

Chapter 654

See this scene.

Bai Yi and others, not only had their scalp numb.

Even Shen Yuzhi's family looked at Lin Fan as if they were looking at a devil.

Spicy and cruel!

Anyone who provokes him will definitely not end well.

Thinking of this, Zhang Kaiming and Zhu Ru were even more grateful to the extreme. Fortunately, they and Lin Fan are relatives. Otherwise, the fate of the two of them might not be better than the fat man and the poisonous snake.

Right now, Zhang Kaiming and Zhu Ru looked at each other, and the two of them could see the awe of Lin Fan in each other's eyes.

"Let's go!" Lin Fan smiled slightly, his face still calm.

For him, it was nothing more than abolishing two reptiles, and there was not a single wave at all.

Following Lin Fan's words fell.

He Sheng and a group of hotel executives quickly cleared the way for Lin Fan and his party in front.

And until then.

Shen Yuzhi breathed a long sigh of relief and curiously asked Bai Yi:

"Bai Yi, how come you are an emperor-level member of Shengshi Group?"

Shen Yuzhi was puzzled.

After all, that kind of card is too terrifying, it can be seen from the attitude of He Sheng and others.

But Bai Yi lives in Jiangshi, a small third-tier place, how can there be such a terrible thing.

Heard this.

Iraq pumped a white mouth, his face looked next to a complex of Lin Fan, This said:

“In fact, this card is Lin Fan to me!”

What!

In a word, Shen Yuzhi’s family was even more shocked.

They originally thought that they had overestimated Lin Fan, but now they know that Lin Fan can give away the Emperor Card of the Shengshi Group at will. This terrifying and mysterious degree makes Shen Yuzhi’s family more and more towards Lin Fan. Be in awe.

at the same time!

In a box of the Hongyun restaurant, three figures are sitting on the sofa, discussing something in full swing.

Two of them, if Bai Yi were here, they would be extremely familiar with each other. It was her uncle Bai Hai and her cousin Bai Yifan.

Sitting across from the two, he was a fierce middle-aged man.

There was a long scar on his forehead, his ears seemed to be pierced by a bullet, and only half was left.

Especially that kind of gloomy aura makes him look like a fierce tiger wolf, which makes people shudder.

He is Cai Guofu, the owner of Jiangshi Lanhai Building.

A famous Yunhai city boss!

“Hahaha...Brother Cai, I have to ask you this time !” Uncle Bai Hai smiled, obviously very satisfied with the results of this conversation.

As he said, he snapped his fingers, and suddenly Bai Yifan took out two checks from his pocket and handed them over.

“One of the 50 million cheques! This time Brother Cai rejected Bai Yi and helped us teach Lin Fan the reward!”

“The other 100 million cheque is the funds for our Bai Group and your blue ocean cooperation! Brother Cai smiled!”
