

Super Rich Dad Chapter 717-718

Chapter 717

Jiang Hao glanced at Chen Minggang curiously before taking a big bite and said, 'It doesn't matter, I'm here today on behalf of Elder Lin, so it's the same if you show me.'

Chen Minggang disdainfully glanced at Jiang Hao before speaking, 'What kind of a person are you. If I show it to you, what do you think you can do?'

After saying this, Chen Minggang intended to get up and leave, when Jiang Hao waved his sword finger and sent out a true qi to cut a knife mark on the door of the compartment.

With such a simple move, Chen Minggang was scared and took a half step back. He then looked at Jiang Hao sitting on the chair with a look of shock and uncertainty, not sure what the hell that was!

Jiang Hao wiped the corners of his mouth and then looked at the table with a little bit of pain, 'As expected of you, Mr. Chen. So much delicious food, tsk, it's a waste.'

After saying this, he only turned to look squarely at Chen Minggang and continued, 'As I said, I'm here today on behalf of Master Lin, so it's the same if you show me.'

Chen Minggang, who had been staring at Jiang Hao for a moment, took a deep breath before speaking in disbelief, 'Who the hell are you!'

People have a tolerance for everything, once this bottom line of tolerance is passed, people will become very irritable, which was the case with Jiang Hao at this moment.

Almost three days had passed since Lin Yan had been kidnapped, if he couldn't find out again. He didn't know what he would become.

Hearing Chen Minggang's words, Jiang Hao pulled out a sorrowful smile and said, 'I said, show me something, you self-respecting punk!'

Hearing these words, a furious Chen Minggang reached out and grabbed the bottle on the table and threw it at Jiang Hao!

Jiang Hao reached out to grip the bottle that flew towards him, then crushed it straight away, letting the glass splinter into his hand.

'Are you trying to challenge my patience, congratulations, my patience is almost exhausted by you bunch of losers.'

As soon as the words left his mouth, Jiang Hao arrived in front of Chen Minggang's body in a ghostly manner. Then with his bloody right hand, he pinned him down on the table with his left hand.

With his right hand, he casually picked up a bottle and smashed it towards his head, 'I'll smash it once I ask, got it?'

Chen Minggang couldn't help but shout in shock and anger after receiving a bottle on his head, 'Shen Yan, don't you want to die? How dare you do this to me?'

'So what if I do this to you! I'm not used to seeing you as a punk anymore!'

After saying this, Jiang Hao picked up another bottle of wine, and after biting off the cork directly Jiang Hao finished the wine in one gulp.

Then he raised it high and said in a deep voice, 'Where's the stuff, show me!'

Chen Ming just hesitated for a moment, thinking that he would be a bit too wimpy if he just handed it over.

And Jiang Hao saw him hesitate for a moment before the bottle in his hand smashed straight out, and Chen Minggang felt the warm liquid flowing directly from his head.

'I say! I say! It's in my phone. Inside is a video of Lin Dong meeting Shen Qing Shu for dinner!'

Hearing this Jiang Hao let go of Chen Minggang, then took out the phone he had on him with one hand and opened it, 'Password.'

'7754. you'll know it when you open it.'

Jiang Hao opened his phone and directly flipped out a video, which was indeed a video of Shen Qingshu having dinner with Lin Dong, and there was also sound.

In the video, he heard Shen Qingshu say to Lin Dong, 'Don't worry, I'll support you to the top.' At these words. A trace of gloom flashed across Jiang Hao's eyes.

Then he took out his mobile phone and called Elder Lin and said, 'Mr. Lin, I have a problem here, I'll show you a video later.'

The old man hung up the phone after he gave a low voice and Jiang Hao wiped the blood from his hands. Then he sent the video to Elder Lin.

Then he turned his head to look at Chen Minggang who was sitting on a chair covering his wound with a napkin and said with a light smile, 'Don't worry, most of your head is my blood.'

Chen Minggang looked at Jiang Hao and said in shock and anger, 'I swear, you will pay for this, you will definitely pay for this!'

After saying this, Chen Minggang fled through the door, not even daring to look back at Jiang Hao.

Jiang Hao looked at Chen Minggang's wretched fleeing figure and gave a snicker before shaking the blood off his hands, and then saw the phone call from Elder Lin.

Then he picked up and said, 'What do you think about this matter?'

Elder Lin spoke in a trembling tone, 'I will take care of it myself, if there is still a need I will contact you.'

Hearing these words, Jiang Hao nodded and returned to the hospital. Then he asked nurse Xiao Li to help him treat the wound on his hand.

Although he could heal faster by using his true qi, it was best not to reveal this matter so easily.

On the other hand, the Lin family's Elder Lin watched the video of Lin Dong's conversation with Shen Qing Shu. He was furious and sought out Lin Dong's father and son.

The old grandmother, who had heard the news in the backyard, also rushed over, only to see Lin Dong and his son kneeling on the ground with their heads bowed. Master Lin, on the other hand, was looking at them with a grim expression!

The old grandmother couldn't help but say anxiously after looking at both sides, 'What are you doing again, old man, why are you making Dong'er kneel on the ground again?'

'Ask yourself what he has done! Good. How dare you unite with outsiders to harm our own family, right?'

Lin Dong's father and son's faces turned white at these words, and Lin Dong looked up at the old man and said, 'No, I didn't, I didn't!'

After saying this, he turned his head to look at his grandmother and said with a sobbing voice, 'Grandmother, believe me, I didn't harm our own family!'

Old Master Lin slapped the table and then threw the phone in front of Lin Dong and said angrily, 'Look at it yourself! I just can't figure out what exactly Yan'er has done to you!'

Looking at the video on the phone, Lin Dong looked up at Elder Lin with a pale face, 'Listen to my explanation, it's not what you think!'

The last incident with Lin Yan had already broken Master Lin's heart, if it wasn't for the sake of his grandmother, Lin Dong and his son would have been expelled from the Lin family!

It was unexpected that Lin Dong would do such a thing again, not long after this incident had passed!

Thinking of this, Master Lin looked at him with a mixture of disappointment and anger, while his grandmother, who was standing at the side, spoke up in shock and anger, 'What the hell is going on here!'

For a moment everyone was silent, and it was Lin Nan who spoke after a deep sigh, 'Enough, that's enough, this matter is Dong'er's fault, I admit it.'

After saying this, he said what Lin Dong had said to himself, and Master Lin looked at Lin Dong with complicated eyes as he listened to these words.

The old grandmother was also looking at Lin Dong with a complicated expression after standing at the side and listening, 'Do you think that we are biased towards Yan'er?'

Lin Dong saw that the matter had been brought out, so after a period of silence he suddenly cried out, 'I admit that I did the deed, and I found the person!'

'Then let Yan'er go, she's your family!'

Chapter 718

Hearing Elder Lin's words, Lin Dong cried with a tear-stained face, 'But now those people want me to hand over my shares in the Xichunju project before they will let me go, I didn't expect it to be like this!'

Anyway, the words had already come out here, so Lin Dong no longer hid it. He told the story of his encounter with Rat.

He then cried out after telling the whole story, 'If it weren't for the other party's insubordination, I would have had no choice, old grandmother, believe me. I didn't want to harm Yan'er!'

Looking at Lin Dong with a snotty nose and tears, Elder Lin closed his eyes and pondered for a moment.

Then he waved his hand and signalled for Lin Dong and his father and son to leave. He and his old grandmother were the only ones left in the hall.

'What do you think, is what Lin Dong said true or false?'

Elder Lin opened his eyes and looked at his grandmother and said, 'After all, he is closer to you than he is to me, don't you think?'

The old grandmother was silent for a while before walking over to sit beside Elder Lin and then sighed and said in a low voice, 'From what I know about him, what he said is probably true.'

Elder Lin let out a deep sigh before shaking his head with a bitter smile, 'I knew it, I knew it, he's been set up again.'

The old grandmother naturally knew that Lin Dong had been set up by someone, and as long as she found out who the person who had set him up was, she would be able to find Lin Yan.

Thinking of this, the old grandmother hesitated for a moment and looked at Elder Lin and said, 'Then what are you going to do about this matter. Do you really want to hand over the shares of the Xichunju project?'

After a moment of silence, Master Lin shook his head and said, 'Hand it over! But not for nothing, you should leave this matter alone, I will naturally have someone look into it.'

After saying this, Elder Lin held his wheelchair and left, and when he walked to the back hall.

He took out his mobile phone and called the weary Jiang Hao, during which he briefly told Jiang Hao all about Lin Dong, and then asked him to work harder.

Jiang Hao was silent for a while when he received the call from Master Lin, then agreed and changed his clothes again and went out.

On the other hand, Chen Ming, who had just come out of the hospital, returned home after treating the injury on his head, and then drove uneasily to the rotten building where Rat was.

Rat and the others looked at Chen Minggang with his head bandaged, so they spoke with some shock, 'This. Young Chen, what's going on?'

Chen Minggang looked gloomy and said in a low voice, 'What does it have to do with you, get lost!'

After saying this, he picked up a stick, then walked to the room where Lin Yan was being held and looked at Lin Yan and laughed sorrowfully and fiercely twice.

'Look, before I chased you so much, you didn't even pretend to me, now aren't you in my hands just the same?'

Lin Yan's mouth was gagged. Seeing Chen Minggang coming towards her with a wooden stick in his hand, she shrank back in fear.

Chen Minggang looked at the panic in her eyes and laughed twice before continuing, 'Do you know what happened to my head? It was beaten up by your little love interest, but luckily, I tricked him into it.'

As soon as the words left his mouth, he raised his wooden stick and hit Lin Yan with a fierce blow!

'But what do you think I'm going to do about this on my head?'

Looking at Lin Yan's painful and unbearable appearance. A wave of pleasure surfaced in Chen Minggang's heart, and then he ripped off the rag that was gagging Lin Yan's mouth.

'I said I would make him regret it, so I have decided that you will never walk out of this building in your life.'

After saying this Chen Minggang picked up his stick again and gave Lin Yan a severe beating. A twisted smile appeared on his face as he listened to Lin Yan's miserable screams.

'Chen Minggang! You shall not have a good death!'

'Ah! Beat me to death if you dare! Come on! Beat me to death!'

After ten minutes or so, Chen Ming just panted and stopped pestling the ground with his stick and looked at Lin Yan's bruised and lingering form and smiled.

'Don't worry, I won't beat you to death, I'll torture you bit by bit.'

Chen Minggang walked forward and grabbed Lin Yan's collar with one hand and looked at her with a fierce smile, 'I'll show you how expensive my dignity really is!'

Lin Yan held her strength and spat fiercely at Chen Minggang's face before gritting her teeth and laughing, 'Chen. Chen Minggang, that's all you can do in this life.'

After saying these words. Lin Yan then passed out.

Rats stood at the door and looked at Lin Yan with some concern and said, 'Young Chen, nothing will happen, right?'

Chen Minggang snorted as he looked at the unconscious Lin Yan. He reached out and wiped the filth off his face and said, 'Don't be afraid, I'll take care of it. You guys just keep an eye on her here.'

Rat heard this and agreed in a low voice, but a hint of disgust flashed in his eyes as he looked at Chen Minggang.

When Chen Minggang walked out of the room, he hurriedly closed the door behind him and then asked, 'When do you think it's appropriate for me to leave, you can't let me stay in this hellhole for the rest of my life, can you?'

Chen Minggang reached out and took out a cigarette and lit it, then took a deep puff and looked at Rat and smiled, 'Don't worry, things will be over soon, when that madman goes after the Shen family, I will be the biggest winner.'

When he said this, Chen Minggang couldn't help but laugh out loud, and a chill flashed through Rat's heart as he stood at the side looking at Chen Minggang.

This guy in front of him already looked a bit like a madman, and he was now beginning to regret why he had befriended this madman Chen Minggang in the first place!

If it wasn't for Chen Minggang, he definitely wouldn't have fallen to such a state today.

As the two of them were laughing, a voice suddenly came out from the shadows and said, 'Really, so that's what you think.'

Hearing this, Rat and the others turned their heads to the darkness and said angrily, 'Who is there!'

Chen Minggang's whole body stiffened as he had already heard whose voice it was.

Just as his legs were shaking he suddenly remembered that Rat was still here and that he had all his men here!

So Chen Minggang turned around to look at the person who was slowly approaching, 'You, how did you find this place?'

Jiang Hao had a long knife in his hand that he didn't know where he got it from, standing about six or seven metres away from Chen Minggang and looking at him coldly.

'Earlier I thought it was a bit strange, didn't you like Lin Yan so much, why didn't you take the video of Shen Qing Shu and Lin Dong's together to show Lin Yan at that time?'

After saying this, Jiang Hao slowly walked towards Chen Minggang, while Rat shouted after a trace of cold sweat seeped from his forehead, 'Go!'

More than ten people surrounded Jiang Hao and surrounded him, while Jiang Hao continued to walk towards Chen Minggang step by step as if he was unaffected by anything.

'I originally wanted to follow you today to ask for clarification, but I found you driving towards the outskirts of the city, so I was curious and followed you.'

As he spoke, Jiang Hao threw up his hands and put one man to the ground.
