

Catch Me If You Love Me

Chapter 6

The man in front of him stared at her hand, his brows tightened, and he said in a low voice.

“Miss Yun, you don’t actually need to do this. Even if Liam can’t see these blank pinholes, he always thinks that you are the one who keeps giving him blood.”

Anna Yun smiled softly, raised his hand and threw the used needle into the trash can. It was still the gentle and moving face, but it clearly showed a coldness.

“If I don’t do this, how can Liam see it everywhere and always remember me?”

Five years ago, Liam Lu, who had been away, suddenly returned to Lu’s house.

With the help of Mrs. Lu, she smoothly became the one who “supplied blood” to Liam Lu. Every month, the real blood donor draws blood and sends it, she punctures a needle in her hand, and then delivers the blood to Liam Lu.

Xu is because she has a harmless face, and she knows how to score.

In Liam Lu’s cognition over the years, he only used a woman’s virgin blood when he left Berven City, and later, it was all due to her Anna Yun.

It was almost time, Anna Yun glanced at the top floor of the Financial Building, glanced at the man beside him, and whispered, “Put the blood away first.”

“Tonight, before giving the blood, I want him.”

Zoey Gu sat by the outer wall of the Financial Building for a long time.

Until the sun became cold every inch of her body and her hands and feet were numb, she still didn’t have the courage to stand up and walk into the building behind her.

Until Lydia Lin called, she yelled at him angrily on the phone.

“Zoey Gu, you little b!tch! Don’t play tricks on me, I saw you on TV! There is no news from you in an hour, you know the consequences.”

After hanging up the phone, Zoey Gu paled and stumbled up from the ground.

After gritting his teeth and turning around, there was a cry of a child suddenly not far away.

“Woo, Dad, where are you, Dad? Alina Yin is afraid, Alina Yin wants to go home...”

“I’m looking for Dad, woووо...”

A distance away, Zoey saw only a small white figure from a distance. He was touching his tears while walking back and forth in the square of the Financial Building. He was obviously lost with his family.

Zoey Gu stood still and hesitated.

Just about to approach the little girl, several men with peaked caps who couldn’t see their faces directly rushed to her and blocked the little girl.

“Little sister, can’t find mom and dad? Let’s go with uncle, we will take you to find.”

“Uncle gives you a lollipop. There is also a princess dress from Frozen in the car.”

Zoey Gu stood far away and could vaguely hear the little girl’s voice coming from the gap.

“No! Dad said, people who don’t know who will give sugar and take Alina Yin away are bad guys!”

The men suffocated, then said viciously.

“The little thing is quite clever, but when you met us, where did you escape.”

It’s a trafficker!

Zoey Gu’s heart was tense, and he stumbled all the way and ran over, shouting at several men, “Hurry up and put the child down!”

Several men stiffened, and turned their heads to look over.

“Who are you? Don’t be nosy!”

The little girl has fainted and is hanging limply on the man’s arm. And that familiar face and dress are clearly Liam Lu’s daughter!

Zoey Gu clenched his fist with his hand down, and his body couldn’t help shaking.

“She’s Alina Yin, I’m her mother! You put her down, I can assume that nothing happened. Otherwise...”

As she said, she looked around, and yelled loudly regardless, "Come on! Come on! Someone is coming to grab my child! Help..."

Not far away, there was a security guard who was on patrol, and he looked over.

Several men changed their faces and remembered that the little girl had called herself "Alina Yin", gritted her teeth and gave Zoey Gu a vicious look, threw the child to her and ran away.

"Smelly ladies, we are unlucky!"

Zoey Gu was caught off guard, seeing the child being thrown over, he rushed over and caught the small body.

It fell to the ground all at once.

Zoey Gu subconsciously protected the girl's head, pressed the person firmly in his arms, and rolled over on the ground for two times before stopping.

Zoey Gu moved too much, and the girl in her arms frowned and slowly opened her eyes.

Zoey Gu was overjoyed in her eyes.

"Little baby, are you okay? Don't be afraid, the bad guys are already..."

"Wow!" Seeing the strange face close at hand, the little girl opened her mouth and cried instantly.

Zoey Gu froze in place at a loss.

"You, don't cry, I'm not a bad person, I just..."

"Alina Yin!" The man's stern and shocked voice sounded behind him.

Zoey Gu's body stiffened, and there was no movement in an instant.

The coming people stepped forward and clasped Zoey Gu's shoulders mercilessly, "Take your hand away, don't touch her!"

can...

Liam Lu's movements lasted only half of the time, as he lowered his head, he instantly met a pair of slightly trembling eyes.
