

Super Rich Dad Chapter 551-553

Chapter 551

Soon, Shen Tianyang's group walked to a distance of less than thirty meters away from Shen Haoting and slowly stopped.

Shen Tianyang smiled and said loudly, 'How are you doing, clan uncle? How is it, being here today, does it feel like those things from seventeen years ago are still fresh in your mind?'

Shen Haoting heard these words. He clenched his fist fiercely, and the corners of his mouth twitched slightly.

Indeed, this place did not seem to have changed particularly drastically from seventeen years ago, except for some trees that had become thicker.

From the moment he had just walked into this place, Shen Haoting had already recalled all sorts of things from seventeen years ago.

He gritted his teeth. Holding back the anger in his heart, he spoke, 'Of course I won't forget those, for so many years. It was because of that incident that I dared not forget my hatred for a moment. I once swore that one day, I would make your entire overseas Shen family pay in blood!'

Shen Haoting said the last sentence with a single word, as if he was carrying a huge hatred.

However, Shen Tianyang did not take Shen Haoting's words too seriously, and only laughed lightly, full of disdain, 'Hahaha, seventeen years ago, when your Zong family was at its peak, my overseas Shen family was able to destroy you, now do you think I would still put these shrimp soldiers under you in my eyes? Shen Haoting, I still say, if you obediently hand over Shang Dian, I will keep my promise and release your wife and reunite your family of three. I will also give you a sum of money and let you go and live the rest of your lives in peace. But if you don't listen to me, then don't blame me for not being polite. Back then, I killed more than a hundred members of the Zong family and there is no turning back, do you think I still care about your family of three?'

Shen Haoting smiled and his face sank as he hurriedly asked, 'Cut the crap, where is Wan'er?'

Shen Tianyang clapped his hands and the men behind him immediately flashed out an aisle, then two strong men in white brought up Jiang Wan, who was tied up and had a piece of cloth stuffed in her mouth.

Shen Tianyang smiled and asked, 'What, have you thought it over? After all, it's better for a family to be reunited on the road to the Yellow Springs than to have a wife and children in a hot bed. After all, it's better to enjoy the rest of your life in peace than to be reunited with your family. If you don't think about yourself, you should think about your wife and children, even if you don't think about them, you should think about the 200 people behind you.'

When Shen Tianyang said this, Shen Haoting seemed to be touched. Silently, he turned his head to look at the two hundred or so people behind him.

Yes, these were all orphans that he had adopted and raised since childhood. Although he had a rebuilding grace for them, but for so many years, they had indeed given great merits for him

The first thing you need to do is to get a good idea of what you are getting into. There is some discomfort.

Only Shen Haoting quickly relieved himself, because he knew very well that he had let the whole Lei group arrive this time, of course, not for them to sacrifice for himself, because he already had Shangdian's infinite energy, so naturally he could easily put down these people of Shen Tianyang

Shen Haoting could not help but recall again yesterday when he absorbed Shangdian energy. The strength that was shown.

The actual fact is that you can't be sure that you're going to be able to get a lot more than just a few of these people.

Shen Haoting paused and then looked at Jiang Wan.

For more than ten years, this was the first time he had looked at Jiang Wan so closely, and he had mixed feelings in his heart.

Jiang Wan's gaze was also full of complicated emotions, as she looked at Shen Haoting, tears slowly slipping down her face, slightly shaking her head, not knowing whether she felt that Shen Haoting had no chance of winning today, or whether she was advising the other party not to save herself.

Shen Haoting also felt a sourness in his nose and held back the tears that were swirling. Then he said loudly, 'Don't worry, Wan'er, we will all be fine today! Don't worry, I will be able to save you

Once Shen Haoting finished these words. He had something else to say, but he didn't want to be directly interrupted by Shen Tianyang.

'Humph, want to save your wife? I said unless you use Shangdian to exchange for it. Otherwise there is no negotiation!' Shen Tianyang's face suddenly sank as he fiercely drew out his dragon head cane, only to hear a 'rude

Shen Tianyang laughed coldly and skimmed the short sword over Jiang Wan's face while saying, 'Shen Haoting, don't blame me for not reminding you, think it over? I know that your relationship with each other is very deep! Don't wait until my hands shake, you won't even have the chance to regret!'

As he spoke, Shen Tianyang ripped off the piece of cloth from Jiang Wan's mouth and bellowed, 'Come on, if you have anything to say, just hurry up and say it to Shen Haoting, or else, this will be the sentence of your life!'

Chapter 552

Jiang Wan glared viciously at Shen Tianyang, with nothing but hatred or loathing in her eyes.

She could not forget how this man had torn apart a complete and happy family of her own, alive.

She could not forget how the Shen clan was slaughtered by this man's hands.

She couldn't forget that this man had tried every possible way to find her son, trying to take him away and kill him.

Perhaps this not-so-normal, tragic white face of Shen Tianyang would never be forgotten in her own lifetime.

And on this day. This man had unexpectedly appeared again, trying to use himself to coerce Shen Haoting into submission.

Jiang Wan laughed coldly, thinking to herself how was this possible?

Jiang Wan turned her head to look at Shen Haoting, her gaze haggard, 'Haoting, I never thought that after 17 years, you and I would meet again. I have no regrets in dying for those days I had your company in this life. Remember, you are Shen Haoting, the man who stands tall, never again beg for mercy from these despicable people, Shangdian must not give it to them, take care of your son

Speaking of the two words son, Jiang Wan's voice trembled, he turned to look at Jiang Hao, his eyes shimmering more and more.

'Jiang Hao, mommy loves you, but mommy may not be able to walk with you anymore, this short sentence, Jiang Wan herself do not know how to say, she choked several times, her heart is full of reluctance.

And Jiang Hao heard the words, a surprised face. He said, 'Mom, don't say that, Dad will definitely be able to get you out today, don't worry, we are a family

Jiang Wan was already in tears at this time, she hurriedly interrupted Jiang Hao's words, trying to squeeze out a smile and said, 'No son mum has you, in fact, already very content, mum mum really loves you, also can't let you go ah

Jiang Wan finished her words, gritted her teeth and turned her head to the side, her gaze filled with hatred as she glared at Shen Tianyang and sneered, 'Shen Tianyang, I've finished. These are the last words you wanted, are you still satisfied?'

Jiang Wan tilted her head up and said unyieldingly, 'Heh, don't you just want to use me to threaten Haoting and make him hand over Shang Dian? I can only tell you that you have made a mistake, do you really think that the people of the Zong family are at your mercy? You are dreaming, if you help the enemy to do evil, then I would rather die!'

Jiang Wan's gaze was firm. As if she had already made up her mind, she rushed towards Shen Tianyang with quick steps, and without any fear, she rammed directly into the blade of the short sword in Shen Tianyang's hand!

This scene was really too sudden. It was so sudden that Shen Tianyang was caught off guard.

But just as he was about to react, he suddenly felt his sword sink in his hand, and then Jiang Wan jumped on him, and the sword in his hand had already pierced Jiang Wan through and through!

At this moment, Jiang Wan and Shen Tianyang were staring at each other face to face. Shen Tianyang looked shocked, but Jiang Wan seemed relieved.

With the last ounce of strength in her body, she said, almost like a curse, 'Shen Tianyang, one day, you will die a bad death!'

After she finished speaking, Jiang Wan's entire body twitched slightly. Then she slowly closed her eyes.

'Mom!' Seeing this, Jiang Hao's whole body was dumbfounded, and all of a sudden, tears sprang up, desperately trying to rush towards Jiang Wan, but he was held by Ye Yunjie to death.

'Mom Mom

Jiang Hao no longer knew what to say, his mind was blank, his grief was beyond words. He couldn't believe that his mother had died right in front of him.

He stared blankly at Jiang Wan's sword pierced back. His heart was like a knife, and he was in great grief.

For a moment, he couldn't hold back his tears. They gushed out, and his whole body felt a sharp pain in his chest, and he could barely stand.

A few moments later. Shen Haoting shouted out with a heartbreaking cry, 'Wan'er

In a flash, a huge wave of Qi violently erupted around Shen Haoting, with him as the centre of the circle. It pushed out violently in all directions

The people around him only heard a 'buzzing' sound, and then many people were nearly overturned by the wave of Qi, and it only stopped when it reached more than ten meters away.

'Shen Tianyang, I will kill you today!' Shen Haoting shouted through gritted teeth, and a silver dart suddenly appeared in his palm and was thrown out in the direction of Shen Tianyang.

Almost at the same time, the two hundred people behind Shen Haoting also hurriedly prepared themselves, readying themselves for the attack.

The dart flung by Shen Haoting was extremely fast, but just as the force flew towards Shen Tianyang, the dart was violently able to bounce off.

Then an old man with a face in his sixties and dressed in white and green slowly walked in front of Shen Tianyang, his gaze was gloomy as he looked at Shen Haoting.

Shen Tianyang laughed and kicked Jiang Wan's corpse to the side, sneering and cursing, 'Something that doesn't know any better, does she think that if she dies, I won't be able to get Shang Dian? How naive! Silly woman, death is ultimately a waste of time!'

Shen Tianyang took out a silk handkerchief and wiped off the blood on his short sword, grimaced and laughed, 'Shen Haoting, the good show begins!'

Chapter 553

Before the words left Shen Tianyang's mouth, several people in front of him rushed directly towards Shen Haoting's direction.

And as soon as those two figures moved, the whole crowd on Shen Tianyang's side followed suit.

Hundreds of people, in great numbers, rushed towards Shen Haoting's side to kill him.

However, Shen Haoting was not nervous, and he did not let his men's also rush up to kill them, but let Jiang Hao hand Shang Dian to himself, and looked grimly at the other side of the crowd

'Today, I will let all of you bury Wan'er with me!'

Shen Haoting said these words gloomily, and then closed his eyes, concentrating on mobilising the power of Shang Dian.

Shen Haoting knew very well. These hundreds of people under Shen Tianyang were by no means good, and each of their strength was not to be underestimated.

He was even more aware that even if he had to fight all the men of the Thunder Group, he would not be able to defeat them in the face of an enemy three or four times as strong as his own.

But with Shangdian, it was different. As long as he could mobilise the power in Shangdian, he could keep on outputting like a never-ending machine, no matter how many people and how powerful the other side was, the reckoning would not threaten him.

With eyes wide open, he looked at those enemies who were approaching step by step. It seemed that Shen Haoting was the only one on the scene who wasn't nervous, the people from Lei's group, and even Ye Yunjie's heart was raised.

Of course, Ye Yunjie and Lei's group were not aware of this. They were only afraid that their side would lose the first opportunity!

Although they weren't afraid of death, but it had come to this point, why didn't Shen Haoting let them rush over? If he didn't open his mouth, the other side would be on the verge of ramming into their faces, and as soon as the formation was disrupted, their side's already huge disadvantage would be dragged even further down!

At first, Shen Haoting was still as calm and collected as ever, but only a moment later, a look of surprise suddenly appeared on Shen Haoting's face.

After trying for a while, he discovered to his dismay that no matter how he tried, he was unable to mobilise the power in Shang Dian!

This sudden situation shocked Shen Haoting to no end, and he hurriedly opened his eyes, but the next scene he saw left him completely baffled!

For the moment Shen Haoting opened his eyes, he suddenly discovered that the Shang Dian in his hand had once again erupted with a brilliant golden light.

But to his amazement, this time the golden wave of light that erupted from the Shang Dian did not respond to him, but instead, as if it was alive, it actually floated towards Jiang Hao!

‘This

This scene. Shen Haoting was somewhat puzzled and was even more at a loss as to what to do.

Soon, that scene was surprisingly like yesterday again, waves of light once again enveloped Jiang Hao’s entire body, and above the waves of light, radiant and profound inscriptions once again surfaced

This scene, Shen Haoting could not help but fiercely astonished, lost his voice: ‘Could it be that Jiang Hao and this Shang Dian are destined to have a chance? This Shangdian only recognizes Jiang Hao? No wonder yesterday and just now, I couldn’t invoke the power of the Shang Dian

At this moment, it was as if Shen Haoting had come to a sudden realization.

In this regard, he could not help but rejoice that his son had such a good life.

There was some regret that he had realized it too late.

It seemed that with Jiang Hao present, he could not use Shangdian himself, huh?

Shen Haoting twisted his head to look at Jiang Hao, and then looked at the approaching enemies, and finally fiercely shoved the Shang Dian into Jiang Hao’s hand, saying: ‘Son, quickly take it and leave here, you have a great opportunity, dad is really happy for you, but dad knows too late, it seems that it seems that today our family’s revenge The first thing you need to do is to get out of here and go to a place where everyone can’t find you, remember, since Shangdian only recognizes you. The actual fact is that you will have to take advantage of this opportunity and remember that one day, you must avenge this for our Zong family and for your mum and dad, if so, your mum and I will be able to rest in peace under the nine springs!’

After he finished speaking, Shen Haoting pushed Jiang Hao away and shouted to Ye Yunjie, ‘Little Ye, you must take Jiang Hao out today no matter what, Shangdian has recognized Jiang Hao, I can’t borrow Shangdian today, you take him away and make sure he lives, I’m counting on you!’

Ye Yunjie froze at his words, and then saw the tears in Shen Haoting’s eyes, her heart couldn’t help but shake.

‘Mr. Shen, is there really no chance?’ Ye Yunjie asked with slightly moist eyes.

Shen Haoting let out a bitter smile and shook his head repeatedly.

At this moment, the Thunder Group members around him. They were already fighting with the approaching enemy.

Shen Haoting looked at the fallen young lives and sighed, 'I still miscalculated, take him away quickly, please!'

After saying the words, Shen Haoting turned his head. Raising his arms, he called out, 'Children, today I, Shen Haoting, will live and die with you!'

Before the words left his mouth, Shen Haoting rushed forward without looking back.

Seeing this, Ye Yunjie's eyes burst into tears, she gritted her teeth and pulled Jiang Hao by the hand, shouting, 'Go!'

Jiang Hao would not agree, at this moment he had already reported his determination to die with him.

He had witnessed his mother die in front of him, and now his father was going to die in front of him too? They were both dead. What was the point of living?

Jiang Hao struggled, but he was no match for Ye Yunjie, and the moment he was torn from Ye Yunjie, the Shangdian once again contracted its light.

In the Ping Yang Valley, the fight was once again a mess, a scene like the one seventeen years ago.

Only the only difference was that under the chaos and the desperate escort of a dozen Lei Group members, Ye Yunjie still managed to drag Jiang Hao out of the Ping Yang Valley alive.

And behind them, in the Ping Yang Valley, the shouts of murder were still raging.

Ye Yunjie glanced back. The thirty or so people who had been escorting her had all fallen by now.

'Quickly go, there is a cliff slope ahead, after we go down there is the Chu River, once we cross the river, they will not be able to catch up with us. Earlier I prepared the boat at the river in order to be prepared

The first thing you need to do is to get a good idea of what you're doing.

Just at this time, Jiang Hao only then found, at this time Ye Yunjie's back, has been blood and flesh.

In the melee just now, Ye Yunjie had actually been stabbed several times, and was already using her mind to support herself for the few miles she walked out.

She had promised Shen Haoting that she would bring Jiang Hao out, so she had to bring him out!

'Sister Ye!' Looking at the continuously bleeding wound on Ye Yunjie's back, Jiang Hao finally couldn't help himself and tears came out of his eyes again!

Ye Yunjie only forced a smile. She shook her head slightly, 'Jiang Hao, Sister Ye may not be able to protect you in the future, you should go now, Sister Ye will stay here to break your back!'

Jiang Hao shook his head desperately as he fought to help Ye Yunjie up.

But just at that moment. A burst of laughter suddenly came from behind the two of them, 'Oh, go, where to go?'

The two of them glanced sideways, followed by a look of shock!

Because in front of them, it was clearly Zhang Xiangyu.

'You How could you possibly still be alive?' Jiang Hao asked, shocked beyond belief.

Because at that time, he had watched his own father take Zhang Xiangyu's life!

Zhang Xiangyu didn't explain. And what Jiang Hao also didn't notice was that this Zhang Xiangyu's one little thumb was only half left at this moment!

'Cut the crap!' Zhang Xiangyu's hand pulled, and immediately pulled someone from behind him, and seeing this person Jiang Hao once again showed a shocked look.

'Yu Ning?'

That person was none other than Xue Yuning!

Zhang Xiangyu grabbed Xue Yuning's hair. He laughed and said, 'How about it kid, hand over Shang Dian's, otherwise I can't guarantee that your little lover, will still be able to live through the next second!'

Xue Yuning was already scared out of her mind at this point, and when she saw Jiang Hao, she couldn't help but cry out in pain: 'Jiang Hao save me ah Jiang Hao'

At this moment, the future's heart was simply about to break.

However, he did not dare to say one more word, and incomparably torn, he lowered his head and looked at the Shangdian in his hand

'Jiang Hao, what are you doing? For this thing, your father and your mother have died, your entire clan has died, do you want to give it away just because of a woman? And don't you think you're naive? Even if you hand over Shangdian, he won't let us go!'

Ye Yunjie struggled to her feet and clasped Jiang Hao's palm in a death grip, pulling out her butterfly knife as she held it directly to Jiang Hao's throat.

'Go! Or I'll kill you and eventually kill her too!' Ye Yunjie pointed at Xue Yuning.

Jiang Hao was once again in a tangle as he eyed Xue Yuning, knowing full well what would happen to her later.

But as he recalled Ye Yunjie's words just now, he couldn't help but feel a burst of Chen's weight in his heart.

Yes, his life, long ago, was not his, so what qualifications did he have to be here for childish love?

Jiang Hao lifted his head, looked at Xue Yuning and shook his head silently, 'Yuning is sorry.'

Jiang Hao clutched Shangdian tightly, although his eyes were full of tears, but his gaze was incomparably firm.

At the news, Xue Yuning's face was ashen, sobbing uncontrollably, seemingly already desperate.

And at that moment, Zhang Xiangyu also let go of Xue Yuning, and could not help but sneer: 'Oh, silly woman, what did I say? What bullshit vow, for that broken stone, he is able to give up you!'

'You shut up!' Xue Yu Ning covered her ears and released her voice later.

Only Zhang Xiangyu smiled hideously again and said conspiratorially, 'You see, there is no point in you living anymore!'

Before the words left his mouth, he felt a black iron bar in his hand and slammed it violently towards Xue Yuning's head
