

Chapter 5331

As the popularity of the video continues to increase,

And Horiyah was formally detained, the City Police also released the results of the incident to the public.

At first, when netizens heard that Horiyah was only sentenced to ten days of administrative detention, they were dissatisfied with the punishment.

However, the police also showed the public the diagnosis certificates of Horiyah's husband and son. The father and son were indeed paralyzed in bed for several months, and because of lack of money, they did not receive active and effective treatment.

However, when netizens first saw this article, many people were skeptical, because, in Elaine's follow-up exposure materials, it was said that this family actually lived in the famous Tomson Villa, and the unit price exceeded 100 million yuan, so everyone was questioning since Horiyah can live in Tomson, even if her husband and son are really paralyzed, how could she not treat them.

The police also immediately disclosed to the public the property rights of the villa where Horiyah's family lived, proving that the villa was not owned by her or her family, but owned by a business tycoon Regnar Wu.

Regnar was originally a well-known entrepreneur in the country, and some time ago his son was even more famous all over the country, so people learned that this villa is Regnar's property, after Regnar lent this villa to the family, It is no longer in vain to question.

People who learned the truth of the incident also accepted the decision of the City Police to detain Horiyah for ten days, and the City Police also joined forces with the video platform to permanently ban Horiyah's short video account, so that she will never be able to live broadcast, this processing method also made everyone applaud.

For a while, netizens all over the country praised the efficiency of the City Police. After all, it has only been two or three hours since the video was released, and the City Police have completed the processing in such a short period of time, which is indeed very fast.

And the official short video platform is not idle.

They also quickly released the punishment decision of the platform side.

Including the full refund of consumers' purchases, and at the same time formally launched the prosecution of Horiyah, demanding that she return all live broadcast income.

However, since Horiyah has squandered a lot of money earned, it is definitely impossible for her to make up for this hole. At that time, Horiyah will probably be listed by the court as a defendant because she cannot fully refund her income.

The executor of dishonesty, by that time, Horiyah will either find a way to make money to fill these holes, or she will have to live a hard life as a scammer.

Seeing these reports, Claire sighed helplessly and said to Charlie: "Mom offended aunt to death again this time... They are all relatives, and they live so close. Next time we meet how can I look up? How embarrassing it will be in the future..."

Charlie smiled, and said: "This is not something we need to consider, besides, with mom's personality, if she is not exposed, mom will probably be angry."

Claire nodded lightly. She knew her mother's character. If her aunt's live streaming was better and better, her mother's mentality would definitely become more and more unbalanced.

At this time, Elaine, after seeing these punishment decisions on her mobile phone, was ecstatic in her heart and danced excitedly.

She hugged her phone excitedly and yelled: "Hahaha, Horiyah, you see the day! Didn't you drive a big G? Didn't you buy Cullinan? Didn't you buy a villa? I see how you pay back these after you came out!"

And in the WeChat group jointly formed with Gina and others voiced in the group: "Oh Elaine, you are too good! You brought Horiyah down in one fell swoop!"

There was this message from the next person: "Yes, Elaine! Your move is really good!"

The third one joined in as she laughed and said: "I have been seeing them unhappy since I lived with their family, and today I finally came out. You still have a way, Elaine!"

Elaine snorted triumphantly: "Of course! I'm not bragging, it's like playing with Horiyah!"

Gina sighed: "I don't know where I can buy firecrackers. If I can, I have to set them off to celebrate!"

Upon hearing this, Elaine's eyes lit up, and then she came out of the room on crutches, moved to the door of Jacob's room, knocked on the door, and shouted: "Jacob, open the door quickly!"

The somewhat decadent Jacob said impatiently inside: "What are you shooting for? I want to sleep!"

Elaine said impatiently: "If I tell you to open the door, you will open it, why so much nonsense! Hurry up open it for me now!"

After saying that, she began to slap vigorously again.

Jacob had no choice but to open the door, glanced at her, and said annoyed, "Tell me if you have anything to do."

Elaine looked at Jacob, saw that he was only wearing a pair of briefs, frowned, and said, "Hurry up and put your pants on." Put it on, and drive me out to buy two sets of firecrackers, I want to set off firecrackers to celebrate!"

"firecrackers?" Jacob muttered dissatisfiedly: "It's just that the New Year is not around the corner, what kind of firecrackers are you setting off!"

Jacob waved his hands impatiently: "You can pull the ball down! The city is not allowed to shoot crackers during the Chinese New Year, you want to let it go now? Are you kidding me?"

Elaine said angrily: "I just want to do it now! Don't talk so much nonsense, hurry up and drive me out to look for it, and see where I can buy it!"

Jacob snorted: "You can do that if you want, don't blame me for not reminding you if you are detained at that time."

When Elaine heard about the detention, she was startled and panicked.

It stands to reason that she, a ghost of Bedford Mountain Institute, has been detained in both China and the United States. She is already a veteran, and there is nothing to be afraid of.

But the key point is that Horiyah has just been detained, and now she hates Elaine to the bone,

So in Elaine's view, if she really goes in and is locked up in the same detention center with her, then she will rip her alive?

So Elaine warned her in her heart: "I'd better be more honest during this time..."

Thinking of this, she had already decided to give up.

Seeing her gloomy expression, Jacob sighed deliberately, and said, "Oh, since you want to let go so much, I'll take you to look for it."

After that, he grabbed his trousers and picked up the car keys.

Putting on his pants, he said, "Let's go, let's go now."

Elaine's mouth twitched twice, and she waved her hand and said, "Oh, forget it, let's not go."

Jacob asked with a funny face: "Don't forget! You said it yourself, it's such a great event that the whole world celebrates, it can't be justified without setting off some crackers?"

He continued: "I have a friend who seems to be a firecracker, and he has a black warehouse in the suburbs."

"He specially hides fireworks and firecrackers, let's go there directly, I'll give you a whole set of firecrackers with a sound of 100,000 rings, and I'll get you some firecrackers, so it's sure to be lively!"

Elaine was even more excited when she heard this. She shook her head and said, "Forget it, I really won't go, it's too late, I'm sleepy."

She waved her hand and said, "Then what, you go to bed quickly, I'm going back to the room too."

Chapter 5332

Jacob said with a smile: "Oh, look at you, let's go! My pants are all on!"

After Elaine gave up the idea of buying firecrackers to celebrate, Wendy rushed to the police station and brought Noah, Harold, and the old lady out of the police station.

Tonight, when Wendy was having a meeting at the company, she received news that her mother had an accident, so she drove a company car and hurried home, but before she got home, the police called her and asked her to go to the police station.

So she hurried to the police station again, and after going through the formalities, she picked up her father, brother, and grandma.

On the way back, Wendy was driving, the old lady was sitting in the co-driver, Noah and Harold were slumped in the back seat, bound by seat belts.

In the car, the old lady kept crying, muttering: "The Willson family is over...It's completely over..."

Harold also had tears in his eyes and scolded through gritted teeth: "That stinky bltch Elaine. Damn it! Our family has been ruined by her! The whole family's chance to stand up has been ruined by her!"

Noah also gritted his teeth, and said coldly: "When I recover, I will definitely find a chance to abolish her! If I don't take revenge, I, Noah Willson, will swear that I will not be a human being!"

Harold said without hesitation: "Dad! Count me in then! I want her life too!"

"Enough!" Wendy who was driving suddenly turned the car over. Stopped by the side of the road, shouted angrily, and reprimanded: "You don't have a long memory, do you forgot how you were paralyzed? How dare you go to trouble her?"

When the father and son heard this, immediately withered down.

The reason why they were paralyzed was that they wanted to find an opportunity to take revenge on Elaine, but unexpectedly, Cynthia was also tied up in the beauty salon by mistake, and finally ended up with their hands and feet amputated.

Harold recalled back then, although he still had lingering fears in his heart, he still muttered a little dissatisfied: "Anyway, I can't swallow this breath! Originally, our family could become billionaires! Maybe it will be worth billions in a few years! But Let Elaine do this, it's all fcked up! How can you let me be reconciled!"

Wendy said very seriously: "Brother, don't daydream here! I said long ago that the live streaming that mom made was a thunderbolt, and it would explode sooner or later! And the later it explodes, the more powerful it would have been." Do you know why you and dad can come out today? It's because the thunderstorm was early!"

"And you are really paralyzed in bed! If you follow up like what mom said in the video and pretend to be terminally ill. Then if mom had to be sentenced, you two had to go in too! At that time, when people go to prison, all the money they earn will be confiscated!"

Harold said indignantly: "There are too many people selling misery and live broadcasting goods. I didn't see anyone was arrested."

Wendy said angrily: "mom, isn't she being arrested now?! Do you still want to wait for yourself to be caught too?"

Harold said angrily: "Wendy... I'm your Brother! Why are you trying so hard to hate me..."

Wendy said in a very dissatisfied tone: "Brother, if you are still so incompetent in the future, then I don't care about you!"

After finishing speaking, she raised her volume again, and said: "If no one in the family is successful, then I will move out from home tomorrow, and no one will care about you in the future!"

Noah said quickly: "Wendy, don't be angry, it's not a day or two for your brother to be incompetent, don't follow him like that..."

Wendy sighed, and said angrily: "Dad, I have already persuaded mom not to use such crooked brains for money! When you targeted Second Aunt back then, the end was already miserable enough. Don't make the same mistakes again, but she just won't listen!"

"I told you at the time that my income is getting better and better. You and brother have not been able to get good treatment before, which has delayed a lot, but now that I have some money,"

"I can send you to the hospital for proper treatment and recovery, but mom just wants to keep you by her side to live broadcast the misfortune, and as a result, both of you have not recovered from your injuries, and she has tossed herself into this..."

Noah also sighed melancholy: "Wendy, you are right..."

Wendy was silent for a moment, as if she had made some decision, she suddenly restarted the car, turned right at the next intersection where she should go straight, and then said: "Forget it! I'll send you two to the hospital now! You two should heal your injuries quickly, and after you recover, go out and find a serious job!"

Noah nodded and said dejectedly: "To be honest, I've been lying on the bed for half a year, and I'm going crazy. I'll go find a job after I'm done..."

After finishing speaking, he looked at Harold again, and said: "Harold, you have been fooling around for half your life, it's time to do something! When the time comes, both of us will look for a job together, and neither of us can sit idle at home and eat free food!"

Harold also knew that his dream of being a rich second generation had been shattered, so he could only nod his head, choked up, and said: "I know Dad... I will work hard when I recover from my injury..."

Mrs. Willson is a fine person. She knew that Horiyah could not stand up now, and she might have to rely on Wendy in the future.

In addition, seeing that her son and grandson had already expressed their opinions to Wendy, she hurriedly said to Wendy:

"Wendy, why don't grandma go to the supermarket to find a job, even if I still pull plastic bags for others? At least I can share some income with the family..."

Wendy shook her head and said seriously: "Grandma, don't go out to work anymore, you are so old, and my current income is enough to support you, so you stay at home and take care of yourself."

The old lady breathed a sigh of relief when she heard this, and at the same time she was a little thankful, after all, she was old, and it would be difficult for her to adapt to work again.

No one at this age wants to run around for a living anymore, and the old lady is the same. And when she heard that her granddaughter was willing to provide for her, she was very satisfied.

However, Wendy's tone suddenly became serious at this time, and she said seriously: "Grandma, I have something to say first. You must not engage in those petty thoughts about family politics when you are at home from now on!"

The old lady quickly argued: "Wendy, I don't engage in any family politics..."

Wendy said seriously: "Grandma, when our grandfather was still there, we were quite united. He treated my father and second uncle like a bowl of water, grandpa won't show a preference for me, my brother, or sister Claire, but after grandpa left, you took over the Willson family and immediately started to isolate the second uncle's family with my parents and my brother and me."

"Not only did one family become two families, but even the Willson family's business plummeted. Later, the company went bankrupt and closed down, and even the house was gone, so now we can only rely on others!"

After speaking, Wendy immediately added: "Of course, this is not your responsibility alone. My father, mom, my brother and I are all responsible. I was young and ignorant at the time, and I targeted sister Claire and brother-in-law everywhere. I did a lot of wrong things and took a lot of detours."

"Fortunately, I now know where my mistakes are, and I have changed my mind and started a new life."

"Therefore, my career is now steadily improving. If our family can realize the mistakes we made back then, make good corrections in the future, and the days in the future will definitely be better."

The old lady had an embarrassed expression, but she also said a little indignantly: "I targeted your second uncle's family at the beginning, mainly because Claire was full of rebelliousness. I wanted her to divorce Charlie, but she just won't listen..."

Wendy immediately said in a cold voice: "Fortunately, Sister Claire didn't listen to you! If she had listened to you and divorced Charlie and married Wendell, then she would have been married to Wendell now."

"I'm afraid they had nothing like us! Although the Zhang family was good at the beginning, they went bankrupt a long time ago. You don't know this! And look at how happy Claire is now! The villa they live in is not a charity from others."

"And my brother-in-law is also a prominent figure in the city, with him around, no one will dare to bully Claire's family!"

Wendy choked with red eyes and said, "I used to listen to you for everything. Yes, but look at how many detours I have been led by you. At first, you asked me this and that man one after the other and ruined my reputation."

"No one is chasing me now! mom managed to escape from the black coal mine, and it was you who took the lead in isolating her and insulting her,"

"So that our family has come to this end step by step! All these prove that you have no ability to be in charge of the Willson family at all!"

Mrs. Willson's face flushed with embarrassment, she wished she could break through the cracks in the ground and get in.

Wendy wiped her tears at this time, and said very forcefully: "From today on, I will have the final say on everything in the Willson family!"

"I hope you put away those thoughts and stop making trouble! As long as you can live a calm and down-to-earth life,"

"I will definitely give you a pension, but if you still can't fix what you have, then I'm sorry, even if you go to court to sue me, I won't support you anymore!"

Chapter 5333

Wendy's strength shocked Mrs. Willson, and at the same time, couldn't help but feel a chill down her back.

She was startled because she did not expect that Wendy, who has always been led by her own nose, has become more and more powerful since she became the manager of the etiquette company. She has even made it clear that the family will listen to her from now on;

As for the chills on her back, it is because she just realized today that Wendy has never forgiven what she did back then, and the reason why she doesn't care about her is that she doesn't want to think about not taking revenge on her, it is mainly because she is old.

Mrs. Willson is not a fool. She knows that in a family, whoever has the money has the right to speak for the whole family.

She is old and has no assets, and even supporting herself has become a problem. In this case, it is impossible for her to continue to run the Willson family.

And if she wanted to live without worrying about food and clothing, she naturally couldn't anger Wendy.

So, she could only honestly say, "Wendy... Don't worry, grandma is no longer the grandma she used to be... From now on, I will never do things that are good or bad again. From now on, everything in this family will be up to you.."

Wendy saw that the old lady's attitude was sincere, and the anger on her face dissipated a lot. She nodded and said, "Grandma, I'm going to send father and brother to the hospital first. Asking you to take care of them. It's unrealistic, you should rest at home for the next few days, and I will ask the nurses to take care of them at the hospital, and after mom comes out, I will ask mom to go to the hospital to help."

Mrs. Willson also knows that in her own situation, let alone going to the hospital to take care of her son and grandson, even if it is about cooking for them, she is a little powerless, so as long as she doesn't make any trouble, she is making a contribution to the family.

So she nodded without thinking and said, "Don't worry, Wendy, there is still a lot of firewood, rice, oil, and salt at home. Ymom also bought a lot of chicken, fish, meat, and eggs earlier, which is enough for my temporary living needs."

Harold thought of something and quickly said, "Wendy, you have to drive away mom's Mercedes-Benz! That car is still parked in front of Charlie and Claire's house!"

Wendy said blankly, "I want to drive you! I won't go there now."

Harold was in a hurry, and hurriedly said, "You drive that car to our house first, and when I recover later, I will naturally drive that car..."

Wendy turned her head and looked contemptuously at him, she said in a cold voice, "You may not have watched the news. The short video platform where Mom live broadcasted the goods has already issued a statement, asking Mom to return all the live broadcast income, and is ready to start legal proceedings."

"In other words, every penny from Mom's live broadcast must be returned. Including the Mercedes-Benz big g, the car is already second-hand, and there will definitely be a gap between the discounted amount and the purchase amount, and the money she wasted on time and the money she spent on ordering Rolls-Royce Cullinan will all be big holes that she will fill in in the future, and if she can't make up for these holes, she will probably become a douchebag in the future."

"Ah?! "Harold suddenly said in horror, "Mom has worked so hard for so long, can't even keep the car?!"

Noah and Harold were sent to the hospital, and Horiyah's dream of getting rich was officially broken.

...

The next day, August 5th.

Nanako, her father, and her aunt took the private jet of the Ito family and flew to Aurous Hill in the morning.

Arriving at Aurous Hill at random, there are maids carefully selected by Nanako from home, as well as a large number of high-end flowers purchased from all over Japan.

In the field of agriculture, the Americans are good at genetic modification, while the Japanese are good at breeding, and Japan is more proficient in high-end categories. Many high-end fruits that can be named are all cultivated in Japan, from the Fuji apples in the early years to the current sunny apples. Wang grapes, red-faced strawberries, and spring tangerines, the island country really has a set in this regard.

And the flowers Nanako brought are also the top varieties carefully cultivated in the local area, which are not only plump and beautiful but also very fresh.

Since Koichi Tanaka arrived in Aurous Hill a few days ahead of Ito's family, a team was specially arranged to pick him up today.

When the Ito family left the airport by car, the flowers that arrived at random were also transported away by multiple refrigerated trucks prepared in advance.

Although Charlie was the only thing in her heart, Nanako chose the Shangri-La Hotel as her first stop.

However, Ito Yuhiko did not go to Shangri-La but was taken by Hiroshi Tanaka to Tomson. Before the wedding, Ito Yuhiko did not plan to go to Shangri-La, because he is also a well-known figure in Japan after, and he is worried that his secret to rejuvenating his legs will be exposed to too many people.

When Nanako's convoy arrived at Shangri-La, Issac got the news.

Knowing that she was coming, he immediately called Charlie and reported the news to him.

When Charlie heard that Nanako was coming, the first reaction in his heart was naturally a very pleasant surprise. Just as Claire went to the company, his mother-in-law forced his father-in-law to drive and take her out to get some fresh air. He was the only one at home, so he simply drove to the Shangri-La Hotel.

And Ruoli has been preparing for her parents' wedding in the sky garden of Shangri-La since yesterday. She knows that her mother has not been easy these years, so she wants to do her best to create an unforgettable event for the wedding.

Because the sky garden of Shangri-La is usually not open to the public, this time it was especially used for the wedding of Zynn and Roma, so Ruoli also had enough time to make on-site preparations in the early stage, unlike many popular hotel banquet halls, which are only allowed the night before the wedding. Start to arrange, the time is particularly hasty.

At this time, she was discussing the plan of the set with the project leader of the wedding company, when she suddenly saw Nanako walking in with a group of maids, she went forward in surprise and said, "Miss Ito, came here so early? I thought you would arrive tomorrow or the day after tomorrow."

Nanako smiled and said, "On the eighth is the wedding of uncle and aunt, how can I come too late."

"I brought a lot of flowers, and the staff will bring them up one after another later, and I will show you how to match them on the spot, and see which feeling you prefer."

Ruoli asked subconsciously, "If you arrange the flowers now, I'm afraid it won't last three days. Oh, my god?"

Nanako said with a smile, "The flowers I brought this time are specially used to discuss the plan with you. I have already arranged the flowers for the wedding. I will carefully select and prune the branches on the morning of the 7th."

"They will be transported to Aurous Hill by air, and I have already told the supplier that the flowers cut in the morning of the 7th should not be fully bloomed so that all arrangements will be made on the evening of the 7th, and the flowers will be given enough water. It only takes one night, and the flowers can be guaranteed to be in the best state for the wedding on the 8th!"

Ruoli said with a look of surprise, "This... prepare two batches of flowers in this way, and they are all airlifted the cost will be too high?"

Nanako patted her hand and smiled slightly, "This cost is not worth mentioning to the Ito family, so don't worry too much about it. Our goal is to let uncles and aunts hold a perfect wedding, a few flowers are nothing."

Ruoli was moved in her heart, and said very reverently, "Miss Ito, thank you so much..."

Nanako shook her head and said with a smile, "After what happened to my parents, We are friends now, why are you being so polite to me?"

Ruoli nodded lightly, she understood the meaning of Nanako's words, her mother and Nanako's father were disabled people with amputations until they got Charlie's pill in the United States at the same time, and it was that experience that made the two of them quickly get acquainted.

So, Ruoli asked Nanako, "Excuse me, is Mr. Ito here?"

"He went to the residence to rest, and he asked me to convey that he will definitely come to congratulate on the wedding day."

After that, she asked Ruoli again, "Is Aunt He here?"

"For the wedding dress, Ms. Song arranged for a designer to come here to tailor it for her, and Mr. Chen arranged for a presidential suite to facilitate preparations for the wedding in the next few days." Nanako nodded and smiled, "That's fine, let Aunt He take care of herself, The wedding scene will be arranged by us juniors."

Ruoli nodded slightly, and then asked Nanako, "By the way, Ms. Ito, did you tell Mr. Wade in advance when you came here today?"

"No." Nanako slightly said shyly, "He must be busy, so I didn't tell him in advance."

Ruoli smiled and said, "Even if you don't tell him, Mr. Chen will tell him as soon as possible. Mr. Wade values you so much, maybe he is on the way here now."

Nanako said with a blushing face, "I don't know... I think Mr. Charlie also attaches great importance to you..."

Ruoli said in a rare and shy way, "I... The situation is different from yours...I am Mr. Wade's subordinate, and you are Mr. Wade's confidante..."

Nanako looked at her and asked curiously, "Is it really just a subordinate?"

Ruoli For a while, said unnaturally, "It's really just a subordinate...Mr. Wade has saved me many times and helped me so much. Naturally, I will always follow him to repay his kindness to me. So naturally, I am his subordinate..."

Nanako nodded slightly, and said with a smile, "Actually, I envy you more, as his subordinate, at least you can see him often, unlike me, it is not easy to see him."

Ruoli was slightly taken aback when she heard this.

Originally, she was very envious of Nanako. After all, anyone with a discerning eye could see that although Charlie also had many confidantes, he had a special preference for her.

But if you think about it carefully, what Nanako said is not unreasonable.

She usually lives in Japan, and it is really not easy to meet Charlie. Unlike herself, she is in Aurous Hill, so there are naturally many opportunities to meet him.

Just when she was sighing in her heart, there was a sound of high heels, and Zhiyu, who was wearing a professional suit and looking very capable, walked in quickly.

Seeing her coming, Ruoli quickly said to Nanako, "Miss Ito, my sister is here, you should know her too, right?"

Nanako smiled and nodded, "I know, after all, we are both are shareholders of ISU."

Zhiyu had already walked quickly in front of Ruoli at this time, and Ruoli said happily, "Sister, why are you here?"

Zhiyu said with a smile, "Dad is getting married. As his daughter, I must come here."

Then, she looked at Nanako, smiled, and said, "Miss Ito is here, long time no see."

Nanako nodded, and said with a smile, "Long time no see, Miss Su."

Zhiyu Looked around, she asked Ruoli, "Ruoli, isn't dad here?"

Ruoli said with some embarrassment, "Well... Dad is in the presidential suite... to accompany mom... to try on the wedding dress."

Zhiyu nodded slightly, she asked again, "Is Mr. Wade there?"

She said in a low-key manner, "I asked Mr. Wade to give brother a chance to come back to attend the wedding..."

"Brother is still on his way to kowtow. Dad is getting married. As the eldest son, he should be there, but I don't know Wade. Do you agree, sir..."

As soon as the words fell, she heard a familiar voice that often sounded repeatedly in her dreams,

"Since Ms. Su wants Zhifei to come to the wedding, then I will arrange for someone to pick him up!"

Hearing this voice, the three women followed the voice and saw that Charlie had already stepped into the sky garden.

The expressions of the three women were unconsciously excited at this moment.

But because they knew that Charlie was talking about Zhiyu's brother, Ruoli and Nanako just smiled at Charlie and didn't speak.

Zhiyu was overjoyed, and quickly confirmed with Charlie, "Mr. Wade, you mean, can you bring my brother back?"

"Yes."

Charlie nodded, and said calmly, "But it can only be for the wedding, the wedding ends, and he will continue his unfinished punishment."

Zhiyu asked subconsciously, "Then... Mr. Wade, if brother comes back to attend the wedding, after the wedding,"

"He will still return to the place where he was picked up before, or start everything from the beginning?"

Charlie smiled and said, "Of course, he will go back to where he came from, how could I let him start from the beginning."

Zhiyu immediately breathed a sigh of relief, and said gratefully, "Thank you, Mr. Wade, for your generosity. Then I will arrange for someone to pick him up..."

Charlie waved his hand, "I'll let Issac pick him up, your brother's movements, Issac's subordinates have been watching, and they can pick him up at any time,"

"Besides, he's been away for so long, lives and sleeps all day long, and has no contact information on him, so it will be difficult for you to find him in a while."

"Okay..." Zhiyu nodded, and said respectfully, "Then I will trouble Mr. Wade."

Charlie said, "I'll make arrangements now, and if it's quick, he will be able to arrive in Aurous Hill tonight."

Zhiyu mustered up her courage and asked, "That... Mr. Wade... can I ask you one more thing..."

Charlie nodded and said, "Say it to me."

Zhiyu pursed her lips, and said quietly, "You know, mom has been living in Aurous Hill since the divorce, and she missed her brother very much during this time, so I think brother will come back this time, You can let him meet mom too."

Chapter 5334

Charlie readily agreed and said, "No problem, I will ask Issac to bring him back before tonight. From today until August 10th, he can move freely within the jurisdiction of Aurous Hill City. At eight o'clock in the morning, let him come to Shangri-La on time and report to Issac."

Zhiyu didn't expect that although her father and Roma's wedding date was on the eighth, Charlie gave an extra two days, and she felt complacent and very grateful, so she said without thinking,

"Okay, Mr. Wade, I will stay in Aurous Hill and keep an eye on him, and make sure that he will report to Shangri-La on time at eight o'clock in the morning on August 10!"

At this time, Issac learned that Charlie had come to the hotel, So when he heard the news, Charlie called him to the front and asked, "Old Chen, where is Zhifei?"

Issac was slightly taken aback, then glanced at Zhiyu, and said awkwardly "Master Su has gone for about a third of his time, and he has already arrived in Sanqin Province."

Charlie nodded and said, "You can arrange for someone to bring Master Su back. Remember, mark the location where you picked him up, and send him back to the original place on August 10th."

"Okay." Issac said without thinking, "I'll arrange for the local men to pick him up by helicopter. We have a plane at Chang'an Airport, and when Master Su arrives, the plane can take off and bring him back directly."

"Okay." Charlie instructed, "You make arrangements as soon as possible."

...

Soon, a helicopter came from the outskirts of Chang'an, the capital of Qin Province, took off and flew quickly all the way to the southeast.

The straight-line distance between here and Zhifei's location is only more than 40 kilometers, and the helicopter can reach him in only ten minutes at full power.

At this moment, Zhifei, who was walking on the land of Sanqin, continued his pilgrimage even though he had a scruffy beard and was covered in tatters.

Although his body was tattered, he wore thick protective gear on his hands and knees. For every three steps he took, he had to kneel on the ground, and then he kowtowed to the ground before getting up. After getting up, he took another three steps and continued to kneel down to continue the cycle.

When he first started on the road, Zhifei's body couldn't bear such high-intensity exercise at all, and his body was tortured. He had already reached his limit by walking three to four kilometers a day, which was much slower than the speed of ten kilometers a day for normal believers.

However, with the passage of time and the longer and longer distances, he gradually adapted to this rhythm, and gradually increased from three to four kilometers a day to the current seven or eight kilometers.

In more than five months, he has traveled more than a thousand kilometers.

Originally, he felt that he was a standard outlier when he kowtowed three times on the road during the day and slept in the open at night.

But as he walked farther and farther, he gradually discovered on the road that there were many people who, like himself, kowtowed their long heads and made pilgrimages to the southwest.

The difference between them is that these people are all people of faith, and Zhifei is an atheist himself.

Others do this for their faith, but he has to do this because Charlie ordered him to do it.

However, as the distance traveled got farther and farther, Zhifei's mentality became more and more relaxed.

In the process of progress, he almost replayed his life of more than 20 years several times.

During the review process, Zhifei also became more and more aware of his many mistakes and shortcomings in the past.

Over time, he felt that he was a guilty person.

Relying on the title of the young master of the Su family to be arrogant, domineering, and incompetent, is the first crime;

Being rescued by Charlie without gratitude is the second crime;

His father was taken away by his grandfather, his mother, and his sister were almost murdered by his grandfather, and their life and death were unknown. At that time, for the sake of his future, he went to the culprit to compromise. This is the third deadly sin.

Over time, although Zhifei didn't have any religious beliefs, he was surprised to find that the punishment that Charlie gave him, which was similar to corporal punishment, could calm his heart down.

After the mind calmed down, the daily fatigue of the body was no longer a kind of torture to him.

He is like a person who has never exercised but became addicted to fitness because of his insistence on exercising. He gradually began to immerse himself in it, unable to extricate himself. As long as it is not a strong wind and rain, he will never stop moving.

Moreover, after he reflected on his mistakes and sins over the years, the hatred for Charlie gradually disappeared in his heart, and he finally understood Charlie's intention of making him make a pilgrimage all the way.

In the past, he was dazzled by interests and material desires, and his family and humanity were greatly affected by this. After such training, his material desires have already been reduced to the extreme. Luxury houses, luxury cars, yachts, and airplanes are all things to him. It's all a passing day, and now he only needs to fill his stomach every day, and he has already lived a very fulfilling life.

With the reduction of material desires, his humanity gradually recovered. He began to miss his relatives and sympathize with the poor people along the way. When he saw the poor areas, he silently remembered them in his heart, hoping that when he had the ability in the future, he would do what he can do for them.

In Zhifei's mental journey, he not only overcame the difficulties and obstacles on the road but more importantly, he was purified and sublimated on his own spiritual level.

Just as he continued to kowtow three steps at a time, there was a whistling sound of a helicopter in the sky, and a helicopter quickly flew in front of him from far and near, and then landed slowly in front of him.

After kowtowing, Zhifei stood up from the ground, looked at the helicopter, and wondered why the helicopter blocked his way.

At this moment, the hatch of the helicopter opened, and a middle-aged man jumped out of the plane, stepped in front of Zhifei, and said, "Master Su, please come with us to meet our Young Master."

"Your young master?!"

Zhifei asked in amazement, "Who is your young master?"

The middle-aged man said respectfully, "My young master is Aurous Hill, Charlie Wade!"

"Charlie Wade?!" When Zhifei learned that the middle-aged man in front of him was actually sent by Charlie, he was horrified in his heart!

He looked at the man and asked in surprise, "You say that Mr. Wade invited me back?"

"Yes." The middle-aged man nodded and said seriously, "The plane is already waiting to take off at the airport. You send me back to Aurous Hill."

Zhifei widened his eyes and said, "Hi, I want to know, I haven't reached the finish line yet, why did Mr. Wade let me go back now?"

The middle-aged man didn't hide anything, and said directly, "Young Master Su, your father, Mr. Zynn, is getting married soon, and the wedding will be held in Aurous Hill. What Mr. Wade means is, let me pick you up to attend the wedding, and come back to continue the pilgrimage after the wedding is over."

"Father is getting married?" Zhifei was dumbfounded for a while, but he quickly recovered and asked,

"Is my father going to marry Aunt He?" The middle-aged man shook his head and said apologetically,

"I'm sorry, Young Master Su, I don't know the specific situation, I'm the person in charge of the Wade family in Shanxi and Shanxi provinces, and I don't know much about the situation in Aurous Hill."

After that, he said again, "Master Su, young master hopes that you will arrive as soon as possible, He said that your sister is waiting for you in Aurous Hill, and your father and mother are also in Aurous Hill, get back earlier, and you can have more time to reunite with them."

Zhifei recovered, nodded quickly, and said "Okay! Thank you for your hard work!"

After finishing speaking, he looked at the surroundings and asked the middle-aged man, "Can you please record exactly where I am now?"

The middle-aged man said, "Don't worry, Young Master Su. I have recorded the GPS coordinates, and I will be responsible for sending you over when the time comes."

Only then did Zhifei felt relieved and was about to get on the plane. Seeing his dirty body, he said a little embarrassedly, "I might dirty the interior of your helicopter..." The middle-aged man smiled and said,

"It's okay, you don't need to worry about it, let's hurry up and set off!"

"Okay." Zhifei nodded and stepped onto the helicopter.

When the helicopter took off, Zhifei kept looking at the place where he got on the plane just now. He wanted to remember the geography and landforms here so that he could make sure that he would not mistake the place when he comes back.

And when the helicopter rose higher and higher, he looked at the continuous, majestic, and mighty Qinling Mountains in front of him, and he couldn't help feeling yearning and reverence in his heart.

What he didn't know was that from the time the helicopter hadn't landed just now, until he got on the helicopter after the conversation with the middle-aged man, the whole process was captured by the camera accurately.

The video at this time has already been sent to Issac's mobile phone.

Charlie was currently in the hanging garden, quietly watching Nanako carefully arrange a bouquet with the flowers she brought with her.

Nanako used her long and slender fingers to carefully match different flowers together. This bouquet already has a wonderful sense of beauty. This kind of beauty, to Charlie, Ruoli, and Zhiyu, All unprecedented.

And with every flower Nanako adds, this bouquet will give people a refreshing feeling as if every decision she makes is the finishing touch, which makes people constantly surprised.

Sisters Zhiyu and Ruoli have been completely impressed by her superb flower arrangement skills and her unique aesthetics, and Charlie is also shocked. Unexpectedly, Nanako has such talent.

At this time, the phone suddenly vibrated, and he opened it to find that it was a video sent by Issac. This was also the video he had specially told Issac to arrange for someone to take it quietly, in order to see Zhifei's real state now.

After seeing Zhifei's performance, Charlie's impression of him has also changed a lot.

The reason why he was asked to kowtow was not simply to punish him, but also to give him a chance to reflect on himself.

There are countless ways to punish him. In fact, the best way is to put him in a kennel like Kobayashi Jiro and let him be with dogs all day long.

However, in Charlie's view, Zhifei is Zhiyu's elder brother after all, and also Aunt Du's own son. If he can go back to the right path, it will be a big deal for Zhiyu and the entire Su family.

Charlie originally thought that he would at least have to wait until this experience was over before he could change from the bottom of his heart, but judging from Zhifei's current performance, it basically exceeded Charlie's expectations for him.

Putting down the phone, Nanako's first bouquet of flowers had already been inserted.

Ruoli and Zhiyu have been obsessed with watching it, and Zhiyu can't help but sigh, "I never thought that a bunch of flowers can be so beautiful, no matter from which angle you look at it, it is perfect..."

Ruoli on the side is also Eyes flushed with excitement.

She was still thinking about how to make her parents' wedding different from other people's weddings.

However, when she started preparing for this matter, she realized that in fact, so many rich people all over the country had already ruined her wedding ideas.

No matter what kind of plan it is, she thought it would be amazing at first, but if you really ask knowledgeable people, they will immediately come up with a lot of similar cases.

Although the hardware of the sky garden is very good, Aurous Hill is only a second-tier city after all, and such high-end banquet halls cannot be counted with two hands in a first-tier city.

What's more, they don't intend to be extravagant and wasteful, so it is even more difficult to make any truly innovative elements.

However, when she saw Nanako's flower arrangement skills, she immediately realized that this is the most precious and rare innovation.

If such stunning flower arrangements fill the venue on the wedding day, they will definitely amaze everyone.

After Nanako finished the bouquet, she looked at Ruoli at the side and asked her, “Miss Su, are you satisfied with this match?”

“Satisfied, very satisfied!” Ruoli said excitedly, “Ito Miss, I have never seen such a good flower arranger as you...”

“These flowers are no longer as simple as flowers in your hands, but more like works of art!” Nanako said with a smile, “artworks are not so much, It’s just some color, pattern, and space matching.”

“Before I came, I probably thought of seven or eight matching plans for uncle’s and aunt’s wedding. After I make them all, you can choose according to the site layout.”

“In addition, I’d better take a look at the style of the wedding dress that Auntie has already determined.”

“I can design the bouquets on both sides of the wedding walkway according to her wedding dress.”

Ruoli said quickly, “The style of the wedding dress has been determined, I’ll take you to have a look when it is ready!”

“Okay.” Nanako nodded, then looked at Charlie, and asked him with a smile, “Mr. Charlie, father is also here this time.”

“If it’s convenient for you at noon, wait until I finish my work here.”

Come with me to find father and have a cup of tea, what do you think?” Charlie asked with a smile, “Where is Mr. Ito? Why didn’t he come here?”

Charlie asked again, “Are you staying in a hotel?”

“No.” Nanako blinked and said with a smile, “I asked Tanaka-san to buy a house in Aurous Hill in advance, oh yes, it’s in Tomsons’!”

Chapter 5335

Regarding buying a house in Tomson,

Nanako never planned to hide it from Charlie from the very beginning.

Her only thought was to come to Aurous Hill early to give Charlie a small surprise.

As for the matter of buying a house, she hoped to tell him frankly.

Charlie really didn’t expect Nanako to buy a house in Tomson, so he asked her curiously:

“When did it happen? Which household did you buy?”

Nanako said with a smile: “I bought an apartment on the second last floor of a building.”

As she said that, Nanako said again: “Actually, I wanted to buy a more classical villa,”

“But Tanaka-san has been here for a few days and has not found a suitable house,”

“So yesterday he just bought a high-rise temporarily.”

Charlie nodded lightly, and said with a smile:

“We will be neighbors from now on, and you are welcome to settle in Aurous Hill.”

For Nanako, although Charlie had always been very fond of her.

He has a good impression, and there is nothing wrong with it.

In his heart, he has always regarded her as a confidante,

Whose personality and conversation are the most suitable for his temper?

And since Nanako bought a house in Tomson,

It means that she will definitely come to Aurous Hill often in the future,

Which is naturally a happy thing for him.

Nanako said a little shyly: “I may not come to China too often for the time being,”

“And the family still has some things to deal with, but if the time is right in the future,”

“I can also consider gradually moving the company to China.”

Charlie nodded, and said seriously: “If you really have such an idea,”

“It’s okay. In the future, whether it is the Wade family or my own business,”

“There will be many places where I can cooperate with the Ito family.”

For Nanako, Charlie naturally has some preferences.

This is why he also hopes that she can live in Aurous Hill forever.

Moreover, Nanako has always had no reservations about Charlie,

And Charlie integrated the shipping resources of the Su family to establish ISU Shipping.

Nanako not only took out all the shipping resources of the Ito family,

But even he took without hesitation the shares in this company for generations,

And Charlie also hopes to find a suitable opportunity to repay the Ito family in the business.

Nanako was worried that coming to Aurous Hill by herself would bring inconvenience to Charlie,

But unexpectedly, Charlie not only hoped that she would live in Aurous Hill for a long time,

But also hoped that she would transfer the enterprise center here,

Which made her very happy,

The plan to shift the focus of the enterprise to Aurous Hill can finally be officially put on the agenda.

So, she couldn't hide the joy in her heart and said:

"If Mr. Wade welcomes me, I will make good preparations when I go back this time."

Charlie smiled and said, "Of course I welcome you."

Nanako smiled sweetly, nodded, and said: "Then I Just make a good plan with Odosan,"

"It's just that the huge industry and team, I want to transfer them to Aurous Hill step by step,"

"I'm afraid it will take at least one or two years to complete,"

"The first task is to choose a site in Aurous Hill."

Charlie said indifferently: "This is simple. The Emgrand Group has many properties in Aurous Hill."

"When I held the pill auction, I also asked the Song Group to develop a lot of commercial real estate."

"At that time, the Ito family can choose from these properties."

"If you don't even like it, you can use it temporarily,"

"And at the same time cooperate with Aurous Hill officials to buy a piece of land and build your own slowly."

Nanako knows that Charlie has made a lot of money through the Rejuvenation Pill auction,

And a large part of it is used in Aurous Hill for investment and development,

She subconsciously asked: "Mr. Wade, will the Rejuvenation Pill auction be held next year?"

"If Rejuvenation Pill continues to operate, Aurous Hill will definitely attract a large number of top foreign-funded enterprises to settle in."

"Maybe it will at that time create a new financial center!"

Charlie sighed, shook his head, and said,

"Next year's Rejuvenation Pill Auction is not going to be held for the time being."

Then he said: "Actually, I still have a serious problem."

"It hasn't been resolved yet if we hold the Pill Auction again,"

"I'm afraid it will burn us if we continue,"

"We will have to wait to resolve this confidant's trouble."

Before going to the United States this year,

When the Rejuvenation Pill auction was held, Charlie didn't know the existence of the Warriors Den.

Fortunately, this year's Rejuvenation Pill Auction was held for the first time,

And most of the people who got the news were those traditionally rich people,

Who were helped by the old Nordic queen to fool them, but the real top rich did not appear.

His uncle came to the auction at that time,

It's just his personal behavior, not the decision to settle down.

Chapter 5336

But now, Charlie has already touched a little on the context of the Warriors Den,

Knowing that this organization is very powerful, and, in the United States and Northern Europe,

He has successively killed and captured many dead soldiers and knight guards,

So the current Warriors Den must be very vigilant.

If he holds the Auction again at this time,

Then he will not be able to keep a low profile if he wants to.

Therefore, what he planned in his mind was to let go of next year's auction first,

And restart the auction when he solved the Warriors Den,

Or when the Warriors Den is no longer a mortal enemy for him.

Although Nanako knew nothing about the Warriors Den,

She could also hear the caution in Charlie's words, so she said without thinking:

"Since there are still risks, it's better not to do it for the time being."

As she said that, Nanako thought of something, and said,

"However, since Mr. Wade is worried about being exposed,"

"I have an idea, I don't know if it is feasible..."

Charlie asked curiously: "What idea? Let's hear it."

Nanako said: "I think we can change the Rejuvenation Pill Auction to a new way of playing,"

"Such as temporarily not promoting it to the outside world, and not using the method of open registration."

"Instead, one or two months before the opening, the organizer will Come out and send invitations to those who participated in the Rejuvenation Pill auction this year in private,"

"Inviting these people to come to the auction in the new year."

"These people have witnessed the magic of the Rejuvenation Pill last year."

"What it can do is no longer a secrete to them,"

"So if you invite them over this year, there's no such thing as a leak."

Charlie thought for a moment, then said with a smile:

“Nanako, your method is very good! Although these people have already participated in the Rejuvenation Pill Auction,”

“But the vast majority of people returned empty-handed,”

“And they must be looking forward to the next auction.”

“At that time, if they come to participate again, they will definitely not refuse.”

Nanako nodded and said: “Also, these people all know the truth of getting rich silently,”

“And know that the greater the competition, the smaller their hopes,”

“So they will definitely not spread the news of Rejuvenation Pill everywhere,”

“And the auction will definitely be held smoothly.”

“Since everyone has the invitation system is controlled. If Mr. Wade has a big client that he particularly wants to invite,”

“He only needs to do a background check on him quietly to confirm that he has nothing to do with your confidant’s serious trouble,”

“And then you can send him an invitation letter to invite him to the scene, which can also avoid leaking of the news.”

“Good idea.” Charlie couldn’t help but praise, and couldn’t help but think of his uncle Marshall.

If he follows Nanako’s method, although he knows that his uncle is using a fake identity,

But next year the second Rejuvenation Pill Auction will be held,

And he will send an invitation letter to his uncle according to the rules.

It will appear at the rejuvenation pill auction site.

After all, he has already set the rules for the Rejuvenation Pill, all successful bidders must take the pill on the spot.

In this way, even if the uncle is invited to participate, he can only bid for himself.

Given how filial the An family is to the old man, he will probably give up this opportunity at that time.

Thinking of this, Charlie couldn’t help but wonder to himself,

“Should we open a back door to Grandpa and send an invitation letter to let him come to the auction?”

“In that case, he must have the strength to bid for the finale of the whole Rejuvenation Pill,”

“And his physical condition will also be greatly improved.”

However, in this way, he would have to earn at least 100 to 200 billion US dollars from his grandfather,

And Charlie felt that even if he held this money, it would be a bit hot.
So he simply stopped thinking about it, and decided to wait until next year,
When he really decided to launch the Rejuvenation Pill Auction, before thinking about this issue.
The sisters Zhiyu and Ruoli have been listening silently by the side.
At this time, Zhiyu has jealousy in her heart. She can see that Charlie has a preference for Nanako,
But she didn't expect that Nanako can also advise Charlie,
Seeing that the two of them felt like a natural match, she was very envious.
Ruoli on the side was slightly jealous, but her overall mentality was much better than that of Zhiyu.
In Zhiyu's heart, Charlie was a benefactor and even a sweetheart, while in Ruoli's heart,
Charlie in addition to being a benefactor and a sweetheart, he is also her master.
The reason why it is called "Master" is mainly because Ruoli has long decided to be loyal to Charlie,
So Charlie is like an ancient emperor to her, the object of her loyalty.
And precisely because of this level of cognition,
She didn't expect any development between herself and Charlie.
As the saying goes, without hope, there is no disappointment.
In this regard, she is much more open-minded than Zhiyu.
At noon.
Nanako put aside the flower arrangement for the time being, and while everyone was about to take a lunch break,
She said to Charlie: "Mr. Wade, Odo-san is already waiting for your visit at Tomson. Shall we go now?"
"Okay Ah." Charlie readily agreed, and said, "Let's take my car."
"Okay!" Nanako nodded, and told the maid she brought to rest in the hotel room first,
While she took off the apron she wore when arranging flowers,
And prepared to go to her new home with Charlie to meet her father.
At this time, Issac came over and said to Charlie: "Master, Master Su will land in Aurous Hill in about forty minutes."
Zhiyu, who hadn't spoken much, heard this and asked quickly: "Mr. Chen, my brother is coming soon."
"Yes." Issac nodded and said, "Landing in forty minutes."
Zhiyu looked at Charlie and asked expectantly, "Mr. Wade, can I pick him up at the airport?"

"Of course." Charlie readily agreed, and said: "You go to the airport now,"

"And after picking him up, go and see Aunt first. After noon, I will visit her house."

Chapter 5337

When Zhiyu heard Charlie say that he was going to visit home, a burst of joy finally surged in her heart, and she nodded gratefully and said, "Okay, Mr. Wade, then I will pick up brother first, and then wait for you at mom's house."

"Okay." Charlie nodded slightly and said to Issac: "Old Chen, make arrangements. After Young Master Su gets off the plane, bring him to meet Miss Su." Issac said without hesitation: "Don't worry, young master, I will arrange it right away."

Chen nodded, and then said to Zhiyu: "Miss Su, let's go to the airport first, let's see you in the afternoon."

"See Mr. Wade in the afternoon!"

After Zhiyu said goodbye to Charlie, she drove to the airport impatiently.

Although Zhifei chose to fall for his grandfather after his family was in danger, Zhiyu didn't blame him in her heart.

She is actually very aware of her brother's character. He is not a bad person, but he has been pampered and raised for too many years, so he really lacks a bit of responsibility.

In addition, grandpa had always been very strong before he gave up the position of head of the family.

If her brother did not show his loyalty to him, then he would definitely kick him out of the house and completely deprive him of his qualifications and opportunities to inherit the Su family in the future.

This was naturally unacceptable to the pampered Zhifei.

Although Zhiyu is young, she knows the truth that the country is easy to change but nature is hard to change. She can understand her brother's choice under such circumstances.

And her brother walked thousands of miles on his knees this time, no need to look at it to know that he must have experienced a lot of suffering, so she naturally feels distressed as a younger sister.

Today, Charlie extrajudicially allowed her brother to come back, and she couldn't wait to see him sooner.

When Zhiyu drove to the airport, Zhifei's plane had already landed.

Although Zhifei's clothes were already ragged and out of shape, because the incident happened suddenly when he was picked up today, and the Wade family didn't prepare decent clothes for him, so it was the only way to bring him back for now.

Moreover. Because of Issac's coordination, the Wade family's staff sent Zhifei out of the airport directly to meet Zhiyu.

At this time, Zhiyu parked the car on the side of the road and waited anxiously in the car.

When she saw several staff members walking out of the airport surrounded by a beggar-like man, she recognized him at a glance.

She didn't care about being sad for her brother's appalling image, so she hurriedly opened the car door to meet him, and shouted in a choked voice, "Brother!"

Zhifei followed the prestige and saw that it was Zhiyu, tears welled up in his eyes instantly.

At this time, Zhiyu had already rushed in front of him, ignoring his dirty appearance, hugged him, and cried, "Brother! You are finally back..."

Zhifei couldn't help it either. After crying, he said in a flustered and inferior manner, "Zhiyu, your brother is too dirty..."

"It's okay..." Zhiyu shook her head, and said in tears, "Brother, you have suffered for the past six months..."

Zhifei sighed, and said with a pious face: "I didn't suffer much, but whenever I think of you and mom, I feel very guilty in my heart, and I have never been able to forgive myself..."

Zhiyu quickly relieved him and said: "Those things are in the past, brother, don't mention it again, mom and I understand you very well, and mom is not angry with you, nor am I angry with you."

Then, she hurriedly wiped her face. Wiping away tears, she said, "Brother, mom is waiting for you at home, let's go back quickly!"

Zhifei said with a little embarrassment: "Zhiyu...I don't look very good in my current state...Why don't I find a place to take a bath first and then change my clothes..." "No need."

Zhiyu shook her head, she said, "Mom has already prepared a full set of clothes for you, including a razor, so hurry up and come back with me..."

Zhifei asked in surprise, "Mom knows that Mr. Wade would you let me come back? Could it be that Mom asked Mr. Wade?"

"No." Zhiyu shook her head and explained, "I told Mom yesterday that I wanted to ask Mr. Wade today. To check if he was willing to let you come back temporarily to attend Dad's wedding?"

"Mom said that as long as I ask, Mr. Wade will definitely agree, so I bought all these things for you in advance yesterday afternoon."

Zhifei was slightly taken aback, then clicked nodded, and sighed: "It seems that Mom guessed that Mr. Wade will be lenient to me..."

Zhiyu nodded, and hurriedly urged: "Brother, let's get in the car and talk, don't make Mom wait too anxiously."

With that said, Zhiyu thanked the Wade family subordinates who were traveling with him and brought her brother to his car.

Looking at Zhiyu's clean and tidy Volvo car, Zhifei said somewhat cautiously: "Zhiyu, brother is dirty and smelly, it will definitely stain your car..." Zhiyu pulled

away The car door pushed him in, and said seriously: "Brother, we are brothers and sisters, and no car is more important than you."

After that, she hurried back to the driver's seat and drove away from the airport.

On the way, Zhiyu asked him: "Brother, how was your journey? Are you tired?"

"Not tired." Zhifei shook his head, and said seriously: "I felt very tired at the beginning, and I wish I could not do it every day."

"It looked like I was going to die of exhaustion, but I quickly got used to it. To be honest, I was not used to the sudden interruption. The journey on the plane just now was quite torturous."

Zhiyu couldn't help being a little surprised, Unexpectedly, her elder brother, who has always been pampered, can adapt to such a difficult pilgrimage.

Zhifei went on to say: "I was not able to persist in doing anything in the past. Sometimes I felt that smoking really made my respiratory tract very uncomfortable."

"I wanted to quit smoking but it was difficult to persist for a whole morning; sometimes my mind was hot and I wanted to go to the gym, but I didn't persist."

"I retreated in two days; sometimes I want to calm down and learn something that was useful to me, but there was nothing I could really stick to after so many years..."

At this point, Zhifei sighed and sighed with emotion: "This pilgrimage made me understand a truth. In fact, it is not so difficult to persevere. The difficulty is only in the first few days. As long as you persist in the first few days, it will not be so difficult later."

"Every day Kneeling and prostrating while walking may sound unacceptable, but after the first few days,"

"I gradually got used to it, and I quit smoking. Everything has improved a lot, and I feel that I have never been so natural and thorough in my whole life,"

"So I have always been very grateful to Mr. Wade, to say something that sounds hypocritical, but it comes from the heart, he reshaped my soul."

Chapter 5338

Zhiyu was dumbfounded.

She never dreamed that her lazy and playful brother, after six months of tempering, would undergo a radical change.

The ignorant, arrogant, and domineering young man has quickly faded away, replaced by a humble and resolute man.

This made her heart, which was still a little sad, suddenly feel a little more relieved and joyful!

Aurous Hill Old Town.

The house where Charlie lived with his parents when he was young is now completely new.

Liona, put a lot of effort into renovating and rebuilding this old house bit by bit. Although everything looks the same as it did back then, it seems that the time has been pulled back 20 years ago. like that.

During her period of living here, she lived very relaxedly every day. She read books, drank tea, practiced calligraphy in this old house every day, and patiently took care of the flowers and trees in the yard in her free time. This way, she had a great time.

During this period of time, Zhifei has been on the pilgrimage, and Zhiyu often travels around for work, and rarely has time to come back to accompany her, but for Liona, such a solitary life makes her extremely satisfied.

Although she was also worried about Zhifei, she also knew that this was Charlie's punishment for him. Charlie would not spare him lightly, but he would definitely protect his safety.

This is not a judgment based on her understanding of Charlie but based on her understanding of Charlie's father, Changying.

Changying was such a person. Although he had thunderous means, he would definitely use both kindness and power. He would not leave room for real enemies, and would definitely spare him a chance for enemies who were not guilty of death.

It is a long way for her son to go to the Jokhang Temple, and it is inevitable that he will encounter dangers if he eats and sleeps in the open. But it is precisely because of her understanding of Changying that she firmly believes that Charlie will definitely bring her son back alive.

And she did not guess wrong, although Charlie made Zhifei go on a pilgrimage to the Jokhang Temple with bloody wrists and no mercy, but he still told the Wade family to protect him secretly.

And there was one thing she didn't guess wrong, that is, when she heard her daughter say that she wanted to ask Charlie to let her brother come back to attend her father's wedding, she firmly believed that Charlie would not refuse.

At this time, she was ready, with a change of clothes, a set of toiletries, a jar of warm water, and a table of meals, waiting for Zhifei's arrival at home.

Although she had always been calm in her heart, when she heard the sound of brakes outside the door, she pushed the door open and ran out with some difficulty concealing her excitement.

Outside the door, Zhiyu's car had just stopped, and the brother and sister got out of the car together.

Across the wrought iron gate, when Zhifei saw his mother, tears rolled down again.

Liona couldn't help but have red eyes.

Zhifei pushed open the door, stepped in front of his mother, suddenly knelt down on his knees, and cried, "Mom... I know I'm wrong!"

Liona was still distressed by her son's downcast appearance, but it can be seen that the son suddenly knelt down to admit his mistake, and was not consciously startled, and then quickly pulled him up, choked up in his mouth and said: "Get up, you are right, mom never blamed you..."

Regarding Zhifei's decision back then, Liona's point of view is the same as that of her daughter Zhiyu.

A wealthy family is comparable to an ancient imperial palace, and Zhifei never murdered her mother and sister, but just stood against them for self-protection and the future. This is completely understandable and even tolerated.

In ancient and modern times, at home and abroad, many members of the royal family and heirs of wealthy families, because of their interests, they have long been familiar with each other.

At this time, Zhifei was still kneeling on the ground, with tears streaming down his face but said in a very firm voice: "I disregarded the life and death of my mother and younger sister, and only cared about my own future. This is inhumane and unrighteous. Unfaithful and unfilial!"

Liona said seriously: "Mom can understand what you said, and you can't help yourself, so I don't blame you."

However, Zhifei continued to speak loudly: "Wrong is wrong! Anything involuntary is an excuse!"

"I could have chosen to stand with mom and sister, and I could have chosen to seek justice for you,"

"But I chose the wrong to disregard your life and death and only focus on pursuing my own interests!"

Liona was silent for a moment, sighed softly, and said seriously:

"Okay, you were wrong, but now you can realize that you were wrong. Well, Mom is already very relieved, knowing right and wrong, you are worthy of your name."

After speaking, Liona said again: "Zhifei, you finally came back, time is limited, you can't just kneel here all the time,"

"The bath water has been prepared for you, you go to take a bath first, and then accompany us to have a homely meal, the three of us have a good chat."

Zhiyu on the side also stepped forward to persuade: "Yes Brother, it's not easy for you to come back this time, and it's better to spend more time with mom than to kneel here."

Then Zhifei wiped away her tears, stood up, followed her mother, and entered the set of leaves. The old house where Charlie lived when he was young.

Liona took him directly to the bathroom, where the bathtub was already filled with water, and the toiletries and happy clothes were neatly placed aside.

Liona said to him: "Zhifei, Mom has prepared new clothes for you, as well as toiletries and a razor, but nothing to cut your hair."

"I think your hair is quite long, why don't you go out and find a hairdresser in the afternoon?"

Zhifei shook his head and said, "I want to grow hair for three years, but it's only half a year now."

"Three years?" Liona said in surprise: "Boys are still Don't grow hair too long, not to mention the harsh conditions of your journey, and it's not easy to take care of such long hair."

Zhifei said seriously: "Mom, last month, I met a couple on the road. They, like me, also wanted to go on a pilgrimage to the Jokhang Temple,"

"But they were faster than me, so we were only traveling together for a short time. In two days, I couldn't keep up with their speed."

"The reason why the couple went on a pilgrimage was to pray for their son who died of leukemia to have a good pregnancy in the next life and not suffer from disease and suffering in his life."

"I heard they talked about the suffering their son suffered before he died, and they felt very uncomfortable,"

"So they wanted to store their hair and shave it off after three years and donate it to make wigs for children who lost their hair due to chemotherapy. I want to do the same..."

Liona's eyes were filled with tears in an instant, she really didn't expect that her son would have such a big change,

She raised this son for more than 20 years, imagined that her son might achieve nothing in his life,

And also imagined that he might achieve a career in the world immediately, but she never thought that her son would be able to say such a thing in this life.

Zhiyu, who was standing at the door, was also in tears at this time.

So, she said, "Brother, why don't I donate some money to set up a charity fund in your name to help those children with leukemia..."

Zhifei turned to look at her and said with a smile: "Zhiyu, of course, it's okay for you to do good deeds, but don't use my name, I can't bear it."

He sighed again: "After I arrive at the Jokhang Temple and complete my redemption, I will do my best. I can do something for them myself."

Zhiyu couldn't help asking: "Brother, it will take you a year to go to the Jokhang Temple, right?"

Zhifei said with a smile: "If I could go as faster as the day before, I might arrive in eight months!"

Chapter 5339

"Eight months?"

Zhiyu exclaimed: "If you want to reach the Jokhang Temple in eight months, wouldn't you have to travel at least eight or nine kilometers every day?!"

Zhifei nodded and said: "Eight months, Nine kilometers is a guaranteed minimum, and if the condition is good and the weather is good, you have to walk more so that you can leave time to stay for a while when passing by that majestic natural scenery." Zhiyu couldn't help feeling distressed again,

and Liona, who was on the side, turned to her and said, "Zhiyu, first let him take a good bath, so let's not disturb him."

Zhiyu nodded slightly, and said to Zhifei, "Brother, take a bath first. We'll wait for you outside."

Zhifei responded, and when Zhiyu closed the bathroom door, he took off his tattered clothes and prepared to take a good bath.

But standing in front of the bathtub, looking at the clear warm water inside, he hesitated for a moment and took his dirty clothes to the shower room beside him.

He put the dirty clothes on the ground first, then turned on the shower, rinsed the dirty clothes, and then began to wash off the dirt on his body little by little.

Zhiyu and Liona, had already arrived at the dining table at this time, and the mother and daughter looked at each other, and they could see the complicated look in each other's eyes.

After a moment of silence, Zhiyu was the first to speak: "Mom... Brother has really changed a lot in the past six months... A lot of words came out of his mouth, I can't believe that it is really him, as if someone It's like another soul replaced his body..."

Liona smiled slightly and couldn't hide her gratification and said: "I told you before that everything in the world has its own definite number. Although your brother has been a playboy for more than 20 years. But now it seems that he is destined to change his mind."

After speaking, Liona said again: "When your brother returns from the Jokhang Temple in eight months, his life trajectory may undergo an earth-shaking change. Although I don't know exactly what this change will be, I believe this change must make him better."

Zhiyu nodded lightly and sighed: "It seems that brother's suffering along the way is not in vain. If he can walk on the right path from now on, it is really thanks to Mr. Wade's thunderous means..."

Liona agreed: "Sometimes people just need to break up and then stand up. It's just that some people have been pampered since they were young, and they are so well protected. The people around them are not willing to let them go through the process of breaking up, so I really want to thank Charlie."

Zhiyu said: "Oh, by the way, Mr. Wade said that he will come to visit after lunch."

Liona was slightly startled, and subconsciously asked her: "Charlie is coming here?"

"Yes." Zhiyu nodded.

"Okay." Liona said with a smile, "It's just a matter of time to thank him in person!"

...

On the other side.

Charlie drove the old man's BMW 530 and brought Nanako to Tomson.

Tomson's house is divided into villas and high-rise areas. In the villa area, cars can drive directly into the ground, but in the high-rise area, considering the relatively dense population, the developer has divided people and vehicles. Charlie can only drive the car to the underground garage.

Just as he drove into the underground garage, Jemima just took the elevator and came out of the elevator hall of the underground garage.

At this time, outside the elevator hall, an imported seven-seater car was already waiting here.

Sitting in the driver's seat of the car was Miss Xian, the housekeeper of Zijin Villa, and sitting in the first-class seat on the left side of the second row was Maria.

The second and third rows of the nanny car are all pasted with extremely deep one-way privacy films, and the inside cannot be seen clearly from the outside.

The reason why the two of them came to Tomson was that they had just accompanied Jemima to the University to sign the contract in the morning, and originally planned to go back to Zijin Villa for lunch with her.

But because Jemima received a lot of contracts, materials, documents, badges, access control cards, and customized stationery from the University, she took a lot of them in a mess.

Moreover, these are all needed for Jemima's later work, and there is no need to bring so many things back to Hong Kong, which is not only troublesome but also easy to lose and forget, so she proposed to let sister Xian drive to Tomson first, and she put these things in the new house here.

Maria originally wanted to have a good relationship with Jemima, so she took the initiative to accompany her to the University to sign a contract, but she didn't expect Jemima to come to Tomson after signing the contract. This decision really shocked her.

Although Maria came to Aurous Hill to find Charlie, she was not ready to meet him yet, so she was absolutely unwilling to come to this locality.

Fortunately, the back row of the car was very private, so she sat in the car and waited for Jemima to get off, excusing that she was unwell.

Jemima stepped out of the elevator hall, and Sister Xian opened the electric sliding door on the right side of the back row. Jemima stepped into the car and said to the two with a smile, "Sorry, I kept you waiting, let's go."

Maria said with a smile in her own tone, "It's not too long, it's only five or six minutes."

Jemima nodded, and asked her with concern: "Didn't you just have a stomachache just now? How do you feel now?"

Maria hurriedly said: "I feel better already, and it should be fine."

Jemima said with a smile: "Maybe your period is coming soon, what date is your usual period?"

Maria said with a little embarrassment: "My... almost every month around these two days..."

"No wonder." Jemima said with a smile on her face, "Today, you must drink plenty of hot water to avoid catching a cold, and at the same time avoid strenuous exercise." "

Okay, okay. "Maria quickly agreed, and then said to Sister Xian: "Sister Xian, let's go back quickly, I'm already hungry."

Sister Xian nodded and said with a smile: "It only takes ten minutes for us to go back, and we can have dinner when we get home."

With that said, she started the car and was about to drive out of the basement.

At this time, Charlie had already parked the BMW he drove in an empty parking space not far in front of their car. Since Tanaka Koichi didn't bother to buy a property right parking space when he bought the house, Charlie could only park the car at the property. Specially designated temporary parking areas.

The biggest disadvantage of the temporary parking area is that it is generally far away from the elevator entrance.

So, after he parked the car, he and Nanako followed the signs in the garage to find the location of the elevator hall.

Charlie has lived in Tomson for such a long time, and today is the first time he came to the underground garage in the high-rise area. As for Nanako next to him, it is even the first time for Tomson to come, so neither of them is familiar with the route, can only be searched according to the address sent by Koichi Tanaka and the building number indicated.

When the two walked towards the elevator hall side by side, they happened to meet the car driven by Sister Xian.

Although the inside of the car was very dark, making it impossible to see what was going on inside, it was very clear from the inside out.

Jemima saw Charlie walking towards them and Nanako beside him at a glance because she never dreamed that she would run into Charlie, so she let out a cry of surprise.

Chapter 5340

At this moment, Maria was relieved because Sister Xian was about to drive away, but Jemima who was at the side suddenly let out an exclamation, which shocked her who had been tense all the time.

She just wanted to ask Jemima what was wrong, but the next moment she looked in the direction of Jemima's gaze, and saw Charlie walking side by side with Nanako.

At this moment, Maria's expression was extremely horrified, she immediately closed her mouth, and then subconsciously covered her mouth and nose with her hands, for fear of being discovered by Charlie.

She subconsciously felt that no matter what, she couldn't let Charlie find her.

At this time, Sister Xian had already driven past Charlie, and Charlie outside the car subconsciously pulled Nanako to let her hide behind him so as not to be hit by the car.

This thoughtful little gesture of his made the two women in the nanny's car see it clearly.

At this time, Sister Xian asked subconsciously: "Miss Liu, are you okay?"

Jemima subconsciously shook her head, while uncontrollably turning her head to look at Charlie's back, she whispered unnaturally: "Sister Xian, drive quickly, I'm hungry too..."

At this time, Charlie, who was standing shoulder to shoulder with Nanako, suddenly felt another strong beating in his pocket. He subconsciously covered his trouser pocket with his hand, frowned slightly, and thought to himself: "Strange, why is this broken ring convulsing again?"

Nanako was originally following Charlie, but when she saw him suddenly stop and frown, she hurriedly asked him, "Mr. Charlie, what's wrong with you?"

Charlie said with a confused face, "I don't know..."

As he spoke, he subconsciously took out the ring.

When this thing was between his fingers, it was still shaking like a Parkinson's patient, but when Charlie took it out, it gradually returned to calm and became motionless again.

Charlie was even more puzzled, and couldn't help thinking to himself: "What the hell are you smoking? Are you hungry again? Are you trying to deceive me of my aura?"

Nanako saw him looking at the plain ring in his hand with a puzzled face. So she couldn't help but ask again: "Mr. Charlie, is there anything special about this ring?"

Charlie came back to his senses and said with a casual smile: "It's nothing special, it's just that I picked up such a broken thing in the aisle before, and now I've been wearing it all the time. And hesitant to throw it away."

Nanako pursed her lips and smiled, and said with a smile: "Then it's better to hand it over to the police maybe they can find its original owner."

He thought of Maria, smiled, and said casually: "Its owner probably doesn't remember it anymore."

After that, he put it back in his pocket and said to Nanako: "Leave it alone, let's go, the elevator hall in front is the building number issued by Mr. Tanaka."

At this time, Sister Xian drove out of the basement in the car.

When the car drove out of the basement and the sun shone into the car along the front windshield, the two women in the back row let out a sigh of relief at the same time, thinking to themselves that it was dangerous!

Both of them were nervous because they suddenly saw Charlie just now, but the difference was that Maria was completely relaxed at this moment, but Jemima felt a little sour in her heart.

She didn't know who the woman walking beside Charlie just now was, but she subconsciously believed that that woman should be Charlie's wife.

And Nanako's beauty and temperament are almost invincible among Asian women.

If it is said that Maria has the most authentic Chinese classical beauty, then Nanako fully embodies the special intellectual beauty and obedient beauty of Japan's Yamato Nadeko in every way.

Even though Jemima is already an absolute leader among the new generation of young women in Hong Kong, she still feels uncontrollably inferior in front of Nanako.

When she thought that Charlie's wife was so good, she naturally felt a little uncomfortable.

And Maria, who was at the side, could clearly see her performance and the subtle changes in her expression.

When the car didn't come out of the basement just now, she didn't dare to speak, because she knew that Charlie possessed aura and must have very strong senses, and she was afraid that Charlie would hear what she said.

However, now that the car has come out, she is completely relieved, so she deliberately teased Jemima and said, "Sister Jemima, what's the matter with you? You're still fine, why do you suddenly seem to have a bad face?" Jemima said in a hurry:

"Is there any? Maybe... Maybe it's because I'm too hungry..."

Maria deliberately teased her: "I thought you were attracted by that handsome guy outside the car just now!"

"Ah?!" Jemima's heart beat so fast, she quickly said: "Where is it... how could it be... I didn't pay attention to see if there is a handsome guy..."

Maria said casually: "It's the handsome guy who walked past our car in the basement just now. He's quite tall and handsome."

"Is...is it..." Jemima said in a panic: "I didn't see it, I was a little distracted just now..."

"Okay." Maria said with a smile: "Next time a handsome guy passes by, I will be the first time I'll tell you."

"Okay..." Jemima thought she had been fooled, so she subconsciously responded.

This series of her performances made Maria more convinced of her previous judgment that Jemima came here for Charlie.

Maria didn't speak anymore, but took out her mobile phone, and entered the name Nanako Ito on the search engine.

She had read all of Charlie's files before, step by step, carefully deduced Charlie's identity, experience, current business map, and power blueprint.

She guessed that ISU Shipping must be led by Charlie behind the scenes, so she paid special attention to the information about the Su family and the Ito family, and the information of Nanako. The appearance of a woman, so the moment she saw Nanako just now, she guessed her identity.

And on her mobile phone, the related introduction of Nanako soon appeared. She clicked on some public photos of Nanako and reconfirmed that the woman she saw just now was undoubtedly Nanako Ito.

At this time, she couldn't help thinking to herself: "According to the information I checked before, Charlie and his wife's family live in the villa area of Tomson, but why did he come to the high-rise area together with Nanako?" Could it be that he is on a secret date here?"

Thinking of this, Maria raised her eyebrows, and said to herself, "It seems that this Charlie is really merciful in every way. If he is allowed to become an emperor in ancient times, wouldn't it be a matter of collecting money? Only the seventy-two concubines of the Sixth Court of the Three Palaces of Qi will not be enough for him to get satisfied?"

At this time, Sister Xian, who was driving, thought of something and said, "By the way, Miss Liu, you are going back on the plane at 3:30 p.m., right?"

"Yes." Jemima subconsciously replied.

Sister Xian nodded, and said, "Then I'll take you to the airport after dinner."

Jemima said casually, "That's hard work for Sister Xian!"

"It should." Sister Xian smiled slightly, and asked again: "Miss Liu, you probably won't be able to stay for too long when you return to Hong Kong this time, right? The university will start at the end of the month. As a new faculty member, you should report to the school early that's right?"

"Yes." Jemima explained: "The school requires faculty and staff to report for duty on August 20th, and then a unified arrangement will be made for the work content of the newly recruited lecturers, and then they will start to hurry up and prepare lessons

Sister Xian said with a smile: "Then you won't be able to stay for a few days this time, at most two weeks. Get ready, then you can report to school."

Sister Xian nodded, looked at Maria through the rearview mirror, and said with a smile:

"Miss, you should also prepare early, I heard that the military training in mainland universities is very hard."

Maria smiled and said: "I have heard about this, but to be honest, I am looking forward to it."

When Maria decided to enter the University, she had already learned about the admission process of mainland college students and the specific conditions of life and study in advance, so she also knew that freshmen have to participate in military training.

When other girls think of military training, they might be more nervous and apprehensive, but Maria is looking forward to it because she feels that if she wants to have a good relationship with Claudia, military training is definitely the best opportunity!
