

Chapter 758

After answering the call, Lu's father heard an angry voice, "Look at the headlines for yourself, you see what you have done, cough...cough, take a look at our Lu's stock."

Lu Shuchen hung up the phone and opened the headline.

It turned out that Yun Xiaoyin's pregnancy was exposed somehow. Some people said that he was a scumbag and had sex with Yun Xiaoyin before he got engaged to Yin Luo. Some people said that he was just playing with Yun Xiaoyin, but they didn't. Plan to be responsible to her. In short, there was a lot of scolding on the Internet, saying that the character of the president of Lu's Group is like this, and the product is definitely not good, and I will not buy it.

Looking at Lu's stock, the situation is very unstable, and it has been declining these days.

Lu Shuchen was very angry, and he didn't know who exposed this incident. Originally, he wanted to secretly raise Yun Xiaoyin and their children, but now, I'm afraid he can't keep it.

Lu Shuchen dialed his father's phone again, "I have seen it, and this child can't stay. It is said that Yun Xiaoyin's pregnancy message is false, and that it is Yun Xiaoyin who deliberately depends on me for her greed of vanity."

Father Lu is helpless. It's this time. He doesn't even plan to be responsible to Yun Xiaoyin. Could it be that there is someone else in his heart? Does he want others to say that he is an unaccountable man? I really want to piss him off.

Shu Chen, you have always been very sensible, why are you so confused about this matter? Are you still so obsessed and planning to marry Yin Luo? Can you think about the company?

Dad, what I like is Luoluo. Lu Shuchen emphasized that he didn't want to marry anyone except Luoluo. He now regrets that he cheated before marriage and had children.

Lu's father was obviously not satisfied with Yun Xiaoyin. He said disappointedly, "Do you think I want her to be my Lu family's daughter-in-law? Walking with a good friend and a man with a good friend on his back is not a good girl. It's not a good deal either. But, you don't have the right to choose right now, do you know? If you don't mess around with Yun Xiaoyin, what will happen today?"

dad.....

Okay! There is no discussion about this matter. If you disagree, Lu's will no longer belong to you. Yun Xiaoyin, you must marry. You also need to say that you fell in love with her after Luoluo, and Luoluo just peaceful breakup.

By the way, the sooner the wedding is held, the better. I have discussed with your mother. Three days later, it will be a good day. You should do the changes as soon as possible. After all, you have no family background, just do it whatever you want. Father said decisively that he had been riding the mall for so many years when he was young. He can still resolve this matter.

Accidentally being calculated, this is the end of carelessness, and it is also a bad result.

After the arrangement was completed, Lu's father hung up, and he believed his son would make the right choice.

After hanging up the phone, Lu Shuchen stood in the store. Does he have other choices? In the choice between love and career, he is a man, he has ambitions, so he has no choice.

Seeing Lu Shuchen finished the call, the waiter reminded him, "Sir, there are many styles of puppets in our store, and they can be diy, like this..."

Lu Shuchen looked at the patterns on the computer, and he saw a little bear at a glance, and Luo Luo must also like it.

It's about this. I'll give you the money first, and you will deliver it to this address. Lu Shuchen took out the address of Lu's home, made arrangements, and walked out of the store, walking down the street alone.

Luoluo, I bought a gift for you, but it can only exist with me for a lifetime, and I can no longer be the man who protects you for a lifetime. I used to be sorry for you, but now I let you go, no longer pester you.

After a while, Lu Shuchen's call came to mind again.

I picked up the phone and looked at it. It was Yun Xiaoyin who called. Originally I didn't want to answer her call because of my irritability, but when I thought of Father Lu's request and the company's shares, I answered it.

Yun Xiaoyin cautiously said, "Shu Chen, my uncle has already told me and arranged it. Now we can take the wedding photos."

After being silent for a while, Lu Shuchen finally spit out seven words "Okay, wait a moment, I will pick you up."

After all, this is his own choice, and he can't blame others, except for what he has to participate in, let them all go. He didn't have any expectations for this wedding, because this wedding was just an explanation they wanted him, and even the child was just an explanation.

As she walked, Lu Shuchen suddenly saw a familiar figure from the back, it was Yin Luo. She entered a supermarket.

He naturally recognizes the woman he was inevitable. Even if it is a figure from the back, he is surprised and happy now, but now he is no longer worthy to hug her.

It's just that he still couldn't help but quietly follow Yin into the supermarket, even if he saw her sideways.

For some reason, he always felt that Yin Luo now was more beautiful and more temperamental than before.

She went to the place selling snacks and looked around, only to find the white rabbit toffee on the top floor.

She looked up at the toffee, but she was so cute that she couldn't get it. He had never seen her and never knew she had such a side. She was not at all as serious as she was at the company, or... she looked indifferent when facing him.

Involuntarily, Lu Shuchen walked over to help Yin Luo get a bag of toffee down.

Thank you. Yin Luo thanked him and then turned to look at the person who helped her, it was actually Lu Shuchen.

Lu Shuchen handed the toffee to Yin Luo and smiled at her, "Why don't you pick it up?"

Yin Luo was stunned for a moment, and then caught "So it was you."

Lu Shuchen put his hands in his pockets and looked like "Don't worry, I won't pester you anymore. I'm going to marry Yinyin, just three days later."

Yin Luo didn't expect Lu Shuchen to get married so soon, and thought of the headlines she saw about Yun Xiaoyin's pregnancy. It might be because of this reason that he was so hastily. But fortunately, it has nothing to do with her. It is good for him to find his own happiness.

As for his previous derailment, fortunately, she didn't like him, so she didn't care so much.

You... will you come? Lu Shuchen asked suddenly.

Yin Luo never thought that one day he would face this kind of problem, and for a while, he didn't know how to answer, "I...I'll talk about it then, anyway, no matter if I go or not, I will always bless you. That...I have something to do, so I'll leave first."

Good. Lu Shuchen replied.

After paying the bill, Yin Luo left the supermarket, looking at the white rabbit toffee in his hand, wondering if she could coax her chief executive well?

When going to the parking lot, her cell phone rang suddenly.

Although the call is not marked with a name, it is a familiar series of numbers, Yun Xiaoyin.

Thinking of what Lu Shuchen said to herself in the supermarket, Yun Xiaoyin should show off to her this time. After showing off this man for three days, it will finally be hers, but it's a pity that she doesn't care at all.

After hanging up the phone, Yin Luo continued to walk forward. He didn't expect the phone to call again. He really wanted to show off his eagerness to her. Then she listened to what she wanted to say to her. Look at what drama she wants to perform this time, it's nothing to listen to dramas that don't require money.

As soon as she answered, a soft voice came from the other side of the phone. If she was a man and didn't know Yun Xiaoyin, she might still have a desire to protect her.

Sister Luoluo, I'm going to marry Shu Chen. Before, I just wanted to satisfy Shu Chen, and didn't have any wishful thinking that I would become his wife. I didn't expect that Shu Chen would want to marry me now.

Isn't that great? As you wish, you should be satisfied. She was really right. She was showing off, showing off that her family background was so much worse than her that she could marry Lu Shuchen.

Yeah, I'm very satisfied. Shu Chen is still taking wedding photos with me now, and he has been working so hard these past few days.

Yin Luo smiled, "I didn't expect me to be so honored. When Lu Shuchen was with you, you thought of calling me."

Yeah, anyway, we used to have a good relationship, so I think it would be great if you attended my wedding in three days. However, I don't know if you are willing to forgive me and Shu Chen for attending our wedding.

It turns out that Yun Xiaoyin's real purpose is to let her attend their wedding. She can believe that Lu Shuchen invited her sincerely, but Yun Xiaoyin will let it go. I have known her for so many years, and have always been deceived by her weak appearance before, and now she knows exactly who she is.

Do you really want me to participate? Yin Luo asked back.

Of course. Yun Xiaoyin said immediately, and then she felt that her purpose was too obvious, and added, "I think that as long as Sister Luoluo attends our wedding, our wedding can be considered complete."

Okay. Yin Luo agreed swiftly, "Send the invitation and I will be there in three days."

No matter what her purpose is, she has to prove that she is not easy to provoke. She robbed her man before, so she won't be the last. If she dared to provoke herself in the future, she would repay it twice.

After handling everything, Yin Luo took the white rabbit toffee in her hand and drove to Yi Yan's company. She was in a very bad mood just now, but looking at the big white rabbit toffee in her hand, she was much better. Does toffee really make people happy? Then she will try it when she is unhappy in the future.

She entered the company again, and the two receptionists at the front desk had met Yin Luo last time. What's more, Xiaotian, assistant to the president, went down and said that if this woman comes again, she must not stop her.

The chief assistant to the president, Xiao Tian, he is the kind of person who is about to reach the cloud, and even he came to personally tell them about it, which shows that Yin Luo is a special person to the president. Must not be offended easily.

Before Yin Luo reached the front desk, the two people at the front desk stood up and greeted her with a professional smile on their faces.

Miss Yin Luo is good. The two shouted in unison.

Yeah. Yin Luo nodded and asked, "Can I go up now?"

Of course, you can go up.
