

Chapter 630

Heard this!

The evil young man named 'Fengzi' said to Gao Shengyuan:

"Young Master Gao, I remember! Jiangshi has been rumored before that the Xinbai clan is about to be finished before it opens!" "Because this surname is Lin Yes, it not only abolished Grandmaster Leng Aotian's grandson, but also broke the legs of Grandmaster Helan Mountain!"

What!

Hearing this, Gao Shengyuan's screams gave a slight pause.

He did not pay much attention to these rumors.

But now when I heard it, I was ecstatic:

"You...What you said is true?"

"It's true!" Fengzi's face was vicious at the moment.

His face was torn off by Lin Fan, and his hands and feet were also abolished because of Lin Fan.

It can be said that Lin Fan has completely become his nightmare.

The evil young man now wants Lin Fan to die immediately.

Only in this way can he only hate in his heart.

“Good! Good!”

Gao Shengyuan’s pale face suddenly showed a strong viciousness:

“Since the New Bai family is finished, then I will immediately let our group stop all cooperation with the New Bai family!”

“It’s not just that. We, I want the entire Jiangshi, no other group to provide raw materials to Xinbais! I make them die faster! Even worse!!!”

In the eyes of Gao Shengyuan.

There are two great enemies, the grandson of Leng Aotian and the granddaughter of Helan Mountain.

So even if Lin Fan had a Master Dao, he would definitely end up miserably.

He will naturally not let go of this opportunity to beat the dog in the water.

...

quickly!

The news from the northern district of Jiangshi seemed to have grown wings and swept across Jiangshi.

The young master Gao Shengyuan of the Tiansheng Group, as well as thirty or forty people under him, were all interrupted.

As soon as this news came out, the whole Jiang City was in an uproar again.

after all!

Although Tiansheng Group is only a second-rate chaebol in Jiang City.

However, its business spans more than a dozen industries, including real estate and beauty, and has great influence.

And dozens of people, including the young master Gao Shengyuan, were abolished. This is definitely the most serious wounding incident in Jiang City's history.

The only exception is for everyone.

No matter it was Gao Shengyuan or those subordinates, no one actually said who the murderer was.

Since then!

Who interrupted the hands and feet of Gao Shengyuan and others has almost become one of the most lively topics on the streets of Jiangshi!

Not only everyone!

Even Bai Yi and Baishan father and daughter of the New Bai Group also got the news.

When Lin Fan returned to the New Bai Group, he saw that the father and daughter and a group of senior officials in the New Bai family had just discussed it.

"Huh? Wife, what are you doing?"

Lin Fan saw that Bai Yi, Bai Shan and others were carrying gifts in their hands.

This scene stunned Lin Fan.

“The young master of Tiansheng Group Gao Shengyuan, his legs and feet were abolished, and their group, as our most important partner of the New Bai family, we naturally want to visit!”

Bai Yi said with a wry smile.

Just heard this!

The corners of Lin Fan’s mouth twitched and he couldn’t help being covered with black lines: “I broke their legs!”

what!

Heard this!

Whether it was Bai Yi or the many high-level Bai family, they were all taken aback.

Especially, when they saw that Lin Fan was carrying a vegetable basket, it was obviously the appearance of a family cooking husband who had just finished shopping at the vegetable market.

Wow!

Everyone burst into laughter.

“Hahaha...Lin Fan, you can really be kidding! You obviously just went shopping for groceries, how could it be you?”
