

Chapter 645

Looking at Bai Yi, Baishan's face could not help showing a strong perseverance:

"If my son-in-law and daughter, all have an accident, then my old bones, what is the meaning of living!"

"I and you, Live and die together!"

Wow!

As soon as he said this, Bai Yi's nose was sore, and the tears flowed down like a bank burst.

At this moment, Bai Yi really felt the warmth of the family.

This feeling.

You can live together, you can die together!

quickly!

When the elevator came to the first floor, the father and daughter walked out quickly.

However, as soon as they got out of the elevator, they heard the welcoming voice at the door of the building, which resounded:

"Leng Kang, President of Shengshi Group, and all the directors of Shengshi Group, here!"

Boom!

The words fell in my ears, and the bodies of Baishan father and daughter trembled.

Shengshi Group!

This is a giant chaebol in the Jiangnan business community, especially if the other party belongs to the behemoth of the Global Group. Both its status and background are so terrifying that it is unimaginable.

And now, not only the president personally came to the other party, but also all the directors of the Shengshi Group came together.

This made Baishan and Bai Yi hardly believe their ears.

"Wh...what's going on? Why did the Shengshi Group also come? Isn't that Leng Kang just to avenge his son?"

Baishan was completely confused.

Because he couldn't think of any reason that could shock all the big brothers of Shengshi Group.

Just at this moment!

The father and daughter heard that Lin Guangyao and Leng Bufan were talking about the Skeleton Emperor Card.

Huh!

Bai Yi's pretty face was instantly pale as paper.

Skeleton King Card!

She naturally knows what's going on?

At the beginning of the Shengshi Club, Lin Fan gave this card to himself, and even Lin Guangyao and others questioned that he stole it.

And Lin Fan did not refute at all.

"It's over... it's over!"

"This time, it seems that our Xinbai family is really in trouble!" A deep smile appeared on the corner of Bai Yi's mouth.

And at this moment!

With the sound of footsteps, resounding from the hall.

Leng Kang, president of Shengshi Group, came with a group of group directors.

The whole hall was in an uproar again.

respect!

fanaticism!

Whether it was Gao Shengyuan and others, or Bai Yifan and others, at this moment they looked at Leng

Kang and the group of big men, as if they were looking at their idols, and they worshipped to the extreme.

And Leng Bufan quickly said:

“Dad! Why are you here? Are you here to avenge me?”

“By the way! That bastard also stole our Shengshi Group’s Skeleton Emperor Card, even using this palm card, I have been deceiving Blood Rose and Xu Tianlong!”

“The two wastes are so easy to be fooled by the bastard Lin Fan, you must not spare them!”

Leng Bufan’s words were full of excitement and excitement.

Not just him!

Lin Guangyao, who was behind him, also hurriedly jumped out, flattering and saying to Leng Kang, “Mr. Leng Kang, I can testify! That skeleton emperor card was stolen by this bastard Lin Fan!”

“At that time, I even questioned him, but he didn’t refute it!”

Wow!

Following the words of Leng Bufan and Lin Guangyao.

Everyone in the entire hall was once again in an uproar.

That’s it!

All the senior members of the New Baishi Group felt that their scalp burst.

But Gao Shengyuan and the others were all trembling with excitement!

They didn’t expect Lin Fan to be so dead!

Injure Leng Bufan, He Jiaojiao, Gao Shengyuan!

Enraged the two great masters of Leng Aotian and Helan Mountain!

And now!

This guy turned out to be a thief stealing the Skeleton King Card!
