

Chapter 781

But she also knew that she was not good enough.

When Rayna lowered her head and blushed and didn't know how to answer, her chin was lifted by the man.

The man used his injured arm to raise it. He pinched her chin and forced her to raise her head: "Look at me!"

Rayna's face turned redder.

The man smiled wickedly: "You can't do it if you don't admit it! I saved your life today, just to let you repay me with yourself. You don't have the right to refuse me. You have to do it when you are my daughter-in-law, not me. His daughter-in-law has to do it too!"

Rayna: "..."

Before she could react, the man had already hooked her soft waist with another arm, and caught her in his arms.

"Ah...Young Master Jun, don't you..." Rayna's brain went blank.

She didn't know anything about the next thing.

She didn't know how she was taken off by Mr. Jun, or how she was carried to bed by Mr. Jun. When she woke up, she was nestled in Lenny's arms.

"Jun...Young Master Jun." Rayna didn't dare to look up her head, she wanted to ask, can she still wear her clothes?

Lenny hugged her waist, let her cling to him, touched the tip of her nose with one hand, and said: "Now I am yours, and my arm is also injured by you. You can't kick my wounded man!"

Rayna: "I... as long as you are willing to marry me, I will never kick you, don't say you are willing to marry me, even if you don't want to marry me, today I and you are my voluntary , I won't bother you, I won't stalk you, don't worry, Master Jun."

"Little woman!" The man squeezed her flushed face: "What are you talking about! Well, what are you talking about! You don't admit it before you get out of bed?"

After speaking, he came back to be true again.

The earthy and silly Rayna is the opponent of Lenny, the young master of Kyoto, she can't stand it at all. Fortunately, as soon as Lenny made a move, his arm hurts.

Man!

In this regard, the injury on the arm when you are in the mood is a bird!

The wound on his arm was bleeding with blood, and he hadn't noticed it himself, and now he has bone pain with such a movement.

Lenny's pain caused Rayna to cry even more distressed.

She immediately got out of bed, took fresh medicine and gauze, re-wrapped Lenny, and then lay on the bedside watching Lenny sleep. Lenny was asleep, and she couldn't bear to blink her eyes.

In the middle of the night, when she was dozing off, she looked at Lenny and yelled sweetly: "Husband..."

Lenny An in his sleep: "Hmm..."

"I love you." she said.

Lenny didn't hear it.

But it didn't matter, she was so happy lying in front of Lenny.

Early the next morning, Rayna, who was awake on her stomach, took a rough wash and went out to buy breakfast. She knew that men like Lenny must be picky eaters when they eat. She bought all kinds of breakfast. , Come back and let Lenny settle down.

Just when she was out of the hospital door, someone behind her called her: "Rayna!"

Rayna looked back and found that it was his father.

"Dad..." She was a little timid and guilty. No matter how domineering she used to be, she didn't spend the night with a man, but now.

"Your mother is sick, come home with me." Father Min stared at Rayna coldly and said.

Chapter 782

Hearing that her mother was sick, Rayna still felt distressed: "My mother... why is she sick?"

"I was mad at you!" Father said angrily.

Rayna: "..."

After a pause, she cried and said, "Dad, what did I do wrong? Just because I didn't help my cousin, you just treated me like this? My cousin has never had a father or mother since she was a child. Understand, you hurt her a little bit more and hurt me a little bit less, and I don't say anything.

But my cousin splashed me with strong sulfuric acid, and you still said my mother was angry with me?

Dad, if you don't want my daughter, just say it.

I won't come back later.

However, I should give you and my mother's pension money. I have a lot of money. "

Rayna has never been so hard-hearted, this is the first time.

It's so sad!

Hearing Rayna's words, his father's tone softened a little: "You have been with your parents since you were young. Do you know how pitiful a child without parents is? Replace it with you, your parents are dead, and you In foster care at your uncle and aunt's home, do you also want your uncle and aunt to treat you as your own daughter, even more intimately than your own daughter?

After all, she doesn't have mom and dad, can't you let her? "

Rayna cried and asked her father: "What did I not let her? From childhood, she did not lack food and clothing. She was taken care of by the Shu family. She lives in the upper class, but what about us? We still have to work hard and make money by ourselves. Serve her like a servant, what else does she want? She wants me to kill, so I should kill too?

Just because I didn't help her persecute Suzi, she hated me so? "

Father sighed and said, "You put yourself in your place and think about her. She was originally a lady, but suddenly she had nothing. Even the bank card was frozen. Isn't she uncomfortable? Mom and Dad also felt distressed when she saw it, so It may have been a little harsh on you these days, but you are our biological daughter.

We can be harsh on you.

But why do you let us be harsh on your cousin?

You asked me and your mother, how to face your dead uncle and aunt, Rayna, you have grown up and sensible, you have to understand us, you are the children of your biological parents, your sister does not.

We can only be harsh on you, we can't be harsh on her.

Do you understand? "

The father said eloquently.

Rayna: "..."

She has no hatred with her parents. Wherever she lives in Galia every day, she has long wanted to go home.

The father spoke again: "Your mother... said that you were angry with you, but it was actually because you missed you. Don't look at your mother scolding you so badly. To put it bluntly, you are her daughter. She scolded your sister, not her own, how did she scold?"

"Dad, don't say it!" Rayna cried immediately: "I just go back to see my mother."

"It's good if you are sensible." Father's tone also eased: "Let's go, now go back with me."

"Now?" Rayna hesitated.

She came out to buy breakfast for Lenny. Will she go back before breakfast?

But when she thought that her mother was sick, Rayna felt that at this time, she couldn't just think of men like a idiot and ignore her mother.

After thinking about it, she said to her father: "Dad, wait a moment, I'll call Lenny. I originally came down to buy him breakfast, I won't buy it for him, and I will let the nurse buy it for him later."

"Who is your name?" Father asked her.

"Lenny." Rayna said, blushing again.

In front of his father, when he suddenly mentioned his man, he was the man who had just become his own man last night, Rayna would naturally blush.
