

## Chapter 750

No, why are you so possessive? I'm just talking about it casually, and Lu Shuchen is already in the past, so don't mention him again.

You can't just talk about it, you are my woman, and you will always be. Yi Yan walked to Yin Luo and hugged her. There was always a familiar and comfortable smell on her, which made people obsessed.

After hugging for a while, Yi Yan seduced with his unique magnetic voice, "Will you stay here tonight?"

The drinker is obviously Yi Yan, and the drunk at this time seems to have become Yin Luo, seeming to be drunk in a gentle town, dreaming of death, unable to extricate himself.

Okay. I don't know what's going to happen next, but she just wants to promise him now that he seems to have put something on her, so she has to obey him. Even if it's just a moth, it's willing to fight the fire.

After taking a shower, Yin Luo came out wrapped in a white bath towel like Yi Yan, as tender and dripping as a lotus flower, which made people want to enjoy it.

Yi Yan grabbed her and threw her onto the bed, and couldn't wait to kiss her soft lips. Suddenly, he stopped, frowned and asked, "Did he kiss you like I did when you were with Lu Shuchen?"

Hearing Lu Shuchen's name, Yin Luo was not too happy, "I said, don't mention him, I have nothing with him."

Yin Luo said nothing, but Yi Yan remembered what the reporter said today, could it be Lu Shuchen who hurt Yin Luo, she did not want to mention him, in order not to make him sad, she used herself so decisively Reject Lu Shuchen?

Otherwise, if she really doesn't care about Lu Shuchen, why should she be angry now?

No matter what she really wants to be, she is and can only be his woman now and in the future.

Yi Yan plugged Yin Luo's lips punitively and untied the straps on her bath towels, and Yin Luo's figure was visible.

Not to be outdone, Yin Luo took a pair of small hands and fumbled around Yi Yan's body, and finally untied Yi Yan's belt. The bath towel slipped from Yi Yan's body, and both of them were naked.

...

The next morning, there was still the ambiguous atmosphere after the love of men and women last night in the room. Looking at the messy room, you can know how intense it was yesterday.

Yin Luo stretched, feeling that he was still exhausted, and the man was no longer in bed now. Humph, man, when you are done, put your pants on and run, right?

Just after thinking about it, Yi Yan came out from the bathroom. It turned out that he hadn't left yet. She had hoped that he hadn't left yet.

Sleep? Yi Yan walked to the bed and gently touched Yin Luo's head.

Yin Luo bit her lip and complained, "What do you mean?" It's no wonder that she can sleep well, but now that he is in good spirits, she is the one who suffers anyway.

Yi Yan frowned slightly, watching Yin Luo warn him, "Don't bite your lip anymore."

Don't let her bite, she just wants to bite, see what he can do "I don't—"

Before the word "no" was finished, Yi Yan rushed towards Yin Luo like a hungry wolf.

You let go.

Who asked you to seduce me, don't you know that men are most prone to brutality in the morning?

I haven't brushed my teeth yet.

I do not care.

Just about to kiss, Yin Luo turned his head away "How many women have you had before?"

Do you care? Yi Yan asked.

I want to know how many men I have used by women.

No.

what?

Yi Yan repeated surely again, "No, no one except you. Satisfied?"

Seeing that Yin Luo was finally satisfied, Yi Yan wanted to continue kissing, but his phone rang suddenly. He picked up the phone and saw that it was the assistant Xiaotian who was calling, and he hung up. This little day doesn't fight early and late, but if it breaks him at this time, this month's salary is not desired.

When he wanted to kiss again, Xiaotian called again. Yin Luo pushed Yi Yan away, "Let's pick it up, what if there is an emergency?"

He didn't dare to have any urgent matters at this time, because of Luo Luo's face, Yi Yan answered the phone.

Xiaotian asked cautiously, "Mr. Yi, you will be late for work again today. You won't be sleeping with a woman again, right?"

Know that you dare to bother? Yi Yan said coldly. Yin Luo felt that even if that little assistant wasn't by his side, he would be scared to death by just listening to his rather shocking voice.

I see, Mr. Yi, you are busy. Xiaotian hung up as soon as he finished speaking, so as not to disturb their president's lifelong affairs. It is only natural that the president did not come to the company to call and ask him. This is the second time that the president is absent from work for a woman. He just doesn't know whether he should call next time.

After hanging up Xiaotian's call, Yi Yan began to do a two-person exercise with Yin Luo. Even if Yin Luo refused in every possible way, he couldn't resist Yi Yan's soft and hard foam.

When I got up again, it was almost nine o'clock. Yi Yan and Yin Luo went downstairs together. Zhang Ma saw them happily saying, "Master, Madam, you are awake, I just made a meal, come and eat."

Yeah. Yin Luoying went down and walked to the table with Yi Yan.

Mother Zhang gave Yin Luo a bowl of fungus porridge, and said with a smile, "Come on, young lady, drink more, fungus will help you get pregnant. I can also help you with a baby if you have a baby earlier."

Yin Luo was embarrassed, "Mother Zhang, what are you talking about, we don't have that to count."

Who said no. Yi Yan retorted, then looked at Yin Luo, "Luo Luo, give me a ball."

I don't give birth. I want to give birth to you.

Yin Luo turned on the phone. The press conference had already started yesterday, and those rumors should have disappeared.

Sure enough, not only did the rumors disappear, but the Yi Group also released an official blog with the words Yi Group Yin Group. The clear photos of them in the supermarket are shown below. It looks like Yin Luo's smiles, joy and anger are all due to Yi Yan rises. Comments are naturally blessings.

Nianhua smiled very much, wishing the Yi Group and the Yin Group forever, and the Yi and Yin forever.

My blue friend who is a little monster turns out to be like this. It seems that I still can't believe some things on the Internet. Seeing is not necessarily believing.

One leaf blooms, I wish you a long, long time, and an early child.

...

And so on, the rumors are self-defeating.

Yin Luo looked at the official blog, somehow he was a little delighted, the account that posted her blog has been reported, and I don't know what will happen.

Did you let it be sent? Yin Luo showed Yi Yan the phone.

Yi Yan approached Yin Luo and said proudly, "Are you particularly moved?"

Nothing.

...

Road house.

Father Lu was sitting in an elegant room. He just called Lu Shuchen to talk to him.

I watched the press conference. I also know the stupid things you did at the press conference. What do you have to say? Father Lu seemed to be confused by Lu Shuchen. Unexpectedly, one day, his son would be able to interfere with other people's happiness with such a faceless expression, and he would still be embarrassed at the press conference.

Lu Shuchen didn't feel that there was anything wrong with what he did. "I don't think this is a stupid thing. Everyone has the right to pursue happiness, and so do I."

Father Lu slapped the table vigorously, and said angrily, "Are you still not repenting? At the beginning, Luo Luoben was going to be engaged to you, but what did you do, huh? Now that Luo Luo is leaving you, you posted it again. People chase their ass, what are you talking about?"

Lu Shuchen knew that he was doing something wrong, and he couldn't help but regret it. At the beginning, he blamed him for being too impatient and Yun Xiaoyin's seduce, so he didn't hold himself for a while. The big deal is that he won't commit it in the future. He believes that he still has a chance for Yin Luo.

It's because I haven't seen Luoluo's goodness before. I didn't realize how important she is to me until I lost her. Don't persuade me. This time, I will never give up anyway.

Leaving Lu's house, Lu Shuchen walked on the road alone, and Yin Luo was bound to win this time. He could feel that the previous Yin Luo was special to him, so this time, he was also confident to get her.

Lu Shuchen made an appointment with Yi Yan at a nearby coffee shop, and arrived early. Knowing yourself and the enemy is the only way to survive a hundred battles. He wanted to see what his Yi Yan was good about. His company had almost occupied half of the country in a short period of time, but their homes were not bad.

Yi Yan will be here in a while. Of course, Yi Yan also wants to know what kind of man Yin Luo was engaged to. Would she still like Lu Shuchen, just using herself.

Mr. Yi, please sit down. Lu Shuchen said politely.

Yi Yan sat down and said directly, "Ming people don't talk secretly, let's talk about it, your purpose this time."

Mr Yi is really refreshing. I don't think you really like Luoluo, you just want to use Luoluo. Lu Shuchen said his thoughts.

Yi Yan raised his lips and smiled, "What do you always want on that road?"

Speak your purpose, and whatever I can give you will be given to you, as long as you give it to me.

After hearing this, Yi Yan was finally right. It seems that the man who Yin Luo's predecessor is going to be engaged to is nothing more than that. He is not worthy to compete with him, so he has nothing to talk about with him.

I don't lack anything. What you have, I have. What you don't have, I will have it too.

There are some things, I just say it once, you remember. Luoluo is not a commodity, it is not what you want to exchange for, or if you want to exchange it. Moreover, I have no purpose for Yi Yan to marry Yin Luo, just because of me. Like her, that's it.

After saying that, Yi Yan stood up and said, "Also, I want to thank you for giving me such a good girl. Luoluo is now my real woman, please don't disturb her anymore."

Lu Shuchen was naturally angry when he heard Yi Yan say this, and blamed that Yun Xiaoyin. He insisted on seduce him the night before his engagement. Didn't he deliberately want him to have trouble with Luoluo?

Impossible, you...

Before finishing talking, Yi Yan had already left. Yin Luo is so conservative that he will not have sex with him until he is not engaged. Even if she married Yi Yan now, she probably wouldn't accept it so soon.

It doesn't matter, no matter what, Yin Luo will have to be his in the end. Since Yi Yan doesn't work, there must be other ways.
