

Chapter 691 Why Don't You Try?

The mineral water that he had just drunk was sent flying by his force, and the entire table fell forward.

Shen Fanxing quickly took a few steps back, but the bottle of mineral water was still thrown at her.

The cold water splashed onto her chest and she shivered.

At that moment, she felt so cold that it was difficult for her to breathe.

"Oh my god, CEO Shen, are you alright?"

Shen Fanxing's white shirt was drenched. She clutched her chest and walked to a corner with her back facing him.

The assistant was shocked and Xiao Mingjie quickly stood up.

"Quick, get me a coat!"

The scene was chaotic. Not long after, someone quickly brought a suit jacket for Shen Fanxing.

In order to protect herself from being exposed in front of so many people, Shen Fanxing didn't hesitate to put on her jacket and cover herself tightly. Then, she raised her hand to shake her wet ponytail and twirled it

twice.

"CEO Shen, I'm really sorry... Are you alright?"

Shen Fanxing heaved a sigh of relief before turning around.

She frowned and said coldly, "I'm fine."

The moment Shen Fanxing turned around, Xiao Mingjie's eyes lit up.

He hurried to her side and circled around Shen Fanxing, who was wearing a loose suit.

Everyone was confused by his actions.

"Teacher Xiao, you're..."

Shen Fanxing asked in confusion.

However, Xiao Mingjie looked up at Shen Fanxing and said excitedly,

"CEO Shen, please do it."

Shen Fanxing frowned and asked, "What?"

Everyone was also confused.

"Please replace Gu Zeyan."

Everyone looked at Shen Fanxing with confusion written all over their faces.

This was a photo of a couple. Whether it was Ji Yi or CEO Shen, how could they take photos of two women?

Shen Fanxing seemed to have guessed something as she raised an eyebrow at Xiao Mingjie.

Xiao Mingjie nodded. "Shall we give it a try?"

Shen Fanxing pondered for a while before nodding.

After making a few requests to the makeup artist, Xiao Mingjie waited outside nervously and expectantly.

It was still the same round table in the studio. Xiao Mingjie hated waiting for celebrities to put on makeup, but this time, he waited with relish.

At this moment, a white car stopped outside the studio. Then, the driver's door opened.

A dazzling red figure got out of the car and closed the door with a bang. She shook her head lightly and her long, wavy golden hair swayed beautifully on her shoulders.

Dressed in a tight-fitting red dress, her skin was fair and flawless. Her waist was soft and slender, and her chest was voluptuous. Her figure was simply sexy.

She walked around the car to the steps at the side and looked at the low-profile, calm, and noble black car that was driving slowly from behind. A perfect smile appeared on her beautiful face.

The black Bentley stopped slowly. Yu Song alighted first and strode to the back of the car, wanting to open the door.

However, the woman took over and opened the car door before him.

"Mr Bo, please."

Her smile was bright and generous, but it was also charming and sexy.

The calm and dignified man sitting in the car turned his body slightly. His clean and spotless leather shoes came into view first. His well-ironed expensive pants wrapped around his long legs..

Chapter 692 The Lost Prince

He stood in front of the car and nodded at the seductive woman.

However, his dark and calm eyes did not linger on the woman for a second. He only raised his head to look in the direction of the studio. His cold and handsome face was expressionless. He stood there for a short

period of time, like an immovable mountain.

He was supreme and dignified.

Lan Xi closed the car door, her eyes full of admiration and infatuation.

Who said that there were no perfect men in this world?

Wasn't this person in front of him?

Yu Song locked the car and stood silently at the side. Looking at the expression in the woman's eyes, he felt sorry for her.

However, he had always wondered why Master would suddenly choose to follow her out for an inspection.

Although caring about the sales chain of the mall was also a reason, there was no need to do it personally, right?

Although she had doubts, she hid them in her heart and followed behind them silently.

Bo Jinchuan's long legs were elegant and steady as he walked. However, because of his long legs, every step he took spanned a huge distance. Lan Xi wanted to walk with Bo Jinchuan as much as possible, but despite

her high heels, she was still left behind by him.

She was a little vexed. Fortunately, when she was on the stairs leading to the studio upstairs, she quickened her pace. Just as she was about to catch up with Bo Jinchuan, she saw his tall figure stop at the staircase. His

gaze was fixed on a certain spot.

Thinking that he was waiting for her, Lan Xi was delighted and chased after him.

When Shen Fanxing appeared in the studio, the water in Xiao Mingjie's mouth flowed down quietly.

When everyone saw the white figure, not only did their jaws drop to the ground, but their eyes almost popped out.

The man slowly walked towards them. The corridor leading to the dressing room was the only place where light could shine in.

He seemed to be stepping on light and clouds. He looked like an otherworldly immortal, so handsome that he didn't seem to be in the human world.

He was wearing a gorgeous retro white suit that was tailored to fit him perfectly. It seemed to be tailor-made for him.

It made the man's figure look slender and beautiful.

Her short hair made her look fresh and capable. Due to the fact that she had to take a photo in a magazine, her perfect facial features looked even more exquisite.

However, he didn't have any expression on his face. He was so cold and indifferent that he looked like a heartless immortal. His aura was cold and elegant.

What was even more terrifying was his clear eyes. They were so bright that they seemed to be able to accommodate too many things, but at the same time, he didn't seem to care about anything.

He was as cold and noble as a real prince in a fairy tale.

it made people want to receive his special treatment and his gentle and doting smile towards the person they loved.

As he walked over, the light flowed on his body like flowing water, forming a mesmerizing circle of light.

“Oh my god, who is this? I’m going to be handsome to death!”

“I... [don’t know either. There’s actually such a person in our production team?”

“Impossible! She must have gone to the wrong studio!”

“Ah~~ Lost prince! Is my fate here today?”.

Chapter 693 Hold

“Ah~~ Lost prince! Is my fate here today?”

Although her face was still the same as Shen Fanxing’s, she had changed from a woman to a man. Her long hair was now short and her aura was completely different.

They would never have thought that the handsome man in front of them was Shen Fanxing.

Xiao Mingjie stood up slowly. After being a photographer for so many years, he could tell that the person in front of him was Shen Fanxing.

Even though he was mentally prepared, he was still shocked when Shen Fanxing appeared.

Perfect. It was simply perfect.

Staring straight at Shen Fanxing, she wiped the water from the corner of her lips before walking towards her slowly.

Shen Fanxing looked at Xiao Mingjie calmly.

As he got closer to Shen Fanxing, Xiao Mingjie realized that it wasn’t just her outstanding looks. There was also a strong sense of dominance in her aloofness.

The closer he got to her, the more obvious the oppressive feeling became.

As the female CEO of Stars International, she naturally couldn’t be underestimated.

Bo Jinchuan narrowed his eyes at the extremely handsome man. His expression finally changed.

There was a faint guess in his heart, and a cold aura gradually appeared between his brows.

Yu Song could easily sense the change in Bo Jinchuan’s aura. He had no idea what had happened.

After taking two more steps, she looked up and saw the most eye-catching “man”.

Dressed in a white suit, he had fair skin, exquisite and perfect features. His unique aura instantly made him the center of attention.

The moment he came into contact with that figure, Yu Song felt that the man was emitting a holy white light.

He felt that there was no one more perfect than his master in this world. In the end, when he saw the handsome man in a white suit not far away, he actually felt that there was indeed someone better. In this world,

there was really a man who could be compared to his master.

But why did this person look so familiar?

He was sure that he had never seen such a person before.

if he had seen her before, how could he not know?

“What’s wrong, Bo...”

Lan Xi was a little puzzled by Bo Jinchuan’s pause and the pessimistic aura he exuded. She followed his gaze and when her gaze landed on the white figure, she paused.

God, what a handsome man!

At this moment, Ji Yi walked out slowly from behind Shen Fanxing in a long black dress.

When she stood in front of Shen Fanxing and saw her face, her beautiful face blushed and she looked at him in panic and shyness.

Ji Yi stared at her blankly for a few seconds before retracting her gaze with difficulty. She extended her hand to greet Shen Fanxing politely.

“Hello, this is our first time working together. Please forgive us.”

Shen Fanxing looked at the hand in black lace gloves and raised an eyebrow.

It was a small action, but it carried a hint of evil.

Ji Yi’s heart skipped a beat and she hurriedly lowered her head, not daring to look at the man’s charming face.

Shen Fanxing found Ji Yi’s reaction funny, but she still reached out to hold her hand.

Chapter 694 Dazed

He held her hand firmly.

In etiquette, when a man shook hands with a lady, he only needed to use the right amount of strength to hold the lady’s fingers and let go after a while.

Hence, Shen Fanxing’s action made Ji Yi’s heart skip a beat.

Her head drooped even lower.

“Hello.”

When Ji Yi heard that, she moved her hand to remind Shen Fanxing to let go of her. However, Shen Fanxing didn't.

Ji Yi blushed in embarrassment.

Xiao Mingjie suddenly burst into laughter. "Hahaha, did you see that, CEO Shen? Your charm has charmed your own artiste."

Ji Yi's body stiffened.

CEO Shen?

Which CEO Shen?

She looked up doubtfully at the handsome man who was taller than her.

Using the face in her heart to compare with the face in front of her, they actually overlapped completely!

"CEO... CEO Shen?!"

Ji Yi's face was filled with shock as she stared at Shen Fanxing's face for a long time. The shock in her eyes was indescribable.

Unaware of the shock, even Yu Song nearly fell down the stairs.

What?!

CEO Shen?

Was it the CEO Shen in his heart and mind?

She blinked and took a closer look. His facial features and temperament...

Recalling his master's icy aura, he was even more certain!

That was the CEO Shen in his heart and mind!

God... God!

It was unbelievable!

She didn't expect the future Young Madam to be so fickle.

Everyone in the studio was shocked.

"Oh my god, it's CEO Shen!"

"But he's even more of a prince than a prince. President Shen, marry him!"

"He's really the real Prince Charming. He has a good figure, good looks, and strong means. He's also the CEO of Stars International! If he's a man, he'll definitely make women go crazy."

"It's quite crazy now! CEO Shen, do you lack a girlfriend? She knows how to massage your back and warm your bed..."

Shen Fanxing couldn't help but laugh. These women were too adorable!

The corners of her lips curled up slightly, and her starry eyes shone brightly.

There was another round of sighs. Those infatuated gazes made everyone want to pounce on her and skin her alive!

Yu Song could easily sense his master's even colder aura when he saw the smile on Miss Fanxing's face.

The gazes and infatuation of everyone around Shen Fanxing made the anger in his eyes intensify.

Lan Xi's attention was naturally attracted by Shen Fanxing. She had no idea who those people were referring to.

She only felt that the man in front of her had a unique charm that was not inferior to the man beside her.

She looked at the man beside her. Although it was only the side of his face, the coldness on his face shocked her.

She wanted to move to the side, but she realized that she couldn't move.

The strong pressure emanating from Bo Jinchuan's body was actually so strong.

"Alright, let's get to work. Bring the ring we need today and let this couple wear it!"

Xiao Mingjie clapped his hands and instructed them to get to work.

Everyone started to get busy. Ji Yi heaved a sigh of relief and looked up at Shen Fanxing. She hurriedly lowered her head and asked softly,

"How could it be... CEO Shen?"

Chapter 695 Full Touch

"How could it be... CEO Shen?"

Shen Fanxing raised an eyebrow and asked, "Didn't you ask me to come today?"

The end of his question was slightly raised with a hint of teasing.

Ji Yi blushed. "I mean this outfit..."

Lowering her head to look at herself, Shen Fanxing said helplessly, "What a coincidence. The male model missed his appointment today, so Teacher Xiao asked me to give it a try. How is it?"

"IL... Lean do it!"

Shen Fanxing smiled and said, "That's good."

"Aiyo, Director Lan, why are you here?"

Shen Fanxing and Ji Yi were chatting when Xiao Mingjie's voice sounded.

Shen Fanxing looked up and her smiling eyes met Bo Jinchuan's dark ones.

The coldness in his eyes made Shen Fanxing's heart skip a beat.

Why was he here?

Confused, she shifted her gaze to the woman beside Bo Jinchuan.

"I'm here to take a look at the filming progress. The new product is about to be released. I hope it can catch up."

"Don't worry, Director Lan. The publicity this time will definitely be very successful."

Lan Xi smiled generously. "That would be the best."

"Oh, this is the CEO of the Bo Consortium, Mr. Bo. Don't be nervous, we're just strolling around today."

Upon hearing the name Bo Consortium, Xiao Mingjie's expression turned solemn.

"Hello, CEO Bo!"

Bo Jinchuan retracted his gaze slowly and looked down at Xiao Mingjie's outstretched hand. After a moment of silence, he reached out slowly.

"Hello."

After saying that, his gaze landed on Shen Fanxing.

Bo Jinchuan's appearance caused another commotion in the studio.

"God, what kind of luck did I have today? I actually saw two gorgeous faces!"

"Did the koi I forwarded yesterday work? Or did I surpass Sister?"

"I'm going crazy from his handsomeness! Come and support me, my legs are weak! My legs are weak!"

Bo Jinchuan stood rooted to the ground as though he didn't hear her. He looked at Shen Fanxing calmly, his eyes cold.

Shen Fanxing glanced at Lan Xi and frowned slightly.

Why was he here?

And with a woman?

"Alright, let's start filming. CEO Shen, sit in front of the piano with Ji Yi. The two of you... play the piano with one hand. I'll take a few photos to see the effect. Remember to show the rings on your hands. The two of you

should be as intimate as possible!"

Glancing at Bo Jinchuan, confusion and emotions flashed across his eyes.

"Mr Bo, let's sit over there."

Lan Xi took a few steps closer to Bo Jinchuan. Shen Fanxing watched as Lan Xi's proud softness brushed against Bo Jinchuan's arm.

Her eyebrows twitched and a raging fire burned in her heart. Her face turned cold.

She cast a cold glance at Bo Jinchuan and her aura intensified.

It made Ji Yi's heart tremble.

"CEO Shen... what's wrong?"

Shen Fanxing retracted her gaze and said in a low voice, "Nothing."

"Ah ah ah, President Shen is so handsome now. Look at the cold aura she exudes. She's too seductive!"

"He's simply the image of a cold and domineering CEO!"

"Look at Ji Yi. She's so obedient and domineering. She's really... a perfect match."

Chapter 699 Confrontation

"What are you doing?"

"Don't you have anything to say?"

Bo Jinchuan lowered his head to look at her.

Shen Fanxing threw Bo Jinchuan's blazer aside.

"Shen Fanxing, you seduced a woman in front of me!"

"Bo Jinchuan, you were seduced by a woman in front of me!"

"You kissed Ji Yi! Was it fun?"

"You made that Director Lan appear with you. Is that comfortable?"

"I didn't let her rub against me!"

"I didn't kiss Ji Yi either!"

Shen Fanxing replied Bo Jinchuan without hesitation.

There was a ball of anger in his chest. Seeing how stubborn Shen Fanxing was, he pinched her chin in anger and pressed his lips against hers.

This stubborn mouth should be firmly shut.

"Mmm..."

It was a rare kiss that was filled with anger. It was rough, domineering, and overwhelming. The dense kisses seemed to want to suffocate her. They pried open her lips and teeth and entered without any resistance...

Shen Fanxing's breathing became short and hot.

"You... let go!"

She pushed him angrily. It was too obvious that the man wanted her to give in.

Shen Fanxing was the master who was amenable to coaxing but not coercion.

Bo Jinchuan bit her lower lip and Shen Fanxing's scalp went numb. She was afraid that he would bite her lips in a fit of anger.

Seeing her worry, Bo Jinchuan bit her hard before letting go.

Shen Fanxing felt the pain, but it wasn't too painful.

"Behave yourself in the future! Shen Fanxing, you belong to me alone, okay? Don't let anyone touch you!"

His voice was low and hoarse, and his dominance was obvious.

His dark gaze landed on her flat chest under her white shirt. He gritted his teeth and reached out to unbutton her shirt again.

Shen Fanxing looked up at him. Even though her heart was moved by his domineering words, she still pulled Bo Jinchuan's tie unwillingly and pulled him closer to her.

"Behave yourself, Bo Jinchuan. You can only be mine! Don't let anyone touch you or them!"

From the corner of her eye, she glanced at his arm that had been touched by that woman. Then, she tugged at his tie and unbuttoned his shirt.

Bo Jinchuan's anger turned.

Shen Fanxing's temper turned.

All of it turned into a strong possessiveness of the other party.

Their lips and tongues intertwined for some reason under this strange confrontation.

For some reason, they couldn't wait to undress each other..

Chapter 700 What Did He Do?

The force of the restraint dissipated and Shen Fanxing sighed comfortably.

Who would want to dress up as a man?

Usually, she would feel helpless wearing Bra.

Bo Jinchuan's body tightened at her sigh. Gritting his teeth, he pulled her pants down.

Then, he pushed her back to the mirror.

In the next moment, Shen Fanxing's fair and slender leg was wrapped around the man's strong waist.

Shen Fanxing blinked and her mind seemed to explode. She sobered up instantly.

"Bo..."

She wanted to say something, but Bo Jinchuan stopped her.

Along the way, he pressed his lips against her slender and beautiful neck. In the end, he wrapped Mei Hong's lips without hesitation.

"Ah!"

A sharp numbness spread from the top to her entire body. It instantly attacked her most fragile nerves, causing her to cry out.

"Bo Jinchuan... don't... not here..."

"Where did your fearless nature go? I like how you couldn't wait."

"Didn't I just..."

"It's too late!"

Bo Jinchuan stood up and sucked on her earlobe as he removed her last layer of protection.

Bo Jinchuan chuckled when he felt her warmth.

He planted a kiss on her lips. "Aren't you already prepared?"

Shen Fanxing's pretty face flushed red.

She was embarrassed by her reaction and embarrassed by Bo Jinchuan's words.

"Don't be like this... not here..."

"Remember to keep your voice down. Otherwise, those people outside might hear you..."

Bo Jinchuan had just finished speaking when his strong body pressed down on her.

"Ah—"

Shen Fanxing's eyes widened and her mind went blank!

What had she done?

What were they doing?!

She was... in someone else's dressing room...

There were sounds coming from outside the door. Lan Xi didn't want the man she had brought here to cause trouble. She didn't want Bo Jinchuan to fight with someone for another woman.

After pondering for a while, she knocked on the door.

"Mr. Bo, CEO Shen... calm down..."

“Director Lan!”

Yu Song hurriedly stopped Lan Xi.

Lan Xi looked at Yu Song in confusion.

“How?”

Yu Song coughed awkwardly and said sternly,

“Master has never liked others interfering in his matters, and no one can influence his decisions. The two of them... should know their limits!”

“... But... we can't let the two of them continue fighting like this, right? What's the point if both sides suffer?”

Yu Song felt a little helpless. Although she was right, wouldn't it be courting death to stop a fight between demons?

“Anyway, Director Lan... let's not bother about this matter! Let's go outside to rest first.”

The commotion outside made Shen Fanxing tense up and she focused all her attention on the door. Even her breathing was tense.

“Okay... relax a little!”

Her nervousness made Bo Jinchuan groan.

Shen Fanxing's heart skipped a beat.

Ever since the two of them broke through the last line of defense, Bo Jinchuan seemed to have discovered a new continent. It was as if a switch had been turned on..
