

## Chapter 681: Suddenly Remembering Something Incredible

“Put me down. I can walk by myself.”

“Stay here.”

Bo Jinchuan didn't even pause.

“So if I go downstairs, are you going to cook for me?”

Bo Jinchuan stopped in his tracks and glanced at her.

“... What do you want to eat?”

Shen Fanxing tilted her head and pondered for a moment before asking,

“What can you do?”

Bo Jinchuan frowned. He couldn't tolerate her suspicious tone.

Pursing her lips, she went downstairs and placed Shen Fanxing on the sofa.

After saying “wait”, he rolled up his sleeves and entered the kitchen.

In Shen Fanxing's eyes, he was like a domineering general who had donned his armor and rushed to the battlefield.

After some thought, she turned on the television and watched the show while waiting for the love dinner that someone had prepared.

She found a random television drama. It happened to show the scene of the male lead proposing to the female lead at the beach. The female lead was holding a huge bouquet of red roses. Her tall and handsome boyfriend, who was shy and touched, slowly knelt in front of her.

Indeed.

It turned out that being in love was the easiest thing to do.

No, was she a fool!

How long had it been before she realized?!

'There was no doubt about the security of the apartment. Only she and Bo Jinchuan knew the password to her room.

"Boil the noodles. It'll be ready in two minutes..."

**Chapter 682: Her Mr Bo**

Shen Fanxing pointed at the two unpeeled eggs in the pot and probed,

“You’re not going to cook noodles here, are you?”

Bo Jinchuan gave her a sidelong glance.

Shen Fanxing pursed her lips.

Of course not!

At the very least, she was smart.

In the end, Bo Jinchuan boiled water and cooked noodles.

Although her technique was indeed not good, the results were not bad.

The egg was cooked in the most conservative and flawless way. The dough was also hard and exquisite, and the seasoning was perfect.

She wasn’t as flustered as she had imagined. A series of kitchen disasters such as treating sugar as salt happened.

Everything was within her grasp. Her calm demeanor made Shen Fanxing, who had intended to belittle her, sigh inwardly.

Indeed, brains were a good thing.

Indeed, her Mr. Bo could not be tricked with ordinary tricks!

Perfect.

‘When they reached the dining room, Shen Fanxing ate her noodles while Bo Jinchuan sat opposite her. His well-defined fingers were peeling eggs leisurely.

The red shell faded bit by bit, revealing the white and tender eggs. Under the light, they looked even more sparkling and round.

Bo Jinchuan smiled and Shen Fanxing’s hair stood on end.

Bo Jinchuan glanced at her before shifting his gaze to the eggs.

“Don’t you think it looks like you?”

“What?” Shen Fanxing was confused.

“You look like I took off your clothes myself. You’re fair and tender. Hmm... you look much better than this...”

### **Chapter 683: Role Playing**

Shen Fanxing raised an eyebrow and retracted her hand to continue eating.

“If you can take it, why can’t I accept it? No matter what, it’s still 100,000 yuan. It’s enough for me to squander for half a year.”

Bo Jinchuan chuckled and said, “A hundred thousand yuan is a waste of half a year? It’s not even comparable to Yin Ruijue’s overnight expenses...”

“I’m just an ordinary person. How can I compare to you?”

Bo Jinchuan found the word ‘ordinary’ ridiculous.

He had never thought that the word ordinary would be so close to him.

“What are you laughing at?”

Shen Fanxing asked casually.

“Yes... I find it refreshing. I’m a bandit while you’re an ordinary person. We can give it a try...”

Shen Fanxing felt embarrassed.

She still remembered the “bandits”?

This petty man!

“You... Are you playing a role?”

What kind of stunt was this!

Bo Jinchuan tilted his head slightly as he recalled the scene. He nodded and said, “It’s a good experience.”

Shen Fanxing held the bowl and couldn’t bear to look at her. She finished the soup and rushed to the kitchen.

She pretended not to have heard Bo Jinchuan’s suggestion.

Seeing Shen Fanxing’s rejection and protest, Bo Jinchuan’s eyes lit up.

Sometimes, Shen Fanxing wished she wasn't so smart. A relationship could be more romantic.

### **Chapter 684: Absolutely Strong**

She also knew a man's innate pride and pride.

Her casual remark had obviously caught his attention.

Sighing inwardly, she leaned forward and planted a kiss on Bo Jinchuan's lips.

The intention to curry favor was obvious.

Bo Jinchuan looked down at her and asked, "What are you doing?"

"Aren't you unhappy? I'm trying to make you happy."

Bo Jinchuan held her waist and gazed at her deeply.

"How am I unhappy?"

Shen Fanxing raised an eyebrow and looked into his dark eyes calmly. "There's no past that I can't get over. I once placed all my hopes on Su Heng, but it was just a mistake. If I really cared about him that much, I wouldn't have mentioned him so easily. It's because I don't care anymore that I mentioned him so casually..."

Bo Jinchuan felt that there was no love more relaxed than his.

'This woman was too smart. Perhaps it was because she was too good at reading people's minds. He had only gone overboard just now, but she had seen through him easily.

And directly dispelled some of the lingering concerns in his heart.

In that case.

"It doesn't hurt, but you have to remember it for the rest of your life?" Since she had seen through him, why not be honest with her?

Their breaths intertwined and their warm breaths intertwined.

Bo Jinchuan couldn't help but pull her body closer to his chest. His tall and strong body pressed against her warm body. His warm palms started to explore her waist and back restlessly. Suddenly, a piercing ringtone sounded.

Shen Fanxing averted her eyes. She looked at him. Fanxing glared at her. She bit her lip and looked away.

Bo Jinchuan couldn't resist her confusion.

He couldn't help but want to kiss her red lips again. Shen Fanxing gasped lightly before she was kissed again.

"Mmm..."

She moaned softly and continued to receive Bo Jinchuan's kiss. However, just as he was about to take more, she tilted her head slightly to avoid his kiss.

She looked at Bo Jinchuan again. His dark and deep eyes were filled with a dark and seductive desire. He was like a lion that was ready to pounce. He lay dormant and had the absolute dominance of a predator.

### **Chapter 685: A Strange Gaze**

Shen Fanxing's heart skipped a beat. She was used to Bo Jinchuan's gentleness and gentleness.

However, the things he revealed occasionally made her realize that the man in front of her definitely had another side to him.

The hand on his shoulder lowered slowly and Shen Fanxing's breathing became ragged.

"I'll answer the call."

Bo Jinchuan looked down at her silently. Since Shen Fanxing had withdrawn from his embrace, he didn't continue to imprison her.

He turned and followed her out of the kitchen.

Shen Fanxing answered the call and saw the caller ID.

"Yes, Ji Yi?"

The deep kiss just now made her voice a little hoarse. When she opened her mouth, her throat felt a little itchy.

She couldn't help but cough lightly.

"Cough..."

"CEO Shen, are you feeling unwell?"

"No... What's the matter?"

"Oh, I wanted to say that I have a magazine shoot tomorrow. I wanted to ask if you have time to come..."

Ji Yi hesitated, her voice tinged with shyness.

Shen Fanxing raised an eyebrow. In that case, Ji Yi was now an artiste of Stars International. Ever since she became famous, she had never attended any of her events.

After pondering for a while, she said slowly,

“Tomorrow?... Let me think. Is it a shoot for V-V’s new product? Hmm... I’ll make time to go over! All the best! Don’t be nervous...”

Bo Jinchuan answered calmly, his eyes following Shen Fanxing..

### **Chapter 686 Don't Be Nervous?**

Bo Jinchuan answered calmly, his eyes following Shen Fanxing.

The moment Shen Fanxing touched the soft and warm blanket, she couldn't help but yawn. She faced Bo Jinchuan and gripped the blanket tightly before closing her eyes.

Bo Jinchuan stared at her with a frown.

In the end, she turned off the tablet and threw it aside. She moved down and pulled Shen Fanxing into her embrace.

Shen Fanxing opened her eyes and stared at him in confusion. Ever since the fire started, he had been staring at her in confusion.

“What's wrong?”

Bo Jinchuan looked down at her and asked, “Don't you have anything to say to me?”

Shen Fanxing was puzzled.

“Say what?”

Bo Jinchuan's face darkened.

“Think about what you said to Ji Yi just now.”

Shen Fanxing blinked and smiled.

“Don't be nervous?”

Shen Fanxing almost burst out laughing when she heard that.

Bo Jinchuan could see the slyness in her eyes. Infuriated, he lowered his head and planted a kiss on her face.

“Stop acting dumb with me!”

“I didn't. You heard it too. I was cheering for Ji Yi just now—”

She felt an itch on her waist and her sensitive spot was poked repeatedly. Shen Fanxing's body went limp and she arched her body to avoid Bo Jinchuan's evil hands.

"It tickles..."

"Are you going to tell me?"

Bo Jinchuan pulled her back into his embrace, his long legs pressing against hers as he threatened her.

"Okay, I'll talk. Good night, good night. Ah—"

Shen Fanxing called out softly and Bo Jinchuan pinched her waist again.

"Since you know, why didn't you say so in the beginning?"

"I was wrong! Let me go—"

Shen Fanxing was no match for Bo Jinchuan and she panted heavily from the torture.

"I'll give you a chance to redeem yourself."

Bo Jinchuan narrowed his eyes at the blushing Shen Fanxing.

Shen Fanxing rested for a while before she pulled Bo Jinchuan's arm and rested her head on it.

Although Bo Jinchuan's face was dark, he indulged her.

Shen Fanxing found a comfortable position and sighed softly. In the man's embrace, she looked up at Bo Jinchuan's perfect face and her heart swelled.

Raising her chin slightly, she leaned forward and kissed him lightly.

After a light kiss, Shen Fanxing said gently,

"Goodnight."

That's right!

Bo Jinchuan smiled in satisfaction. "Goodnight."

Ji Yi's shoot was at 10 am. After settling some matters in the morning, Shen Fanxing checked the time and went to the filming location.

The cover of Ji Yi's new advertisement was a collaboration between V-V and Chopard Jewelry.

Its latest product was a pair of diamond rings,

The design of the diamond ring was unique and ingenious.

A pair of diamond rings and two rings, black and white.

The color was bold and novel. What was more exquisite was that this pair of rings could be combined into a ring.

They intertwined like two tightly intertwined vines, intertwined and inseparable.

Shen Fanxing was also amazed by this ring. The reason why V-V magazine chose the popular female singer, Ji Yi, was not only because of her popularity, but also because of Ji Yi's singer!

If she guessed correctly, she could even imagine what the background would be like..

### **Chapter 687 Whose Face Is This?**

If she guessed correctly, she could even imagine what the background would be like.

When she arrived at the studio, the background was a high-end black backdrop with a European-style design.

A pure black piano was placed there. When the lid was opened, the white keys were especially conspicuous.

Indeed...

It was exactly as she had imagined.

However...

The atmosphere in the studio didn't seem right.

In the Bo Consortium, Yu Song stood in the CEO's office and said calmly and respectfully,

"Sir, Madam Lan Xi, the Asia sales director of Chopard International Jewelry, has invited you to visit the jewelry exhibition and the shoot of the upcoming new jewelry advertisement magazine. She wants to have lunch

with you if possible."

Bo Jinchuan held an expensive black fountain pen in his hand as he outlined something on the document. His hand looked clean and beautiful.

His expression was cold and indifferent. Without even raising his head, his cold voice sounded.

"Rejected."

Yu Song was not surprised.

Ever since he returned to the country, Master had been keeping a low profile. Even so, there were countless women who wanted to see Master every day!

Smart women would first give up their jobs before finding opportunities to get along.

He had seen this many times. Even he felt helpless, let alone Master.

"Yes. I'll inform the secretary to reject immediately."

Yu Song turned to leave, but Bo Jinchuan paused.

"Wait a minute."

Yu Song stopped and turned around. "Master?"

"The advertising magazine for Chopard's new product?"

"Yes. Chopard is one of the brands of jewelry that reside in the Bo Group's major malls."

Bo Jinchuan paused before saying, "Accept it."

Surprise flashed across Yu Song's eyes.

He had lived long enough.

At the studio.

Shen Fanxing looked down at the watch on her wrist and frowned.

At this time, the filming should have started.

However, in the studio, everyone's faces were dark. They stood at the side, fiddling with the things they were in charge of in boredom without saying a word.

Shen Fanxing was wearing a pair of black chiffon pants and a white striped shirt. Her long hair was tied neatly behind her head and swayed as she walked. She looked refreshing and capable.

"What's wrong?"

Shen Fanxing asked, worried that Ji Yi was too nervous and couldn't continue with the shoot, or that something had happened to her makeup or time.

When everyone saw Shen Fanxing, they became more energetic and respectful.

In the industry, it was common knowledge that Shen Fanxing had a conflict with Shen Qianrou and Lan Yun Entertainment.

There was also Ji Yi, who had been embroiled in negative news a while ago. She had survived a desperate situation and turned the tables.

Not only did she make Ji Yi popular, but even she, the general manager, was highly sought after.

Her methods and courage were something that people in the industry feared.

"CEO Shen, you're here."

"Hello, CEO Shen..."

"CEO Shen, are you here to visit Ji Yi?"

"CEO Shen..."

Shen Fanxing replied one by one before looking at a prop master beside her.

"Is this... because of Ji Yi?"

The prop master's face fell.

“No, Ji Yi has always been good. She’s very... obedient.”

Shen Fanxing heaved a sigh of relief.

Using the word “good” to describe Ji Yi was indeed quite appropriate.

“Yes, Ji Yi is quite good. She came here early to do her makeup and others. She’s afraid that she won’t perform well and will delay the progress. She even bought breakfast for us and asked us to be more tolerant. She’s

too sensible.”

“The most popular celebrity is doing the most humble thing, but she was stood up by a second-rate celebrity. Who is she trying to embarrass?”

### **Chapter 688 Failed**

Hearing this, Shen Fanxing frowned immediately.

The filming crew had been preparing for today’s shoot since early in the morning. They had been doing this tiring and boring work every day, so they were already a little resistant to it. Now that they were unwilling to

do it, they had done what they should.

In the end, it was all for nothing.

“Ji Yi was stood up?”

Shen Fanxing frowned and gave it some thought.

Previously, she had placed all her focus on researching the competition works. She had handed the management of the company’s artistes to the various managers.

She only knew about Ji Yi’s schedule when she flipped through it occasionally.

As for the details, she really didn’t know.

“That’s right. If not for Gu Zeyan’s good looks, his hands are as beautiful as a woman’s, and he knows how to play the piano, who would use him?”

Shen Fanxing thought to herself. It wasn’t easy for one person to have these three outstanding qualities.

This was enough to prove that Gu Zeyan was the most suitable man for today’s shoot.

But this Gu Zeyan...

Shen Fanxing pursed her lips and gave a mocking smile.

She could guess why he wasn’t coming.

He was a man who regarded Shen Qianrou as his goddess. He had once valued her as a suitor and was now her loyal supporter. Now that he had the chance to avenge Shen Qianrou, he naturally wouldn't miss it.

He had stood Ji Yi up and the entire filming crew up. Whose face was he slapping?

Of course he was slapping her face!

Ji Yi was an artiste from Lan Yun Entertainment. Later on, she became one of Shen Fanxing's subordinates. Later on, she helped Ji Yi make a comeback and kicked Shen Qianrou down from the clouds. She became the

target of everyone's disdain. This resentment seemed to have been suppressed by Shen Qianrou and had yet to be vented.

Now was the time to vent.

However, she had neglected Gu Zeyan's move. It was unexpected and difficult to deal with.

"Shh, shh, shh, stop talking. Teacher Xiao is here. Don't look for trouble later."

Because Xiao Mingjie was in a bad mood just now, he had already lost his temper. No one wanted to compliment him.

When he saw Shen Fanxing, Xiao Mingjie's face darkened.

Shen Fanxing thought for a while before walking to Xiao Mingjie, who was fiddling with his camera. His assistant nodded awkwardly at her.

"Hello, Teacher Xiao."

Shen Fanxing took the initiative to greet Xiao Mingjie.

Xiao Mingjie looked up at her and pursed his lips. He put down the camera in his hand and stood up to shake Shen Fanxing's hand.

"Hello."

Shen Fanxing smiled and scanned her surroundings before looking down at her watch.

"It's not a solution to delay the production team's progress. Teacher Xiao, have you thought of replacing her?"

Xiao Mingjie had just sat down when he heard Shen Fanxing's suggestion. He gave a sarcastic laugh.

"I have, but where can I find her?"

Xiao Mingjie's attitude was a little bad. His assistant beside him quickly said,

"CEO Shen, it's like this. Back then, there was a reason why Young Master Gu was chosen. He's good-looking, has good hands, and knows how to play the piano. These three conditions are indispensable. Moreover, if

news of the sudden change in the entertainment industry spreads, it will definitely not be good for the artist's reputation..."

Xiao Mingjie kicked the chair beside him and said angrily,

### **Chapter 689 Never skip class?**

Xiao Mingjie kicked the chair beside him and said angrily,

"I don't care if his reputation is good or not! I'm the one who was stood up today. Open your eyes and take a good look. More than ten people in the entire filming team started to work early in the morning. He said he

wouldn't come?! I even f\*cking estimated his reputation? It's already good enough that I didn't kill him!"

Everyone in the studio was shocked by the commotion.

All of them bit their lips tightly, not daring to breathe.

"But Teacher Xiao is Young Master Gu..."

"I don't care if he's Young Master or Master! Don't come out if you don't have any professionalism."

Shen Fanxing pursed her lips. It was rumored that Xiao Mingjie's temper was notorious. He had crossed the line and was unmoved by force or persuasion.

"Yes, yes, yes..." The assistant quickly replied.

Seeing Teacher Xiao's expression, Shen Fanxing naturally distanced herself. After some thought, she took out her phone and called the company.

"Get someone to investigate where Gu Zeyan is now."

Although the person who answered the call was puzzled, he still agreed.

In a high-end cafe, Gu Zeyan was drinking coffee leisurely.

"Zeyan, the agreed time has passed. Is it alright for you to do this?" Pei Yaochi stood at the side and looked at her watch again.

Gu Zeyan didn't even look up. "What's wrong with that? You have to pay the price for offending someone."

Pei Yaochi stood at the side, her heart filled with bitterness. "Who offended you? Was it V-V, Chopard, or the production team? Or was it Miss Ji Yi? Zeyan, Miss Ji Yi is currently famous. How many people want to build

a relationship with her? You're about to enter the production team and have your own movie to film. How important is it to increase your reputation now? You..."

“Shut up! I, Gu Zeyan, have thousands of ways to increase my popularity. You want me to ride on Ji Yi’s popularity? Hmph... If not for her and Shen Fanxing...”

Qianrou wouldn’t become as famous as she was now.

He naturally didn’t say this. After all, Pei Yaochi was still his woman in name.

But how could Pei Yaochi not understand?

It was because of Shen Qianrou again.

Gritting her teeth, Pei Yaochi’s face was filled with disappointment. “I know you have your pride and dignity, but even if you don’t want to ride on Ji Yi’s popularity, you should think about your reputation. If you delay

and refuse to go, how are you going to explain yourself to the media?”

“I’m not feeling well. Have you skipped school?”

At this moment, Gu Zeyan’s assistant received repeated calls from the filming crew.

“Sorry, our Lingfeng wasn’t feeling well yesterday. He’s on a drip now. We’ll be there immediately after the drip! Sorry, sorry.”

Gu Zeyan looked at Pei Yaochi in satisfaction. “Did you hear that? Stupid. You’re still so rigid after being by my side for so many years.”

Pei Yaochi’s eyes turned cold and her fair face lost all expression.

“How long do you plan to delay?”

“What’s the hurry? Finish this cup of coffee first.”

Pei Yaochi didn’t say anything else. Instead, her assistant reminded her awkwardly,

“Photographer Xiao Mingjie hates it when celebrities put on airs. He doesn’t care what reason you have. Even if it’s because of Hai Sheng, you have to fulfill your promise. Once he loses his temper, he won’t be able to

control his mouth...”

[Thank you all for your monthly votes at the beginning of the month! I’m grateful!

I know what you’re looking forward to, but there’s always a transition in between... I’m trying my best not to disappoint everyone in every plot. I think every idea is good and worth sharing. That’s why I wrote it for you

to see. I feel that up until now, I’ve been seriously completing every plot. I hope everyone can calm down... I won’t charge more than 1,200 words.”.

**Chapter 690 Go After the Third Time**

“Then let him say it. I can’t hold my breath and work. I believe anyone would think that putting their health first is the most important...”

The assistant was in a dilemma. “President Gu, it’s been a long time since the appointment. I think someone must be furious! You’ve achieved your goal. That’s enough...”

Gu Zeyan raised an eyebrow and took another sip of coffee.

“Then wait for their call. Remember, you have to agree after the third time...”

The assistant heaved a sigh of relief. “Okay, okay.”

The assistant hung up and told Xiao Mingjie what Gu Zeyan’s assistant had said.

“She said she’s still on the drip and asked us to wait!”

Xiao Mingjie took a deep breath and placed the bottle of mineral water on the table.

“How dare he use such a lousy excuse!”

Not long after Shen Fanxing hung up, she received a few photos.

Then, he curled his lips and walked back to Xiao Mingjie.

“Think about replacing her. Even if Xiao Mingjie comes, I won’t let Ji Yi continue filming.”

Upon hearing this, he glared at Shen Fanxing.

“CEO Shen, what do you mean?”

Everyone gathered around. Since the incident, it could be considered a major event in the entertainment industry.

Everyone in the entertainment industry had fake faces, and under every smile was another face. They were sanctimonious and hypocritical. No matter how much they hated each other, they had to greet each other

with smiles and put their arms around each other’s shoulders.

This was the first time they had seen such blatant hostility.

Shen Fanxing’s eyes darkened and her voice was cold.

“Since I’m being honest with you, Teacher Xiao, it’s all because of you. I don’t want to let down everything the team has done so far. Otherwise, I can wait until Gu Zeyan comes before | quit in front of him.”

But...

“Weren’t you just... Why did you suddenly make this decision?”

Without hesitation, Shen Fanxing passed the phone to Xiao Mingjie.

“If I can still tolerate this, then Stars International will seem too cowardly.”

Xiao Mingjie took the phone. When he saw the photo on her phone, his face darkened.

In the photo, it was obviously the scene of Gu Zeyan drinking coffee leisurely in a high-end cafe. The photo was taken not long before the assistant called.

He trembled with anger as he held the phone.

“Gu Zeyan, this is the first time I’ve seen someone with an IV drip! Get lost...”

Xiao Mingjie lost his temper and raised his leg to grab the small round table made of vines.

The mineral water that he had just drunk was sent flying by his force, and the entire table fell forward..
