

Catch Me If You Love Me

Chapter 60

Liam Lu lowered his eyes to look at her, his eyes were dark, and he asked in a deep voice.

“hate me?”

Zoey lowered his head and turned his face away, his hands under the quilt tightened suddenly, and slowly shook his head.

“In the past, for all kinds of reasons, I am sorry for you. But now, I attribute all my misfortune to you. You have Anna Yun who is desperate for you. I just want to live a stable and peaceful life My relatives seek justice.”

She spoke very slowly and lightly, but every word of her words fell heavily between the two people, creating an invisible gap.

“We can’t go back, nor can we go one step further. Liam Lu, just beg you, leave me with my only dignity and let me go, okay?”

She lowered her head and tried to hide the redness in her eyes.

“You buy my six million, and I will find a way to return it to you. I will move out of this house as soon as possible. In the future...”

Before Zoey Gu had finished speaking, he heard Liam Lu’s mocking sneer.

He didn’t say a word, let alone any reaction, from beginning to end, he didn’t give her a response.

Zoey Gu waited for a long time and didn’t see him say anything, but when he looked up, he saw that he had risen, and put his hand on the shirt beside him.

The gauze has been removed from his injured head, leaving a few light scars.

But that leg...

Zoey Gu looked down inadvertently and saw the blood-stained gauze on his legs.

He just got up and moved his mouth too violently, and he had been crazy in bed with her for so long without hesitation, and the wound was probably cracked long ago.

Seeing him put on his trousers to leave without scruples, she suddenly reached out and grabbed him.

“and many more.”

The next second, she withdrew her hand quickly like an electric shock, and said awkwardly.

“Your wound is bleeding, I will help you deal with it before leaving. After all, today is because of me...”

Before she finished speaking, she clenched her teeth and got out of the bed wrapped in a quilt, and went all the way into the cloakroom not far away under the watch of the man.

Liam Lu’s black eyes looked deep in the direction where she disappeared, not knowing what she was thinking.

Zoey Gu quickly changed his clothes and hurried out carrying a medicine box.

She opened the medicine box and squatted down in front of him.

It seemed that he hesitated, before reaching out his hand carefully to take off his trousers, cut off the dyed gauze, and treated the wound carefully.

The smell of disinfectant water diffused, and the air suddenly became quiet.

The distance between the two is very close.

When Liam Lu lowered her head slightly, she could see the unrelenting blush on her delicate little face, the sweat beading from her tension on her forehead, and the ambiguous marks left by him under her neckline.

The man’s eyes grew deeper, and there were other emotions under his eyes.

How many years has it been?

Even Liam Lu himself had forgotten how long he had been without being so quiet, staying with her so close.

Thinking of the past that Shiyue had reported on her, Liam Lu’s expression became quite familiar, staring at her profile, and asked nonchalantly.

“Zoey?”

“Yeah.” Zoey Gu was concentrating on dealing with the wound and unconsciously answered.

“During my absence for five years, you were imprisoned by Lydia Lin. What happened during the period? You are just a girl who has no power to hold a chicken. What does she use you for?”
