

Chapter 585

After reaching a consensus, everyone began to draw cards again.

After Elaine drew all the cards, she flipped the cards she was holding up, and straightened out the cards, and suddenly screamed in excitement!

Her card turned out to be the best!

The so-called "Tian Ting" means that the cards have been drawn as soon as they are drawn!

What a lot of luck it takes to have such a good hand!

Moreover, the cards she won are very good. She has a pair of seven to eighty thousand, winning sixty thousand and ninety thousand.

Generally speaking, as long as ten thousand or ninety thousand are in the hands of others, if they don't hold right or go smoothly, they will definitely be played. That is to say, from now on, as long as someone beats one ninety thousand, you will be fooled!

Moreover, such a day draw can get the highest multiple by calling it directly!

Thinking of this, she was excited to buckle all the cards, and said excitedly: "I have a draw!"

Lian was surprised and said, "Sister Elaine, so amazing, you listened to it as soon as you came up?"

"Yes!" Elaine said with an unbearable smile: "I don't know what's wrong, I feel very lucky today!"

Lian nodded and said, "It seems that you are destined to win today."

After finishing talking, Lian, who was sitting on the bank, straightened out the cards and flipped up the four cards and said, "Concealed!"

Elaine was surprised and said, "Oh, sister Lian has a concealed bar when she starts the card. It's amazing!"

Lian smiled and said, "You didn't look at my other cards, it's so bad to die!"

Elaine reminded: "By the way, Sister Lian, if you draw, the concealed bar must be revealed!"

"Of course!" Lian nodded and said with a smile: "The draw will definitely show up for you, don't worry!"

Because Elaine has already called a draw, she can't switch to right now, and hit whatever she draws until she draws or someone fires a cannon.

But she didn't know, at this time, Lian's hidden card was 90,000!

There are four and sixty thousand, Horiyah and Nivia each have two.

Just as Elaine was anxiously catching and playing, Lian suddenly smiled and said, "Oh, I'm also drawing!"

After speaking, she turned over the four cards of her hidden one.

Elaine looked at these four cards and suddenly felt dizzy.

What a bad luck!

Lian actually concealed 90 thousand! No wonder she couldn't catch 90,000 in this long time, and no one shot 90,000!

Depressed, Elaine couldn't help but think to himself, although 90,000 are gone, but 60,000 hasn't come out yet, which means she still has a chance!

She wanted to send Horiyah a secret signal and ask her to give herself a 60,000.

However, if you think about it carefully, everyone's mahjong game is to win three by oneself and one by one. If you let Horiyah play a 60,000 shot, then Horiyah will not be able to give money. Isn't it a waste of money? Such a good hand?

So she decided to rely on herself or someone else to fire the gun instead of Horiyah.

If Horiyah fired a shot of 60,000 by herself, she would be embarrassed. Horiyah must give the money to her!

When it was Elaine's turn to draw the card, she felt like a million as soon as she started to touch it. She was suddenly excited, and when she lifted it up, she was suddenly disappointed.

It turned out to be 80,000.

Bad luck!

If she was a little bit smaller, just let grab grab 60,000, and you would feel it yourself!

In that case, a family of 640,000, that is nearly 2 million!

But Elaine was also comforting herself in her heart, 80,000 have come, will 60,000 be far away?

So, she beat out 80,000 casually, and said: "80,000!"

Chapter 586

"Huh!" Lian knocked down the card all at once, and said excitedly: "I heard five to eighty thousand, all of them, the door is clear, and there is a concealed card. The total is forty-eight, and forty-eight is 480,000. Sister Elaine, I'm sorry!"

Elaine is like an ice cellar!

A single shot can cost 480,000? !

I only won more than 300,000 in a long time, but I paid it all back, not to mention, I got another 100,000...

This is a hundred thousand!

Elaine felt extremely uncomfortable, and her whole mentality was a little broken.

Horiyah hurriedly persuaded her: "Oh, Elaine, there is no way to win all the time in card games. You have won so many hands. It doesn't matter if you lose, you are back again after winning!"

Lian also smiled and said, "Yes, it's just a handful of cards. We have to play a few laps today!"

Elaine is a little more comfortable now, but she is also suffocating in her heart, and must win back the lost money!

Immediately, she used mobile banking to give Lian 480,000, and the game continued.

However, in the next hand, Elaine collapsed even more.

Turned it over and saw what kind of broken cards are these!

Either one is missing or nine is broken, and there is also one missing. There is not even a pair of bobbins and slivers in one hand!

If you want to draw such a card, you have to play at least seven or eight cards to be possible...

She is going to collapse!

How to fight this? !

It's estimated that everyone is playing cards, and she hasn't made up two decks of cards yet!

And the other three people on the table were all excited, as if the cards were all good.

Horiyah was the first to draw.

Then Lian and Nivia.

Seeing that the three of them had all drawn, Elaine anxiously scratched her heart, fearing a shot, and secondly fearing that some of the three would touch themselves.

Seeing that his card is getting hopeless, Elaine is even more anxious.

At this time, she reached out and touched one, feeling that this card was 80% safe, so she threw the card out and said, "This! You shouldn't even want this card, right?"

Nivia next to her said excitedly: "Haha, I'm going crazy! she is right!"

Horiyah said with some embarrassment: "Hey, I'm crazy too!..."

Lian smiled and said at this time: "Oh, I'm too foolish, thirteen!"

Elaine looked at the cards of these three houses, and they all won hers!

This one hit her with one shot!

This is terrible...

With this hand alone, Elaine lost one hundred and eighty times, which is 1.8 million!

Elaine's whole person already felt the sky spinning.

what happened? Suddenly she lost two games in a row, and two games lost more than two million, which is too cruel!

Moreover, Elaine doesn't have much money now, and all the deposits in her hand add up to more than two million. After such a calculation, there is at most two to three million left...

Elaine wanted to cry without tears, but Nivia was already urging: "Sister Elaine, let's settle the bill first, so we can move on."

When she heard that she was going to check out, Elaine's expression was very ugly, one was 1.8 million, she couldn't be willing to give it!

The other three exchanged glances, or Horiyah came out to persuade her and said, "Elaine, it doesn't matter if you lose two. If you are lucky, you will win with two more. If you don't play now, you will lose. But you really can't come back!"

After that, she said again: "Last time we played cards together, Nivin also lost two or three million, and finally won two million with a four-year self-draw, followed by another three self-draw. It's another two million, and it will make a lot of money at once!"
