Chapter 719

‘You know, I didn’t like you a long time ago, who do you think you are to call others trash as you please?’

As he spoke, Jiang Hao took one step forward and put down one person with one step. The long knife, however, never saw any blood.

Rat looked at Jiang Hao slowly walking, cold sweat flowing more and more on his forehead, then opened his mouth and asked in a low voice, ‘What should we do, young Chen, hurry up and make an idea!’

Chen Mingang looked at Jiang Hao’s eyes as he looked at himself, not at all like he was looking at a person. Instead, it was more like he was looking at a piece of meat in general.

He was also frightened by Jiang Hao, and it was only when he heard Rat’s voice that he came back to his senses.

Then he hurriedly spoke, ‘You hurry up and drag Lin Yan out for me, hurry up!’

Ratzi’s eyes lit up when he heard this. Then he hurriedly ran to open the door and dragged Lin Yan, who was already dying, out!

Chen Minggang looked at Jiang Hao with a smug look in his eyes and shouted, ‘Shen Yan, why do you think I can call you a punk, stand still if you’re smart, or I’ll kill her!’

Jiang Hao looked at Lin Yan’s bruised body, a wisp of bright red was seeping out from between her clothes.

Rat put a knife to Lin Yan’s neck and stared at Jiang Hao with a sinister look, ‘Brother, it’s not easy for us little brothers, you won’t make it difficult for me, will you?’

Jiang Hao stopped in his tracks and looked at Lin Yan for a while before looking up at Chen Minggang and whispering, ‘If you don’t like her mother, why are you doing this.’

Chen Minggang laughed loudly after hearing this, his eyes looking at Jiang Hao with some pity, ‘Like her? Heh, so what, as long as I take out the Lin and Shen families, I will be the most powerful man in this Northern Province in the future!’

Here he paused, then looked at Jiang Hao and laughed, ‘By then. What kind of woman do I want that I don’t have?’

Rat sat crouched on the ground and looked up at Chen Minggang, he hadn’t expected this guy to have such big ambitions again.

Seeing that Jiang Hao had gone silent, Chen Minggang hurriedly continued, ‘Come over and follow me, when the time comes, as long as I eat what you want, you’re so good at it, why do you need to be a doctor?’

As he spoke, Chen Minggang looked at Jiang Hao's lack of opposition and thought he agreed, so he took out a bank card from his body and threw it towards Jiang Hao.

'Inside the card is three million, as long as you follow me, these are your annual salary, three million ah, you may not have this much money even if you do five years!'

Jiang Hao picked up the card on the ground and looked deeply at it twice and couldn't help but snicker, then casually threw it to Chen Minggang and said, 'Forget it, your money is too dirty, I'm afraid I'll break my hand.'

Immediately afterwards he looked at Rat's hand that was pulling at Lin Yan's shoulder. The pupils in his eyes shrank and he said, 'I advise you to take your hands off her, or you will regret it later.'

Rat gave a sinister snort and the knife made a bloodstain on Lin Yan's neck.

'I think you're toasting the wine and not eating it, Young Chen, what should we do?!'

Chen Minggang also didn't expect Jiang Hao to be as smelly and hard as a stone in a thatched pit.

Seeing that Jiang Hao was not going to be hard and soft, Chen Minggang spoke out loudly, 'What are you all waiting for, go ahead and beat him to death, he doesn't dare to fight back!'

Hearing these words, the men looked at each other for a couple of seconds, then with steel pipes in their hands, they punched Jiang Hao in the back.

Jiang Hao was knocked to the ground at once. When the rest of them saw that Jiang Hao really did not dare to fight back, they also followed him up and hit him hard.

Within a short while they had beaten Jiang Hao all over his body, while Chen Minggang and Rat looked on and both laughed with glee.

'Look at this kid. Still trying to save a hero, wasn't he just so proud of himself?'

Seeing that Jiang Hao had lost the ability to fight back, Chen Minggang called a halt to the crowd, then picked up a steel pipe and walked up to look at Jiang Hao who was lying on the ground and said, 'Weren't you just so proud? You don't like my dirty money, do you?'

After saying this, he smashed Jiang Hao's head with a fierce steel pipe, and blood immediately flowed like water!

Rat also put down Lin Yan who had a blank stare. He stood up to watch the drama.

Now there was no need to hold Lin Yan hostage to threaten him, so Rat let his guard down for a while.

Chen Minggang cursed angrily while hurting Jiang Hao fiercely, and shouted out loud, 'Aren't you crazy, I said I would make you regret it, you got a kick out of smashing my head, didn't you?'

Seeing that Jiang Hao was about to be beaten to death alive by Chen Minggang, Rat still spoke with some hesitation, 'Young Chen. Let's just stop, otherwise it won't be easy if things get too big.'

Chen Minggang hesitated slightly after hearing this, but it was this hesitation that caused Jiang Hao to jump up violently.

Then he put one hand around Chen Minggang's neck and raised it up, 'Did you enjoy the fight?'

Rat was so frightened by Jiang Hao that his soul almost flew away, he had been beaten like this, yet his body seemed to be unaffected.

Seeing such a scene, Rat hurriedly grabbed Lin Yan again and said nervously, 'You, let go of young Chen, or else I'll kill her!'

Jiang Hao laughed sorrowfully and viciously twice before picking up a steel pipe on the ground and slamming it into Chen Minggang's knee. At once the crowd heard a clicking sound.

'Guess where I'll smash his two legs again after that?'

Rat gulped at Jiang Hao's sinister look. In all his years on the road, he had never seen such a ruthless man!

'I say again, let the man go!'

Rat looked at Jiang Hao and hesitated for a moment. Seeing that Jiang Hao was about to take away one of Chen Minggang's legs again, he hurriedly dropped the knife in his hand and stood up with his hands up, shouting, 'I'll let go! I'll let go!'

Seeing this scene Jiang Hao laughed grimly twice: 'Slow to speak, you still have to scrap!'

With that, another steel rod smashed into the knee of Chen Minggang's other leg. The steel pipe was bent!

After this was done, Jiang Hao held Chen Minggang up with one hand while slowly walking towards Lin Yan who looked blank.

Then he threw Chen Minggang to the side and hugged Lin Yan tightly, sobbing, 'I'm sorry, I'm sorry, I'm sorry I'm late!'

Lin Yan, who looked blank, was held in Jiang Hao's arms, as if she had reacted, and then spoke in a hoarse voice, 'You, coming?'

Jiang Hao hugged Lin Yan and nodded, 'I'm here, I've come to take you home.'

When Lin Yan, who was being held in Jiang Hao's arms, heard these words, two lines of tears flowed from her eyes as she smiled and nodded before agreeing, 'Mmm, go home, I'm so sore.'

Hearing this, Jiang Hao picked up Lin Yan with both hands and looked at her body covered in bruises and whispered, 'These bruises, who did this?'

Rat was so frightened by Jiang Hao that he fell to his knees and dared not speak, trembling for a while before he shivered and said, 'Yes, yes, it was young Chen who did it, it has nothing to do with us, we didn't even dare to touch her!'

Jiang Hao turned his head to look at Chen Minggang, who was lying on the ground wailing in pain, then walked up with Lin Yan in his arms and said, 'Did you injure Yan'er?'

Chapter 720

Chen Minggang was wailing and laughing madly at the same time, he knew he was finished, it was all over.

The reason he lost was simply because of the phone call Rat made to him, and because of that phone call he was finished.

At this moment, when he heard Jiang Hao's question, he just looked at the ceiling above his head and nodded and laughed: 'I made the call, why. Do you want to call back, you've already ruined my leg, what more do you want?'

Jiang Hao shook his head slightly, then wiped off the blood dripping down from his head and walked forward, stepping on Chen Minggang's arm with one foot.

With a click, Chen Minggang looked blankly at his right hand, which had been broken by Jiang Hao's step. Then he smiled and spoke, 'Is the left hand next?'

Jiang Hao agreed in a low voice and walked to his left side and stepped on Chen Minggang's left hand again.

Lin Yan was indifferent the whole time, not caring what was going on.

And Chen Minggang seemed to have given up as well. He just laughed madly, as if he couldn't feel the pain.

Hearing the sound of Jiang Hao's departing footsteps, Chen Minggang stopped laughing and roared, 'Shen Yan, you're so cruel! I won't let you go even if I'm a ghost!'

As soon as the words left his mouth, he rolled with all his strength to the edge of the rotten building where there was no parapet, then rolled down and was pierced through the chest by a steel bar!

Jiang Hao didn't even turn his head back, but only muttered in a low voice: 'You have to be bullied by me even as a human being, can you do anything to me as a ghost?'

The rat looked at Jiang Hao's back and then turned around and crawled to the edge of the building to look at Chen Minggang, who had been killed by a steel bar through his chest, and suddenly shuddered.

After a moment's hesitation, he got up and ran downstairs, where there was a van they had driven over, as well as Chen Minggang's car.

But Chen Minggang's car had been commandeered by Jiang Hao at the moment, and when he went down there he saw that Jiang Hao was putting Lin Yan into the car.

So he stopped in a panic. He cowered in the hallway, afraid that Jiang Hao would come back to silence him.

In fact, Jiang Hao was not interested in that, these people were just some minor characters to him.

After putting Lin Yan in the car, Jiang Hao sat in the driver's seat and saw that Chen Ming had just gotten out of the car without pulling out the keys so he started the car and took Lin Yan away.

He then started the car and took Lin Yan with him. Rats, on the other hand, hurriedly drove the van back home and took all his money and ran away for the night.

On the way, Jiang Hao drove the car in silence, and Lin Yan also sat in the car without saying a word.

Only when he was almost in the city did Jiang Hao stop the car and then took out his mobile phone to call Elder Lin.

It was already after twelve o'clock at night, so Elder Lin answered the phone in a daze and said, 'Hello?'

Jiang Hao said directly, 'Yan'er has been rescued, but she's a bit uncomfortable to go home and see people.'

Hearing this, Elder Lin hurriedly asked, 'What's wrong with her, is she injured, is she... Has she been violated by any miscreants? Who captured her?'

Hearing these questions, Jiang Hao turned his head to look at Lin Yan before shaking his head and saying, 'She's neatly dressed, but there are injuries on her body, and she was beaten badly.'

Hearing these words, Elder Lin slightly dropped a trace of worry and spoke, 'That's good, that's good, who arrested her?'

'Chen Minggang of the New City Group, and his men, a small mongrel.'

Hearing this reply, Elder Lin's face sank.

Thinking of that video screen Jiang Hao had sent to him today, he couldn't help but sigh after giving a grim laugh, 'Good, what a good kid. How dare you set up our Lin family like that!'

After saying this, Elder Lin took a deep breath before asking, 'Where is he, Xin Cheng Group. Or, is he in your hands?'

Jiang Hao smiled before shaking his head, 'He's dead, the address is a rotten building on the outskirts of the city, I'm going to take Yan'er to recuperate for a while, I'll leave the wrapping up of things to you.'

Elder Lin was silent for a while before nodding slightly and saying, 'Yan'er is counting on you, I will take care of this matter.'

With that, Elder Lin hung up the phone. He had already quit smoking for a long time and after lighting himself a cigarette again, he completely lost sleep.

And after Jiang Hao hung up the phone, he turned his head to look at Lin Yan and spoke in a flat tone, 'I told your old man to stay with me during this time, don't be afraid, there's me.'

Hearing the four words that Jiang Hao finally said. Lin Yan looked as if she had suddenly come to life and turned her head to look at Jiang Hao for a while in silence.

Two traces of tears ran down her face while she spoke, 'Why, is it like this?'

Jiang Hao looked at Lin Yan for a while in silence, reached out and touched Lin Yan's head before whispering, 'It's all in the past, it's all in the past.'

After saying this, he started the car and then contemplated where to put Lin Yan as he drove on.

After thinking about it, it seemed that only Sally's villa was better, but this car was a problem.

After hesitating for a while, Jiang Hao called Sally to tell her to prepare some medicine and some women's clothes.

Sally, who received the call in the middle of the night, complained to Jiang Hao, and then left the matter to Old Black. She fell back into bed and passed out.

The old black received Sally's phone call and shook his head helplessly before getting up and going to do the shopping. By the way, he called Jiang Hao and asked him not to call Sally so late in the evening, the old boss has a wake-up call.

He received a complaint from Old Black. Jiang Hao laughed lightly, then agreed to meet Old Black and agreed on a place to meet.

After the appointment was made, Jiang Hao took Lin Yan to the vicinity of the appointment and waited a few moments for Old Black to arrive.

He looked at the car Jiang Hao was driving and frowned. Then he got out of the car and walked over to Jiang Hao's driver's seat and knocked on the glass.

Jiang Hao opened the door and got out of the car, lit himself a cigarette and took a deep drag and smiled, 'You came pretty fast.'

Old Black looked at Jiang Hao and smiled bitterly, then reached out and grabbed the cigarette from Jiang Hao's hand and said, 'This car doesn't belong to Chen Da Shao, does it?'

Jiang Hao nodded and smiled, 'Well, he can't use it anymore. I brought it to use.'

Hearing this, Old Black let out a deep sigh and said, 'What's wrong with Chen Da Shao, tell me honestly, let me see how much trouble you've gotten into this time.'

Jiang Hao didn't take Old Black's words to heart, shook his head and spoke, 'He's dead, a steel bar ran through his chest, I guess the blood is all dried up now.'

Old Black looked deeply at Jiang Hao for a long time in silence, and then spoke in a hoarse voice, 'This thing, you did it?'

Jiang Hao shook his head, took the cigarette in Old Black's hand and took a deep breath and exhaled lightly, 'I only killed his limbs, he jumped off by himself, it has nothing to do with me.'

Old Black slap on his face helplessly said, 'Then you did quite politely ah!'
