

Chapter 59:

When they heard that Lili's father was a cultural relic appraiser, all the classmates present cast contempt and sympathy at Charlie.

They think Charlie is really unlucky!

He wanted to pretend, but when he meets an expert person on the scene, is this not equal to slapping self in the face?

If Lili's father, Yuesheng, comes in a while, wouldn't he be ashamed?

Claire was also a little embarrassed, and whispered to Charlie: "Charlie, so many students are watching, don't be stubborn, otherwise you will be embarrassed!"

Before coming, Charlie said that he bought a painting, but he said it was not worth a few, and now he said it was worth tens of thousands. Claire was also a little bit bottomless at once, thinking that Charlie might have said that for the sake of face.

But Charlie didn't care at all, and said, "Since you don't believe it, let the professionals appraise it."

After that, he said again: "By the way, everyone, don't forget, classmate Gerald has never repented, and he cursed again. This time he wants to eat the table."

When Gerald thought about the burning of the car just now, he gritted his teeth and cursed: "Charlie, you're so f*cking arrogant! I was shamed by you for the racing thing just now! I'm willing to lose the bet! This time I am still willing to bet! If the painting you gave is really worth tens of thousands, I will eat the table on the spot! If it's not worth it, can you eat it?"

Charlie nodded and said, "Okay, if it's not worth it, I'll just eat it."

Although the painting is not a famous painting, it is indeed the work of Qing Dynasty painter Huang Shen, and the antique shop is also a national chain, with genuine guarantees, and a penalty for fakes, so the paintings are never fake.

Claire wanted to stop Charlie, but he didn't react at all. Charlie had already agreed. In desperation, she had to sigh secretly.

Elsa was also a little surprised, why is Charlie so sure?

In fact, take a closer look, this person is still very mysterious. In Classic Mansion that day, the famous Orvel nodded and bowed to him. She hadn't figured out why.

But she can also be sure that Charlie must have a secret!

Gerald felt that he finally had a chance to regain the lost reputation, and immediately blurted out: "Okay, everyone is here to witness, let's let Lili invite her father to come down to help us identify!"

Lili directly dialed the phone in front of everyone and said, "Dad, come down for a moment, Stephen's classmate has a painting and I want you to appraise it."

One minute later, an Old Master slowly walked down the stairs from the second floor.

This person is Yuesheng, a famous cultural relic appraiser in Aurous Hill.

Today was the opening ceremony of Yuesheng's daughter and future son-in-law's restaurant. He also invited an old friend to gather in the private room upstairs. He heard that there were ancient paintings that needed to be appraised. Soon as his professional habits came up, he hurried down to take a look.

Yuesheng stepped forward and stepped onto the stage. Lili hurriedly handed him the gift box with the painting, and said, "Dad, you can help identify this painting. Some people say it is worth tens of thousands!"

With that said, she looked at Charlie with a look of contempt.

Who believes a rag, leftover eating man can get an ancient painting worth tens of thousands?

No need to guess, the painting must be fake!

Others are just as she thought.

No one believed that Charlie could really give a calligraphy and painting worth tens of thousands.

Yuesheng took the gift box, and under the attention of everyone, he took out the scroll and opened it carefully.

The old paintings are a little yellowish, and they look really inconspicuous. Many of the classmates who like to judge people by appearance one after another said: "Oh, it doesn't look like a good thing!"

"Yes, I think it's worth fiftys."

"It's estimated that the box is not as valuable? That box is probably worth seven or eighty!"

Yuesheng studied the painting carefully, and after watching it for a few minutes, he smiled and asked, "Is this painting a gift from classmate?"

Chapter 60:

"Yes." Lili said: "He is still a good buddy from college!"

When she said this, Lili was thinking that Charlie and Stephen are good buddies, still he dared to give away a gift worth few hundred, and immediately wanted her father to expose him in front of everyone!

However, no one expected, Yuesheng sighed: "It seems that he is a good buddy! Not even a good buddy would be willing to give such a valuable thing."

When everyone heard this, they were stunned!

what's it? precious? Is this crap expensive?

Gerald thought to himself, your mother is precious! I can go to Antique Street to buy fake flowers and pee on them to make them look old. It looks more real than this painting!

At this time, Yuesheng said earnestly: "This is the real work of the Qing Dynasty painter Huang Shen. Although Huang Shen is not a very famous painter, he is also one of the outstanding painters. He is one of the Eight Eccentrics of Yangzhou!"

After speaking, Yuesheng said again: "I estimate that the market transaction price of this painting is around 200,000."

"More than two hundred thousand?!" Lili was stupefied, she thought this thing was not worth a hundred, who would have thought that it was worth more than two hundred thousand!

Stephen was dumbfounded, and blurted out: "Oh! Charlie, how can you give me such an expensive thing! This is too expensive"

Charlie said calmly: "Stephen, it's just a matter of heart, don't care too much about its price."

Stephen was so touched, he didn't expect that his good buddy in college would be so interesting!

Gerald looked dazed.

what's the situation? This sh!t is worth more than two hundred thousand?

It's worth more than 200,000. *dmn, isn't this dmn cheating?*

The students were also shocked.

This time, no one dared to look down upon Charlie again!

After all, he is a person who gives gifts of more than two hundred thousand worth paintings at random!

Everyone is envious of Stephen!

Really awesome! I received such an expensive gift at the opening, earning blood!

At this time, Lili was also shocked, and immediately changed her opinion of Charlie.

She knew her father's level very well. Since her father said the painting was worth more than 200,000, it must be worth this number!

God! Stephen's classmates actually gave such an expensive gift, this handwriting is not so big!

Thinking of this, she looked at Charlie's eyes with stars.

Claire asked puzzledly: "Charlie, how much did you spend on this painting?"

Charlie smiled slightly and said in a low voice, "In fact, it didn't cost much. The main reason was that the one who sold the painting to me was an acquaintance, and he also collected it from the omission, so he dealt with it at a low price."

Claire couldn't help but said: "A painting of two hundred thousand, a few thousand sold to you, is there such a good thing in the world?"

Charlie said indifferently: "Many people don't take money seriously? Otherwise, I wouldn't give this painting to Stephen."

Claire nodded lightly. Charlie was right. If money is important, no one would give such expensive things. It seems that although her husband is not very promising, his courage is still beyond ordinary!

At this moment, Charlie stood up, looked at Gerald with a flustered expression, and asked with a smile: "Mr. Gerald, how do you want to eat at this table? Do you eat directly with your mouth or would like it chopped with a knife into pieces for you?"
