

Catch Me If You Love Me

Chapter 67-68

The moment he reacted, Zoey Gu withdrew his hand into the wide suit jacket, and wanted to walk outside.

She didn't want anyone to see, especially Liam Lu!

As soon as I got to the door, the sound of fists waving in the room suddenly stopped.

Zoey Gu's raised feet stiffened, feeling a cold wind on his back, and the old man's fat body banged and threw it to her feet in an instant.

Bloody, dying.

"what..."

Zoey Gu was caught off guard and was frightened, and back with a scream, his whole body pressed tightly against the door panel behind him.

Liam Lu stepped forward, his white shirt was not stained with blood, but his face became extremely cold when he looked at Zoey Gu.

"Zoey Gu, is this your attitude?"

He gave her a head, and she turned and left without hesitation. Good job!

Zoey Gu lowered his head, and pressed one hand firmly on the suit jacket on the other side, not knowing whether it was a guilty conscience or nervousness, and her voice was very low.

"Sorry..."

The words fell, a drop of blood followed the cuff she was holding down, and fell on the floor with a "click".

Liam Lu's pupils shrank, and he bent over and pulled her hand.

"Where did it hurt?"

Zoey Gu's face turned pale and reflexively jumped aside.

"Do not touch me!"

As soon as he raised his head to meet the man's cold face, Zoey Gu suddenly realized that she had overreacted and subconsciously wanted to explain.

"I..."

Liam Lu's cold gaze grabbed her face, and for a long while, he gritted his teeth and retracted his hand, and closed his eyes severely.

"I will take you to the hospital."

Seeing him turn around and leave, Zoey Gu refused without thinking again, "No need."

She looked down at her injured arm, a slight pain in the tip of her heart, and her voice lowered.

"Thank you for today's affairs. But there is only a small injury on my hand, I can go to the hospital by myself."

Those pinholes hidden by her are evidence that she has fallen into hell and will never be able to get close to him, and it is a testimony of a dirty past.

She herself couldn't cross the hurdle, and she didn't want him to see or know a bit.

Liam Lu turned to look at her, dark eyes with a deep emotion that she couldn't understand.

"The me now makes you so unacceptable?"

I hate it so much that I don't even want to stay with him?

Zoey's nose was sour, and he opened his mouth to say something, but he answered blankly.

"Yes. I don't want it for a minute and a second."

She clenched her hands, closed her eyes, and hid all her emotions.

"Because I see you, I think of how dirty I am, the death of my loved ones, and all my misfortunes. I don't need your pity, sympathy, and don't want to see you!"

"Liam Lu, since it doesn't matter anymore, we should all be well and not disturb each other. Today is just..."

"Heh!" Liam Lu suddenly chuckled, "Everyone is well, and don't disturb each other?"

He walked up to her and stretched out his hand abruptly, his bone-thinning voice seemed to come from two extremes.

“In that case, give me things.”

Zoey Gu was startled, looking up at him a little unclearly, “What?”
