

Chapter 5361

Hearing Charlie's words, Mateo felt as if struck by lightning and was speechless in a daze.

After a long while, he asked Charlie with an expression of disbelief:

"Wade...Master Wade...this...this pill can make me enter the Great Consummation of the Ming Realm?!"

"With your current cultivation situation, the efficacy of this elixir is enough to allow you to achieve a breakthrough."

Mateo still couldn't believe it, and asked in surprise:

"What kind of elixir is this, it can be so magical?"

Charlie smiled and said: "This is the Blood Dispersing Heart Saving Pill, you should have seen it before."

Mateo asked in horror: "Master Wade... this... this is... the Blood Dispersing Heart-Saving Pill that saved your grandfather that day?"

"This medicine can be called a panacea. It can bring the dead back to life! Are you really going to give it to me?!"

On that day, Mateo settled down in his home and witnessed the power of the Blood Dispersing Heart-Saving Pill in bringing back life.

After all, he had taken the Life-Extending pill from the master,

And he had also seen the huge difference between Mr. An's consumption of the Life-Extending pill and the Blood Dispersing Heart-Saving pill.

Therefore, he knew very well in his heart that the strength of the Blood Dispersing Heart Saving Pill might be ten or dozens of times stronger than his master's Life-Extending Pill.

And this is also the biggest driving force for him to travel thousands of miles to Aurous Hill.

But he never thought that the first time he met Charlie,

Charlie would simply give him such a precious elixir, and at the last second because he set up a trick for Tianqi, and he was caught by Charlie.

So, he tentatively asked nervously: "Master Wade...why did you send such a valuable elixir to your subordinates?"

Charlie smiled lightly: "Since you have sworn allegiance to me, you are my subordinates. Let this elixir be my gift to you."

Mateo was apprehensive, but when he found Charlie's expression was serious,

He didn't seem to be joking with him, and he became very excited again.

This blood-dispersing and heart-saving pill is of great significance to him.

In the past two hundred years of Taizhen Dao, no one has been able to break through the eight-star martial artist and enter the Great Perfection of the Bright Realm, let alone step into the Dark Realm.

Therefore, he also once thought that he might be the same as the masters and that he would not be able to enter the Ming Realm Dzogchen in this life.

But now, Charlie told him that he only needed such an elixir to achieve a breakthrough, which made him ecstatic!

So, he took the elixir respectfully with both hands, and said in an extremely pious tone:

“Master Wade, your great kindness and virtue, I will never forget it!”

Charlie waved his hand slightly, and said, “Okay, there is no need to be polite to me here,”

“Hurry up and take the elixir and go back to the place where you live and concentrate on breaking through.”

“After the breakthrough, come to the clinic again to find Doctor Shi and report to him.”

The reason why Mateo was asked to come to Tianqi’s Clinic to report to Tianqi,

Is to place his position under Tianqi for the time being, on the one hand, to frustrate Mateo’s spirit of eight-star fighters,

And on the other hand, to give Tianqi a step up.

Mateo also knew that Charlie had his own considerations, so he immediately said without hesitation:

“This subordinate obeys orders!”

Immediately, he looked at Tianqi very ashamedly, and said: “Doctor Shi,”

“The previous competitions were just a joke little trick, your medical skills are definitely far superior to someone Hong’s.”

“My previous behavior is really out of line, and I hope you don’t see me in the same way!”

Tianqi said quickly: “Master Hong, you are welcome. From now on, you will be Master Wade’s person,”

“Now, we are friends, so there is no need to mention the previous things.”

Seeing Tianqi’s generosity, Mateo quickly bowed and said,

“Master Shi, Hong will stay in Aurous Hill from now on. If you need my help with anything, you can contact me at any time.”

“No problem!” Tianqi said and nodded politely.

Chapter 5362

Mateo turned around and looked at Charlie again, bowed, and said,

“Master Wade, if you have no other orders for the time being,”

“The subordinates will go back to the hotel for retreat first.”

Charlie nodded: "Go, if there is anything at my grandmother's side remember to report any new trends to me as soon as possible."

"My subordinates understand!"

Mateo nodded heavily and then left Tianqi's Clinic gratefully.

After Mateo left, Tianqi finally breathed a sigh of relief, and couldn't help sighing:

"Thanks to Master Wade, you showed up in time,"

"Otherwise, my clinic would have been deceived by this Master Hong."

Charlie said with a smile: "It doesn't matter, if he really took it, I could get it back for you."

After that, Charlie said again: "Dr. Shi got set up like by Mateo,"

"And the reputation and popularity will definitely be affected a little,"

"But the more this is the case, the more difficult it is to explain it to the public,"

"Otherwise there will be a possibility that the description will become darker and darker."

"Therefore, Doctor Shi will pretend to be stupid about this matter."

"No matter who asks, he will know nothing about it. In order not to be caught by the pigtailed,"

"The memory of the public is at most a week, as long as this week is passed,"

"This matter will be considered a turning point, once the turn is over,"

"We must regain the lost word of mouth and popularity as soon as possible."

Tianqi said without hesitation: "Master Wade, don't worry,"

"I will go all out to restore the reputation and popularity of Tianqi's Clinic as soon as possible."

Mateo was also very happy, holding Charlie's arm excitedly, shaking it, and said with a smile:

"Mr. Wade! Finally, I don't have to leave Aurous Hill! Thank you, Master Wade!"

"It's all up to you to help me and my grandfather turn the tide!"

Charlie smiled slightly: "You don't need to be so polite,"

"In Aurous Hill, no one can bully friends of mine."

Mateo was so excited, he held Charlie's arm and said happily: "Master Wade is the most powerful!"

Tianqi said at this time emotionally: "I didn't have the face to tell you at first,"

"And wanted to tell you after leaving Aurous Hill quietly."

"Fortunately, Zhovia called you for help. Otherwise, I'd have given the clinic over."

Charlie smiled and said, "In the future, if you encounter such a thing, firstly,"

“Don’t bother and don’t take the bait, and secondly, notify me as soon as possible.”

After that, he looked at the time, then he said to the two:

“Okay, you should take the time to unpack again and prepare for business.”

“I want to find a quiet place to study Mateo’s medicinal cauldron carefully, so I will leave first.”

Hearing him going to study the medicine cauldron, the grandfather and granddaughter nodded in unison,

And Tianqi respectfully said: “Master Wade, I will send you off!”

“No need. Many things in your medical center have been put away,”

“And you have to take them out and put them back together, so let’s get down to business.”

After Charlie bid farewell to Tianqi and Mateo,

He took the cauldron and drove to the villa of Champs Elysees.

He had refined a batch of Blood Dispersing Heart-Saving pills here before.

At that time, he asked Qinggang to prepare a batch of medicinal materials.

Qinggang specially prepared a dose of medicine far exceeding Charlie’s needs,

So Charlie refined the batch of Blood Dispersing Heart-Saving pills at that time.

After preparing the pills, there are still a lot of medicinal materials left here.

It was precisely because of this that Charlie planned to go directly to Champs-Elysees,

And use this medicinal cauldron to refine a batch of Blood Dispersing Heart Saving pills to see what effect this medicinal cauldron has!

Chapter 5363

When Charlie was about to start alchemy, Mateo also returned to the hotel where he stayed.

Like a thief, he hurried into the hotel lobby, quickly got into the elevator, and slipped back to his room.

As soon as he entered the room, he locked the door and put on the anti-theft buckle.

Then he was still worried, and moved the coffee table into the living room,

And firmly pushed it against the door.

After finishing all this, he couldn’t wait to go back to the bedroom,

Pulled up the curtains tightly, and then took out the Blood Dispersing Heart Saving pill from his bosom.

Mateo also knows some superficial alchemy techniques,

So he can tell at a glance that the elixir Charlie gave him is nothing ordinary.

At the very least, the color and fragrance of this pill are much stronger,
Then the pills he refined and the life-sustaining pills were handed down by Taizhen Daozu.
Excited, Mateo couldn't wait to put the pill into his mouth after looking at it carefully.
As soon as the elixir was put into his mouth before he could swallow it,
It turned into a ball of medicinal power and poured into his stomach.
Mateo exclaimed in his heart: "This... the masters have always said that a good medicine should melt in the mouth,"
"And only the medicine that melts in the mouth is the purest medicine."
"I didn't believe it before. Now it seems that the ancestors were not deceiving me!"
As soon as he finished sighing, he felt a burst of powerful medicinal effects rising from his stomach.
The huge energy was like a huge wave coming,
So he immediately got 12 points to deal with it with all his strength!
Fortunately, although the energy is surging, it is very gentle as a whole,
Not like that kind of uncontrollable force that seems to tear people apart at any time.
As an eight-star martial artist, he had already opened up all the eight extraordinary meridians.
These surging medicinal power flowed into the dantian along the eight meridians.
While widening the eight meridians, his stagnant cultivation immediately underwent a qualitative change!
Originally, there seemed to be a vault that could not be broken through by the physical body to enter the dark realm.
He knew that the dark Realm was behind the door of the vault, but he couldn't open the door of the vault at all.
He is like a thief who is deliberately trying to steal the treasury's finances.
He has been wandering outside the treasury for many years,
Trying almost all methods that can be tried, but there is still no progress.
But now, the moment the effect of the Blood Dispersing Heart Saving Pill reached Dantian,
The incomparably strong door of the entire treasury immediately began to crumble in front of him!
Immediately afterward, he felt that the gate of the entire vault had completely disappeared, and the huge wealth in the vault was already in front of him.
Then, he even felt that the treasury seemed to have merged with his dantian,

And the wealth it had guarded for so many years was completely given to him.

At this moment, Mateo was already in tears.

He knows that at this moment, he has successfully completed a breakthrough and entered a new realm!

He felt that his strength had undergone a qualitative change compared to before.

The true energy in his body was more surging, the strength of his limbs was stronger,

And the perception of his five sense organs was also more sensitive.

The whole person is completely all-around and qualitatively improved.

And what he never imagined in his dreams was that all this could be so simple.

At the same time, at this moment, he suddenly realized that Charlie was far stronger than he imagined.

This kind of strength is not reflected in strength, but a huge contrast.

Things that he hasn't been able to solve after so many years of hard work can be solved by others with just a pill.

But the gap between himself and Charlie may be too great.

It was also at this moment that he suddenly felt very grateful for his decision to stay by Charlie's side and do the work of a dog.

If it weren't for this decision, he might not be able to see the wonderful feeling of the Great Perfection in the Ming Realm until his death!

...

Chapter 5364

At the same time.

In Champs Elysees Spa Villa.

Charlie had already prepared the medicinal materials capable of refining twenty Blood Dispersing Heart Saving pills,

And decided to use a furnace of these pills to open the cauldron for this medicine.

Fortunately, the medicinal materials needed for Blood Dispersing Heart Saving Pill are not rare,

So Qingang prepared a lot for him at the beginning.

The reason why Charlie wanted to use the medicine cauldron to try to refine Blood Dispersing Heart Saving Pill,

It was mainly because the medicinal materials were sufficient,

And he would not feel distressed if something went wrong during the refining process.

Under normal circumstances, he would use at least 20 to 30 catties of various medicinal materials.

To refine twenty Blood Dispersing Heart Saving pills.

However, his previous method of alchemy was to wrap these medicinal materials with spiritual energy,

And temper the essence with spiritual energy. Then use aura to condense the essence of these medicinal materials into pills.

The advantage of this is that even if there are many medicinal materials,

As long as there is sufficient aura, they can be refined at the same time.

However, what Charlie is a little puzzled at the moment is that the medicine cauldron is not that big,

And the capacity seems to be able to hold two or three catties of medicinal materials.

In this way, wouldn't it be possible to refine only one elixir at a time?

After all, Charlie had never used the cauldron to make alchemy, so he decided to try it with a little medicine first.

Afterward, he put about three catties of medicinal materials into the cauldron,

And then transferred the aura into the cauldron to activate the formation in it.

Immediately afterward, he felt that the formation in the cauldron began to rotate at a high speed,

And as soon as the formation started to operate, the full medicinal materials were instantly sucked in by the formation,

And the formation was like a black hole, instantly dispelling these medicinal materials, and devoured all without a trace.

Charlie couldn't help being startled, he didn't expect that this formation was so powerful in consuming medicinal materials,

So he quickly allocated more energy to put more medicinal materials into it,

And it devoured all of it just like before.

In the blink of an eye, twenty or thirty catties of medicinal materials were completely swallowed up,

And the formation was still running fast, with no intention of stopping.

Charlie didn't dare to slack off, and could only continuously pour in spiritual energy into it.

He saw that the battle of the medicine cauldron devouring the spirit energy was similar,

To the cheating ring that Maria gave him, so he couldn't help feeling a little nervous,

Afraid that this thing would be like that ring, sucking out his spirit energy like crazy.

The formation rotated rapidly and in the very center of the formation,

Soon there were some small spherical objects that were continuously condensing and growing.

Fortunately, the Blood Dispersing Heart Saving pill is not a high-grade pill,

And it is not difficult to refine, so the high-speed operation of the formation only lasted for a minute, and then slowly stopped.

Charlie finally breathed a sigh of relief when he saw that the formation no longer needed his aura to drive it.

Although it absorbed the aura very quickly just now,

Because the time was relatively short, it didn't consume much aura.

Immediately afterward, the formation began to slow down slowly,

And Charlie could feel that the spherical objects in the center of the formation were now about the same size as ordinary pills.

The moment the formation stopped, the spherical object inside finally revealed its real body.

Charlie looked inside the medicine cauldron, and what lay inside were twenty new pills with a faint golden luster!

Chapter 5365

He took out the elixir from the medicine cauldron, looked carefully in front of him,

And could clearly feel that the aura emanating from this elixir was much stronger,

Then the previous Blood Scattering Heart-Saving Pill,

Just the elixir emitted scent gives people a more mellow feeling.

Charlie put the elixir into his mouth, and the pure and surging medicinal power quickly flowed all over his body.

The Blood Scattering Heart Saving pill does not contain aura,

So it does not help his cultivation much, but he can still clearly feel that,

This new Blood Scattering Heart Saving Pill is about twice as effective as the previous version!

What's even rarer is that the new Blood Blood Scattering Heart Saving Pill is not only more effective,

But also seems to be purer in efficacy, both horizontally and vertically.

The purer the effect of the medicine, the more qualitative change will be achieved.

Therefore, Charlie speculates that if this new Blood Scattering Heart Saving Pill is given to ordinary martial arts practitioners,

The stronger and more pure medicine will definitely make people feel better.

The dantian meridians and even the whole body can be greatly improved,

And the actual comprehensive medicinal effect may be comparable to the previous three Blood Scattering Heart Saving pills.

With the same quality and weight of medicinal materials,

The number of elixirs refined has not changed, but it is because of the function of this medicine cauldron,

That the effect of elixirs has been greatly improved, which makes Charlie very excited.

He couldn't help muttering to himself: "I don't know if Rejuvenation Pill and Cultivation Pill can have the same effect when refined with this medicinal cauldron."

"If the efficacy of the Rejuvenation Pill is doubled, wouldn't it be able to prolong people's life for forty years?"

"And if The efficacy of the Cultivation Pill is doubled,"

"Which means that the aura contained in it will also be doubled,"

"For me, it is definitely the best choice to replenish aura."

Thinking of this, he couldn't help sighing: "It's a pity that the Wannian ambergris that I got from Cary last time has been used up."

"If I have to refine a new Cultivation pill,"

"I have to find a new way to find an ambergris of the same quality."

Immediately, Charlie called Qingang, Issac, and Joseph respectively,

Asking them to help pay attention to see if there are high-quality ambergris for sale in various markets,

And if so, be sure to procure it at any cost.

After informing the three of them, Charlie called Ruoli.

When the phone was connected, Ruoli asked respectfully,

"Mr. Wade, what can I do for you?"

Charlie asked her, "Ruoli, where are you?"

She said, "Mr. Wade, I am at Shangri-La."

Charlie asked again: "Do you have any important things at hand?"

Ruoli replied: "There is nothing important, basically just some small details of the wedding,"

"If you have any orders, just say, I will take care of it!"

Charlie said: "Okay, then drive to the Champs Elysees Hot Spring Villa now,"

"Come alone, don't tell anyone."

“Champs Elysees Hot Spring Villa?” Ruoli asked subconsciously:

“Is it your mid-mountain hot spring villa in the suburbs?”

“Yes.” Charlie said, “Hurry up and come here now, I’ll wait for you here.”

Chapter 5366

Ruoli was surprised.

She didn’t understand why Charlie suddenly asked her to,

Go to the Champs Elysees Hot Spring Hotel to meet him.

It sounds like something important is going on.

So, she said without hesitation: “Okay, Mr. Wade, I will leave now!”

“Okay!” Charlie instructed, “Be careful on the road.”

Leaving Shangri-La, Ruoli drove towards the suburbs.

Half an hour later, she drove the car to the door of Charlie’s hot spring villa in Champs Elysees.

Just as she was about to get out of the car and ring the doorbell outside the yard,

The door opened from the inside.

Charlie appeared at the door, beckoning to her with a somewhat anxious expression.

Ruoli knew that Charlie asked her to drive in directly, so she drove into the yard.

As soon as she got out of the car, Charlie pulled her out of the car and walked quickly, saying,

“I need your help with something important.”

“I don’t know how long it will take. Let’s hurry up.”

Ruoli was held by Charlie pulling her, a bit of shyness suddenly appeared in a haste,

And she thought to herself: “Mr. Wade, could it be that he wants to be with me...”

“Oops... Ruoli, what are you thinking...”

She didn’t know what Charlie was going to do,

But she can’t help but think wildly in her heart,

Feeling that no matter what Charlie asks her to do,

She will not hesitate at all, even if there are some excessive demands, she will not hesitate at all.

And what Charlie was thinking at this time was all about the golden Blood Scattering Heart Saving pill,

That he had just refined half an hour ago.

He couldn’t wait to pull Ruoli all the way,

And the two walked quickly to the basement of the villa.

This journey made Ruoli's heart beat faster and felt extremely ashamed.

However, when Ruoli entered the basement where Charlie made medicine,

She immediately smelled a very unique medicinal fragrance.

This medicinal fragrance is much more mellow than any medicinal fragrance she has ever smelled before.

It gave her the feeling that the scent of medicine she had smelled before was like blended liquor with a price of less than 100 yuan,

But the smell she smelled now was a high-end wine brewed from real pure grains, that has been stored and aged for many years.

Smelling this medicinal fragrance seems to make people get rid of all diseases and feel happy physically and mentally.

At this time, Charlie suddenly handed her a golden pill, and said,

"Ruoli, help me try this pill."

Ruoli looked at the pill in front of her. Slightly startled, subconsciously asked:

"Mr. Wade, what is this elixir for? Is it a new medicine?"

Charlie pursed his lips, and said hesitantly: "Yes, no, I ate one just now, but the feeling is not so accurate,"

"So I want you to try it for me."

Ruoli quickly said: "Mr. Wade, I have already taken a lot of your priceless pills,"

"And just became a five-star warrior some time ago, how can I waste more of your pills now..."

Charlie said seriously: "The pills are refined for people to eat, as long as they are eaten,"

"There will be no waste. What's more, this is not something you owe me,"

"But I ask you for help. To me, this elixir seems to have produced a resistance,"

"I can't taste its real effect now, I want to know whether it has any effect and how much of it,"

"I still have to let the warriors try the efficacy,"

"In terms of warriors, among the warriors, I trust the most one is you,"

"So I can only ask you to come over and try it out."

Charlie knew that Ruoli didn't know that he had a new medicine cauldron,

Nor did he know that the medicine was more effective than the previous Blood Scattering Heart Saving Pill Quite a lot,

So he deliberately said: "What's more, it's still up to you whether this elixir is effective or not."

"If there are any side effects, it may affect you,"

"But you don't have to worry, I will protect you in any case."

Upon hearing this, Ruoli quickly expressed her opinion without thinking:

"Mr. Wade, with you here, I am not afraid at all!"

Chapter 5367

The reason why Charlie turned to comfort Ruoli is not to worry about fear,

Is nothing more than retreating and using aggressive methods to make her stop refusing his invitation to let her test the drug.

He still knows her very well. When this girl worked for the Su family before,

Although her methods were somewhat cruel, she was a very affectionate and righteous person.

Towards him, she would definitely be loyal and unreserved.

It is precisely because of this that he thought of asking her to help him,

With the medicine as soon as he refined the new batch.

He knew very well in his heart that the efficacy of this elixir would definitely be stronger,

Than the previous Blood Dispersing and Heart Saving elixir,

And it would not have any bad side effects, so it must be a good thing for Ruoli.

And Charlie's provocative method has indeed worked.

Ruoli no longer thinks about whether she owes Charlie too much favor at this moment.

She only thinks that she must not let him doubt her loyalty and courage.

So, she took the pill from him, and asked firmly:

"Mr. Wade, should I take the pill now?"

Charlie nodded: "Take it, I will watch by your side, there shouldn't be any problem."

"Okay!" Ruoli nodded slightly, then sat cross-legged on the ground,

And put the elixir into her mouth very simply.

Ruoli had used the Blood Dispersing and Heart Saving Pill before,

And knew that this kind of pill would turn into pure medicinal power,

And go straight to the dantian, so she also made preparations in advance.

And waited for the surging medicinal power in the pill.

However, she did not expect that the potency of this elixir far surpassed the Blood Dispersing and Heart Saving elixir she had taken before.

The medicinal power was already surging, and it quickly poured into her eight meridians,
And frantically flowed into her dantian.

Before she could react, the sixth meridian was instantly opened up by the medicine,
And she also became a six-star warrior in an instant!

Six-star fighters are rare even in the Cataclysmic Front,
And it is even more difficult to find a second person in the whole country!

However, Ruoli didn't even have time to be happy for herself as a six-star warrior,
The seventh meridian in her body was also washed away by the medicine in an instant!

In the blink of an eye, Ruoli jumped another level, from a six-star warrior to a seven-star warrior!

Ruoli herself did not expect that the total time for her to become a six-star warrior was only a short two or three seconds!

Charlie didn't expect that she would be able to upgrade two levels in a row.

After all, the later the cultivation level, the harder it is to upgrade.

A single pill can be upgraded from five stars to seven stars,

Which is indeed better than the general blood-scattering and heart-rescuing pills. Not a lot!

Seven-star warriors in their twenties, even in the Cataclysmic Front, are rare.

The He family has practiced martial arts for hundreds of years,

And it is impossible to produce a seven-star warrior in their twenties.

They dared not even think about it.

But now, this young girl, who is only in her early twenties, has officially entered the ranks of seven-star warriors,

Creating a new record for the He family and even the domestic martial arts families.

However, right now, Ruoli still has a lot of medicinal power in her body,

Which is constantly rushing towards the eight extraordinary meridians!

And her seven meridians that have been opened up are obviously still unable to bear the powerful medicinal power,

And this medicinal power is also rushing towards her eighth meridian.

Chapter 5368

So, Charlie was surprised to find that Ruoli's eighth meridian showed signs of loosening under the impact of the medicine!

He exclaimed in his heart: "Could it be that this elixir can raise Ruoli from five stars to eight stars?!"

Although Ruoli couldn't speak at this time, her heart was already turned upside down!

While trying her best to transform her inner energy,

She couldn't help exclaiming inwardly: "What kind of elixir did Mr. Wade give me..."

"Why does it have such a powerful effect..."

"I'm now actually...a seven-star warrior... ..Isn't this too fast?!"

Immediately afterward, she also felt the change of the eighth meridian,

And she was even more stunned: "This...is the eighth meridian also to be broken?!"

At this time, the surging medicinal power is like a volcanic magma that is about to erupt,

Continuously accumulating energy in the crater, ready to go.

And the crater obviously couldn't suppress the surging energy,

It kept trembling and cracking, and it seemed that it would be completely washed away anytime, anywhere.

Charlie was also a little excited, he was always observing the situation,

Waiting for her eighth meridian to open up.

At this moment, the surging medicinal power suddenly spewed out from her blocked eighth meridian!

At this moment, Ruoli's entire state and aura even underwent an earth-shaking change!

It was also at this moment that she officially entered the rank of an eight-star warrior!

The eight meridians in the body have all been opened up!

At this point, the powerful medicinal power finally showed signs of weakening,

And was gradually digested by Ruoli's body, slowly returning to calm.

Ruoli opened her eyes, feeling that she had just undergone a reborn change.

The eight-star martial artist's senses had obviously improved a few floors.

Ruoli couldn't believe it was real because of the sudden enlightenment.

Charlie knew that Ruoli would definitely not be able to accept it immediately,

So he didn't rush and waited for Ruoli to get used to it.

Ruoli was a little sober at this time. Seeing Charlie looking at her with a smile,

She couldn't wait to ask him: "Mr. Wade, what kind of medicine is this?"

"It has such a powerful effect. The eight meridians in my body seem to be cleared up!"

Charlie smiled slightly: "It doesn't seem, it is real, it is indeed all cleared up,"

"Congratulations, you have now become an eight-star warrior."

Surprised and delighted, Ruoli couldn't help but said:

"This is too amazing... More than a month ago, I was only a three-star fighter,"

"And I broke through to five stars one after another, and even broke through to eight stars..."

"I have never in this life dared to imagine that one day I could become an eight-star warrior..."

After that, she came back to her senses, knelt on the ground,

Looked at Charlie, and said respectfully: "If I can see this day today, everything is because of your support, Master!"

"I am grateful for your great kindness! In this life, as long as I breathe,"

"I will definitely go through fire and water for you, in order to repay your kindness!"

Charlie stretched out his hand to help her up, and said, "Ruoli, after finishing your parents' wedding, in the next period of time,"

"You need to strengthen your cultivation base, your cultivation base has improved too fast recently,"

"Hard power. Although you have reached the level of an eight-star warrior,"

"Your mentality, actual combat experience, and the control of the true energy in the body are still far from reaching the height of an eight-star warrior."

Ruoli suppressed her excitement. In a heartbroken mood, she said respectfully:

"Don't worry, Mr. Wade! When my parents' wedding is over,"

"I will definitely retreat and practice for a while!"

"Okay!" Charlie nodded in satisfaction, and said, "When the time comes, when you have solidified your foundation as an eight-star warrior,"

"I will help you break through the Great Perfection of the Light Realm until you become a master of the Dark Realm!"

Chapter 5369

"Becoming a master of the dark world?"

Ruoli was shocked by Charlie's words and was speechless.

She subconsciously asked him: "Mr. Wade, without any talent,"

“Is there really a chance to become a master of the dark world?”

“Yes.”

Charlie said firmly: “To become a master, talent is not important,”

“What is important is whether you can grasp the right time, place, and people,”

“Although some people are very talented, it is impossible for them to cultivate the Great Perfection of the Bright Realm in a lifetime,”

“So let alone become a master of the Dark Realm.”

After finishing speaking, he looked at her, and said very seriously:

“You have the right time and place to become a master of the dark realm.”

“As long as you can work hard and consolidate your existing cultivation base,”

“You will be able to become a master of the dark realm in the future.”

“Maybe in two or three months, you will be able to become a master of the dark realm.”

“You’re a master of the dark realm.”

Ruoli’s eyes turned red with excitement, even filled with tears.

She never thought that one day, she would have the opportunity to become a master of the dark realm.

For the vast majority of martial arts masters, the dark realm is a supreme realm that can never be reached.

Without a complete set of martial arts mentality,

Not to mention entering the dark realm, even becoming an eight-star martial artist is an extravagant hope.

Many martial arts families and sects have cultivated for dozens of generations relying on some incomplete martial arts mental methods,

And they can’t even train a five-star martial artist, as was the case with the He family before.

Therefore, it is as difficult as climbing to the sky to cultivate a dark realm warrior.

Moreover, in the journey of martial arts, every level from the three-star warrior to the next is a big hurdle.

Any hurdle in front of you may not be able to overcome it in your life.

It is as difficult as climbing the sky.

This is also the reason why many eight-star warriors, even warriors in the Dark realm,

Could have been admired by thousands of people in various places,

But they are willing to join the Warriors Camp of the Warriors Den,
And will be controlled by the Warriors Den for the rest of their lives.
For them, the Warriors Camp has a great probability of allowing,
Them to successfully break through the Great Perfection of the Light Realm and become masters of the Dark Realm.
This alone is fatally attractive to them.
In front of becoming a master of the dark realm, money and status are all floating clouds.
Therefore, Charlie guessed that the reason why the Warriors camp of the Warriors Den,
Was able to cultivate dark realm masters in batches was that there was a high probability,
That masters like himself who were proficient in aura and elixirs were sitting behind them.
Because only spiritual energy and elixir can ignore the level barriers of martial arts practitioners,
And help them successfully break through.
For Charlie, although Joseph under his command,
And Jackson, the master of Joseph, has already stepped into the dark, but this is not enough.
In addition, although Reverend and Zyron,
The original special envoys of the Warriors Den were also masters of the dark realm,
Charlie could not regard them as his own.
After all, these two people are controlled by psychological hints.
If the two armies are at war, and these people have the ability to overcome his psychological hints,
They will immediately become enemies.
Therefore, Charlie asked Reverend to return to Turkey to continue to be his special envoy,
While Zyron was arranged by him by the side of Joseph's master Jackson.
In the future, if he wants to confront the Warriors Den head-on,
He must have at least 20 or 30 dark realm experts under his command to have a chance.
If you want to cultivate masters in the dark realm in batches,
A lot of pills are naturally necessary, and this medicine cauldron,
Can just help Charlie get twice the result with half the effort.
Charlie planned in his heart to train Ruoli to be the third master of the dark realm first,
And then systematically select a group of potential martial arts experts from the Cataclysmic Front,

The He family and other martial artists, and train them one after another.

To come with a group of dark masters.

Therefore, he felt that he could also choose a suitable address and set up an organization similar to Warriors Camp,

And train dark masters from this organization in the future.

Seeing that it was getting late, Charlie said to Ruoli:

“Ruoli, you go back and continue preparing for the wedding.”

“No one in the He family can see your cultivation level now.”

“The matter of breaking through the eight-star warrior don’t tell anyone else.”

Chapter 5370

Ruoli said without hesitation: “Mr. Wade, don’t worry, I won’t tell anyone.”

Charlie said again: “In the next few days, I will ask Mr. Chen to transfer some of the villas here.”

“I will repurchase them all back, and then transform the entire Champs Elysees into a private club.”

“It will no longer be open to the public in the future.”

“At that time, I will leave you a villa here.”

“When the wedding is over, I will contact you, you just come here and concentrate on retreat.”

Ruoli quickly asked: “Mr. Wade, why need such a big hot spring resort transformed into a private club?”

Charlie said: “It is said to be a private club, but it is actually just a cover.”

“This place will be completely closed to the outside world,”

“I think it is a beautiful place, and I plan to transform it into a good place for retreat and cultivation.”

Ruoli asked in surprise: “Mr. Wade, do you want to cultivate martial arts masters here?”

“That’s right.” Charlie didn’t hide, nodded very simply, and said:

“To compete with the Warriors Den, we still need many martial arts masters like you.”

“In the future, I will gradually transform this place into a secret base for cultivating masters.”

“When the time comes, you will be the senior here.”

Ruoli asked curiously: “Mr. Wade, I have a question for you...”

Charlie nodded and said, “Say it.”

Ruoli said quickly: “Is it not more appropriate for this kind of cultivation base to be placed in the base of the Cataclysmic Front in Syria?”

“Cataclysmic Front has hundreds of square kilometers of land there,”

“And it is not subject to any control, so it will be more convenient there.”

Charlie smiled lightly, and explained: “It’s good to put it in Syria,”

“But it is too far away, after all, I’m afraid I can’t take care of it. Aurous Hill is more suitable.”

Speaking, Charlie said again: “However, I plan to take two steps for the time being.”

“Everyone will concentrate on closed-door training in Aurous Hill at that time.”

“After improving their cultivation base,”

“They will be sent to Syria for closed-door training immediately,”

“And they will also receive modern military training there.”

Ruoli asked in surprise: “Do you want them to receive military training?”

“That’s right.” Charlie said seriously: “Although martial arts masters are rare,”

“In front of modern weapons, many martial arts masters do not fight back at all.”

“Therefore, the masters we will train in the future must not only be strong,”

“But also be proficient in modern weapons. Only by working together can their combat effectiveness be maximized.”

On the way back to the downtown area of Aurous Hill, in order to prepare for the establishment of the Warriors Camp he called Joseph.

When the phone was connected, Joseph asked respectfully:

“Mr. Wade, what are your orders?”

Charlie said: “Joseph, I want to build a high-secret level base.”

“You will start to organize the training center in the near future.”

Joseph quickly asked: “Mr. Wade, what requirements do you have for the training center?”

Charlie said: “First of all, the level of confidentiality must be high enough,”

“Even in the front inside of the base of the palace must also be kept absolutely secret,”

“And it is best to build it completely underground;”

Joseph said respectfully: “Mr. Wade, this is easy to handle.”

“For a foolproof design with a high defense level,”

“I can find how much area you need and what functions you need to achieve,”

“And I will arrange the rest!”

Charlie said: "Secondly, at least 10,000 square meters of the construction area is required,"

"At least to ensure Twenty or thirty people are here to train and live in isolation at the same time,"

"Even if they don't come out for a year, there will be no problem at all."

Joseph immediately said: "No problem,"

"I will build corresponding life support hardware to ensure that your requirements are met."

Charlie asked him: "When will the work be completed?"

Joseph replied: "Mr. Wade, we are currently working overtime on construction."

"The entire base should be fully operational next year."

"I will try my best to complete the 10,000 square meters you ask by the end of this year!"

"Okay," Charlie said with satisfaction:

"There is another task for you during this time."

Joseph hurriedly said: "Mr. Wade, please do not hesitate to order, the subordinates will definitely do their best!"

Charlie said: "I want you to carry out inside the Cataclysmic Front,"

"Do a private comprehensive assessment, you can choose by yourself,"

"Choose 30 core members with the strongest strength,"

"With the best understanding, and the highest loyalty,"

"And submit the list to me when the time comes."

Joseph said without hesitation: "Okay, Mr. Wade!"
