

Catch Me If You Love Me

Chapter 54

If this is changed to the past, the people around will definitely agree without hesitation. But this time, he was obviously hesitant.

“Miss. Shiyue hasn’t been able to hide it. Liam already knows about this, otherwise Rong Rui won’t be allowed to intervene. We are rushing now, I am afraid it will be Liam...”

Shiyue couldn’t hide it, and Anna Yun naturally couldn’t hide it.

But the three words “Zoey Gu” are like a thorn in her heart now. The longer he stayed between her and Liam Lu, the deeper the stabbing.

She can’t bear it.

Thinking of this, Anna Yun squinted slightly.

“Since you have to take many years of love to take a risk sooner or later, then simply take care of Chase Gu!”

The day passed quickly, and in a blink of an eye it was sunset again.

Before the time agreed with Rong Rui, familiar footsteps came from the corridor, and the door was opened.

“Zoey Gu, you can go now.”

When the words fell, a few people walked in immediately, could not help holding Zoey Gu, turned around and walked out, urging her constantly.

“Hurry up, people are waiting for you outside, don’t dare!”

Zoey Gu was almost dragged away, subconsciously raising her head to look at the time.

It was six o’clock, two hours earlier than agreed.

Before she even had time to say goodbye, a woman screamed loudly.

“Quiet, live well. In this world, no one deserves your grievances to hurt yourself.”

Zoey’s nose was sour, and she subconsciously turned his head to say something, but was pushed abruptly by the people around him.

“Faster!”

“I really don’t get it. Driving deliberately hurts people, and there are so many people trying to save you...”

Zoey Gu was startled.

so many people?

She hadn’t understood the meaning of the man’s words, and she was pushed all the way out of the detention center.

Bang!

The iron gate made a loud noise behind him.

Zoey Gu was still in the mist almost the previous moment, and there was no time to react the next moment, and he was already standing under the faint light outside the detention center.

The cold wind blowing at night made her shiver.

“Miss Gu.”

A car stopped not far away, and quickly turned off, and a tall man in a suit ran all the way to her.

“Hello, I am Rong Shao’s assistant. He sent me to pick you up.”

Zoey Gu stood on the spot with her lips pursed, before asking anything, the person seemed to have seen her doubts and said something with a smile.

“It was eight o’clock that Rong Shao had an appointment with you, but all the necessary procedures have been completed. It is best to leave early in this kind of place. What do you think?”

Zoey Gu only breathed a sigh of relief.

“Thank you. But it’s too late today so I won’t bother Mr. Rong. When I get settled, I will visit him personally.”

But the other party is very persistent.

“Miss Gu, let me see you off. Watching you come home with my own eyes, I can make a deal with Rong Shao.”

After going back and forth, Zoey couldn’t help but nodded reluctantly, and walked behind the man to the car not far away.

When she got to the car, the other party opened the door for her in person.

She said “thank you” and bent down and got into the car.

In the next second, the man suddenly deceived her, strangled her neck, and instantly covered her mouth and nose with a handkerchief with a fragrant smell.

Zoey Gu only felt dizzy in front of him, before she could struggle, she closed her eyes and plunged into darkness...
