

Chapter 691

How, how is it possible!

Fei Lao, Qi Lao, King Kong and all the giants in Yunhai City dispatched 20 Rolls Royces to escort Lin Fan and Bai Yi?

This is like a fantasy.

Uncle Bai Hai didn't respond for a long time until the old lady's scolding phone was hung up.

Dull!

The atmosphere in the car was suppressed to the extreme, and Bai Hai and Bai Yifan and his son still felt like dreaming.

"Dad, Cai Guofu didn't interrupt Lin Fan's leg? How could this be possible!"

Bai Yifan's expression was extremely gloomy.

They spent a huge sum of money, but now Lin Fan is living in Jiangshi, still being escorted by so many giants of the sea of clouds, this is so vomiting blood.

Bai Hai did not speak, he found Cai Guofu's phone number, and then dialed it.

Only in response, it turned out to be blind.

"Damn! Tomorrow we will go to the Blue Ocean Building, and then contact Cai Guofu! Anyway, the Blue Ocean Building was not sold to Bai Yi, our goal was achieved!"

Bai Hai's eyes were gloomy and terrible.

But he didn't know.

It's not that Cai Guofu doesn't answer the phone, but that he has gone to hell and cannot receive the signal.

And the Blue Ocean Building he was talking about had long been silent and changed its owner.

At midnight the next day.

Just after eating, Bai Yi was pulled by Lin Fan and headed to the Blue Ocean Building.

“Lin Fan, what are we going to do in the Blue Ocean Building? It doesn’t belong to us. Even if we go a hundred times and a thousand times, it is useless! With this time, it is better to find the company address again!”

Bai Yi’s eyebrows tightened Wrinkled and puzzled.

She still couldn’t understand why Lin Fan was going crazy.

The Blue Ocean Building belongs to Cai Guofu, and he and Cai Guofu have already forged an enmity. If we go to the Blue Ocean Building again, wouldn’t it be unpleasant for ourselves?

But Lin Fan’s face, it seems hung Ruoyouruowu smile, no Iraqi will be white, then mind:

“!! Wife, you worry today to give you a surprise,”

he said, facing Lin Fan Bai Yi blinked with a smile, revealing a mysterious feeling.

Surprise?

Bai Yi couldn’t help but shook his head and laughed.

She and Lin Fan had been married for three years and didn’t even know what a surprise was.

Thinking of this, Bai Yi was fortunate not to say more, she wanted to know what Lin Fan’s so-called surprise was.

quickly.

Lin Fan drove a Mercedes-Benz and entered the parking lot of the Blue Ocean Building.

However, when the two had just walked out of the parking lot and were about to walk into the Blue Ocean Building, two security guards immediately blocked their way.

“Excuse me, who are you looking for?” The two security guards are tall and large, and at this moment a pair of eyes are constantly looking at Lin Fan and Bai Yi.

When he heard this, Lin Fan smiled slightly:

“Let’s find Wu Xuepeng!”

Chapter 692

Wu Xuepeng!

When she heard this name, Bai Yi who was next to her was slightly taken aback. She knew that this person was the general manager of the Blue Ocean Building. Cai Guofu had been entrusting Wu Xuepeng to take care of the business in the building.

Normal people would never see it, but Bai Yi did not expect that Lin Fan would call out Wu Xuepeng's name in one go.

Not only Bai Yi.

After hearing this, the two security guards also looked straight, and quickly asked:

"Sir, do you have an appointment?"

The attitude of the two security guards was obviously more respectful.

After all, Wu Xuepeng is their general manager, and those who dare to call his general manager's name are obviously not ordinary people.

just!

"No!" Lin Fan smiled slightly, and then said meaningfully:

"You tell you the general manager, you said that the person who took over the Blue Ocean Building is here!"

What!

Lin Fan's words not only made the two security guards stay, but also Bai Yi next to him was shocked.

No appointment!

Take over the blue ocean?

Is this guy crazy?

In an instant, the eyes of the two security guards looking at Lin Fan changed in an instant, as if they were looking at a fool.

"Sir, are you kidding me? You dare to find our general manager without an appointment and take over our Blue Ocean?"

“Yes, are you kidding us?”

The two security guards looked at Lin Fan at the moment. It gradually became bad.

But, just when Lin Fan was about to say something.

Suddenly heard bursts of laughter coming from behind.

“Hahahaha...Lin Fan, are you crazy? Take over the Blue Ocean Building? It’s up to you!”

“Hahaha, laughed to death, did a person who was rejected by Cai Guofu start to lie? What an idiot!”

Dang These two voices came.

Lin Fan and Bai Yi couldn’t help turning their eyes, and suddenly found that there was a group of people behind them, rushing towards this place.

The people who spoke just now were uncle Bai Hai and Bai Yifan.

In addition.

Among the crowd, there are also a group of senior figures from the Bai Group such as Erye Shirakawa.

Only at this moment, these Bai family members looked at Lin Fan as if they were looking at a fool, full of ridicule and ridicule.

Until these people came closer.

Bai Yi’s pretty face instantly turned white.

She knew that now the Bai family hated her family to the extreme.

“Uncle! Second... Second uncle!”

Bai Yi greeted his uncle Bai Hai and his second master Bai Chuan, but when he heard this, a sneer appeared at the corner of uncle Bai Hai’s mouth:

“Bai Yi, I can’t be Sing your uncle! Now that you have established the New Bai Group, I should call you President Bai!”

President Bai!

No one can hear the ridicule and disdain of Bai Yi in the uncle Bai Hai's words.

And this sentence made Bai Yi's pretty face paler.

It's more than that!

Uncle Bai Hai continued:

"Bai Yi, let me tell you the truth! Our Bai Group has already reached an agreement with Cai Guofu. This time we come here to sign the contract!"

Chapter 693

what!

Upon hearing this, Bai Yi's pretty face paled slightly, and she realized that her own sea of clouds and his party, the Bai family were tricking them.

This also made Bai Yi's pretty face paler, and his heart was completely cold.

"Hahaha... Bai Yi, how about? Are you very angry, but it's useless, I tell you, your new Bai family is finished!"

"Yes! There can only be one Bai family group in the whole Jiang City, and that is us The Bai Family!"

"..."

The eyes of many Bai family members looking at Lin Fan and Bai Yi were full of sarcasm.

However, when Bai Yi's whole body trembled slightly, it was only when it felt cold and bitter.

A big warm hand hugged her.

It is Lin Fan.

He looked at the Bai family with a smile, and the corners of his mouth curled up, and a playful arc emerged:

"Are you sure?"

“I tell you, it only takes one hour. Your Bai family’s 150 million will not only be ridiculous, but even from today onwards, the cooperation of Blue Ocean will no longer be difficult!”

What!

After hearing Lin Fan’s arrogant words, everyone in the Bai family was taken aback, and then burst into laughter.

“Hahaha...did you hear that? This guy’s tone turned out to be like the master of the blue ocean!

“Hahaha, idiot, quickly call Wu Xuepeng and let him come down and see, someone is making trouble!”

“Yes! If someone dared to pretend to be the owner of the Blue Ocean Building, Wu Xuepeng would never spare him!”

Many Bai family members fear that the world will not be chaotic.

Uncle Bai Hai quickly took out his mobile phone, then pressed a number and dialed it.

“Hey! Mr. Wu, I am Bai Hai, and I’m downstairs now! In addition, someone here threatens to take over your Blue Ocean Group!”

When Bai Hai’s words fell, he hung up the phone!

really!

Just a moment after the phone was hung up, a group of people was surrounded by a middle-aged man, hula la walking towards this place.

The middle-aged man in the Mediterranean is exactly Wu Xuepeng, the general manager of Blue Ocean Building.

Only at this moment, his face was gloomy and terrifying.

“Who! Who is threatening to take over our Blue Ocean? Is it so tired?” Before Wu Xuepeng arrived, the angry voice blew up.

But when he heard this, the smiles on the faces of the uncle Bai Hai and others became stronger.

“Mr. Wu, this kid!” As he said, Bai Hai and others pointed towards Lin Fan.

And seeing this scene, Bai Yi's pretty face became paler, she pulled La Linfan's clothes and motioned him not to talk nonsense.

But the next words of Lin Fan made Bai Yi's pretty face paler.

"That's right! It's me!"

Chapter 694

Wow!

Admit it!

Bai Yi never imagined that Lin Fan was going crazy today. He wanted to take over the Blue Ocean Building for no reason, and even in front of the general manager of this family, he confessed to himself, didn't he seek abuse?

"You?"

Wu Xuepeng glanced up and down at Lin Fan, with a deep contempt and anger on his face:

"What are you! Where are you? Where are you! Boy, let me tell you, the second in command of our headquarters today, Come to inspect!"

"If you offend our leader, then it is not as simple as driving you out!!!"

Second in command!

Hearing this, both Bai Yi and the Bai family were shocked.

They know that this so-called second-in-command at the headquarters is the No. 1 capable person under the Cai Guofu brothers.

Almost all the Baidao businesses under Cai Guofu are in charge of that person.

And now!

"Mr. Wu, is the person you talking about, Zheng Tian, a business prodigy in Yunhai City?"

Zheng Tian!

This is a business prodigy. He graduated from Harvard School of Economics and Management, and was

hired by Cai Guofu at a sky-high price!

In just one year, Cai Guofu's business has skyrocketed several times, and he is regarded by many groups as a new generation of business wizards.

"Yes! Brother Bai Hai, you just came here! In my opinion, this time President Zheng came in person, and he must have discussed cooperation with your Bai Group!"

Wu Xuepeng said politely to the Bai family.

And this sentence made everyone in the Bai family ecstatic.

"Then this kid, what does President Wu plan to do?" Uncle Bai Hai said with a smile.

It was just that his eyes kept winking at Wu Xuepeng.

And seeing this scene, Wu Xuepeng suddenly understood.

especially!

The first time he saw Bai Yi, this stunning beauty, he was already irritated, and now, it was a good opportunity.

"Come here!"

Following Wu Xuepeng's big hand waved.

Hoop!

Immediately, the security guards in the entire hall swarmed.

"You go together, throw this woman and this kid out of me!"

"Yes! General manager!" In an instant, the security guards around moved instantly.

Holding the sticks in their hands one by one, they rushed towards Lin Fan fiercely.

In this scene, Bai Yi's pretty face was filled with fear.

This is more than that.

After Wu Xuepeng saw Bai Yi's enchanting figure, he also rushed towards Bai Yi along with many security guards.

"Hahaha...You woman actually cheated , let me go out now!" With that, Wu Xuepeng had already rushed in front of Bai Yi.

With a big wave of his salty pig hand, he grabbed Bai Yi's breast.

Wipe!

That's right, even if Wu Xuepeng is in the Blue Ocean Building, he is also a famous old pervert. There are many women who have become playthings under his hands.

Especially for a beautiful woman like Bai Yi, he is naturally greedy in his heart.

Chapter 695

one meter!

Half a meter!

...

Wu Xuepeng got closer and closer to Bai Yi, and the lustful color on his face grew thicker.

Stunner!

In his eyes, if Bai Yi is such a beautiful woman, if she wipes the oil, it will definitely be endless aftertaste.

"Ah..."

Bai Yi was taken aback by this scene, especially Wu Xuepeng's evil look on his face, which made Bai Yi backtracked in fright.

It's just that she is fast, but Wu Xuepeng's speed is indeed faster.

Almost in the blink of an eye, the salted pig's hand came to Bai Yi and grabbed Bai Yi's straight chest.

It was just when the evil smile on Wu Xuepeng's face was at its peak!

Click!

A big hand, as if traveling through space, suddenly protruded from the side.

He grabbed one of his salty pig hands.

It is Lin Fan!

Ok?

Wu Xuepeng was taken aback, especially after he saw that this bastard had prevented his good deeds, he was furious:

“Boy, let go of your special code, let me go!” As he said, Wu Xuepeng struggled hard.

It’s just a pity that Lin Fan’s big hand is like a pair of iron tongs, grabbing his wrist tightly, no matter how he twitches, he can’t draw a point.

“Hey! What are you doing in a daze! Come on, catch this bastard!”

Wu Xuepeng yelled at the group of security guards around.

However, just when his words fell!

An icy voice suddenly resounded from his ears.

“You like wiping oil? Then I need your hand!”

What!

Wu Xuepeng was stunned for a moment, but before he could understand what Lin Fan’s words meant.

But suddenly felt a surging power, surging from Lin Fan’s big hand.

His arm, under this powerful force, is almost as rotten wood, vulnerable to a blow!

Click!

There was a broken sound, and the atmosphere in the whole hall instantly solidified.

The surrounding Bai Yi, the Bai family, and the security guards were shocked to see that Wu Xuepeng’s arm was suddenly broken, completely deformed, and drooped.

Ahhhhh!

Wu Xuepeng only felt a terrible pain, swept from his arm, and he suddenly howled with pain!

"I... my hand, kid you actually broke my hand! Ahhhhhh!"

Wu Xuepeng clutched his arm and retreated frantically.

On his face, there was this deep horror and astonishment.

Not only him!

The people next to him were all taken aback.

"Ok...

so cruel!" Bai Hai and the others almost fell out of their eyes. It was the first time they saw such a fierce scene.

Especially Lin Fan's calm look, coupled with the harsh methods just now, fell in everyone's eyes, like a devil, and it was chilling.
