

Chapter 787

If the paternity test is true, then Lu's father is Yi Yan's father, then he must know the ins and outs of this matter, and it is only appropriate to find him.

Yin Luo first returned to Pin Yinyuan to take out the paternity test, then bought a gift halfway through, and finally went to Lu Father. Since her engagement with Lu Shuchen was cancelled, Yin Luo hasn't paid a good visit to Lu's father. This time, I can just go and see if he is alright.

When he arrived at Lu's house, Yin Luo walked cautiously, hoping not to meet Lu Shuchen again. She didn't want to entangle him anymore, it would not be good for her, and it would be harmful to Lu Shuchen. For Lu Shuchen, she hated it, and she would not accept him anymore, let alone give him a little thought. This is also for his good, and it also depends on his willingness to repent now.

Fortunately, I didn't meet Lu Shuchen along the way. Yin Luo came to the hall with confidence. Just after being notified by the servants, Father Lu knew that Yin Luo was coming, so he waited in the hall in advance.

Uncle Lu is good. Yin Luo greeted first. After all, she is a junior, and Uncle Lu almost became her father-in-law. Moreover, the Lu family treated her very well and deserved her respect.

Okay, okay, come and sit down quickly. Father Lu entertained him. In the past, because of the reason that Yin Luo was engaged to Lu Shuchen, they were also very familiar with each other. He wanted to treat Yin Luo as his own daughter, but it was a pity...

This is a gift for you. Yin Luo handed Father Lu the gift he had just bought.

Father Lu was not polite and accepted the gift and thanked him, "Thank you for Lu Luo, then."

Yin Luo is very familiar with this house. Lu Shuchen's room is in it. Will he be there? Yin Luo probed the probe with some worry.

Father Lu saw Yin Luo's actions and knew what she was thinking, so he told her a message to make her feel relieved, "Don't worry, Shu Chen has gone to work at the company and is not at home. Is there anything you can do to ask me for help?"

Yeah. Yin Luo nodded, then took out the paternity test from his bag and handed it to Father Lu.

Father Lu took it and was taken aback when he glanced at it. What was surprised was not that Yi Yan had a father-son relationship with him, but how she suspected Yi Yan's relationship with him and did a paternity test.

Luo Luo, how did you get this?

After all, Lu's father and Yi Yan are fathers and sons, so Yin Luo couldn't help telling Lu's true intentions about this matter. He only asked, "Uncle, can you tell me if this is true first?"

Father Lu held the paternity test and was silent for a while, then slowly nodded, sighed deeply and said, "It's true."

It turned out to be true. Since the paternity test was true, the reason why he didn't tell her was because he had always used her. Everything was so coincidental at the beginning, everything was arranged by him alone, she now only has the Yin family, so his purpose is very clear, and it must also be the Yin family.

Then you can tell me what is going on? Yin Luo asked, listening to Lu's father's tone, his relationship with Yi Yan did not seem to be very good, and Yi Yan used the surname Yi, and Lu's father's surname was Lu.

Father Lu shook his head, seemingly reluctant to mention this matter, "It's just an old story, so don't mention it. By the way, you don't care about this, do you?"

Of course not, uncle, don't worry. Yin Luo shook his head quickly. It's not that she doesn't care about the problem, but that their marriage started because of profit. Yi Yan's conspiracy is the process, and the end is still unknown. .

It's ridiculous. She once thought that their beginning was profit, and they could end in love in the future. She underestimated Yi Yan and overestimated herself too.

That's good, that's good. Father Lu knew that these two children were not easy, and Luoluo was a very good girl, and only hoped that they could live a happy life.

The uncle is fine, I will leave first, and I will go to work later.

Okay, then I'll give it to you.

No, uncle, I'm quite familiar with this place, so I don't need to trouble you, really.

Seeing Yin Luo's insistence, Lu's father didn't want to force her away, but told her "Luoluo girl, come to Lu's house often when she has time. Be careful on the road and pay attention to safety."

After bidding farewell to Lu's father, Yin Luo left the hall and came to Lu's garden. Knowing from Lu's father that Lu Shuchen had gone to work, Yin Luo became bolder. She used to come here often as a wife of the Lu family. Now, Yi Yan is regarded as Lu's family, so she is also regarded as Lu's daughter-in-law. It's just that all of this is fake.

The scenery of this garden is still so familiar, but everything has changed, people have changed, and identity has changed.

As he was walking, suddenly a person hugged Yin Luo from behind.

The first thing Yin Luo thought of who could hold her was Yi Yan, but this embrace did not have the warmth of Yi Yan's embrace, as if he had the feeling of the whole world.

Yin Luo looked back, and an enlarged face of Lu Shuchen appeared before her eyes.

Yin Luo hurriedly struggled away. The thing she was worried about still happened. She had known it would be like this. She should have left without hesitation just now, and shouldn't still miss it here.

Lu Shuchen, what are you doing? We don't have any relationship anymore. Yin Luo was naturally angry and wanted to remind him not to think about him anymore, there might be nothing between them.

It doesn't matter? Hoho, Luoluo, as long as I still like you, we have a relationship. You don't want to get rid of me. Lu Shuchen looked at Yin Luo seriously, and there was an obsession in his eyes.

Yin Luo thought that he would cherish what he might not get, so Lu Shuchen would have such obsession with himself. He shouldn't really like her. Just like Yi Yan, the two brothers of the Lu family did not have a good person.

Then it's up to you. Yin Luo no longer wanted to pipe Shu Chen anymore, she had said so much before to advise, but in the end, it didn't work at all, he still wanted to appear in her world like this. But since she found out that he was cheating, he could no longer integrate into her world.

It's just that Yin Luo still doesn't understand one thing. Lu's father just told her clearly, "Lu Shuchen, your father just told me that you work in the company, why are you here now?"

Lu Shuchen answered truthfully, "I'm in the company, and the servant called just now, and I hurried over when I heard that you were here."

After that, Lu Shuchen stepped forward again, ignoring Yin Luo's refusal, and hugged her tightly, "Luoluo, I really care about you, will you forgive me and come back?"

Seeing that he couldn't get rid of Lu Shuchen's embrace, Yin Luo simply stopped struggling, and said coldly, "I'll just say it once, let go."

After listening to Yin Luo's words, Lu Shuchen really let go, and at the moment Lu Shuchen let go, Yin Luo slammed his hand to Lu Shuchen's face. She hoped that she could wake him up, and he could now hold her forcibly regardless of her wishes, and he might do more excessive things in the future. She only hoped that he could put him down.

After being slapped by Yin Luo, Lu Shuchen was not angry, but instead apologized. "Luo Luo, I was wrong. I was wrong. I was too impatient. Can you forgive me?"

Yin Luo looked at Lu Shuchen. He has now become a Lu Shuchen she didn't know. The former Lu Shuchen was proud and arrogant. Even if he really did something wrong, he didn't want to admit himself easily. mistake.

She didn't want to stay with Lu Shuchen anymore, she was afraid she could not help beating him again.

Just as she was about to leave, Lu Shuchen grabbed Yin Luo's wrist. He looked a little angry now, and asked with a reddish eye, "Why? Luoluo, why can't you accept me again? I know it used to be I'm sorry, but I was really wrong. Why would you refuse to give me a chance?"

Looking at Lu Shuchen's current appearance, Yin Luo suddenly felt a little sympathetic, "Lu Shuchen is like a piece of white paper with black ink poured on it. The ink can't be collected anymore, and it's impossible for the white paper to turn white again. Do you understand?"

No. Lu Shuchen's face began to turn hideous, "White paper can always turn white with bleach."

Yin Luo laughed helplessly. "Lu Shuchen, are you stupid? I'm just making an analogy. Anyway, there is no possibility between us. You can understand what I want to say? Can you stop pestering me? Please? You let go, let go."

I won't let it go, Luoluo, I can't let it go. Before, I let you go to marry Yi Yan. Now give me another chance. I will definitely not let go. The more Yin Luo struggled, Lu Shu Chen squeezed harder, he seemed to be a crazy beast at this moment, trying to smash her bones.

Fortunately, an old man's powerful voice came from the other side. It was Father Lu. Although he was old, he was in good health, and his voice was also very strong and courageous. He deserves to be the former president who led Lu's stepping into the flames, "Let go." "

Hearing Father Lu's voice, Lu Shuchen felt a little jealous, "Dad!"

I asked you to let go, did you not even listen to me? Father Lu repeated, his voice sounding a bit angry.

Lu Shuchen glanced at Father Lu before letting go of Yin Luo unwillingly. Yin Luo, who was let go of her hand, felt like a fish that had left the water and returned to the water. Her wrists were all red, and she felt better after rubbing them.

Seeing Lu Shuchen let go of Yin Luo, Lu's father lightened his tone and said embarrassedly, "Luo Luo, I'm really sorry, for letting Shu Chen hurt you, I apologize to you."

Uncle Lu, this is not your fault, you don't have to apologize to me. Yin Luo respected Lu Father very much, and said that this matter has nothing to do with Lu Father.

Unexpectedly, Lu's father had misunderstood Yin Luo's meaning, and ordered Lu Shuchen to say, "Have you heard that? I quickly apologize to Luoluo."

"It's me who is wrong, Luoluo, I have told you countless times to apologize, why can't you forgive me? What do you want me to do? You said.
