

Chapter 5341

Charlie saw Ito Yuhiko again and found that he was in very good condition.

To Yuhiko Ito, regaining his legs is like a rebirth, and it also makes him cherish the present even more.

Seeing Charlie, Ito Yuhiko was enthusiastic and respectful, he came out to welcome Charlie in and poured tea and water for him himself. Although he was busy walking around, he couldn't hide his excitement all the time.

Tanaka Koichi on the side was so respectful that he wished he could always maintain a ninety-degree bending and bowing posture.

Charlie greeted the two of them, looked at the house curiously, and said with a smile: "I have lived in Tomson for so long, and this is the first time I have come to this high-rise."

The huge floor-to-ceiling windows in the living room, looking at the rolling river outside, sighed: "The scenery here is really good! Mr. Tanaka has a good eye." Tanaka Koichi on the side said respectfully:

"Mr. Wade, I originally wanted to buy the set upstairs. The one on the top floor, unfortunately, it was bought by a lady a few minutes earlier, if I could buy the top floor, the scenery should have been even better!"

Charlie nodded with a smile, and said: "This is already not bad, if I knew the scenery here is so good, I should have come here to buy a set."

Ito Nanako said: "Mr. Charlie can come here often in the future, and I will ask Tanaka-san to take a fingerprint for you later and treat this place as your own home. Well, if we're not here, you can come up at any time if you want to stay alone for a while."

Charlie was slightly taken aback, not knowing whether to refuse or accept for a while.

At this moment, seeing Charlie hesitate, Tanaka quickly said: "Mr. Wade, actually there is no need to troubleshoot fingerprints, the door password is Miss's birthday."

Charlie looked at Nanako, and he realized that he had known him for so long Well, he doesn't know Nanako's birthday.

This is mainly due to the fact that during the time the two met, they didn't meet much, and Charlie himself didn't pay much attention to birthdays, sometimes he couldn't remember to celebrate his own birthday, and had to be reminded.

And Nanako never told him when her birthday was, or when she celebrated her birthday.

Nanako on the side also knew that Charlie definitely didn't know when her birthday was, so he shyly said: "Mr. Charlie, my birthday can only be celebrated once every four years..." Charlie suddenly realized, and blurted out:

"Then I know... ...February 29th..."

"Well..." Nanako nodded shyly, looked at him with big eyes affectionately, and asked, "Mr. Charlie should know what year I was born?"

Charlie hurriedly said: "I know, I know...I know..."

Hiroshi Tanaka said with a smile, "Mr. Wade already knows the password to the door!"

At this time, Ito Yuhiko's younger sister, Emi, had prepared a table of sumptuous Japanese cuisine.

Emi, who was wearing a kimono, walked to Charlie's side, put her hands in front of her body, bowed respectfully, and said: "Mr. Wade, I have prepared the best Japanese food for you."

"It is the highest-end seafood, whether it is sea urchin, oyster, sea bream or bluefin tuna, is the best that can be found in the Japanese market at present. You will enjoy it!"

Ito Yuhiko said with a smile: "Mr. Wade, Emi is best at making all kinds of sashimi. Her sensitivity to ingredients is much stronger than those of the so-called Michelin three-star chefs."

"The ingredients she comes into contact with on a daily basis I'm afraid those Michelin three-star chefs won't have the chance to see it."

After that, he pointed to the tuna sashimi on the exquisite plate and said to Charlie:

"Mr. Wade, these sashimi are the meat from the cheeks of the blue flag tuna. The auction price of this fish is three million U.S. dollars, but such a small amount of meat on the two gills costs hundreds of thousands of dollars."

"After conversion, a piece of fish costs tens of thousands of U.S. dollars, and even the best Michelin restaurant will not have it."

Ito Takehiko didn't just talk nonsense, in Japan's luxurious society, the price of truly top-notch high-end products can be outrageously expensive.

The highest auction record for bluefin tuna, one has been bought for a sky-high price of several million dollars

Most of the meat of such fish will flow into high-end restaurants. It seems that enough high-end restaurants can get this top-level ingredient.

As long as you spend hundreds of dollars, you can eat a slice of it in a restaurant.

But the real situation is that the two gills of tuna like this are impossible to flow into the back kitchen of any restaurant.

Most people can't understand why those top rich people are extravagant to the extreme. It doesn't matter to them if the ingredients of a meal are tens of thousands or hundreds of thousands.

In their eyes, the only value of a bottle of wine worth tens of thousands of dollars is only when it is opened.

This is mainly because they are so rich that they can spend a lot of money without racking their brains, and it is impossible to spend it all in a few lifetimes.

Ordinary people eat three to five hundred for a meal, and a meal can cost a day or two's salary, but for a top rich man like Takehiko Ito, even if he eats 100,000 US dollars for a meal, he may only eat the interest generated by his savings in the bank for a day.

In other words, if he spends 100,000 US dollars on a meal, the proportion of his expenditure in the total net worth is the same as that of an ordinary person who spends 10 yuan on a bowl of vegetarian noodle soup.

Although Charlie is also very rich, money doesn't mean much to him, and he has never had the habit of spending extravagantly, so after listening to Emi's introduction, he nodded slightly and said with a smile:

"Ms. Ito has worked hard. I don't have such a tricky mouth, just eat some home-cooked food, don't need to be so extravagant."

Ito Nanako smiled and said: "It is only prepared for Mr. Charlie alone. Even if you don't come to visit at home, my aunt will prepare these for him."

"It's just his own food cost, which costs millions of dollars. I don't understand what he eats at all, and this to be honest, in my opinion, it's more of a gimmick than a reality."

Ito Yuhiko laughed and said, "Nanako, everything in this world can be called Tao as long as you pursue it to the extreme."

"You like Ikebana, so you will do everything possible to buy the most expensive flowers, you can buy a rose from a roadside flower shop for three to five yuan, but those top-quality cultivars that are selected from thousands, One flower can even sell for tens of thousands."

"Using the best flowers, matching the best tools, and combining them in the most elegant way becomes the way of flowers. I will never have anything to do with Ikebana in my life; "

"There is also tea. Ordinary people make a cup of tea, or make a tea bag and mix it with milk."

"These can only be regarded as drinking tea, only using top-quality tea leaves, top-quality tea sets, and the most sophisticated brewing methods can be called the way of tea!"

"Although I don't know the way of flowers and tea, I know the way of food! That is to eat the best ingredients and drink the most expensive wine!"

Ito Nanako stuck out her tongue and deliberately teased him: "Greedy is the best way to eat!" You're greedy, why bother to talk so much..."

Yuihiko Ito laughed a few times, then took a bottle of sake with "14 generations" written on it, and said to Charlie:

"Mr. Wade, this is not an ordinary Zhubai on the top of the pole, this is the top-level Long Xiao Jiu Tian, which is one in a million, and even the prime minister may not have the chance to smell it!"

Charlie looked at him and asked a question: "Mr. Ito, tell me what's on your mind, is this wine good?" "

Yes... is it good?" Yuhiko Ito fell into deep thought for a while, thinking for a while, and said very seriously: "To be honest, Mr. Wade, this thing is far worse than Coke in terms of taste alone."

After finishing speaking, he hurriedly added: "But this sake is the quintessence. The wine made from rotten grapes is not as delicious as grape juice, but it is quintessence!"

After finishing speaking, he took the initiative to pour a glass of sake for Charlie, smiled, and said: "But Mr. Wade, although the wine is not good,"

"The feeling of being slightly drunk is really something that other things can't give. Let Tanaka also accompany us to drink less, so that we can have more fun while drinking and chatting!"

Charlie, Ito Yuhiko, and Tanaka Hiroshi exchanged glasses, while Nanako stood by and kept adding wine for him.

What's interesting is that Nanako only drinks for Charlie, Emi only drinks for Yuhiko Ito, and Koichi Tanaka can only drink for himself.

The so-called Long Xiao, in Charlie's opinion, is not good to drink. Except for the pure rice fragrance, this thing is really lackluster.

If you want to feel a little drunk, you have to have at least 40% alcohol. To him, drinking sake is no different from drinking tap water.

However, since it was brought by Ito Yuhiko all the way, Charlie naturally gave enough face.

Including the top seafood sashimi prepared by Emi, Charlie is still full of praise.

But in fact, what he thinks in his heart is that sashimi itself has no taste, and what he eats is just the taste of different fish.

After dipping in soy sauce and wasabi, the overall taste is not much different.

This is very similar to a hot pot. After eating, what you eat is just the taste of the bottom of the pot and the dipping sauce.

After having lunch at the Ito family's new residence, Charlie and Ito Yuhiko chatted for a while, then got up to say goodbye.

He told Zhiyu earlier that he would visit Liona's house, so naturally, he couldn't break his promise.

Although he drank a lot of sake with the two of them, fortunately, he had spiritual energy in him. Before setting off, he used spiritual energy to remove all the alcohol, and then drove to his old house.

Chapter 5342

At this time, Liona, Zhifei, and Zhiyu had already had lunch. Zhifei changed into clean clothes, shaved his beard, and tied up his shoulder-length hair, and looked much quieter and sharper.

Zhiyu sat on the sofa, keeping an eye on the movement outside the yard, hoping to see Charlie as soon as he arrived.

And when the BMW that Charlie was driving slowly stopped at the gate of the courtyard, Zhiyu was overjoyed, and quickly said to her mother and brother: "Mr. Wade is here!" After finishing speaking, she had already stood up and ran towards the door.

Liona and Zhifei also got up quickly and followed behind to greet them.

When Charlie got off the car, the three of them had already walked to the door one after the other.

Zhiyu opened the retro iron grille door, a little shy, and said respectfully: "Mr. Wade, you are here!"

Zhifei also said very respectfully: "Mr. Wade..."

Liona said nothing. She is so cautious as if she saw a good friend's child, she said kindly: "Charlie is here, come in quickly!"

Charlie nodded slightly and said respectfully: "Hello, Auntie, I haven't come in a while. Seeing you, how are you recently?"

Liona said with a smile: "I'm fine, the environment in Aurous Hill is getting more and more comfortable for me, and I don't have as many troubles as before, so I am still very comfortable."

Charlie nodded: "That's good! I wasn't in Aurous Hill at that time, but I probably won't go out in the recent period. If you need help with anything in Aurous Hill, please feel free to contact me."

"Okay!" Liona was not too polite and agreed with a smile, and then invited Charlie into the house.

Entering this old house, Charlie couldn't help feeling sad.

When his parents rented this old house, they also carefully restored it, just like now, although it still looks so simple, it can give people a new look.

After 20 years of idleness, this old house was once dilapidated, but after Liona's careful restoration, all this seemed to have returned to the state it was 20 years ago.

For a moment, Charlie even felt that he was back to the way when he was seven or eight years old. His parents had just settled down in Aurous Hill, and the family of three was living an ordinary life full of happiness.

Liona saw that Charlie was looking around and was a little lost, so he deliberately didn't say anything, but let Charlie take a good look and think about it.

After a long time, Charlie withdrew his thoughts before almost crying, held back the tears, and said to Liona with a smile:

"Auntie must have taken a lot of trouble to clean up this house..."

Liona nodded and smiled, and said, "It took a lot of thought, but I also enjoyed it."

Then, Liona pointed to the group of rustic old-fashioned leather sofas, and said to Charlie: "Sit down and rest for a while!"

"Okay!" Charlie nodded, and after sitting down, he couldn't help sighing: "Auntie, this sofa is basically the same as the sofa I used to have when I was a child... Can we still buy this style of sofa now?"

Liona said with a smile: "When we were young, leather sofas basically looked like this, unless those sofas imported from Europe and the United States would look more exaggerated, but this kind of sofa is not available for purchase now, and I specially hired someone to make it by hand."

Charlie nodded slightly, and couldn't help sighing in his heart: "Auntie you are really careful, and you really knew Dad very well. Your vision in many places is very similar to Dad..."

After feeling emotional, Charlie deliberately changed the topic, looking at Zhifei at the side and asked him, "Master Su, you must have had a hard time in the past six months, right?"

Zhifei stood up subconsciously, and said respectfully, "Mr. Wade I would also like to thank you for your advice, if it weren't for you, I might still be that ignorant dude..."

Charlie asked him: "I asked you to kneel and make a pilgrimage all the way, don't you hate me at all?"

Zhifei said truthfully: "Mr. Wade, for the first month, I hated you every moment to the bone. I even fantasized in my heart that if one day I can be stronger than you, I will definitely make you pay back ten times or a hundred times, but...after a month, I gradually started to understand your good intentions..."

Charlie asked curiously: "My good intentions? In the eyes of many people, I am a person full of evil tastes. I often come up with weird ways to punish others. I am afraid they would like to kill me. Why are you the only one who said I have Good intentions?"

Zhifei said sincerely: "In fact, you had a lot of ways to punish me, even if you took my life,"

"No one could do anything to you, not to mention that my this life itself is the result of the accident in Japan as I was rescued, but you still gave me another way out, and also gave me a chance to find my way back..."

As he spoke, Zhifei pursed his lips and remained silent for a moment, and then said:

"Besides, I know, in fact, you have sent people to protect me in secret. I have encountered danger to my life several times in the past six months, and I got out without any problem. You must be behind the scenes to help."

Charlie did not speak, but Zhiyu asked in surprise: "Brother, what is your life in danger? Why didn't I hear you mention it?"

Zhifei said: "In the second month after departure, I began to treat this pilgrimage sincerely, so I dismissed Mr. Wade. My entourage plans to reach the finish line by myself..."

"I fell ill after being exposed to the rain, so I stayed overnight at a farmhouse. After all, many pilgrims would stay overnight along the way, so I didn't think there was anything wrong..."

"As a result, the couple tried to sell me to the owner of a local black brick kiln when I was almost unconscious with a high fever;"

"I heard from the two of them that a healthy adult can sell for 20,000 yuan Normally, it costs at least three or four thousand yuan a month to recruit a worker for a kiln. If the kiln owner buys the worker back, he can pay back the cost as long as he squeezes the worker for more than half a year, and the rest is pure profit;"

"At that time, the kiln Lord has already driven over, and because I looked unconscious, he bargained with the other party and pressed the price back to five thousand..."

Zhiyu's eyes widened, and she quickly asked, "What happened later?"

Zhifei said, "The kiln owner and his three thugs moved me into an off-road vehicle. At that time, I wanted to call for help, but because of the high fever, I don't even have the ability to fully open my eyes, let alone resist..."

"After getting in the car, I thought my life must be over, but I didn't expect that the kiln owner's off-road vehicle was driven by a car not too far away."

"The car hit the rear, and he got out of the car with his thugs to argue with others, and the four were shot down by the other party..."

Zhiyu couldn't wait to ask: "Then?!"

Zhifei said in a low voice: "The one who shot Those two people threw the bodies of the four of them into the ditch by the roadside, then lifted me out of the off-road vehicle, and sent me back to the farmhouse..."

"Ah?!" Zhiyu added. It was a puzzled look: "Why sent you back?"

Zhifei said: "They thought I had been in a coma and didn't know anything, so they discussed in the car that they wanted to send me back to that farmhouse, and then gun forced the couple to take good care of me until I recovered, and then deal with the couple after I left, but they didn't know, I heard all these conversations."

Said, Zhifei looked at Charlie, grateful Said: "Mr. Wade, those two discussed in the car whether to report this matter to Mr. Chen of Shangri-La, but they also felt that I might encounter this trivial matter in the future."

"As long as they can guarantee my safety It is safe, so there was no need to report again and again, so I knew at that time that you have been secretly arranging people to protect me..."

Immediately afterward, Zhifei suddenly knelt on the ground, kowtowed respectfully, and said gratefully: "Thank you Mr. Wade for saving my life time and time again, I will never forget it!"

Charlie stretched out his hand to help him up, and said calmly: "You don't have to thank me for this matter, you are Auntie Du's son and Miss Su's brother,"

"And you didn't commit a heinous crime, so I can't take your life out of reason, because of this, I let you go on a pilgrimage, the original intention, in fact, was to let you go to penance;"

"Although I have never knelt down Pilgrimage, from the age of eight to the age of twenty-seven,"

"I have been experiencing all kinds of hardships for nearly twenty years, and these hardships are also a kind of penance in my opinion;"

"Penancery can beat a person's heart, sharpen a person's will, and reshape a person's soul. No matter if you were rich and well-fed, arrogant and domineering before, or you were hungry and self-deprecating. During the penance, you can find a radical change; "

"If you can do this, it will be a good thing for you and your family;"

"If you can't, at least it will be because of this journey. I have lingering fears about hard punishment, and I will definitely restrain myself in the future;"

Speaking of this, Charlie changed the subject and said firmly: "But I definitely can't let you on the road of penance, because natural disasters and man-made disasters can endanger your life!"

"In that case, not only will all this deviate from my original intention, but I will also be unable to explain to Auntie and Miss Su."

Chapter 5343

Ever since he confirmed that the Su family had nothing to do with the death of his parents,

Charlie never thought of taking the life of anyone in the Su family.

Zynn could let him off and make it happen, let alone a mere Zhifei.

And he asked people to protect him in secret, because of the face of Liona and Zhiyu.

The pilgrimage to the Jokhang Temple is not like Kevin riding a bicycle to Auous Hill.

The latter has a bicycle, and the way is the most economically developed in China.

In this area, as long as you don't blindly pedal your bicycle on the high speed line,

There is basically no danger to your life.

But Zhifei's case is different. All the way westward, the environment is getting worse and worse.

If he is not careful, he would be in danger everywhere.

If he didn't protect him secretly if he died on the way, what could he explain to Liona and Su?

Zhifei also knew that Charlie asked people to protect him,

Not because he was really kind to him, but because of the face of his mother and sister.

But even so, he was still grateful to Charlie for awakening himself from his former dandyism.

Therefore, he said to Charlie very piously: "Mr. Wade, no matter what your purpose is,"

"I still thank you for your kindness in reinventing me!"

Charlie looked at him and said lightly: "It seems that you have also awakened,"

"The prodigal son has turned back, this time, if you don't want to continue this time, the pilgrimage can be terminated."

When Charlie said this, Zhifei and Liona were all surprised.

Zhifei thought that there was something wrong with her ears, and never dreamed that Charlie would allow him to stop the pilgrimage.

He has just walked a third of the way, and it was the easiest third.

The remaining two-thirds are the most severe challenges.

As the altitude gets higher and higher, the road ahead will become more and more difficult.

It is no exaggeration to say that if they stop now, at least 80% of the hardships can be avoided.

What Charlie said was not entirely out of his sincerity.

He just wanted to see if Zhifei really changed his past.

If he can really change his past and decide to abandon everything before him,

Then he will definitely choose to continue this pilgrimage.

But if he is still lucky, then he will definitely seize this once-in-a-lifetime opportunity.

The reason why Charlie tested him in this way was to decide whether to allow,

Zhifei to return to the decision-making level of the Su family in the future.

Although the current head of the Su family is Zhiyu, it is impossible for Zhiyu to be in charge of the entire Su family alone.

Zhiyu is like the chairperson of a group company with the highest decision-making power and veto power.

She cannot cover all the core things and do it all by herself,

So her subordinates still need a lot of core executive positions to help her run the entire Su family's industry.

In a huge group company, under the chairperson, there are at least several executive directors and an executive president,

And each company entity under the group also needs a set of management teams.

The power in the hands is very large, so there must be a trustworthy person in charge,

So as to avoid management failure to the greatest extent.

But right now, Zhiyu doesn't have many people of her own who she can use.

Her father has been under house arrest by the He family and cannot interfere in the affairs of the Su family.

The old man Chengfeng also went to Madagascar.

Liona also went through the divorce procedures with Zynn. It is also inconvenient to have any relationship with the Su Group.

Therefore, if Zhifei can completely change his past, Charlie still hopes that he can return to the Su family and be used by Zhiyu.

It was because of this idea that Charlie decided to give Zhifei a real test.

Chapter 5344

If Zhifei passes this temptation, even if he becomes the number two member of the Su family in the future, he will not stop him.

But if Zhifei fails this temptation, from today onwards, although he can regain his freedom,

He will never be allowed to get his hands on the Su family's property.

Because he wants to find an absolutely trustworthy and loyal subordinate for Zhiyu,

So he must not bury any hidden dangers in this candidate,

But if Zhifei has the slightest idea of giving up on this pilgrimage, he will be excluded.

Liona and Zhiyu didn't know Charlie's real intentions.

When they heard that Charlie was willing to give Zhifei a lenient chance,

They couldn't hide their excitement. They hoped that Zhifei would agree to the situation.

But Zhifei hesitated for a moment, but then said:

"Mr. Wade, thank you for your kindness, but I still want to finish this pilgrimage."

"It will be more difficult. You will enter the mountains, enter the plateau, enter the no-man's land,"

"And even climb several mountains with an altitude of four to five kilometers."

"You will no longer be surrounded by modern cities."

"The carved primitive world, where the environment is dangerous and surrounded by wild beasts, is likely to kill you with an ordinary altitude sickness."

Zhifei nodded and said sincerely: "I know the road ahead will be very difficult,"

"But I still want to finish this thing, don't give up halfway..."

"To tell you the truth, I didn't have faith or awe before, but through these months of experience,"

"I already have my own belief in my heart, this belief is not religion,"

"But perseverance to the goal. I hope I can have the character of never giving up,"

"And this pilgrimage is the first step to having this character."

"If I give up now, I won't have another chance in the future..."

Charlie couldn't help but look at him with admiration.

Being able to say these words, Zhifei really did not waste the past six months.

So, he nodded and said, "Since you have made up your mind, I won't say much."

"There is still a long way to go. If you feel pressure and difficulties during this process,"

“You can feel free at any time to quit. I won’t blame you, and I won’t stop you.”

Zhifei cupped his hands and said, “Okay Mr. Wade, I understand!”

Charlie said again: “However if you don’t prepare for the next journey,”

“If you quit, then you won’t be given a chance to come back to rest halfway,”

“You can only walk to the end, and when you get to the Jokhang Temple, I will arrange a plane to pick you up.”

“Okay!” Zhifei said without hesitation:

“Please rest assured, Mr. Wade, I will definitely arrive at the Jokhang Temple!”

Charlie nodded, stood up, and said to Liona: “Auntie,”

“I won’t bother your family. And I will come to visit another day!”

Liona didn’t expect Charlie to leave so soon, and at this moment, she suddenly understood the purpose of Charlie’s visit,

And thought to herself: “Charlie is here today! Coming here should not be for visiting,”

“But to test Zhifei and see what choice he will make after getting the right to terminate.”

“Now that Zhifei has made his choice, Charlie is ready to leave... ..”

Thinking of this, she also roughly guessed Charlie’s deeper purpose, and couldn’t help feeling a little joyful.

She also stood up, and said to Charlie very politely: “Then I will see you off!”

Zhiyu who was on the side didn’t expect Charlie to leave suddenly,

So she asked subconsciously: “Mr. Wade, you just sat down a while ago.”

Charlie smiled slightly and said, “I won’t sit down anymore, let’s do it another day.”

After finishing speaking, he got up and walked out.

Liona took Charlie out with a pair of children.

After Charlie got into the car, she let out a sigh of relief,

Turned around and said to Zhifei, “Zhifei, it seems that you have passed the test Charlie gave you!”

Chapter 5345

“Test?” Zhifei looked at his mother with some doubt, and asked in confusion: “Mom, what do you mean?”

Liona said seriously: “The main purpose of Charlie’s coming here today should be to ask you that question.”

“See if you will take this opportunity to end this pilgrimage.”

Zhifei asked her, “What is Mr. Wade planning to test me for? Is my sincerity tested?”

“Almost!” Liona nodded slightly. He nodded and explained:

“Charlie’s behavior style is very similar to his father’s.”

“Although I don’t know Charlie well, I knew Changying.”

“Changying was different from most leaders in that his first prerequisite for employing people,”

“Was not their background. But on one’s character.”

After a pause, Liona continued: “In his eyes, no matter how powerful a person was,”

“As long as the person’s conduct is not good, he will not be close friends,”

“Let alone won’t put it in a career blueprint.” “

“But many people don’t care about this now, and many bosses have malicious intentions.”

“They just want to squeeze out the ability and value of the other party and discard them at will,”

“So they employ people, first look at ability, not character,”

“But such a person is often a double-edged sword.”

“Even if a certain value can be created in a short period of time,”

“Two people who have bad intentions and think that the winner takes it all,”

“How can it be possible to create a win-win situation?”

“Therefore, in the long run, this situation must do more harm than good,”

“And it is precisely because of this that the first prerequisite for Changying,”

“To employ a person was to pass the test of character;”

Speaking of this, Liona said again: “Charlie must have some intentions to let Roma put your father under house arrest.”

“As long as Zynn can figure it out and meet Charlie’s test standards,”

“Charlie will give him freedom.”

“If you don’t believe me, just wait and see.”

“After the wedding on the 8th, he will definitely be able to regain his freedom.”

Zhifei asked in surprise: “Mom, you mean, Mr. Wade intends to use me?”

Liona said seriously: “It may not be that he used you, it may be your sister.”

Zhiyu nodded, and said: "Then when brother returns from the pilgrimage, he can return to work in the Su Group!"

"That's right." Liona sighed: "Charlie tested your brother,"

"Presumably because of you, his thoughts are the same as his father's. Very careful."

Zhifei was silent for a moment, and suddenly realized:

"Mom, I understand Mr. Wade's meaning...he wants me to be down-to-earth,"

"And to share the burden for Zhiyu, but the premise is that he has to feel that my conduct has changed qualitatively from before."

"He won't let me get involved in the Su family's business."

Liona nodded and said: "Yes, that's it, so you must not have any other thoughts,"

"If you let him down again, he may never give you any chance again now."

Zhifei said without hesitation: "Mom, don't worry, I am no longer the one who still wanted to inherit the Su family."

"The pilgrimage during this period made me understand that in a lifetime,"

"One must not leave oneself and the relatives disappointed."

"As long as Zhiyu needs me in the future, I will do my best."

"If she does not need me, I will not fight for the assets of the Su family."

"Even if it is only the money in my own account,"

"It is enough for me to worry about how to live a life without worry."

Seeing that Zhifei said these words from the bottom of his heart,

Liona nodded in relief, and said to Zhiyu: "Zhiyu, as the head of the Su family,"

"Even if Charlie allows your brother returns to the Su Group,"

"And it is up to you to decide whether to let him go back."

"You can consider this point completely independently,"

"And Mom will not interfere, but Mom has only one request for you."

Zhiyu hurriedly said: "Mom! Just say it!"

Liona said seriously: "It's normal in a family business to use your own family members for important positions,"

"But you must be objective and fair. Take special care, if he can go up,"

"If he can't, then go down, don't let them go down, making people feel that he is not capable."

Zhiyu nodded heavily: "Mom, don't worry, I will write it down!"

...

Chapter 5346

Three o'clock in the afternoon.

A direct flight to Hong Kong took off at Aurous Hill Airport.

Jemima, who was full of thoughts, was sitting on the plane,

Looking at Aurous Hill which was getting farther and farther out of the window,

And couldn't help but think of the details of the acquaintance with Charlie in Hong Kong.

Today she happened to see Charlie and Nanako walking together,

Although it made her feel inferior for a while, it didn't affect her deep love for Charlie at all.

Right now, she just thinks that time will pass faster in the future.

She can't wait for the day when she starts working at Aurous Hill University.

She has even decided to call Charlie after school starts and tell him that she is coming to Aurous Hill University.

To do business, ask him out to meet, and tell him when they meet that she has joined Aurous Hill University.

And Jemima is also prepared for the worst.

Even if Charlie is not happy after knowing it, and even wants to leave Aurous Hill, she doesn't care.

This is the first time for her to experience life in this world. He is closer, and no one can persuade her otherwise.

Just as her plane was gradually leaving Aurous Hill, another plane slowly landed on the runway of the Airport.

The plane took off from Madagascar in Africa and flew 10,000 kilometers all the way to Aurous Hill.

The passenger on the plane was Chengfeng, the old man of the Su family who had become a big landlord in Madagascar.

He had received an invitation from his son and had come all the way from Madagascar to attend the wedding.

Knowing that his son was going to marry Roma, Chengfeng's first thought was a surprise, and his second thought was a sense of relief.

The relief is not because he is satisfied with Roma,

But mainly because he has not been used to his son licking like a dog in front of Liona for so many years.

Everyone knows that Liona agreed to marry Zynn because he begged Changying but he couldn't do it.

In the beginning, he also wanted to prevent his son from marrying Liona.

However, in the end, Zynn, who couldn't help but only want to marry Liona, could only acquiesce in their marriage.

Acquiescence is acquiescence, but the old man's knot has not been untied for so many years.

Now, his son finally ended his marriage with Liona for more than 20 years,

And married Roma who loved him wholeheartedly. In the eyes of the old man, this is Zynn's best destination right now.

After sharing the bed with a woman who doesn't love him for more than twenty years, it's time to change to someone who loves him.

But when you look into it, the old man also thinks that this matter is not perfect.

In his impression, Roma is a disabled person, which is really a bit unreliable.

The young mistress of the Su family is missing an arm, which is not the case even after thinking about it.

But he still doesn't know that Roma's severed arm has already been reborn.

After the plane landed, it taxied all the way to the hangar. At this time, Zynn and Roma had been waiting in the hangar for a long time.

After all, it was the old man who came here all the way, and the two of them attached great importance to it,

So they came to the airport half an hour early to wait.

When the plane slowly slid into the hangar, Roma's nervous hands trembled a little.

This was mainly because she was not sure whether Mr. Su, who had a strong temper and eyes above his head, would like his future daughter-in-law.

In case he was dissatisfied with her and would point to her nose and scold her for not being good enough for his son, what would she do then?

Zynn noticed Roma's nervousness, so he whispered in her ear:

"Don't worry, when I called the old man about this matter, the old man didn't express any dissatisfaction."

Roma said anxiously: "I know his character, his emotions are invisible, and he likes to attack suddenly, so I'm afraid he will hold his breath..."

"No." Zynn comforted with a smile: "The old man is no longer the all-powerful old man back then."

"Now, his mind is all about raising horses. I said we are going to get married and I invited him over."

"His first reaction was to calculate the time. It is said that he bought a horse farm,"

“And there are a few mares in it that are about to give birth. He doesn’t want to miss the birth of the pony.”

Roma finally breathed a sigh of relief, but she still had no idea before getting the old man’s face-to-face affirmation.

At this time, the docking of the steps was completed, the cabin door opened,

And Chengfeng, who was wearing short sleeves and big pants, stepped out of the plane.

When he saw Zynn and Roma, he waved to them on the plane with a smile on his face, and his pace was a little faster.

Seeing him smiling and waving, Zynn said to Roma in a low voice: “Look, the old man seems to be in a good mood!”

After that, he took the initiative to greet him, and said respectfully: “Dad, you have worked hard all the way.”

Chengfeng waved his hands, and said with a smile, “It’s not hard work, it’s not hard work,”

“I’ve been eating and sleeping all the way, so what’s the hard work.”

Roma also walked up to Chengfeng anxiously at this time, bowed respectfully, and said, “Hi, sir!”

Chengfeng said with a smile: “You two are going to have a wedding soon, why do you call me a master, besides,”

“I am not the head of the Su family now, so I don’t need to be called that,”

“I am older than your father, you can call me Uncle, wait until the day of the wedding to call me Dad.”

Roma didn’t expect the old man to be so approachable now, and she immediately relaxed a lot.

Zynn really felt relieved, pointed to the Rolls-Royce behind him, and said to the old man, “Dad, let’s go to the hotel first.”

“Okay.” Chengfeng nodded slightly, and Roma who was on the side had already taken the first step.

He opened the car door for him, made a gesture of invitation, and said respectfully: “Uncle Su, please!”

Chengfeng subconsciously responded, and was about to get into the car.

When he suddenly realized that Roma was making a gesture of invitation with both hands.

He pointed at Roma’s right hand in a daze, and murmured,

“Roma...you...you...what’s the matter with your right hand...”

Chapter 5347

Chengfeng, who had been a landlord in Madagascar for a period of time,

Had no idea what Roma had experienced during this time.

He just remembered that she had an arm cut off in order to save his son,
And the shoulder-length wound almost completely cut off her entire right arm.

However, Roma in front of him was wearing a half-sleeved long skirt,
And her two arms looked intact and flexible.

Chengfeng was also a person who had seen the world,
And he knew very well that even the best prosthetic limbs would not appear this much realistic and flexible.

Seeing his surprised expression, Roma was about to explain,
When Zynn at the side hurriedly said,

“Dad, it’s a long story, let’s talk about it in the car!”

Chengfeng knew that there might be something hidden about this matter, so he nodded and got into the car.

Roma immediately got into the attached car, while Zynn drove the car himself.

After the car started, Zynn said to Chengfeng who was sitting in the back row:

“Dad, to be honest, Roma’s right arm has recovered.”

“It means that Roma’s severed arm has regenerated?”

“Yes.” Zynn nodded, “It’s true, this incident is too shocking,”

“But fortunately Roma has not been in Aurous Hill these years,”

“So no one knows about her.”

“We don’t want the outside to know about it, so don’t tell others about it.”

Chengfeng asked in amazement: “How did this happen?”

“I haven’t heard that there is such a medical technology now... ...”

After that, without waiting for Zynn to answer, Chengfeng suddenly widened his eyes and exclaimed:

“Could it be... Could it be because of Charlie?”

When encountering such an extraordinary event,

The first thing that comes to mind is Charlie, besides Charlie,

He really can’t think of anyone else who can have such a skill.

Zynn didn’t hide it, nodded, and said: “You guessed it right, it’s Charlie,”

“Charlie has a kind of elixir that can regenerate people’s limbs,”

“And Roma took the elixir he gave to regenerate her limb.”

“The most exaggerated is Ito Takehiko of the Ito family in Japan.”

“He was hunted down by the Takahashi family before.”

“He jumped off the bridge and had both legs amputated.”

“After taking the elixir, the two legs also grew back intact...”

“No way...” Chengfeng murmured in shock, “What kind of supernatural power does this Charlie have?”

“Such an unbelievable thing, can become a reality in his hands,”

“Even in fairy tales, I have never heard of any pill that can regenerate a broken arm...”

Zynn sighed: “Charlie’s ability is no longer possible to imagine.”

“This kind of thing the ordinary people cannot understand it,”

“Let me tell you this, Ruoli has been supported by Charlie one matter after the another, and now she is a five-star warrior!”

“What?!” Chengfeng’s brain was dizzy, and he asked subconsciously:

“Ruoli is now a five-star martial artist!”

“Already a five-star warrior?!”

“I remember that the old man of the He family is only at the level of a three-star warrior?”

Chapter 5348

Zynn nodded: “This is the benefit of being supported by Charlie.”

He knew it at Waderest Mountain that day. Joseph was also devoted to Charlie.

With his strength and character, it is really thanks to Zhiyu and Ruoli that he can stay in the Su family until today.

Otherwise, the Su family may have been completely trampled on by now...”

Chengfeng shook his hands and let out a long sigh:

“It’s my Su family’s luck to have Zhiyu and Ruoli...”

After finishing speaking, he looked at Roma, who was sitting in the co-pilot,

And said with shame on his face: “Roma, I was really ashamed when I gave up Ruoli for the sake of the Su family,”

“And I hope you two don’t hate me...”

Roma turned around, she said seriously: “Uncle, I know that you also had your own reasons for what happened to Ruoli back then.”

“Besides, I can’t just blame you for this matter. He is also responsible for keeping the way.”

“If it wasn’t for him to let Ruoli go to Japan for the killing ring,”

“Destroying the whole family of Matsumoto, it would not force Ruoli into such a passive situation...”

Chengfeng sighed, and asked her: “Roma, where is Ruoli now?”

“This time, I must apologize to her!”

Zynn answered first: “She is busy with the wedding preparations at the hotel, you can see her later.”

“Okay...” Chengfeng nodded, and asked again: “For your marriage, did Charlie let Zhifei come back?”

“He came back.” Zynn replied, “Zhifei just returned to Aurous Hill,”

“But I haven’t seen him yet, he and Zhiyu went to Liona first.”

“Oh yes.” Chengfeng said with emotion: “Almost forgot, Liona also settled in Aurous Hill...”

As he spoke, his expression became even more ashamed, and he said in a low voice:

“Back when I attempted the killing of Liona, I almost killed Zhiyu together with her,”

“I have always felt ashamed of the two of them in my heart.”

“I wonder if I will have the opportunity to visit Liona this time and apologize to her,”

“Or you can ask her for me.....”

Zynn was embarrassed. He said: “I have no contact with her anymore.”

“Let me ask Zhiyu later and ask her to say hello to Liona.”

“If Liona agrees to see you, let Zhiyu take you there.”

“Okay ...Okay...” Chengfeng nodded lightly, and said sincerely:

“During this period of time in Madagascar, I have completely thought about it.”

“I used to think too much about the wealth and power of the Su family.”

“As a result, it has become a lot weaker. Now that I am disarmed and returned to the field,”

“I realize how hateful I was at the beginning.”

“I hope that before I go back this time, I can get forgiveness from Ruoliu, Zhiyu, and Liona...”

When Chengfeng was in power, he was supercilious.

But when he was deprived of everything by Charlie, his state of mind also changed a lot.

As he gets older, what he did at the beginning has become a knot in his heart,

And he also sincerely hopes to be forgiven by his children and grandchildren.

Coming back to attend Zynn’s wedding, it is a good opportunity to untie these knots.

After a moment of silence, Chengfeng thought of something, and suddenly asked Zynn:

"Zynn, who is the witness for your wedding with Roma?"

"Except for me and Roma's family, we didn't invite any outsiders,"

"So we just wanted to keep a low profile and finish it."

"Ruoli invited a well-known male host from Eastcliff to be the master of ceremonies, as the witness I didn't think about it."

Chengfeng nodded, and said seriously: "You two take time to invite Charlie and see if he is willing to be your witness."

"Charlie?" Zynn said awkwardly: "Dad, I don't have any opinion on him."

"It's just that people invite elders or leaders to be witnesses."

"How can we invite a junior to be witness..."

"Junior?"

Chengfeng smiled and asked him: "Do you think we are still qualified to talk about seniority with Charlie in our current situation?"

Chapter 5349

Chengfeng's change was indeed unexpected for many people.

In the eyes of many Su family members, he is the stone in the latrine, so smelly and hard that no one has ever dared to challenge his authority in the family, and he has never bowed to anyone in the family.

But this time, he did have the consciousness to change his past.

After he came to the hotel, accompanied by Zynn and Roma, he immediately found Ruoli, and sincerely apologized to her, begging for her forgiveness.

He bowed slightly, and said to her, "Ruoli, Grandpa used to treat you with a lot of debts, and even betrayed you many times for the benefit of the Su family. Now grandpa dare not ask for your forgiveness. I only hope that you can forgive me. Accept grandpa's sincere apology..."

Ruoli didn't expect that Chengfeng would take the initiative to apologize to himself. Thinking back to her illegitimate daughter, she had never been recognized by Chengfeng. Although she knew that he was her grandfather, she never dared to really treat him like a grandfather, let alone expect him to treat her like a granddaughter.

And when she thought about how she was abandoned by the Su family many times and even nearly died at the hands of the Self-Defense Forces in Japan, she was still indignant.

Thinking back to the few times when she almost died, Ruoli's tears rolled down uncontrollably.

But even though she was crying like rain, she said to Chengfeng very magnanimously: "You have already paid the price for what you did back then, and now I don't blame you anymore."

Chengfeng saw that she couldn't stop crying. He felt ashamed in his heart.

But fortunately, Ruoli was still willing to forgive him, which to him was his wish fulfilled.

Then, Zynn called Zhiyu and told her that the old man wanted to visit Liona.

After Liona learned about it, she also graciously welcomed it.

Zynn originally wanted to go with Chengfeng, but Chengfeng warned him in a low voice:

"Zynn, since you are going to marry Roma, you must keep a distance from Liona, and didn't make Roma feel uncomfortable. By the way, I will let the driver take me there, you can find a chance to talk to Charlie and see if he is willing to be the witness of the two of you."

Zynn thought for a moment, nodded slightly, and said: "Okay Dad, I'll find a chance to ask him."

When Chengfeng used his sincerity to get to Liona, Zynn took the initiative to call Charlie.

At this time, Charlie was shutting himself up in the Champs Elysees hot spring villa, thinking hard.

After coming out of Liona's house in the afternoon, he couldn't wait to come here, wanting to continue studying the ring that Maria gave him.

Today, the ring's beating again made him feel a little confused.

Ever since he got this ring, it has been acting like a spiritual energy scammer. No matter how much spiritual energy he instilled in it, it wouldn't respond at all.

However, since the last time, it was beating inexplicably at University, today it was the second time it was suddenly in the underground garage of Tomson.

In Charlie's subconscious mind, he has always felt that this thing is definitely not simple, because the aura he has input into this ring is already a huge amount. If he uses that aura to activate the Thunderbolt Talisman, the entire Aurous Hill might be thunderstormed for at least three to five days.

However, such powerful energy can disappear without a trace when it enters this small ring. Among other things, the bearing capacity of this ring is already extraordinary.

Charlie is also a person who has read books. He knows that everything in the world must obey a basic physical rule, and the law of energy conservation is one of them.

The basic principle of the law of conservation of energy is that energy will not be created out of thin air, but it will not disappear out of thin air either.

If you compare aura to electricity and this ring to a battery, then you can clearly see what is unusual about it.

Normally, a battery of the same volume is nothing more than an ordinary button battery, and the amount of power it can store is negligible, and a few hundred mAh has already reached the peak of battery technology at this stage.

But the current condition of this ring is like a button battery, which has been charged with thousands or even tens of thousands of kilowatt-hours of electricity!

So here is a question.

According to the law of energy conservation, such a huge amount of energy can never disappear in vain, so it must be stored or transformed by the ring in some way.

But how did it do it? Where does it store all this energy?

Although Charlie couldn't figure out these two problems for a while, he could figure out one thing, that is, this ring can swallow such a powerful aura, which proves that it is definitely not a mortal thing, and even surpassed his understanding of things.

With such a magical weapon, he has been unable to pry into its mysteries while holding it in his hand. Charlie naturally scratches his heart.

He also tried, sending a little spirit energy into it again, but its reaction was still the same as before, accepting all of his spirit energy, and nothing came of it, without any response.

The more so, the more Charlie was puzzled by this thing.

But the current him, no matter what he said, did not dare to pour spiritual energy into the ring unscrupulously, so he could only hold the ring and look at it repeatedly, trying to find out the mystery behind it.

However, this ring is completely a plain circle ring without any lines or inscriptions, and the surface is so smooth that there is not even a small pothole.

Just when Charlie was at a loss, Zynn called him.

On the phone, Zynn said to him after being respectful and polite: "Mr. Wade, actually I am calling you this time to make a request, and I hope you can agree."

He continued: "Mr. Wade, I would like to invite you to be the witness of our wedding...We couldn't get to this day without your help. For the two of us, you are our biggest benefactor,"

"It is very appropriate to invite you to be the witness of the wedding, and I hope will not reject us..." "

"Okay, I will do it."

Charlie only agreed to Zynn's request after a little hesitation.

He felt that since Zynn asked him for this matter, he would not look at the face of the monk but the face of the Buddha.

There were no outsiders at this wedding, nothing more than people from the Su family, the He family, and the Ito family.

Zynn, who originally thought that Charlie might not agree, immediately breathed a sigh of relief after hearing Charlie's affirmative answer, thanked him a thousand times, and then hung up the phone.

Charlie put the phone aside, looked back at the ring, and couldn't help muttering: "You have lied to me so much, and you didn't say thank you or give any response from the beginning to the end."

"I don't care about these things with you, but can you tell me, last time at University and this time at Tomson, why did you suddenly jump inexplicably? Could it be these two places that made you feel something wrong?"

After muttering, the ring naturally didn't move.

Charlie thought of something, and said again: "Then if I take you back to the old place, can you still give the same reaction?"

Thinking of this, his eyes lit up immediately, without saying a word, he put the ring into his pocket. Immediately drove to the University at the fastest speed.

This time, instead of driving in, he parked his car in a parking lot near the University and then walked into the campus.

He clearly remembered the last time the ring jumped at the University, on the way he drove away from here.

So he put the ring on his hand and walked unhurriedly all the way to the Academic Affairs Building.

Chapter 5350

Along the way, every time he took a step, he felt the movement of the ring very carefully.

But to his great disappointment, the ring didn't respond in any way.

He murmured in his heart: "The last time it reacted was on the way out. Could it be that this thing still recognizes the direction?"

Thinking of this, he turned around again and walked the opposite way along the way he came the last time.

But until he walked outside the gate of the school, the ring still didn't respond.

Charlie couldn't help feeling a little annoyed, and thought to himself: "Didn't you dance here last time? Why didn't you dance this time?"

"Did you fall asleep or didn't feel it? Otherwise, I'll take you to Tomson's underground garage!"

The ring didn't give him any response, so in desperation, he could only go back to the parking lot, ready to get in the car and leave, and then return to the underground parking lot of Tomson high-rise to try his luck.

As soon as he drove the car out of the parking lot, his cell phone rang suddenly.

He picked it up and looked surprised, because the person who made the call turned out to be Tianqi's granddaughter, Zhovia.

Charlie has not seen this grandparent and grandson for a long time. He knows that Tianqi opened a medical clinic in Aurous Hill, where he and Zhovia hung pots to help the world, but because there are many things recently, he has not visited them over.

Moreover, the grandparents and grandchildren rarely disturbed themselves, presumably because the medical clinic was busy, and they didn't want to affect themselves too much, so they didn't take the initiative to contact them.

So now that Zhovia suddenly called him, Charlie's first thought was whether she and Grandpa Tianqi were in some trouble.

So, he immediately connected to the phone and said, "Zhovia, you haven't called me for a few days."

Zhovia said with a sad voice: "Master Wade... I am calling you to bid farewell..."

"Farewell?" Charlie frowned, and asked her: "What's the matter? Did you encounter any trouble with Doctor Shi?"

"Not like that..." Zhovia sighed and said quietly: "It's my grandfather who is going to close the clinic and go back to Eastcliff..."

"Back to Eastcliff?" Charlie asked her subconsciously: "I remember that Doctor Shi said that he will settle down in Aurous Hill from now on."

"You have only been here for more than a year, why do you want to leave suddenly?"

Zhovia said vaguely: "This... how should I put it, it is also Grandpa's own decision, and there is nothing I can do..."

"He has already put the hospital's signboard down, and he is thinking of leaving tomorrow."

"Originally, he didn't plan to tell you, because he felt ashamed to say goodbye to you, and wanted to call you to apologize after he left...but...but..."

As Zhovia was speaking, she suddenly sobbed softly, choked up, and said, "But I couldn't bear to leave Aurous Hill and Master Wade..."

"That's why I called, and I want you to persuade Grandpa again..."

Charlie said without hesitation "Don't cry, Zhovia, tell me where you are now?"

"Still in the hospital..." Zhovia choked up and said, "Grandpa plans to tidy up everything tonight."

"Okay!" Charlie immediately said: "You wait for me there, I'll come there now!"

When Charlie drove to Tianqi's clinic, the plaque of the clinic had already been taken off and was casually discarded aside.

At the same time, there was a plaque wrapped in red silk and satin at the door, and it was impossible to see what was written on the plaque for a moment.

When Charlie came to the clinic, Tianqi, Zhovia, and a boy were packing up all kinds of medicinal materials on the medicine cabinet.

Seeing Charlie come in, Zhovia shouted excitedly: "Master Wade!"

After finishing speaking, she ran towards him, threw herself into Charlie's arms, and began to cry.

Charlie quickly asked her: “Zhovia, what’s the matter? Tell me all.”

Tianqi also saw Charlie’s expression at this time, he was startled, then staggered over with shame on his face, and sighed:

“Master Wade... why are you here? Did this girl tell you something?”

Zhovia cried and said, “Grandpa, I don’t want to leave Aurous Hill, so I wanted to ask Master Wade to persuade you...”

Tianqi With a long sigh: “Hey! I would like to gamble and admit defeat. Since I lost, how can I continue to stay here...”

Zhovia cried stubbornly: “But losing is only losing clinic! The big deal is that you gave the clinic to him, we don’t need to leave Aurous Hill because of this!”

Tianqi asked her back: “My bet with him is that if I lose, I will hand over the clinic to him. the clinic is gone, so what else do I have in Aurous Hill to stay back for?”

Zhovia cried and said, “But I just don’t want to leave Aurous Hill... I haven’t learned the real Sanyang acupuncture from Master Wade, so I don’t want to go...”

On that day, the old man of the Song family was seriously ill, and Tianqi took her with him. Zhovia came to the rescue but happened to meet Charlie on a narrow road.

At that time, she was dissatisfied with Charlie, but after seeing Charlie use the real “Sanyang Acupuncture”, he immediately cast his admiration on him.

Although the Sanyang acupuncture method is a medical skill handed down by the Shi family’s ancestors, What the Shi family’s ancestors learned is only superficial.

The real Sanyang acupuncture method is much more powerful than the acupuncture method handed down by the Shi family.

Zhovia also knew that many of the top Chinese medical skills had been secrets that had not been handed down over the years,

So she never expected that Charlie could teach her. Today, she said so suddenly, but she just wanted to find an excuse to stay in Aurous Hill.

Charlie asked in surprise at this time: “Master Shi, what did you lose clinic?”

Tianqi said with a face of shame: “Master Wade... is really inferior to others in his skills. If you lose, you won’t have the face to mention it to you...”

Zhovia blurted out, “It’s an old man who came two days ago! He was going to have a medical competition with grandpa when he came, and he said that if he wins, he would ask grandpa to take off the plaque of the clinic,”

“Give him this place to run the medical center, and say that if he loses, he will give grandpa an ancestral medicine cauldron... Grandpa didn’t know what to think, so he promised him...”

Charlie said curiously: "Doctor Shi, it sounds like the other party is obviously setting up a trap for you. With your style of acting, you shouldn't be fooled like this!"

Tianqi's old face struggled awkwardly for a long while before lamenting: "Master Wade, I'm telling you the truth!"

"I was deluded by a ghost. Seeing his medicine cauldron as really a good thing."

"I thought I usually refine a lot of medicine. If I could win that medicine cauldron it would have surely relieved some of the burden in refining medicine in the future,"

"But I never thought that I would mess it up, I am really ashamed!"
