

Chapter 67:

Liqing didn't pay attention to Claire's face, she pulled the man next to her proudly, and said, "I will introduce you to my husband Zheng Hao!"

Then, she praised: "He, he is the eldest master of the Zheng family in Aurous Hill, and he is also the heir of the Zheng family's hundreds of millions of fortune!"

Claire nodded politely.

Charlie's expression was a little gloomy.

I brought my wife to my wedding anniversary, who knew we'd meet such an annoying thing halfway through!

Liqing continued to say: "By the way, my husband is a platinum member here. He has a lot of authority. I guess Charlie has a regular box at most, right? Why don't I ask him to help you upgrade directly to the luxurious box? How is it?"

Claire was about to decline, Charlie laughed, and said, "I booked a good position, so let's forget about it."

You know, the sky garden on the top floor will make up for a grand wedding. She is a platinum member. What's so good about her?

What's more, the entire Shangri-La Hotel is in his own home. If he took his wife to a luxury box with only platinum members, wouldn't it be a surrender?

At this time, Liqing said with some dissatisfaction: "Claire, look at your married husband, you don't know how to promote him, how do you usually discipline him?"

As she said, she took Zheng Hao's arm, nestled her head on his shoulder, and said with a smile: "Charlie's behavior is not suitable for such a noble occasion. I would like him to ask my husband for more advice in the future. Aristocratic etiquette, after all, my husband studied in England."

Zheng Hao glanced at Charlie with disdain, and smiled: "My wife, don't arrange this impossible task for me. Mr. Charlie is so maverick and you want to teach him aristocratic etiquette. I'm afraid it will be difficult. ."

Liqing nodded, sighed, and said to Claire: "If you want me to tell you, you should get divorced quickly, spending a lifetime with a poor man like Charlie you will feel wronged!"

Liqing just spoke without any cover, not caring about Claire's feelings at all.

Claire couldn't bear it, and immediately said coldly, "Liqing, what do you mean? My husband, it's not your right to comment."

Liqing covered her mouth and smiled, and said: "You didn't look down on me when I was in college. How could you be considered a colonel's flower if you had some bad money at the time? Now that you don't marry well, you don't want me to talk about it. ?"

Charlie was very unhappy when he heard this.

This Liqing, who was profane when she was in school, relied on having a decent face to hook up with a rich man, and now she is lucky to marry a rich family. Is she really a rich and young lady?

Besides, dare to laugh at his wife?

Really looking for death!

Thinking of this, a burst of anger surged in his heart.

So he took out his cell phone and sent a text message to Shangri-La boss Issac.

“Within three minutes, all the information of Liqing, the daughter-in-law of the Zheng family in Aurous Hill was sent!”

When Liqing saw Charlie looking down at the phone without saying a word, she laughed even more: “Look at your husband, I’m taunting you, he didn’t even dare to speak for you. hahaha!”

At this moment, Charlie suddenly received a text message from Issac: “Mr., the information about Liqing has been sent to you.”

Charlie looked at the content of the long text message, then looked at Liqing and her husband Zheng Hao, and asked with a smile, “I have some interesting information, do you want to listen to it?”

Liqing frowned and asked, “What information?”

Charlie said loudly: “Liqing, female, 26 years old, graduated from Aurous Hill University.”

Chapter 68:

“During the freshman year, according to investigations, there were no less than a hundred records of house openings, and there were eight different men who opened houses, including Li Hu, Ma Fei, and Du Willsonping.”

Liqing was dumbfounded, her face pale and blurted out: “What are you talking about! Be careful I will sue you for slander!”

Zheng Hao frowned, he was obviously shocked.

Charlie said again: “Oh, this is amazing. You have opened a house with two men a few times. One of these two men is called Dong Bin and the other is Dong Jie. These two men seem to be brothers. Are you in a threesome?”

Liqing shouted in horror: “You are talking nonsense! You are talking nonsense!”

Charlie continued: “Also, during your sophomore year, you were taken care of by the vice president of Shenghua Group at a price of 30,000 per month. You were taken care of for a total of three years, during which you had four abortions for him. At the Aurous Hill Women’s and Children’s Hospital, the last abortion doctor declared you to be infertile for life.”

While talking, he asked Zheng Hao curiously: “Mr. Zheng, if I guess right, you should have no children yet?”

Zheng Hao’s expression suddenly became ugly. He glared at Liqing and asked: “What’s the matter?!”

Liqing sweated profusely and said in a panic: “Ahao, don’t listen to his nonsense. I gave it to you the first time! You know!”

Charlie smiled and said: “Don’t worry, don’t worry, there are more exciting!”

Liqing pulled Zheng Hao in a panic, and while dragging him away, she said, “Stop talking! Husband, let’s go! It’s too late for dinner!”

Zheng Hao frowned and said to Charlie motionlessly: “What else?”

Charlie smiled and said, “Listen well. After graduating from university, Liqing underwent a thorough plastic surgery in the Plastic Surgery Hospital. A month later, she entered the Zheng family company and deliberately got to know the Zheng family by scratching Zheng Hao’s Bentley car. Zheng Hao, a young man.”

After speaking, Charlie looked up at Zheng Hao: “Am I right?”

Zheng Hao was dumbfounded.

I know these things and they are all true facts. That is to say, those things before are also true facts?

Liqing was already pale at this time, and her whole body was shaking in panic.

She begged Charlie: “Charlie, I beg you to stop talking, please!”

Charlie sneered and said, “Now you know to beg me? Sorry, it’s late!”

After speaking, he said again: “After knowing Zheng Hao for half a month, she took advantage of the opportunity of a business trip to Haicheng to perform a meniscus repair operation at a plastic surgery hospital in Haicheng. After returning, she officially became a girlfriend with Zheng Hao and got married in half a year.”

Liqing was already sitting on the ground, she didn’t know how Charlie could reveal all her secrets, this was almost shaking her old bottom to her husband!

Zheng Hao was also so angry that his ears smoked, turned his head and glared at Liqing, and yelled: “So you lied to me that it was your first time that night, it was actually yours hundreds of thousands of times, right?”

Liqing hurriedly denied: “No, I didn’t, Ahao, you are my first time!”

Charlie smiled and said: “Don’t worry, I can find her medical records when doing the membrane repair. You will know when she goes to the hospital to check it.”

Zheng Hao grabbed Liqing’s collar and slapped her hard in the face: “Don’t tell the truth yet, do you? Don’t tell the truth yet. After I check it out, I will sweep you out. Your father, your mother, your brother, All moved out of my villa, and your brother should stop working in the Zheng’s family! I will let your family down the street!”

Liqing suddenly broke down and cried, and knelt on the ground begging for mercy: “Husband, don’t be angry, I was wrong. It was all the mistakes I made before when I was young and ignorant. Later, I changed my mind to righteousness and lived with you!”

Charlie said at this time: "Don't believe her, after she married you, she had a few breakup shots with the man who took care of her. That breakup shot, the other party also took a video as a memorial. If you want, I can find out the video and send it to you to watch!"
