

## Chapter 686

When he got out of the car, Bai Shan also noticed the Bai family. A trace of embarrassment appeared on his face, so he could only bite the bullet and walked over.

“Dad!”

“Second brother!”

Baishan greeted Grandpa Bai and Shirakawa.

Only when he heard this, the old lady snorted coldly, and he was too lazy to even look at his trash son.

Beside Shirakawa, a strong resentment appeared in his eyes:

“Yeah! Isn’t this Baishan? Don’t call me second brother, I dare not be! Don’t forget, that good son-in-law was yours before, with the police. Take me away!”

Shirakawa’s words were full of sarcasm.

Hearing this, the Baishan couple’s complexion became even more ugly.

This is more than that.

Shirakawa continued sarcastically and said:

“Youngest, are you well informed? What? Is this coming to curry favor with that big man? Oh, I’m afraid you are not qualified!”

“Look at our Bai family, But you have prepared precious calligraphy and painting worth millions of dollars. What can you Xinbai clan get out of? ”

Millions of precious calligraphy and painting!

Baishan and his wife were also taken aback by the generous use of the Bai family.

However, they are not here to curry favor with that big man.

“Second brother, you have misunderstood, we are not qualified to indulge in that big man, today Bai Yi and Lin Fan are back, our couple came to meet them!” Bai Shan said bitterly.

Ok?

When Bai Yi and Lin Fan came back, the Bai family was taken aback for a while, and then they thought of the content of the uncle Bai Hai's phone, and suddenly laughed.

"Hahaha... My third son, your son-in-law is really rubbish too, this time, let's go for nothing! It deserves it!"

"Yes! Uncle, this main road has been blocked, and now there is only the big man and Yunhai City." The big guys, Lin Fan and Bai Yi are afraid they won't arrive until midnight!"

"..."

Many of the Bai family members sneered at the Baishan couple.

Later in the night?

Hakusan frowned, puzzled and said:

"But, Lin Fan just called to say immediately to ah how late at night it might be!"

Immediately went to?

Bai Shan's words caused the ridicule of the Bai family to stop slightly, and then after everyone reacted.

Suddenly the sound of Comedy, rang out:

"Ha ha ha ..... did not think that Lin Fan will not only self-deception, even Laozhang Ren cheated!"

"Yes ah, now clouds the river road, the entire road closures that only twenty! A Rolls-Royce, a Mercedes-Benz, and all other vehicles are not allowed to travel together! Can Lin Fan still fly back?"

"That guy is an unreliable trash!"

At the moment, many Bai family members laughed forward and backward.

In their eyes, it was obvious that Lin Fan was bragging, and the victimized Baishan couple were waiting now, fearing that they would have to wait until midnight.

The sound of sarcasm and swearing resounded endlessly.

And hearing these voices, the expressions of Bai Shan and Shen Yumei became more ugly.

Chapter 687

just!

Even everyone around didn't believe Lin Fan, but the husband and wife knew that Lin Fan never lied.

He said he would be there soon, so he must be there soon.

"Let's go to the side and wait!" Baishan said to his wife Shen Yumei. At the moment, the husband and wife walked straight to a corner of the parking lot and waited slowly.

See this scene.

The ridicule of the Bai family against the Baishan couple became more intense.

In their eyes.

Not only is Lin Fan an unreliable liar, but the Baishan couple are also pure fools.

But at this moment.

Screams burst out from the crowd.

"Look, there are car lights in front! Could it be that the big guy's car is coming?"

What!

As this scream sounded, for a moment, one after another glances, looking towards the front of the main road.

Suddenly, under their shocking sight, a series of extremely bright car lights appeared in the sight of everyone.

It turned out to be a team.

In particular, ten Rolls-Royces cleared the way in the front, appearing in front of everyone in an extremely shocking scene.

Cloud D00000!

Cloud D66666!

Cloud D88888!

...

One after another, the blinding license plates made the shocking screams among the crowd of Jiangshi big guys louder and louder.

“Oh my god, I know that Yun D00000! It turned out to be Fei Lao’s car, it seems that the news is correct!”

“Yun D66666 is the car of the father of the Qi family in Yunhai City! Unexpectedly, Mr. Qi would really escort him personally! This is simply too scary!

“Big brother! The person being escorted is definitely a provincial-level boss, but I don’t know who came to Jiangshi?”

...” There was an uproar among the Jiangshi crowd.

Almost every Jiangshi elder’s face was full of excitement and excitement.

Even the Bai family’s complexion turned red with excitement. They grasped the gifts in their hands tighter.

But at this moment, a telephone ringing rang from Baishan’s body.

Huh?

This telephone ringing was extremely abrupt, which immediately caused the Bai family’s attention. Note that when they saw that it turned out to be Baishan’s phone rang, the second master Shirakawa couldn’t help but said with a sneer:

“Hahaha... Old third, pick it up! Maybe it was your trash son-in-law calling? Then I tell you that I will arrive later in the night! Hahaha...”

Erye Shirakawa’s words, the rest of the Bai family also laughed.

Obviously, the fleet of many big brothers in Yunhai City is coming, which means that Lin Fan and all the ordinary vehicles coming from Yunhai to Jiang City, Almost in the middle of the night to arrive.

Hearing the ridicule of the people around him, Baishan's complexion became even more ugly. At the moment, he could only bite the bullet and turn on the handsfree.

Chapter 688

When the call was connected, Lin Fan's voice came from the phone:

"Dad! I think there are a lot of people coming today, are you there yet?"

Lin Fan asked on the phone.

When Bai Shan heard this, he wanted to answer immediately, but his words had not yet been spoken. The second master Shirakawa next to him, apparently also heard the voice on the phone, could not help but laughed mockingly:

"Lin Fan, your dad is here! Are you here too? No? Hahaha..."

Hearing Shirakawa's words, the surrounding Bai family couldn't help but laugh.

"Yes! Lin Fan, you didn't come here in a Rolls Royce? Haha, this road was blocked, and you still let your dad wait for you here!"

"What an idiot! Don't tell us, Fei Lao, the group of cloud giants, the person who escorts, is you! Haha..."

Many Bai family members burst into laughter.

The words were full of ridicule and contempt.

It's just that their laughter just resounded, and Lin Fan's voice from the phone made their smiles freeze.

"That's right! I just followed Fei's Rolls Royce!"

Ga!

As soon as these words came out, the sneers on the faces of all the Bai family members instantly stiffened.

Following Fei's Rolls Royce?

This guy is saying!

Mr. Fei is waiting for the giants of the sea of clouds, who is the escort... him?

Wow...

When the reaction came over, bursts of laughter suddenly came from the Bai family.

The expressions on each of them seemed to have heard the most funny school flowers.

The laughter resounded constantly.

“Hahaha... Baishan, did you hear what your trash son-in-law said? He dare to say that the big guys in Yunhai City are escorting him. Haha...”

“Laughing! This trash son-in-law, or change Ca n’t get rid of the bragging fault!” “Yeah! Who does he think he is? What qualifications does he have to send someone like Fei Lao off?”

“...”

Many sarcasm voices came and went one after another.

At this moment, Lin Fan completely became a joke in the mouths of the Bai family.

And just when their words fell!

Creak!

The sound of brakes suddenly came in front of the crowd.

Everyone saw the Rolls Royce parked in front of the crowd.

Ten cars ahead!

Ten cars behind!

And in the middle, it was escorting a...Mercedes.

When I saw that Mercedes-Benz.

boom!

The mocking smiles on the faces of Old Madam Bai, Bai Chuan, Bai Yan and others completely froze.

Everyone seemed to have seen a ghost and couldn't believe their eyes.

"Grandpa...that Mercedes-Benz really seems to belong to Bai Yi?"

"Dad...the one who drives the Mercedes-Benz, seems to be Lin Fan?"

Baichuan and Bai Yan rubbed their eyes vigorously at this moment, and they were sure they didn't look. After the mistake.

The father and daughter were completely confused.

Chapter 689

Not only them.

Grandpa Bai's palm was trembling at this moment, and he stared at the Mercedes-Benz, unbelievable his eyes.

Especially when the door of the Mercedes Benz opened, Lin Fan and Bai Yi walked down one after another.

Quiet...

This area at this moment fell into a boundless silence.

This is more than that.

Everyone saw that as Bai Yi and Lin Fan got out of the car, the doors of the twenty Rolls Royce were also opened.

Fei Lao, Qi Lao, King Kong and others all got out of the car, and there were dozens of top tycoons in Yunhai City.

Then, under everyone's horrified eyes.

Lao Fei and the others bowed to Bai Yi and Lin Fan,

"I will wait to escort Miss Bai Yi and Mr. Lin Fan to here, so I will say goodbye!"

What!

Seeing Fei and the others bowing, and then hearing the courteous words of Fei and others, at this moment, every Jiangshi person felt his head, as if lightning struck, and it was blank.

how so!

What about the big people who clearly said?

How could Fei and others escort Lin Fan?

This is simply incredible.

Not only that, everyone saw Lin Fan just nodded, and waved to Fei and the others:

“You go back!”

After saying that, Lin Fan never looked at the big guys in Yunhai City again, with Bai Yi walked towards the crowd.

Wow!

At this moment, among the crowd of people in Jiang City, as Lin Fan walked, they dodged.

The faces of everyone were surprised and uncertain. They dared not block Lin Fan’s path, and even dared not say hello to Lin Fan.

While breathing, Lin Fan and Bai Yi came to the crowd of the Bai family.

“Dad! We are back!”

Lin Fan said to Baishan with a smile.

It’s just that Bai Shan and Shen Yumei at this moment, just like everyone around, looked at them dumbfounded.

“Lin Fan, how could it be you! Isn’t there a big man? How could you be escorted by Fei Lao and the others?” The old lady Bai asked Lin Fan with a trembling voice.

After all, this thing is incredible.

Uncle Bai Hai vowed to say that he was a big man, but now it was Lin Fan who was looked down upon by them.

How could everyone in the Bai family accept this huge contrast.

What's even more slapped is that they actually took millions of precious calligraphy and painting, which is like a slap in the face and slapped everyone in the Bai family's face.

Ok?

Lin Fan frowned when she heard the question from the old lady.

He glanced at the gifts in the hands of everyone in the Bai family, and instantly understood what these people were thinking, he couldn't help but sneer:

"Sorry, Mr. Fei and they are escorting our couple!"

"In addition, we don't accept gifts!"

Chapter 690

Snapped!

As soon as this remark came out, it was even more like a loud slap in the face, slapped the old man Bai's face fiercely, and immediately made his old face feel ashamed and embarrassed, almost furious, and fainted.

"Who...who said he wanted to give you a gift! What are you!"

The old lady Bai was extremely angry. After swearing at the moment, she had no face anymore, staying here, and carrying them one by one. The Bai family left angrily.

Not only them.

After seeing the twenty Rolls-Royce leaving, the rest of the people in Jiangshi crowded around, asking Lin Fan and Bai Yi with curiosity.

At the same time!

On the main road from Yunhai to Jiangshi, the road was unblocked and a BMW X5 was driving fast.

Bai Yifan driving his car was full of excitement:

"Dad! At this point, grandpa and the others must have met the big man. I don't know how they are talking! If they can really get a relationship, it would be great!"

Bai Yifan was delighted and felt this. A trip to the sea of clouds is simply perfect.

Not only prevented Baiyi from acquiring the Blue Ocean Building, but also reached a cooperative alliance with the Cai Guofu brothers.

It even made Brother Cai Guofu interrupt Lin Fan's legs.

And, by chance, I met a big terrorist.

This is definitely a worthwhile trip.

When he heard this, the uncle Bai Hai smiled slightly:

“Don't worry! This time, your grandfather is very sincere. Taking out their family's “Treading Snow and Looking for Plum Blossoms” will definitely impress that big man! Now, even if you can't have a deep friendship, you can have a good relationship with that big man!”

After saying this, the father and son could not help but glance at each other, their faces blooming with joy.

Only when they were most excited.

Jingle Bell!

A rapid cell phone ringing rang.

After seeing the displayed number, Bai Hai couldn't help but a deep joy appeared on his face:

“It was your grandfather! It seems that it was the Annunciation!” After Bai Hai finished speaking, he immediately connected the phone.

Just after the call was connected, there was a stormy shout,

“Baihai, you are so brain-dead! Let me give gifts to Bai Yi and Lin Fan! I'm telling you, today the old man I am All his face is lost! You beast! ”

What!

Uncle Bai Hai drives hands-free.

When they heard this violent yelling, Bai Hai and Bai Yifan and his son were completely confused.

“Dad...what are you talking about! When did I ask you to give gifts to Lin Fan and Bai Yi? This...what happened!”

Uncle Bai Hai couldn't help but feel a bad premonition.

And just as his words fell, the old lady's angry voice continued to come.

“Big shit, let me tell you, this time the people escorted by the giants in Yunhai City are Bai Yi and Lin Fan!”

Wow...

the words fell, and the faces of Bai Hai and Bai Yifan suddenly appeared. Ghost look.
