I will release the evidence immediately!"

Someone in the comment area immediately posted a message: "This beautiful doctor, I have long suspected that something is wrong with her, the last time I asked her to do a basic calculus problem in her live broadcast room, she directly blocked me! Support Brother Yong to expose her!"

Immediately, a lot of people posted various comments in the comment area, basically questioning the beautiful doctor that the male anchor talked about.

In addition, there are a large number of bullet screens sending gifts, which look dazzling and lively.

Seeing this, Elaine's eyes lit up instantly, and she thought to herself, "You can live-stream fans in the crackdown? Then I might as well crack down on Horiyah!"

Elaine, who had a flash of inspiration, realized almost immediately that the idea that came up suddenly was very feasible.

Horiyah is now a very popular Internet celebrity. The number of people online in the live broadcast room has always been tens of thousands, and sometimes it can even reach 20,000 to 30,000. If she can expose such a popular anchor, she will definitely attract a lot of attention from fans.

Moreover, for Elaine, even if she doesn't get fans, income, or benefits, she is willing to crack down on counterfeiting Horiyah.

Not to mention not getting benefits, if someone told her to give them 100,000 yuan in exchange for Hongyan's ruin and poverty, she would definitely grit her teeth and take out the 100,000 yuan.

It was because of this that she felt that her idea was simply killing two birds with one stone, which was absolutely brilliant. As soon as she thought of this, Elaine immediately regained her spirits. She began to keep calculating in her heart, and kept muttering in her mouth: "How should I expose Horiyah, that stinky bitch?"

She said to herself: "The best way is to secretly film her actual state after the broadcast so that people will know that she is not only a big liar, but also very rich now, and then put these video materials on the Internet, and spread them ten times. The reputation of Horiyah will be spread everywhere!"

Thinking of this, she slapped her thigh in an instant, annoyed, "Oh my god, I'm so stupid! Before, Horiyah drove a Mercedes-Benz big G to find me. Took me out to spend a lot of money, and even showed me her contract for Rolls-Royce Cullinan, why the hell didn't I think about secretly recording and shooting videos?! If I took a video at that time, I'd use it now, and definitely bring her down!"

Realizing that she had missed a good opportunity to bring down Horiyah, Elaine was extremely depressed all of a sudden, picked up her phone almost without thinking, and called Horiyah, wanting to ask her out to spend time again, and seize the opportunity by the way, collecting evidence to expose her.

However, Horiyah's phone could not be connected. Elaine called several times but failed to get through. Only then did she realize that Horiyah might have started the live broadcast.

Thinking of this, she hurriedly opened the short video website and searched for Horiyah's account on the search bar. Although she had been blocked by the administrator of Horiyah's live broadcast room and could not watch her live broadcast, she searched for Horiyah's account. When using a guest account, you can still see the prompt that Horiyah's account is live.

Thought that she couldn't even see a ghost in her live broadcast room, but Horiyah's live broadcast room had tens of thousands of members kept in the dark, who were constantly sending money, and she felt even more depressed and wanted to die.

The more depressed she felt, the more Elaine couldn't stay at home, so she went downstairs alone on crutches, went out to wander around the villa where Horiyah lived, and kept looking at the villa as if looking for an opportunity to strike.

The law and order inside the villa are very good, so the balconies on the second and third floors of each house are not sealed, and there are no anti-theft measures. If she's not limping, she could still climb up the balcony quietly, and use her mobile phone to take pictures of Horiyah's state at home after the broadcast... But now her legs are limping, and she can't climb up..."

Just as she was sighing, someone suddenly shouted angrily: "Elaine! What are you doing sneaking around here!"

## **Chapter 5316**

Elaine was frightened by the rough voice. As soon as she shivered, she only felt that my whole body suddenly ached.

The reason why she was so afraid was that this voice had been Elaine's nightmare for a long time in the past.

When she was sent to prison for stealing Charlie's money, she was tortured by the owner of this voice every day to doubt her life.

And the owner of this voice is Gina Zhang who was in the same cell as Mrs. Willson and now lives under the same roof.

When Gina was released from prison, although she was heartbroken by Mrs. Willson's family, she didn't have a good impression of Elaine, so seeing Elaine wandering around the villa where she lived, she guessed that she had no good intentions, so she immediately shouted and reprimanded.

Elaine turned her head and looked at Gina. Beside Gina, there were her two good sisters, Tabia and Lexi.

At this time, Tabia also looked at Elaine angrily, and asked coldly: "Elaine! What are you thinking about here?!"

Lexi also echoed, "Yes! Say it quickly! Or I'll kill you!"

Elaine was so frightened that her first thought was to run away.

But when she thought that she was still limping, she couldn't outrun the three of them no matter what.

But if she yelled out to his son-in-law for help now, he might startle Horiyah, who was broadcasting live upstairs first.

If Horiyah knew that she was sneaking around the villa here, she might be able to guess her intentions. If she started to be wary of her, wouldn't she have no chance to bring her down?

At this time, Elaine's brain was running fast, and her eyeballs were also twitching non-stop.

Seeing her mischievous eyes, Gina didn't make a sound for a long time, and immediately stepped forward and grabbed her by the collar, raised her hand and gave her a big hit, angrily said: "I'm so annoyed when I see you, get out of here!"

Elaine After being slapped, she was angry and scared, but when she saw that the three of them were all wearing the same T-shirts, with the logo of the same cleaning company printed on their chests, and they all looked tired, so she had idea When she moved, she ignored the burning pain on her face, and said,

"Gina, Gina, listen to me, you were kind to her, but now Mrs. Willson's family has become rich overnight, and just a little help is enough for the three of you to live comfortably, but they even let the three of you go out to do cleaning, I, really can't see it, Gina!" Gina was stunned when he heard this.

Have to say that Elaine's words happened to hit her heart.

In the beginning, when the three of them were released from prison together, they were taken all the way to this top villa in Aurous Hill by the Wu family's luxury car. The three of them thought in their hearts that it was the old lady Willson who did it, and they were very grateful to her.

But who would have thought that when Mrs. Willson saw them, she would be extremely disgusted and even swear at them, and she would immediately kick the three of them out of the house.

At that moment, Gina felt very uncomfortable.

Then, when she learned that the house was not owned by the Willson family and that the three of them could also live there, she stopped being polite to the Willson family.

Living together for a long time, the Willson family has always been dominated by them. Not only are they not eating as well as they are living, but even seeing the three of them at home must be submissive, for fear of being beaten.

And although the three of them have no great skills, they are doing cleaning work professionally outside, and their quality of life is guaranteed.

On the other hand, the Willson family is not as lucky as they are. Noah and Harold are two useless people who can't afford to eat in bed, not to mention taking medicine, and the old lady is often so hungry that her chest is pressed against her back.

Later, Wendy went out to be a hostess, and she was often deceived by others. The meager salary she earned was not enough for the family.

However, on a certain day, Wendy suddenly made more money, and the family's living standard also rose rapidly, leaving the three of them behind very quickly.

If this is the case, there is not much difference between Gina and the three of them. The key is that the Willson family has become richer and richer for some reason these days, especially that Horiyah who bought a Mercedes-Benz worth two or three million. The car immediately made Gina and the others envious.

Now listening to Elaine's provocation, Gina felt even more unbalanced. She couldn't figure out why the Willson family could get up again even after they were so down and down, and so high!

Thinking of this, Gina became even more depressed, and her back molars were clenching.

Elaine accurately captured her changes, and immediately knew that what he said hit the pain in her heart.

So, she immediately lowered her voice and said very seriously: "Let me tell you, Gina, the reason why the Willson family can turn around is that the old lady Willson is shameless and so is Horiyah who bore a child from outside!!

"Horiyah?!"

Gina immediately frowned when she heard this, and asked sharply, "With her broken shoes, why can she turn around?! Could it be that she is relying on selling her appearance to sl33p with others?! Elaine sarcastically said: "She's the kind of woman who would sell her lust at most for two buns at most!"

After finishing speaking, Elaine looked around, then upstairs, and hurriedly Said: "Gina, this is not a place to talk, let's talk over there, don't let the Willson family upstairs hear!"

Gina immediately winked at her two good sisters, Tabia understood, and immediately stepped forward, Together with her, she supported Elaine and quickly walked to the far wall.

Seeing that there is no need to worry about being heard by the Willson family here, Elaine stopped them and said, "Let's talk here!"

Hearing Elaine's words, Gina stopped first, and the other two also followed suit. Immediately stopped.

Then Gina asked Elaine: “Elaine, tell me, how did Horiyah’s broken shoe turn over?” “She conducts live streaming on the short video platform! Tens of thousands of unscrupulous viewers follow her to buy, buy, buy, buy, buy whatever she pushes, and the money goes into her pocket. This way, she can earn tens of millions a year!”

“What?!” Gina immediately scolded furiously: “Just that unruly broken shoe can earn tens of millions a year?”

Elaine said, “Gina! To tell you the truth, our sister and son really want to go together! You said it was just Horiyah, a fifty-year-old person who can still have a big belly with a wild man outside and infect her husband with a venereal disease. For a person like her. Why can she earn so much money? Do you think so?!”

Gina said without hesitation: “That’s right! I hate two kinds of people the most in my life, one is the ba5tard who doesn’t obey his parents, and the other is the stinky b!tch who doesn’t obey women’s morals!”

As she said that, Gina asked her again: “You haven’t said yet, how did Horiyah get rich?”

Elaine asked her with a familiar face, “Gina, do you usually watch the live broadcast? That kind of online live broadcast that sells goods!”

Gina shook her head, and said self-deprecatingly: “We work at the owner’s house all day long, and we rarely touch our mobile phones, so we don’t have time to watch live broadcasts..”

Elaine said: “Gina, give me your mobile phone, and I’ll find Horiyah’s live broadcast room for you, and I’m sure you’ll be even angrier after watching it!”

Gina took out a few hundred yuan from her pocket, unlocked her Android phone, and handed it to Elaine.

Elaine immediately opened the short video software and searched for Horiyah’s live broadcast room.

At this time, Horiyah was sitting on the head of the bed, and while feeding Noah, she said with snot and tears: “My family, I will tell you that since my husband became paralyzed, he has been unable to eat anything. There are nutritious things, that person is starved and disfigured on the bed, and his skinny appearance makes people feel distressed...”

As she spoke, she handed the bowl in her hand to the camera and introduced: “Thanks to this nutritional rice cereal company knew about my family’s difficulties and sent us a batch of nutritional rice cereal. My husband has recovered a lot since he started to eat this rice cereal.”

Noah opened his mouth cooperatively at this time. He screamed and even raised his neck desperately trying to open her mouth to reach the rice spoon in her hand.

Horiyah quickly fed a spoonful into his mouth and continued: “This nutritious rice cereal has five flavors, and it can be eaten with just a splash of boiling water, and it contains various nutrients needed by the human body. Having three sachets a day is enough nutrition for a day, and their raw materials are all green and organic, and they also especially add various vitamins, amino acids, and DHA needed by the human body.”

"There are 12 sachets in a box, and they are usually sold in the market. 108. Now in the live broadcast room, the benefits that I have won for her family are two boxes for 99 yuan, a total of 24 packs, and a box of 6 packs for travel, that is, 99 yuan can buy 30 packs, which is a very good deal!"

As she spoke, Horiyah continued: "Because the price is too cheap, the manufacturer is unwilling to give too much inventory, I have only 20,000 orders here, and there will be no more orders after buying, family members, so please Everyone needs to hurry up, come on, let's get in the cart now!"

Gina looked at the tattered Horiyah in the video, as well as the tattered room and furniture, and said in surprise: "This... this \*\*\*\* It's too fake! Their room was luxurious before, how did it become like this?"

"It was on purpose!" Elaine said without thinking, "This b!tch, now she is saying to the outside world that she supports a family by live broadcasting alone. A husband paralyzed in bed, a son paralyzed in bed, and an 80-year-old mother-in-law, said they are in terrible condition, and then the audience believed it, and desperately bought things in her live broadcast room, asking to help her tide over the difficulties, but they stupid hats don't know that people can earn tens of thousands of dollars a day by live broadcasting!"

Gina clenched her fists, gnashing her teeth, and said: "It's really shameless! She has hands and feet, and she has no money to earn. We are the same, earning money through hard work! But she actually engages in such deceitful activities on the Internet, this kind of person should be pulled out and shot!"

"Yes, yes!" Elaine seemed to have found a bosom friend, and echoed: "Shoot! It's even cheaper for her if I say she will have to be executed by a dog!"

Gina asked in amazement: "What is a dog's execution?"

Elaine said: "It's to let the dog kill her! Then let the dog eat her and turn her into a dog sh!t!"

Gina's expression turned cold, she didn't expect Elaine to be much more ruthless than herself.

Seeing that her emotions were set in place, Elaine hurriedly went up and said, "Gina, let me tell you, I have a good plan now, as long as this plan is implemented in place, it will definitely ruin Horiyah's reputation, and bring their family back to their original form!"

As she said that, she looked at her lame leg and sighed, "Alas! It's a pity that the leg was broken by Mrs. Willson and that Wendy was in prison, and it became the root of the disease. It's not very easy, given my current situation, I'm afraid I won't be able to carry out this plan..."

Gina immediately blurted out: "What plan can you tell me? Aren't you bad in your legs and feet? The three of us will help you execute it! The four of us Join hands to deal with Horiyah now!"

Elaine was waiting for this sentence, so she asked in surprise, "Gina, is what you said true?! Are you really willing to help me?!"

Gina said coldly: "I've seen the old lady Willson's family upset for a long time! An enemy's enemy is a friend, so we are also comrades-in-arms!"

Elaine immediately said excitedly: "That's great! With three of you, If we join together, we will join forces, and we will definitely be able to complete it smoothly, and we will guarantee that Horiyah will return to the pre-liberation overnight!"

Gina said without hesitation: "No problem! Just say it!"

## **Chapter 5317**

Although Elaine is not smart, she definitely has a lot of tricks to use on her.

She had long thought of a way to expose Horiyah, but she suffered from her inconvenient legs and feet, and she was alone, so the risk was too great.

But after the three joined, the situation is completely different. The three of them lived under the same roof with Horiyah's family every day, and these three are strong. Much more convenient.

So, she hurriedly called the three of them to the front and whispered her plan to three of them in detail.

After listening to Elaine's plan, the three of them felt that it was very feasible,

Gina patted her chest and said, "Elaine, don't worry about this matter. Leave it to the three of us, and we will definitely follow your plan. We will do what you said."

After she finished speaking, she continued: "But you have to promise us that after we finish what you asked, you must follow what you said and bring down that Horiyah!"

Elaine said without hesitation: "Gina, don't worry about this, no one in the whole world expects her to fall as soon as I do, and I will definitely do my best to bring her down!"

Gina nodded in satisfaction, and then she opened her mouth and said, "Then we'll go back and start making arrangements now."

"We'll let you know as soon as there's any progress. By the way, leave me your contact information and I'll make a note of your mobile phone number."

Elaine hurriedly expressed enthusiasm and said: "Oh Gina, let's just add WeChat. We are neighbors. We will see each other often. It is convenient to add WeChat!"

Gina frowned, and said vigilantly: "You don't have to add WeChat." Well, you have a phone number, and you can call anytime you need it."

Elaine said with a look of emotion: "Oh, Gina, I know you have always had a big prejudice against me, but have you ever thought about it?"

"What you instilled, although I don't know what she told you at the time,"

"But I guess it must be that the daughter-in-law is not filial to her mother-in-law,"

"That I moved the villa back then to prevent her from living in, and that I drove her out of the house, and called the police to arrest her and put her in prison, right?"

Gina subconsciously nodded.

Back in prison, Mrs. Willson did accuse Elaine of many crimes with snot and tears, but the core content was the three points that Elaine herself said.

Elaine gave a wry smile and sighed, "Hey! I know Gina, you are a filial daughter, and you hate others not being filial to parents and in-laws,"

"But have you ever thought about what kind of person she is? Think about it, you helped this old woman so much in prison back then, did this old woman really appreciate you from the bottom of her heart?"

"She just regarded you as a chess piece that could be used, and used your kindness to achieve the purpose of hitting me, but she didn't just look down on you, and I believe that you have lived in the same house with her for so long, you should be aware of it?"

Elaine's words hit Gina's heartache.

Elaine saw that her expression was not right, so she continued to strike while the iron was hot: "So now you look back and think about it, how can I honor this kind of old woman?"

"Occupy the magpie's nest, if I let her live in our house, she will drive me out in a short time!"

After hearing this, Gina also felt that what Elaine said made sense.

After actually getting along with the old lady Willson, she also realized that this old woman is indeed not a fuel-efficient lamp,

Nor is she a good and faithful woman. If she were her daughter-in-law, she would not be able to respect her.

Thinking about it this way, Gina looked at Elaine in front of her again and suddenly found that her face was not so hideous anymore.

Thinking that she was completely deceived and used by that old woman in prison back then, she felt even more annoyed, so she naturally regarded Elaine as her ally.

So, she took out her mobile phone and said, "Come on Elaine, let's add a WeChat friend."

Elaine was naturally flattered, and quickly said: "Okay, okay, I'll sweep you!"

Gina said to the two sisters beside her: "You also add Elaine as a friend so that it will be easier to communicate about anything in the future."

Elaine didn't think twice as she said: "Then that's really great. I'll create a group immediately and bring all four of us into it. If there is any trouble in the future, we will all communicate with each other in the group."

Soon, a WeChat group "Eliminate Horiyah and eliminate harm for the society" was born, and the four immediately started to split up.

Elaine returned home on crutches, while Gina and the others immediately walked to their villa.

Coming downstairs of the villa, Gina looked up at the room on the second floor, and said to the other two in a low voice: "As expected, they closed the windows and doors."

"I will climb up to their balcony on the second floor to see if I can take pictures from the outside, but the sound insulation of the windows is very good."

“Even if I can take pictures, I probably can’t record them. You go to the door of their room, plug in the earphones of your mobile phones,”

“And put the microphone under the crack of the door. Go record their voices inside, and send them to Elaine later, she said that she will use her mobile phone to mix the picture and sound together.”

“Okay, Gina!”

The two agreed in unison and then hurried to start the action.

At this time, in the bedroom on the second floor, Horiyah was still broadcasting live.

She has prepared ten products tonight, and she has reached the last one now.

Since today is not the weekend, the traffic is not too big, so Horiyah also plans to end the broadcast early and take a break. Don’t look at her live broadcast for only two or three hours a day,

But these two or three hours are almost non-stop talking, needing nerves and attention.

The strength has to be tense all the time, don’t make mistakes, don’t show flaws, so after a live broadcast,

People are still very tired, so she also looks forward to finishing the speech and going to the broadcast to rest.

At this time, she didn’t know that Gina, who had a strong body, had already climbed down from the balcony on the third floor and came to the balcony of the room on the second floor.

Although the curtains in the bedroom on the second floor were tightly drawn, there was an inverted V-shaped gap in the middle of the sliding door’s sheer curtain.

For the mobile phone camera, as long as it is close enough, even if there is only a finger-thick hole, it is enough to capture the whole picture inside.

A few minutes later, Horiyah finally finished broadcasting the last product. When the family members in the live broadcast room snatched up all the stocks, she said devoutly:

“Thank you to all the family members for your kindness to me tonight. Support, I can support my paralyzed husband and son, as well as my eighty-year-old mother-in-law, thanks for the help, thank you!”

## **Chapter 5318**

Noah, who was paralyzed in bed, also said vaguely: “Thank... thank you all...”

Harold choked up on the other bed and said, “Thank you for your help.”

“When I recover, I will definitely bow and kowtow to everyone in the live broadcast room!”

The dilapidated old lady Willson also came to the camera tremblingly at this time, and she kept bowing her hands and said,

“The old lady here, thank you all... Thank you!”

After everyone finished thanking, Horiyah Reluctantly bid farewell to the live people again, and then closed the live broadcast room.

The moment the live broadcast room was closed, she immediately reached out and pulled off the wig she was wearing on her head, revealing a very elegant chestnut curly hair, and complained dissatisfiedly: "Dmn, this broken headgear is too fucking hot!"

Harold Hastily said: "Mom, you said you're fine, why do you perm your hair? Forget it, if you still dye it, wouldn't it be troublesome if people see it?"

Horiyah angrily scolded: "You know what! I'm worth tens of millions now. Am I not shameless when I go out? You can't let me drive a Mercedes-Benz big G and look like a beggar, right?"

"Besides, the live broadcast room is getting more and more popular now, and the audience is getting bigger and bigger."

"I must find a way to change my makeup when I go out, the bigger the difference between the real person and the live broadcast, the better, otherwise, what if the audience in the live broadcast room finds us out?"

Harold was so reprimanded by Horiyah that he didn't dare to refute, so he could only nod resentfully and said: "Mom, you are right, I am too stupid..."

Horiyah snorted coldly, and continued to reprimand: "There is more! I told you before today's live broadcast that you only have one task tonight. When the live broadcast is over and you thank the audience in the live broadcast room, you must shed some tears for me. , where are your tears?"

Harold said nervously: "Mom...I...I just can't cry when I think about how easily you can earn hundreds of thousands tonight..."

Horiyah Cursed angrily: "Trash! You have to cry if you can't cry! You don't want to move those people in the live broadcast room, and don't let them think that they are very noble."

"How can they willingly spend money on us? The selection of our live broadcast room The goods are all cheap and worthless goods, and the selling price is several times higher than the cost price. Why do people buy our things at a high price? Isn't it just for psychological satisfaction?"

"You and your dad are paralyzed in bed now, there is no way Kneel down for them, I will let you shed a few tears and you still can't do it?!"

Harold said submissively: "Mom...I...I really want to cry, but the tears are not up to me Ah, I want to cry, but I can't cry, what should I do if I can't cry..."

Horiyah said coldly: "It's easy if the tears don't come out, tomorrow I will drip some wind oil on the other side of your pillow Essence or chili oil! If you can't cry, just quietly turn your head to the other side and rub chili oil, then I'm sure you can cry!"

Harold was startled, Hastily said: "Mom... That's too cruel, I'm afraid the eyes will be swollen..."

Horiyah said without thinking: "It's better to have swollen eyes, red and swollen, plus tears, that's the real thing." Truly perfect!"

Harold still wanted to beg for mercy, but Horiyah didn't give him a chance to speak and shouted directly:

"I tell you, don't talk nonsense with me here, now I have the final say in this family, If you don't listen, I'll throw you outside the door, and you will die!"

Harold shrank his neck in fright and said quickly: "Don't, mom... I promise you, can't you..."

Horiyah glared at him, then looked at the old lady Willson, and said coldly: "And you dmn old woman! You know how to bow in front of the camera every day! The monkeys playing on the streets in the early years are just like you! Tomorrow you Give me another way, when the live broadcast is about to end, you will kneel down and kowtow to everyone!"

The old lady said nervously: "Horiyah... I... I am so old, and my legs and feet are not very convenient. You make me kneel and kowtow, I'm afraid I won't be able to..."

Horiyah said coldly: "If you can't come, you have to! Don't you spend the money I earn? Don't you eat the things I buy? You don't have to Really? If you can't, go back to the supermarket and tear plastic bags for others!"

When the old lady heard this, she hurriedly said: "Horiyah, don't be angry, I'll knock it, can't I knock it..."

Horiyah snorted and ignored her.

At this time, Noah on the bed said flatteringly: "Good wife, do you think my performance tonight is still very good? When I ate rice cereal, those small details were designed very well, which fully reflected a patient who is paralyzed in bed likes this rice porridge very much, and desperately wants to eat this rice porridge!"

As he spoke, Noah smacked his lips and sighed: "But this rice porridge is really fcking unpalatable, there is no fragrance in the mouth at all, and it is a little bit bitter? You said that this stupid manufacturer can't really add good ingredients?"

Horiyah raised her hand and slapped him.

Just as Noah wanted to ask why Horiyah said impatiently: "Who the hell do you call your wife?"

"This is not when you beat me up, forced me to divorce, and told me to get out of this house. Is it?"

Noah was startled, and immediately said quickly: "Oh my wife, all my mistakes are my own fault! I was blind. I didn't know how to cherish having such a good wife."

"If I talk to you again in the future If I mention a divorce, I will be struck by lightning and die without a place to bury!"

Horiyah sneered and said, "Oh, Noah, you have become so fcking fast! What did you say back then?"

"You said I brought you a cuckold, and I was pregnant with a wild man's child, which infected you all over the body. You must drive me out of this house. Are you short on memory?"

Noah said with a smile: "Oh my wife, look at what you said, this is not a question of whether I can make money,"

“But I really want to understand it. In fact, I can’t blame you for those things at the beginning, because it was also forced by the situation, forced to be helpless, and to be honest, the decision to cheat on Elaine was not your decision alone, but the idea of the two of us, so I am also responsible for this kind of thing... ..”

Speaking of this, Noah sighed, tears flowed down immediately, and choked up: “Honey, I actually didn’t think of the crimes you suffered in the black coal mine. However, I hid behind your back and controlled everything, and let you execute the plan alone.”

“In the end, you were sent to the black coal mine...”

Horiyah looked at Noah’s tears streaming down his face, she was not moved in the slightest, but turned to look at Harold, slapped him on the top of the head, then pointed at Noah and said:

“You Learn from your dad! Look at your dad’s tears, and they flow when he needs it! The emotion is in place in an instant! Absolutely old-fashioned acting!”

“Look at you again, you are like that little fresh meat, eat whatever you want It’s not enough, what can’t be done, what’s bad to sing, what’s not to act like, what a waste!”

“He’s a small fresh meat, but he still looks thin and tender, and can fool female fans into spending a lot of money. What can you do? You can’t even hold back a few tears!”

Harold was slapped on the forehead and was scolded by my mother pointing her nose, the whole person was so hopeless, he could only cry and say with a sad face: “Mom...you prepare a bottle of oil for me tomorrow, if I can’t cry, I will rub the oil on my eyes!”

Horiyah nodded, pointed at the old lady Willson, and said loudly: “You have heard what he said, go and buy him a bottle of chili oil tomorrow!”

The old lady Willson hurriedly said: “Horiyah... Just transfer some money to me on WeChat, and I’ll place an order on the food delivery app...”

Horiyah said disdainfully: “You old lady, you think beautifully! You have been riding on my neck for so many years. After I became pregnant, you humiliated me and tortured me even more. I haven’t kicked you out now, not because I am kind-hearted, but because you are still somewhat useful.”

“If you listen to me honestly, I can give you food, for you to drink, for you to wear, for you to use, even if you are sick, I can treat you, and if you die, I will give you a beautiful funeral.”

“But don’t worry, I can spend dozens of yuan on you. Ten thousand, one million, but I will never give you a penny! I want you to live without me, from now on with my conditions!”

## **Chapter 5319**

Before finding a way to live broadcast and sell goods, Horiyah was often rejected by the family in this house.

Especially after she had just returned from the black coal mine and was found to be pregnant,

And infected with sexually transmitted disease, the Old Lady and Noah never gave her a second of good looks.

At that time, even her son Harold felt that this mother was a bit embarrassed,

And he never gave her a good look when he saw her every day.

When Horiyah was in the most difficult time,

The only person in this family who could make her feel warm was her daughter Wendy.

Since encountering setbacks and being rescued by Charlie, Wendy's personality has changed a lot.

Because of the ordeal, she has become much more stable, more down-to-earth, and more kind-hearted.

She knew what happened to her mother.

Although it was a bit embarrassing to say it, she knew she was forced to do so in that situation at the time.

Outsiders can laugh at and ridicule her mother, but even the people in this family did the same.

After all, when something happened to her back then,

Even though it was her own fault, it was all because of this family.

Thinking about what she had experienced with Gerald and Fredmen during this period of time,

She could empathize with her mother even more.

Therefore, after Horiyah became rich by relying on live streaming during this time,

In addition to showing good looks to Wendy in this family,

Other people were beaten and scolded by her every day in order to retaliate for the harm these people caused her.

Whether it is the Old Lady, Noah, or Harold, they are all very clear about their current situation.

They have no chance of turning over. Less than the level of getting rich overnight.

Right now, in the entire family, only Horiyah has this strength.

On average, Horiyah earns two to three million yuan a week from live broadcasting.

If this is the case, it is not a problem to earn a small goal in a year.

Knowing that when this family was the strongest, their real assets were only tens of millions.

Currently, Horiyah can surpass the peak of the entire Willson family within a year.

So even though these people were beaten, scolded, and humiliated by her, none of them dared to say a word.

Immediately, Horiyah stood up, took out two bottles of high-grade juice from the cabinet opposite the bed,

Drank sip by sip glanced at the Old Lady who was swallowing her saliva, and said in a cold voice:

“Don’t give me little thought standing here, a bottle of this one costs more than a thousand,”

“Which is quite rare, if you dare to steal one, I won’t give you food for a whole day!”

Old Lady quickly waved her hand and said: “No I can’t... Horiyah...”

“How could mom steal your stuff... besides, that is so expensive,”

“Even a poor old woman like me doesn’t deserve it...”

Horiyah snorted coldly and ignored her, but Looking at Noah, she said,

“I want to tell you something. I looked at the more detailed data of the live broadcast room.”

“Our current normal number of viewers, as well as the highest number of online people in the live broadcast room,”

“The number of transactions and the turnover, compared with Yesterday,”

“It started to show a downward trend. Although the decline is not much,”

“Only two or three percentage points, it is still a very serious trend.”

“Once it starts to go downhill, it will be very difficult to go up again!”

Harold hurriedly asked: “Mom, fluctuations of two or three percentage points should be normal, right?”

“If we want to make more money, we must ensure that the data has been rising steadily.”

“Once the data starts to decline, it is definitely a very dangerous signal.”

“If it falls by two or three percentage points every day, it will not take long before we will be beaten.”

“Back to the original shape, so we have to think of a way to make our data rise again and continue to rise.”

Noah asked: “My wife, do you have any good ideas?”

Horiyah said coldly: “I have spent two days thinking about it,”

“Those wronged people in the live broadcast room may be a little tired of watching you two paralyzed in bed.”

“I plan to change the script a little bit starting tomorrow.”

Noah asked: “Honey, do you want to change the script?” What script?”

Horiyah said calmly: “I checked the Internet, and it seems that pancreatic cancer has the highest mortality rate.”

"I checked some early symptoms of pancreatic cancer online,"

"And the most prominent features are weight loss and skin jaundice."

"I plan to start tomorrow. Control your diet well. You should try to lose at least 10 pounds in a short period of time."

"At that time, I will find some foundation for you to draw a sallow and thinner face."

"At that time, all you have to do is to behave more and more in front of the camera."

"The weaker you are, the worse you will be in the live broadcast room,"

"And the culprits will definitely find out that something is wrong with you."

"Since I asked you to check it out, I will stop the broadcast for a day or two,"

"And then forge a medical record of your diagnosis of pancreatic cancer. You can act even worse at that moment."

Noah trembled in fright, and blurted out: "My wife...you let me pretend to have pancreatic cancer, isn't it a bit unlucky..."

As he said that, Noah submissively continued: "Look, my wife... I'm not superstitious."

"The key is to go on a diet to lose weight. My body is already recovering."

"If you don't let me eat enough, when will I recover..."

Horiyah frowned in disgust and asked,

"Do you think it's your turn to express your opinion on this matter? I'm just notifying you!"

## **Chapter 5320**

After she finished speaking, she looked at Mrs. Willson and said coldly,

"From tomorrow onwards, give him half his usual diet!"

"Ok, ok... Don't worry, Horiyah, I will definitely do it!"

Mrs. Willson could only nod her head in agreement at this time.

Noah's face turned pale immediately.

He knew very well that he was still in the recovery period,

And he couldn't eat on his own. He had to rely on his elderly mother to feed him mouthfuls by spoon.

If the old mother stuck him directly from the source there is nothing he can do about his appetite.

In desperation, he could only sigh, and said: "Okay, Horiyah, I will listen to you!"

Horiyah hummed, turned to look at Harold, and said:

"Now the trend is that the hemp rope is only picky and broken,"

"And bad luck only finds the poor. It is not enough for your father to pretend to have pancreatic cancer."

"It is better that you also have some more serious disease."

"I think young people have uremia nowadays."

"There are quite a lot, you can start tomorrow and find out the feeling of uremia patients step by step."

"Uremia..." Harold said with a blank face: "But I don't know how uremia patients feel. ..."

Horiyah said lightly: "Search on the short video website, there must be a lot of related videos,"

"We must imitate well, the more similar the imitation, the better!"

Harold quickly asked: "Then for uremia, I don't have to control the diet too?"

Horiyah said contemptuously: "You don't have any common sense at all."

"The typical symptom of uremia is edema, and the whole body will become swollen."

"From tomorrow onwards, drink plenty of water every day, but be careful not to stop the son increases the speed of drinking water too fast,"

"It is best to drink it a little bit, and gradually show a posture of edema."

"You and your father have to make a good time to cooperate."

"First, he is getting thinner and discovers pancreatic cancer."

"After the play is over, You start to show obvious edema, and then you are diagnosed with uremia."

"In this way, the full-short video platform looks worse than ours,"

"And I'm afraid you won't be able to find another one!"

"At that time, why worry about not making enough money?"

Harold heard this, he knew that he would suffer a lot.

He is now bedridden due to paralysis, and can only use a urine bag every day.

In order to avoid trouble and embarrassment,

He usually drinks less water subconsciously, but his mother makes him gradually increase his water intake.

It is going to be inconvenient and painful every day.

But he didn't dare to disobey his mother, so he could only nod his head and say,

"Okay mom, I understand... Don't worry, I will do what you say!"

Horiyah hummed, and then said to Mrs. Willson: "Old woman, you also have a new script."

The Old Lady hurriedly asked respectfully: "Horiyah, just tell me how you want your mother to act!"

Horiyah said coldly: "When the script about Harold's diagnosis of uremia is finished,"

"You will have to cry in front of the camera every day. After crying for ten or twenty days, you can play the role of a blind woman."

"Play the blind woman..." The corner of Old Mrs. Willson's mouth twitched,

But she still said helplessly: "Okay, Mom will listen to you..."

Horiyah stood up satisfied, and said condescendingly: "You all give me some heart,"

"Wait for this script is finished and the sales go up to a higher level,"

"I'll go to the suburbs to buy a bigger villa and take you all over there."

"By then, your injuries will probably heal, and you'll be able to live broadcast at night,"

"During the day, I can enjoy happiness without being disturbed by other outsiders,"

"So I can save myself the trouble of living with Gina and those vulgar shrews every day."

When Noah, Harold, and the Old Lady heard this, they immediately became excited.

Noah subconsciously blurted out: "Buy a new house?! That would be great!"

Harold was also very excited: "Mom, we must buy a villa with a huge yard!"

Mrs. Willson couldn't help it either. Excitedly said: "I have long wanted to get rid of Gina's piles of stinky shit!"

They have been bored in this room for a long time, and since Gina and the three of them came,

The Willson family has also lost their lives in this villa.

Without the right to speak, the three of them will make things difficult for them everywhere,

So they can only swallow their anger in the room every day.

If they can move to a new villa that belongs to their own family, then life will be very comfortable.

Seeing the excitement of the three of them, Horiyah sneered even more in her heart.

She knew that although she had the absolute right to speak in this family right now, she couldn't really leave the help of these three people.

So it doesn't matter whether she beat them, scolds them or humiliates them,

The important thing is to remember to give them a little bit of sweetness.

Many unscrupulous bosses originally had good opportunities to become bigger and stronger,

But because they didn't know how to give benefits to their subordinates, they ended up deserted and left with nothing.
