

Catch Me If You Love Me

Chapter 59

In that tone, he was full of self-depraved light-Jihe indifferent. It seems that even she herself has adapted to the identity of “tool” a long time ago.

Liam Lu’s movements paused.

Like a bucket of cold water poured from the head, the man instantly chilled his face.

He stretched out his hand and jammed Zoey Gu’s neck, his eyes were scarlet, and he gritted his teeth and looked at her.

“Zoey!”

Zoey Gu bit his lip hard, couldn’t help but tremble under his hands, but still raised his head and looked at him with a smile.

“What is Mr. Lu angry about? As your tool, I am just doing what I should do, the posture I should pose, what are you angry about?”

Liam Lu’s brow bone jumped sharply.

She did it on purpose.

Deliberately despise yourself, deliberately anger him.

it is good! well!

The next second, the man stood up abruptly, and the wheelchair was instantly kicked away and hit a wall not far away.

Liam Lu narrowed his eyes fiercely.

“Since you are so sure of your identity, I will help you sit down completely!”

He slowly unbuttoned his shirt, gritted his teeth and grabbed Zoey Gu’s arm, and threw her to the ground mercilessly.

The belt buckle made a crisp sound!

The man grabbed her hair mercilessly and pressed it down hard...

“Come on! Isn’t it a tool? Let me take a closer look, what on earth did you do?!”

Liam Lu yelled scarletly.

In the air, it suddenly became quiet.

The girl froze and knelt there motionless, her shoulders faintly undulating. In the next second, big tears hit the floor.

she cried.

Liam Lu only felt his heart shrink slightly, and suffocated his heart fiercely.

He stared at the girl's pale face, with crystal clear tears. In the next second, she lifted her up.

Snapped.

The lights in the room went out instantly.

The man pulled up Zoey Gu with a strong hand, dragged it to the bed severely, bullying himself up.

He rudely tore off her clothes, jammed her chin, and while driving straight in, he possessed and k!ssed her.

Zoey Gu closed his eyes subconsciously and waited for the storm to come.

But surprisingly...

His k!ss was very light and his movements were gentler.

In bed, they hugged and k!ssed face to face like real lovers for the first time. The fish and water were extremely tight and tender and cherished.

He bit her ear a little bit fiercely and asked with gritted teeth.

"Tell me, is this still like a tool?"

Zoey Gu was startled, tears streaming down instantly.

"Liam..."

After several entanglements, when it was over, Zoey Gu's tears dried up, and his throat became dumb.

Liam Lu still kept pressing her, and the phone on the bedside suddenly rang.

Zoey Gu suddenly woke up like a dream, and pushed him away with a pale face.

“your phone.”

After speaking, she rolled directly onto the side of the bed wrapped in a quilt.

Liam Lu’s stretched out hand hung in the air, glanced at her with a deep look, and took the phone and answered in a low voice, “It’s me.”

“I see, wait for me downstairs.”

When he hung up the phone and looked down at Zoey Gu, she had already sat up around the quilt, looking at him and said softly.

“Liam Lu, we won’t meet again after tonight.”
