She doesn't need to buy the Blue Ocean Building.

But Lin Fan, there must be nothing wrong.

Thinking that Lin Fan might have encountered some kind of danger at this moment, the cold sweat on Bai Yi's forehead dripped down.

Seeing the panicked Bai Yi, Cai Guofu smiled, then clapped his hands:

"Come in!"

Hearing Cai Guofu's words, Bai Yi was stunned, but at this moment, she was stunned to see that the compartment door in the sky box opened, and then four black-clothed bodyguards pushed A wheelchair came out.

When Bai Yi saw the fat man in the wheelchair.

Wow...

Her pretty face was completely pale as paper:

"It's... it's you?"

This fat man, the same President Cai met in the Shengshi Restaurant yesterday, was finally interrupted and threw out of the hotel.

It's just that Bai Yi never thought that the other party would appear here.

"Are you surprised?" Cai Guofu smiled evilly, his eyes flashed with a strong cruel meaning:

"Bai Yi, let me introduce to you now. This is my brother, who was interrupted by you. The limbs...Cai Guoquan!"

Boom!

My brother!

Bai Yi understood completely at this moment.

Cai Guofu's invitation to himself was not a sincere negotiation at all. He wanted to avenge his brother.

Thinking of this, Bai Yi retreated in a hurry, then ran to the door quickly.

She wants to leave here, she wants to find Lin Fan.

However, for Bai Yi's escape, Cai Guofu and Cai Guoquan didn't mean to stop them at all. Instead, they were watching the show with a smile.

really!

When Bai Yi ran to the door of the box, she couldn't open it.

"Open the door! Let me go out!"

Bai Yi's face was completely pale.

However, despite her shouting loudly, there was still silence outside, as if there was no one at all.

Seeing this scene, the two brothers Cai Guofu burst into laughter.

"Ha ha ha, White Iraq, you do not wishful thinking, I tell you the truth! This layer, we are brothers package down!"

"You even called broken throat, that no one heard!"

Said .

Cai Guofu got up from the chair and walked towards Bai Yi step by step:

"Bai Yi, you should listen to my second choice! Starting today, you will be my woman! How about?"

Cai Guofu was like A hunter, in his eyes, Bai Yi is the prey.

However, just when he was about to approach Bai Yi.

Huh!

Bai Yi instantly took out a fruit knife from her bag.

"Don't come here!"

Bai Yi pointed at Cai Guofu with a fruit knife in his hand, shouting angrily:

“You die, I am Lin Fan’s wife! Even if I die, I will never From you!”

This fruit knife was used by Bai Yi for self-defense.

I just didn’t expect it, but it came in handy today.

See this scene!

Cai Guofu was taken aback for a moment, he obviously didn’t expect this woman to be so strong.

It’s just...

“Lin Fan? Haha...”

“To tell you the truth, your husband Lin Fan, this point is...dead!”

Chapter 672

Lin Fan is dead!

When he heard this sentence from Cai Guofu, Bai Yi only felt as if struck by lightning, and his eyes were black.

“No...impossible! Lin Fan can’t die!”

Bai Yi’s pretty face was pale, she stared at Cai Guofu, her voice screamed:

“My husband is just going to deal with some things. He will come soon. He can’t die!”

Bai Yi didn’t believe it.

Don’t believe it at all.

However, after seeing this scene, Cai Guoquan in the wheelchair smiled gloomily and said grimly:

“Bai Yi, you don’t have to dream! Tell you the truth, as soon as you leave the hotel, we will People are watching!”

“In order to kill your husband, our brother sent out four killers!”

Four killers?

Hearing this, Bai Yi still had a trace of fluke left in his heart:

“My husband can hit twenty alone! He will never be killed by you...no...”

“Hmph! I’m so foolish!”

Cai Guofu sneered, and said evilly:

“Do you think my four killers eat dry food? To tell you the truth, each of them is a black boxer, and one is ten! Four people join forces to kill or not, your husband will undoubtedly die ”

Wow...

Hearing this, Bai Yi’s pretty face became paler and paler.

Yes.

Intentionally kill or not.

Lin Fan didn’t even know that someone was chasing him, and the four assassins were so fierce, then Lin Fan was afraid... it was over.

When I thought, Lin Fan might have had an accident.

Bai Yi was stunned.

In her mind, little by little and Lin Fan kept flashing.

That man, mopping the laundry, never complained.

That man loves her into his heart and loves her into his lungs.

Every time he was in danger, it was Lin Fan who helped him overcome difficulties together. He had already quietly occupied his heart and became everything to her.

“No!!!”

Bai Yi thought of this, only feeling that her heart was slashed by a sharp blade, causing her to tremble.

Tick!

Tick!

Tears, like beads with a broken thread, continued to drip from her pretty face.

Sad and dying.

While Bai Yi was in a trance, Cai Guofu, who was next to him, gave his bodyguard a wink.

Huh!

The bodyguard's figure was almost at its extreme, before Bai Yi hadn't reacted, he suddenly rushed to her.

Flicking his legs like a whip, kicked out suddenly.

He hit Bai Yi's wrist hard and kicked the fruit knife away instantly.

"Not good..."

Bai Yi suffered from a pain in her wrist, especially when she saw her only self-defense weapon, the fruit knife, being kicked away, her heart shook.

It's over...

She can't imagine how miserable she will end without a knife.

Chapter 673

"Hahaha..."

Seeing the success of the blow, Cai Guofu immediately moved his heart and smiled with such an evil grimace:

"Little beauty, now you are a widow, I will rectify you on the spot and take off your clothes. , In front of my brother

, fucked with you!" After speaking, Cai Guofu rushed towards Bai Yi like a hungry wolf.

However, his figure just jumped on.

Bai Yi slapped and slapped it down.

Under Cai Guofu caught off guard, the people were pumping surprised a moment, a trace of anger and humiliation, take out from the heart:

“! You are a smelly Ma table child, even dare I!”

“I kill you”!

Word After falling, Cai Guofu slapped Bai Yi’s pretty face with a slap, staggering her whole person.

Bright red palm prints emerged from Bai Yi’s pretty snow-like face.

At this moment, Bai Yi was directly beaten up.

And after seeing her trance look.

Cai Guofu is even more beastly, and now he wants to pounce on Bai Yi.

“Are you finished?”

Tears flowed from Bai Yi’s eyes.

Lin Fan may be dead.

So how can she live alone?

Seeing Cai Guofu who rushed forward, Bai Yi’s beautiful eyes flashed with a thick color of madness.

When the teeth were against the tongue, he wanted to bite his tongue and kill himself.

But at this moment.

“brother!!!”

A horrified scream came from inside the box, causing Cai Guofu to pounce on it, giving a slight pause.

Bai Yi bit his tongue and committed suicide, but also paused.

Soon after, Cai Guofu and Bai Yi saw that Cai Guoquan in the wheelchair was full of horror.

He stared at the TV in the box, as if he had seen something incredible, his eyes were about to fall out.

“Dead! Brother, our people...dead!”

What!

When he heard these words from Cai Guoquan, Cai Guofu’s whole body trembled fiercely, and immediately looked at the TV set.

Suddenly, he saw a piece of news being broadcast on the TV.

“It was reported on the scene that there was a homicide in Luohua Alley in this city this evening, with as many as ten dead!” “Six of them were killed by strength similar to wolf claws! The other four deceased had murder weapons in their hands, but There was no wound on the whole body. According to the forensic examination, the four deceased were shattered to pieces of bones in their bodies and died!”

The reporter on the TV had just finished introducing the situation at the scene. The camera turned around and revealed four of them. The face of the dead.

And when seeing these four dead.

Cai Guofu could hardly believe his eyes.

“It’s... it’s them! How could this be possible!”

Chapter 674

Cai Guofu’s whole person was dumbfounded. The four subordinates he knew best about him were all cruel people who licked blood, especially their strength.

With four people working together, even twenty or thirty people can beat it.

Not to mention killing a Lin Fan, it was a cannon hitting mosquitoes.

But now...

his four tyrannical bodyguards all died, especially the way of death that made Cai Guofu unbelievable.

Shattered the bones of the whole body and died?

how can that be.

This is more than that.

Cai Guofu could clearly see from the TV screen that the faces of his four assassins were solidified with deep fear and despair.

As if they saw the devil before they died.

“They are dead! Doesn’t that mean... Lin Fan is okay?”

Bai Yi was completely shocked at this moment, she was covering her mouth, almost crying with joy.

“Ma’s! That kid is not dead, how is this possible! How is it possible!”

Cai Guofu roared in panic.

Especially, when he turned his gaze and saw Bai Yi’s cry of joy, the anger and resentment in his heart became more and more turbulent:

“Grass! Lao Tzu did it first, you will speak!” As soon as the words fell, Cai Guofu once again. As soon as his body jumped, he wanted to rush towards Bai Yi.

But at this moment!

boom!

Under the unbelievable sight of everyone, the door of the box uttered a roar, bursting to pieces in an instant.

Along with a few figures that looked like dead dogs, he fell in.

With a thud, it fell to the ground.

These people, covered in blood, passed out into a coma.

It was Cai Guofu’s guard bodyguard arranged outside.

“Damn it, who?”

Cai Guofu’s heart was beating wildly, and he stared hard at the door with his eyes.

And in his line of sight, a thin figure slowly walked in.

It was... Lin Fan.

clatter!

At this moment, when Lin Fan's figure appeared behind the door of the box.

Wow... the two brothers Cai Guofu, Ji Lingling shuddered, their faces, as if they had seen a ghost, were filled with deep disbelief.

Bai Yi was covering her small mouth, and she burst into tears instantly: "Lin Fan!!!"

She wailed, her whole being like a lost little girl, once again seeing her family, running towards Lin Fan Go and rushed into his arms fiercely.

Tears, like beads with a broken thread, crackled and fell continuously.

"You bastard, I thought you were dead! Why do you want to worry about me so much? If you die, how can I live! You idiot, bastard, fool! Uuu..."

Bai Yi thought about it at this moment. Sorrow, fear, and despair were all vented.

The whole person has completely cried into tears.

Chapter 675

Feeling Bai Yi's attachment in his arms, Lin Fan's heart trembled fiercely. He gently rubbed Bai Yi's head and kissed her forehead deeply:

"My wife, I'm fine! You too! It's okay!"

After saying this, Lin Fan held Bai Yi's pretty face in his hands.

This beautiful and beautiful face, white as snow, was completely wet with tears, and it looked like a pear blossom with rain.

But when Lin Fan saw the bright red slap print on Bai Yi's cheek.

boom!

In his eyes, there was a flash of cold light bursting out instantly.

Slap!

My wife was slapped in the face.

This is...damn it.

Phew...

At this moment, that gloomy and terrifying aura diffused from Lin Fan's body, instantly causing the temperature in the entire box to drop to freezing point.

Whether it was the two brothers Cai Guofu or the four bodyguards, they all felt their bodies chill, and their hairs stood up in an instant.

This feeling is as if they are facing a terrible devil.

"It's you?"

Lin Fan's gaze was instantly locked on Cai Guofu's body.

boom!

With just one look, Cai Guofu almost frightened him to pee, his face pale and he took a step back.

It wasn't until he retreated to his four bodyguards that he breathed a sigh of relief, and he gained more confidence in his heart:

"Yes...what about me?"

"Boy, you broke my brother's limbs. Then I will let you die!"

said.

Cai Guofu looked at the four bodyguards next to him and said viciously:

"You go together! Who can kill this bastard, then I will reward him with 100 million!"

What!

After hearing these words from Cai Guofu, the four bodyguards were all startled.

One hundred million?

Even if they were bodyguards for a lifetime, they couldn't make such a huge sum of money.

And now...

swish!

There must be a brave man under the serious injury. At this moment, the eyes of the four bodyguards flashed a strong color of greed. The gaze looking at Lin Fan was like looking at a prey, showing ferociousness and hideousness.

"Go together! Kill him!"

With a violent roar, each of the four bodyguards drew a dagger from his waist, and then, like four hungry wolves, rushed towards Lin Fan to kill.

Hurry up!

The four of them almost used their speed to the extreme, and in a flash, they rushed to Lin Fan.

The four shimmering daggers slammed down against Lin Fan's neck.
