

Chapter 561: Not Your Weakness

After the auction ended, Pei Yunze left with Bo Jinchuan and Shen Fanxing.

“Is there anything else?” asked Bo Jinchuan coldly.

“I’m fine.”

Bo Jinchuan’s gaze turned colder.

Shen Fanxing sighed softly and held her forehead helplessly.

“I’ll get the car.” Pei Yunze shook the car keys in his hand.

Bo Jinchuan tightened his grip on the keys.

The two of them had no choice but to drive.

After they found their cars and opened the door, Pei Yunze suddenly spoke.

“I advise you to pay less attention to women. Even if you care, you should restrain yourself. Your Bo Consortium is different from ordinary families. You might not be good to her.”

Bo Jinchuan’s hand paused as he opened the car door. His face darkened.

Pei Yunze didn’t say anything else. He opened the car door and got in before driving away.

Bo Jinchuan stood rooted to the ground for a few seconds before he got into the car.

On the way, Shen Fanxing held the longevity lock and fiddled with the small bells on it from time to time. Hearing the crisp sounds, the smile on her face deepened.

“You like it that much?” Bo Jinchuan had been watching her the entire journey. He had never seen her so gentle and composed.

Upon hearing that, Shen Fanxing handed the longevity lock to Bo Jinchuan and smiled.

“Don’t you think it’s cute?”

Bo Jinchuan glanced at the longevity lock. The five exquisite bells swayed and emitted pleasant sounds. He smiled and nodded.

“Cute.”

“Right? When it’s worn by the baby, it will definitely be beautiful.”

The car stopped at the apartment building. Bo Jinchuan turned to look at her with a warm smile on his face. “So this is something prepared for our baby?”

Shen Fanxing blushed and retracted the longevity lock.

“I just like...”

Bo Jinchuan chuckled and said, "She simply likes our child."

Shen Fanxing's eyelashes fluttered as she watched Bo Jinchuan move closer to kiss her.

His refreshing scent enveloped her, making her feel exceptionally at ease.

"wanted to bring you out to relax..."

Bo Jinchuan pecked her lips and pressed his forehead against hers. He frowned unhappily.

"In the end, she was swept away again. In a way, your sister is quite capable."

Shen Fanxing gave a sarcastic smile.

"Don't underestimate her. Her ability to subdue people's hearts is not small. Previously, one thing after another happened. If it were anyone else, they would have long been hated by everyone. Look at her. The people around her are still around. The Shen family still treats her like a treasure. The Su family is still determined to have her..."

"A scourge will live forever."

Bo Jinchuan said with a straight face, causing Shen Fanxing to chuckle softly.

"What are you laughing at?"

"[realize that you're becoming more and more down-to-earth."

Shen Fanxing pressed her forehead against his and rubbed it gently. Then, she cupped his handsome face and said softly,

"Did I lead you astray? It feels like I pulled you down from a very, very high place

She paused and sighed softly. She pressed her forehead against his again and said gently,

"Bo Jinchuan, don't always give in to me. Don't disrupt your footsteps because of me. I've said it before, you can walk forward without any worries. I will catch up to you and won't be your flaw or weakness. As long as I want to, Bo Jinchuan, I will be the only person in the world who is compatible with you.."

Chapter 562: Change the Title

Bo Jinchuan could clearly hear his heart skip a beat. His dark eyes narrowed as he stared at the woman who was inches away from him.

"Talso said that I won't leave you behind."

"Bo Jinchuan..." called Shen Fanxing helplessly.

"Don't call me by my full name again." He frowned. He had endured this form of address for too long.

Shen Fanxing smiled silently. After a few seconds of silence, Bo Jinchuan's displeased voice sounded.

“It’s so difficult to change the name. Should I...”

“Ah Chuan.”

Almost at the same time, a gentle voice sounded.

Her soft voice was like a feather that caressed his heart.

Bo Jinchuan’s deep voice trailed off as he stared at her quietly. It was as though this form of address was too distant for him.

Shen Fanxing blinked and felt that the atmosphere was awkward. She wanted to sit up straight, but the man suddenly raised his hand and pressed the back of her head.

Her forehead, which had already been separated, knocked against each other. Her mind went blank for a moment.

“Scream again.” His voice was hoarse and low.

Shen Fanxing pursed her lips and a hint of shyness appeared on her face. Her silence caused the man to lock her even more tightly.

“Scream again, okay?”

Shen Fanxing’s eyelashes fluttered as she looked into the man’s eyes. In the end, she said slowly,

“Ah Chuan.”

Her voice became softer due to shyness, and Wu Nong’s soft voice sounded seductive in the car.

“Call me that from now on.”

Bo Jinchuan was extremely satisfied. He lowered his head slightly and kissed her soft red lips.

A faint fragrance lingered on her tongue. Shen Fanxing lifted her chin slightly and responded to his kiss.

A gentle and lingering kiss tugged at their hearts and they couldn’t stop for a long time.

He finally let go of her slightly swollen lips. Looking at the deep redness on her cheeks, their breaths intertwined. Bo Jinchuan couldn’t help but lower his head to kiss her lips again. Shen Fanxing placed her hands on his shoulders and the longevity lock in her hands rang, making the atmosphere in the car even more seductive.

Knock! Knock! Knock!

Just as the two of them were kissing passionately, someone knocked on the car window.

Shen Fanxing was facing the car window beside Bo Jinchuan. When she looked up, she saw a handsome face looking in different directions. Shocked, she pushed Bo Jinchuan’s shoulder away and turned around to wipe her mouth frantically.

She was like a cat that had been caught cheating.

Bo Jinchuan frowned and turned to look out of the window.

Bo Jinghang's annoying face was especially clear in front of him.

"Brother, are you alright? You've been parked for a long time. Why aren't you getting out?"

Because Bo Jinghang couldn't see the situation inside, his face was almost pressed against the car window.

Bo Jinchuan closed his eyes and opened the car door abruptly.

"Ah—"

Caught off guard, Bo Jinghang covered his nose and jumped to the side, hopping in pain.

"Okay, okay, okay..."

Bo Jinhang's expression frightened Wanwan. She pounced on him and hugged his thigh, looking up at him with fear and worry.

It was only when she saw Bo Jinchuan and Shen Fanxing getting out of the car that the fear on her face dissipated.

"Big Brother... Sister-in-law..."

"Wanwan."

Surprised, Shen Fanxing hurried to Wanwan and carried the child.

"Why are you here at this hour?"

Wanwan hugged Shen Fanxing's neck affectionately and said in a childish voice,

"We saw you and Big Brother kissing in the car.. We were worried that you... lack... oxygen... and if you can't breathe, you'll die... So... wuwu."

Chapter 563: Is Kissing Fun?

"We saw you and Big Brother kissing in the car. We were worried that you... lack... oxygen... and if you can't breathe, you'll die... So... wuwu..."

Bo Jinghang hurriedly went forward to cover Wanwan's mouth. "My little ancestor, don't say anymore..."

Shen Fanxing blushed and her eyes darted around awkwardly.

Bo Jinchuan's cold gaze landed on Bo Jinhang, who hurriedly denied the explanation.

"Brother, don't listen to Wanwan's nonsense. I saw that you haven't gotten out of the car for a long time and I was really worried that something would happen to you. That's why... Sigh, Brother, Brother! I'm telling the truth... Tsk... If you want to fight, can you give me some time to prepare... Be gentle, be gentle..."

Shen Fanxing hurriedly carried Wanwan into the apartment.

“sister-in-law, is kissing fun?”

Shen Fanxing staggered a little as she looked at Wanwan’s big black eyes. She felt guilty.

“Sister-in-law, Wanwan wants to kiss too, but I don’t know who she wants to play with. Mommy said that kissing has to be with a very familiar boy, but Wanwan is only familiar with Xingxing... Oh right, I can play kissing with Xingxing...”

Shen Fanxing’s temples throbbed.

Bo Jinhang was Wanwan’s brother-in-law in name. If his brother-in-law was kissing his sister-in-law, wouldn’t that mean.

Had she cheated on him?

Moreover, Wanwan was still so young. If Bo Jinhang really.

She shuddered and quickly said,

“No. No matter if it’s a boy or a girl, I can only kiss one person. Just like how I can only kiss Big Brother, Xingxing can only kiss your sister... Mommy, if one person can kiss many people, then... that’s wrong, understand?”

Shen Fanxing struggled to explain. Although there were some accidents, that was all she could say to Wanwan.

Hearing that, Wanwan frowned and pouted her lips.

“Is that so? But Mommy and Xingxing have never kissed...”

Shen Fanxing frowned and asked, “What?”

Wanwan looked aggrieved and worried. “Xingxing and Mommy won’t sleep together either. Isn’t it wrong for them to do this?”

Shen Fanxing frowned slightly as she watched Bo Jinhang walk in with his hand on his cheek. Confusion flashed across her eyes.

Bo Jinchuan approached her first and carried Wanwan out of her arms. He stuffed her into Bo Jinhang’s arms before putting his arm around her shoulders and entering the lift.

Bo Jinchuan lowered his head and adjusted his sleeves. Shen Fanxing could vaguely see the redness on his knuckles. She reached out to grab his hand.

“That’s your biological brother. Is there a need to be so ruthless?”

Bo Jinchuan looked at the back of his hand and said nonchalantly, “Him? If I’m not ruthless, I’ll be the one suffering.”

“Huh?”

Bo Jinchuan wrapped her hand in his and said, “Don’t be fooled by him.”

Shen Fanxing blinked and fell into deep thought. She nodded vaguely.

“I’ll help you treat your wound when we get back.”

“It’s fine.”

“How can that do? You’re the birthday girl tomorrow. Are you going to celebrate your birthday with an injury?”

“Yes?”

Bo Jinchuan raised an eyebrow and smiled seductively.

Shen Fanxing paused and let go of his hand.

However, the man pressed on and forced her to a corner of the elevator. He stood in front of her and looked at her with a smile.

“Since you’re thinking about my birthday, have you thought of a gift for me tomorrow?”

Chapter 564: Turtle Mosaic

“Since you’re thinking about my birthday, have you thought of a gift for me tomorrow?”

Shen Fanxing lowered her chin and whispered,

“I definitely have a birthday present. If I tell you now, how will you feel tomorrow?”

Bo Jinchuan chuckled softly and said, “Yes... you’re right. I won’t ask anymore. I’m looking forward to your surprise tomorrow.”

Shen Fanxing’s expression changed and she said hesitantly, “Don’t have too much hope. If you’re disappointed, it’ll be awkward.”

“Huh?” Bo Jinchuan raised an eyebrow. “We’ll talk about it then.”

Shen Fanxing frowned and wrinkled her nose. “Shouldn’t you be saying that you like this kind of thing as long as it’s from me? Why are you always so unpredictable?”

Bo Jinchuan paused before chuckling softly.

“Of course I like what you gave me, but who asked me to be greedy?”

Shen Fanxing pursed her lips and thought to herself that she couldn’t underestimate him. Fortunately, she had a strong tolerance. If it were any other woman, they would probably throw themselves at him 800 times.

“No matter how greedy you are, there’s only so much tomorrow. You can decide for yourself.”

Bo Jinchuan raised an eyebrow but smiled silently.

The elevator had stopped at Shen Fanxing’s apartment. Just as the two of them were about to leave, Shen Fanxing’s phone rang.

She took out her phone and walked out of the elevator. When she saw the message, her face darkened.

Long ago, Shen Qianrou had pretended to contact her, but she rarely spoke.

'When she saw the photo of her and Su Heng lying naked on the bed, she felt disgusted.

In the photo, Su Heng seemed to have fallen asleep. He turned his body slightly to face Shen Qianrou. Shen Qianrou was lying on his arm. Her almond-shaped eyes were moist and her face was flushed. The blanket that covered the two of them was around their waists. The scar on Su Heng's shoulder and the spots on Shen Qianrou's body were especially obvious. What was even more disgusting was that even though Su Heng was asleep, he was holding Shen Qianrou's ample chest with one hand.

Just because she had been humiliated at the auction tonight, he more or less didn't want her to have an easy time?

Shen Fanxing knew that Shen Qianrou was trying to disgust her.

Although she didn't want her to succeed, she had no choice. She was caught off guard and wasn't mentally prepared at all. She was really disgusted.

Bo Jinchuan, who was walking in front of her because of her long legs, stopped in his tracks when he saw that the woman wasn't following him.

"What's wrong?"

Shen Fanxing, who was looking at her phone, looked up at him and said, "I'm fine."

She raised her feet and walked forward, but her eyes were fixed on the phone again. She stared at the photo and a mocking smile appeared on her lips.

After entering the room, she sat on the sofa. She didn't have the habit of taking photos, so she downloaded a photo app and loaded the eye-catching photo. She found a cartoon of a green turtle and covered Su Heng's sleeping face.

After that, she didn't do anything and just saved it.

Opening the photo album again, she saw the photo that she had fixed. For some reason, she suddenly covered her mouth and laughed.

Bo Jinchuan frowned and asked, "What are you laughing at?"

Shen Fanxing hugged her phone tightly as tears welled up in her eyes.

"I suddenly remembered that I should give Su Heng and Shen Qianrou an engagement gift tomorrow."

Chapter 565: What's That Smell?

"[suddenly remembered that I should give Su Heng and Shen Qianrou an engagement gift tomorrow."

Seeing that Bo Jinchuan was undoing his cufflinks, Shen Fanxing threw her phone away and walked to his side. She tiptoed to loosen his tie.

Bo Jinchuan wrapped his arm around her waist and inhaled her scent.

That was the smell of the “Only” she had smashed tonight.

The taste was indeed unique.

“You want to give them gifts?”

Shen Fanxing removed his tie and nodded. “I should. After all, she’s my half-sister.”

“and ex-boyfriend.”

Bo Jinchuan said in a low voice. His tone didn’t sound right.

Shen Fanxing placed the tie on her wrist and unbuttoned Bo Jinchuan’s suit. When she heard his words, she looked up at him and pursed her lips tightly to suppress her smile.

Without saying a word, she wrinkled her nose and sniffed Bo Jinchuan.

“What are you doing?”

Her actions were baffling, causing Bo Jinchuan to question her.

Shen Fanxing lifted her head from his chest and raised her eyebrows slightly. She couldn’t hide the smile in her eyes and her eyes were sparkling like the stars in the night sky.

“Why do I sense a scent on you?”

Bo Jinchuan frowned instinctively. He lowered his head and took a deep breath. After doing that, he suddenly realized something.

Looking up again, she saw the suppressed smile on Shen Fanxing’s face.

Bo Jinchuan’s eyebrows twitched and his grip on Shen Fanxing tightened.

He lowered his head and looked at her deeply. “Are you infatuated?”

Shen Fanxing couldn’t help but chuckle. “What? It tastes sour. Who would be infatuated with it?”

“Where did the sour smell come from? Smell it again.”

At that moment, Shen Fanxing had unbuttoned Bo Jinchuan’s suit. With a tug of his waist, Shen Fanxing fell into his embrace.

That cool breath carried a hint of warmth as it entered her nose. The strong heartbeat on her chest made Shen Fanxing blush.

“What’s that smell?”

His deep voice seemed to float in from above, but it sounded more like it was trembling from his chest, causing her heart to tremble.

“No...”

“Yes?”

Bo Jinchuan’s deep voice sounded threatening and she swallowed her words.

Shen Fanxing bit her lips helplessly.

How.

Was she being led by the nose by him again?

“Yes! He has a unique masculine scent. I’m almost mesmerized.”

Shen Fanxing sounded helpless, but she had to make the man feel better tonight.

Indeed, Bo Jinchuan felt better. “Since I’m about to charm you to death, why didn’t you pounce on me?”

Shen Fanxing choked and turned around to take off his blazer.

“It’s getting late. Go take a shower!”

The man was tall and well-built. When Shen Fanxing pushed him, it was extremely strenuous. He bent his body and stuck out his butt, looking funny and adorable.

Through the French windows, Bo Jinchuan could see the woman struggling. His handsome face was filled with a doting smile as she pushed him towards the bathroom.

Shen Fanxing heaved a sigh of relief when she was pushed to the bathroom.

Just as she was about to turn around and leave, the man leaning against the door grabbed her arm and pulled her into his embrace again.

Chapter 566: Shameless

The collar of his white shirt was unbuttoned because she was afraid that he would feel uncomfortable. Looking at his collar now, his skin was well-defined and his exquisite Adam’s apple was slightly protruding. One could even see the cartilage on both sides of his neck. It was symmetrical and exquisite.

Now, he leaned lazily against the door frame of the bathroom. His dark eyes had a faint lazy luster, which naturally made one blush and their hearts race.

Shen Fanxing held her breath and asked, “What are you doing?”

“Do you want to shower together?”

Shen Fanxing widened her eyes and shook her head instinctively.

“No... no need! Hurry up and shower. I... have other things to do. You... you can do it!”

Shen Fanxing took two steps back and flung Bo Jinchuan’s hand away before walking out of the bedroom.

Bo Jinchuan looked at Shen Fanxing’s flushed face and chuckled softly before entering the bathroom.

Shen Fanxing went straight to the living room and took out a bottle of water from the fridge. After taking two sips, the heat on her face had yet to dissipate.

Shower together?

Please spare her?

Although... it wasn't too much

But to be naked under Bo Jinchuan's gaze

'The premise was that there had to be a crack in the ground!

So that she could enter anytime.

She took the water and sat on the sofa. After taking two more sips, she took out her phone and clicked on the photo Shen Qianrou had sent her.

The moment she saw the photo, Shen Fanxing couldn't help but close her eyes. In the end, she seemed to have prepared herself mentally for a long time before opening her eyes again.

His expression was solemn.

After some thought, she opened the dialog box and her fingers danced across the screen.

At this moment, Shen Qianrou was scrolling through Weibo on her phone. Lan Yun Entertainment had secretly dealt with the previous matters. Although there were comments now, they were destined not to cause any waves!

Now that Su Heng had proposed to her tonight, many people were envious.

"I have to say, Young Master Su's proposal at the charity banquet is indeed unique."

"Qianrou has been passionate about charity recently. Young Master Su has adapted to her proposal at the charity banquet!"

"You're all wrong. The key is that ring! The ring costs 90 million yuan!"

Shen Qianrou smiled smugly.

"90 million yuan is nothing. Miss Shen smashed a perfume worth 200 million yuan! Moreover, that was another surprise that Young Master Su planned to give Shen Qianrou. In the end, she was slapped in the face by Miss Shen."

"This slap is really painful. Shen Qianrou paid 90 million yuan, but she didn't even blink when she received 200 million yuan! Shen Qianrou worships Star the most and wants that bottle of perfume. Even if she smashed it, she wouldn't give it to her! Isn't that infuriating?"

"How infuriating! How infuriating!"

It would have been fine if she didn't see this, but Shen Qianrou was furious.

At that moment, a WeChat message rang. It was obvious that it was from Shen Fanxing.

She was surprised that Shen Fanxing would reply to her.

He opened WeChat and saw only four simple words—Shameless!

'There wasn't even a punctuation mark.

Although it was only three words, Shen Qianrou felt great.

Since she had responded, it meant that she cared. She was obviously agitated.

After some thought, she replied smugly—

Chapter 567: You Plan to Be a Nun Forever

After some thought, she replied smugly—

{I'm with the man I love. Isn't it natural for me to do these things? Do you plan to be a nun forever?}

Shen Fanxing was speechless.

Who wanted to be a nun forever?!

How shameless could she be?

'What a righteous statement.

Opening Weibo, Shen Fanxing found a famous gossip blogger. After a simple chat, she sent a photo of the turtle mosaic to him.

The other party was curious and asked her—can you tell me who the man in the picture is?

Shen Fanxing replied: You'll know tomorrow!

Then, she threw her phone aside.

Since it was natural, she shouldn't let everyone know, right?

The next morning, at Dihe Hotel.

Shen Qianrou didn't return last night and informed them that she would be going to the hotel to do her makeup today. This would save the Shen family from being busy.

The Shen family entered Shen Qianrou's lounge.

Shen Shanghua was displeased by Shen Qianrou's inappropriate behavior.

Seeing Shen Shanghua's angry expression, Shen Qianrou looked at Jiang Rongrong and Yang Liwei helplessly and kept sending out distress signals.

Jiang Rongrong glanced at her before looking at Shen Shanghua. For the first time, she said something sweet.

"The times now are different from our times. How can there be so many rules? A good relationship between two people is better than anything else."

Shen Shanghua remained silent.

At this moment, the makeup artist brought Shen Qianrou to get dressed. Only Shen Shanghua, Jiang Rongrong, Yang Liwei, and Shen Defan were left in the room.

Seeing the door close, Jiang Rongrong fell silent for a while before saying to Shen Shanghua,

“Qianrou has already registered her marriage with Su Heng. This time, she can only make it in time for the engagement party...”

“Since we’re married, why don’t we get married? What’s the use of an engagement party?”

Yang Liwei glanced at Jiang Rongrong before quickly lowering her head.

Jiang Rongrong’s face turned stiff and she went straight to the point.

“The Shen family and the Su family are one of the top families in Ping Cheng City. How can they get married so rashly? Now that Qianrou is engaged, shouldn’t you express your gratitude?”

Shen Shanghua snorted coldly and glanced at Jiang Rongrong from the corner of his eye. “That’s why you organized an engagement ceremony. You want me to express my gratitude, right?”

Jiang Rongrong’s expression changed. “What are you saying? Qianrou is your granddaughter. Even if she doesn’t hold an engagement ceremony, shouldn’t you give her what she deserves?”

Jiang Rongrong’s words were not as domineering as usual and seemed to make sense. Shen Shanghua’s expression softened slightly.

“But it’s Qianrou’s engagement after all. You have to give her something decent. How about this... Don’t you still have 15% of Lan Yun Entertainment’s shares? Why don’t you take this opportunity to give it to Qianrou openly? You can also give Qianrou some face...”

Shen Shanghua’s face immediately tensed up.

“You want me to give all my shares to Qianrou?”

Jiang Rongrong frowned and said, “Won’t Qianrou be the one to take over Lan Yun Entertainment in the future? If you give it to her now, you’ll be able to save face in front of everyone and prevent the Su family from saying that Qianrou is unworthy of their family in the future..”

Chapter 568: I Wish You A Perfect Love

“Haven’t we not discussed the dowry? Let’s talk after the engagement party.”

Shen Shanghua interrupted Jiang Rongrong with an ugly expression.

Jiang Rongrong’s face darkened. “What do you plan to give Qianrou this time?”

“What do you mean by that? So what if she’s engaged? There’s no need to do so much! We’ll talk about it after the engagement party. Let’s call Fanxing back to discuss it.”

“But...”

“Don’t make it seem like we have to split the inheritance! I’m not dead yet!”

Jiang Rongrong wanted to say something but was interrupted by Shen Shanghua.

Seeing that he didn't want to continue talking, Jiang Rongrong could only give up.

Shen Qianrou had been listening to the commotion outside the fitting room. When she heard that Grandma had heard about the shares in Grandpa's hands, her breathing tightened.

Back then, she insisted on holding this engagement banquet because she wanted to get something from Grandpa.

They didn't know who had been secretly acquiring Lan Yun Entertainment's shares. According to their estimates, it wouldn't be long before the shares in that person's hands would surpass the shares in their hands. If Grandpa's shares were to be given to her at this time, the combined shares in their hands would be able to secure the position of Lan Yun Entertainment's number one shareholder and they would have absolute authority.

Unexpectedly, Grandpa didn't do anything during the engagement party.

She put on her gown with a cold face. When she came out again, her face had returned to its usual quiet and delicate state.

"Grandma, Grandpa..."

Seeing the hurt expression on Shen Qianrou's face, Jiang Rongrong's heart ached.

"Don't worry, Lan Yun Entertainment will be yours sooner or later, No matter what, what I said today has reminded him. We haven't discussed your dowry yet. Since your grandfather said that we'll discuss it after the engagement banquet, we'll wait and see."

Shen Qianrou was delighted. She suppressed the joy in her eyes and shook her head.

"Grandma, I believe Brother Heng won't bully me. Grandpa is right. Don't make the house fall apart because of my marriage."

"Silly child, society is too realistic. Su Heng is the one who treats you well, but when you marry into the Su family, you'll be facing their parents and even the entire Su family. You have nothing and you can't help but be criticized by them behind your back. Child, be more careful and stop being so innocent."

Jiang Rongrong said earnestly, her face full of kindness.

Shen Qianrou nodded in a daze.

Then, as if she had suddenly recalled something, she looked around and suddenly said,

"Mom, is Sister here?"

Yang Liwei pursed her lips and shook her head.

"I didn't see him. I don't think he's here."

"Then I'll call Sister."

Shen Fanxing was busy in the laboratory. When she saw Shen Qianrou's call, her gaze paused and she answered the call.

"What's the matter?"

"Sister, my engagement party is about to start. Aren't you coming?"

Shen Fanxing frowned slightly. Before she could speak, she heard Shen Qianrou's weak and aggrieved voice.

"Sister, I... I really hope to receive your blessing..."

Shen Fanxing's face darkened and she said, "Shen Qianrou, stop acting. Don't worry, today is your big day. I'm not here yet, so I have to give you your engagement present. I wish you a righteous love that lasts forever."

Chapter 569: Are You Surprised?

"You?"

Shen Qianrou's voice was uncontrollably sharp. When she realized who was in the room, she blinked and said softly,

"Sister, you... want to give me an engagement gift?"

Shen Fanxing held a transparent glass bottle and waved it in front of her.

Hearing Shen Qianrou's words, he raised an eyebrow and smiled.

"are you surprised? Are you surprised?"

Hearing Shen Fanxing's cheerful tone, Shen Qianrou's lips twitched.

"Indeed..."

"Don't worry, I'm sure you'll be even more surprised."

Shen Qianrou had a bad feeling. "You... Du du du..."

After a series of short beeps, the phone went silent.

Shen Qianrou's temples throbbed. Looking at her phone, her eyelids twitched.

"Why?" Jiang Rongrong asked in a low voice.

Shen Qianrou held her phone and shook her head in disappointment. "Sister isn't coming today."

Jiang Rongrong snorted. "It's best if she doesn't come. Nothing good will happen if she does."

Shen Fanxing hung up and walked out of the laboratory. She took off her white coat and walked out with her bag.

"Hey, Miss, why are you leaving so early today?"

An old woman in plain clothes was walking back with a basin of freshly washed clothes.

“Today is the last day.”

“sigh, in that case, we won’t be able to see so many beautiful flowers in the future?”

Shen Fanxing turned around and glanced at the small village house behind her. After some thought, she smiled and said,

“Maybe I’ll come again in the future.”

“That’s good!” The old lady smiled in relief before looking at the trunk of Shen Fanxing’s car. “Oh, there’s so much?”

“Yes. I have a use for it.”

Shen Fanxing walked over to tidy up before closing the trunk.

“Grandma Feng, goodbye.”

“Goodbye!”

Shen Fanxing opened the car door, which was still filled with bright red roses.

Yu Song had been busy these few days, but if it was about the company, that would be great.

However, reality was always cruel. He had completely changed from a special assistant to a farmer.

Looking at the vast plantation, Yu Song sighed.

His master was in a relationship and had gone crazy. What should he do?

“Special Assistant Yu, the things ordered from France have arrived. We’ve already gotten the seeds. The rest will be up to you.”

Of course, he had to do as he saw fit. How could he entrust such an important matter to someone else?

At 11:20 pm, Su Heng and Shen Qianrou’s engagement ceremony was about to begin.

Shen Qianrou was wearing a red lace gown with an X-shaped skirt. The design of the white lace and red ribbon was unique.

‘The high-waisted design accentuated the curves of her body. She was tall, slender, and elegant.

She had light makeup on and was not ostentatious. Her outfit today was very appropriate.

Su Heng was wearing a well-ironed black suit. A corner of a red silk handkerchief could be seen on his left chest, complementing Shen Qianrou’s gown.

It was a very detailed outfit, but it showed how scheming they were. The two of them looked like a perfect match.

Shen Qianrou held Su Heng’s arm as they stood on the second floor of the spiral staircase. She was excited and nervous.

Getting married.

She was about to become husband and wife with Su Heng.

She turned to look at Su Heng. His handsome face and tall figure exuded charm.

This man, the man she had snatched from Shen Fanxing, was about to belong to her.

It was a pity that Shen Fanxing couldn't be there to witness this moment.

Downstairs, the guests had already taken their seats. They were holding their phones and browsing the Internet, waiting for the two main leads to appear.

Chapter 570: How Could She Laugh?

Downstairs, the guests had already taken their seats. They were holding their phones and browsing the Internet, waiting for the two main leads to appear.

"Pfft, look!"

Someone chuckled softly and showed his phone to his friend next door.

"Oh my god, this..."

The few of them covered their mouths in surprise. Then, they looked at each other with different expressions, but they couldn't help but feel awkward.

"What's going on? Today is the engagement ceremony. Why are there such photos?"

"I'm not too sure..."

Gradually, the huge engagement ceremony fell into a low buzz. Because of today's event, everyone didn't intend to make it too obvious. However, with so many people around, how could they shut everyone up?

"Look at the spiral staircase on the second floor. It's Young Master Su and Shen Qianrou..."

"She looks quite pretty in this outfit today. Ever since she debuted, she has always looked innocent and pure. I didn't expect this..."

"Celebrities rely on packaging to debut. Their pure and innocent image is the most likable. But from the looks of it now..."

Everyone turned to look at the second floor and pointed at Shen Qianrou and Su Heng. Their expressions were varied and they would occasionally cover their mouths to chuckle.

She was already used to being the center of attention, compliments and admiration. Although she was still a little nervous, Shen Qianrou raised her chin and maintained her composure. The smile on her face became sweeter.

The emcee went on stage. After a series of opening remarks, he said naturally,

“Next, let’s welcome the two most eye-catching newcomers today. Let us witness their most romantic and beautiful hundred-year agreement!”

The emcee led the applause and everyone present applauded enthusiastically.

Shen Qianrou looked up at Su Heng and took a deep breath. With a perfect smile on her face, she held Su Heng’s arm and walked down.

Amidst the enthusiastic applause, Shen Qianrou held Su Heng’s arm tightly and walked carefully.

Su Bingyou, Cai Jingyi, Shen Shanghua, Jiang Rongrong, Shen Defan, and Yang Liwei walked out from backstage and sat at the front.

Looking at the beautiful couple, they nodded in satisfaction. Their faces were filled with respect and humility for each other. The elders complimented each other and congratulated each other. It was a harmonious scene.

Cai Jingyi heard the muttering in the back row and turned to look at them.

The few of them looked at her and smiled awkwardly. They looked at each other and stopped talking.

Shen Qianrou and Su Heng walked down the stairs and stood on the stage to let everyone witness their perfect couple.
