

Chapter 633

And after listening!

Bai Yi's pretty face was instantly angry from white to red, from red to purple!

Until the end, gritted teeth with hatred!

Bang!

Her jade hand was slapped on the desk fiercely, her face full of anger:

"How could there be such a beast!"

"One is to buy the courtyard, hesitating to kill people, and treat them like ants! The other is for money and treats relatives as gangsters! "

Damn it! Damn it!"

Bai Yi finished!

Her breasts fell together with anger.

Then he turned his head to look at Lin Fan, a deep apology appeared on the pretty face : "Yes... I'm sorry! Lin Fan, I shouldn't accuse you, you did it right! Moreover, even if you let Master Dao kill you I will not object to them!"

Bai Yi was obviously blown up.

Looking at Bai Yi's angrily appearance, and then at her pretty face, the tears that had not even been wiped away.

Lin Fan's heart couldn't help but warmed slightly, and then he put Bai Yi in his arms.

"Thank you, wife!"

Lin Fan said softly to Bai Yi's ear.

But when the heat spread all over Bai Yi's ears, Bai Yi's body suddenly slumped.

"You...you let me go, this is the office..."

Bai Yi only felt that every time he was held in his arms by Lin Fan, it seemed like he had lost his strength

and was weak.

And just when she wanted to struggle.

The corner of Lin Fan's mouth curled up, and then his lips moved, instantly kissing Bai Yi's lips.

Oh oh...

Bai Yi's beautiful eyes were round, her red lips were completely blocked by Lin Fan, she only felt as though she was suffocated for a while, and she couldn't even breathe.

Powerless!

melt!

At this moment, Bai Yi was completely confused and infatuated, her delicate body was completely hung on Lin Fan's body.

Especially, when Lin Fan's tongue pried away his white teeth, and her fragrant tongue, entangled tightly.

boom!

Bai Yi only felt that her whole head was completely blank, almost fainted.

This was her first kiss. She had never thought that she would hand over her first kiss to Lin Fan in this situation.

"Woo...Lin Fan..."

Bai Yi whispered softly.

Completely plunged into Lin Fan's siege strategy.

This is more than that.

Bai Yi could feel that Lin Fan's devil's claws were constantly wandering on important parts of his body, and every time he wandered, Bai Yi's body became weaker and weaker.

Huh!

When the buttons were untied, Bai Yi shuddered all over Lingling, completely waking up from that kind

of distraction.

“Lin Fan, no...can't be here!”

Bai Yi's pretty face was red.

At this moment, she had completely accepted Lin Fan physically.

But it was the first time for her, she could not accept to hand over herself in the office.

At this moment, Bai Yi was tempting to the extreme.

Her pretty face was like a ripe apple, radiant red.

Especially the heavy breathing, coupled with the blurred and moving eyes, made Lin Fan smile again and again.

“Wife! Look at me”

saying!

Lin Fan couldn't help but glanced down.

Bai Yi was taken aback for a moment, she immediately lowered her head to look at it, and only then was she surprised to find that Lin Fan's pants were bulging against herself.

“Hey...no wonder I feel that you brought an iron rod...”

Bai Yi couldn't help but spit out, but after saying this, her pretty face blushed and she became more and more charming.

“Lin Fan, you...are you uncomfortable, what do you do now?”
