

Chapter 65:

Claire was also very curious about what happened today.

First, Charlie's BMW 520, why on earth is it twice as fast as Gerald's BMW 540?

Then there was Charlie's ancient painting of hundreds of thousands!

Also, why does Charlie know people in underworld, and the people give him a lot of face.

On the way back, Charlie explained to her. He told Claire that this BMW 520 was a test-driving car modified by a 4s store. In order to make users mistakenly think that this car is very powerful, he made a little modification.

Claire didn't know much about cars, so she believed it silly.

As for the ancient paintings, it has been explained before.

However, the scarface thing is a bit tricky.

After all, what he called Mr. Charlie one by one was called diligence, and Charlie couldn't explain it.

In the end, he can only say that this scar-faced eldest brother is a relative of a friend of his own. He had seen him at a friend's party before, and he also respected him because of his friend's face.

Claire felt that something was wrong, but seeing Charlie's certainty, she knew that it was useless to ask further, so she didn't ask more.

Elsa has been observing Charlie, and she feels that Charlie is not easy, so she decided to observe him in the future to see what secrets he has!

Gerald is said to be miserable. He was in a coma when he was sent to the hospital.

His father was expelled from the Emgrand Group and was found to have used his position for personal gain. He has been sued by the Emgrand Group's legal department and was immediately arrested by the public security organs.

It can be said that Gerald's house is completely finished.

However, Gerald's family is not well-known in Aurous Hill, and no one is not concerned about their life and death.

Those who really get everyone's attention are the god-level tycoons and the mysterious big figures who will be in the Shangri-La Hanging Garden.

Everyone can't wait to know, who he is? Is it the same person?

Soon, the time came to the wedding anniversary.

Because he told Claire a long time ago that he wanted to give her a surprise, Charlie forced Claire to put on a noble and elegant white evening dress before going out.

Claire resignedly agreed, and at the same time he mumbled: "It's just going out for a meal. Why do you have to let me put on such formal clothes? Even if today is our wedding anniversary, it doesn't need to be so grand, right?"

Charlie smiled and said, "Today is our third anniversary. Naturally, it will be more formal. I have already booked the place to eat. The arrangements for tonight are guaranteed to satisfy you."

He has done a good job of keeping secrets these days, and his wife has not made any doubts about it.

Claire smiled lightly, and she was very moved.

In the first two years of their wedding anniversary, the two spent it at home casually. Although it was not unusual, Charlie at that time even had no money, he would prepare some small gifts for her to please her.

However, this year Charlie has been uncharacteristically different and kept mysterious, but instead made her unable to guess what new tricks her live-in husband wants to make.

After a while, the two of them changed their clothes, went out and took a taxi, all the way to the Shangri-La Hotel.

Charlie stepped out of the car, looked at Claire standing next to him, his eyes were indescribably gentle, and said: "Claire, tonight, we are here to celebrate the third wedding anniversary. What do you think?"

Chapter 66

Claire's expression suddenly became weird. Where is the restaurant that Charlie ordered tonight?

She subconsciously asked: "You're not lying to me?"

Charlie smiled and said, "Of course not!"

After speaking, Charlie explained: "A few days ago, I booked a place here. If you don't believe it, let's go in and check the information."

Claire shook her head. After three years of marriage, Charlie never lied to her, let alone on such an important day as today. Then she said, "No, I believe you."

After that, she asked: "You shouldn't have reserved a seat in the sky garden, right? Isn't there a big person chartered there today?"

Charlie hurriedly said, "I decided to be next to the Hanging Garden. It happens to be able to see the inside of the Hanging Garden. Then we can also take a look. Who on earth is it that has reserved it? What do you think?"

Claire smiled and said, "I'm not as gossipy as you!"

Afterward, the two walked into the Shangri-La Hotel.

When they were about to go upstairs, a woman's exclamation suddenly rang in their ears: "Oh, Claire, why are you here?!"

Claire raised her head and saw a pair of young men and women walking towards her.

The man wore a luxurious suite, and he knew it was a wealthy young master from a certain family at a glance, while the woman was covered in famous brands with beautiful makeup, but the brows and eyes were full of arrogant colors, and the dress was a bit kitsch and dancing posture.

This woman, Claire, knew her, Liqing, her roommate when she was in college.

Although Liqing and Claire were in the same dormitory, they are not classmates.

Although they were sleeping together, the relationship between Claire and Liqing was very ordinary.

This is mainly because Liqing Zhao pretends to be high-minded and is very jealous.

She has always felt that Claire is not worthy of the name Colonel's flower, and the real school flower should be her.

But the actual situation is that she is much worse than Claire in terms of appearance, build, momentum or connotation.

However, this woman has an advantage. She is especially good at hooking up with men. It is said that she has hooked up with a lot of rich people before. All the expenses for four years of college were paid by those men.

Claire frowned, but seeing everyone in the class, when the two approached, she could only bite the bullet and said politely: "Liqing, long time no see. My husband and I came here for dinner, you What?"

Liqing said in surprise: "Ah, that's a coincidence. My husband and I are here for dinner too!"

After that, she asked again pretendingly and curiously: "By the way, which position did you book, ordinary box, premium box, or luxury box?"

Claire was confused about Charlie's arrangement, and could only reply truthfully: "I don't know this. My husband ordered the location."

At this time, Liqing noticed the existence of Charlie, covered her mouth and smiled, and said, "Oh, this is your husband Charlie, right? He was a very ordinary man at school back then!"

The sneer hidden between the words is particularly harsh.

Claire looked embarrassed.

Liqing came back to her senses and hurriedly said apologetically: "Oh, sorry, sorry, blame me for being outspoken, you don't mind."

Charlie frowned slightly, this lady, she doesn't seem good!
