

Chapter 637

Happiness!

With this applause resounded.

Suddenly, from the door of the building, there were welcoming voices again:

“Zhou Linglan, Chairman of the Linglan Group, here!”

“Chairman Song Jia of Harvest Group, here!”

“...”

Voices rang again after another. thorough.

After hearing the names of these people who came, the faces of all the senior officials of the New Bai Group were completely pale.

Because these people almost include all the material suppliers in Jiang City and several nearby cities.

In the shocking sight of everyone!

One after another, figures came in from the door, hailing.

Look at these suppliers who look bad.

Whether it is Bai Yi, Bai Shan, or all the senior leaders of the New Bai family, each of them looks pale as paper.

“Alright! Everyone can offer gifts!”

Gao Zhilong smiled sensibly.

And as his words fell.

Suddenly, a famous supplier stepped up:

“President Baiyi, sorry, our cooperation must be terminated!”

“President Baiyi, starting today, we will stop all supply of materials to New Bai’s!

””

Voices resounded endlessly.

Without exception.

It turned out that all of them were terminated and cut off cooperation.

In the blink of an eye, when the words of all suppliers fell, Xinbai's raw material supply channels announced that they had been cut off.

This scene!

Let all the people of the New Bai Group look ugly as if dead gray.

Especially those high-ranking members of the New Bai family, looking at Lin Fan, were full of anger.

Just now, this guy was not ashamed, saying that the group will have a good start.

And now it's great!

No red, there is a black door!

It can almost be announced that Xinbaishi is completely finished.

Just now!

Lin Fan didn't seem to see the angry eyes of many high-level executives. His gaze swept over one supplier after another, and the smile on the corner of his mouth became more and more intense:

"Okay! I, for President Bai Yi, agreed all! "If the contract should be terminated, all terminate the contract! If the cooperation is cut off, the cooperation will be cut off forever!"

What!

In a word, everyone in this place was all confused.

accepted?

You know, normally speaking, if the partners such as Tiansheng Group have already signed the contract, if the other party wants to terminate the contract, he must pay a lot of liquidated damages.

But everyone did not expect that Lin Fan hadn't mentioned the penalty for a penny at all, and directly agreed to resolve it.

This...

Boom!

All the senior officials of the New Bai Group were almost blown up with anger.

spendthrift.

You know, Lin Fan's words are almost a hundred million yuan in liquidated damages that he will get, and they have no life or death, which makes them not angry.

instead!

Gao Zhilong and the others were also slightly dazed.

And when they reacted.

boom!

All burst into laughter:

"Hahaha...Okay! It's still fun for Mr. Lin Fan, if that's the case, then you can sign! By the way, it seems that the liquidated damages we prepared are now saved!"

"Hahaha... Once I saw such a generous person! Lin Fan, you are such a talent, hahaha, the Xinbai clan will definitely be played to death by you!"

At this moment, Gao Zhilong and Gao Shengyuan and his son looked at Lin Fan as if they were looking at one Like a big idiot, he laughed abnormally.

And see this scene!

Bai Yi's pretty face was also gloomy, almost dripping with water.

Obviously, she also didn't expect that her husband would be so stupid, and the liquidated damages that could be clearly charged, now she can only watch as she squanders.

"Wife. Believe me! Sign it!"

Huh?

Hearing Lin Fan's voice, he was looking at his confident appearance.

Even Bai Yi didn't understand his behavior, but he still chose to support it.

“Okay!”

Bai Yi nodded immediately, and then the surrounding waiters picked up the cancellation contracts from the ground and brought them to Bai Yi.

Without saying anything, Bai Yi signed his own name one after another.

Depressed!

At this moment, the sound in the hall was only the sound of the pen signed by Bai Yi.

As for all the senior members of the New Bai family, their hearts were bleeding, and they were even more angry with Lin Fan to a trembling level.

crazy?

They didn't expect that not only was Lin Fan alone, but also President Bai Yi, who was usually extremely calm, was as crazy as Lin Fan.

Only now, it's done, and it's useless to say anything.

And when Bai Yi signed all the contracts, all their names took effect.

The welcoming voice from Xiamen Gate once again came:

“Leng Bufan, son of Leng Kang, president of Shengshi Group, here!”

“He Jiaojiao, granddaughter of Lanshan Group Chairman Helanshan, here!”

What!

When you hear these two names.

Whether it was Bai Yi or all the senior officials of the New Bai Group, their expressions were brushed, and they turned pale.

The fiercest villain finally... came home.

Shengshi Group!

Lanshan Group!

These are the two most powerful chaebol groups in Jiangnan Province.

And Leng Bufan and He Jiaojiao, even in the provincial capital Jiangnan City, are definitely the top second-generation members.

And now!

It is definitely a disaster for the New Bai Group.

All of a sudden.

All the senior officials of the New Bai Group, with their faces gloomy, almost dripping with water, they glanced at Lin Fan's gaze, wishing to eat the troublemaker.

Hoop!

And just in the panic of everyone.

A silhouette came in from the door.

Headed by two wheelchairs.

On the left side of the wheelchair, there was a young man sitting, his face pale as paper, and his eyes were filled with arrogance and coldness.

In the wheelchair on the right, there is a coquettish woman with a cast on her leg, her pretty face is full of resentment and resentment.

It's more than that!

Bai Yi and others saw it.

After the wheelchairs of Leng Bufan and He Jiaojiao, young men and women followed.

Zhou Nan, Bai Yifan, Shen Jian, Lin Guangyao...

all of them turned out to be people who had hatred with Lin Fan.

Huh!

Bai Yi's pretty face was as white as paper, and her beautiful eyes were filled with worry.

On the contrary, Lin Fan narrowed his eyes slightly, and a smile appeared at the corner of his mouth:

"Interesting, today's enemy, but it's true!"

What!

Listening to Lin Fan's Di Gusheng, the many senior officials of the New Bai clan next to him, one by one looked at him like a fool.

Quante is the enemy of this product.

They simply couldn't imagine how this guy can cause trouble to take over so many enemies.

especially!

At this moment in the hall, there are...three wheelchairs!

Nima!

Does this bastard work for a wheelchair factory?

Why do her enemies like to be wheelchairs so much?

It is not only the high-levels of the new Baishi Group, they have a strange face.

Even after seeing the wheelchair Gao Shengyuan was sitting in, even Leng Bufan and He Jiaojiao twitched their mouths.

"Lin Fan! We're seeing each other again!"

Leng Bufan's eyes fixedly stared at Lin Fan, as if looking at a strange enemy.

He Jiaojiao, who was next to him, also looked at Lin Fan, gritted his teeth with hatred:

"Boy, I said, you interrupted my leg! I will definitely make you worse off than dead!"

What!

Bai Yi was dumbfounded by He Jiaojiao's sullen words.

She remembered that that day He Jiaojiao broke her mother Shen Yumei's leg. After that, although Lin Fan uttered wild words, he said that He Jiaojiao could not walk out of the hospital today.

In the end, He Jiaojiao was really interrupted.

However, the person who interrupted He Jiaojiao's leg was the genius doctor Lin?

What's the matter with Lin Fan!

Thought of this!

Bai Yi hurriedly said:

"Miss He, are you misunderstanding? The matter of your broken leg seems to be... nothing to do with Lin Fan!"

It doesn't matter?

He Jiaojiao was amused by this sentence.

On her pretty face, there was a thick arc, and she looked at Bai Yi as if she was looking at an idiot:

"It doesn't matter! If it weren't for this bastard, how could I break my leg!"

Wow!

After hearing this, Bai Yi's complexion was completely pale.

She didn't link Lin Fan with Lin's genius doctor at all. At this moment, she just thought that the reason why He Jiaojiao hated Lin Fan was because Lin Fan's crow's mouth was opened.

"What do you...what do you want?"

Bai Yi asked, looking at Leng Bufan and He Jiaojiao.

how about it?

And heard this.

Leng Bufan and He Jiaojiao said almost in unison:

"What we want is very simple, and that is to let this bastard break his limbs and make him... life is better than death!"

boom!

Cruel! Spicy!

Especially the sentence that life is better than death, made Bai Yi's expression a thick anger.

"You...you deceived people too much! Obviously all of this is caused by you! Why do you want to harm

my husband!”

Bai Yi flushed with anger, and heard this.

At the corner of Leng Bufan’s mouth, a touch of sorrow appeared:

“Why? With our strong power, with our financial resources!” He said.

He glanced at Lin Fan sharply before continuing:

“Also, Lin Fan! Are you not good at fighting? But do you know that my grandfather is a great master!”

“Today, my grandfather did not come, but he The old man asked me to bring you a sentence! That is, you have two choices, one is to abolish your limbs, and my grandfather will not blame it! Second, my grandpa personally comes to abolish your meridians and make you a vegetative forever !”

Boom!

Leng Bufan’s words made everyone’s complexion change drastically.

This is a threat from Great Master Leng Aotian!

Suddenly, Bai Yifan, Shen Jian, Lin Guangyao and others behind, as well as Gao Shengyuan’s face, could not help showing a strong expression of excitement and pleasure.

This bastard is finally going to play himself to death?

Thought of this!

The faces of the four of them were full of anticipation, as if they could not wait to see the miserable appearance of Lin Fan being abolished.

And Zhou Nan!

At this moment, he looked at Bai Yi with pity, full of sarcasm and playfulness, and said lightly:

“Bai Yi, please persuade your husband! It is best to let him do it himself, otherwise, if Grandmaster Leng himself Come, then your husband’s life will be completely finished!”

Zhou Nan knows how much Leng Aotian hates Lin Fan. After all, this guy who is dead has kicked Leng Bufan’s lifeblood to pieces.

Hear Zhou Nan’s threat.

On Bai Yi's pretty white face, dense cold sweat appeared. "ortable, what do you do now?"
