

Super Rich Dad Chapter 607-608

Chapter 607

‘Hey! Old man Bi, this recipe is not right, wouldn’t it be better to change the asparagus slightly?’

‘What? What’s wrong, I’ll come and take a look.’

As he said this, old man Bi went forward and looked at the prescription for a moment, and after a moment of contemplation, he said, ‘Hmm. Not bad, let’s change it according to your idea.’

Jiang Hao nodded at his words, then looked at the time while doing something and said, ‘I’ll go out after work later.’

Old man Bi smiled: ‘What, are you in a hurry to deliver medicine to someone?’

Jiang Hao looked at Old Man Bi helplessly, then shook his head slightly and said, ‘If you understand, don’t say so, anyway, don’t look for me after work.’

Hearing this old man Bi gave a light laugh. Then he sat down on a chair and lit a cigarette with some sighs and murmured, ‘Youth.’

When he got off work, Jiang Hao carried the medicine in his hand but suddenly thought of something.

He knew who Lin Yan was, but he didn’t know where she was!

After shaking his head with a faint bitter smile. Jiang Hao walked around with the idea of strolling around the Northern Mansion.

Every now and then, he made some notes in case he needed to in the future.

When it was dark, Jiang Hao covered his somewhat hungry stomach and walked into a restaurant.

When the waiter saw the business coming, he eagerly came forward to entertain: ‘Dinner, sir, how many of you?’

Jiang Hao smiled and nodded, ‘I’m alone, let’s eat in the lobby.’

After saying that, Jiang Hao found a seat by the window and sat down, then picked up the menu and ordered a few dishes and waited at ease.

The city of Beifu was a bit different from what he had imagined, as most of the people here were relatively affluent.

I don’t know if it was an illusion or not, but Jiang Hao felt that life here was also slower, and that it was a very relaxing city.

While Jiang Hao was sitting in his seat looking at the night scene outside, a loud clamour suddenly came from the hall.

‘Beautiful girl, so pretty, come and let’s get to know each other, hehehe.’

‘Get lost, what are you!’

Many people in the restaurant looked over to the door. They only saw a beautiful woman being pestered by a few hooligans.

Jiang Hao had seen a lot of things like this and didn’t want to get himself into any trouble.

But suddenly he felt that there seemed to be something familiar about this woman’s voice!

‘If you don’t leave, I’m going to call the police, and then you won’t even be able to leave if you want to!’

‘Yoo-hoo? Letting you be friends with us is looking up to you, don’t give us face!’

Jiang Hao turned his head to look, only to see Lin Yan being tangled up with four punks!

Seeing this scene, Jiang Hao hurriedly walked forward: ‘Stop it!’

Lin Yan looked up and saw that it was the doctor she had slapped!

So she couldn’t help but say, ‘How come it’s you? What are you doing here?’

As soon as she finished speaking, Lin Yan broke away from a few punks and then hid behind Jiang Hao!

‘Help me chase them away, I’ll owe you a favour.’

Jiang Hao gave the other party a somewhat strange look and spoke after frowning slightly, ‘Get lost while I’m in a good mood!’

The four punks looked at Jiang Hao for a moment, and one of them said with a grim smile, ‘Kid. You’d better think clearly about what you’re doing, don’t be a pushover!’

Jiang Hao snorted, he was certainly a dragon swimming in shallow water, but he wasn’t so bad that he was being played by shrimps!

He stepped slightly harder and then moved his foot away, and a footprint appeared on the ground!

‘Am I coming out strong, you want to try?’

The crowd couldn’t help but be shocked by Jiang Hao when they saw this, is this something a human being can do?!

‘You, fine, today we brothers admit it! But don’t be complacent!’

After saying these harsh words, a few punks took a deep look at Jiang Hao and left.

Only after those few punks left did Lin Yan let out a long sigh of relief.

But then she thought. Jiang Hao was just an ordinary doctor, how could he afford to offend those people?

Thinking of this, a trace of guilt could not help but spring up in her heart: 'Sorry for causing you trouble!'

Jiang Hao looked at her and smiled, shaking his head, 'It's okay. It's just a few punks, they're not capable of anything.'

He might have thought they were just a few punks, but Lin Yan knew it wasn't that simple!

This was in the Northern Province, and she was still a member of the Lin family, and they all dared to do this.

Even if one thought with one's toes, behind these people of theirs. There must be someone else!

Jiang Hao looked at the sad expression on Lin Yan's face and smiled, then opened his mouth and asked, 'Have you eaten yet, if not, why don't you eat something together?'

When Lin Yan heard this, she pondered for a moment, then smiled and replied, 'Then I'm welcome.'

With that, she followed behind Jiang Hao. He walked over to the seat and settled down.

As she then ate, Lin Yan couldn't help but blush a little as she thought about what she had done to Jiang Hao.

'Ahem, that, there's something I need to apologise to you for.'

Jiang Hao was eating his meal when he suddenly heard this and faintly stared, then opened his mouth and smiled, 'What is it?'

Lin Yan wiped the corner of her mouth in an extremely ladylike manner before speaking, 'It's about when I was at the hospital during the day, I thought you...'

At this point, Lin Yan felt a little embarrassed to continue and a hint of red flushed on her face.

Jiang Hao laughed lightly, thinking that maybe the other party had asked another doctor to check over Pei Bei.

He knew that Bebe's health had improved, so he apologised to himself.

Thinking of this, Jiang Hao smiled and said, 'It's okay. It's what I should do to heal people, but I might not be able to do it in the future.'

Lin Yan was surprised to hear this and asked, 'Why? Aren't you a doctor? How come you can't heal and save people anymore?'

Jiang Hao coughed lightly and had the intention to tell Lin Yan what had happened.

However, he thought that the other party had already apologised to himself for this matter. Saying it would only add to the other party's troubles.

So he smiled, shook his head and said, 'It's nothing, oh, right. There's something here that I want to give you for a while.'

After saying this, Jiang Hao took out the medicine he had brought along with him and then placed it on the table.

'This is the medicine for Bei Bei, the evil cold in her body has almost cleared up, the rest is just to take the medicine on time.'

Looking at the medicine on top of the table, Lin Yan gave a slight pause.

She had wronged Jiang Hao, and Jiang Hao wasn't angry not to mention that he had even prepared medicine specifically for Bei Bei!

'I originally wanted to go find you and then give you the medicine, but then I realised that your place doesn't seem to be a place where ordinary people can go.'

After saying this, Jiang Hao laughed a little embarrassed.

Lin Yan looked at Jiang Hao's somewhat goofy appearance and gave him a strange look in her eyes.

It was as if there was something blocking his chest, making Lin Yan feel strange.

While the two looked at each other speechless, a few punks on the street outside were on the phone.

'Young Chen, sorry, we've messed things up!'

On the other end of the phone, a lazy male voice rang out.

'Rat, it's not the first day we met, tell us what happened.'

Hearing these words, Rat's face was slightly relieved.

Chapter 608

'It was going well, but suddenly a master appeared, and I can't afford to mess with him.'

On the other end of the phone, the young man was silent for a while before he opened his mouth and asked, 'Where are they now?'

Rat turned his head at his words, 'The Golden Fortune Hotel on the West Street of North Province. What, is young Chen coming?'

‘That’s not for you to worry about, take your men and get lost.’

Shao Chen then hung up the phone and then sat in his car with a grim face looking at the road.

It was just a matter of trying to arrange a heroic rescue. How come it was so difficult?

Rat, this useless thing, thanks to him saying how hard his men were!

How dare he be scared off by just one person. And the point is solid?

Didn’t he, Shao Chen, have solid hands?

Thinking of this Chen Minggang slightly loosened his tie, then looked at himself in the mirror for a long time.

‘Hmm, still so handsome, Lin Yan, you can’t escape me!’

After saying this, he drove and rushed to the Golden Fortune Hotel.

At this moment, Jiang Hao and Lin Yan had just finished their meal and were about to leave when Chen Minggang walked in.

Looking at the two of them talking and laughing, Chen Minggang’s heart couldn’t help but sink.

In his heart, he thought to himself, ‘I spent money on that yakuza Rats. But it turned out to be a bargain for you, didn’t it?’

Thinking of this, Chen Minggang walked forward and looked at Lin Yan and smiled, ‘Xiao Yan, why are you here?’

Lin Yan looked at the suddenly appearing Chen Minggang and faintly stared, then looked at Jiang Hao before looking back at him.

‘Ahem, I’m here having dinner with friends, what brings you here?’

Chen Minggang smiled and pointed at the glass window and spoke, ‘I passed by here when I was dropping off my friend and happened to see you through the glass window.’

After saying this, he looked at the food on the table and shook his head, ‘Why don’t you order something delicious, are you used to eating these things?’

A hint of disgust flashed in Lin Yan’s eyes, ‘It’s fine, I quite like it.’

Jiang Hao sat on the side and looked at Lin Yan. After looking at Chen Minggang again he suddenly smiled.

‘Eating is sometimes like drinking, it depends on who you’re with, don’t you think?’

Chen Minggang smiled, while Lin Yan looked at Jiang Hao in surprise!

‘I basically know all of Xiaoyan’s friends, what are you?’

Jiang Hao snorted, then looked at Chen Minggang and said disdainfully, ‘And who are you?’

Lin Yan sat on the side and heard Jiang Hao’s words, she couldn’t help but reach out and pull Jiang Hao to whisper, ‘Are you crazy?’

After saying this, she leaned in Jiang Hao’s ear and continued to speak, ‘He’s a young man from the Northern Province, Chen. Are you drunk?’

Jiang Hao faintly froze when he heard this, then pondered down.

He was worried about how to break into the upper echelons in the North Mansion as soon as possible. Right now, this young Chen had taken the initiative to send him up.

So after smiling slightly, Jiang Hao looked at Chen Shao contemptuously and said, ‘Chen Shao, right, you think these things, are not for human consumption?’

Chen Minggang had never been a good fighter either. Hearing Jiang Hao’s words.

He nodded with a cold smile, ‘Not only that, this wine is not for human consumption either!’

After saying this, Chen Shao raised his hand and called out, ‘Waiter, open a bottle of your double horse here.’

The waiter looked at Chen Shao with some difficulty: ‘That. This wine is 18,800 bottles!’

‘It’s alright, go ahead, I still have a little bit of money.’

After saying this, Chen Shao took out the credit card he had on him and placed it on the table, ‘Take it and swipe it yourself.’

After the waiter took the card and left, Chen Shao’s eyes looked at Jiang Hao with contempt.

‘This is what people drink, what’s that to you?’

Lin Yan frowned, she knew there would be no peace today I’m afraid!

Jiang Hao was just a doctor again, and I was afraid that he only had a salary of more than ten thousand yuan a month.

Thinking of this. Lin Yan sighed and spoke, ‘Chen Minggang, that’s almost enough.’

‘It’s not a matter of whether I have enough or not. This is him trying to play with me!’

Jiang Hao watched as the waiter brought up the wine, then turned to Chen Shao and said, 'Hmm. I'll play slowly with you.'

'That, waiter. How much is the most expensive bottle of wine you have here?'

The waiter looked at Jiang Hao and then at Chen Minggang before saying in a trembling voice, 'Ahem, the most expensive wine is eighty thousand... would you like a bottle?'

Jiang Hao's eyes looked at Chen Shao and smiled, 'Put on three bottles.'

Now not only was the waiter surprised, Lin Yan was also looking at Jiang Hao in shock!

'You're crazy! This is more than two hundred thousand!'

Jiang Hao gave Lin Yan a strange look, as a matter of fact, she was the eldest Miss of the Lin family.

A mere two hundred thousand or so should be nothing in her eyes, so why did she look like that.

Only Jiang Hao didn't care much about it, but looked to the waiter and said, 'Swipe your card, bring your machine over.'

The lobby manager hurriedly came over with the os machine and then diligently took the card and swiped more than 250,000.

'As you have spent two hundred thousand in our hotel, this is our hotel's VIP card!'

As he spoke, the waiter also brought up the wine.

Jiang Hao took the VIP card and looked at it and laughed, 'I didn't expect that a meal would become a VIP.'

After saying this, he looked at Chen Shao and said, 'You're rich, right? Then let's compete to see who's rich.'

As soon as the words left his mouth, Jiang Hao directly opened three bottles of more than 80,000 bottles of wine.

Then one bottle after another was poured onto the ground!

'How about it, Young Chen, want to play on?'

Young Chen looked at Jiang Hao with a somewhat dry mouth: 'Play! Bring up four bottles for me!'

The lobby manager nodded hastily, he didn't care who won or lost right now!

Looking at the waiter, he said, 'Hurry up and get the wine!'

Jiang Hao snorted and threw his card on the table: 'No matter how many bottles he wants, I'll have one more than him.'

A flat tone, but the meaning in those words couldn't help but be alarming!

Lin Yan even looked at Jiang Hao with bewildered eyes, for the first time, she was beginning to ponder this man a little.

Chen Shao's pair of eyes stared fiercely at Jiang Hao: 'You're very good, I hope you won't regret what you did today!'

After saying these words, Chen Shao turned around and left.

Jiang Hao snorted twice as he looked at his back before sitting down in his chair and taking a fierce gulp of wine.

To be honest, he had also been a little impulsive tonight and hadn't given the slightest thought to Lin Yan beside him.

Lin Yan also sat down at this moment, then looked at Jiang Hao with complicated eyes.

'Who the hell are you, how can a doctor be so rich.'

Jiang Hao snorted twice: 'Would you believe me if I said I regretted it so much now that my intestines are blue?'

Hearing this, Lin Yan let out a laugh: 'There's no such thing as you, just now you were acting like you were unbeatable!'

Jiang Hao laughed bitterly and shook his head, 'It's not for the sake of having more face in front of you, I'm calling it a death wish.'

Lin Yan couldn't help but blush slightly at her words, then spoke softly, 'Don't you worry, I'll pay you back this money.'

Looking at Lin Yan's flushed face, Jiang Hao couldn't help but be dumbfounded for a moment.

When he reacted, he shook his head and said, 'Forget it, I'm a real villain.'
