

Chapter 79:

Charlie was overjoyed and immediately prepared to stuff the Nine Profound Heaven Scriptures into his arms.

As a result, the book immediately turned into powder and disappeared.

However, every word in the book was clearly printed in Charlie's brain.

At this time, Jacob who ran away was brutally escorted back by several big and three rough men.

Seeing the redness and swelling on both sides of his face, it seems that it was a grab for a gasp!

Looking at his embarrassed appearance, Charlie just wanted to laugh.

This old guy, it is outrageous to want to throw the pot at him after getting into trouble! Letting him take a lesson is a punishment.

The Old Master, Jacob, was particularly embarrassed at this time. He ran desperately just now and was exhausted.

But he didn't have a car key either. He was old and fat, and couldn't run fast. How could he compete with these young people?

So after a few meetings, he was caught, tied back, and slapped several times. It was really miserable to get home.

Several people caught Jacob back, and manager Liangyun gritted his teeth and said: "Old thing, you want to run after you smashed our bottle? You don't want to pay Jiqingtang!"

The Old Master in horror said, "I didn't mean it, it's because this bottle is too slippery."

Liangyun said coldly: "Stop talking nonsense with me! I will give you an afternoon to raise money. If you can't afford it, I will report and warn you of deliberately damaging other people's property. The case value of more than five million is enough for you to sit in prison. Now!"

Jacob trembled in fright. He looked at Charlie as if he saw a life-saving straw: "Charlie, my good son-in-law! I will die if you don't save me!"

Charlie said helplessly: "Dad, I don't have that much money!"

Jacob hurriedly blurted out: "Then you will go to jail instead of me! My family has supported you for so long, and it's time for you to repay you!"

Charlie thought to himself, why do you have the face to say such things?

Just as he was about to refuse, the middle-aged man took the lead and said: "If you are wronged, you have a debtor, our Jiqingtang is the most trustworthy business. You broke the bottle and you have to pay for it!"

After all, he said to Charlie: "You can go, but it's best to help him raise enough money, otherwise, after this afternoon, I will send him to the police station!"

Charlie nodded lightly.

Jacob was frightened and cried and said, "Good son-in-law, you can't go! What should I do if you leave!"

Charlie couldn't help being amused when he saw him so frightened.

But of course, he can't laugh on the face.

He was trying to find an excuse to raise money to leave, and let the Old Master stay here to suffer.

But it suddenly occurred to him that there was an ancient method of repairing porcelain artifacts in the shop just now, so he thought, "Manager if I can repair that jade pot spring bottle, can you let him go?"

Liangyun sneered and said, "Who do you think you are, and you need to restore the antiques. To tell you the truth, I have sent the photos to the Aurous Hill cultural relic appraisal experts."

Charlie shook his head and said: "Your bottle is broken, it's useless to keep it, I will try it without losing anything."

Liangyun sneered disdainfully, and said, "Okay, right? Okay! I want to see what you can do!"

Charlie said, "Prepare me a piece of rice paper, a brush, and five eggs. The eggs will be raw."

Liangyun waited to see what kind of joke Charlie would make, and without hesitation, he quickly found a basket of raw eggs for Charlie.

But he still couldn't help but ridiculed: "Use eggs to repair cultural relics. I have never seen such a method. I warn you, don't play tricks. Either you pay compensation or we take your father-in-law to court. Five million is enough for your father-in-law to sit in prison for a lifetime."

Chapter 80:

Charlie nodded and said, "What if I fix it?"

Liangyun coldly hummed, "If it is verified by professionals and it is repaired and most of the losses can be recovered, then you can go!"

"Okay!" Charlie nodded: "A word is a deal!"

After speaking, he immediately stopped talking to him, picked up the writing brush, and outlined the outline of the Yuhuchun bottle on the rice paper.

Afterward, he knocked the egg in a small mouth, dipped a little egg white with his index finger, wiped it on a fragment of the bottle, pressed it on the paper model, and then picked up a piece and pressed it on. The paper model was gradually being antiqued. The fragments are posted on

Everyone kept silent, for fear of interrupting his repair process.

Soon, half an hour passed.

When Charlie straightened up again, what appeared in front of everyone was a Thompson Dynasty jade pot spring bottle that looked like a new.

He smiled at Liangyun and said, "You can see where there are flaws."

Liangyun picked up the bottle and looked up and down a few times before he said disdainfully: "Are you teasing me? You f*cking paste it with egg liquid, even if it's repaired? I will break your leg and paste it with egg liquid. Ok?"

"Don't mess with that bottle!"

At this moment, a clear and urgent voice suddenly came from the door.

Immediately afterward, a glamorous beauty in a small white casual suit stepped in.

She has a beautiful face, a perfect and tall figure, close to a height of 1.7 meters, exuding a luxurious aura, those beautiful eyes look into the room, her eyes are full of cold and arrogance, like a queen of frost.

The moment Liangyun saw this woman, his face changed drastically, and he quickly lowered his head respectfully and said, "Miss, why are you here?"

The visitor is the actual owner of Jiqingtang, Warnia Song, the eldest of the Song family, the top family of Aurous Hill.

Warnia snorted coldly, and said angrily: "I'm afraid I don't come, you will ruin all this shop! What's the matter?"

Liangyun smiled wryly and quickly replied: "A customer accidentally broke the bottle while looking at it. His son-in-law repaired it with an egg. I was about to say that such a repair is worthless, and I want to talk to them about compensation."

Warnia leaned to the edge of the antique bottle and observed for a while, her complexion suddenly changed!

Then, she immediately turned her head and scolded Liangyun and said, "Quickly let go! Whoever makes you don't understand, just touch it!"

Liangyun was immediately stunned: "Miss, what are you?"

Warnia said angrily: "This is a cultural relic that has just been restored. Except for the restoration experts, other people can't touch them with their hands for the time being. Don't you understand this rule?"

Liangyun hesitated and said, "This is just using egg liquid to paste it again, isn't it a repair?"

Warnia's beautiful eyes were angry, and she scolded: "You idiot, after the bottle is repaired, the price will at least double, but because you touch it with your hand, you will lose at least two million! You pack your things and don't come tomorrow! "

She had seen a porcelain plate in the same period at an auction in Hong Kong.

The history of the porcelain plate is very interesting. It is porcelain of the Thompson Dynasty. It was broken in the Song Dynasty and repaired by skilled craftsmen in the Song Dynasty in the same way.

And because this repair method is extremely rare and has long been lost in history, the final transaction price of the porcelain plate was 13 million, which far exceeded the actual value of the porcelain plate.

Now that this bottle was repaired by Charlie with a lost technique, the value of the bottle will rise!

Liangyun's face was pale, and he didn't expect that if he just touched the jade pot spring bottle, he would have caused such a big loss and lost his job.

Warnia then asked, "Where is the man who repaired this jade pot spring bottle? Take me to see him."
